Section 5JA

---

- (i) if subparagraph (ii) does not apply—by more than 5% of the previous total; or
- (ii) if the index number for the second last quarter before the day on which the first of those payments is to be made (**recent index number**) exceeds the index number for the same quarter in the immediately preceding year (**base index number**) by more than 4% of the base index number—by more than such percentage of the previous total as is worked out under the formula:

$$100 \times \left( \frac{\text{Recent index number} - \text{Base index number}}{\text{Base index number}} \right) + 1$$

- (d) if the income stream is purchased by or for the primary beneficiary—that the first payment under the income stream relates to the period commencing on the day of that purchase; and

- (h) that the income stream cannot be commuted except:
  - (i) if the income stream is a non-commutation funded income stream and the commutation is made within 6 months after the commencement day of the income stream; or
  - (ii) if the commutation is made to the benefit of a reversionary beneficiary or of the person's estate, on the death of the person within the life expectancy period for the income stream; or

Note: For paragraph (h), *hardship amount*, *life expectancy period* and *non-commutation funded income stream* are defined in subsection (7) and *asset-test exempt income stream* is defined in section 5J.

- (2A) A contract, or the governing rules, for the provision to a person of an income stream that meets all of the requirements of subsection (2), except the requirement of paragraph (2)(c), are taken to meet the requirements of subsection (2) if the contract or governing rules specify that any provision included in the contract or governing rules in accordance with paragraph (2)(c) does not apply in any year in which:

Section 5JA

---

- (a) the person ceases to receive income under an income stream jointly and begins to receive income under a single income stream; and
- (b) the total amount received in the year under the single income stream is less than the total amount received by the person in the previous year but is not nil.

*Matters not required of income stream*

- (3) For the purpose of determining whether an income stream meets the requirements of subsection (2), it is immaterial that:
  - (a) if the primary beneficiary dies within the life expectancy period for the income stream, a surviving reversionary beneficiary may be paid an amount equal to the total of the payments that the primary beneficiary would (if he or she had not died) have received from the day of the death until the end of that period; and
  - (b) if:
    - (i) the primary beneficiary dies within the life expectancy period for the income stream; and
    - (ii) there is no surviving reversionary beneficiary; an amount, not exceeding the difference between:
      - (iii) the sum of the amounts that would have been so payable to the primary beneficiary in that period; and
      - (iv) the sum of the amounts paid to the primary beneficiary; is payable to the primary beneficiary's estate, and
  - (c) if:
    - (i) the primary beneficiary dies within the life expectancy period for the income stream; and

*Determination that income stream not asset-test exempt*

- (4) The Commission may determine that an income stream that meets the requirements of subsection (2) is not an asset-test exempt income stream if the Commission is satisfied that the person who has purchased the income stream has commuted an asset-test exempt income stream within 6 months after its commencement day on at least 3 occasions since the person first received a service pension, income support supplement, a veteran payment or a social security payment.

*Determination that income stream is asset-test exempt*

- (5) The Commission may determine, in writing, that an income stream is an asset-test exempt income stream for the purposes of this Act. In making the determination, the Commission is to have regard to the guidelines (if any) determined under subsection (6).

- (5B) A determination under subsection (5) is not a legislative instrument.

*Guidelines to be complied with in making determination*

**5JB Meaning of *asset-test exempt income stream*—life expectancy income streams**

- (1) An income stream provided to a person is also an ***asset-test exempt income stream*** for the purposes of this Act if:
  - (a) the following criteria are satisfied:
    - (i) the income stream's commencement day happens before 20 September 2007;
    - (ii) subsection (1A) applies; or
  - (b) subsection (1B) applies.

*No determination under subsection (3)*

- (1A) This subsection applies if:
  - (aa) the person to whom the income stream is being provided is:

- (i) the primary beneficiary; or
  - (ii) the primary beneficiary's reversionary partner (if any) on the day of the primary beneficiary's death; and
- (a) the income stream is an income stream arising under a contract, or governing rules, that meet the requirements of subsection (2) and the Commission has not made a determination under subsection (3) in respect of the income stream; and
  - (b) subject to subsections (1C), (1D) and (1E), the Commission is satisfied that, in relation to an income stream provided by a class of provider specified by the Commission for the purposes of this paragraph, there is in force a current actuarial certificate that states that the actuary is of the opinion that, for the financial year in which the certificate is given, there is a high probability that the provider of the income stream will be able to pay the income stream as required under the contract or governing rules; and
  - (c) the Commission is satisfied that the requirements of subsection (2) have been given effect to from the commencement day of the income stream; and
  - (d) in the case of an income stream acquired before 20 September 2004 that is provided to a primary beneficiary's reversionary beneficiary—the remaining term (in years) of the income stream is equal to the life expectancy (in years) of the primary beneficiary's reversionary beneficiary.

Note 1: For paragraph (aa), *reversionary partner* is defined in subsection (7).

Note 2: For paragraph (b), *financial year* means a period of 12 months commencing on 1 July: see the *Acts Interpretation Act 1901*.

*Determination under subsection (4)*

- (1B) This subsection applies if the Commission has made a determination under subsection (4) in respect of the income stream.

Section 5JB

---

*Guidelines relating to actuarial certificates*

- (1C) The Commission may determine, by legislative instrument, guidelines to be complied with when determining whether an actuarial certificate is in force.

*Exception to paragraph (1A)(b)*

- (1D) If, on 30 June in a financial year, an actuarial certificate referred to in paragraph (1A)(b) is in force in relation to an income stream, then paragraph (1A)(b) does not apply in relation to the next financial year (the *later year*) for the period:
- (a) beginning on 1 July of the later year; and
  - (b) ending at the earlier of the following:
    - (i) the start of the first day in the later year on which any actuarial certificate is given to the Commission in relation to that income stream;
    - (ii) the end of the period of 26 weeks beginning on 1 July of the later year.

*One certificate a financial year*

- (1E) For the purposes of paragraph (1A)(b), if an actuarial certificate is given to the Commission in a financial year in relation to an income stream, then any actuarial certificate given to the Commission later in that financial year in relation to that income stream has no effect.

*Requirements of contract/governing rules for provision of income stream*

- (2) A contract, or the governing rules, for the provision of an income stream to a person meets the requirements of this subsection if the contract or governing rules specify:

  - (ii) if the index number for the second last quarter before the day on which the first of those payments is to be made (*recent index number*) exceeds the index number for the same quarter in the immediately preceding year (*base index number*) by more than 4% of the base index number—by more than such percentage of the previous total as is worked out under the formula:

$$100 \times \left( \frac{\text{Recent index number} - \text{Base index number}}{\text{Base index number}} \right) + 1$$

- (d) if the income stream is purchased by or for the primary beneficiary—that the first payment under the income stream relates to the period commencing on the day of that purchase; and
- (e) if the income stream is not purchased, but acquired, by or for the primary beneficiary—that the first payment under the income stream relates to the period commencing on the day of that acquisition; and
- (f) if the income stream is not a defined benefit income stream—that the amount paid as the purchase price for the income stream is wholly converted into income; and
- (g) that the income stream has no residual capital value; and

Section 5JB

---

- (h) that the income stream cannot be commuted except:
  - (i) if the income stream is a non-commutation funded income stream and the commutation is made within 6 months after the commencement day of the income stream; or
  - (ii) if the payment resulting from the commutation is transferred directly to the purchase of another income stream that is an asset-test exempt income stream; or
  - (iii) if the primary beneficiary's reversionary partner (if any) on the day of the primary beneficiary's death survives the primary beneficiary—on or after the partner's death; or
  - (iv) if subparagraph (iii) does not apply—on or after the primary beneficiary's death; or
- (ivaa) to the extent necessary to cover any superannuation contributions surcharge relating to the income stream; or
- (iva) to the extent necessary to give effect to an entitlement of the person's partner or former partner under a payment split under Part VIII B of the *Family Law Act 1975*; or
- (ivb) to the extent necessary to give effect to an order under Part VIII A of the *Family Law Act 1975*; or
- (vi) to the extent necessary to pay a hardship amount; and
- (i) that the income stream cannot be transferred except on death; and
- (j) that neither the capital value of the income stream, nor the income from it, can be used as security for a borrowing; and
- (k) that, if the income stream reverts, it must not have a reversionary component greater than the benefit that was payable immediately before the reversion; and
- (l) that, if the income stream is commuted, the commuted amount must not be greater than the benefit that was payable immediately before the commutation.

Note: For paragraph (h), **hardship amount**, **non-commutation funded income stream** and **reversionary partner** are defined in subsection (7) and **asset-test exempt income stream** is defined in section 5J.

- (2E) If, on an income stream's commencement day, there are 2 primary beneficiaries (the *first primary beneficiary* and the *second primary*

**beneficiary**), the income stream's **term** complies with this subsection if it is a period of whole years that:

- (a) starts on the income stream's commencement day; and

Section 5JB

---

has purchased the income stream has commuted an asset-test exempt income stream within 6 months after its commencement day on at least 3 occasions since the person first received a service pension, income support supplement, a veteran payment or a social security payment.

*Determination that income stream is asset-test exempt*

- (4) The Commission may determine, in writing, that an income stream is an asset-test exempt income stream for the purposes of this Act. In making the determination, the Commission is to have regard to the guidelines (if any) determined under subsection (5).
- (4A) To avoid doubt, a determination under subsection (4) may be made in respect of an income stream regardless of the income stream's commencement day.
- (4B) A determination under subsection (4) is not a legislative instrument.

*Guidelines to be complied with in making determination*

- (5) The Commission may determine, by legislative instrument, guidelines to be complied with when making a determination under subsection (4).

*Interpretation*

- (7) In this section:

**hardship amount** has the same meaning as in section 5JA (see subsection 5JA(7)).

**non-commutation funded income stream** means an income stream that has not been purchased by transferring directly to the purchase of the income stream a payment resulting from the commutation of another asset-test exempt income stream.

**reversionary partner**, in relation to the primary beneficiary of an income stream and a particular day, means another person who, on that day:

- (a) is a member of a couple with the primary beneficiary; and
- (b) is the person to whom the income stream will revert on the primary beneficiary's death.

Note: For paragraph (a), **member of a couple** is defined in section 5E.

### **5JBA Meaning of *asset-test exempt income stream*—market-linked income streams**

    - (ii) the period (rounded up, if not consisting of a whole number of years, to the next whole number) starting on the commencement day and ending on the day on which the primary beneficiary's reversionary partner on the commencement day reaches age 100 (assuming that the partner lives until then).

*Total amount payable in each financial year—general rule*

- (5) For each financial year wholly or partly within the income stream's term, the total amount of the payments to be made under the income stream must not be less than 90%, nor greater than 110%, of the amount worked out under the formula:

$$\frac{\text{Account balance}}{PF}$$

where:

**account balance** means:

- (a) if the financial year includes the income stream's commencement day—the opening account balance for the income stream; or
- (b) otherwise—the account balance for the income stream at the start of the financial year.

**PF** means the payment factor for the income stream for the financial year, worked out under principles determined by the Commission under subsection (5A).

- (5A) The Commission must, by legislative instrument, determine principles for the purposes of the definition of **PF** in subsection (5).

*Other rules about payments under the income stream*

- (6) If the income stream's commencement day is not a 1 July, a total amount worked out under subsection (5) for the financial year starting on the preceding 1 July must be reduced on a pro-rata basis by reference to the number of days in the financial year that are on and after the commencement day.
- (7) If:
  - (a) the income stream's commencement day happens in June; and
  - (b) no payment is made under the income stream for the financial year in which the commencement day happens;

Section 5JBA

---

subsections (5) and (6) do not apply to the income stream for that financial year.

- (8) If the amount (the *test amount*) of a payment to be made under the income stream on a day in a financial year:
- (a) is worked out by reference to a total amount worked out under subsection (5) (and subsection (6), if applicable) for the financial year; and
  - (b) exceeds the income stream's account balance on that day;
- then:
- (c) the account balance (if any) must be paid instead of the test amount; and
  - (d) that total amount described in paragraph (a) must be reduced by the amount of the excess.
- (9) If the income stream has a positive account balance at the end of its term, a payment equal to that account balance must be made within 28 days after the end of the term.

*Determination that income stream not asset-test exempt*

- (10) The Commission may determine that an income stream that meets the requirements of subsection (2) is not an asset-test exempt income stream if the Commission is satisfied that:
- (a) the primary beneficiary has commuted an asset-test exempt income stream on at least 3 occasions since the person first received a service pension, income support supplement, a veteran payment or a social security payment; and
  - (b) on at least 3 of those occasions, the commutation happened within 6 months after the commencement day of the income stream concerned.

