Part IIA—The general interest charge

8AAA Overview

This Part explains how to work out the general interest charge on an amount.

Usually, a person is liable to pay the charge if an amount that the person must pay to the Commissioner is not paid on time. But there are also other circumstances in which a person can be liable.

A person is only liable to pay the charge if a provision of an Act makes the person liable.

8AAB When the general interest charge applies

- (1) There are certain provisions of this Act and other Acts that make persons liable to pay the general interest charge. Subsection (4) lists the provisions.
- (2) A person is only liable to pay the charge on an amount if a provision specifies that the person is liable to pay the charge on the amount.
- (3) The charge does not apply to the Commonwealth or an authority of the Commonwealth.

8AAC Amount of the general interest charge

- (1) The general interest charge for a day is worked out in accordance with this section.
- (2) If the charge is payable under section 8AAZF on the RBA deficit at the end of that day, then the charge is worked out by multiplying the general interest charge rate for that day by the RBA deficit at the end of that day.

Section 8AAD

- (3) If the charge is not payable under section 8AAZF, but applies to an amount that remains unpaid (the **original unpaid amount**), then the charge is worked out by multiplying the general interest charge rate for that day by the sum of so much of the following amounts as remains unpaid:
- (a) the charge from previous days;
 - (b) the original unpaid amount.
- (4) If the charge applies to an amount that is specified in the provision that imposes the charge, but neither subsection (2) nor (3) applies, then the charge is worked out by multiplying the general interest charge rate for that day by the sum of the following amounts:
- (a) so much of the charge from previous days as remains unpaid;
 - (b) the specified amount.

8AAD What is the general interest charge rate?

- (1) The **general interest charge rate** for a day is the rate worked out by adding 7 percentage points to the base interest rate for that day, and dividing that total by the number of days in the calendar year.
- (2) The **base interest rate** for a day depends on which quarter of the year the day is in. For each day in a quarter in the second column of the table, it is the monthly average yield of 90-day Bank Accepted Bills published by the Reserve Bank of Australia for the month in the third column of the table.

Base interest rate

Item	For days in this quarter...	the monthly average yield of 90-day Bank Accepted Bills for this month applies...
1	1 January to 31 March	the preceding November
2	1 April to 30 June	the preceding February
3	1 July to 30 September	the preceding May
4	1 October to 31 December	the preceding August

- (3) If the monthly average yield of 90-day Bank Accepted Bills for a particular month in the third column of the table in subsection (2)

Section 8AAE

is not published by the Reserve Bank of Australia before the beginning of the relevant quarter, assume that it is the same as the last monthly average yield of 90-day Bank Accepted Bills published by the Reserve Bank of Australia before that month.

- (4) The base interest rate must be rounded to the second decimal place (rounding .005 upwards).

8AAE When the charge is due and payable

The general interest charge for a day is due and payable to the Commissioner at the end of that day.

Note: For provisions about collection and recovery of the charge, see Part 4-15 in Schedule 1.

8AAF Notification by Commissioner

- (1) The Commissioner may give notice to a person liable to pay the charge of the amount of the charge for a particular day or days.
- (4) A notice given to a person by the Commissioner under this section is prima facie evidence of the matters stated in the notice.

8AAG Remission of the charge

- (1) The Commissioner may remit all or a part of the charge payable by a person.
- (2) However, if a person is liable to pay the charge because an amount remains unpaid after the time by which it is due to be paid, the Commissioner may only remit all or a part of the charge in the circumstances set out in subsection (3), (4) or (5).
- (3) The Commissioner may remit all or a part of the charge referred to in subsection (2) if the Commissioner is satisfied that:
- (a) the circumstances that contributed to the delay in payment were not due to, or caused directly or indirectly by, an act or omission of the person; and

Section 8AAGA

- (b) the person has taken reasonable action to mitigate, or mitigate the effects of, those circumstances.
- (4) The Commissioner may remit all or a part of the charge referred to in subsection (2) if the Commissioner is satisfied that:
 - (a) the circumstances that contributed to the delay in payment were due to, or caused directly or indirectly by, an act or omission of the person; and
 - (b) the person has taken reasonable action to mitigate, or mitigate the effects of, those circumstances; and
 - (c) having regard to the nature of those circumstances, it would be fair and reasonable to remit all or a part of the charge.
- (5) The Commissioner may remit all or a part of the charge referred to in subsection (2) if the Commissioner is satisfied that:
 - (a) there are special circumstances because of which it would be fair and reasonable to remit all or a part of the charge; or
 - (b) it is otherwise appropriate to do so.

8AAGA Rounding of the charge

If the amount of the charge payable for any period is not a multiple of 5 cents, the Commissioner may round it down to the nearest multiple of 5 cents.

8AAH Judgment for payment of an unpaid amount

- (1) This section applies if judgment is given by, or entered in, a court for the payment of:
 - (a) all or a part of an amount in respect of which a person is, or was, liable to pay the charge because the amount remains unpaid after the time by which it is due to be paid; or
 - (b) an amount that includes all or a part of the unpaid amount.
- (2) The consequences of judgment being given or entered are:
 - (a) the unpaid amount is not taken, for the purposes of a provision that makes, or would make, the person liable to pay the charge on the unpaid amount, to have ceased to be due

Section 8AAH

and payable by reason only of the giving or entering of the judgment; and

- (b) if the judgment debt carries interest, the amount of the charge that the person would, if not for this paragraph, be liable to pay on the unpaid amount is reduced by:
- (i) in a case to which paragraph (1)(a) applies—the amount of the interest; or
 - (ii) in a case to which paragraph (1)(b) applies—the amount worked out using the formula:

$$\frac{\text{Unpaid amount or part of unpaid amount}}{\text{Judgment debt}} \times \text{Interest}$$

8AAZH Liability for RBA deficit debt

- (1) If there is an RBA deficit debt on an RBA at the end of a day, the tax debtor is liable to pay to the Commonwealth the amount of the debt. The amount is due and payable at the end of that day.

Note: For provisions about collection and recovery of the amount, see Part 4-15 in Schedule 1.

- (2) If there are several tax debtors, their liability for the debt is of the same kind as their liability for the tax debts that were allocated to the RBA.

Example: If the tax debtors are jointly and severally liable for the tax debts that were allocated to the RBA, they will also be jointly and severally liable for the RBA deficit debt.

8AAZI RBA statement to be evidence

- (1) The production of an RBA statement:
- (a) is prima facie evidence that the RBA was duly kept; and
 - (b) is prima facie evidence that the amounts and particulars in the statement are correct.

- (2) In this section:

Division 3—Treatment of payments, credits and RBA surpluses

8AAZL Amounts covered by this Division

- (1) This Division sets out how the Commissioner must treat the following kinds of amount:
 - (a) a payment the Commissioner receives in respect of a current or anticipated tax debt or tax debts of an entity;
 - (b) a credit (including an excess non-RBA credit) that an entity is entitled to under a taxation law;
 - (c) an RBA surplus of an entity.

- (2) The Commissioner must treat each such amount using the method set out in section 8AAZLA or 8AAZLB (but not both).

Note: In either case, section 8AAZLC has some additional rules that apply to RBA surpluses and to certain excess non-RBA credits.

- (3) However, the Commissioner does not have to treat an amount using either of those methods if doing so would require the Commissioner to apply the amount against a tax debt:
 - (a) that is due but not yet payable; or
 - (b) in respect of which the taxpayer has complied with an arrangement under section 255-15 to pay the debt by instalments; or
 - (c) in respect of which the Commissioner has agreed to defer recovery under section 255-5.
- (4) Furthermore, the Commissioner does not have to treat an amount using either of those methods if:
 - (a) doing so would require the Commissioner to apply the amount against a tax debt; and
 - (b) the tax debt is a penalty that is due and payable under section 269-20 in Schedule 1 (penalties for directors of non-complying companies).

Section 8AAZLA

8AAZLA Method 1—allocating the amount first to an RBA

- (1) The Commissioner may, in the manner he or she determines, allocate the amount to an RBA of the entity or, if the entity is a member of an RBA group, to an RBA of another member of the group.
- (2) The Commissioner must then also apply the amount against the following kinds of debts (if there are any):
 - (a) tax debts that have been allocated to that RBA;
 - (b) general interest charge on such tax debts.
- (3) To the extent that the amount is not applied under subsection (2), it gives rise to an *excess non-RBA credit* in favour of the entity that:
 - (a) is equal to the part of the amount that is not applied; and
 - (b) relates to the RBA to which the amount was allocated.

8AAZLB Method 2—applying the amount first against a non-RBA tax debt

- (1) The Commissioner may, in the manner he or she determines, apply the amount against a non-RBA tax debt of the entity or, if the entity is a member of an RBA group, against a non-RBA tax debt of another member of the group.
- (2) If the non-RBA tax debt is:
 - (a) a tax debt that has been allocated to an RBA; or
 - (b) general interest charge on such a tax debt;the Commissioner must then also allocate the amount to that RBA.
- (3) To the extent that the amount is not applied under subsection (1), it gives rise to an *excess non-RBA credit* in favour of the entity that is equal to the part of the amount that is not applied.
- (4) The excess non-RBA credit relates to the RBA (if any) that the Commissioner determines and the balance of that RBA is adjusted in the entity's favour by the amount of that credit.

Separate RBAs for one entity

- (5) If the non-RBA tax debt mentioned in subsection (1) has been allocated to 2 or more RBAs, the Commissioner must allocate the amount applied between those RBAs in the proportions in which the tax debt was allocated.

Note: Separate RBAs may be established for different businesses or undertakings conducted by the same entity, for different parts of the same business or undertaking or for different periods: see subsection 8AAZC(5).

8AAZLC RBA surplus and related credits must remain equivalent if one or the other is applied

RBA surpluses

- (1) If an RBA surplus is allocated or applied under this Division, the Commissioner must reduce by the same amount excess non-RBA credits that relate to the RBA.

Excess non-RBA credits

- (2) If, under this Division, an excess non-RBA credit that relates to an RBA (the *related RBA*) is:
- (a) allocated to an RBA; or
 - (b) applied against a non-RBA tax debt;
- the related RBA is adjusted in the Commissioner's favour by the same amount.

8AAZLD Special priority credits

If, under this Division, the Commissioner is to apply a credit that arises under Schedule 1 to this Act (the PAYG system), the Commissioner must apply it, whether under section 8AAZLA or 8AAZLB:

- (aa) first, against any compulsory repayment amount of the entity; and

Part IIB Running balance accounts, application of payments and credits, and related matters

Division 3 Treatment of payments, credits and RBA surpluses

Section 8AAZLE

- (aaa) then against any compulsory VETSL repayment amount of the entity; and
 - (ab) then against any compulsory SSL repayment amount of the entity; and
 - (ac) then against any compulsory ABSTUDY SSL repayment amount of the entity; and
 - (ad) then against any compulsory AASL repayment amount of the entity; and
 - (b) then against any FS assessment debt of the entity;
- before applying it against other non-RBA tax debts of the entity.

8AAZLE Instructions to Commissioner not binding

In doing anything under this Division, the Commissioner is not required to take account of any instructions of any entity.

