7 Outline of Act

The following is a simplified outline of this Act.

Unclaimed money register

At the times determined by the Commissioner, superannuation providers must give the Commissioner of Taxation details relating to any unclaimed money they hold in respect of members who have reached the eligibility age or who have died.

Unclaimed money is money in an inactive account which the superannuation provider is unable to ensure is received by a person entitled to receive it.

Superannuation providers must pay to the Commissioner of Taxation any unclaimed money they hold. Later, the Commissioner must, if satisfied that it is possible to do so, pay the amount he or she has received in respect of a person to:

- (a) the person; or
- (b) to a fund identified by the person; or
- (c) if the person has died—to the person's death beneficiaries or legal personal representative.

Section 7

If a State or Territory law regulates unclaimed money in a way consistent with this Act, superannuation providers that are trustees of public sector superannuation schemes may give details relating to the money, and pay the money, to the relevant State or Territory authority instead of paying it to the Commissioner of Taxation.

The Commissioner of Taxation may publish, or make available, details relating to unclaimed money in respect of members who have reached the eligibility age or who have died.

Superannuation of former temporary residents

The Commissioner of Taxation must give the superannuation provider for a fund a notice identifying a member of the fund if satisfied that the member is a former temporary resident.

The superannuation provider must give the Commissioner a statement and pay the Commissioner the amount that would be payable to the member if the member had requested payment in connection with leaving Australia (subject to reductions for amounts paid or payable from the fund in respect of the member).

If the Commissioner is satisfied he or she has received a payment under this Act for such a member, the Commissioner must pay the amount he or she has received (and interest, in some cases) to the member, to a fund identified by the member or, if the member has died, to the member's death beneficiaries or legal personal representative.

The Commissioner of Taxation may publish, or make available, details relating to amounts paid to the Commissioner in respect of such members.

Lost members register

The Commissioner of Taxation may publish, or make available, details relating to lost members.

Superannuation of lost members

At the times determined by the Commissioner, superannuation providers must give the Commissioner of Taxation details relating to:

- (a) small accounts of lost members; and
- (b) inactive accounts of unidentifiable lost members.

Superannuation providers must pay to the Commissioner of Taxation the value of any such accounts. Later, the Commissioner must, if satisfied that it is possible to do so, pay an amount he or she has received in respect of a person:

- (a) to a fund identified by the person; or
- (b) if the person has reached eligibility age or the amount is less than \$200—to the person; or
- (c) if the person has died—to the person's death beneficiaries or legal personal representative.

Superannuation of inactive low-balance members

At times determined by the Commissioner, superannuation providers must give the Commissioner of Taxation details relating to inactive low-balance accounts.

Superannuation providers must pay to the Commissioner of Taxation the value of any such accounts. Later, the Commissioner must, if satisfied that it is possible to do so, pay an amount the Commissioner has received in respect of a person:

- (a) to a fund identified by the person; or
- (b) if the person has reached eligibility age or the amount is less than \$200—to the person; or
- (c) if the person has died—to the person's death beneficiaries or legal personal representative.

Section 7

Reunification of amounts held by the Commissioner

If, having taken the steps required in relation to unclaimed amounts, or amounts held by the Commissioner for lost members or inactive low-balance members, the Commissioner still holds an amount, the Commissioner must pay that amount to a fund in which the member for whom the Commissioner holds the amount is active, or in accordance with the regulations.

Division 1—Preliminary

20A Simplified outline

On payment, the superannuation provider ceases to be liable for the amount paid.

The person can claim the amount (and interest, in some cases) from the Commissioner.

(1) In this Act:

former temporary resident: a person is a ***former temporary resident*** if:

- (a) before, on or after the commencement of this section, the person:

- (2) The regulations may prescribe a visa for the purposes of subparagraph (a)(i) of the definition of ***former temporary resident*** in subsection (1).

Note: The regulations may prescribe a visa by reference to a class of visas: see subsection 13(3) of the *Legislation Act 2003*.

20B Setting dates for statements and payments

20C Commissioner must give notices about certain former temporary residents

- (a) identify the person; and

Note 2: The approved form may also require the statement to include certain tax file numbers: see subsection 25(2A).

Section 20F

When statement must be given

- (2) The superannuation provider must give the Commissioner the statement by the end of:
- (a) the next scheduled statement day after the notice is given; or
 - (b) if the Commissioner gives the notice less than 28 days before the next scheduled statement day—the following scheduled statement day.

Example: Suppose that 1 May and 1 November each year are the scheduled statement days, and that the Commissioner gives the notice to the superannuation provider on 15 April in a year. The superannuation provider must give the Commissioner the statement by the end of 1 November that year (rather than 1 May that year).

Note 1: The Commissioner may defer the time for giving the statement: see section 388-55 in Schedule 1 to the *Taxation Administration Act 1953*.

Note 2: The *Taxation Administration Act 1953* provides for offences and administrative penalties if the statement is not given when it must be: see section 8C of that Act and Division 286 in Schedule 1 to that Act.

Statement required even if person does not have interest

- (3) The superannuation provider must give the Commissioner the statement even if:
- (a) the person does not have a superannuation interest when the superannuation provider must give the statement; or

The excess is due and payable at the end of:

- (a) the next scheduled statement day after the notice is given; or
- (b) if the Commissioner gives the notice less than 28 days before the next scheduled statement day—the following scheduled statement day; or
- (c) if a day is identified for the superannuation provider under the regulations that is later than the day described in paragraph (a) and later than the day described in paragraph (b) if it is relevant—that later day.

Note 1: The amount the superannuation provider must pay the Commissioner is a tax-related liability for the purposes of the *Taxation Administration Act 1953*. Division 255 in Schedule 1 to that Act deals with payment and recovery of tax-related liabilities. Division 284 in that Schedule provides for administrative penalties connected with such liabilities.

Note 2: The Commissioner may defer the time at which the excess is due and payable: see section 255-10 in Schedule 1 to the *Taxation Administration Act 1953*.

Note 3: Section 20K provides for refunds of overpayments by the superannuation provider to the Commissioner.

- (2) Work out the amount that would have been payable to the person from the fund in respect of the superannuation interest had the person requested payment in connection with the person's departure from Australia. For this purpose:
 - (a) work out the amount that would have been payable at the time (the **calculation time**) immediately before:
 - (i) the time at which a payment under subsection (1) in respect of the person is due and payable (assuming that such a payment must be made); or
 - (ii) for a payment to be made under subsection (1) before it is due and payable—the time the payment is to be made; and
 - (b) assume that the request were made before the calculation time; and

Section 20F

- (a) the amount (if any) that is payable from the fund because regulations made for the purposes of the RSA Act or the SIS Act require or permit a benefit connected with the person's superannuation interest to be cashed; and
- (b) if the person has actually died, the amount (if any) that has been paid from the fund in respect of the person because of the person's death; and

- (d) the amount (if any) worked out in accordance with the regulations made for the purposes of this paragraph.

Work out the amounts described in paragraphs (a), (b), (c) and (d) as at the calculation time.

- (4) For the purposes of subsections (2) and (3):
 - (a) disregard Subdivision 12-FA in Schedule 1 to the *Taxation Administration Act 1953*; and

Note 1: Subdivision 12-FA in Schedule 1 to the *Taxation Administration Act 1953* is about withholding amounts from departing Australia superannuation payments.

Note 2: Part VIIIIB of the *Family Law Act 1975* is about splitting amounts payable in respect of a superannuation interest between the parties to a marriage. Subsection 90XB(3) of that Act provides that the Part has effect subject to this Act.

Regulations for the purposes of paragraph (1)(c)

- (4A) Regulations for the purposes of paragraph (1)(c) may provide for a day to be identified by the Commissioner or the Australian Prudential Regulation Authority. This does not limit the provision that the regulations may make for identification of a day for those purposes.

General interest charge on late payment

- (5) If any of the amount the superannuation provider must pay under subsection (1) remains unpaid after it is due and payable, the superannuation provider is liable to pay general interest charge on the unpaid amount for each day in the period that:
- (a) starts at the time it is due and payable; and
 - (b) ends at the end of the last day on which either of the following remains unpaid:
 - (i) the amount unpaid when it is due and payable;

20G Effect of payment by superannuation provider

On payment of an amount to the Commissioner as required by subsection 20F(1), the superannuation provider is discharged from further liability to the person, and to anyone else in respect of the person, in respect of that amount.

Division 4—Payment by Commissioner

20H Payment by Commissioner in respect of person for whom an amount has been paid to Commissioner

- (1) This section applies in relation to a person if the Commissioner is satisfied, on application in the approved form or on the Commissioner's own initiative, that:
- (a) either:
 - (i) the person has been identified in a notice under section 20C; or
 - (ii) the person was, under the *Migration Act 1958*, the holder of a temporary visa, except a visa prescribed by the regulations, that ceased to be in effect at least 6 months ago, and the person left Australia at least 6 months ago but after starting to be the holder of the visa; and
 - (b) the total of:
 - (i) the amounts (if any) paid to the Commissioner under subsection 17(1) (before, on or after the commencement of this section) in respect of the person; and
 - (ii) the amounts (if any) paid to the Commissioner under subsection 20F(1) in respect of the person; and
 - (iaa) the amounts (if any) paid to the Commissioner under section 20QD in respect of the person; and
 - (iia) the amounts (if any) paid to the Commissioner under section 24E in respect of the person;exceeds the total of:
 - (iii) the amounts (if any) paid by the Commissioner under subsection 17(2) (before, on or after the commencement of this section) in respect of the person; and
 - (iv) the amounts (if any) paid by the Commissioner under all the earlier operations (if any) of subsections (2) and (3) of this section in respect of the person (disregarding an amount paid under subsection (3), to the extent the

amount was attributable to interest that would have been payable under subsection (2A) apart from subsection (3)); and

- (v) the amounts (if any) paid by the Commissioner under section 20K in respect of the person; and
- (va) the amounts (if any) paid by the Commissioner under subsection 20QF(2) in respect of the person; and
- (vi) the amounts (if any) paid by the Commissioner under subsection 24G(2) in respect of the person.

(2) The Commissioner must pay the excess:

- (a) to the person; or
- (b) to a single fund that is a complying superannuation plan (within the meaning of the *Income Tax Assessment Act 1997*), if the person directs the Commissioner to pay to the fund and the Commissioner is satisfied that the person is:
 - (i) an Australian citizen; or
 - (ii) a New Zealand citizen; or
 - (iii) under the *Migration Act 1958*, the holder of a permanent visa or a visa prescribed by the regulations; or
- (c) to the person's legal personal representative, if the person has died.

(2AA) If the Commissioner makes a payment under subsection (2) on or after 1 July 2013, the Commissioner must also pay to the person, fund or legal personal representative the amount of interest (if any) worked out in accordance with the regulations.

(2AB) Regulations made for the purposes of subsection (2AA) may prescribe different rates for different periods over which the interest accrues. For this purpose, *rate* includes a nil rate.

(2A) If the Commissioner makes a payment under subsection (2) before 1 July 2013, the Commissioner must also pay to the person, fund or legal personal representative the amount (if any) of interest worked out under subsection (2B), if the Commissioner is satisfied that:

Section 20H

- (a) the person is (or was just before dying) an Australian citizen or, under the *Migration Act 1958*, the holder of a permanent visa; and
 - (b) after 30 June 2007 either:
 - (i) the person left Australia; or
 - (ii) the person was, under the *Migration Act 1958*, the holder of a temporary visa.
- (2B) Work out, in accordance with the regulations, the amount of interest:
- (a) on so much (if any) of the excess as is attributable (directly or indirectly) to one or more amounts paid to the Commissioner under subsection 20F(1) and not to payments to or by the Commissioner under subsection 17(1) or (2), section 20QD or subsection 20QF(2), or section 24E or subsection 24G(2); and
 - (b) at a rate equal to the annual yield on Treasury bonds with a 10-year term or, if another rate is prescribed by the regulations, that other rate.
- Note: The regulations may provide for various matters relevant to working out the interest, such as working out the periods for which particular rates apply to particular amounts of principal (which will affect any compounding of the interest, among other things).
- (2C) Regulations for the purposes of subsection (2B) may prescribe different rates for different periods over which the interest accrues, including a nil rate for any period starting when the person turns 65. This does not limit the ways in which the regulations may provide for working out the amount of interest under that subsection.
- (3) However, if the person has died and the Commissioner is satisfied that one or more superannuation providers that made any of the payments described in subparagraphs (1)(b)(i), (ii), (iiaa) and (iia) would, if they had not made those payments, have been required because of the person's death to pay an amount to one or more other persons (the *death beneficiaries*), the Commissioner must pay each death beneficiary:

- (a) the total of the amounts the Commissioner is satisfied the superannuation providers would have been required to pay the death beneficiary; or
- (b) if the total of the excess and any interest that would be payable under subsection (2AA) or (2A) apart from this subsection is less than the sum of the totals described in paragraph (a) for all the death beneficiaries—the amount worked out for the death beneficiary using the formula in subsection (4).

Note: Money for payments under this section is appropriated by section 16 of the *Taxation Administration Act 1953*.

- (4) The formula is:

$$\begin{array}{l} \text{Total of the excess and} \\ \text{any interest that would} \\ \text{be payable under} \\ \text{subsection (2A) apart} \\ \text{from subsection (3)} \end{array} \times \frac{\begin{array}{l} \text{Total described in paragraph (3)(a)} \\ \text{for the death beneficiary} \end{array}}{\begin{array}{l} \text{Sum of the totals described in} \\ \text{paragraph (3)(a) for all the death beneficiaries} \end{array}}$$

Withholding tax from payment

- (5) For the purposes of subparagraph (1)(b)(iv), an amount withheld under Division 12 in Schedule 1 to the *Taxation Administration Act 1953* from a payment under this section is taken to have been paid by the Commissioner.
- (6) To avoid doubt, subsection (2) has effect subject to Division 12 in Schedule 1 to the *Taxation Administration Act 1953*.

Note: Division 12 in Schedule 1 to the *Taxation Administration Act 1953* requires entities paying departing Australia superannuation payments and excess untaxed roll-over amounts to withhold amounts from those payments.