*Determination that income stream is asset-test exempt*

- (11) The Commission may determine, in writing, that an income stream is an asset-test exempt income stream for the purposes of this Act. In making the determination, the Commission must have regard to the guidelines (if any) determined under subsection (12).

## Section 5JC

- (11A) To avoid doubt, a determination under subsection (11) may be made in respect of an income stream regardless of the income stream's commencement day.
- (11B) A determination under subsection (11) is not a legislative instrument.

*Guidelines to be complied with in making determination*

- (12) The Commission may determine, by legislative instrument, guidelines to be complied with when making a determination under subsection (11).

*Definitions*

- (14) In this section:

**hardship amount** has the same meaning as in section 5JA (see subsection 5JA(7)).

**non-commutation funded income stream** means an income stream that has not been purchased by transferring directly to the purchase of the income stream a payment resulting from the commutation of another asset-test exempt income stream.

- (a) is a member of a couple with the primary beneficiary; and
- (b) is the person to whom the income stream will revert on the primary beneficiary's death.

(i) a payment split under Part VIII B of the *Family Law Act 1975*; or

(ii) an order under Part VIII A of the *Family Law Act 1975*;

then so much (if any) of the income stream paid to the non-member as a series of ongoing payments (*secondary FLA income stream*) and the remainder (if any) of the income stream paid to the member as such a series of payments (*primary FLA income stream*) are each *family law affected income streams*.

**5JD Asset-tested status of secondary FLA income streams**

*If there is a primary FLA income stream*

(1) If a primary FLA income stream is, or would be if the income stream were assessed for the purposes of this Act:

(a) an asset-tested income stream (long term); or

(b) an asset-tested income stream (short term); or

(c) an asset-tested income stream (lifetime);

then the secondary FLA income stream to which it is related is also to be treated as if it were assessed as an income stream of that kind.

*If there is no primary FLA income stream*

(2) If:

(a) there is no primary FLA income stream in relation to a secondary FLA income stream; and

(b) had there been a primary FLA income stream in relation to that secondary FLA income stream it would have been assessed for the purposes of this Act as an asset-tested income stream (long term), an asset-tested income stream (short term) or an asset-tested income stream (lifetime);

then the secondary FLA income stream is to be treated as if it were assessed as an income stream of that kind.

**5JE Asset-tested income stream (lifetime)**

- (1) Subject to subsection (2), an income stream is an *asset-tested income stream (lifetime)* if:
  - (a) the contract, or governing rules, for the provision of the income stream ensure that, once payments of the income stream start, the income stream is to continue for the remainder of the life of one or more individuals; and
  - (b) the contract, or governing rules, for the provision of the income stream ensure that the amounts of those payments are determined by having regard to the age, life expectancy or other factors relevant to the mortality of those individuals; and
  - (c) the income stream is not an asset-test exempt income stream; and
  - (d) the income stream is not a defined benefit income stream.
- (2) If:
  - (a) paragraphs (1)(a) to (d) are satisfied in relation to an income stream; and
  - (b) the income stream is of a kind determined in an instrument under subsection (3);the income stream is an *asset-tested income stream (lifetime)* only to the extent determined in the instrument.
- (3) The Commission may make a legislative instrument for the purposes of subsection (2).
- (4) An income stream is an *asset-tested income stream (lifetime)* if:
  - (a) the income stream satisfies the conditions determined in an instrument under subsection (5); and
  - (b) the income stream is not an asset-test exempt income stream; and
  - (c) the income stream is not a defined benefit income stream.

  - (c) the alienation of one of the blocks of land without the other would seriously undermine the function of the house as a dwelling.

Note: A mere loss of amenity, such as the loss of a swimming pool, garden, tennis court or view, would not seriously undermine the function of a house as a dwelling.

*Private land use test*

- (3) The **private land use test** is satisfied in relation to land if:
- (a) the area of land, together with the area of the ground floor of the dwelling-house, is not more than 2 hectares; and

  - (c) the dwelling-house has been the person's principal home for 20 years or more continuously.

Note: For **qualifying age** see section 5Q.

- (5) Where a person (the **first person**) to whom the extended land use test applies in relation to land adjacent to the dwelling-house in which the person lives is a member of a couple:
- (a) the extended land use test applies to the first person's partner (the **second person**); and
  - (b) the extended land use test continues to apply to the second person if the first person and the second person cease to be members of a couple for any reason, provided the dwelling-house continues to be the second person's principal home.

*Extended land use test*

- (6) The **extended land use test** is satisfied in relation to land if:
-

Section 5LA

---

- (a) the area of the land, together with the area of the ground floor of the dwelling-house, is more than 2 hectares; and
  - (b) the Commission determines that, given the circumstances of the person to whom the test is applied in relation to the land, the person is making effective use of the land.
- (7) In determining whether a person is making effective use of the land, the Commission is to take into account the following matters:
- (a) where the land is located;
  - (b) the size of the block of land;
  - (c) the person's family situation;
  - (d) the person's health;
  - (e) whether the land contains a dwelling-house occupied by a family member of the person, or a child of a family member of the person, receiving an income support payment (within the meaning of the *Social Security Act 1991*);
  - (f) whether the land is being used to support:
    - (i) a family member of the person; or
    - (ii) a child of a family member of the person;
  - (g) any current commercial use of the land;
  - (h) any potential commercial use of the land;
  - (i) whether the person's capacity to make commercial use of the land is diminished because the person, or the person's partner, has responsibility for the care of another person;
  - (j) whether the block of land is an amalgamation of 2 or more blocks and, if so:
    - (i) when the amalgamation occurred; and
    - (ii) whether the amalgamation reduced the potential for the land to produce personal income or to support the person;
  - (k) environmental issues relating to the land;
  - (l) any other matter that the Commission considers relevant.

*Effect of absences from principal home*

- (8) A residence of a person is taken to be the person's ***principal home*** during:
- (a) if the Commission is satisfied that the residence was previously the person's principal home but that the person left it for the purpose of going into a care situation or becoming an aged care resident—any period during which:
    - (i) the person is accruing a liability to pay an accommodation charge (or would be accruing such a liability, assuming that no sanctions under Part 4.4 of the *Aged Care Act 1997* were currently being imposed on the provider of the care concerned); and
    - (ii) the person, or the person's partner, is earning, deriving or receiving rent for the residence from another person; and
  - (b) if the Commission is satisfied that the residence was previously the person's principal home but that the person left it for the purpose of going into a care situation or becoming an aged care resident—any period during which:
    - (i) the person is liable to pay all or some of an accommodation bond by periodic payments (or would be liable to do so, assuming that no sanctions under Part 4.4 of the *Aged Care Act 1997* were currently being imposed on the provider of the care concerned); and

- (ii) the person, or the person's partner, is earning, deriving or receiving rent for the residence from another person; and

- (a) a determination that this Act, or specified provisions of this Act, are to apply to and in relation to the person, or a person included in that class of persons, as if he or she was, while he or she was rendering service of a kind specified in the notice (in this subsection referred to as *relevant service*), a member of the Defence Force who was rendering continuous full-time service;
  - (b) a determination that this Act, or specified provisions of this Act, are to apply to and in relation to the person (being a member of the Defence Force), or a person included in that class of persons (being members of the Defence Force), as if he or she was, while he or she was rendering relevant service, rendering continuous full-time service;

Section 5R

---

- (c) a determination that this Act, or specified provisions of this Act, are to apply to and in relation to the person, or a person included in that class of persons, as if he or she was, while he or she was rendering relevant service, a member of a specified unit of the Defence Force;

*Allied veteran determination*

- (2) If a person who is a claimant for an age service pension or an invalidity service pension satisfies the Commission:
  - (a) that the person had been appointed or enlisted as a member of the forces or services of:
    - (i) an allied country, being forces or services of a kind referred to in the definition of *defence force established by an allied country*; or
    - (ii) the government-in-exile of an allied country, being forces or services of a kind referred to in subsection 5C(3); and

  - (c) that the person was not required, as such a member, to wear a uniform or insignia distinguishing the person as a member of those forces or services or to carry arms at all or to carry arms openly; and

- (d) that it would have been unreasonable, having regard to the conditions existing, at the time the person served in those forces or services, in the parts of that country in which the person so could serve, for the person to have been required to wear a uniform or insignia or to carry arms or to carry arms openly;

the Commission must determine that the person is, for the purposes of the definition of ***allied veteran*** in subsection 5C(1) to be treated as a person who has been appointed or enlisted as a member of the defence force established by that allied country or that government-in-exile.

*Person may be treated as not being a member of a couple*

Section 5R

Note: For **in respite care**, see subsection 5NC(8).

- (7) A determination under subsection (6) takes effect from the day specified by the Commission in the determination, being a day not earlier than 3 months before the Commission is notified that the person is in respite care.

  - (d) the absence is, or is likely to be, longer than 8 weeks; and
  - (e) the absence is due to special circumstances (for example, the person's medical treatment or the person's attendance at a rehabilitation or training course);

the Commission may make a written determination that, despite that absence, the person's rate of pension, income support supplement or veteran payment continues to include remote area allowance for the period specified in the determination while the person has an FTB child, or a regular care child, (as the case requires).

Note 1: For an **FTB child** and a **regular care child** see subsection 5F(1).

- (a) a person is receiving an age or invalidity service pension, income support supplement or a veteran payment; and
  - (b) the person's usual place of residence is in a remote area; and
  - (c) because the person is absent from the remote area for longer than 8 weeks, the person's rate of service pension, income support supplement or veteran payment ceases to include an amount by way of remote area allowance; and
  - (d) immediately before the person's rate ceases to include remote area allowance, the remote area allowance includes an amount for an FTB child or a regular care child;

the Commission may make a written determination that, despite that absence, the person's rate of pension, income support supplement or veteran payment continues to include remote area allowance for the period specified in the determination while the person has an FTB child, or a regular care child, (as the case requires).

Note 1: For an *FTB child* and a *regular care child* see subsection 5F(1).

## **Division 4—Rates of pensions payable to veterans**

### **21A Determination of degree of incapacity**

- (1) The Commission shall, subject to subsections (2) and (3), determine the degree of incapacity of a veteran from war-caused injury or war-caused disease, or both, according to the provisions of the Approved Guide to the Assessment of Rates of Veterans' Pensions.
- (2) Subject to subsection (3), the degree of incapacity shall be determined as 10% or a multiple of 10%, but not exceeding 100%.
- (3) The Commission may determine that the degree of incapacity of a veteran from war-caused injury or war-caused disease, or both, is less than 10% (including 0%), and, where it does so, it shall not assess a rate of pension, but shall refuse to grant a pension to the veteran on the ground that the extent of the incapacity of the veteran from that war-caused injury or war-caused disease, or both, is insufficient to justify the grant of a pension.

### **22 General rate of pension and extreme disablement adjustment**

- (1) This section applies to a veteran who is being paid, or is eligible to be paid, a pension under this Part, other than a veteran to whom section 23, 24 or 25 applies.
- (2) Subject to this Division, the rate at which pension is payable to a veteran to whom this section applies in respect of the incapacity of the veteran from war-caused injury or war-caused disease, or both, is the rate per fortnight that constitutes the same percentage of the general rate as the percentage determined by the Commission in accordance with section 21A to be the degree of incapacity of the veteran from that war-caused injury or war-caused disease, or both, as the case may be.
- (3) For the purposes of this section, the maximum rate per fortnight is \$338.94 per fortnight.

- (4) Where:
- (a) either:
    - (i) the degree of incapacity of a veteran from war-caused injury or war-caused disease, or both, is determined under section 21A to be 100% or has been so determined by a determination that is in force; or
    - (ii) a veteran is, because he or she has suffered or is suffering from pulmonary tuberculosis, receiving or entitled to receive a pension at the maximum rate per fortnight specified in subsection (3);
  - (b) the veteran has attained the age of 65;
  - (c) the veteran has an impairment rating of at least 70 points and a lifestyle rating of at least 6 points, each determined in accordance with the Approved Guide to the Assessment of Rates of Veterans' Pensions; and
  - (d) the veteran is not receiving a pension at a rate provided for by section 23, 24 or 25;
- the rate at which pension is payable to the veteran is \$510.40 per fortnight.
- (5) For the purpose of subsection (4), a veteran who has been granted a pension at a rate specified in subsection (3) or provided for by section 23, 24 or 25 shall be taken to be receiving a pension at the rate specified in, or provided for by, the provision concerned even if:
- (a) the rate has been reduced, or the pension is not payable, because of section 26, 30C, 30D or 74;
  - (b) amounts are being deducted from the pension under section 30P, 79 or 205; or
  - (c) the pension has been suspended under subsection 31(6).