Division 3A—Refunds of RBA surpluses and credits

8AAZLF Commissioner must refund RBA surpluses and credits

- (1) The Commissioner must refund to an entity so much of:
 - (a) an RBA surplus of the entity; or
 - (b) a credit (including an excess non-RBA credit) in the entity's favour;as the Commissioner does not allocate or apply under Division 3.

Voluntary payments only to be refunded on request

- (2) However, the Commissioner is not required to refund an RBA surplus or excess non-RBA credit that arises because a payment is made in respect of an anticipated tax debt of an entity unless the entity later requests, in the approved manner, that the Commissioner do so.
- (3) On receiving such a request, the Commissioner must refund so much of the amount as the Commissioner does not allocate or apply under Division 3.

Effect of refunding RBA surplus

- (4) If the Commissioner refunds an RBA surplus under this section, the Commissioner must reduce by the same amount excess non-RBA credits that relate to the RBA.

Effect of refunding credit that relates to an RBA

- (5) If, under this section, the Commissioner refunds an excess non-RBA credit that relates to an RBA, the RBA is adjusted in the Commissioner's favour by the same amount.

- “(3A) The Tribunal must not make an order under subsection (2), or an order varying or revoking an order in force under subsection (2), unless:
- (a) the proceeding before the Tribunal is in the Small Business Taxation Division of the Tribunal; and
 - (b) if the party requesting the order is not the Commissioner of Taxation—the party satisfies the Tribunal that, when considered in the context of both the particular circumstances of the decision under review and the overall taxation system, the application for review and the request for making the order are not frivolous, vexatious, misconceived, lacking in substance or otherwise intended to unduly impede, prejudice or restrict the proper administration or operation of a taxation law.

Note 1: The kind of orders that the Tribunal may make under this section as modified by section 14ZZH of the *Taxation Administration Act 1953* include the following:

- (a) an order directing the Commissioner not to sue in a court to recover a specified amount relating to the reviewable objection decision (see subsection 255-5(2) in Schedule 1 to the *Taxation Administration Act 1953*);

Section 14ZZJ

- (b) an order directing the Commissioner to offer or accept payment of a liability relating to the reviewable objection decision by instalments under a specified arrangement (see section 255-15 in Schedule 1 to the *Taxation Administration Act 1953*);
- (c) an order directing the Commissioner not to issue one or more written notices to specified third parties who owe or may later owe money to the applicant as a means of recovering a liability relating to the reviewable objection decision (see section 260-5 in Schedule 1 to the *Taxation Administration Act 1953*).

Note 2: However, an order that would materially and permanently alter the decision under review would not be an order staying or otherwise affecting the operation or implementation of such a decision for the purpose of securing the effectiveness of the hearing and determination of the application for review. For example:

- (a) an order directing the Commissioner to defer the time at which a tax liability becomes due and payable; or
- (b) an order directing the Commissioner to remit the imposition of interest charges on unpaid liabilities that are due and payable.”.

14ZZJ Modification of section 43 of the AAT Act

Section 43 of the AAT Act applies in relation to:

- (a) a review of a reviewable objection decision; and
- (b) a review of an extension of time refusal decision; and
- (c) an AAT extension application;

as if the following subsections were inserted after subsection (2B):

“(2C) If a hearing of a proceeding for the review of a decision or an AAT extension application is not conducted in public, that fact does not prevent the Tribunal from publishing its reasons for the decision.

“(2D) If:

- (a) a hearing of a proceeding for the review of a decision or an AAT extension application is not conducted in public; and
- (b) a notice of appeal has not been lodged with the Federal Court;

the Tribunal must ensure, as far as practicable, that its reasons for the decision are framed so as not to be likely to enable the identification of the person who applied for the review.

“(2E) In subsections (2C) and (2D):

Section 14ZZK

reasons for decision includes findings on material questions of fact and references to the evidence or other material on which those findings were based.”.

14ZZK Grounds of objection and burden of proof

On an application for review of a reviewable objection decision:

- (a) the applicant is, unless the Tribunal orders otherwise, limited to the grounds stated in the taxation objection to which the decision relates; and
- (b) the applicant has the burden of proving:
 - (i) if the taxation decision concerned is an assessment—that the assessment is excessive or otherwise incorrect and what the assessment should have been; or
 - (ii) in any other case—that the taxation decision concerned should not have been made or should have been made differently.

14ZZL Implementation of Tribunal decisions

- (1) When the decision of the Tribunal on the review of a reviewable objection decision or an extension of time refusal decision becomes final, the Commissioner must, within 60 days, take such action, including amending any assessment or determination concerned, as is necessary to give effect to the decision.
- (2) For the purposes of subsection (1), if no appeal is lodged against the Tribunal’s decision within the period for lodging an appeal, the decision becomes final at the end of the period.

14ZZM Pending review not to affect implementation of taxation decisions

- (1) The fact that a review is pending in relation to a taxation decision does not in the meantime interfere with, or affect, the decision and any tax, additional tax or other amount may be recovered as if no review were pending.

Section 14ZZM

- (2) However, the application of subsection (1) in relation to a small business taxation assessment decision is subject to any order made under section 41 of the AAT Act (as modified by section 14ZZH of this Act) in relation to the decision.

Division 5—Court appeals against objection decisions

14ZZN Time limit for appeals

An appeal to the Federal Court against an objection decision must be lodged with the Court within 60 days after the person appealing is served with notice of the decision.

14ZZO Grounds of objection and burden of proof

In proceedings on an appeal under section 14ZZ to a court against an objection decision:

- (a) the appellant is, unless the court orders otherwise, limited to the grounds stated in the taxation objection to which the decision relates; and
- (b) the appellant has the burden of proving:
 - (i) if the taxation decision concerned is an assessment—that the assessment is excessive or otherwise incorrect and what the assessment should have been; or
 - (ii) in any other case—that the taxation decision should not have been made or should have been made differently.

14ZZP Order of court on objection decision

Where a court hears an appeal against an objection decision under section 14ZZ, the court may make such order in relation to the decision as it thinks fit, including an order confirming or varying the decision.

14ZZQ Implementation of court order in respect of objection decision

- (1) When the order of the court in relation to the decision becomes final, the Commissioner must, within 60 days, take such action, including amending any assessment or determination concerned, as is necessary to give effect to the decision.

- (2) For the purposes of subsection (1):
- (a) if the order is made by the court constituted by a single Judge and no appeal is lodged against the order within the period for lodging an appeal—the order becomes final at the end of the period; and
 - (b) if the order is made by the court constituted other than as mentioned in paragraph (a) and no application for special leave to appeal to the High Court against the order is made within the period of 30 days after the order is made—the order becomes final at the end of the period.

14ZZR Pending appeal not to affect implementation of taxation decisions

The fact that an appeal is pending in relation to a taxation decision does not in the meantime interfere with, or affect, the decision and any tax, additional tax or other amount may be recovered as if no appeal were pending.

14ZZS Transfer of certain proceedings to Federal Circuit and Family Court of Australia (Division 1)

 - (i) grant such remedies; and

- (d) remedies, orders and writs granted, made or issued by the Federal Circuit and Family Court of Australia (Division 1) in and in relation to the proceeding have effect, and may be enforced by the Federal Circuit and Family Court of Australia (Division 1), as if they had been granted, made or issued by the Federal Court; and
- (e) appeals lie from judgments of the Federal Circuit and Family Court of Australia (Division 1) given in and in relation to the proceeding as if the judgments were judgments of the Federal Court constituted by a single Judge of that Court, and do not otherwise lie; and
- (f) subject to paragraphs (a) to (e) (inclusive), this Act, the regulations, the *Federal Court of Australia Act 1976*, the Rules of the Court made under that Act, and other laws of the Commonwealth, apply in and in relation to the proceeding as if:

 - (iv) a reference to a Registrar of the Federal Court included a reference to a Registrar of the Federal Circuit and Family Court of Australia (Division 1); and
 - (v) any other necessary changes were made.
- (3) If any difficulty arises in the application of paragraphs (2)(c), (d) and (f) in or in relation to a particular proceeding, the Federal Circuit and Family Court of Australia (Division 1) may, on the application of a party to the proceeding or on its own initiative, give such directions, and make such orders, as it considers appropriate to resolve the difficulty.

Chapter 2—Collection, recovery and administration of income tax

Part 2-1—Introduction to the Pay as you go (PAYG) system

Division 6—Guide to Parts 2-5 and 2-10

6-1 What Parts 2-5 and 2-10 are about

To help taxpayers meet their annual income tax liability, they are required to pay amounts of their income at regular intervals as it is earned during the year. The system for collecting these amounts is called “Pay as you go”.

Amounts collected under this system also go towards meeting liability for Medicare levy and liability to repay debts under certain income-contingent loan schemes.

Table of sections

6-5	The Pay as you go (PAYG) system
6-10	How the amounts collected are dealt with

6-5 The Pay as you go (PAYG) system

- (1) Parts 2-5 and 2-10 establish the PAYG system, which has 2 components:
- PAYG withholding (Part 2-5)
 - PAYG instalments (Part 2-10).

*For definition, see section 995-1 of the *Income Tax Assessment Act 1997*.

PAYG withholding

- (2) Under PAYG withholding, amounts are collected in respect of particular kinds of payments or transactions. Usually, someone who makes a payment to you is required to *withhold* an amount from the payment, and then to pay the amount to the Commissioner.

For a list of the payments and other transactions to which PAYG withholding applies, see Division 10

PAYG instalments

- (3) You pay PAYG instalments directly to the Commissioner. These are usually based on your GDP-adjusted notional tax or your ordinary income for a past period, but excluding:
- income subject to PAYG withholding (with certain exceptions)
 - exempt income, or income that is otherwise not assessable.

An instalment is usually paid after a quarter, but some taxpayers are eligible to pay an annual instalment after the end of the income year.

6-10 How the amounts collected are dealt with

You are entitled to credits for the amounts of your income that are collected under the PAYG system. The credits are applied under Division 3 of Part IIB against your tax debts, and any excess is refunded to you.

*For definition, see section 995-1 of the *Income Tax Assessment Act 1997*.

Section 10-1

Part 2-5—Pay as you go (PAYG) withholding

Division 10—Guide to Part 2-5

10-1 What this Part is about

Under PAYG withholding, amounts are collected in respect of particular kinds of payments or transactions. Usually, someone who makes a payment to you is required to *withhold* an amount from the payment, and then to pay the amount to the Commissioner. If the payment is personal services income that is included in the assessable income of someone else under Division 86 of the *Income Tax Assessment Act 1997*, the payer must pay such an amount to the Commissioner at a later date.

If a non-cash benefit is provided instead of a payment, the provider must first pay to the Commissioner the amount that would have been withheld from the payment.

This Part also contains provisions about the obligations and rights of payers and recipients.

10-5 Summary of withholding payments

- (1) The payments and other transactions covered by PAYG withholding are called withholding payments. They are summarised in the table.

Note: The obligation to pay an amount to the Commissioner is imposed on the entity making the withholding payment (except for items 17, 19, 22 and 27, and 26 (to the extent that it covers subsection 12-390(4))).

