34AB Issuing authorities

- (1) The Minister may, by writing, appoint as an issuing authority a person who is:
 - (a) a Federal Magistrate; or
 - (b) a Judge.
- (2) The Minister must not appoint a person unless:
 - (a) the person has, by writing, consented to being appointed; and
 - (b) the consent is in force.
- (3) The regulations may declare that persons in a specified class are issuing authorities.
- (4) The regulations may specify a class of persons partly by reference to the facts that the persons have consented to being issuing authorities and their consents are in force.

34B Prescribed authorities

- (1) The Minister may, by writing, appoint as a prescribed authority a person who has served as a judge in one or more superior courts for a period of 5 years and no longer holds a commission as a judge of a superior court.
- (2) If the Minister is of the view that there is an insufficient number of people to act as a prescribed authority under subsection (1), the Minister may, by writing, appoint as a prescribed authority a person who is currently serving as a judge in a State or Territory Supreme Court or District Court (or an equivalent) and has done so for a period of at least 5 years.

- (4) The Minister must not appoint a person under subsection (1), (2) or (3) unless:
 - (a) the person has by writing consented to being appointed; and
 - (b) the consent is in force.

Subdivision B—Questioning, detention etc.

34C Requesting warrants

- (1) The Director-General may seek the Minister's consent to request the issue of a warrant under section 34D in relation to a person.
- (1A) To avoid doubt, this section operates in relation to a request for the issue of a warrant under section 34D in relation to a person, even if such a request has previously been made in relation to the person.
- (2) In seeking the Minister's consent, the Director-General must give the Minister a draft request that includes:
 - (a) a draft of the warrant to be requested; and
 - (b) a statement of the facts and other grounds on which the Director-General considers it necessary that the warrant should be issued; and
 - (c) a statement of the particulars and outcomes of all previous requests for the issue of a warrant under section 34D relating to the person; and
 - (d) if one or more warrants were issued under section 34D as a result of the previous requests—a statement of:
 - (i) the period for which the person has been questioned under each of those warrants before the draft request is given to the Minister; and
 - (ii) if any of those warrants authorised the detention of the person—the period for which the person has been detained in connection with each such warrant before the draft request is given to the Minister.
- (3) The Minister may, by writing, consent to the making of the request, but only if the Minister is satisfied:
 - (a) that there are reasonable grounds for believing that issuing the warrant to be requested will substantially assist the

collection of intelligence that is important in relation to a terrorism offence; and

- (b) that relying on other methods of collecting that intelligence would be ineffective; and
- (ba) that all of the acts (the *adopting acts*) described in subsection (3A) in relation to a written statement of procedures to be followed in the exercise of authority under warrants issued under section 34D have been done; and
- (c) if the warrant to be requested is to authorise the person to be taken into custody immediately, brought before a prescribed authority immediately for questioning and detained—that there are reasonable grounds for believing that, if the person is not immediately taken into custody and detained, the person:
 - (i) may alert a person involved in a terrorism offence that the offence is being investigated; or
 - (ii) may not appear before the prescribed authority; or
 - (iii) may destroy, damage or alter a record or thing the person may be requested in accordance with the warrant to produce.

The Minister may make his or her consent subject to changes being made to the draft request.

- (3A) The adopting acts in relation to a written statement of procedures to be followed in the exercise of authority under warrants issued under section 34D are as follows:
 - (a) consultation of the following persons by the Director-General about making such a statement:
 - (i) the Inspector-General of Intelligence and Security;
 - (ii) the Commissioner of Police appointed under the *Australian Federal Police Act 1979*;
 - (b) making of the statement by the Director-General after that consultation;
 - (c) approval of the statement by the Minister;
 - (d) presentation of the statement to each House of the Parliament;
 - (e) briefing (in writing or orally) the Parliamentary Joint Committee on ASIO, ASIS and DSD (whether before or after presentation of the statement to each House of the Parliament).