### **23 Intermediate rate of pension**

- (1) This section applies to a veteran if:
- (aa) the veteran has made a claim under section 14 for a pension, or an application under section 15 for an increase in the rate of the pension that he or she is receiving; and

**Section 23**

---

- (aab) the veteran had not yet turned 65 when the claim or application was made; and
  - (a) either:
    - (i) the degree of incapacity of the veteran from war-caused injury or war-caused disease, or both, is determined under section 21A to be at least 70% or has been so determined by a determination that is in force; or
    - (ii) the veteran is, because he or she has suffered or is suffering from pulmonary tuberculosis, receiving or entitled to receive a pension at the general rate; and
  - (b) the veteran's incapacity from war-caused injury or war-caused disease, or both, is, of itself alone, of such a nature as to render the veteran incapable of undertaking remunerative work otherwise than on a part-time basis or intermittently; and
  - (c) the veteran is, by reason of incapacity from war-caused injury or war-caused disease, or both, alone, prevented from continuing to undertake remunerative work that the veteran was undertaking and is, by reason thereof, suffering a loss of salary or wages, or of earnings on his or her own account, that the veteran would not be suffering if the veteran were free from that incapacity; and
  - (d) section 24 or 25 does not apply to the veteran.
- (2) Paragraph (1)(b) shall not be taken to be fulfilled in respect of a veteran who is undertaking, or is capable of undertaking, work of a particular kind:
  - (a) if the veteran undertakes, or is capable of undertaking, that work for 50 per centum or more of the time (excluding overtime) ordinarily worked by persons engaged in work of that kind on a full-time basis; or
  - (b) in a case where paragraph (a) is inapplicable to the work which the veteran is undertaking or capable of undertaking— if the veteran is undertaking, or is capable of undertaking, that work for 20 or more hours per week.
- (3) For the purpose of paragraph (1)(c):

- (a) a veteran who is incapacitated from war-caused injury or war-caused disease, or both, to the extent set out in paragraph (1)(b) shall not be taken to be suffering a loss of salary or wages, or of earnings on his or her own account, by reason of that incapacity:
- (i) if the veteran has ceased to engage in remunerative work for reasons other than his or her incapacity from that war-caused injury or war-caused disease, or both;
  - (ii) if the veteran is incapacitated, or prevented, from engaging in remunerative work for some other reason; or
  - (iii) if the veteran has been engaged in remunerative work on a part-time basis or intermittently for reasons other than his or her incapacity from that war-caused injury or war-caused disease, or both; and
- (b) where a veteran, not being a veteran who has attained the age of 65 years, who has not been engaged in remunerative work satisfies the Commission that he or she has been genuinely seeking to engage in remunerative work, that he or she would, but for that incapacity, be continuing so to seek to engage in remunerative work and that that incapacity is the substantial cause of his or her inability to obtain remunerative work in which to engage, the veteran shall be treated as having been prevented, by reason of that incapacity, from continuing to undertake remunerative work that the veteran was undertaking.
- (3A) This section applies to a veteran if:
- (a) the veteran has made a claim under section 14 for a pension, or an application under section 15 for an increase in the rate of the pension that he or she is receiving; and
  - (b) the veteran had turned 65 before the claim or application was made; and
  - (c) paragraphs (1)(a) and (1)(b) (as affected by subsection (2)) apply to the veteran; and
  - (d) the veteran is, because of incapacity from war-caused injury or war-caused disease or both, alone, prevented from

**Section 23**

---

- continuing to undertake the remunerative work (*last paid work*) that the veteran was last undertaking before he or she made the claim or application; and
- (e) because the veteran is so prevented from undertaking his or her last paid work, the veteran is suffering a loss of salary or wages, or of earnings on his or her own account, that he or she would not be suffering if he or she were free from that incapacity; and
  - (f) the veteran was undertaking his or her last paid work after the veteran had turned 65; and
  - (g) when the veteran stopped undertaking his or her last paid work, the veteran had been undertaking remunerative work for a continuous period of at least 10 years that began before the veteran turned 65; and
  - (h) section 24 or 25 does not apply to the veteran.
- (3B) For the purposes of paragraph (3A)(e), a veteran who is incapacitated from war-caused injury or war-caused disease or both, to the extent set out in paragraph (1)(b) is not taken to be suffering a loss of salary or wages, or of earnings on his or her own account, because of that incapacity if:
- (a) the veteran has ceased to engage in remunerative work for reasons other than his or her incapacity from that war-caused injury or war-caused disease, or both; or
  - (b) the veteran is incapacitated, or prevented from engaging in remunerative work for some other reason; or
  - (c) the veteran has been engaged in remunerative work on a part-time basis or intermittently for reasons other than his or her incapacity from that war-caused injury or war-caused disease, or both.
- (4) Subject to subsections (5) and (6), the rate at which pension is payable to a veteran to whom this section applies is \$619.80 per fortnight.
- (5) Subject to subsection (6), the rate at which pension is payable to a veteran to whom section 115D applies (veterans working under

rehabilitation scheme) is the reduced amount worked out using the following formula:

$$\text{General rate} + \left( 14 \times \frac{\text{Reduced daily pension amount worked out under section 115D}}{\text{}} \right)$$

- (6) If section 25A applies to a veteran, the rate at which pension is payable to the veteran is the rate per fortnight specified in subsection (4) or (5) of this section, reduced in accordance with section 25A.

## 24 Special rate of pension

- (1) This section applies to a veteran if:
- (aa) the veteran has made a claim under section 14 for a pension, or an application under section 15 for an increase in the rate of the pension that he or she is receiving; and
  - (aab) the veteran had not yet turned 65 when the claim or application was made; and
  - (a) either:
    - (i) the degree of incapacity of the veteran from war-caused injury or war-caused disease, or both, is determined under section 21A to be at least 70% or has been so determined by a determination that is in force; or
    - (ii) the veteran is, because he or she has suffered or is suffering from pulmonary tuberculosis, receiving or entitled to receive a pension at the general rate; and
  - (b) the veteran is totally and permanently incapacitated, that is to say, the veteran's incapacity from war-caused injury or war-caused disease, or both, is of such a nature as, of itself alone, to render the veteran incapable of undertaking remunerative work for periods aggregating more than 8 hours per week; and
  - (c) the veteran is, by reason of incapacity from that war-caused injury or war-caused disease, or both, alone, prevented from continuing to undertake remunerative work that the veteran was undertaking and is, by reason thereof, suffering a loss of

**Section 24**

---

salary or wages, or of earnings on his or her own account, that the veteran would not be suffering if the veteran were free of that incapacity; and

(d) section 25 does not apply to the veteran.

(2) For the purpose of paragraph (1)(c):

(a) a veteran who is incapacitated from war-caused injury or war-caused disease, or both, shall not be taken to be suffering a loss of salary or wages, or of earnings on his or her own account, by reason of that incapacity if:

(i) the veteran has ceased to engage in remunerative work for reasons other than his or her incapacity from that war-caused injury or war-caused disease, or both; or

(ii) the veteran is incapacitated, or prevented, from engaging in remunerative work for some other reason; and

(b) where a veteran, not being a veteran who has attained the age of 65 years, who has not been engaged in remunerative work satisfies the Commission that he or she has been genuinely seeking to engage in remunerative work, that he or she would, but for that incapacity, be continuing so to seek to engage in remunerative work and that that incapacity is the substantial cause of his or her inability to obtain remunerative work in which to engage, the veteran shall be treated as having been prevented by reason of that incapacity from continuing to undertake remunerative work that the veteran was undertaking.

(2A) This section applies to a veteran if:

(a) the veteran has made a claim under section 14 for a pension, or an application under section 15 for an increase in the rate of the pension that he or she is receiving; and

(b) the veteran had turned 65 before the claim or application was made; and

(c) paragraphs (1)(a) and (1)(b) apply to the veteran; and

(d) the veteran is, because of incapacity from war-caused injury or war-caused disease or both, alone, prevented from

- continuing to undertake the remunerative work (*last paid work*) that the veteran was last undertaking before he or she made the claim or application; and
- (e) because the veteran is so prevented from undertaking his or her last paid work, the veteran is suffering a loss of salary or wages, or of earnings on his or her own account, that he or she would not be suffering if he or she were free from that incapacity; and
  - (f) the veteran was undertaking his or her last paid work after the veteran had turned 65; and
  - (g) when the veteran stopped undertaking his or her last paid work, the veteran had been undertaking remunerative work for a continuous period of at least 10 years that began before the veteran turned 65; and
  - (h) section 25 does not apply to the veteran.
- (2B) For the purposes of paragraph (2A)(e), a veteran who is incapacitated from war-caused injury or war-caused disease or both, is not taken to be suffering a loss of salary or wages, or of earnings on his or her own account, because of that incapacity if:
- (a) the veteran has ceased to engage in remunerative work for reasons other than his or her incapacity from that war-caused injury or war-caused disease, or both; or
  - (b) the veteran is incapacitated, or prevented from engaging in remunerative work for some other reason.
- (3) This section also applies to a veteran who has been blinded in both eyes as a result of war-caused injury or war-caused disease, or both.
- (4) Subject to subsections (5), (5A) and (6), the rate at which pension is payable to a veteran to whom this section applies is \$919.40 per fortnight.
- (5) Subject to subsections (5A) and (6), the rate at which pension is payable to a veteran to whom section 115D applies (veterans working under rehabilitation scheme) is the reduced amount worked out using the following formula:

**Section 24A**

---

$$\text{General rate} + \left( 14 \times \frac{\text{Reduced daily pension amount}}{\text{worked out under section 115D}} \right)$$

(5A) If:

- (a) section 115D applies to a veteran because of subsection 115D(1A); and
- (b) the veteran is engaged in remunerative work of more than 8 hours, but less than 20 hours, per week as a result of undertaking a vocational rehabilitation program under the Veterans' Vocational Rehabilitation Scheme;

then, subject to subsection (6) of this section, the rate at which pension is payable to the veteran is the higher of the following amounts:

- (c) the amount worked out under subsection (5) of this section;
  - (d) the amount under subsection 23(4).
- (6) If section 25A applies to a veteran, the rate at which pension is payable to the veteran is the rate per fortnight specified in subsection (4), (5) or (5A) of this section, reduced in accordance with section 25A.

**24A Continuation of rates of certain pensions**

- (1) Subject to subsections (1A) and (2), if the Commonwealth is or becomes liable to pay a pension to a veteran at the rate applicable under section 23 or 24, that rate continues, while a pension continues to be payable to the veteran, to apply to the veteran unless:
- (a) the decision to apply that rate of pension to the veteran would not have been made but for a false statement or misrepresentation made by a person;
  - (b) in the case of a veteran to whom section 23 applies:
    - (i) the veteran is undertaking or is capable of undertaking remunerative work of a particular kind for 50% or more of the time (excluding overtime) ordinarily worked by

persons engaged in work of that kind on a full time basis; or

- (ii) in a case where subparagraph (i) is inapplicable to the work which the veteran is undertaking or is capable of undertaking—the veteran is undertaking or is capable of undertaking that work for 20 or more hours per week; or
  - (c) in the case of a veteran to whom section 24 applies—the veteran is undertaking or is capable of undertaking remunerative work for periods aggregating more than 8 hours per week.
- (1A) However, subsection (1) does not prevent a rate applicable under subsection 24(4), (5) or (5A) from being reduced to give effect to subsection 24(6).
- (2) Paragraphs (1)(b) and (c) do not apply to a veteran if the veteran is undertaking a rehabilitation program under the Veterans' Vocational Rehabilitation Scheme or section 115D applies to the veteran.

## **25 Temporary payment at special rate**

- (1) Where the Commission is satisfied that:
- (a) a veteran is temporarily incapacitated from war-caused injury or war-caused disease, or both; and
  - (b) if the veteran were so incapacitated permanently, the veteran would be a veteran to whom section 24 applies;
- the Commission shall determine the period during which, in its opinion, that incapacity is likely to continue and this section applies to the veteran in respect of that period.
- (2) Where this section applies to a veteran in respect of a period, the rate at which pension is payable to the veteran in respect of that period is the rate that would have been applicable under subsection 24(4), (5), (5A) or (6) if section 24 applied to the veteran.

Section 25A

---

- (3) The Commission may, under this section:
- (a) determine a period that commenced before the date on which the determination is made; and
  - (b) determine a period in respect of a veteran that commenced or commences upon the expiration of a period previously determined by the Commission under subsection (1) in respect of the veteran.

**25A Offsetting certain payments made under the *Safety, Rehabilitation and Compensation (Defence-related Claims) Act 1988***

- (1) This section applies to a veteran:
- (a) to whom section 23, 24 or 25 applies; or
  - (b) who is granted a loss of earnings allowance under section 108;
- in respect of the incapacity of the veteran from a war-caused injury or a war-caused disease if the veteran has received an amount of compensation, whether before or after the commencement of this section, under section 24, 25 or 27 of the *Safety, Rehabilitation and Compensation (Defence-related Claims) Act 1988* for that injury or disease, or any other injury or disease, in relation to some other incapacity of the veteran.
- (2) That amount of compensation is to be converted to a fortnightly amount in accordance with advice from the Australian Government Actuary.
- (3) The rate at which:
- (a) a pension is payable to the person under section 23, 24 or 25; or
  - (b) a loss of earnings allowance under section 108 is payable to the person;
- apart from this section, is reduced, but not below zero, by the fortnightly amount worked out under subsection (2) of this section.

## **26 Reduction in rate of pension in certain cases**

(1) Where:

- (a) a veteran is entitled to receive, or is in receipt of, a pension in respect of incapacity from war-caused injury or war-caused disease, or both; and
- (b) the veteran is also entitled to receive, or is also in receipt of, periodical payments, or a lump-sum payment:
  - (i) under the law of a foreign country; or
  - (ii) under the law of a State;

in respect of incapacity resulting from his or her employment in connection with war-like operations in which the Crown was engaged, being incapacity only from injury or disease or both referred to in paragraph (a);

the rate of the pension referred to in paragraph (a) shall be assessed at the rate per year at which it would, but for this subsection, be assessed, reduced by the rate per year of the periodical payments referred to in paragraph (b) or an amount per year determined by the Commission to be the periodical payment equivalent of that lump-sum payment, as the case may be.

(2) Where:

- (a) a veteran is entitled to receive, or is in receipt of, a pension in respect of incapacity from war-caused injury or war-caused disease, or both; and
- (b) the veteran is also entitled to receive, or is also in receipt of, periodical payments, or a lump-sum payment:
  - (i) under the law of a foreign country; or
  - (ii) under the law of a State;

in respect of incapacity resulting from his or her employment in connection with war-like operations in which the Crown was engaged, not being incapacity only from the injury or disease, or both, referred to in paragraph (a);

the rate of those periodical payments, or the amount of that lump-sum payment, as the case may be, shall be taken into account in assessing the rate of the pension referred to in paragraph (a) so that the total of the payments by way of that pension and of the

payments or payment referred to in paragraph (b) do not exceed the total of the payments that the veteran would be entitled to receive by way of pension under this Part in respect of the incapacity referred to in paragraphs (a) and (b), assuming, for the purposes only of this subsection, that the incapacity referred to in paragraph (b) was wholly incapacity from war-caused injury for the purposes of this Part.

(3) Where:

- (a) the rate per year by which the rate of a veteran's pension is required by subsection (1) to be reduced exceeds the rate that, but for that subsection, would be the rate per year of that pension; or
- (b) the rate of the periodical payments or amount of the lump sum payment that is required by subsection (2) to be taken into account in assessing the rate of a veteran's pension is such as to require the assessment of the rate of that pension at a rate that does not exceed nought per centum;

the veteran is not entitled to be paid pension.

**27 Increased rates of pension in certain cases**

- (1) This section applies to a veteran (other than a veteran to whom section 24 applies) who is being paid, or is eligible to be paid, a pension under this Part in respect of incapacity from a war-caused injury or a war-caused disease of a kind described in column 1 of the following table:

  - (b) an application has been duly made to the Board under section 135 for a review of such a decision of the Commission but has not been determined by the Board; the Commission may, in its discretion, review that decision and, if it varies that decision, it may approve as the date as from which the variation shall operate a date not earlier than the earliest date as from which the decision as so varied could have operated if it had been made by the Board, in substitution for the original decision, upon a review of the original decision.
- (2) Where application has been duly made, otherwise than by the Commission, to the Administrative Appeals Tribunal under section 175 for a review of:
- (a) a decision of the Commission that has been affirmed by the Board; or

varied could have operated if the variation had been made by the Administrative Appeals Tribunal upon a review of the decision.

- (3) The Commission may, for the purpose only of correcting a manifest error, vary the date approved by the Board as the date as from which a decision of the Board made in substitution for a decision of the Commission is to operate.
- (4) Where the Commission is satisfied that evidence before the Commission when it made a decision was false in a material particular, the Commission may, in its discretion, review the decision and, if it varies the decision, it may approve as the date as from which the variation shall operate a date, which may be a date before or after the commencement of the review, considered by the Commission to be appropriate in all the circumstances.
- (5) For the purposes only of approving a date under subsection (1) as the date as from which a variation of a decision to which paragraph (1)(a) applies shall operate, the Commission shall assume that an application had been made to the Board to review the decision on the date on which the Commission commenced its review of the decision.
- (5A) The Commission may, for the purpose of reviewing a decision under this section, of exercising its powers under subsection (6) for a reason specified in paragraph (6)(a) or (b) or of exercising its powers under subsection (8), by notice in writing served on a veteran who is in receipt of a pension under this Part, request the veteran:

- (a) having regard to any matter that affects the payment of a pension or attendant allowance, being a matter that was not before the Commission, the Board or the Administrative Appeals Tribunal, as the case requires, when the decision to grant the pension or attendant allowance, or a decision to vary the rate of the pension or attendant allowance, was made;
- (b) by reason of a refusal or failure of any person to comply with a provision of this Act;
- (c) by reason of a refusal or failure of a veteran to comply with a notice served on the veteran under subsection (5A) or with a request made under paragraph 32(1)(c); or
- (d) by reason of the circumstances referred to in a paragraph of section 24A being applicable to the veteran;

in a case to which paragraph (a), (b) or (c) applies, a pension or attendant allowance should be cancelled or suspended or is being paid at a higher rate than it should be or, in a case to which paragraph (d) applies, a pension is being paid at a higher rate than it should be, the Commission may, by determination in writing, cancel or suspend or decrease the rate of the pension or attendant allowance, or decrease the rate of the pension, as the case may be, with effect, subject to subsection (7), from the day on which the determination was made or such later day as is specified in the determination.

- (6A) Where the Commission is, under subsection (6), satisfied that the rate of a pension payable to a veteran is higher than it should be by reason that the degree of incapacity of the veteran from war-caused injury or war-caused disease, or both, is less than 10 per centum (including nought per centum), it shall cancel the pension that was payable to the veteran.
- (6B) The cancellation of a pension payable to a veteran under subsection (6A) does not affect any decision of the Commission, the Board or the Administrative Appeals Tribunal that is in force determining that the veteran is suffering from a war-caused injury or a war-caused disease, or both.

**Section 31**

---

- (7) Where a determination is made under subsection (6):

  - (b) by reason that an amount has been paid by way of pension or attendant allowance that, but for the false statement or misrepresentation of any person, would not have been paid; a date earlier than the date of the determination may be specified in the determination as the date as from which the cancellation, suspension or decrease, as the case may be, is to take effect.
- (7A) Subsection (7) does not apply to a determination made under subsection (6) for a reason set out in paragraph (6)(c).

- (9) Where the Commission determines that a pension or attendant allowance be suspended:
- (a) the Commission may, in the same determination, fix the date of re-commencement of the pension or attendant allowance; or
  - (b) if the Commission does not so fix the date of re-commencement, the Commission shall, in a subsequent determination, fix the date of re-commencement of the pension or attendant allowance unless it makes a further determination cancelling the pension or attendant allowance.

- (10) If the Commission refuses or fails to review, under this section, a decision in relation to a pension or attendant allowance, the refusal or failure is not subject to review by the Board or by the Administrative Appeals Tribunal.
- (11) A decision by the Commission upon its review under this section of a decision in relation to a pension or attendant allowance is not subject to review by the Board or the Administrative Appeals Tribunal unless the Commission cancels or suspends the pension or attendant allowance, or varies the decision, reviewed by the Commission.
- (12) This section applies to and in relation to a decision made before or after the commencement of this section but does not apply to or in relation to a decision of the Board referred to in subsection 154(1), or a decision of the Administrative Appeals Tribunal referred to in subsection 178(1), that is binding on the Commission by reason that the period specified in that subsection has not expired.

- (5) The Commission must also make a statement in writing about the determination that:
- (a) sets out the Commission's findings on material questions of fact; and
  - (b) refers to the evidence or other material on which those findings are based; and
  - (c) provides reasons for the Commission's determination.

*Notification of determination*

- (6) As soon as practicable after the Commission determines a claim under subsection (1), the Commission must give the person who made the claim:
- (a) a copy of the record of the Commission's determination; and
  - (b) subject to subsection (7), a copy of the statement about the determination referred to in subsection (5); and
  - (c) particulars of the right of the person who made the claim to have the determination reviewed by the Commission.

- (7) If the statement referred to in paragraph (6)(b) contains any matter that, in the opinion of the Commission:
- (a) is of a confidential nature; or
  - (b) might, if communicated to the person who made the claim, be prejudicial to his or her physical or mental health or well-being;
- the copy given to the person is not to contain that matter.

Note: A claimant may apply to the Commission for review of a determination made under this section (see Division 16 of Part IIIB).

### **35J Determination of qualifying service to be proof of qualifying service**

A determination by the Commission under section 35H that a veteran has rendered qualifying service is proof, for all purposes of this Act, that the veteran has rendered qualifying service.

Note: This provision also applies to a decision of the Administrative Appeals Tribunal that a person has rendered qualifying service. This is because subsection 43(6) of the *Administrative Appeals Tribunal Act 1975* provides that the Tribunal's decision is taken to be the decision of the original decision-maker (in this case, the Commission).

## Division 3—Age service pension

### Subdivision A—Eligibility for and payability of age service pension

#### 36 Eligibility for age service pension

- (1) Subject to subsection (4), a person is eligible for an age service pension if the person:
- (a) is a veteran; and
  - (b) has rendered qualifying service; and
  - (c) has reached pension age.

Note 1A: For *veteran* see subsection 5C(1).

Note 1: For *qualifying service* see section 7A.

Note 2: For *pension age* see section 5QA.

*Additional eligibility criterion for Commonwealth veterans, allied veterans and allied mariners*

- (2) Subject to subsection (2A), a person who is a veteran by reason only of being a Commonwealth veteran, an allied veteran or an allied mariner must, in addition to meeting the requirements of subsection (1), have been an Australian resident for a continuous period of at least 10 years.
- (2A) Subsection (2) does not apply to:
- (a) a refugee; or
  - (b) a former refugee.
- (3) Where:
- (a) a veteran has been an Australian resident during more than one period; and
  - (b) the longer or longest of those periods is less than 10 years but is not less than 5 years; and

Section 36A

---

(c) the aggregate of those periods is more than 10 years;  
in the application of subsection (2) to the veteran, the period of 10 years specified in that subsection is to be reduced by a period equal to the period by which the aggregate is more than 10 years.

(4) If:

- (a) a veteran lodges a proper claim for an age service pension before meeting the eligibility requirements referred to in subsection (1); and
- (b) the veteran ceases to be an Australian resident after lodging the claim and before the claim is determined;

the veteran is not eligible for age service pension unless:

- (c) the day on which the veteran met all the eligibility requirements; and
- (d) the day from which age service pension would, if the claim were granted, be payable;

are earlier than the day on which the veteran ceased to be an Australian resident.

**36A Age service pension may not be payable in some circumstances**

- (1) Even though a veteran is eligible for an age service pension, the pension may not be payable to the veteran because:
  - (a) the pension has not commenced to be payable (see section 36B); or
  - (b) the veteran is in gaol or in psychiatric confinement (see sections 55 and 55A); or
  - (c) the veteran is receiving another pension (see section 36C); or
  - (d) the pension is cancelled or suspended:
    - (i) under this Act (see sections 56E, 56EA, 56J and 56K); or
    - (ii) under Part 3C (schooling requirements) of the *Social Security (Administration) Act 1999*; or

Note: See section 124E of the *Social Security (Administration) Act 1999*.

**Section 36B**

---

- (e) the person has not provided a tax file number for the person or the person's partner (see section 128A).
- (2) Subject to subsections (3) and (4), an age service pension is not payable to a veteran if the veteran's age service pension rate would be nil.
- Note: A veteran whose rate might otherwise be nil under the Rate Calculator may not have a nil rate after the application of the financial hardship provisions (sections 52Y and 52Z).
- (3) Subsection (2) does not apply to a veteran if the veteran's rate would be nil merely because:
- (a) an election by the veteran under subsection 60A(1) is in force; or
  - (b) the veteran has been paid an advance pharmaceutical allowance under Part 2.23 of the Social Security Act.
- (4) Subsection (2) does not apply to a veteran if the veteran's rate is nil merely because of the operation of Part IVA.

**36B Age service pension generally not payable before claim**

*Provisional commencement day*

- (1) An age service pension is not payable to a veteran before the veteran's provisional commencement day.
- (1A) Subject to subsection (2), a veteran's provisional commencement day is the day on which the veteran claims the age service pension.

*Initial incorrect claim followed by proper claim*

- (2) If:
- (a) a veteran makes a claim (in this subsection called the **initial claim**) for age service pension; and
  - (b) the claim is not a proper claim; and
  - (c) on the day on which the veteran makes the initial claim, the veteran is eligible for age service pension; and
  - (d) the veteran subsequently makes a proper claim:

- (i) within 3 months after being notified that the initial claim was not a proper claim; or
  - (ii) if the veteran was not so notified—at any time;
- then the veteran's provisional commencement day is the day on which the initial claim was lodged.

### **36C Restrictions on dual pensions**

An age service pension is not payable to a veteran if the veteran is receiving:

- (a) another service pension; or
- (aa) a veteran payment; or
- (b) a social security pension; or
- (c) a social security benefit.

Note: *Social security benefit* includes newstart allowance.

### **36CA Exclusion of certain participants in ABSTUDY Scheme**

If:

- (a) a payment is made in respect of a person under the ABSTUDY Scheme; and
- (b) the payment is made on the basis that the person is a full-time student; and
- (c) in the calculation of the payment, an amount identified as living allowance is included; and
- (d) the payment relates to a period;

age service pension is not payable to the person in respect of any part of the period.

### **Subdivision B—Claim for age service pension**

#### **36D Need for a claim**

A veteran who wants to be granted an age service pension must make a proper claim for that pension.

Section 36E

---

**36E Who can claim?**

- (1) Subject to subsection (2), the claim must be made by:
  - (a) the veteran who wants to be granted the age service pension;  
or
  - (b) with the approval of the veteran—another person on the veteran's behalf.
- (2) If the veteran is unable, because of physical or mental incapacity, to approve another person to make the claim on his or her behalf, the Commission may approve another person to make the claim.

**36F Making a claim**

- (1) To be a proper claim, the claim must be:
  - (a) made in writing; and
  - (b) in accordance with a form approved by the Commission; and
  - (c) accompanied by any evidence available to the claimant that the claimant considers may be relevant to the claim; and
  - (d) lodged at an office of the Department in Australia in accordance with section 5T.
- (2) The approved form may require the claimant to disclose whether the claimant is registered as a member of:
  - (a) the pension bonus scheme (see Part IIIAB); or
  - (b) the corresponding scheme under Part 2.2A of the Social Security Act.
- (3) A claim lodged in accordance with section 5T is taken to have been made on a day determined under that section.

**36H Claimant must be Australian resident and in Australia**

- (1) Subject to subsection (2), a claim is not a proper claim unless the veteran making the claim, or on whose behalf the claim is being made, is:
  - (a) an Australian resident; and

(b) in Australia;  
on the day on which the claim is lodged.

Note: For *Australian resident* see section 5G.

- (2) Subsection (1) does not apply to a veteran's claim if:
- (a) the veteran is outside Australia and is receiving:
    - (i) invalidity service pension; or
    - (ii) partner service pension; or
    - (iii) income support supplement; or
    - (iiia) veteran payment; or
    - (iv) a social security pension; and
  - (b) the veteran would, if that pension, supplement or payment were cancelled, be eligible for age service pension.

Note 1: If the veteran ceases to be an Australian resident after having made a proper claim and after having met all the eligibility requirements (section 36), the veteran's eligibility is not affected.

Note 2: For *social security pension* see subsection 5Q(1).

### **36J Claim may be withdrawn**

- (1) A claimant for age service pension or a person on behalf of a claimant may withdraw a claim that has not been determined.
- (2) A claim that is withdrawn is taken to have not been made.
- (3) A withdrawal may be made either orally or by document lodged at an office of the Department in Australia in accordance with section 5T.

### **36JB Oral withdrawal of a claim**

An oral withdrawal of a claim must be made to a person in an office of the Department in Australia.

Section 36JC

---

**36JC Acknowledgment of oral withdrawal of a claim**

As soon as practicable after receiving an oral withdrawal of a claim, the Secretary must give the claimant an acknowledgment notice in writing stating that:

- (a) an oral withdrawal of the claim was made; and
- (b) the claimant, or a person on behalf of the claimant, may, within 28 days from the day the acknowledgment notice is given, request the Secretary to treat the withdrawal as if it had not been made.

**36JD Reactivating the withdrawn claim**

If, within 28 days from the day on which the Secretary gave the acknowledgment notice, a claimant, or a person on behalf of a claimant, requests the Secretary to treat the oral withdrawal of the claim as if it had not been made, the oral withdrawal is taken not to have been made.

Note: A request made under paragraph 36JC(b) has the effect of reactivating the claim. In particular, the commencement day of the claim stays the same.

**36JE Secretary may require claimant or claimant's partner to take action to obtain a comparable foreign pension**

- (1) If:
  - (a) a person has claimed an age service pension; and
  - (b) the Secretary is satisfied that the claimant may be entitled to a comparable foreign pension if the claimant applied for that pension;the Secretary may give the claimant a notice that requires the claimant to take reasonable action to obtain the comparable foreign pension.

- (1A) If:
  - (a) a person has claimed an age service pension; and

Section 36K

---

- (b) the Secretary is satisfied that the claimant's partner (if any) may be entitled to a comparable foreign pension if the partner applied for that pension;
- the Secretary may give the claimant a notice that requires the partner to take reasonable action to obtain the comparable foreign pension.
- (2) A notice under subsection (1) or (1A):
- (a) must be in writing; and
  - (b) must be given personally or by post; and
  - (c) must specify the period within which the reasonable action is to be taken.
- (3) The period specified under paragraph (2)(c) must end at least 14 days after the day on which the notice is given.
- (4) The Commission may reject a claim if:
- (a) the claimant is given a notice under subsection (1) or (1A); and
  - (b) the Commission is satisfied that the claimant, or the claimant's partner, has not taken reasonable action to obtain the comparable foreign pension within the period specified in the notice.
- (5) For the purposes of this section, a person takes reasonable action to obtain a comparable foreign pension only if the person takes reasonable action to obtain the pension at the highest rate applicable to the person.

### **Subdivision C—Investigation of claim**

#### **36K Secretary to investigate claim and submit it to Commission**

- (1) If a person makes a proper claim for age service pension, the Secretary must cause an investigation to be made into the matters to which the claim relates.

**Section 36L**

---

- (2) When the investigation is completed, the Secretary must cause the claim to be submitted to the Commission for consideration and determination.
- (3) When the claim is submitted to the Commission it must be accompanied by:

  - (a) the evidence submitted with the claim under section 36K; and
  - (b) any further evidence subsequently submitted to the Commission in relation to the claim.
- (4) The Commission must determine the claim as follows:

Section 36L

---

- (a) first, the Commission must determine whether the pension is to be granted to the person; and
- (b) if the Commission determines that the pension is to be granted to the person, the Commission then must:
  - (i) work out the person's age service pension rate under section 36N; and
  - (ii) determine that the pension is payable to the person at that rate.

*Record of determination and reasons*

- (5) When the Commission determines the claim it must make a written record of its determination.
- (6) The Commission must also make a statement in writing about the determination that:

the copy given to the person is not to contain that matter.

Note: A claimant may apply to the Commission for review of a determination made under this section (see Division 16 of Part IIIB).

**36M Date of effect of determination**

- (a) the determination takes effect on the day on which the determination is made or on such later or earlier day as is specified in the determination; and
- (b) subject to this Act, age service pension is payable to the person at the rate specified in the determination.

Note: Age service pension is not payable to a person who is receiving another service pension or a social security pension or benefit (see section 36C).

**Subdivision E—Rate of age service pension**

**36N How to work out the rate of a veteran's age service pension**

A veteran's age service pension rate is worked out in accordance with the Rate Calculator.

Note 1: Module A of the Rate Calculator establishes the overall rate calculation process and the remaining Modules provide for the calculation of the component amounts used in the overall rate calculation process.

Note 2: The rate obtained by applying the Rate Calculator may be reduced because of the receipt of payments under the New Enterprise Incentive Scheme (see Division 9 of Part IIIB).

## **Division 4—Invalidity service pension**

- (b) the claimant, or a person on behalf of the claimant, may, within 28 days from the day the acknowledgment notice is given, request the Secretary to treat the withdrawal as if it had not been made.

**37JD Reactivating the withdrawn claim**

If, within 28 days from the day on which the Secretary gave the acknowledgment notice, a claimant, or a person on behalf of a claimant, requests the Secretary to treat the oral withdrawal of the claim as if it had not been made, the oral withdrawal is taken not to have been made.

- (1) If:
- (a) a person has claimed an invalidity service pension; and

  - (a) consider the claim; and
  - (b) satisfy itself with respect to all matters relevant to the determination of the claim; and
  - (c) determine all matters requiring determination before the claim can be determined; and
  - (d) determine the claim as provided by subsection (4).
- (3) Without limiting subsection (1), the Commission, in considering the claim, must consider:
  - (a) the evidence submitted with the claim under section 37K; and
  - (b) any further evidence subsequently submitted to the Commission in relation to the claim.
- (4) The Commission must determine the claim as follows:

Section 37L

---

- (a) first, the Commission must determine whether the pension is to be granted to the person; and
- (b) if the Commission determines that the pension is to be granted to the person, the Commission then must:
  - (i) work out the person's invalidity service pension rate under section 37N; and
  - (ii) determine that the pension is payable to the person at that rate.

*Record of determination and reasons*

- (5) When the Commission determines the claim it must make a written record of its determination.
- (6) The Commission must also make a statement in writing about the determination that:
  - (a) sets out the Commission's findings on material questions of fact; and
  - (b) refers to the evidence or other material on which those findings are based; and
  - (c) provides reasons for the Commission's determination.

*Notification of determination*

- (7) As soon as practicable after the Commission determines a claim under subsection (1), the Commission must give the person who made the claim:
  - (a) a copy of the record of the Commission's determination; and
  - (b) subject to subsection (8), a copy of the statement about the determination referred to in subsection (6); and
  - (c) particulars of the right of the person who made the claim to have the determination reviewed by the Commission.
- (8) If the statement referred to in paragraph (7)(b) contains any matter that, in the opinion of the Commission:
  - (a) is of a confidential nature; or

**Section 37M**

---

- (b) might, if communicated to the person who made the claim, be prejudicial to his or her physical or mental health or well-being;

the copy given to the person is not to contain that matter.

Note: A claimant may apply to the Commission for review of a determination made under this section (see Division 16 of Part IIIB).

**37M Date of effect of determination**

If the Commission determines under section 37L that invalidity service pension is payable to the person:

- (a) the determination takes effect on the day on which the determination is made or on such later or earlier day as is specified in the determination; and
- (b) subject to this Act, invalidity service pension is payable to the person at the rate specified in the determination.

Note: Invalidity service pension is not payable to a person who is receiving another service pension or a social security pension or benefit (see section 37C).

**Subdivision E—Rate of invalidity service pension**

**37N How to work out the rate of a veteran's invalidity service pension**

A veteran's invalidity service pension rate is worked out in accordance with the Rate Calculator.

Note 1: Module A of the Rate Calculator establishes the overall rate calculation process and the remaining Modules provide for the calculation of the component amounts used in the overall rate calculation process.

Note 2: The rate obtained by applying the Rate Calculator may be reduced because of the receipt of payments under the New Enterprise Incentive Scheme (see Division 9 of Part IIIB).

## **Division 5—Partner service pension**

**Section 38**

---

- (ii) who was receiving a partner service pension or a social security pension immediately before the veteran's death;  
or
- (d) is a person:
  - (i) who is the widow or widower of a veteran; and
  - (ii) who had, before the veteran's death, made a claim for a partner service pension which had not been determined at the date of the death; and
  - (iii) whose partner or non-illness separated spouse:
    - (A) was, immediately before his or her death, receiving an age service pension or invalidity service pension; or
    - (B) had, before his or her death, made a claim for an age service pension or invalidity service pension which had not been determined at the date of the death but which the Commission determines would have been granted if the veteran had not died; or
- (e) is a person:

  - (ii) who is qualified for an age pension under the Social Security Act; or

and
  - (ii) whose non-illness separated spouse is registered as a member of the pension bonus scheme (see Part IIIAB);  
or
- (h) is a person:

- (i) who is the widow or widower of a veteran; and
  - (ii) whose partner or non-illness separated spouse, immediately before his or her death, was registered as a member of the pension bonus scheme (see Part IIIAB), was receiving an age service pension or an invalidity service pension, or would have been receiving such a pension if not for the operation of one or more disqualifying provisions; and
  - (iii) who, immediately before the veteran's death, was registered as a member of the pension bonus scheme (see Part IIIAB) or of the corresponding scheme under Part 2.2A of the Social Security Act or was receiving a partner service pension or a social security pension; or
- (i) is a person:
- (i) who is the widow or widower of a veteran; and
  - (ii) who had, before the veteran's death, made a claim for a partner service pension which had not been determined at the date of the death; and
  - (iii) whose partner or non-illness separated spouse was, immediately before his or her death, registered as a member of the pension bonus scheme (see Part IIIAB).

(1A) For the purposes of subsection (1), a **disqualifying provision** is a section of this Part or of Part IIIB or IIIC that has the effect that an age service pension or an invalidity service pension that would otherwise be payable to a person is not, or ceases to be, payable.

(1B) Subject to subsections (1C) and (1D), a person is not eligible for a partner service pension under subsection (1) unless the person:

- (a) has a dependent child when he or she makes a claim for the pension; or
- (b) if subsection (1BA) applies in relation to the person—has reached 50 years of age; or
- (c) has reached qualifying age.

Note: For **qualifying age** see section 5Q.

(1BA) This subsection applies in relation to a person if:

**Section 38**

---

- (a) paragraph (1)(a) or (f) applies in relation to the person; and
- (b) one of the following applies:
  - (i) the veteran concerned is a veteran to whom subsection 22(4) or section 23 or 25 applies;
  - (ii) the veteran concerned is a veteran to whom section 22 applies who is in receipt of a pension the rate of which has been increased because the pension is in respect of an incapacity described in item 1, 2, 3, 4, 5 or 6 of the table in subsection 27(1);
  - (iii) the veteran concerned suffers an impairment (within the meaning of the MRCA) and the Military Rehabilitation and Compensation Commission has determined under Part 2 of Chapter 4 of the MRCA that the impairment constitutes at least 80 impairment points (within the meaning of the MRCA).

(1C) Subsection (1B) does not apply to a person:

- (a) whose claim for a partner service pension had not been determined before 1 October 1995 but who was eligible, at the date of the claim, for the pension; or
- (b) who was determined by the Commission, before 1 October 1995, to be eligible for a partner service pension;

unless the person's pension is or has been cancelled for any reason.

(1D) Subsection (1B) does not apply to a person whose partner:

- (a) is a veteran to whom section 24 applies; or
- (b) is receiving, or eligible to receive, a Special Rate Disability Pension under Part 6 of Chapter 4 of the MRCA.

Note: A person is still eligible to receive a Special Rate Disability Pension even if the amount of the pension is totally offset under section 204 of the MRCA.

(2) If a veteran:

- (a) makes a claim for age service pension or invalidity service pension at a time when the veteran is receiving age pension or disability support pension under the Social Security Act; and

(b) the veteran dies before the claim is determined;  
the Commission is, for the purpose of the determination under sub-subparagraph (1)(d)(iii)(B), to disregard the fact that the veteran was receiving social security pension at the time of the claim.

- (2A) A person's eligibility under paragraph (1)(b) or (g) ceases if:
- (a) in the Commission's opinion, the person was in a de facto relationship with another person on 1 July 2009; or
  - (b) after 1 July 2009, the person enters into a relationship with another person and, in the Commission's opinion, the relationship is a de facto relationship.

Note 1: The Commission's opinion is to be formed as mentioned in section 11A.

Note 2: If the person starts living permanently again with his or her veteran non-illness separated spouse, the person regains eligibility for a partner service pension (see paragraph (1)(a) or (f)).

- (2AB) A person's eligibility under paragraph (1)(b) or (g) ceases at the end of the period of 12 months beginning on the first day on which the person was living separately and apart from the veteran concerned on a permanent basis.

- (2AC) A person's eligibility under paragraph (1)(b) or (g) does not cease under subsection (2AB) if:
- (a) the person has reached pension age; or
  - (b) the circumstances specified under subsection (2AD) exist in relation to the person.

Note: For *pension age* see section 5Q.

- (2AD) The Commission may, by legislative instrument, specify circumstances for the purposes of paragraph (2AC)(b).

- (2B) If:
- (a) a person is the non-illness separated spouse of a veteran; and
  - (b) the veteran dies; and

**Section 38**

---

- (c) immediately before the veteran's death, the person was not eligible for a partner service pension because of subsection (2A) or (2AB); and
- (d) apart from this subsection, the person would be eligible for a partner service pension under paragraph (1)(c), (d), (h) or (i); the person's eligibility under that paragraph ceases.

(3) If:

- (a) a person is eligible for partner service pension because of paragraph (1)(c), (d), (e), (h) or (i); and
- (b) the person becomes legally married to a person after the death of the veteran;

the person's eligibility under paragraph (1)(c), (d), (e), (h) or (i) ceases.

(3A) A person's eligibility under paragraph (1)(c), (d), (e), (h) or (i) ceases if:

- (a) in the Commission's opinion, the person:
  - (i) entered into a de facto relationship with a person after the death of the veteran; and
  - (ii) was in that de facto relationship on 1 July 2009; or
- (b) the person:
  - (i) enters into a relationship with another person after 1 July 2009 and, in the Commission's opinion, the relationship is a de facto relationship; and
  - (ii) entered into that relationship after the death of the veteran.

Note: The Commission's opinion is to be formed as mentioned in section 11A.

(4) If:

- (a) a person lodges a proper claim for a partner service pension before meeting the eligibility requirements referred to in subsection (1); and
  - (b) the person ceases to be an Australian resident after lodging the claim and before the claim is determined;
- the person is not eligible for partner service pension unless:

- (c) the day on which the person met all the eligibility requirements; and
  - (d) the day from which partner service pension would, if the claim were granted, be payable;
- are earlier than the day on which the person ceased to be an Australian resident.

### **38AA Disclosure or use of personal information relevant to partner service pension eligibility**

- (1) An APP entity that holds a record that contains personal information relating to a veteran may:
  - (a) disclose to the veteran's partner personal information to the effect that, with effect from a specified date, the veteran has become a veteran to whom section 24 applies so as to facilitate the making of a claim, or of a further claim, by the veteran's partner for partner service pension; or
  - (b) otherwise use that information for the purpose of dealing with a claim, or a further claim, by the veteran's partner for such a pension.
- (2) To avoid doubt, if information is disclosed or used in accordance with subsection (1), the disclosure or use is taken, for the purposes of the Australian Privacy Principles, to be authorised by this Act.
- (3) Unless the contrary intention appears, an expression used in this section has the same meaning as in the *Privacy Act 1988*.

### **38A Partner service pension may not be payable in some circumstances**

- (1) Even though a person is eligible for a partner service pension, the pension may not be payable to the person because:
  - (a) the pension has not commenced to be payable (see section 38B); or
  - (b) the person is in gaol or in psychiatric confinement (see sections 55 and 55A); or
  - (c) the person is receiving another pension (see section 38C); or

**Section 38B**

---

- (d) the pension is cancelled or suspended:
- (i) under this Act (see sections 56E, 56EA, 56J and 56K);  
or
  - (ii) under Part 3C (schooling requirements) of the *Social Security (Administration) Act 1999*; or

Note: See section 124E of the *Social Security (Administration) Act 1999*.

- (e) the person has not provided a tax file number for the person or the person's partner (see section 128A); or
- (f) the person or the person's partner is entitled to receive compensation (see Division 3 of Part IIIC).
- (2) Subject to subsections (3) and (4), a partner service pension is not payable to a person if his or her partner service pension rate would be nil.
- Note: A person whose rate might otherwise be nil under the Rate Calculator may not have a nil rate after the application of the financial hardship provisions (sections 52Y and 52Z).
- (3) Subsection (2) does not apply to a person if the person's rate would be nil merely because:
- (a) an election by the person under subsection 60A(1) is in force;  
or
  - (b) the person has been paid an advance pharmaceutical allowance under Part 2.23 of the Social Security Act.
- (4) Subsection (2) does not apply to a person if the person's rate is nil merely because of the operation of Part IVA.

**38B Partner service pension generally not payable before claim**

*Provisional commencement day*

- (1) A partner service pension is not payable to a person before the person's provisional commencement day.

Section 38B

---

- (1A) Subject to subsections (2) and (3), a person's provisional commencement day is the day on which the person claims the partner service pension.

*Initial incorrect claim followed by proper claim*

- (2) If:
- (a) a person makes a claim (in this subsection called the **initial claim**) for partner service pension; and
  - (b) the claim is not a proper claim; and
  - (c) on the day on which the person makes the initial claim, the person is eligible for partner service pension; and
  - (d) the person subsequently makes a proper claim:
    - (i) within 3 months after being notified that the initial claim was not a proper claim; or
    - (ii) if the person was not so notified—at any time;
- then the person's provisional commencement day is the day on which the initial claim was lodged.

*After a person makes a claim, the person's partner becomes a special rate disability pensioner*

- (3) If:
- (a) a person makes a claim for partner service pension; and
  - (b) that claim is refused; and
  - (c) that claim would not have been refused if, on the day on which the claim was made, the person's partner was a veteran to whom section 24 applied; and
  - (d) after that claim is refused, the Secretary notifies the person's partner that he or she is a veteran to whom section 24 applies; and
  - (e) within 3 months after that notification, the person makes another claim for partner service pension;
- then the person's provisional commencement day is the later of:
- (f) the day the person made the claim referred to in paragraph (a); and

Section 38C

---

- (g) the day the person's partner became a veteran to whom section 24 applies.

**38C Restrictions on dual pensions**

- (1) A partner service pension is not payable to a person if the person is receiving:
- (a) another service pension; or
  - (aa) a veteran payment; or
  - (b) a social security pension; or
  - (c) a social security benefit.

Note: *Social security benefit* includes newstart allowance.

- (2) A partner service pension is not payable to a war widow or a war widower.

Note: For *war widow* and *war widower* see subsection 5E(1).

**38CA Exclusion of certain participants in ABSTUDY Scheme**

If:

- (a) a payment is made in respect of a person under the ABSTUDY Scheme; and
- (b) the payment is made on the basis that the person is a full-time student; and
- (c) in the calculation of the payment, an amount identified as living allowance is included; and
- (d) the payment relates to a period;

partner service pension is not payable to the person in respect of any part of the period.

**Subdivision B—Claim for partner service pension**

**38D Need for a claim**

A person who wants to be granted a partner service pension must make a proper claim for that pension.

**38E Who can claim?**

- (1) Subject to subsection (2), the claim must be made by:
  - (a) the person who wants to be granted the partner service pension; or
  - (b) with the approval of the person—another person on his or her behalf.
- (2) If the person is unable, because of physical or mental incapacity, to approve another person to make the claim on his or her behalf, the Commission may approve another person to make the claim.

**38F Making a claim**

- (1) To be a proper claim, the claim must be:
  - (a) made in writing; and
  - (b) in accordance with a form approved by the Commission; and
  - (c) accompanied by any evidence available to the claimant that the claimant considers may be relevant to the claim; and
  - (d) lodged at an office of the Department in Australia in accordance with section 5T.
- (1A) A claim lodged in accordance with section 5T is taken to have been made on a day determined under that section.
- (2) The approved form may require the claimant to disclose whether the claimant is registered as a member of:
  - (a) the pension bonus scheme (see Part IIIAB); or
  - (b) the corresponding scheme under Part 2.2A of the Social Security Act.

**38H Claimant must be Australian resident and in Australia**

- (1) Subject to subsection (2), a claim is not a proper claim unless the person making the claim, or on whose behalf the claim is being made, is:
  - (a) an Australian resident; and
  - (b) in Australia;

## Section 38J

---

on the day on which the claim is lodged.

Note: For *Australian resident* see section 5G.