Note: Some provisions of this Division clearly do not cover a payment covered by some other provisions. For example:

*For definition, see section 995-1 of the *Income Tax Assessment Act 1997*.

- Section 12-55 (about voluntary agreements) covers a payment only if no other provision requires the payer to withhold an amount from the payment.

(1) This Division (other than the provisions mentioned in subsection (2)) does not apply to a payment in so far as the payment:

- (a) is an *alienated personal services payment; or
- (b) was received, by the entity making the payment, as an *alienated personal services payment.

Note: An entity that receives an alienated personal services payment may be obliged to pay an amount to the Commissioner: see Division 13.

(2) The provisions are:

- (a) Subdivision 12-FB; and
- (b) any other provisions in this Division to the extent that they apply in relation to that Subdivision.

12-10 Division does not apply to non-cash benefits

This Division and the regulations made for the purposes of this Division:

- (a) apply to a non-share equity interest in the same way as it applies to a share; and

*For definition, see section 995-1 of the *Income Tax Assessment Act 1997*.

Section 12-35

For exceptions, see section 12-1.

 - (d) the individual has an *ABN that is in force and is *quoted in that agreement.

For exceptions, see section 12-1.

- (2) Each party must keep a copy of the voluntary agreement from when it is made until 5 years after the making of the last payment covered by the agreement.

Example 1: Staffprovider Ltd keeps a database of skilled persons who are willing for their services to be provided to third parties. Staffprovider arranges with Corporate Pty Ltd to provide to it the services of a computer programmer in return for payment. Staffprovider arranges with Jane for her to do computer programming for Corporate. Staffprovider must withhold amounts under this section from payments it makes to Jane under the arrangement with her.

Payment in respect of investment

12-140 Recipient does not quote tax file number

- (1) An *investment body must withhold an amount from a payment it makes to another entity in respect of a *Part VA investment if:
- (a) all or some of the payment is *ordinary income or *statutory income of the other entity; and
 - (b) if the investment is non-transferable—the other entity did not *quote its *tax file number in connection with the investment before the time when the payment became payable; and
 - (c) if the investment is transferable—the other entity did not quote its tax file number in connection with the investment before the time when the other entity had to be registered with the investment body as the *investor to be entitled to the payment.

Note: If the investment body is an AMIT, under subsection 12A-205(2) amounts may be treated, for the purposes of this Part, as having been paid to the other entity by the investment body.

Payment in respect of units in a trust or investment-related betting chance

- (2) If a *Part VA investment consists of:
- (a) units in a unit trust (as defined in section 202A of the *Income Tax Assessment Act 1936*); or
 - (b) an investment-related betting chance;
- an entity (including the *investment body) must withhold an amount from a payment it makes to another entity in respect of the investment if the conditions in subsection (1) of this section are met.

For exceptions to the rules in this section, see sections 12-150 to 12-170.

- (3) If:
- (a) because of subsection 12A-205(2), an entity is treated as having made a payment to another entity; and

*For definition, see section 995-1 of the *Income Tax Assessment Act 1997*.

Section 12-145

- (b) under subsection (2) of this section, the entity has withheld an amount from that payment, and paid the amount to the Commissioner;
the entity may recover from the other entity, as a debt, the amount withheld.
- (4) The entity is entitled to set off an amount that the entity can recover from the other entity under subsection (3) against debts due by the entity to the other entity.

12-145 Investor becoming presently entitled to income of a unit trust

- (1) This section applies if:
 - (a) a *Part VA investment consists of units in a unit trust (as defined in section 202A of the *Income Tax Assessment Act 1936*); and
 - (b) the *investor becomes presently entitled, for the purposes of Division 6 of Part III of the *Income Tax Assessment Act 1936*, to a share of income of the trust at a time (the *entitlement time*) before any of that share is paid to the investor.
- (2) The entity (including the *investment body) that would have to pay that share to the *investor if the share were due and payable at the entitlement time must withhold from the share, at that time, the amount (if any) that subsection 12-140(2) would have required it to withhold if it had paid the share to the investor at that time.

For exceptions to the rules in this section, see sections 12-155 to 12-170.
- (3) This Part (except section 12-140 and this section) applies as if that entity had paid that share to the *investor at the entitlement time.
- (4) If that entity withholds an amount from that share as required by subsection (2), subsection 12-140(2) does not require an amount to be withheld from a payment of all or part of that share to the *investor.

*For definition, see section 995-1 of the *Income Tax Assessment Act 1997*.

12-150 Limited application of section 12-140 to payment under financial arrangement

- (1) This section limits the extent to which section 12-140 applies to a payment in respect of a *Part VA investment if the investment is a qualifying security (within the meaning of Division 16E of Part III of the *Income Tax Assessment Act 1936* (about gains accruing on securities)) and:
- (a) is of a kind mentioned in item 1 or 2 of the table in subsection 202D(1) of that Act; or
 - (b) is of a kind mentioned in item 3 of that table and is non-transferable.

Note: Section 202D of the *Income Tax Assessment Act 1936* lists the investments in connection with which tax file numbers are to be quoted.

- (2) Section 12-140 applies to the payment only to the extent that is covered by one or both of these paragraphs:
- (a) so much of the payment as consists of periodic interest (within the meaning of Division 16E of Part III of the *Income Tax Assessment Act 1936*);
 - (b) if the payment became payable at the end of the term (within the meaning of that Division) of the investment—so much of the payment as does *not* exceed what section 159GQ of that Act would include in the *investor's assessable income for the income year in which that term ended.

Note: This limitation ensures that an amount is not withheld from payment of an amount in respect of which TFN withholding tax is payable. See Subdivision 14-B.

- (3) The adoption (under section 18 of the *Income Tax Assessment Act 1936*) of an accounting period ending on a day other than 30 June is disregarded for the purposes of:
- (a) paragraph (2)(b) of this section; and
 - (b) the application of Division 16E of Part III of that Act for the purposes of that paragraph.

*For definition, see section 995-1 of the *Income Tax Assessment Act 1997*.

Section 12-152

12-152 Limited application of section 12-140 to payment covered by section 12A-205

- (1) If a payment is treated under section 12A-205 as having been made, section 12-140 does not apply to the payment to the extent that it covers a *pre-AMMA actual payment from which section 12-140 has required an amount to be withheld.
- (2) If a payment is a *post-AMMA actual payment, section 12-140 does not apply to the payment to the extent that it covers either or both of the following:
 - (a) a *pre-AMMA actual payment from which section 12-140 has required an amount to be withheld;
 - (b) a payment that is treated under section 12A-205 as having been made from which section 12-140 has required an amount to be withheld.

12-155 When investor may quote ABN as alternative

Section 12-140 or 12-145 does not require an amount to be withheld if:

- (a) the other entity made the investment in the course or furtherance of an *enterprise *carried on by it; and
- (b) the other entity has an *ABN, and has *quoted it to the investment body, by the time referred to in paragraph 12-140(1)(b) or (c).

12-160 Investment body unaware that exemption from quoting TFN has stopped applying

Section 12-140 or 12-145 does not require an amount to be withheld if:

- (a) a provision of Division 5 of Part VA of the *Income Tax Assessment Act 1936* has applied to the other entity in relation to the investment, but no longer applies when the payment is made; and

*For definition, see section 995-1 of the *Income Tax Assessment Act 1997*.

- (b) when the payment is made, the *investment body has not been informed of anything that resulted in the provision no longer applying.

Note: Division 5 of Part VA of that Act provides, in certain cases, that even though an entity has not quoted its tax file number it is taken to have done so.

12-165 Exception for fully franked dividend

Section 12-140 does not require an amount to be withheld if:

- (a) the investment consists of *shares in a public company (as defined in section 202A of the *Income Tax Assessment Act 1936*); and
- (b) the payment is a *distribution that has been franked in accordance with section 202-5 of the *Income Tax Assessment Act 1997*; and
- (c) the *franking percentage for the distribution is 100%.

12-170 Exception for payments below thresholds set by regulations

- (1) Section 12-140 or 12-145 does not require an amount to be withheld if the payment is less than the amount worked out under the regulations.
- (2) Regulations made for the purposes of this section may deal differently with different payments.

Payment of income of closely held trust where TFN not quoted

12-175 Trustee distributes income of closely held trust

Scope

- (1) This section applies if:
 - (a) the trustee of a trust makes a distribution to a beneficiary of the trust at a time (the *distribution time*) during an income year of the trust; and

*For definition, see section 995-1 of the *Income Tax Assessment Act 1997*.

Section 12-175

- (b) some or all of the distribution is from the *ordinary income or *statutory income of the trust; and
- (c) the trust is:
 - (i) a resident trust estate (within the meaning of subsection 95(2) of the *Income Tax Assessment Act 1936*) in relation to the income year; and

- (d) the beneficiary is:
 - (i) an Australian resident; and
 - (ii) not an *exempt entity; and
 - (iii) not under a legal disability for the purposes of section 98 of that Act.

Trustee must withhold

- (2) The trustee must withhold an amount from the distribution, if:
 - (a) the beneficiary did not *quote the beneficiary's *tax file number to the trustee before the distribution time; and
 - (b) the trustee is not liable to pay tax under section 98 of the *Income Tax Assessment Act 1936* in connection with the distribution; and
 - (c) the trustee is not required to make a correct TB statement under Division 6D of Part III of that Act (about trustee beneficiary non-disclosure tax) in connection with the distribution; and
 - (d) family trust distribution tax is not payable under Schedule 2F to that Act in connection with the distribution.

Note 1: If the trust is a unit trust, the trustee may be required to withhold under section 12-140 in priority to this section: see section 12-5.

Note 2: The trustee commits an offence if the trustee fails to withhold an amount as required by this section: see section 16-25.

*For definition, see section 995-1 of the *Income Tax Assessment Act 1997*.

Application of rest of Part

- (3) If the distribution is not a payment, this Part applies as if the trustee paid the amount of the distribution to the beneficiary at the distribution time.

Trust income of earlier income years

- (4) Subsections (2) and (3) do not apply to the distribution, to the extent that:
- (a) the beneficiary is presently entitled, for the purposes of Division 6 of Part III of the *Income Tax Assessment Act 1936*, to a share of the income of the trust of an earlier income year; and
 - (b) the distribution is a distribution of some or all of that share.

Note: The trustee may have been required to withhold from that share under section 12-180.

12-180 Beneficiary becomes presently entitled to income of closely held trust

Scope

- (1) This section applies if:
- (a) at the end of an income year of a trust, a beneficiary of the trust is presently entitled, for the purposes of Division 6 of Part III of the *Income Tax Assessment Act 1936*, to a share of the income of the trust of that year; and
 - (b) paragraph 12-175(1)(c) in this Schedule applies to the trustee of the trust; and
 - (c) paragraph 12-175(1)(d) applies to the beneficiary.

Trustee must withhold

- (2) The trustee must withhold an amount from that share of the *net income of the trust, if:
- (a) the beneficiary did not *quote the beneficiary's *tax file number to the trustee before the end of the year; and

*For definition, see section 995-1 of the *Income Tax Assessment Act 1997*.