- (3B) In consenting to the making of a request to issue a warrant authorising the person to be taken into custody immediately, brought before a prescribed authority immediately for questioning and detained, the Minister must ensure that the warrant to be requested is to permit the person to contact a single lawyer of the person's choice (subject to section 34TA) at any time that:
- (a) is a time while the person is in detention in connection with the warrant; and
 - (b) is after:
 - (i) the person has been brought before a prescribed authority for questioning; and
 - (ii) the person has informed the prescribed authority, in the presence of a person exercising authority under the warrant, of the identity of the lawyer whom the person proposes to contact; and
 - (iii) a person exercising authority under the warrant has had an opportunity to request the prescribed authority to direct under section 34TA that the person be prevented from contacting the lawyer.
- (3D) If, before the Director-General seeks the Minister's consent to the request (the *proposed request*), the person has been detained under this Division in connection with one or more warrants (the *earlier warrants*) issued under section 34D, and the proposed request is for a warrant meeting the requirement in paragraph 34D(2)(b):
- (a) the Minister must take account of those facts in deciding whether to consent; and
 - (b) the Minister may consent only if the Minister is satisfied that the issue of the warrant to be requested is justified by information that is additional to or materially different from that known to the Director-General at the time the Director-General sought the Minister's consent to request the issue of the last of the earlier warrants issued before the seeking of the Minister's consent to the proposed request.
- This subsection has effect in addition to subsection (3).
- (4) If the Minister has consented under subsection (3), the Director-General may request the warrant by giving an issuing authority:

- (a) a request that is the same as the draft request except for the changes (if any) required by the Minister; and
- (b) a copy of the Minister's consent.

34D Warrants for questioning etc.

- (1) An issuing authority may issue a warrant under this section relating to a person, but only if:
 - (a) the Director-General has requested it in accordance with subsection 34C(4); and
 - (b) the issuing authority is satisfied that there are reasonable grounds for believing that the warrant will substantially assist the collection of intelligence that is important in relation to a terrorism offence.
- (1A) If the person has already been detained under this Division in connection with one or more warrants (the *earlier warrants*) issued under this section, and the warrant requested is to meet the requirement in paragraph (2)(b):
 - (a) the issuing authority must take account of those facts in deciding whether to issue the warrant requested; and
 - (b) the issuing authority may issue the warrant requested only if the authority is satisfied that:
 - (i) the issue of that warrant is justified by information additional to or materially different from that known to the Director-General at the time the Director-General sought the Minister's consent to request the issue of the last of the earlier warrants issued before the seeking of the Minister's consent to the request for the issue of the warrant requested; and
 - (ii) the person is not being detained under this Division in connection with one of the earlier warrants.

This subsection has effect in addition to subsection (1).

- (2) The warrant must, in the same terms as the draft warrant given to the issuing authority as part of the request, either:
 - (a) require a specified person to appear before a prescribed authority for questioning under the warrant immediately after the person is notified of the issue of the warrant, or at a time specified in the warrant; or

- (b) do both of the following:
 - (i) authorise a specified person to be taken into custody immediately by a police officer, brought before a prescribed authority immediately for questioning under the warrant and detained under arrangements made by a police officer for the period (the **questioning period**) described in subsection (3);
 - (ii) permit the person to contact identified persons at specified times when the person is in custody or detention authorised by the warrant.
- (3) The questioning period starts when the person is first brought before a prescribed authority under the warrant and ends at the first time one of the following events happens:
 - (a) someone exercising authority under the warrant informs the prescribed authority before whom the person is appearing for questioning that the Organisation does not have any further request described in paragraph (5)(a) to make of the person;
 - (b) section 34HB prohibits anyone exercising authority under the warrant from questioning the person under the warrant;
 - (c) the passage of 168 hours starting when the person was first brought before a prescribed authority under the warrant.
- (4) The warrant may identify someone whom the person is permitted to contact by reference to the fact that he or she is a lawyer of the person's choice or has a particular legal or familial relationship with the person. This does not limit the ways in which the warrant may identify persons whom the person is permitted to contact.
 - Note 1: The warrant may identify persons by reference to a class. See subsection 46(2) of the *Acts Interpretation Act 1901*.
 - Note 2: Section 34F permits the person to contact the Inspector-General of Intelligence and Security and the Ombudsman while the person is in custody or detention, so the warrant must identify them.
 - Note 3: A warrant authorising the person to be taken into custody and detained must permit the person to contact a single lawyer of the person's choice, so the warrant must identify such a lawyer.
- (4A) The warrant may specify times when the person is permitted to contact someone identified as a lawyer of the person's choice by reference to the fact that the times are:

- (a) while the person is in detention in connection with the warrant; and
 - (b) after:
 - (i) the person has been brought before a prescribed authority for questioning; and
 - (ii) the person has informed the prescribed authority, in the presence of a person exercising authority under the warrant, of the identity of the lawyer whom the person proposes to contact; and
 - (iii) a person exercising authority under the warrant has had an opportunity to request the prescribed authority to direct under section 34TA that the person be prevented from contacting the lawyer.
- (5) Also, the warrant must, in the same terms as the draft warrant given to the issuing authority as part of the request:
- (a) authorise the Organisation, subject to any restrictions or conditions, to question the person before a prescribed authority by requesting the person to do either or both of the following:
 - (i) give information that is or may be relevant to intelligence that is important in relation to a terrorism offence;
 - (ii) produce records or things that are or may be relevant to intelligence that is important in relation to a terrorism offence; and
 - (b) authorise the Organisation, subject to any restrictions or conditions, to make copies and/or transcripts of a record produced by the person before a prescribed authority in response to a request in accordance with the warrant.
- (6) Also, the warrant must:
- (a) be signed by the issuing authority who issues it; and
 - (b) specify the period during which the warrant is to be in force, which must not be more than 28 days.

34DA Person taken into custody under warrant to be immediately brought before prescribed authority

If the person is taken into custody by a police officer exercising authority under the warrant, the officer must make arrangements for the person to be immediately brought before a prescribed authority for questioning.

34E Prescribed authority must explain warrant

- (1) When the person first appears before a prescribed authority for questioning under the warrant, the prescribed authority must inform the person of the following:
 - (a) whether the warrant authorises detention of the person by a police officer and, if it does, the period for which the warrant authorises detention of the person;
 - (b) what the warrant authorises the Organisation to do;
 - (c) the effect of section 34G (including the fact that the section creates offences);
 - (d) the period for which the warrant is in force;
 - (e) the person's right to make a complaint orally or in writing:
 - (i) to the Inspector-General of Intelligence and Security under the *Inspector-General of Intelligence and Security Act 1986* in relation to the Organisation; or
 - (ii) to the Ombudsman under the *Complaints (Australian Federal Police) Act 1981* in relation to the Australian Federal Police;
 - (f) the fact that the person may seek from a federal court a remedy relating to the warrant or the treatment of the person in connection with the warrant;
 - (g) whether there is any limit on the person contacting others and, if the warrant permits the person to contact identified persons at specified times when the person is in custody or detention authorised by the warrant, who the identified persons are and what the specified times are.
- (2) To avoid doubt, subsection (1) does not apply to a prescribed authority if the person has previously appeared before another prescribed authority for questioning under the warrant.

- (2A) The prescribed authority before whom the person appears for questioning must inform the person of the role of the prescribed authority, and the reason for the presence of each other person who is present at any time during the questioning. However:
- (a) the prescribed authority must not name any person except with the consent of the person to be named; and
 - (b) the obligation to inform the person being questioned about a particular person's reason for presence need only be complied with once (even if that particular person subsequently returns to the questioning).
- (3) At least once in every 24-hour period during which questioning of the person under the warrant occurs, the prescribed authority before whom the person appears for questioning must inform the person of the fact that the person may seek from a federal court a remedy relating to the warrant or the treatment of the person in connection with the warrant.