- (2) Subsection (1) does not apply to a person's claim if:
- (a) the person is outside Australia and is receiving:
    - (i) age service pension; or
    - (ii) invalidity service pension; or
    - (ia) veteran payment; or
    - (iii) a social security pension; and
  - (b) the person would, if that pension or payment were cancelled, be eligible for partner service pension.

Note 1: If the person ceases to be an Australian resident after having made a proper claim and after having met all the eligibility requirements (section 38), the person's eligibility for partner service pension is not affected.

Note 2: For *social security pension* see subsection 5Q(1).

### **38J Claim may be withdrawn**

- (1) A claimant for partner service pension or a person on behalf of a claimant may withdraw a claim that has not been determined.

### **38JB Oral withdrawal of a claim**

An oral withdrawal of a claim must be made to a person in an office of the Department in Australia.

### **38JC Acknowledgment of oral withdrawal of a claim**

As soon as practicable after receiving an oral withdrawal of a claim, the Secretary must give the claimant an acknowledgment notice in writing stating that:

- (a) an oral withdrawal of the claim was made; and
- (b) the claimant, or a person on behalf of the claimant, may, within 28 days from the day the acknowledgment notice is given, request the Secretary to treat the withdrawal as if it had not been made.

### **38JD Reactivating the withdrawn claim**

If, within 28 days from the day on which the Secretary gave the acknowledgment notice, a claimant, or a person on behalf of a claimant, requests the Secretary to treat the oral withdrawal of the claim as if it had not been made, the oral withdrawal is taken not to have been made.

Note: A request made under paragraph 38JC(b) has the effect of reactivating the claim. In particular, the commencement day of the claim stays the same.

### **38JE Secretary may require claimant or claimant's partner to take action to obtain a comparable foreign pension**

- (1) If:
  - (a) a person has claimed a partner service pension; and
  - (b) the Secretary is satisfied that the claimant may be entitled to a comparable foreign pension if the claimant applied for that pension;

the Secretary may give the claimant a notice that requires the claimant to take reasonable action to obtain the comparable foreign pension.

- (1A) If:
  - (a) a person has claimed a partner service pension; and
  - (b) the Secretary is satisfied that the claimant's partner (if any) may be entitled to a comparable foreign pension if the partner applied for that pension;

the Secretary may give the claimant a notice that requires the partner to take reasonable action to obtain the comparable foreign pension.

**Section 38K**

---

- (2) A notice under subsection (1) or (1A):
  - (a) must be in writing; and
  - (b) must be given personally or by post; and
  - (c) must specify the period within which the reasonable action is to be taken.
- (3) The period specified under paragraph (2)(c) must end at least 14 days after the day on which the notice is given.
- (4) The Commission may reject a claim if:
  - (a) the claimant is given a notice under subsection (1) or (1A); and
  - (b) the Commission is satisfied that the claimant, or the claimant's partner, has not taken reasonable action to obtain the comparable foreign pension within the period specified in the notice.
- (5) For the purposes of this section, a person takes reasonable action to obtain a comparable foreign pension only if the person takes reasonable action to obtain the pension at the highest rate applicable to the person.

**Subdivision C—Investigation of claim**

**38K Secretary to investigate claim and submit it to Commission**

- (1) If a person makes a proper claim for a partner service pension, the Secretary must cause an investigation to be made into the matters to which the claim relates.
- (2) When the investigation is completed, the Secretary must cause the claim to be submitted to the Commission for consideration and determination.
- (3) When the claim is submitted to the Commission it must be accompanied by:
  - (a) any evidence supplied by the claimant in support of the claim; and

- (b) any documents or other evidence obtained by the Department in the course of the investigation that are relevant to the claim; and
- (c) any other documents or other evidence under the control of the Department that are relevant to the claim.

### **Subdivision D—Consideration and determination of claim**

#### **38L Duties of Commission in relation to claim**

##### *Determination of claim*

- (1) When the claim is submitted to the Commission, the Commission must:
  - (a) consider the claim; and
  - (b) satisfy itself with respect to all matters relevant to the determination of the claim; and
  - (c) determine all matters requiring determination before the claim can be determined; and
  - (d) determine the claim as provided by subsection (4).
- (3) Without limiting subsection (1), the Commission, in considering the claim, must consider:
  - (a) the evidence submitted with the claim under section 38K; and
  - (b) any further evidence subsequently submitted to the Commission in relation to the claim.
- (4) The Commission must determine the claim as follows:
  - (a) first, the Commission must determine whether the pension is to be granted to the person; and
  - (b) if the Commission determines that the pension is to be granted to the person, the Commission then must:
    - (i) work out the person's partner service pension rate under section 38N; and
    - (ii) determine that the pension is payable to the person at that rate.

**Section 38M**

---

*Record of determination and reasons*

- (5) When the Commission determines the claim it must make a written record of its determination.
- (6) The Commission must also make a statement in writing about the determination that:
  - (a) sets out the Commission's findings on material questions of fact; and
  - (b) refers to the evidence or other material on which those findings are based; and
  - (c) provides reasons for the Commission's determination.

*Notification of determination*

- (7) As soon as practicable after the Commission determines a claim under subsection (1), the Commission must give the person who made the claim:
  - (a) a copy of the record of the Commission's determination; and
  - (b) subject to subsection (8), a copy of the statement about the determination referred to in subsection (6); and
  - (c) particulars of the right of the person who made the claim to have the determination reviewed by the Commission.
- (8) If the statement referred to in paragraph (7)(b) contains any matter that, in the opinion of the Commission:
  - (a) is of a confidential nature; or
  - (b) might, if communicated to the person who made the claim, be prejudicial to his or her physical or mental health or well-being;

the copy given to the person is not to contain that matter.

Note: A claimant may apply to the Commission for review of a determination made under this section (see Division 16 of Part IIIB).

**38M Date of effect of determination**

If the Commission determines under section 38L that partner service pension is payable to the person:

- (a) the determination takes effect on the day on which the determination is made or on such later or earlier day as is specified in the determination; and
- (b) subject to this Act, partner service pension is payable to the person at the rate specified in the determination.

Note: Partner service pension is not payable to a person who is receiving another service pension or a social security pension or benefit (see section 38C).

### **Subdivision E—Rate of partner service pension**

#### **38N How to work out the rate of a person's partner service pension**

A person's partner service pension rate is worked out in accordance with the Rate Calculator.

Note 1: Module A of the Rate Calculator establishes the overall rate calculation process and the remaining Modules provide for the calculation of the component amounts used in the overall rate calculation process.

Note 2: The rate obtained by applying the Rate Calculator may be reduced because of the receipt of payments under the New Enterprise Incentive Scheme (see Division 9 of Part IIIB).

**Part IIIA** Income support supplement

**Division 1** Eligibility for and payability of income support supplement

Section 45A

## Part IIIAB—Pension bonus

### Division 1—Introduction

  - (b) the person is eligible for a partner service pension after reaching pension age, but defers claiming it; or
  - (c) the person is eligible for income support supplement after reaching qualifying age, but defers claiming it.
- A person who wants to get a pension bonus must *register* as a *member of the pension bonus scheme*. An application for registration cannot be made on or after 1 July 2014.
- To get a pension bonus, a person must accrue between 1 and 5 *bonus periods* while deferring age service pension, partner service pension or income support supplement.

For the purposes of subsection 45UG(1A), the *apportioned amount* is:

$$\left[ \frac{\text{Period not a war widow or war widower}}{\text{Overall qualifying period}} \times \text{Provisional payment rate} \right] + \left[ \frac{\text{Period a war widow or war widower}}{\text{Overall qualifying period}} \times \text{Annual pension rate} \right]$$

  - (ii) a partner service pension; and

Note: If the person did not accrue any pension bonus in relation to the designated pension, the latter bracketed part of the formula for the **apportioned amount** will have a nil value.

Section 45UIB

---

**45UIB Top up of pension bonus for increased rate of designated pension**

- (1) The Commission may determine (a *top up determination*) that a person's pension bonus is to be increased if:
  - (a) the Commission makes a determination (a *rate determination*) increasing the rate of the person's designated pension; and
  - (b) the rate determination takes effect on a day that is not more than 13 weeks after the date (the *effective date*) on which the determination granting the pension bonus takes effect; and
  - (c) the rate determination is made because of a reduction since the effective date in either or both of the following:
    - (i) the value of the person's assets;
    - (ii) the person's ordinary income.

Note: Any reduction in the value of a person's assets or the person's income will be determined by applying the assets test and the ordinary/adjusted income test in the Rate Calculator in Schedule 6.
- (2) The person's pension bonus is increased by the difference between:
  - (a) the person's amount of pension bonus on the effective date; and
  - (b) the amount that would have been the person's amount of pension bonus on the effective date if the rate of the person's designated pension on that date had been the highest rate at which the designated pension was payable to the person during the 13 weeks after the effective date.
- (3) A top up determination takes effect on the day on which the determination is made or on any earlier or later day specified in the determination.
- (4) A top up determination is not a legislative instrument.

**45UIC Top up of pension bonus in specified circumstances**

- (1) The Commission may determine (a *top up determination*) that a person's pension bonus is to be increased if:
-

- (a) the Commission makes a determination (a *rate determination*) increasing the rate of the person's designated pension; and
  - (b) the rate of the designated pension is increased in circumstances specified in an instrument made under subsection (6).
- (2) The person's pension bonus is increased by the amount specified by the Commission in the top up determination.
  - (3) The Commission must not specify an increase that would be greater than the difference between:
    - (a) the person's amount of pension bonus on the day on which the determination granting the bonus takes effect; and
    - (b) the amount that would have been the person's amount of pension bonus on that day if the rate of the person's designated pension on that day had been the rate specified in the rate determination.
  - (4) A top up determination takes effect on the day on which the determination is made or on any earlier or later day specified in the determination.
  - (5) A top up determination is not a legislative instrument.
  - (6) The Commission may, by legislative instrument, specify circumstances (other than circumstances specified in subsection 45UIB(1)) for the purposes of paragraph (1)(b).

## **Division 7—Claim for pension bonus**

### **45UJ Need for a claim**

A person who wants to be granted a pension bonus must make a proper claim for the bonus.

### **45UK Proper claim**

- (1) To be a proper claim, a claim for pension bonus must be:
  - (a) in writing; and
  - (b) in accordance with a form approved by the Commission; and
  - (c) one of the following:
    - (i) attached to, or submitted in relation to, a proper claim made by the person for a designated pension;
    - (ii) made in accordance with an invitation under subsection (3);
    - (iii) the subject of a determination under subsection (5); and
  - (d) lodged at an office of the Department in Australia in accordance with section 5T within the applicable lodgment period (see section 45UL).
- (1A) A claim for pension bonus can only be attached to a proper claim for a designated pension in accordance with subparagraph (1)(c)(i) if neither claim is transmitted electronically.
- (1B) A claim for pension bonus lodged in accordance with section 5T is taken to have been made on a day determined under that section.
- (2) A claim for pension bonus is a proper claim even though it is not certain whether the person will start to receive a designated pension at or after the time when the person makes the claim. The claim has effect as a claim that is contingent on the person receiving a designated pension.

- (3) If:
- (a) a person makes a proper claim for a designated pension; and
  - (b) the claim is in accordance with a form that does not require the claimant to disclose whether the claimant is a registered member of:
    - (i) the pension bonus scheme; or
    - (ii) the corresponding scheme under Part 2.2A of the Social Security Act; and
  - (c) the person is, to the knowledge of the Secretary, registered as a member of the pension bonus scheme; and
  - (d) a claim by the person for pension bonus is not attached to the claim for the designated pension;

the Secretary must give the claimant a written notice inviting the claimant to lodge a claim for pension bonus at an office of the Department in Australia in accordance with section 5T, within such period after the lodgment of the claim for the designated pension as is specified in the invitation.

- (3A) A claim for pension bonus lodged in accordance with section 5T is taken to have been made on a day determined under that section.
- (4) If a claim for pension bonus is made in accordance with an invitation under subsection (3), this Part (other than this section) has effect as if the person had claimed the pension bonus at the same time as the person claimed the designated pension.
- (5) If:
- (a) a person who is a registered member of the pension bonus scheme lodges a claim for a designated pension; and
  - (b) a claim for pension bonus for the person is lodged after the claim for the designated pension; and
  - (c) the Commission is satisfied that, having regard to guidelines (if any) made under subsection (6), special circumstances apply in relation to the lodgment of the claim for pension bonus;

Section 45UL

---

the Commission may determine that this Part (other than this section) has effect as if the claim for the pension bonus had been made at the time the person claimed the designated pension.

- (6) The Commission may, by legislative instrument, make guidelines for the purposes of subsection (5).