Section 12-185

- (b) the trustee is not liable to pay tax in respect of that share under section 98 of the *Income Tax Assessment Act 1936*; and
- (c) the trustee is not required to make a correct TB statement about that share under Division 6D of Part III of that Act (about trustee beneficiary non-disclosure tax); and
- (d) family trust distribution tax is not payable on that share of the income of the trust under Schedule 2F to that Act.

Note 1: If the trust is a unit trust, the trustee may be required to withhold under section 12-145 in priority to this section: see section 12-5.

Note 2: The trustee commits an offence if the trustee fails to withhold an amount as required by this section: see section 16-25.

Application of rest of Part

- (3) This Part (other than section 12-175) applies as if the trustee had paid that share of the *net income of the trust to the beneficiary at the end of the income year.

Entitlements already paid

- (4) Subsections (2) and (3) do not apply to that share of the *net income of the trust to the extent that the trustee distributed any of that share to the beneficiary during the income year.

Note: The trustee may have been required to withhold from that distribution under section 12-175.

Trusts that end during the year

- (5) This section applies as if each reference to the end of an income year were a reference to the time occurring just before the trust ends, if the trust ends during the income year.

12-185 Exception for payments below thresholds set by regulations

- (1) Section 12-175 or 12-180 does not require an amount to be withheld if the payment (including the payment mentioned in subsection 12-180(3)) is less than the amount worked out under the regulations.

*For definition, see section 995-1 of the *Income Tax Assessment Act 1997*.

- (2) Regulations made for the purposes of this section may deal differently with different payments.

Payment for a supply

12-190 Recipient does not quote ABN

- (1) An entity (the *payer*) must withhold an amount from a payment it makes to another entity if:
- (a) the payment is for a *supply that the other entity has made, or proposes to make, to the payer in the course or furtherance of an *enterprise *carried on in Australia by the other entity; and
 - (b) none of the exceptions in this section applies.

ABN correctly quoted

- (2) The payer need not withhold an amount under this section if, when the payment is made:
- (a) the other entity has given the payer an *invoice that relates to the *supply and *quotes the other entity's *ABN; or
 - (b) the payer has some other document relating to the supply on which the other entity's ABN is *quoted.
- (2A) The payer need not withhold an amount under this section if the other entity has made the *supply, or proposes to make the supply, through an agent and, when the payment is made:
- (a) the agent has given the payer an *invoice that relates to the supply and *quotes the agent's *ABN; or
 - (b) the payer has some other document relating to the supply on which the agent's ABN is *quoted.

Payer has no reason to believe that ABN has been incorrectly quoted

- (3) The payer need not withhold an amount under this section if, when the payment is made:

*For definition, see section 995-1 of the *Income Tax Assessment Act 1997*.

Section 12-190

Subdivision 12-H—Distributions of withholding MIT income

Guide to Subdivision 12-H

12-375 What this Subdivision is about

A withholding MIT may be required to withhold an amount from a payment of its Australian sourced net income (other than dividends, interest and royalties) if the payment is made to an entity whose address, or place for payment, is outside Australia. If the payment is made to another entity, the withholding MIT is required to make information available to the recipient outlining certain details in relation to the payment.

If a custodian receives a payment that is covered by that information, it is required to withhold an amount from any related later payment to an entity whose address, or place for payment, is outside Australia. If the later payment is made to another entity, the custodian is required to make information available in relation to that later payment.

*For definition, see section 995-1 of the *Income Tax Assessment Act 1997*.

Section 12-375

If an entity that is not a custodian receives a payment that is covered by that information, it is required to withhold an amount from that payment if a foreign resident becomes entitled to that payment. If a resident becomes entitled to the payment, the entity must make information available in relation to that payment.

Where there is an obligation to withhold, the applicable withholding rate is determined by the nature of the country or territory in which the recipient's address, place for payment or residency is located and whether the trust is a clean building managed investment trust.

A managed investment trust is a clean building managed investment trust if it is a managed investment trust that holds one or more clean buildings and does not derive assessable income from any other taxable Australian property (other than certain assets that are reasonably incidental to a clean building).

12-405 Meaning of *fund payment*—general case

- (1) The object of this section is to ensure that the total of the *fund payments that the trustee of a trust makes in relation to an income year equals, as nearly as practicable, the net income of the trust for the income year, disregarding these amounts (*excluded amounts*):
 - (a) a dividend (as defined in Division 11A of Part III of the *Income Tax Assessment Act 1936*) that is subject to, or exempted from, a requirement to withhold under Subdivision 12-F;
 - (b) interest (as so defined) that is subject to, or exempted from, such a requirement;
 - (c) a *royalty that is subject to, or exempted from, such a requirement;
 - (d) a *capital gain or *capital loss from a *CGT event that happens in relation to a *CGT asset that is not *taxable Australian property;

- (1A) This section applies to a trust that is *not* an *AMIT for an income year.

Note: For the definition of *fund payment* in respect of a trust that is an AMIT for an income year, see section 12A-110.

*For definition, see section 995-1 of the *Income Tax Assessment Act 1997*.

Section 12-405

- (2) Work out as follows how much of a payment (the **actual payment**) made by the trustee of a trust in relation to an income year is a **fund payment** in relation to that year:

Method statement

Step 1. Reduce the actual payment by so much of it that is attributable to excluded amounts, and increase it by any amounts to which subsection (2A) or (2B) applies for the income year (except to the extent that capital gains against which those amounts are applied are included in the actual payment made in relation to the income year).

Step 2. Work out what it is reasonable to expect will be the *net income of the trust for the income year:

(aa) increasing the net income by any amounts to which subsection (2A) or (2B) applies for the income year; and

(a) disregarding (except to the extent that they are amounts to which subsection (2A) or (2B) applies for the income year) excluded amounts, expected excluded amounts and deductions relating to those amounts; and

(b) on the basis that a *capital gain from *taxable Australian property of the trust that was or would be reduced under step 3 of the method statement in subsection 102-5(1) of the *Income Tax Assessment Act 1997* were double the amount it actually is.

Step 3. The **fund payment** is so much of the step 2 amount as is reasonable having regard to:

(a) the object of this section; and

(b) the step 1 amount; and

*For definition, see section 995-1 of the *Income Tax Assessment Act 1997*.

- | |
|--|
| <p>(c) the amounts of any earlier fund payments made by the trustee in relation to the income year; and</p> <p>(d) the expected amounts of any later fund payments the trustee expects to make in relation to the income year.</p> |
|--|

(2A) If:

- (a) during an income year, a *capital loss from a *CGT event happens in relation to a *CGT asset that is not *taxable Australian property; and
- (b) in relation to that income year, some or all of the capital loss is applied against a *capital gain from a CGT event that happens in relation to a CGT asset that is taxable Australian property;

this subsection applies, for that income year, to the amount that is so applied.

(2B) If:

- (a) the trust has a *net capital loss for an income year; and
- (b) one or more of the *capital losses the trust made during that income year were from *CGT events that happened in relation to *CGT assets that were not *taxable Australian property; and
- (c) in relation to a later income year, some or all of the net capital loss is applied against a *capital gain from a CGT event that happens in relation to a CGT asset that is taxable Australian property;

this subsection applies, for the later income year, to an amount equal to so much of the net capital loss that is so applied as related to capital losses mentioned in paragraph (b).

- (3) The expected *net income of the trust and the expected amounts of future *fund payments are to be worked out on the basis of the trustee's knowledge when the actual payment is made.

*For definition, see section 995-1 of the *Income Tax Assessment Act 1997*.

Section 12-410

- (4) However, an amount is not a *fund payment* in relation to the income year unless it is paid:
 - (a) during the income year; or
 - (b) within 3 months after the end of the income year; or
 - (c) within a longer period (starting at the end of the period referred to in paragraph (b) and not exceeding 3 months) allowed by the Commissioner.
- (5) The Commissioner may allow a longer period as mentioned in paragraph (4)(c) only if the Commissioner is of the opinion that the trustee was unable to make the payment during the income year, or within 3 months after the end of the income year, because of circumstances beyond the influence or control of the trustee.

12-410 Entity to whom payment is made

- (1) An entity (the *recipient*) is covered by this section for a payment made to it by another entity (the *payer*) if:
 - (a) according to any record that is in the payer's possession, or is kept or maintained on the payer's behalf, the recipient has an address outside Australia; or
 - (b) the payer is authorised to make the payment to a place outside Australia.
- (2) However, a recipient is not covered by this section for a payment if, at the time the payment was made, a *business the recipient carries on is carried on at or through an *Australian permanent establishment and the payment is attributable to that establishment.

- (a) a payment (the **first payment**) made to an entity (the **first entity**) in the capacity as *agent for another entity; and
- (b) another payment made by the first entity to the extent that it is reasonably attributable to the first payment.
- (2) This Subdivision has effect as if the first entity were not an *agent in relation to the payments.

Note: As a result of subsection (2), an agent may be required to withhold amounts under this Subdivision.

AMIT trustees, custodians and other entities may be required to give notices etc. to recipients of such deemed payments.

12A-25 Meaning of *AMIT DIR payment*

An *AMIT DIR payment* means any of the following:

*For definition, see section 995-1 of the *Income Tax Assessment Act 1997*.

Section 12A-30

- (a) an *AMIT dividend payment;
- (b) an *AMIT interest payment;
- (c) an *AMIT royalty payment.

12A-30 Meaning of *AMIT dividend payment*

- (1) This section applies to a trust that is an *AMIT for an income year.

- (3) The amount is the total of the *determined member components for the *AMIT for the income year of the character of a dividend (as defined in Division 11A of Part III of the *Income Tax Assessment Act 1936*) that is subject to a requirement to withhold under Subdivision 12-F.
- (4) A payment (the ***actual or deemed payment***) that the trustee of a trust makes in relation to an income year is an ***AMIT dividend payment*** in relation to that year. However, the amount of the AMIT dividend payment is worked out under the following method statement, and may be:
 - (a) the amount of the actual or deemed payment; or
 - (b) the amount of the actual or deemed payment, increased or reduced as a result of the method statement.

Note: The payment by the trustee may be an actual payment, or a deemed payment under section 12A-205.

- Step 1. Work out what it is reasonable to expect will be the amount mentioned in subsection (3).
- Step 2. The ***AMIT dividend payment*** is so much of the step 1 amount as is reasonable having regard to:

*For definition, see section 995-1 of the *Income Tax Assessment Act 1997*.

- (5) The amount mentioned in subsection (3) and the expected amounts of any later *AMIT dividend payments are to be worked out on the basis of the trustee's knowledge when the payment is made.
 - (6) Subsection (5) does not apply if the payment is a payment arising because of the operation of section 12A-205 (deemed payments).
 - (7) However, the payment is not an *AMIT dividend payment* in relation to the income year if:
 - (a) the payment is a *post-AMMA actual payment in respect of another payment; and
 - (b) the other payment arises because of the operation of section 12A-205; and

- (4) To work out the amount of an **AMIT interest payment**, apply subsections 12A-30(4), (5), (6) and (7). For this purpose:
 - (a) treat references in those subsections to AMIT dividend payments as instead being references to AMIT interest payments; and
 - (b) treat the reference in subsection 12A-30(4) to “the amount mentioned in subsection (3)” as instead being a reference to “the amount mentioned in subsection 12A-35(3)”.