34F Detention of persons

Directions relating to detention or further appearance

- (1) At any time when a person is before a prescribed authority for questioning under a warrant, the authority may give any of the following directions:
- (a) a direction to detain the person;
 - (b) a direction for the further detention of the person;
 - (c) a direction about any arrangements for the person's detention;
 - (d) a direction permitting the person to contact an identified person (including someone identified by reference to the fact that he or she has a particular legal or familial relationship with the person) or any person;
 - (e) a direction for the person's further appearance before the prescribed authority for questioning under the warrant;
 - (f) a direction that the person be released from detention.
- (2) The prescribed authority is only to give a direction that:
- (a) is consistent with the warrant; or
 - (b) has been approved in writing by the Minister.

However, the prescribed authority may give a direction that is not covered by paragraph (a) or (b) if he or she has been informed under section 34HA of a concern of the Inspector-General of Intelligence and Security and is satisfied that giving the direction is necessary to address the concern satisfactorily.

- (3) The prescribed authority is only to give a direction described in paragraph (1)(a) or (b) if he or she is satisfied that there are reasonable grounds for believing that, if the person is not detained, the person:
- (a) may alert a person involved in a terrorism offence that the offence is being investigated; or
 - (b) may not continue to appear, or may not appear again, before a prescribed authority; or
 - (c) may destroy, damage or alter a record or thing the person has been requested, or may be requested, in accordance with the warrant, to produce.
- (4) A direction under subsection (1) must not result in:
- (a) a person being detained after the end of the questioning period described in section 34D for the warrant; or
 - (b) a person's detention being arranged by a person who is not a police officer.

Giving effect to directions

- (5) Directions given by a prescribed authority have effect, and may be implemented or enforced, according to their terms.
- (6) A police officer may take a person into custody and bring him or her before a prescribed authority for questioning under a warrant issued under section 34D if the person fails to appear before a prescribed authority as required by the warrant or a direction given by a prescribed authority under this section.

Direction has no effect on further warrant

- (7) This section does not prevent any of the following occurring in relation to a person who has been released after having been detained under this Division in connection with a warrant issued under section 34D:

- (a) an issuing authority issuing a further warrant under that section;
- (b) the person being detained under this Division in connection with the further warrant.

Communications while in custody or detention

- (8) A person who has been taken into custody, or detained, under this Division is not permitted to contact, and may be prevented from contacting, anyone at any time while in custody or detention.
- (9) However:
 - (a) the person may contact anyone whom the warrant under which he or she is detained, or a direction described in paragraph (1)(d), permits the person to contact; and
 - (b) subsection (8) does not affect the following provisions in relation to contact between the person and the Inspector-General of Intelligence and Security or the Ombudsman:
 - (i) sections 10 and 13 of the *Inspector-General of Intelligence and Security Act 1986*;
 - (ii) section 22 of the *Complaints (Australian Federal Police) Act 1981*; and
 - (c) anyone holding the person in custody or detention under this Division must give the person facilities for contacting the Inspector-General of Intelligence and Security or the Ombudsman to make a complaint orally under a section mentioned in paragraph (b) if the person requests them.

Note: The sections mentioned in paragraph (9)(b) give the person an entitlement to facilities for making a written complaint.

34G Giving information and producing things etc.

- (1) A person must appear before a prescribed authority for questioning, as required by a warrant issued under section 34D or a direction given under section 34F.

Penalty: Imprisonment for 5 years.

Note: A defendant bears an evidential burden in relation to the matter in subsection (4) (see subsection 13.3(3) of the *Criminal Code*).

- (5) If:

- (a) a person is before a prescribed authority for questioning under a warrant; and
- (b) the person makes a statement that is, to the person's knowledge, false or misleading in a material particular; and
- (c) the statement is made in purported compliance with a request for information made in accordance with the warrant;

the person is guilty of an offence.

Penalty: Imprisonment for 5 years.