**45UL Lodgment period for claim**

- (1) This section sets out rules for determining the period (the ***lodgment period***) within which a claim for pension bonus must be made.
- (1A) However, the Commission may in special circumstances allow a person a longer period to make a claim than the period determined under this section. If the Commission does so, the ***lodgment period*** for the person's claim is the period allowed by the Commission.
- (1AB) Subsection (1A) does not apply in relation to a claim for which the lodgment period is determined under subsection (3).

*Lodgment period where last bonus period is a full-year period*

- (2) If a person's last bonus period is a full-year period, the ***lodgment period*** applicable to the person's claim for pension bonus is the period of 13 weeks beginning at the end of that bonus period. However, this rule does not apply if:
- (a) the person is an exempt partnered person (see subsection (8)) as at the end of the person's last bonus period; or
  - (b) the person's membership of the pension bonus scheme becomes non-accruing immediately after the end of the person's last bonus period; or
  - (c) the person is a post-70/75 member of the pension bonus scheme and has a post-70/75 work period (see subsection (9)).

Note: For the rule in these cases, see subsections (5), (6) and (7).

*Lodgment period where last bonus period is a part-year period*

- (3) If a person's last bonus period is a part-year period, the ***lodgment period*** applicable to the person's claim for pension bonus is:
- (a) the period of 13 weeks beginning at the end of that bonus period; or
  - (b) if the Commission allows a longer period—that longer period.

However, this rule does not apply if:

- (c) the person is an exempt partnered person (see subsection (8)) as at the end of the person's last bonus period; or
- (d) the person's membership of the pension bonus scheme becomes non-accruing immediately after the end of the person's last bonus period; or
- (e) the person is a post-70/75 member of the pension bonus scheme and has a post-70/75 work period (see subsection (9)).

Note: For the rule in these cases, see subsections (5), (6) and (7).

- (4) If:
- (a) subsection (3) applies to a person's claim for pension bonus; and
  - (b) the claim is lodged within a period allowed under paragraph (3)(b);

Division 6 has effect, in relation to the calculation of the amount of that pension bonus, as if the person had not accrued the part-year bonus period.

*Lodgment period for exempt partnered person*

- (5) If a person is an exempt partnered person as at the end of the person's last bonus period because the person is a member of a couple, the ***lodgment period*** applicable to the person's claim for pension bonus is the period:
- (a) beginning at the end of that bonus period; and
  - (b) ending at:

Section 45UL

---

- (i) the time of the last occasion on which the person's partner could have lodged a claim for a pension bonus; or
  - (ii) the end of the period of 13 weeks after the person ceases to be a member of the same couple (whether because of the death of the person's partner or for any other reason);
- whichever comes first.

*Lodgment period for non-accruing member*

- (6) If a person's membership of the pension bonus scheme becomes non-accruing immediately after the end of the person's last bonus period, the **lodgment period** applicable to the person's claim for pension bonus is the period:
- (a) beginning at the end of the person's last bonus period; and
  - (b) ending 13 weeks after the time when the person's membership of the scheme ceases to be non-accruing.

*Lodgment period for post-70/75 member who has a post-70/75 work period*

- (7) If a post-70/75 member of the pension bonus scheme has a post-70/75 work period, the **lodgment period** applicable to the person's claim for pension bonus is the period of 13 weeks beginning at the end of the period nominated in the claim as the person's post-70/75 work period.

*Exempt partnered person*

- (8) For the purposes of this section, a person is an **exempt partnered person** at a particular time if, at that time, the person is a member of a couple, and:
- (a) the person's partner is an accruing or non-accruing member of the pension bonus scheme; or
  - (b) the person's partner is an accruing or non-accruing member of the corresponding scheme under Part 2.2A of the Social Security Act.

*Post-70/75 member with a post-70/75 work period*

- (9) For the purposes of this section, a post-70/75 member of the pension bonus scheme has a **post-70/75 work period** if:
- (a) the person's claim for pension bonus nominates a particular period as the person's post-70/75 work period; and
  - (b) the nominated period begins immediately after the end of the person's last bonus period; and
  - (c) if it were assumed that the person had been an accruing member of the pension bonus scheme throughout each test period that is applicable to the person, the person would have passed the work test for each test period.

Note: **Test period** is defined by subsection (10).

- (10) For the purposes of subsection (9), to work out what is a **test period**:
- (a) identify the **extended period**, which is that part of the nominated period when the person was neither:
    - (i) subject to a carer preclusion period; nor
    - (ii) covered by a declaration under section 45TO;
  - (b) if the extended period is 365 days or less—the extended period is the only test period;
  - (c) if the extended period is longer than 365 days—each of the following periods is a test period:
    - (i) the full-year period beginning at the start of the extended period;
    - (ii) if 2 or more succeeding full-year periods are included in the extended period—each of those full-year periods;
    - (iii) the remainder (if any) of the extended period.
- (11) In addition to its effect apart from this subsection, section 45U (evidentiary certificates) also has the effect it would have if each reference in paragraph 45U(1)(a), (2)(a), (3)(a) or (4)(a) to an accruing member of the pension bonus scheme were a reference to a post-70/75 member of the scheme.

Section 45UM

---

*Last bonus period*

- (12) For the purposes of this section, if a person has accrued only one full year bonus period, that period is the person's ***last bonus period***.

**45UM Withdrawal of claim**

- (1) A claimant for a pension bonus may withdraw a claim that has not been determined.
- (2) A claim that is withdrawn is taken not to have been made.
- (3) A withdrawal may be made orally or by document lodged at an office of the Department in Australia in accordance with section 5T.
- (3A) A withdrawal made by lodging a document in accordance with section 5T is taken to have been so made on a day determined in accordance with that section.
- (4) If:
- (a) a person claims both a pension bonus and a designated pension; and
  - (b) the claim for the designated pension is withdrawn;
- the claim for pension bonus is taken to have been withdrawn.
- (5) If:
- (a) a person claims both a pension bonus and a designated pension; and
  - (b) the claim for the designated pension is rejected as a direct or indirect result of the operation of Subdivision BA or BB of Division 11 of Part IIIB (dispositions of assets);
- the claim for pension bonus is taken to have been withdrawn.

## **Division 8—Determination of claim**

### **45UN Secretary to investigate claim and submit it to Commission**

- (1) If a person makes a proper claim for a pension bonus, the Secretary must cause an investigation to be made into the matters to which the claim relates.
- (2) When the investigation is completed, the Secretary must cause the claim to be submitted to the Commission for consideration and determination.
- (3) When the claim is submitted to the Commission, it must be accompanied by:
  - (a) any evidence supplied by the claimant in support of the claim; and
  - (b) any documents or other evidence obtained by the Department in the course of the investigation that are relevant to the claim; and
  - (c) any other documents or other evidence under the control of the Department that are relevant to the claim.

### **45UO Commission to determine claim**

- (2) If a person claims both a pension bonus and a designated pension, the Commission must not determine the claim for pension bonus until the claim for the designated pension has been granted.

### **45UP Grant of claim**

The Commission must determine that a claim for pension bonus is to be granted if the Commission is satisfied that the person is qualified for the pension bonus.

## **Division 9—Payment of pension bonus**

### **45UQ Payment of pension bonus**

If a claim for pension bonus is granted, the bonus is payable to the person concerned on:

#### *Claim granted before death*

- (2) If:
  - (a) a person claims a pension bonus; and

(c) at the time of the person's death, the claim had been granted, but the person had not received the bonus;  
the bonus is payable to the legal personal representative of the person.

*Claim not granted before death*

- (3) If:
- (a) a person claims a pension bonus; and
  - (b) the person dies; and
  - (c) at the time of the person's death, the claim had not been determined;
- then:
- (d) the Commission must determine the claim after the person's death as if the person had not died; and
  - (e) if the claim is granted—the bonus is payable to the legal personal representative of the person.
- (4) If:
- (a) under paragraph (3)(d), the Commission is required to determine a claim for pension bonus after a person's death; and

- (c) who either:
  - (i) was registered as a member of the pension bonus scheme under Part 2.2A of the *Social Security Act 1991* (the *SSA pension bonus scheme*) with effect from a date before becoming a war widow/war widower—pensioner; or

- (ii) in the opinion of the Commission, could have been so registered before becoming a war widow/war widower—pensioner had the person applied for that registration; and
- (b) for the purpose of working out the bonus periods that the person would have accrued under the social security law:
  - (i) if the person was registered as a member of the SSA pension bonus scheme—if the person had made a claim for pension bonus under that law immediately before becoming a war widow/war widower—pensioner; and
  - (ii) if the person was not so registered but, in the opinion of the Commission, could have been so registered before becoming a war widow/war widower—pensioner had the person applied for that registration—if the person had been so registered from the earliest day that the person could have been so registered and, immediately before becoming a war widow/war widower—pensioner, had made a claim for pension bonus under that law.

**45UX Commission may determine whether periods occurring before becoming a war widow/war widower—pensioner are bonus periods under the social security law**

- (1) If a person:
  - (a) is a person to whom this Division applies; and
  - (b) was registered as a member of the SSA pension bonus scheme;the Commission may, subject to subsection (3), determine, having regard to information supplied to it under this Act or the social security law, that if:
  - (c) the person had made a claim for pension bonus under that law immediately before becoming a war widow/war widower—pensioner; and

Section 45UX

---

- (d) the claim had been made in respect of a period the whole or part of which the Commission determines would have been a period of accruing membership of that scheme;  
that period, or that part of that period, would have accrued to the person as a bonus period under that law.
- (2) If a person:
- (a) is a person to whom this Division applies; and
  - (b) was not registered as a member of the SSA pension bonus scheme but, in the opinion of the Commission, could have been so registered before becoming a war widow/war widower—pensioner had the person applied for that registration;
- the Commission may, subject to subsection (3), determine, having regard to information supplied to it under this Act or the social security law, that if:
- (c) the person had been so registered from the earliest possible date that the person could have been so registered; and
  - (d) the person had made a claim for pension bonus under that law immediately before becoming a war widow/war widower—pensioner; and
  - (e) the claim had been made in respect of a period the whole or part of which the Commission determines would have been a period of accruing membership of that scheme;  
that period, or that part of that period, would have accrued to the person as a bonus period under that law.
- (3) If the Commission determines, in respect of a person to whom this Division applies, that:
- (a) a period would have been:
    - (i) if the person was registered as a member of the SSA pension bonus scheme—a part-year period of accruing membership of that scheme; or
    - (ii) if the person was not, but, in the opinion of the Commission, could have been so registered before becoming a war widow/war widower—pensioner had the person applied for that registration and had the

person been so registered from the earliest possible date that the person could have been so registered—such a part-year period of accruing membership of that scheme; and

- (b) the period was not immediately preceded by another period that would have accrued to that person as a bonus period under the social security law;

the Commission may, despite the terms of subsection 92T(3) of the *Social Security Act 1991*, treat that part-year period as a bonus period under the social security law if, had the person made a claim for pension bonus under that law immediately before becoming a war widow/war widower—pensioner, the person would have passed the work test under that law in respect of that period.

**45UY Modification of provisions of this Part in respect of persons to whom this Division applies**

- (1) For the purposes of working out the amount of the pension bonus payable under this Part to a person to whom this Division applies and subject to subsection (2), if the Commission determines, under section 45UX, that a period would have accrued to the person as a bonus period under the social security law, then:
  - (a) that bonus period is to be treated as if it were a bonus period that had accrued to the person under this Act; and
  - (b) that bonus period, or if more than one, the last such bonus period, is to be treated as if it were continuous with the first bonus period (if any) that accrues to the person under this Act after the person becomes a war widow/war widower—pensioner.
- (2) Subsection (1) applies in relation to a part-year period that the Commission determines is a bonus period that would have accrued, under the social security law, to a person to whom this Division applies only if:
  - (a) that bonus period is immediately preceded by a period that the Commission determines would have been another bonus period accruing to the person under that law; or

Section 45UY

---

- (b) that bonus period, when aggregated with any bonus period or bonus periods accruing to the person under this Act after the person becomes a war widow/war widower—pensioner, would amount to at least one year.
- (3) If:
- (a) a person to whom this Division applies has a part-year period of accruing membership of the pension bonus scheme under this Act; and
  - (b) the part-year period does not begin immediately after a bonus period accruing to that person under this Act;
- then, for the purposes of applying subsection 45TR(3) of this Act in determining whether that part-year period is a bonus period under this Act, the Commission may treat that part-year period as if it were immediately preceded by a bonus period accruing to that person under this Act.