12A-110 Meaning of *fund payment*—AMITs

Operative provisions

12A-105 Deemed payments—no obligation to withhold under Subdivision 12-H

- (1) The trustee mentioned in subsection 12-385(1) need not withhold an amount under that subsection from the payment mentioned in that subsection if the payment arises because of the operation of section 12A-205 (deemed payments).

Note: The trustee may have to pay the Commissioner an amount in respect of the deemed payment (see Subdivision 12A-C).

- (2) The *custodian mentioned in subsection 12-390(1) need not withhold an amount under that subsection from the later payment mentioned in that subsection if:

*For definition, see section 995-1 of the *Income Tax Assessment Act 1997*.

Section 12A-110

- (a) the later payment arises because of the operation of section 12A-205 (deemed payments); or
- (b) the later payment is a *post-AMMA actual payment in respect of a payment of a kind mentioned in paragraph (a).

Note: Either or both of the trustee of the AMIT concerned and the custodian may have to pay the Commissioner an amount in respect of the deemed payment (see Subdivision 12A-C).

- (3) The entity mentioned in subsection 12-390(4) need not withhold an amount under that subsection from the payment mentioned in that subsection if:

Note: The entity may have to pay the Commissioner an amount in respect of the deemed payment (see Subdivision 12A-C).

- (4) Disregard this section for the purposes of section 12-395.

12A-110 Meaning of *fund payment*—AMITs

- (1) This section applies to a trust that is an *AMIT for an income year.
- (2) The object of this section is to ensure that the total of the *fund payments that the trustee of the *AMIT makes in relation to the income year equals, as nearly as practicable, the amount mentioned in subsection (3).
- (3) The amount is the sum of the following amounts:
 - (a) total of the *determined member components for the *AMIT for the income year of a character relating to assessable income, disregarding determined member components (the ***excluded components***) of any of the following characters:
 - (i) the character of a *discount capital gain from a *CGT asset that is *not* *taxable Australian property;

*For definition, see section 995-1 of the *Income Tax Assessment Act 1997*.

- (ii) the character of a *capital gain (other than a discount capital gain) from a CGT asset that is *not* taxable Australian property;
 - (iii) the character of a dividend (as defined in Division 11A of Part III of the *Income Tax Assessment Act 1936*) that is subject to, or exempted from, a requirement to withhold under Subdivision 12-F;
 - (iv) the character of interest (as defined in Division 11A of Part III of the *Income Tax Assessment Act 1936*) that is subject to, or exempted from, a requirement to withhold under Subdivision 12-F;
 - (v) the character of a *royalty that is subject to, or exempted from, a requirement to withhold under Subdivision 12-F;
 - (vi) the character of *ordinary income, or *statutory income, from a source *other than* an *Australian source;
 - (vii) if a legislative instrument under subsection (4) specifies a character—that character;
- (b) the total of each *capital loss of the AMIT from a *CGT event that:
- (i) happened in the income year to a CGT asset that is not taxable Australian property; and
 - (ii) has been applied against a capital gain from a CGT event that happened in relation to a CGT asset that is taxable Australian property;
- but only to the extent that each such capital loss has been so applied in the income year;
- (c) the total of each amount to which subsection (3A) applies in relation to the income year.
- (3A) If:
- (a) the AMIT has a *net capital loss for an earlier income year; and
 - (b) one or more of the *capital losses the trust made during that earlier income year were from *CGT events that happened in

*For definition, see section 995-1 of the *Income Tax Assessment Act 1997*.

Section 12A-110

relation to *CGT assets that were not *taxable Australian property; and

- (c) in relation to the income year mentioned in paragraph (3)(c), some or all of the net capital loss is applied against a *capital gain from a CGT event that happens in relation to a CGT asset that is taxable Australian property;

this subsection applies, for the income year mentioned in paragraph (3)(c), to an amount equal to so much of the net capital loss that is so applied as related to capital losses mentioned in paragraph (b) of this subsection.

- (4) The Commissioner may, by legislative instrument, specify one or more characters for the purposes of subparagraph (3)(a)(vii).
- (5) A payment (the *actual or deemed payment*) that the trustee of a trust makes in relation to an income year is a *fund payment* in relation to that year. However, the amount of the fund payment is worked out under the following method statement, and may be:
- (a) the amount of the actual or deemed payment; or
- (b) the amount of the actual or deemed payment, increased or reduced as a result of the method statement.

Note: The payment by the trustee may be an actual payment, or a deemed payment under section 12A-205.

Method statement

Step 1. Reduce the actual or deemed payment by so much of it that is attributable to the excluded components.

Step 2. Work out what it is reasonable to expect will be the amount mentioned in subsection (3).

Do so on the basis that a *capital gain from *taxable Australian property of the trust that was or would be reduced under step 3 of the method statement in subsection 102-5(1) of the *Income Tax Assessment Act 1997* were double the amount it actually is.

*For definition, see section 995-1 of the *Income Tax Assessment Act 1997*.

Step 3. The ***fund payment*** is so much of the step 2 amount as is reasonable having regard to:

- (a) the object of this section; and
- (b) the step 1 amount; and
- (c) the amounts of any earlier fund payments made by the trustee in relation to the income year; and
- (d) the expected amounts of any later fund payments the trustee expects to make in relation to the income year.

- (6) The amount mentioned in subsection (3) and the expected amounts of any later *fund payments are to be worked out on the basis of the trustee's knowledge when the payment is made.
- (7) Subsection (6) does not apply if the payment is a payment arising because of the operation of section 12A-205 (deemed payments).
- (8) However, the payment is not a ***fund payment*** in relation to the income year if:
 - (a) the payment (the ***actual payment***) is a *post-AMMA actual payment in respect of another payment; and
 - (b) the other payment arises because of the operation of section 12A-205; and
 - (c) the other payment is a fund payment.
- (9) An amount is also not a ***fund payment*** in relation to the income year unless it is paid:
 - (a) during the income year; or
 - (b) within 3 months after the end of the income year; or
 - (c) within a longer period (starting at the end of the period referred to in paragraph (b) and not exceeding 3 years) allowed by the Commissioner.

*For definition, see section 995-1 of the *Income Tax Assessment Act 1997*.

Section 12A-200

- (10) The Commissioner may allow a longer period as mentioned in paragraph (9)(c) only if the Commissioner is of the opinion that:
- (a) if the other payment arises at a time because of the operation of section 12A-205 (deemed payments)—the *AMIT complied with subsection 276-455(1) of the *Income Tax Assessment Act 1997* in respect of the income year (requirement to give AMMA statements within 3 months); or
 - (b) otherwise—the trustee was unable to make the payment during the income year, or within 3 months after the end of the income year, because of circumstances beyond the influence or control of the trustee.

Subdivision 12A-C—Deemed payments by AMITs etc.

Guide to Subdivision 12A-C

12A-200 What this Subdivision is about

When a withholding MIT that is an AMIT gives a member an AMMA statement, the trustee is deemed to have made a payment to the member.

The payment is generally the sum of the determined member components reflected in the statement that are of a character relating to assessable income, reduced by any previous actual payments related to those components.

The deemed payment can flow through one or more custodians, giving rise to subsequent deemed payments.

- (a) treat the trustee of the *AMIT as having made a payment (the **first deemed payment**) of an amount to the first recipient at the time the AMIT gave the first recipient the *AMMA statement; and
 - (b) treat the amount of the first deemed payment as being the amount worked out as follows:
 - (i) first, work out the total of all the *determined member components of all the *members of the AMIT of a character relating to assessable income for the income year;
 - (ii) next, identify each of the *pre-AMMA actual payments (if any) made to those members in respect of all payments by the trustee to those members that arise from the operation of paragraph (a);
 - (iii) next, identify every *AMIT DIR payment (if any) and each *fund payment (if any) that arises from each such pre-AMMA actual payment;

*For definition, see section 995-1 of the *Income Tax Assessment Act 1997*.

Section 12A-205

- (iv) next, reduce the result of subparagraph (i) by the sum of each such AMIT DIR payment and fund payment;
 - (v) next, work out how much of the result of subparagraph (iv) is referable to the first recipient.
- (3) Also, for the purposes of Division 11A of Part III of the *Income Tax Assessment Act 1936*, treat the first recipient as having derived the first deemed payment just before the end of the income year to which the *AMMA statement relates.

 - (ii) would start to have, at a time, such an entitlement if the first deemed payment were an actual payment of an amount.
- (5) For the purposes of this Part, Subdivision 840-M of the *Income Tax Assessment Act 1997* and Division 11A of Part III of the *Income Tax Assessment Act 1936*:
- (a) treat the first recipient as having made a payment (the **subsequent deemed payment**) of an amount to the subsequent recipient at that time; and
 - (b) treat the amount of the subsequent deemed payment as being the amount of the entitlement mentioned in subparagraph (4)(b)(i) or (ii); and
 - (c) treat the amount of the subsequent deemed payment as being attributable to the first deemed payment.
- (6) Also, for the purposes of Division 11A of Part III of the *Income Tax Assessment Act 1936*, treat the subsequent recipient as having derived the subsequent deemed payment at the time the subsequent deemed payment arises.
- (7) If:

*For definition, see section 995-1 of the *Income Tax Assessment Act 1997*.

- (a) an entity is a subsequent recipient mentioned in subsection (4) (including as a result of a previous operation of this subsection); and
 - (b) subsection (5) applies with the result that a payment is treated as having been made to the entity; and
 - (c) the entity is a *custodian;
- apply subsections (4), (5) and (6) again as if the entity were the first recipient mentioned in subsection (4).

Note: This means that the entity is treated under subsection (5) as having made a payment to another entity if the other entity has (or would have) an entitlement as mentioned in paragraph (4)(b).

12A-210 *Post-AMMA actual payment and pre-AMMA actual payment in respect of deemed payment*

- (1) A payment that does *not* arise because of the operation of section 12A-205 is a ***post-AMMA actual payment*** in respect of a payment (the ***deemed payment***) that *does* arise because of the operation of that section if:
 - (a) the payment and the deemed payment are both attributable to the same *member component for the *AMIT mentioned in that section; and
 - (b) the actual payment is made *at or after* the time the deemed payment arises.
- (2) A payment that does *not* arise because of the operation of section 12A-205 is a ***pre-AMMA actual payment*** in respect of a payment (the ***deemed payment***) that *does* arise because of the operation of that section if:
 - (a) the payment and the deemed payment are both attributable to the same *member component for the *AMIT mentioned in that section; and
 - (b) the actual payment is made *before* the time the deemed payment arises.

*For definition, see section 995-1 of the *Income Tax Assessment Act 1997*.

Section 12A-215

12A-215 AMIT payment to the Commissioner in respect of deemed payments to offshore entities etc.

- (1) A trustee of a trust that is an *AMIT for an income year must pay an amount to the Commissioner if:
- (b) the trustee makes a payment (the *deemed payment*) that arises because of the operation of section 12A-205; and
 - (c) the payment is made to an entity (the *recipient*) that is:
 - (i) if the payment is a *fund payment and the trust is a *withholding MIT in relation to the income year—an entity covered by section 12-410; or
 - (ii) if the payment is an *AMIT DIR payment made in relation to the income year—an entity that is not an Australian resident.
- Note 1: An entity may be covered by section 12-410 if the entity has an address outside Australia or payment is authorised to be made to a place outside Australia.
- Note 2: If the payment is made to a recipient not covered by subparagraph (c)(i) or (ii), the trustee is required to give a notice to the recipient or publish information on a website setting out certain details about the payment: see sections 12-395 and 12A-15.
- (2) The amount that the trustee must pay is equal to the amount that the trustee would, if the assumptions in subsection (3) were made, have had to withhold under:
- (a) if the deemed payment is a *fund payment—section 12-385; or
 - (b) if the deemed payment is an *AMIT DIR payment—section 12-210, 12-245 or 12-280.
- (3) The assumptions are that:
- (a) the deemed payment had *not* arisen because of the operation of section 12A-205; and
 - (b) the deemed payment had instead been an actual payment; and
 - (c) if the deemed payment is an *AMIT DIR payment:
 - (i) where it corresponds to the character of a dividend (as defined in Division 11A of Part III of the *Income Tax*

*For definition, see section 995-1 of the *Income Tax Assessment Act 1997*.

- Assessment Act 1936*) that is subject to a requirement to withhold under Subdivision 12-F—the trust had been a company, and it had paid it as a dividend; or
- (ii) where it corresponds to the character of interest (as defined in Division 11A of Part III of the *Income Tax Assessment Act 1936*) that is subject to a requirement to withhold under Subdivision 12-F—it were the payment of interest; or
 - (iii) where it corresponds to the character of a *royalty that is subject to a requirement to withhold under Subdivision 12-F—it were the payment of a royalty; and
- (d) if the deemed payment is an AMIT DIR payment—the condition in either or both of paragraphs 12-210(a) or (b), of paragraphs 12-245(a) or (b) or of paragraphs 12-280(a) or (b) (as the case requires) were satisfied.
- (4) The trustee may recover from the recipient as a debt an amount that the trustee has paid to the Commissioner under subsection (1).
 - (5) The trustee is entitled to set off an amount that the trustee can recover from the recipient under subsection (4) against debts due by the trustee to the recipient.

12A-220 Custodian payment to the Commissioner in respect of deemed payments to offshore entities etc.

- (1) A *custodian must pay an amount to the Commissioner if:
 - (a) the trustee of a trust that was an *AMIT for an income year and was a *withholding MIT in relation to the income year made a payment (the ***first deemed payment***) that:
 - (i) arose because of the operation of section 12A-205; and
 - (ii) was a *fund payment or an *AMIT DIR payment; and
 - (b) the custodian makes a payment (the ***subsequent deemed payment***) that arises because of the operation of section 12A-205; and

*For definition, see section 995-1 of the *Income Tax Assessment Act 1997*.

Section 12A-220

- (c) the first deemed payment gave rise to the subsequent deemed payment, because of one or more operations of section 12A-205; and
 - (d) the subsequent deemed payment or part of it (the *covered part*) was covered by a notice or information under:
 - (i) if the first deemed payment was a fund payment—section 12-395; or
 - (ii) if the first deemed payment was an AMIT DIR payment—section 12A-15; and
 - (e) the subsequent deemed payment is made to an entity (the *recipient*) that is:
 - (i) if the first deemed payment was a fund payment—covered by section 12-410; or
 - (ii) if the first deemed payment was an AMIT DIR payment—*not* an Australian resident.
- Note 1: An entity may be covered by section 12-410 if the entity has an address outside Australia or payment is authorised to be made to a place outside Australia.
- Note 2: If the payment is made to a recipient not covered by subparagraph (e)(i) or (ii), the trustee is required to give a notice to the recipient or publish information on a website setting out certain details about the payment: see sections 12-395 and 12A-15.
- (2) The amount that the *custodian must pay is the amount that the custodian would, if the assumptions in subsection (3) were made, have had to withhold under:
 - (a) if the first deemed payment was a *fund payment—subsection 12-390(1); or
 - (b) if the first deemed payment was an *AMIT DIR payment—section 12-210, 12-245 or 12-280.
 - (3) The assumptions are that:
 - (a) the subsequent deemed payment had *not* arisen because of the operation of section 12A-205; and
 - (b) the subsequent deemed payment had instead been an actual payment; and
 - (c) if the first deemed payment was an *AMIT DIR payment:

*For definition, see section 995-1 of the *Income Tax Assessment Act 1997*.

- (i) where the first deemed payment corresponded to the character of a dividend (as defined in Division 11A of Part III of the *Income Tax Assessment Act 1936*) that is subject to a requirement to withhold under Subdivision 12-F—the *custodian had been a company, and it had paid the subsequent deemed payment as a dividend; or
 - (ii) where the first deemed payment corresponded to the character of interest (as defined in Division 11A of Part III of the *Income Tax Assessment Act 1936*) that is subject to a requirement to withhold under Subdivision 12-F—the subsequent deemed payment were the payment of interest; or
 - (iii) where the first deemed payment corresponded to the character of a *royalty that is subject to a requirement to withhold under Subdivision 12-F—the subsequent deemed payment were the payment of a royalty; and
 - (d) if the first deemed payment was an AMIT DIR payment—the condition in either or both of paragraphs 12-210(a) or (b), of paragraphs 12-245(a) or (b) or of paragraphs 12-280(a) or (b) (as the case requires) were satisfied.
- (4) The *custodian may recover from the recipient as a debt an amount that the custodian has paid to the Commissioner under subsection (1).
- (5) The *custodian is entitled to set off an amount that the custodian can recover from the recipient under subsection (4) against debts due by the custodian to the recipient.

*For definition, see section 995-1 of the *Income Tax Assessment Act 1997*.

Section 13-1

Division 13—Alienated personal services payments

Table of sections

13-1	Object of this Division
13-5	Payment to the Commissioner in respect of alienated personal services payments
13-10	Alienated personal services payments
13-15	Personal services payment remitters
13-20	Time for payments to Commissioner for alienated personal services payments made during 2000-01

13-1 Object of this Division

The object of this Division is to ensure the efficient collection of income tax (and other liabilities) on any *personal services income included in an individual's assessable income under Division 86 of the *Income Tax Assessment Act 1997* by:

- (a) putting *personal services entities receiving *alienated personal services payments in a position similar to their position if amounts were withheld from the payments under Division 12; but
- (b) doing so in a way that enables them to comply with their obligations without having to withhold amounts separately from each payment.

Note: Under Division 86 of the *Income Tax Assessment Act 1997* (about alienation of personal services income), an individual's personal services income that is gained or produced by another entity is in some cases included in the individual's assessable income. Payments of this income by the entity might not be caught by Division 12.

13-5 Payment to the Commissioner in respect of alienated personal services payments

Obligation to pay amounts

- (1) A *personal services entity must pay an amount of tax to the Commissioner if:

*For definition, see section 995-1 of the *Income Tax Assessment Act 1997*.

- (a) it receives an *alienated personal services payment that relates to an individual's personal services income; and
- (b) it receives the payment during a *PAYG payment period for which it is a *personal services payment remitter.

Working out the amounts

- (2) Use this method statement to work out the amount:

Method statement

- Step 1. Identify the payments that the *personal services entity makes to the individual during the period mentioned in paragraph (1)(b) that are *withholding payments covered by section 12-35.
- Step 2. Identify the amounts that:
- (a) are included in the individual's assessable income under section 86-15 of the *Income Tax Assessment Act 1997*; and
 - (b) relate to *alienated personal services payments the entity receives during that period.
- Step 3. Work out the sum of all the amounts that Division 12 would require the entity to withhold in respect of that period if both of these were taken into account:
- (a) the payments identified in step 1; and
 - (b) the amounts identified in step 2, as if they were payments of salary covered by section 12-35.
- Step 4. Work out the sum of all the amounts withheld under section 12-35 from the payments identified in step 1.

*For definition, see section 995-1 of the *Income Tax Assessment Act 1997*.

Section 13-5

Step 5. Subtract the sum under step 4 from the sum under step 3.

Example: For the PAYG payment period of 1 April 2001 to 30 June 2001, NewIT Pty. Ltd. received amounts totalling \$18,000 that were Ron's personal services income. NewIT does not conduct a personal services business.

During the period, NewIT paid Ron \$3,000 in salary. This is a withholding payment covered by section 12-35 (step 1).

\$15,000 of the amount NewIT received is included in Ron's assessable income under section 86-15 of the *Income Tax Assessment Act 1997* (step 2).

If NewIT had paid the \$15,000 in salary to Ron within 14 days after the end of the PAYG payment period, the amount that NewIT would have had to withhold under Division 12 on the total amount of \$18,000 would have been \$4,000 (step 3).

NewIT withheld \$500 from the salary payment of \$3,000, as required by section 12-35 (step 4).

On the basis of these facts, the amount NewIT must pay to the Commissioner (step 5) is:

$$\$4,000 - \$500 = \$3,500$$

- (3) Subject to subsections (4) and (5), the *personal services entity must pay the amount to the Commissioner by the end of the 21st day after the end of the *PAYG payment period.

Note: A different rule applies for alienated personal services payments that large withholders and medium withholders make during the 2000-01 income year. See section 13-20.

- (4) If:
- (a) the *personal services entity is a *deferred BAS payer on the 21st day after the end of the *PAYG payment period; and
 - (b) the personal services entity's PAYG payment period is a *quarter;
- the entity must pay that amount to the Commissioner as shown in the table:

*For definition, see section 995-1 of the *Income Tax Assessment Act 1997*.

Payments by *deferred BAS payers		
Item	If paragraph (4)(a) applies to the *quarter ending on:	the amount for this quarter must be paid by the end of:
1	30 September	the following 28 October
2	31 December	the following 28 February
3	31 March	the following 28 April
4	30 June	the following 28 July

(5) If:

- (a) the *personal services entity is a *deferred BAS payer on the 21st day after the end of the *PAYG payment period; and
- (b) the personal services entity's PAYG payment period is a month;

the entity must pay that amount to the Commissioner:

- (c) by the end of the 28th day of the month following that period unless the PAYG payment period is a December; or
- (d) by the end of the 28th day of the next February if the PAYG payment period is a December.

13-10 Alienated personal services payments

An *alienated personal services payment* is a payment (including a payment in the form of a *non-cash benefit) that a *personal services entity receives and that relates to an amount that:

- (a) is included in an individual's assessable income under Division 86 of the *Income Tax Assessment Act 1997*; or
- (b) would be so included but for the fact that the entity received the income in the course of conducting a *personal services business.

For valuation of non-cash benefits, see sections 21 and 21A of the *Income Tax Assessment Act 1936*.

*For definition, see section 995-1 of the *Income Tax Assessment Act 1997*.

Section 13-15

13-15 Personal services payment remitters

General

- (1) A *personal services entity is a **personal services payment remitter** for a *PAYG payment period if, in the income year preceding that period:
- (a) the entity's *ordinary income or *statutory income included a person's *personal services income; and
 - (b) the entity was not conducting a *personal services business.

Businesses not previously receiving personal services income

- (2) A *personal services entity is a **personal services payment remitter** for a *PAYG payment period if:
- (a) the entity's *ordinary income or *statutory income did not include an individual's *personal services income in any income year preceding that period; and
 - (b) it is reasonable to expect that, in the income year during which the period occurs, the entity's income will include a person's *personal services income that the entity will not have received in the course of conducting a *personal services business.
- (3) It is not reasonable to expect that the *personal services entity will receive a person's *personal services income in the course of conducting a *personal services business if it is reasonable to expect that:
- (a) the entity will receive at least 80% of that income from the same entity (or one entity and its *associates); and
 - (b) the entity will not meet the results test under section 87-18 of the *Income Tax Assessment Act 1997*.

Personal services business determinations taking effect

- (4) However, a *personal services entity is **not a personal services payment remitter** for a *PAYG payment period if, during that period or an earlier PAYG payment period in the same income

*For definition, see section 995-1 of the *Income Tax Assessment Act 1997*.

year, a *personal services business determination relating to the entity takes effect.

13-20 Time for payments to Commissioner for alienated personal services payments made during 2000-01

- (1) Subject to subsection (2), if:
- (a) a *personal services entity must, under section 13-5, pay an amount for *alienated personal services payments it received during a particular *PAYG payment period; and
 - (b) the period ends in a *quarter in the *financial year starting on 1 July 2000;
- the payment must be paid to the Commissioner by the end of the 21st day after the end of the quarter.
- (2) If:
- (a) the *personal services entity is a *deferred BAS payer on the 21st day after the end of the *quarter; and
 - (b) the quarter ends on 31st March or 30th June of 2001;
- the payment must be paid to the Commissioner by the end of the 28th day after the end of that quarter.

*For definition, see section 995-1 of the *Income Tax Assessment Act 1997*.

Section 14-1

Division 14—Benefits, gains and taxable supplies for which amounts must be paid to the Commissioner

Table of sections

14-1	Object of this Subdivision
14-5	Provider of non-cash benefit must pay amount to the Commissioner if payment would be subject to withholding
14-10	Dividend, interest or royalty received, for a foreign resident, in the form of a non-cash benefit
14-15	Payer can recover amount paid to the Commissioner
14-50	Object of this Subdivision
14-55	Liability for TFN withholding tax
14-60	Investment body may recover TFN withholding tax from investor
14-65	Application of rules in Division 18
14-75	Overpayment of TFN withholding tax
14-85	Other laws do not exempt from TFN withholding tax

Subdivision 14-A—Non-cash benefits

14-1 Object of this Subdivision

The object of this Subdivision is:

- (a) to put entities that provide *non-cash benefits, and entities that receive them, in a position similar to their position under Division 12 if payments of money had been made instead of the non-cash benefits being provided; and
- (b) in that way, to prevent entities from avoiding their obligations under Division 12 by providing non-cash benefits.

14-5 Provider of non-cash benefit must pay amount to the Commissioner if payment would be subject to withholding

- (1) An entity (the *payer*) must pay an amount to the Commissioner before providing a *non-cash benefit to another entity (the

*For definition, see section 995-1 of the *Income Tax Assessment Act 1997*.

recipient) if Division 12 would require the payer to withhold an amount (the **notionally withheld amount**) if, instead of providing the benefit to the recipient, the payer made a payment to the recipient in money equal to the *market value of the benefit when the benefit is provided.

- (2) The amount to be paid to the Commissioner is equal to the notionally withheld amount.

Example: Nick is a building contractor who has entered into a voluntary agreement with Mike for the purposes of section 12-55. Nick proposes to give Mike his old utility van (whose market value is \$1,000) as payment for work Mike has done for him over a fortnight.

If Nick were instead to pay Mike \$1,000, Nick would have had to withhold \$203 under Division 12 (in accordance with withholding rates current at the time).

This section requires Nick to pay \$203 to the Commissioner before giving the van to Mike.

- (3) This section does not apply to providing:
- (a) a *fringe benefit; or
 - (b) a benefit that is an exempt benefit under the *Fringe Benefits Tax Assessment Act 1986*; or
 - (c) a benefit that would be an exempt benefit under that Act if paragraphs (d) and (e) of the definition of **employer** in subsection 136(1) of that Act were omitted; or
 - (d) a benefit constituted by the acquisition of an *ESS interest *under an employee share scheme to which Subdivision 83A-B or 83A-C of the *Income Tax Assessment Act 1997* applies.

14-10 Dividend, interest or royalty received, for a foreign resident, in the form of a non-cash benefit

If:

- (a) an entity (the **payer**) receives in the form of a *non-cash benefit:
 - (i) a *dividend of a company; or

*For definition, see section 995-1 of the *Income Tax Assessment Act 1997*.

Section 14-15

- (ii) interest (within the meaning of Division 11A of Part III of the *Income Tax Assessment Act 1936*); or
- (iii) a *royalty; and
- (b) section 12-215, 12-250 or 12-285 would have required the payer to withhold an amount if the dividend, interest or royalty had been a payment in money;
the payer must pay that amount to the Commissioner before providing the benefit (or part of it) to another entity.

14-15 Payer can recover amount paid to the Commissioner

- (1) The payer may recover from the recipient as a debt an amount that the payer has paid to the Commissioner under section 14-5.
- (2) If the payer has paid an amount to the Commissioner under section 14-10, the payer may:
 - (a) if the payer has provided all of the benefit to another entity—recover the amount from that other entity as a debt; or
 - (b) if the payer has provided a part of the benefit to another entity—recover from that other entity as a debt the corresponding proportion of the amount paid to the Commissioner.
- (3) If the payer can recover an amount from another entity under this section, the payer is entitled to set the amount off against debts due by the payer to the other entity.

Subdivision 14-B—Accruing gains

14-50 Object of this Subdivision

The object of this Subdivision is to put the parties to a *Part VA investment with an accruing gain in a position similar to what would have been their position under Subdivision 12-E (Payments where TFN or ABN not quoted) if the *investment body had paid the gain in money to the *investor at the end of the income year.

*For definition, see section 995-1 of the *Income Tax Assessment Act 1997*.

14-55 Liability for TFN withholding tax

- (1) *TFN withholding tax is payable if:
 - (a) in relation to a *Part VA investment, an amount (the **accrued gain**) is included in the *investor's assessable income for an income year under section 159GQ of the *Income Tax Assessment Act 1936* (about gains accruing on securities); and
 - (b) the investment:
 - (i) is of a kind mentioned in item 1 or 2 of the table in subsection 202D(1) of that Act; or
 - (ii) is of a kind mentioned in item 3 of that table and is non-transferable; and
 - (c) the term of the investment does not end during the income year; and
 - (d) section 12-140 would have required the *investment body to withhold an amount (the **TFN withholding amount**) from a payment of the accrued gain to the investor, if the investment body had made the payment at the end of the income year and section 12-150 had not been enacted.

Note: Section 202D of the *Income Tax Assessment Act 1936* lists the investments in connection with which tax file numbers are to be quoted.

- (2) The amount of *TFN withholding tax is equal to the TFN withholding amount.
- (3) The *TFN withholding tax is payable jointly and severally by the *investor and the *investment body.
- (4) However, if the *investment body is the Commonwealth or an *untaxable Commonwealth entity:
 - (a) the *TFN withholding tax is payable by the *investor; and
 - (b) the investor is taken to have authorised the investment body to pay the TFN withholding tax on the investor's behalf.
- (5) The *TFN withholding tax is due and payable at the end of 21 days after the end of the income year referred to in paragraph (1)(a).

*For definition, see section 995-1 of the *Income Tax Assessment Act 1997*.

Schedule 1 Collection and recovery of income tax and other liabilities

Chapter 2 Collection, recovery and administration of income tax

Part 2-5 Pay as you go (PAYG) withholding

Section 14-60

Note 1: When it is due and payable, the TFN withholding tax is payable to the Commissioner: see paragraph 255-5(1)(b).

Note 2: An entity by whom it is payable must pay it to the Commissioner in accordance with Subdivision 16-B: see subsection 16-70(3). If any of it remains unpaid, the entity is liable to pay general interest charge: see section 16-80.

Note 3: The Commissioner may defer the time at which TFN withholding tax becomes due and payable: see section 255-10.

- (6) The adoption (under section 18 of the *Income Tax Assessment Act 1936*) of an accounting period ending on a day other than 30 June is disregarded for the purposes of:
- (a) this section; and
 - (b) the application of Division 16E of Part III of that Act for the purposes of this section.

14-60 Investment body may recover TFN withholding tax from investor

- (1) The *investment body may recover from the *investor as a debt any of the *TFN withholding tax that it pays.
- (2) The *investment body is entitled to set off an amount that it can recover from the *investor under this section against:
 - (a) a debt due by it to the investor; or
 - (b) an amount that is accruing to the investor, or stands to the investor's credit, in respect of the *Part VA investment, even if the amount is not yet due.

14-65 Application of rules in Division 18

These provisions:

- (a) subsection 18-15(1) and sections 18-20 and 18-25 (about credits for amounts withheld from withholding payments); and
- (b) section 18-80 (about refunds when exemption declaration not given);

*For definition, see section 995-1 of the *Income Tax Assessment Act 1997*.

apply as if any of the *TFN withholding tax that has been paid were an amount withheld under subsection 12-140(1) from a *withholding payment covered by that subsection and made to the *investor during:

- (c) unless the *investor has adopted (under section 18 of the *Income Tax Assessment Act 1936*) an accounting period ending on a day other than 30 June—the income year referred to in paragraph 14-55(1)(a); or
- (d) if the investor has adopted such an accounting period—the income year in which the TFN withholding tax is paid.

Note: Unless the investor has adopted such an accounting period, the credit under section 18-15, 18-20 or 18-25 will be in respect of the income year before the one in which the TFN withholding tax is paid.

14-75 Overpayment of TFN withholding tax

If *TFN withholding tax has been overpaid:

- (a) the Commissioner must refund the amount overpaid; and
- (b) the *investor is not entitled to a credit under section 18-15, 18-20 or 18-25 in respect of the amount overpaid.

14-85 Other laws do not exempt from TFN withholding tax

- (1) A provision of a law passed before the commencement of this section that purports to exempt an entity from liability to pay *TFN withholding tax, or to pay taxes that include TFN withholding tax, does not exempt that entity from liability to pay TFN withholding tax.
- (2) A provision of a law passed at or after the commencement of this section that purports to exempt an entity from liability to pay taxes under the laws of the Commonwealth, or to pay certain taxes under those laws that include *TFN withholding tax, is not to be interpreted as exempting the entity from liability to pay TFN withholding tax, unless it specifically mentions TFN withholding tax.

*For definition, see section 995-1 of the *Income Tax Assessment Act 1997*.

 - (c) the individual has quoted neither of the following to the provider before the end of the income year:
 - (i) if the individual acquired the interests in relation to any services provided to the provider, or to a *subsidiary of the provider, in the course or furtherance of an *enterprise *carried on by the individual—the individual's *ABN;

- (2) For the purposes of paragraph (1)(b), disregard sections 83A-33 and 83A-35 of the *Income Tax Assessment Act 1997* (about reducing the amount included in the individual's assessable income).

*For definition, see section 995-1 of the *Income Tax Assessment Act 1997*.

Note: Disregard the 30 day rule in subsections 83A-115(3) and 83A-120(3) of the *Income Tax Assessment Act 1997* for the purposes of this Subdivision: see subsection 392-5(6) in this Schedule.

- (3) The *TFN withholding tax (ESS) is payable by the provider.
- (4) The *TFN withholding tax (ESS) is due and payable at the end of 21 days after the end of the income year referred to in paragraph (1)(b).

Note 1: When it is due and payable, the TFN withholding tax (ESS) is payable to the Commissioner: see paragraph 255-5(1)(b).

Note 2: The provider must pay the TFN withholding tax (ESS) to the Commissioner in accordance with Subdivision 16-B: see subsection 16-70(4). If any of it remains unpaid, the provider is liable to pay general interest charge: see section 16-80.

14-160 Employer may give individual tax file numbers to provider

- (1) The individual is taken to have authorised a *subsidiary (the *employer*) of the provider to inform the provider of the individual's *tax file number if:

 - (b) some or all of the *ESS interests mentioned in paragraph 14-155(1)(a) were provided to the individual in relation to the individual's employment by the employer.
- (2) If the employer does so, the individual is taken, for the purposes of this Subdivision and Division 392 (Employee share scheme reporting), to have quoted his or her *tax file number to the provider.

14-165 Provider may recover TFN withholding tax (ESS) from individual

- (1) The provider may recover from the individual as a debt any of the *TFN withholding tax (ESS) the provider pays.

Section 14-170

- (2) The provider is entitled to set off an amount that the provider can recover from the individual under this section against a debt due by the provider to the individual.

14-170 Application of rules in Division 18

These provisions:

- (a) subsection 18-15(1) (about credits for amounts withheld from withholding payments); and
- (b) sections 18-65 and 18-70 (about refunds of amounts withheld in error);

apply as if any of the *TFN withholding tax (ESS) that has been paid were an amount withheld under section 12-35 from a *withholding payment made to the individual and covered by that section.

14-175 Overpayment of TFN withholding tax (ESS)

If *TFN withholding tax (ESS) has been overpaid:

- (a) the Commissioner must refund the amount overpaid; and
- (b) the individual is not entitled to a credit under section 18-15 in respect of the amount overpaid.

14-180 Application of certain provisions of Division 83A of the *Income Tax Assessment Act 1997*

The following provisions of the *Income Tax Assessment Act 1997* have effect for the purposes of this Subdivision in the same way as they have for the purposes of Division 83A of that Act:

Note 1: To work out the amount payable, see subsection (4).

Note: This subsection is relevant to whether you must pay an amount to the Commissioner under section 14-200.

Exception—the entity gives you a clearance certificate

 - (a) just after the transaction, the CGT asset:
 - (i) is *taxable Australian real property; or

 - (b) the transaction is on an *approved stock exchange; or

Subdivision 14-E—GST payable on taxable supplies of certain real property

Table of sections

14-250	Recipients of certain taxable supplies of real property must pay amounts to Commissioner
14-255	Notification by suppliers of residential premises etc.

*For definition, see section 995-1 of the *Income Tax Assessment Act 1997*.

14-250 Recipients of certain taxable supplies of real property must pay amounts to Commissioner

Liability to pay an amount

- (1) You must pay to the Commissioner an amount if:
 - (a) you are the recipient (within the meaning of the *GST Act) of a *taxable supply that is, or includes, a *supply to which subsection (2) applies; and
 - (b) in a case where the supply is a supply of *potential residential land—either:
 - (i) you are not registered (within the meaning of that Act); or
 - (ii) you do not acquire the thing supplied for a *creditable purpose.
- (2) This subsection applies to a *supply, by way of sale or long-term lease (within the meaning of the *GST Act), of:
 - (a) *new residential premises that:
 - (i) have not been created through *substantial renovations of a building; and
 - (ii) are not *commercial residential premises; or
 - (b) *potential residential land that:
 - (i) is included in a *property subdivision plan; and
 - (ii) does not contain any building that is in use for a commercial purpose;other than a supply that is of a kind determined by the Commissioner under subsection (3).
- (3) The Commissioner may, by legislative instrument, determine that subsection (2) does not apply to a kind of *supply specified in the determination.

When the amount must be paid

- (4) You must pay the amount on or before:
 - (a) the day on which:

*For definition, see section 995-1 of the *Income Tax Assessment Act 1997*.

Section 14-250

- (i) any of the *consideration for the *supply (other than consideration provided as a deposit) is first provided; or
 - (ii) if the supplier is your *associate, and the supply is without consideration—the supply is made; or
 - (b) if a determination under subsection (5) applies—the day provided under that determination.
- (5) The Commissioner may determine, by legislative instrument, circumstances in which amounts under this section are to be paid on or before the day provided under the determination. The determination may provide for amounts to be paid in instalments.

The amount to be paid

- (6) The amount to be paid to the Commissioner is an amount equal to:
- (a) if the *margin scheme applies to the *supply:
 - (i) the percentage, of the amount provided under subsection (7), determined by the Minister under subsection (8); or
 - (ii) if there is no such determination—7% of the amount provided under subsection (7); or
 - (b) otherwise—¹/₁₁ of the amount provided under subsection (7).
- (7) For the purposes of paragraphs (6)(a) and (b), the amount is:
- (a) if the contract for the *supply specifies an amount (the **contract price**) that is the *price for the supply, subject to normal adjustments that apply on completion of transactions of that kind—that contract price; or
 - (b) otherwise—the *price for the supply.
- (8) The Minister may, by legislative instrument, determine a percentage exceeding 7%, but not exceeding 9%, for the purposes of subparagraph (6)(a)(i).
- (9) Despite subsection (6), if:
- (a) the supplier is your *associate; and

*For definition, see section 995-1 of the *Income Tax Assessment Act 1997*.

(b) the *supply is without *consideration or is for consideration that is less than the *GST inclusive market value; the amount to be paid to the Commissioner is an amount equal to 10% of the *GST exclusive market value (within the meaning of the *GST Act) of the supply.

(10) Despite subsections (6) and (9), if:

(a) the *supply does not consist solely of one or more supplies to which subsection (2) applies; and

(b) it is practicable to ascertain, at the time any of the *consideration for the supply (other than consideration provided as a deposit) is first provided, the amount (the **reduced amount**) of the amount provided under subsection (6) or (9) that relates to supplies to which subsection (2) applies;

the amount provided under subsection (6) or (9) is taken (other than for the purposes of this subsection) to be the reduced amount.

Multiple recipients

(11) If there is more than one recipient (within the meaning of the *GST Act) of the *supply (the **original supply**):

(a) treat each recipient as being the recipient of a separate supply; and

(b) treat the amount under subsection (6), (9) or (10) (as the case requires) for such a separate supply as being the same proportion of that amount for the original supply, as the proportion of the original supply that is constituted by that separate supply.

Treat recipients who are joint tenants as a single recipient for the purposes of this subsection.

14-255 Notification by suppliers of residential premises etc.

(1) You must not make a *supply, by way of sale or long-term lease (within the meaning of the *GST Act), of *residential premises or of *potential residential land to another entity unless, before

*For definition, see section 995-1 of the *Income Tax Assessment Act 1997*.

Section 14-255

 - (i) the name and *ABN of the entity that is liable to pay the *GST on the supply; and
 - (ii) the amount that the other entity will be required to pay to the Commissioner under section 14-250 in relation to the supply; and
 - (iii) when the other entity will be required to pay that amount; and
 - (iv) if some or all of the *consideration for the supply will not be expressed as an amount of *money—the *GST inclusive market value of so much of the consideration as will not be expressed as an amount of money; and
 - (v) such other matters as are specified in the regulations.
- (2) However, subsection (1):
 - (a) does not apply to a supply of *commercial residential premises; and
 - (b) does not apply to a supply of *potential residential land to another entity if the other entity:
 - (i) is registered (within the meaning of the *GST Act); and
 - (ii) acquires the land for a *creditable purpose.
- (3) To avoid doubt, a failure to comply with subsection (1) does not affect the other entity's obligation to make a payment under section 14-250.

Strict liability offence

- (4) You must not fail to give a notice required under this section.

Penalty: 100 penalty units.

*For definition, see section 995-1 of the *Income Tax Assessment Act 1997*.

- (5) An offence against subsection (4) is a strict liability offence.

Note: For strict liability, see section 6.1 of the Criminal Code.

- (6) You are liable to pay the Commissioner a penalty of 100 penalty units if you fail to give a notice required under this section.

Note: Division 298 contains machinery provisions for administrative penalties.

- (7) However, you are not liable to a penalty for failing to meet the requirements of paragraph (1)(b) in relation to a supply if, at the time you gave the notice, you reasonably believed that you were not required to meet those requirements in relation to that supply.

*For definition, see section 995-1 of the *Income Tax Assessment Act 1997*.

15-A	Working out how much to withhold

15-C	Declarations

Guide to Division 15

15-1 What this Division is about

This Division is mainly about how to work out how much an entity must withhold under Division 12.

In most cases, the entity will need to use either the Commissioner's withholding schedules or the regulations.

The entity will also need to take into account a TFN declaration or declaration under section 15-50 it has been given because, under the schedules and regulations, the declaration may affect how to calculate the amount to withhold.

This Division also deals with when an individual can make such a declaration (other than a TFN declaration) so as to change the amount that must be withheld from payments to the individual.

Subdivision 15-A—Working out how much to withhold

Table of sections

15-10	How much to withhold
15-15	Variation of amounts required to be withheld

*For definition, see section 995-1 of the *Income Tax Assessment Act 1997*.

15-10 How much to withhold

- (1) The amount that Subdivision 12-B, 12-C or 12-D requires to be withheld from a payment is to be worked out under the withholding schedules made under section 15-25. However, if the regulations prescribe how the amount is to be worked out, then it is to be worked out under the regulations.

Note 1: A TFN declaration, declaration under section 15-50 or voluntary agreement may affect how much is required to be withheld under the withholding schedules or regulations.

Note 2: The Commissioner may vary an amount required to be withheld. See section 15-15.

- (2) The amount that Subdivision 12-E, 12-F, 12-FA, 12-FAA, 12-FB, 12-FC, 12-G (except one covered by section 12-325) or 12-J requires to be withheld from a payment is to be worked out under the regulations.

Note 1: The amount that section 12-325 requires to be withheld is worked out under that section.

Note 2: The Commissioner may vary an amount required to be withheld. See section 15-15.

 - (a) the entity applies, in the *approved form, for registration of the branch; and

 - (a) all payments made through the branch, from which amounts are required to be withheld under Division 12, were made by that separate entity; and
 - (aa) all *alienated personal services payments received through the branch, in respect of which Division 13 requires an amount to be paid to the Commissioner, were received by that separate entity; and