- (6) A person who is before a prescribed authority for questioning under a warrant must not fail to produce any record or thing that the person is requested in accordance with the warrant to produce.

Penalty: Imprisonment for 5 years.

- (7) Subsection (6) does not apply if the person does not have possession or control of the record or thing.

Note: A defendant bears an evidential burden in relation to the matter in subsection (7) (see subsection 13.3(3) of the *Criminal Code*).

- (8) For the purposes of subsections (3) and (6), the person may not fail:

- (a) to give information; or
- (b) to produce a record or thing;

in accordance with a request made of the person in accordance with the warrant, on the ground that the information, or production of the record or thing, might tend to incriminate the person or make the person liable to a penalty.

- (9) However, the following are not admissible in evidence against the person in criminal proceedings other than proceedings for an offence against this section:
- (a) anything said by the person, while before a prescribed authority for questioning under a warrant, in response to a request made in accordance with the warrant for the person to give information;
 - (b) the production of a record or thing by the person, while before a prescribed authority for questioning under a warrant, in response to a request made in accordance with the warrant for the person to produce a record or thing.

34H Interpreter provided at request of prescribed authority

- (1) This section applies if the prescribed authority before whom a person first appears for questioning under a warrant believes on reasonable grounds that the person is unable, because of inadequate knowledge of the English language or a physical disability, to communicate with reasonable fluency in that language.
- (2) A person exercising authority under the warrant must arrange for the presence of an interpreter.
- (3) The prescribed authority must defer informing under section 34E the person to be questioned under the warrant until the interpreter is present.
- (4) A person exercising authority under the warrant must defer the questioning under the warrant until the interpreter is present.

34HAA Interpreter provided at request of person being questioned

- (1) This section applies if a person appearing before a prescribed authority under a warrant requests the presence of an interpreter.
 - (2) A person exercising authority under the warrant must arrange for the presence of an interpreter, unless the prescribed authority
-

believes on reasonable grounds that the person who made the request has an adequate knowledge of the English language, or is physically able, to communicate with reasonable fluency in that language.

- (3) If questioning under the warrant has not commenced and the prescribed authority determines that an interpreter is to be present:
 - (a) the prescribed authority must defer informing under section 34E the person to be questioned under the warrant until the interpreter is present; and
 - (b) a person exercising authority under the warrant must defer the questioning until the interpreter is present.

 - (b) when the interpreter is present, the prescribed authority must again inform the person of anything of which he or she was previously informed under section 34E.

34HAB Inspector-General of Intelligence and Security may be present at questioning or taking into custody

To avoid doubt, for the purposes of performing functions under the *Inspector-General of Intelligence and Security Act 1986*, the Inspector-General of Intelligence and Security, or an APS employee assisting the Inspector-General, may be present at the questioning or taking into custody of a person under this Division.

34HA Suspension of questioning etc. in response to concern of Inspector-General of Intelligence and Security

- (1) This section applies if the Inspector-General of Intelligence and Security is concerned about impropriety or illegality in connection with the exercise or purported exercise of powers under this Division in relation to a person specified in a warrant issued under section 34D.

Note: For example, the Inspector-General may be concerned because he or she has been present at a questioning under section 34HAB.

- (2) When the person is appearing before a prescribed authority for questioning under the warrant, the Inspector-General may inform the prescribed authority of the Inspector-General's concern. If the Inspector-General does so, he or she must also inform the Director-General of the concern as soon as practicable afterwards.
- (3) The prescribed authority must consider the Inspector-General's concern.
- (4) The prescribed authority may give a direction deferring:
 - (a) questioning of the person under the warrant; or
 - (b) the exercise of another power under this Division that is specified in the direction;until the prescribed authority is satisfied that the Inspector-General's concern has been satisfactorily addressed.

Note: The prescribed authority may give directions under section 34F instead or as well. These could:

- (a) deal with the Inspector-General's concern in a way satisfactory to the prescribed authority; or
- (b) deal with treatment of the person while questioning is deferred; or
- (c) provide for release of the person from detention if the prescribed authority is satisfied that the Inspector-General's concern cannot be satisfactorily addressed within the remainder of the period for which the person may be detained under the warrant.

34HB End of questioning under warrant

- (1) Anyone exercising authority under a warrant issued under section 34D must not question a person under the warrant if the person has been questioned under the warrant for a total of 8 hours, unless the prescribed authority before whom the person was being questioned just before the end of that 8 hours permits the questioning to continue for the purposes of this subsection.
- (2) Anyone exercising authority under a warrant issued under section 34D must not question a person under the warrant if the person has been questioned under the warrant for a total of 16 hours, unless the prescribed authority before whom the person was being questioned just before the end of that 16 hours permits the questioning to continue for the purposes of this subsection.

 - (e) another person who meets the requirements of subsection 34NA(7) in relation to that person; and
 - (f) anyone the person being questioned is permitted by a direction under section 34F to contact.
- (4) The prescribed authority may permit the questioning to continue for the purposes of subsection (1) or (2), but only if he or she is satisfied that:
- (a) there are reasonable grounds for believing that permitting the continuation will substantially assist the collection of intelligence that is important in relation to a terrorism offence; and
 - (b) persons exercising authority under the warrant conducted the questioning of the person properly and without delay in the period mentioned in that subsection.
- (5) The prescribed authority may revoke the permission. Revocation of the permission does not affect the legality of anything done in relation to the person under the warrant before the revocation.
- (6) Anyone exercising authority under a warrant issued under section 34D must not question a person under the warrant if the person has been questioned under the warrant for a total of 24 hours.

Release from detention when further questioning is prohibited

- (a) at the end of the period mentioned in subsection (1) or (2), if the prescribed authority does not permit, for the purposes of that subsection, the continuation of questioning;
- (b) immediately after revoking the permission, if the permission was given but later revoked;
- (c) at the end of the period described in subsection (6).

Subsection 34F(2) does not prevent the prescribed authority from giving a direction in accordance with this subsection.

- (4) The legal adviser may not intervene in questioning of the subject or address the prescribed authority before whom the subject is being questioned, except to request clarification of an ambiguous question.

Removal of legal adviser for disrupting questioning

- (5) If the prescribed authority considers the legal adviser's conduct is unduly disrupting the questioning, the authority may direct a person exercising authority under the warrant to remove the legal adviser from the place where the questioning is occurring.
- (6) If the prescribed authority directs the removal of the legal adviser, the prescribed authority must also direct under paragraph 34F(1)(d) that the subject may contact someone else as a legal adviser. Subsection 34F(2) does not prevent the prescribed authority from giving the direction under paragraph 34F(1)(d) in accordance with this subsection.

Communications by legal adviser

- (7) The legal adviser commits an offence if:
- (a) while the subject is being detained under this Division in connection with the warrant, the adviser communicates to a third person information relating to the questioning or detention of the subject under this Division in connection with the warrant; and

- (9) The prescribed authority must not refuse to authorise the legal adviser to communicate to a member or Registrar (however described) of a federal court, for the purposes of seeking a remedy relating to the warrant or the treatment of the subject in connection with the warrant, information relating to the questioning or detention of the subject in connection with the warrant.
- (10) The regulations may make provision in relation to communications by legal advisers of persons specified in warrants issued under section 34D of information relating to their questioning or detention under this Division in connection with the warrants.
- (11) The regulations must not prevent a legal adviser from communicating to a member or Registrar (however described) of a federal court, for the purposes of seeking a remedy relating to the warrant or the treatment of a person in connection with the warrant, information relating to the questioning or detention of the person in connection with the warrant.

If legal adviser also represents young person

- (12) If section 34V also applies to the legal adviser in another capacity in relation to the subject, this section does not apply to conduct of the legal adviser in that other capacity.

- (1) This section applies in relation to a person (the *representative*) who:
