Note: For *assurance of support* see subsection 23(1).

(2D) For the avoidance of doubt, if, at any time during the period for which special benefit is granted to a person, the person's circumstances change such that, if the person were to be making a claim for special benefit on the basis of the changed circumstances, the person would not be qualified for special benefit, special benefit ceases to be payable.

(3) The Secretary is not to determine that a special benefit should be granted to a person for a period if the Secretary is satisfied that the benefit is not payable to the person for that period.

(4) For the purposes of paragraph (2)(d), a jobseeker payment is to be taken to be not payable to a person for a period because of the operation of a provision if:

 - (c) the person becomes qualified for a special benefit at some time during the 14 day period but after the first day of that period;

the person is taken to be qualified for a special benefit for the whole of the 14 day period.

The subsection deems the person to be so qualified. As a result, the person may be paid a special benefit for the period beginning on the day after the day on which the person's last instalment of social security pension, service pension, income support supplement or veteran payment was paid. The subsection aims to ensure that there is minimal disruption to a person's payments when a person transfers from a social security pension, a service pension, income support supplement or a veteran payment to a special benefit.

Note 3: If item 2 applies to a person, the value of *all* the assets of the person's partner is to be taken as being included in the value of the person's assets (see subsection 734(1)—this is why the assets value limit is so

high. If, on the other hand, item 3 applies to a person, the value of the person's assets is only *half* the combined value of the person's assets and the assets of the person's partner (see subsection 734(2)).

Note 5: The assets value limits of items 1 and 3 in column 3A and item 3 in column 3B are indexed annually in line with CPI increases (see sections 1191 to 1194).

Note 6: The assets value limit of item 1 in column 3B is adjusted annually (see subsection 1204(1)).

 - (b) while the person is receiving that benefit the person becomes engaged in industrial action, or in a series of industrial actions, that leads to the person's unemployment or to a decrease in the person's level of income;
- the rate of special benefit payable to the person is to be determined as if the person had continued, for the period of that industrial action, to be employed and to receive income at the level at which it would have been received if the person had not engaged in that action.
- (2) Subsection (1) does not apply in relation to a person if the Secretary is satisfied:
- (a) that the person's unemployment or the effect on the person's level of income was due to other people being, or having been, engaged in industrial action or in a series of industrial actions; and

Subdivision AA—Death of partner

768A Qualification for payments under this Subdivision

- (1) If:
- (a) a person is receiving a special benefit; and
 - (b) the person is a long-term social security recipient; and
 - (c) the person is a member of a couple; and
 - (d) the person's partner dies; and
 - (e) immediately before the partner died, the partner:
 - (i) was receiving a social security pension; or
 - (ii) was receiving a service pension, income support supplement or a veteran payment; or
 - (iii) was a long-term social security recipient; and
 - (f) on the person's payday immediately before the first available bereavement adjustment payday, the amount that would be payable to the person if the person were not qualified for payments under this Subdivision is less than the sum of:
 - (i) the amount that would otherwise be payable to the person under section 768D (person's continued rate) on that payday; and
 - (ii) the amount (if any) that would otherwise be payable to the person, under section 768B (continued payment of partner's pension or benefit) on the partner's payday immediately before the first available bereavement adjustment payday;

the person is qualified for payments under this Subdivision to cover the bereavement period.

Note 1: Section 768B provides for the payment to the person, up to the first available bereavement adjustment payday, of amounts equal to the instalments that would have been paid to the person's partner during that period if the partner had not died.

Section 768B

Note 2: Section 768C provides for a lump sum that represents the instalments that would have been paid to the person's partner, between the first available bereavement adjustment payday and the end of the bereavement period, if the partner had not died.

Note 3: For *long-term social security recipient* see subsection 23(1).

- (2) A person who is qualified for payments under this Subdivision may choose not to receive payments under this Subdivision.
- (3) An election under subsection (2):
 - (a) must be made by written notice to the Secretary; and
 - (b) may be made after the person has been paid an amount or amounts under this Subdivision; and
 - (c) cannot be withdrawn after the Department has taken all the action required to give effect to that election.
- (4) If a person is qualified for payments under this Subdivision in relation to the partner's death, the rate at which special benefit is payable to the person during the bereavement period is, unless the person has made an election under subsection (2), governed by section 768D.

768B Continued payment of partner's pension or benefit

If a person is qualified for payments under this Subdivision in relation to the death of the person's partner, there is payable to the person, on each of the partner's paydays in the bereavement rate continuation period, an amount equal to the amount that would have been payable to the partner on that payday if the partner had not died.

768C Lump sum payable in some circumstances

If:

- (a) a person is qualified for payments under this Subdivision in relation to the death of the person's partner; and
- (b) the first available bereavement adjustment payday occurs before the end of the bereavement period;

Section 768C

there is payable to the person as a lump sum an amount worked out using the lump sum calculator at the end of this section.

LUMP SUM CALCULATOR

This is how to work out the amount of the lump sum:

Method statement

Step 1. Add up:

- (a) the amount that, if the person's partner had not died, would have been payable to the person on the person's payday immediately before the first available bereavement adjustment payday; and
- (b) the amount (if any) that, if the partner had not died, would have been payable to the partner on the partner's payday immediately before the first available bereavement adjustment payday;

the result is called the *combined rate*.

Step 2. Work out the amount that, but for section 768D, would have been payable to the person on the person's payday immediately before the first available bereavement adjustment payday: the result is called the *person's individual rate*.

Step 3. Take the person's individual rate away from the combined rate: the result is called the *partner's instalment component*.

Step 4. Work out the number of the partner's paydays in the bereavement lump sum period.

Step 5. Multiply the partner's instalment component by the number obtained in Step 4: the result is the amount of the lump sum payable to the person under this section.

768D Adjustment of a person's special benefit rate

If:

- (a) a person is qualified for payments under this Subdivision; and
- (b) the person does not elect under subsection 768A(2) not to receive payments under this Subdivision;

the rate of the person's special benefit during the bereavement period is worked out as follows:

- (c) during the bereavement rate continuation period, the rate of special benefit payable to the person is the rate at which the allowance would have been payable to the person if the person's partner had not died;
- (d) during the bereavement lump sum period (if any), the rate at which special benefit is payable to the person is the rate at which the allowance would be payable to the person apart from this Subdivision.

768E Effect of death of person entitled to payments under this Subdivision

If:

- (a) a person is qualified for payments under this Subdivision in relation to the death of the person's partner; and
- (b) the person dies within the bereavement period; and
- (c) the Secretary does not become aware of the death of the person's partner before the person dies;

there is payable, to such person as the Secretary thinks appropriate, as a lump sum, an amount worked out using the lump sum calculator at the end of this section.

LUMP SUM CALCULATOR

This is how to work out the amount of the lump sum:

Method statement

Step 1. Add up:

- (a) the amount that, if neither the person nor the person's partner had died, would have been payable to the person on the person's payday immediately after the day on which the person dies; and
- (b) the amount (if any) that, if neither the person nor the person's partner had died, would have been payable to the person's partner on the partner's payday immediately after the day on which the person died;

the result is called the *combined rate*.

Step 2. Work out the amount that, but for section 768D, would have been payable to the person on the person's payday immediately after the day on which the person died if the person had not died: the result is called the *person's individual rate*.

Step 3. Take the person's individual rate away from the combined pensioner couple rate: the result is called the *partner's instalment component*.

Step 4. Work out the number of paydays of the partner in the period that commences on the day on which the person dies and ends on the day on which the bereavement period ends.

Step 5. Multiply the partner's instalment component by the number obtained in Step 4: the result is the amount of the lump sum payable under this section.

768F Matters affecting payments under this Subdivision

(1) If:

- (a) a person is qualified for payments under this Subdivision in relation to the death of the person's partner; and
- (b) after the person's partner died, an amount to which the partner would have been entitled if the partner had not died has been paid under this Act or under Part III or IIIA of the Veterans' Entitlements Act; and
- (c) the Secretary is not satisfied that the person has not had the benefit of that amount;

the following provisions have effect:

- (d) the amount referred to in paragraph (b) is not recoverable from the person or from the personal representative of the person's partner, except to the extent (if any) that the amount exceeds the amount payable to the person under this Subdivision;

Division 5—Rate of special needs pension**796 How to work out a person's special needs pension rate**

- (1) Subject to subsection (2), the rate of a person's special needs pension is:
 - (a) if the pension is a special needs age pension—the rate at which an age pension would be payable to the person if the person were qualified for an age pension; or
 - (b) if the pension is a special needs disability support pension—the rate at which a disability support pension would be payable to the person if the person were qualified for a disability support pension; or
 - (c) if the pension is a special needs wife pension—the rate at which a wife pension would be payable to the person if the person were qualified for a wife pension.
- (2) If:

 - (b) the person commences after 1 July 1986 to receive a special needs pension; and
 - (c) the person is absent from Australia;the rate of the person's special needs pension is, subject to subsections (3) and (4), the person's special needs proportional rate worked out using the Special Needs Proportional Rate Calculator at the end of this section.
- (3) Subsection (2) does not apply to a person's special needs disability support pension if the person became qualified for the pension because the person became permanently incapacitated for work or permanently blind while the person was an Australian resident.

Special Needs Proportional Rate Calculator

Module A—Overall rate calculation process

Overall rate calculation process

796-A1 This is how to work out a person's special needs proportional rate:

Method statement

- Step 1. Work out the period of the person's Australian working life residence using Module B: the result is called the ***residence period***.
- Step 2. Use the person's residence period to work out the person's ***residence factor*** using Module C below.
- Step 3. Work out the rate that would be the person's pension or allowance rate if this Rate Calculator did not apply to the person: the result is called the person's ***notional domestic rate***.
- Step 4. Multiply the person's notional domestic rate by the person's residence factor: the result is the person's special needs proportional rate.

Module B—Australian working life residence*Working life*

- 796-B1 For the purposes of this Module, a person's **working life** is the period commencing when the person turns 16 and ending:
- (a) if the person is a woman—when she turns 60; or
 - (b) if the person is a man—when he turns 65.

Australian working life residence (general)

- 796-B2 Subject to points 796-B3 to 796-B9, a person's **period of Australian working life residence** as at a particular time is the number of months in the period, or the aggregate of the periods, during the person's working life during which the person has, up to that time, been an Australian resident.

Calculation of number of months

- 796-B3 If a person's period of Australian working life residence would, apart from this subsection, be a number of whole months, the period is to be increased by one month.
- 796-B4 If a person's period of Australian working life residence would, apart from this subsection, be a number of whole months and a day or days, the period is to be increased so that it is equal to the number of months plus one month.

Australian working life residence (special needs age or disability support pensioner couples)

- 796-B5 If:
- (a) a person is receiving a special needs age pension or a special needs disability support pension; and
 - (b) the person is a member of a couple; and
 - (c) the person's partner is receiving an age or disability support pension or a special needs age or disability support pension; and

Section 796

(d) the partner's period of Australian working life residence is longer than the period that would be the person's period of Australian working life residence under point 796-B2;
the person's period of Australian working life residence is to be equal to the partner's period of Australian working life residence.

Australian working life residence (member of former special needs age or disability support pensioner couple)

796-B6 If:

- (a) a person is receiving a special needs age pension or a special needs disability support pension; and
- (b) the person is a member of a couple; and
- (c) the person ceases to be a member of a couple; and
- (d) immediately before the person ceases to be a member of a couple:
 - (i) the person was receiving an age or disability support pension or a special needs age or disability support pension; and
 - (ii) the partner was receiving an age or disability support pension or a special needs age or disability support pension; and
- (e) the partner's period of Australian working life residence (immediately before the person ceases to be a member of a couple) is longer than the period that would be the person's period of Australian working life residence under point 796-B2;

the person's period of Australian working life residence is to be equal to the partner's period of Australian working life residence (immediately before the person ceases to be a member of a couple).

Australian working life residence (special needs wife pensioner)

796-B7 If a person is receiving a special needs wife pension, the person's period of Australian working life residence is equal to the period of Australian working life residence of the person's partner.

Australian working life residence—second special needs pension

796-B9

If:

- (a) a special needs pension is payable to a person (in this point called the ***initial pension***); and
- (b) the special needs pension is cancelled or ceases to be payable automatically; and
- (c) another special needs pension is payable to the person (in this point called the ***second pension***); and
- (d) the person's period of Australian working life residence in respect of the second pension is shorter than the period that was the person's period of Australian working life residence for the purposes of calculating the person's initial special needs pension;

the person's period of Australian working life residence for the second pension is to be equal to the period of Australian working life residence used in calculating the person's initial pension.

Module C—Residence factor

Residence factor (period of Australian working life residence 25 years or more)

796-C1

If a person's period of Australian working life residence is 300 months (25 years) or more, the person's residence factor is 1.

Note: If a person's residence factor is 1, the person's overseas pension will be payable overseas at the full domestic rate (less any rent assistance and any and remote area allowance).

Residence factor (period of Australian working life residence under 25 years)

796-C2

If a person's period of Australian working life residence is less than 300 months (25 years), the person's residence factor is:

$$\frac{\text{person's Australian working life residence}}{300}$$

Division 10—Bereavement payments

Subdivision A—Death of partner

822 Qualification for payments under this Subdivision

(1) If:

- (a) a person is receiving a special needs age, disability support or wife pension; and
- (b) the person is a member of a couple; and
- (c) the person's partner dies; and
- (d) immediately before the partner died, the partner:

 - (ii) was receiving a service pension, income support supplement or a veteran payment; or

 - (i) the amount that would otherwise be payable to the person under section 825 (person's continued rate) on that payday; and
 - (ii) the amount that would otherwise be payable to the person under section 823 (continued payment of partner's pension or benefit) on the partner's payday immediately before the first available bereavement adjustment payday;

the person is qualified for payments under this Subdivision to cover the bereavement period.

Note 1: Section 823 provides for the payment to the person, up to the first available bereavement adjustment payday, of amounts equal to the instalments that would have been paid to the person's partner during that period if the partner had not died.

Section 822

Note 2: Section 824 provides for a lump sum that represents the instalments that would have been paid to the person's partner, between the first available bereavement adjustment payday and the end of the bereavement period, if the partner had not died.

(1A) If:

- (a) a person is receiving a special needs pension; and
- (b) immediately before starting to receive the special needs pension the person was receiving partner bereavement payments; and
- (c) the bereavement rate continuation period in relation to the death of the person's partner has not ended;

- (b) may be made after the person has been paid an amount or amounts under this Subdivision; and
- (c) cannot be withdrawn after the Department has taken all the action required to give effect to that election.

(4) If a person is qualified for payments under this Subdivision in relation to the partner's death, the rate at which special needs pension is payable to the person during the bereavement period is, unless the person has made an election under subsection (2), governed by section 825.

(5) For the purposes of this section, a person is a ***long-term social security recipient*** if:

- (a) the person is receiving a social security benefit; and
- (b) in respect of the previous 12 months, the person:

 - (iia) was receiving a youth training allowance; or

Section 823

- (iii) was receiving a service pension, income support supplement or a veteran payment.
- (6) A person is taken to satisfy the requirements of paragraph (5)(b) if:
 - (a) the person was receiving one or a combination of the payments referred to in that paragraph for a continuous period of 12 months; or
 - (b) the person was receiving one or a combination of the payments referred to in that paragraph for 46 weeks of the previous 52.

823 Continued payment of deceased partner's previous entitlement

- (1) If a person is qualified for payments under this Subdivision in relation to the death of the person's partner, there is payable to the person, on each of the partner's paydays in the bereavement rate continuation period:
 - (a) where the partner was receiving a social security pension or social security benefit—the amount that would have been payable to the partner on the payday if the partner had not died; or
 - (b) where the partner was receiving a service pension, income support supplement or a veteran payment—the amount that would have been payable to the partner under Part III, IIIA or IIIAA of the Veterans' Entitlements Act on the service payday that:
 - (i) where the first Thursday after the partner's death was a service payday—precedes the partner's payday; or
 - (ii) in any other case—follows the partner's payday; if the partner had not died.
- (2) For the purposes of subsection (1), if the couple were, immediately before the partner's death, an illness separated couple or a respite care couple, the amounts are to be worked out as if they were not such a couple.

824 Lump sum payable in some circumstances

If:

- (a) a person is qualified for payments under this Subdivision in relation to the death of the person's partner; and
- (b) the first available bereavement adjustment payday occurs before the end of the bereavement period;

there is payable to the person as a lump sum an amount worked out using the lump sum calculator at the end of this section.

LUMP SUM CALCULATOR

This is how to work out the amount of the lump sum:

Method statement

Step 1. Work out the amount that would have been payable to the person on the person's payday immediately before the first available bereavement adjustment payday if:

- (a) the person's partner had not died; and
- (b) where immediately before the partner's death the couple were an illness separated couple or a respite care couple—they were not such a couple.

Step 2. Work out the amount that would have been payable to the person's partner on the partner's payday or service payday immediately before the first available bereavement adjustment payday if:

- (a) the partner had not died; and
- (b) where immediately before the partner's death the couple were an illness separated couple or a respite care couple—they were not such a couple.

Section 825

- Step 3. Add the results of Step 1 and Step 2: the result is called the ***combined rate***.
- Step 4. Work out the amount that, but for subsection 825, would have been payable to the person on the person's payday immediately before the first available bereavement adjustment payday: the result is called the ***person's individual rate***.
- Step 5. Take the person's individual rate away from the combined rate: the result is called the ***partner's instalment component***.
- Step 6. Work out the number of paydays of the partner in the bereavement lump sum period.
- Step 7. Multiply the partner's instalment component by the number obtained in Step 6: the result is the amount of the lump sum payable to the person under this section.

825 Adjustment of rate of person's special needs pension

If:

- (a) a person is qualified for payments under this Subdivision; and
- (b) the person does not elect under subsection 822(2) not to receive payments under this Subdivision;

the rate of the person's special needs pension during the bereavement period is worked out as follows:

- (c) during the bereavement rate continuation period, the rate of special needs pension payable to the person is the rate at which the pension would have been payable to the person if:
 - (i) the person's partner had not died; and
 - (ii) where immediately before the partner's death the couple were an illness separated couple or a respite care couple—they were not such a couple;

Section 826

- (d) during the bereavement lump sum period (if any), the rate at which special needs pension is payable to the person is the rate at which the special needs pension would be payable to the person apart from this Subdivision.

826 Effect of death of person entitled to payments under this Subdivision

If:

- (a) a person is qualified for payments under this Subdivision in relation to the death of the person's partner; and
- (b) the person dies within the bereavement period; and
- (c) the Secretary does not become aware of the death of the person's partner before the person dies;

there is payable, to such person as the Secretary thinks appropriate, as a lump sum, an amount worked out using the lump sum calculator at the end of this section.

LUMP SUM CALCULATOR

This is how to work out the amount of the lump sum:

Method statement

- Step 1. Work out the amount that would have been payable to the person on the person's payday immediately after the day on which the person died if:
- (a) neither the person nor the person's partner had died; and
 - (b) where immediately before the partner's death the couple were an illness separated couple or a respite care couple—they were not such a couple.
- Step 2. Work out the amount that would have been payable to the partner on the partner's payday or service payday immediately after the day on which the person died if:

Section 827

- (a) neither the person nor the partner had died; and
 - (b) where immediately before the partner's death the couple were an illness separated couple or a respite care couple—they were not such a couple.
- Step 3. Add the results of Step 1 and Step 2: the result is called the ***combined rate***.
- Step 4. Work out the amount that, but for section 825, would have been payable to the person on the person's payday immediately after the day on which the person died if the person had not died: the result is called the ***person's individual rate***.
- Step 5. Take the person's individual rate away from the combined rate: the result is called the ***partner's instalment component***.
- Step 6. Work out the number of paydays of the partner in the period that starts on the day on which the person dies and ends on the day on which the bereavement period ends.
- Step 7. Multiply the partner's instalment component by the number obtained in Step 6: the result is the amount of the lump sum payable under this section.

827 Matters affecting payment of benefits under this Subdivision

- (1) If:
- (a) a person is qualified for payments under this Subdivision and in relation to the death of the person's partner; and
 - (b) after the person's partner died, an amount to which the partner would have been entitled if the partner had not died has been paid under this Act or under Part III or IIIA of the Veterans' Entitlements Act; and

- (c) the Secretary is not satisfied that the person has not had the benefit of that amount;

the following provisions have effect:

- (d) the amount referred to in paragraph (b) is not recoverable from the person or from the personal representative of the person's partner except to the extent (if any) that the amount exceeds the amount payable to the person under this Subdivision;
- (e) the amount payable to the person under this Subdivision is to be reduced by the amount referred to in paragraph (b).

(2) If:

 - (b) had the amount of the original payment been worked out by reference to the person's circumstances on the change day (rather than those on the advance qualification day), a greater clean energy advance daily rate would have been used for working out that amount than the rate actually used for working out that amount.

Section 914G

- (3) This subsection covers a change in a person's circumstances that, apart from a multiple qualification exclusion, would (if any necessary administrative decisions were made) qualify the person for a clean energy bonus, under an Act or a scheme, relating to a payment other than the original qualifying payment.

Note: The person could make an election under subsection 1061VA(1) if Part 2.25C applies to the person in relation to the social security payment. That election would cause quarterly energy supplement to be payable (see section 915).

- (2) An election comes into force as soon as practicable after it is made.
- (3) An election ceases to be in force if the person ceases to receive a social security payment (a *main payment*) calculated using a Rate Calculator that has an energy supplement Module.

Step 1. Work out the number of days that, at the time of qualification under section 1035A, remain from the period of 26 weeks referred to in paragraph (c) (counting the day on which that qualification occurs as a whole day).

Step 2. Multiply the result under Step 1 by the amount worked out under the following formula:

$$\frac{\text{Rate of mobility allowance specified in subsection 1044(1)}}{\text{Rate of mobility allowance specified in subsection 1044(1A)}}$$

If the result is not a whole number, round the result down to the next whole number.

Step 3. Subtract the result under Step 2 from the result under Step 1.

 - (b) the amount of an advance payment of a social security entitlement that the person received in full (whether as a single lump sum or in instalments) more than 12 months ago has not been fully repaid; or
 - (c) the person owes a debt to the Commonwealth (whether arising under this Act or not) that is recoverable under Part 5.2 by means of deductions from the person's social security payment.

The amount worked out under paragraph (a) must be rounded to the nearest cent (rounding 0.5 cents upwards).

Note 1: The amount of the advance payment will be more than the minimum qualifying amount for the person (see paragraph 1061A(3)(a)).

Note 2: For *advance payment qualifying amount*, see subsection 23(1).

1061ED Amount of advance payment—pension PP (single)

Note: The amount of the advance payment will be at least \$250 (see paragraph 1061A(4)(a)).

Formula for maximum amount of advance under paragraph (2)(b)

- (3) For the purposes of paragraph (2)(b), the maximum amount of advance payment payable to the person is the amount worked out using the following formula:

$6\% \times \text{annual payment rate}$

where:

annual payment rate means:

- (a) if the person was receiving pension PP (single) on the last payday before the application for the advance payment was lodged—the rate at which the pension was payable under the Pension PP (Single) Rate Calculator to the person on that payday, disregarding any amount payable by way of remote area allowance; or
- (b) if the person was receiving benefit PP (partnered) on the last payday before the application for the advance payment was lodged—the rate at which pension PP (single) is payable to the person under the Pension PP (Single) Rate Calculator on the person's first pension PP (single) payday after the application for the advance payment was lodged, disregarding any amount payable by way of remote area allowance.

Rounding

- (4) Amounts worked out under subsection (3) must be rounded to the nearest cent (rounding 0.5 cents upwards).

Example:

Facts: Geoff has, at all times during the past 5 months, been receiving pension PP (single). His annual payment rate is \$4,680. He applies for an advance payment of \$290.

Application: The maximum amount of advance payment payable to Geoff is worked out under subsection (3) as follows: $6\% \times \$4680 = \280.80 . This is the smallest of the 3 amounts referred to in

Section 1061EE

subsection (2). Geoff can therefore be paid an advance payment of \$280.80.

1061EE Amount of advance payment—certain other social security payments

Application

- (1) The amount of an advance payment of benefit PP (partnered), youth allowance, austudy payment or jobseeker payment is worked out according to this section.

Note: The amount of the advance payment will be at least \$250 (see paragraph 1061A(4)(a)).

Formula for maximum amount of advance: benefit PP (partnered), youth allowance, austudy payment or jobseeker payment

- (4) For the purpose of paragraph (2)(b), the maximum amount of advance payment of benefit PP (partnered), youth allowance, austudy payment or jobseeker payment payable to the person is the amount worked out under the following formula:

$$7\% \times \text{Fortnightly payment rate} \times 26$$

Rounding

- (5) Amounts worked out under subsection (4) must be rounded to the nearest cent (rounding 0.5 cents upwards).

Meaning of fortnightly payment rate

(6) For the purposes of the formula in subsection (4):

fortnightly payment rate means:

- (a) in relation to benefit PP (partnered)—the fortnightly rate of that benefit payable under the Benefit PP (Partnered) Rate Calculator to the person on the last payday before the application for the advance payment was lodged, excluding any amount payable by way of remote area allowance; or

Section 1061PI

Note: For allowable study time for a course see subsections (3) and (4).

Allowable study time—25% concessional study-load students

Matters to be disregarded in determining whether someone has exceeded the allowable study time

- (7) In determining whether a person has exceeded the allowable study time (for a full-time student or a concessional study-load student), disregard the following:
- (a) if the person has completed a course (a **pre-requisite course**), the completion of which is the normal requirement for

Section 1061PI

- admission to the course in which the person is enrolled, or intends to enrol—time spent undertaking the pre-requisite course;

- (3) This section has effect subject to subsection 1210(3).

 - (b) the Secretary is satisfied that the person is not likely to receive the amount or value of a disqualifying education costs scholarship in the period of 6 months starting immediately after that qualification test day; and
 - (c) the person notifies the Secretary of the person's tax file number.

Section 1061ZVBB

Note 1: For *approved scholarship course*, see section 592M.

Note 2: If the condition in subparagraph (a)(iii) is no longer met in a certain period starting on the qualification test day, the amount of the loan might become an immediately recoverable debt, rather than an income-contingent SSL debt: see subsection 1223ABF(1).

Receiving austudy payment

- (2) A person is qualified for a student start-up loan for a qualification period if:
- (a) on the person's qualification test day for the period:
 - (i) the person is qualified for austudy payment and austudy payment is payable to the person; and
 - (ii) the person is receiving austudy payment and would be receiving austudy payment if steps 2 and 2A of the method statement in point 1067L-A1 of the Austudy Payment Rate Calculator were disregarded for the purposes of working out the person's rate of that payment; and
 - (iii) the person is qualified for austudy payment under section 568 in circumstances where subsection 569(1) (about qualifying study) applies and the relevant course of education is an approved scholarship course; and
 - (b) the Secretary is satisfied that the person is not likely to receive the amount or value of a disqualifying education costs scholarship in the period of 6 months starting immediately after that qualification test day; and
 - (c) the person notifies the Secretary of the person's tax file number.

Note 1: For *approved scholarship course*, see section 592M.

Note 2: The person might incur a debt if the condition in subparagraph (a)(iii) is no longer met in a certain period starting on the qualification test day: see subsection 1223ABF(1).

Qualification test day

- (3) A person's *qualification test day* for a qualification period is the earliest of the following:
-

- (a) the day the Secretary determines the person's claim for a student start-up loan for the qualification period;
- (b) if the approved scholarship course ends in the qualification period—the last day of the approved scholarship course;
- (c) the last day of the qualification period.

1061ZVBC Circumstances in which person is not qualified for student start-up loan

Despite section 1061ZVBB, a person is not qualified for a student start-up loan for a qualification period if:

- (a) immediately before the person's qualification test day for the period:
 - (i) a determination is in effect that the person is qualified for a student start-up loan for the qualification period; or
 - (ii) a determination is in effect that the person is qualified for an ABSTUDY student start-up loan under the *Student Assistance Act 1973* for the qualification period; or
- (b) in the period of 6 months ending immediately before that qualification test day, the person:
 - (i) has received a payment known as a student start-up scholarship payment under the scheme referred to in section 117 of the *Veterans' Entitlements Act*; or
 - (ii) has received a payment known as a student start-up scholarship payment under the scheme referred to in section 258 of the *Military Rehabilitation and Compensation Act*; or
 - (iii) has received the amount or value of a disqualifying education costs scholarship; or

Chapter 2AA Student start-up loans

Part 2AA.2 Qualification for and amount of student start-up loan

Section 1061ZVBD

1061ZVBD Amount of student start-up loan

The amount of a student start-up loan for which a person is qualified is \$1,025.

Note: The amount of the loan is to be indexed on each 1 January in line with CPI increases (see sections 1190 to 1194).

Part 2AA.3—Indebtedness

Division 1—Introduction

1061ZVCA Simplified outline of this Part

A person incurs an SSL debt if the person receives a student start-up loan (except in certain circumstances when the loan is required to be recovered as a social security debt under this Act).

Each SSL debt is incorporated into the person's accumulated SSL debt. This accumulated SSL debt forms the basis for working out the amounts the person is obliged to repay.

Division 2—Incurring SSL debts

1061ZVDA SSL debts

- (1) A person incurs an SSL debt to the Commonwealth if the person is paid a student start-up loan for a qualification period.
- (2) The SSL debt is incurred by the person on the later of:
 - (a) the day the person was paid the loan; and
 - (b) the day after the person's enrolment test day for the qualification period.

Note: For *enrolment test day*, see subsection (5).

- (3) The amount of the person's SSL debt is the amount of the loan, reduced by any amount repaid before the day on which the debt is incurred.
- (4) Despite subsection (1), an SSL debt is not incurred, and is taken never to have been incurred, in relation to a loan if:
 - (a) the loan has been fully repaid before the day on which the SSL debt in respect of the loan would be incurred; or
 - (b) the amount of the loan is a debt under section 1223 or 1223ABF; or
 - (c) the Secretary has formed an opinion under subsection 1223ABF(3) in relation to the loan (relating to exceptional circumstances beyond the person's control).
- (5) A person's *enrolment test day*, for a qualification period, is the earliest of the following days:
 - (a) if the relevant approved scholarship course ends in the qualification period—the last day of that approved scholarship course;
 - (b) the last day of the qualification period;
 - (c) the 35th day of the period starting on whichever of the following applies:

Section 1061ZVDB

- (i) if the person's qualification test day for the qualification period was before the first day of the relevant approved scholarship course—the first day of that approved scholarship course;
- (ii) otherwise—the qualification test day.

Note: For *approved scholarship course*, see section 592M.

1061ZVDB SSL debt discharged by death

Upon the death of a person who owes an SSL debt to the Commonwealth, the debt is taken to have been paid.

Note: SSL debts are not provable in bankruptcy: see subsection 82(3AB) of the *Bankruptcy Act 1966*.

1061ZVDC Notice to Commissioner

- (1) If a person incurs an SSL debt, the Secretary must give the Commissioner a notice specifying the amount of the debt incurred by the person.
- (2) The Secretary may include in the notice any other details the Commissioner requests for the purpose of ensuring the Commissioner has the information needed to exercise powers or perform functions of the Commissioner under this Act.

Division 3—Working out accumulated SSL debts

1061ZVEA Simplified outline of this Division

There are 2 stages to working out a person's accumulated SSL debt for a financial year.

In stage 1, the person's former accumulated SSL debt is worked out by adjusting the preceding financial year's accumulated SSL debt to take account of:

- (a) the HELP debt indexation factor for 1 June in that financial year; and
- (b) the debts that the person incurs during the last 6 months of the preceding financial year; and
- (c) voluntary SSL repayments of the debt; and
- (d) compulsory SSL repayment amounts in respect of the debt.

In stage 2, the person's accumulated SSL debt is worked out from:

- (a) the person's former accumulated SSL debt; and
- (b) the SSL debts that the person incurs during the first 6 months of the financial year; and
- (c) voluntary SSL repayments of those debts.

1061ZVEB Stage 1—working out a former accumulated SSL debt

- (1) A person's *former accumulated SSL debt*, in relation to the person's accumulated SSL debt for a financial year, is worked out by multiplying:
 - (a) the amount worked out using the following method statement; by
 - (b) the HELP debt indexation factor for 1 June in that financial year.

Method statement

- Step 1. Take the person's accumulated SSL debt for the immediately preceding financial year. (This amount is taken to be zero if the person has no accumulated SSL debt for that financial year.)
- Step 2. Add the sum of all of the SSL debts (if any) that the person incurred during the last 6 months of the immediately preceding financial year.
- Step 3. Subtract the sum of the amounts by which the person's debts referred to in steps 1 and 2 are reduced because of any voluntary SSL repayments that have been made during the period:
- (a) starting on 1 June in the immediately preceding financial year; and
 - (b) ending immediately before the next 1 June.
- Step 4. Subtract the sum of all of the person's compulsory SSL repayment amounts that:
- (a) were assessed during that period (excluding any assessed as a result of a return given before that period); or
 - (b) were assessed after the end of that period as a result of a return given before the end of that period.
- Step 5. Subtract the sum of the amounts by which any compulsory SSL repayment amount of the person is increased (whether as a result of an increase in the person's taxable income of an income year or otherwise) by an amendment of an assessment made during that period.

Section 1061ZVEC

Step 6. Add the sum of the amounts by which any compulsory SSL repayment amount of the person is reduced (whether as a result of a reduction in the person's taxable income of an income year or otherwise) by an amendment of an assessment made during that period.

- (2) For the purposes of this section, an assessment, or an amendment of an assessment, is taken to have been made on the day specified in the notice of assessment, or notice of amended assessment, as the date of issue of that notice.

1061ZVEC Stage 2—working out an accumulated SSL debt

- (1) A person's *accumulated SSL debt*, for a financial year, is worked out as follows:

$$\text{Former accumulated SSL debt} + \text{SSL debts incurred} - \text{SSL debt repayments}$$

where:

former accumulated SSL debt is the person's former accumulated SSL debt in relation to that accumulated SSL debt.

SSL debt repayments is the sum of all of the voluntary SSL repayments (if any) paid, on or after 1 July in the financial year and before 1 June in that year, in reduction of the SSL debts incurred in that year.

SSL debts incurred is the sum of the amounts of all of the SSL debts (if any) that the person incurred during the first 6 months of the financial year.

- (2) The person incurs the accumulated SSL debt on 1 June in the financial year.

1061ZVED Rounding of amounts

- (1) If, apart from this section, a person's accumulated SSL debt would be an amount consisting of a number of whole dollars and a number of cents, disregard the number of cents.
- (2) If, apart from this section, a person's accumulated SSL debt would be an amount of less than \$1.00, the person's accumulated SSL debt is taken to be zero.

1061ZVEE Accumulated SSL debt discharges earlier debts

- (1) The accumulated SSL debt that a person incurs on 1 June in a financial year discharges, or discharges the unpaid part of:
 - (a) any SSL debt that the person incurred during the calendar year immediately preceding that day; and
 - (b) any accumulated SSL debt that the person incurred on the immediately preceding 1 June.
- (2) Nothing in subsection (1) affects the application of Division 2 of this Part or sections 1061ZVEB and 1061ZVEC.

1061ZVEF Accumulated SSL debt discharged by death

- (1) Upon the death of a person who has an accumulated SSL debt, the accumulated SSL debt is taken to be discharged.
- (2) To avoid doubt, this section does not affect any compulsory SSL repayment amounts required to be paid in respect of the accumulated SSL debt, whether or not those amounts were assessed before the person's death.

Note: Accumulated SSL debts are not provable in bankruptcy: see subsection 82(3AB) of the *Bankruptcy Act 1966*.

Part 2AA.4—Discharge of indebtedness

Division 1—Introduction

1061ZVFA Simplified outline of this Part

A person who owes a debt to the Commonwealth under this Chapter may make voluntary SSL repayments.

The person is required to make repayments once the person's income exceeds the minimum repayment income under the *Higher Education Support Act 2003* and the person has finished repaying any debt under that Act and certain other income-contingent loan schemes.

The amount of the repayments is based on the person's income.

The Commissioner makes assessments of repayment amounts, which are collected in the same way as amounts of income tax.

1061ZVFB Debts under this Chapter

- (1) The debts under this Chapter are:
 - (a) SSL debts; and
 - (b) accumulated SSL debts.
- (2) To avoid doubt, debts that arise under the following sections are not debts under this Chapter:
 - (a) section 1223 (Debts arising from lack of qualification, overpayment etc.);
 - (b) section 1223ABF (Debts in respect of student start-up loans).

Division 2—Voluntary discharge of indebtedness

1061ZVGA Voluntary SSL repayments in respect of debts

- (1) A person may at any time make a payment in respect of a debt that the person owes to the Commonwealth under this Chapter.
- (2) The payment must be made to the Commissioner.

1061ZVGB Application of voluntary SSL repayments

- (1) Any money a person pays under this Division to meet the person's debts to the Commonwealth under this Chapter is to be applied in payment of those debts as the person directs at the time of the payment.
- (2) If the person has not given any directions, or the directions given do not adequately deal with the matter, any money available is to be applied as follows:
 - (a) first, in discharge or reduction of any accumulated SSL debt of the person;
 - (b) second, in discharge or reduction of:
 - (i) any SSL debt of the person; or
 - (ii) if there is more than one such debt, those debts in the order in which they were incurred.

1061ZVGC Refunding of payments

If:

- (a) a person pays an amount to the Commonwealth under this Division; and
- (b) the amount exceeds the sum of:
 - (i) the amount required to discharge the total debt that the person owed to the Commonwealth under this Chapter; and

Section 1061ZVGC

- (ii) the total amount of the person's primary tax debts (within the meaning of Part IIB of the *Taxation Administration Act 1953*);
- the Commonwealth must refund to the person an amount equal to that excess.

Division 3—Compulsory discharge of indebtedness

Subdivision A—Liability to repay amounts

1061ZVHA Liability to repay amounts

- (1) If:
- (a) a person's HELP repayment income for an income year exceeds the minimum HELP repayment income for the income year; and
 - (b) on 1 June immediately preceding the making of an assessment in respect of the person's income of that income year, the person had an accumulated SSL debt;

the person is liable to pay to the Commonwealth, in accordance with this Division, so much of the person's repayable SSL debt for the income year as does not exceed the amount worked out using the formula:

$$\frac{\text{Applicable percentage of repayment income}}{\text{Relevant income-contingent loans liability}}$$

where:

applicable percentage of repayment income means the amount that is the percentage of the person's HELP repayment income applicable under the table in section 154-20 of the *Higher Education Support Act 2003*.

relevant income-contingent loans liability means the amount that is the sum of the following:

- (a) the sum of any amounts the person is liable to pay under section 154-1 or 154-16 of the *Higher Education Support Act 2003* in respect of the income year;

Section 1061ZVHB

- (b) the sum of any amounts the person is liable to pay under section 1061ZZEZ of this Act, or section 12ZK of the *Student Assistance Act 1973*, in respect of the income year.
- (2) A person is not liable under this section to pay an amount for an income year if the amount worked out under subsection (1) is zero or less.

- (2) A reference in paragraph (1)(b) of this section to an amount assessed to be payable is, if the amount has been increased or reduced by an amendment of the relevant assessment, a reference to the increased amount or the reduced amount.

Subdivision B—Assessments

1061ZVHC Commissioner may make assessments

The Commissioner may, from any information in the Commissioner's possession, whether from a return or otherwise, make an assessment of:

- (a) the person's accumulated SSL debt on 1 June immediately before the making of the assessment; and

- (5) The Commissioner may defer making the assessment for any period that he or she thinks appropriate.
- (6) The Commissioner must, as soon as practicable after an application is made under this section:

Chapter 2B Student Financial Supplement Scheme

Part 2B.1 Establishment of scheme

Division 1 Preliminary

Section 1061ZW

Chapter 2B—Student Financial Supplement Scheme

Note: Section 19AB contains many of the definitions that are relevant to the provisions of this Chapter.

Part 2B.1—Establishment of scheme

Division 1—Preliminary

1061ZW Object of this Chapter

The object of this Chapter is to establish a Student Financial Supplement Scheme enabling certain tertiary students to obtain a repayable financial supplement by entering into a contract for that purpose with a financial corporation that participates in the scheme.

1061ZX Outline of the scheme

- (1) The scheme provides for the reduction of the rate of youth allowance, austudy payment or pensioner education supplement payable to a person who obtains financial supplement.
- (2) The scheme contains provisions under which the amount of supplement that the person is eligible to obtain depends on the total rate of youth allowance, austudy payment or pensioner education supplement that the person chooses to receive. Those provisions allow the person to choose to repay some or all of the youth allowance, austudy payment or pensioner education supplement, or to receive a lower rate of payment of such an allowance, payment or supplement, in order to receive a higher amount of financial supplement.
- (3) The scheme provides that the person is not liable to pay interest to the financial corporation in respect of financial supplement received by the person, but provides for payment by the

Commonwealth, without cost to the person, to the financial corporation of a subsidy that includes an amount in lieu of interest.

- (4) The scheme provides for the amount of the financial supplement that has to be repaid under a contract to be indexed on 1 June in the year next following the year in which the contract is entered into, and on 1 June in each later year. The amount by which the supplement is increased by indexation is owed by the person to the Commonwealth and not to the financial corporation.
- (5) Under the scheme, the person is entitled, but not required, to make early repayments in respect of the supplement during the period of the contract. The scheme provides for a discount for any repayments made before the end of that period.
- (6) The scheme provides that, if financial supplement paid to a person is not repaid in full before the end of the period of the contract, the obligation to repay the outstanding amount of the supplement is transferred to the Commonwealth, and the indexed amount is repayable by the person to the Commonwealth through the taxation system when the person's income reaches a specified level.

Division 2—Eligibility to obtain financial supplement

1061ZY Eligibility to obtain financial supplement

- (1) Subject to subsection (2), a person is eligible to obtain financial supplement for a period (an *eligibility period*) that is a year or a part of a year if:
 - (a) the person is undertaking, or intending to undertake, a tertiary course at an educational institution throughout the period; and
 - (b) the person does not undertake a course of primary or secondary education at any time during the period; and
 - (c) the person is a category 1 student or a category 2 student in respect of the period; and
 - (d) the amount of financial supplement that the person is eligible to obtain under Division 6 for the year is not less than the minimum amount of financial supplement.
- (2) A person is not eligible to obtain financial supplement for an eligibility period that begins on or after the day on which the *Student Assistance Legislation Amendment Act 2006* receives the Royal Assent.

1061ZZ Category 1 student

- (1) A person is a *category 1 student* in respect of a period if, throughout the period, one or more of the payments referred to in this section are payable to the person.
- (2) The payment may be youth allowance if:
 - (a) the person's youth allowance general rate is more than zero; and
 - (b) the youth allowance is payable because the person is undertaking full-time study.
- (3) The payment may be austudy payment if the person's austudy payment general rate is more than zero.

- (4) The payment may be pensioner education supplement.

1061ZZA Category 2 student

- (1) A person is a **category 2 student** in respect of a period if:

- (1) The *amount outstanding* under a financial supplement contract at a time (the *test time*) before 1 June in the year immediately after the year in which the contract was made is the amount worked out using the formula:

Principal sum – (Amounts repaid + Discounts)

- (2) For the purpose of applying the formula in subsection (1) at the test time:

amounts repaid means the total of the amounts repaid under the contract before the test time.

discounts means the total of the discounts to which the person became entitled before the test time.

principal sum means the principal sum at the test time.

1061ZZCH Calculation of amount outstanding under financial supplement contract at a later time

- (a) the period of 12 months beginning on 1 June in the year immediately after the year in which the contract was made;
or
(b) any of the following 3 periods of 12 months;
is the amount worked out using the formula:

$$\left(\begin{array}{c} \text{Previous amount} \\ \text{outstanding} \end{array} \times \begin{array}{c} \text{Indexation} \\ \text{factor} \end{array} \right) - \left(\begin{array}{c} \text{Amounts} \\ \text{repaid} \end{array} + \text{Discounts} \right)$$

discounts means the total of the discounts to which the person became entitled during the test period but before the test time.

indexation factor means the number worked out using the method statement in subsection (3).

Method statement

- Step 1. Work out the total of the index number for the March quarter in the later reference period and the index numbers for the 3 immediately preceding quarters.
- Step 2. Work out the total of the index number for the March quarter in the earlier reference period and the index numbers for the 3 immediately preceding quarters.

Section 1061ZZCI

Step 3. Divide the total worked out under Step 1 by the total worked out under Step 2.

Step 4. Round the result to 3 decimal places.

(4) In subsection (3):

earlier reference period means the period of 12 months immediately before the later reference period.

later reference period means the period of 12 months immediately before the test period.

- (6) If, apart from this subsection, an amount worked out under this section would be an amount of dollars and cents, disregard the amount of the cents.

1061ZZCI Notification of amount outstanding

- (1) The Secretary must give to a person who is a party to a financial supplement contract with a participating corporation a notice of an amount outstanding under the contract that exists on:
- (a) 1 June in the year following the year in which the contract was made; or

1061ZZCJ Person not required to, but may, make repayments during contract period

- (1) Subject to sections 1061ZZDE, 1061ZZDL, 1061ZZDV and 1061ZZEE, a person who is a party to a financial supplement contract with a participating corporation is not required during the contract period to make a repayment of the amount outstanding under the contract.
- (2) Non-payment by the person during the contract period of the amount outstanding is not a default under the contract for the purposes of any law of the Commonwealth, of a State or of a Territory.
- (3) However, the person may, at any time during the contract period, make a repayment (an *amount repaid*) to the corporation of the whole or a part of the amount outstanding at that time.
- (4) Subsection (3) has effect subject to section 1061ZZCL.

1061ZZCK What happens if person makes an excess repayment

If a person purports to make a repayment to a participating corporation under a financial supplement contract by paying an amount under subsection 1061ZZCJ(3) that exceeds the amount that, having regard to the discount to which the person is entitled, would be needed to pay in full the amount outstanding, the excess:

- (a) is taken not to be a repayment; and
- (b) must be repaid by the corporation to the person.

1061ZZCL Amount repaid not to include certain amounts

If the person makes a repayment under subsection 1061ZZCJ(3), the amount repaid is to be disregarded for the purposes of this Division:

Section 1061ZZCM

- (a) to the extent to which it relates to wrongly paid supplement;
or
- (b) if it is repaid after the giving of a notice under
section 1061ZZCZ, 1061ZZDG, 1061ZZDQ or 1061ZZEA.

1061ZZCM How to work out discount

- (1) If, during the contract period, a person makes a repayment of an amount that is less than the amount outstanding, the person is entitled, in respect of the repayment, to a **discount** of an amount worked out using the formula:

$$\left(\text{Amount repaid} \times \frac{100}{85} \right) - \text{Amount repaid}$$

- (2) If, during the contract period, a person makes a repayment of an amount that is equal to the amount outstanding, the person is entitled, in respect of the repayment, to a **discount** of an amount worked out using the formula:

$$\left(\text{Amount repaid} \times \frac{115}{100} \right) - \text{Amount repaid}$$

- (3) If, apart from this subsection, an amount worked out under subsection (1) or (2) would be an amount of dollars and cents, the amount is to be rounded to the nearest number of whole dollars (rounding 50 cents upwards).

1061ZZCN Effect of making a repayment during contract period

Application

- (1) This section applies if a person, at a time (the **repayment time**) during the contract period of a financial supplement contract made by the person with a participating corporation, makes a repayment (the **relevant repayment**) in respect of the amount outstanding under the contract. For the purposes of this section, it is first necessary to work out whether an indexation amount is taken to

have existed in respect of the contract immediately before the repayment time.

When an indexation amount is taken to have existed

- (2) For the purposes of this section, an **indexation amount** is taken to have existed in respect of the contract immediately before the repayment time if:
- (a) an amount outstanding under the contract existed immediately before the repayment time under section 1061ZZCH; and
 - (b) that amount outstanding exceeds the amount worked out using the formula:

$$\text{Principal sum} - \left(\text{Amounts repaid} + \text{Amounts previously notionally repaid} \right)$$

Meaning of expressions used in formula

- (3) For the purpose of applying the formula in subsection (2) immediately before the repayment time:

amounts previously notionally repaid means the total of the amounts notionally repaid under the contract before the repayment time because of the application of this section in respect of previous repayments.

amounts repaid means the total of the amounts repaid under the contract before the repayment time.

principal sum means the principal sum immediately before the repayment time.

What constitutes indexation amount

- (4) The indexation amount referred to in subsection (2) is the amount of the excess referred to in paragraph (2)(b).

Section 1061ZZCN

If no indexation amount

- (5) If no indexation amount existed in respect of the contract immediately before the repayment time, the person is taken to have repaid to the corporation at the repayment time an amount (an **amount notionally repaid**) equal to the discount to which the person is entitled in respect of the relevant repayment.

If discount does not exceed indexation amount

- (6) If:
- (a) an indexation amount existed in respect of the contract immediately before the repayment time; and
 - (b) the discount to which the person is entitled in respect of the relevant repayment is equal to or less than the indexation amount;
- the amount outstanding under the contract is taken to be reduced by the discount.

If discount exceeds indexation amount

- (7) If:
- (a) an indexation amount existed in respect of the contract immediately before the repayment time; and
 - (b) the discount to which the person is entitled in respect of the relevant repayment exceeds the indexation amount;
- the following paragraphs have effect:
- (c) the amount outstanding under the contract is taken to be reduced by the indexation amount;
 - (d) the person is taken to have repaid to the corporation at the repayment time an amount (an **amount notionally repaid**) equal to the excess.

Commonwealth to pay corporation amounts notionally repaid

- (8) The Commonwealth must pay to the corporation an amount equal to any amount notionally repaid.

- (2) The corporation's rights under the contract are, by this subsection, transferred to the Commonwealth at the end of the contract period.
- (3) If the principal sum exceeds the total of the amounts repaid and the amounts notionally repaid, the Commonwealth must pay the excess to the corporation.

1061ZZCQ Termination notice

- (1) As soon as practicable after the termination date of a financial supplement contract made by a person with a participating corporation, the Secretary must arrange for written notice (the ***termination notice***) to be given to the person if such a notice has not already been given under the Social Security Student Financial

Section 1061ZZCR

Supplement Scheme 1998 or the *Student Assistance Act 1973* as in force at a time before 1 July 1998.

- (a) first, to discharge or reduce the person's FS assessment debts; and
- (b) then, to discharge or reduce the person's accumulated FS debt.

1061ZZFP Debt discharged by death

If a person dies owing a debt owing to the Commonwealth under this Part, other than an FS assessment debt, the debt is discharged by force of this section.

- (2) A right of the Commonwealth or of the corporation to bring an action or other proceeding against the person in respect of the debt is not affected by the bankruptcy or personal insolvency agreement.
- (3) The trustee of the estate of the bankrupt person or the trustee of the personal insolvency agreement is not entitled to recover under the *Bankruptcy Act 1966* a payment made by the person to the Commonwealth or to the corporation in respect of the debt.
- (4) In this section:

debt arising under or out of the contract:

- (a) includes, but is not limited to:
 - (i) an amount outstanding under the contract; and

Section 1061ZZFR

- (iii) an accumulated FS debt that discharges, or discharges the unpaid part of, an FS debt; but

 - (ii) an FS assessment debt that is required to be paid to reduce an accumulated FS debt.

Division 2—Review of decisions

1061ZZFS What happens if a decision of the Secretary is set aside

- (1) Subject to subsection (2), if a decision of the Secretary under this Chapter is set aside after a review under Chapter 6, this Chapter has effect, and is taken to have always had effect, as if the decision had not been made.
- (2) If the decision is set aside after a review under Chapter 6 and another decision is substituted for the original decision, this Chapter has effect, and is taken to have always had effect, as if the substituted decision had been the original decision.

1061ZZFT What happens if a decision of the Secretary is varied

If a decision of the Secretary under this Chapter is varied after a review under Chapter 6, this Chapter has effect, and is taken to have always had effect, as if the decision as varied had been the original decision.

Division 3—Transfer of rights under this Chapter

1061ZZFU Notices of transfer

If any rights of a participating corporation to receive a payment from a person under this Chapter are transferred to the Commonwealth, the Secretary must, as soon as practicable, arrange for a written notice to be given to the person:

- (b) identifying any future payments that, because of the transfer, are required to be made to the Commonwealth.

1061ZZFV Transfers not subject to State or Territory taxes

A transfer to the Commonwealth under this Chapter of any of the corporation's rights under a financial supplement contract, or any other act or thing done or transaction entered into under this Chapter, is not subject to taxation under a law of a State or Territory.

Chapter 2C—Assurances of support

Part 2C.1—Giving assurances

1061ZZGA What is an assurance of support?

In this Chapter:

assurance of support means an undertaking by a person under this Chapter that the person will pay the Commonwealth an amount equal to the amount of social security payments that are:

- (a) received in respect of a period by another person who:
 - (i) is identified in the undertaking; and
 - (ii) becomes the holder under the *Migration Act 1958* of a visa granted in connection with the undertaking (whether or not the person continues to hold the visa throughout the period); and
- (b) specified in a determination in force under section 1061ZZGH when the payments are received.

Note: An assurance of support may relate to social security payments received by 2 or more persons. See paragraph 23(b) of the *Acts Interpretation Act 1901*.

1061ZZGB Who may give an assurance of support?

A person may give an assurance of support only if the requirements specified for the purposes of this section in a determination under section 1061ZZGH are met in relation to the person.

Note 1: If a person who does not meet the requirements gives an undertaking purporting to be an assurance of support, the undertaking is not an assurance of support (because it is not under this Chapter) and the Secretary is not required either to accept or to reject the purported assurance.

Note 2: This section lets 2 or more persons give an assurance of support if they all meet the requirements specified in a determination under

Section 1061ZZGC

section 1061ZZGH. See paragraph 23(b) of the *Acts Interpretation Act 1901*.

1061ZZGC How to give an assurance of support

- (1) A person gives an assurance of support by:
- (a) delivering the assurance in writing in accordance with a form approved by the Secretary:
 - (i) to a person apparently performing duties at a place approved for the purpose by the Secretary; or
 - (ii) to a person approved for the purpose by the Secretary; or
 - (iii) in a manner, and to a place, approved for the purpose by the Secretary; or
 - (b) giving the assurance in a manner approved by the Secretary for the purposes of this paragraph.

Note: If an undertaking purporting to be an assurance of support is given in some other way, the undertaking is not an assurance of support (because it is not under this Chapter) and the Secretary is not required either to accept or to reject the purported assurance.

- (2) A form approved for the purposes of paragraph (1)(a) may include other undertakings as well as the assurance of support.
- (3) A place or person approved for the purposes of paragraph (1)(a) may be in or out of Australia.
- (4) The Secretary's power to approve for the purposes of paragraph (1)(b) is not limited by any other provision of this section.

Material to accompany assurance of support

- (5) When a person is giving an assurance of support, the person must also give the following material in a way in which an assurance of support may be given under subsection (1):
- (a) information specified in a form approved by the Secretary;
 - (b) documents specified by the Secretary.

Section 1061ZZGC

- (6) If the person giving the assurance of support contravenes subsection (5), the assurance is taken not to have been given.

Part 2C.2—Acceptance of assurances

1061ZZGD Accepting or rejecting an assurance of support

- (1) If an assurance of support is given under this Chapter, the Secretary must accept or reject the assurance.

Accepting the assurance

- (2) The Secretary may accept the assurance, but only if:
- (a) he or she is satisfied that the requirements that are specified for the purposes of this paragraph in a determination under section 1061ZZGH and relate to the person who gave the assurance are met; and
 - (b) the requirements in subsection (3) are met, if the assurance is in respect of:
 - (i) a visa of a kind that can be granted under the *Migration Act 1958* only if an assurance of support is accepted; and
 - (ii) another person who was at least 18 at the time of the application for the visa;(whether or not the assurance is also in respect of someone else who was under 18 at the time of the application for the visa).

Note 1: The Secretary may accept an assurance given by 2 or more persons only if satisfied that the requirements specified in a determination under item 3 of the table in subsection 1061ZZGH(1) and relating to all of them are met. See paragraph 23(b) of the *Acts Interpretation Act 1901*.

Note 2: Subparagraph (2)(b)(i) does not apply to a visa of a kind in relation to which there is a discretion to request an assurance of support, because a visa of that kind can be granted without accepting an assurance if one is not requested (even if, in a case in which an assurance is requested, acceptance of the assurance is a condition for the grant of the visa).

Section 1061ZZGE

- (3) At least one person who gave the assurance must have given the Secretary a single security for the liability that may be incurred, under section 1061ZZGG in connection with the assurance and a social security payment received by anyone identified in the assurance, by everyone who gave the assurance. The security must:
- (a) be in a form approved by the Secretary; and
 - (b) be of a value specified for the purposes of this paragraph in a determination under section 1061ZZGH.

Rejecting the assurance

- (4) The Secretary may reject the assurance.
- (5) The circumstances in which the Secretary may reject the assurance include failure of the person giving the assurance to attend an interview relating to the assurance as requested by the Secretary. This subsection does not limit subsection (4).

1061ZZGE Notices relating to an assurance of support

- (1) If the Secretary accepts or rejects an assurance of support, he or she must give written notice of the acceptance or rejection to:
- (a) the person who gave the assurance; and
 - (b) the Minister administering the *Migration Act 1958*.
- The notice must name the person in respect of whom the assurance was given.
- (2) If:
- (a) the Secretary has accepted an assurance of support given by a person (the **assurer**) in respect of another person and a visa; and
 - (b) the Secretary is informed that the other person:
 - (i) is a holder under the *Migration Act 1958* of the visa; and
 - (ii) has entered the migration zone (as defined in that Act) before, on or after becoming the holder of the visa;

Section 1061ZZGE

the Secretary must give the assurer written notice of the period for which the assurance is in force in respect of the other person.

Note: Section 1061ZZGF explains when an assurance of support is in force in respect of the other person.

- (3) If the assurance of support ceases to be in force in respect of the other person at a time determined by the Secretary under subparagraph 1061ZZGF(1)(b)(ii) or (iii), the Secretary must give the assurer written notice of that fact.

Part 2C.3—Effect of accepted assurances

1061ZZGEA Assurance cannot be withdrawn once visa issued

A person who has given an assurance of support that has been accepted under this Chapter cannot withdraw that assurance once the person in respect of whom the assurance was given becomes the holder under the *Migration Act 1958* of a visa granted in connection with the assurance.

1061ZZGF When an accepted assurance is in force

- (1) For the purposes of this Act, an assurance of support that has been given in respect of a person identified in the assurance and has been accepted under this Chapter:
 - (a) comes into force in respect of the person at the later of the following times:
 - (i) the time at which the person becomes under the *Migration Act 1958* the holder of the visa that was granted under that Act in connection with the assurance;
 - (ii) the time at which the person enters the migration zone (as defined in that Act) as the holder of the visa; and
 - (b) remains in force in respect of the person until the earliest of the following times:
 - (i) the end of the period specified for the purposes of this subparagraph in a determination under section 1061ZZGH;
 - (ii) the time (if any) determined by the Secretary under subsection (2);
 - (iii) if a circumstance specified for the purposes of this subparagraph in a determination under section 1061ZZGH applies in relation to the assurance—the time determined by the Secretary in relation to that circumstance.

Section 1061ZZGG

Note: An assurance of support given in respect of 2 or more persons may be in force at different times in respect of each of those persons.

- (2) The Secretary may determine that the assurance of support ceases to be in force in respect of the person at the time (which may be before the determination is made) another assurance of support comes into force in respect of the person.
- (3) For the purposes of this Act, an assurance of support (as defined in section 1061ZZGA) is in force in respect of a person only for the period for which it is in force in respect of the person under subsection (1) of this section.
- (4) Except as provided by paragraph (1)(b), an assurance of support that has come into force in respect of a person remains in force in respect of that person in spite of any change in circumstances whatsoever (including any purported withdrawal, however described, of the assurance).

1061ZZGG Liability to pay for social security payments

- (1) This section has effect if:
 - (a) a person (the *assurer*) has given an assurance of support that has been accepted under this Chapter; and
 - (b) a social security payment is received, by another person who is identified in the assurance, in respect of all or part of the period for which the assurance is in force in respect of the other person; and
 - (c) the social security payment is specified for the purposes of this section in a determination in force under section 1061ZZGH when the payment is received.
- (2) The assurer is liable to pay the Commonwealth the amount of the social security payment.
- (3) If the assurance was given by more than one person, all of the persons who gave it are jointly and severally liable to pay the Commonwealth the amount of the social security payment.

Section 1061ZZGH

Part 2C.4—Determinations

1061ZZGH Determinations

- (1) The Minister must, by legislative instrument, make a determination specifying, for the purposes of the provisions mentioned in the table, the things in the table.

Determinations	
Provision(s)	Things to be specified
1 Definition of <i>assurance of support</i> in section 1061ZZGA and section 1061ZZGG	Social security payments
2 Section 1061ZZGB	Requirements to be met in relation to persons for them to be permitted by section 1061ZZGB to give assurances of support
3 Paragraph 1061ZZGD(2)(a)	Requirements to be met in relation to persons giving assurances of support for the Secretary to be permitted by subsection 1061ZZGD(2) to accept such assurances
4 Paragraph 1061ZZGD(3)(b)	Values of securities to be given for the Secretary to be permitted to accept assurances of support
5 Subparagraph 1061ZZG F(1)(b)(i)	Periods for which assurances of support accepted under this Chapter remain in force in respect of persons under section 1061ZZGF
6 Subparagraph 1061ZZG F(1)(b)(iii)	Circumstances in which assurances of support accepted under this Chapter cease to be in force

Note 1: A determination may specify matters and things by reference to classes and may make different provision with respect to different matters or classes of matters. See the *Legislation Act 2003*.

Note 2: The Minister may amend a determination by another legislative instrument. See the *Acts Interpretation Act 1901*.

Section 1061ZZGH

- (2) A determination may specify, as a requirement to be met in relation to a person (the *assurer*) giving an assurance of support for the Secretary to be permitted by subsection 1061ZZGD(2) to accept the assurance, a requirement that relates to:
- (a) the members of a couple consisting of the assurer and the assurer's partner; or
 - (b) the assurer's partner.

This subsection does not limit the requirements that may be specified under item 3 of the table in subsection (1) of this section.

- (3) Before making a determination specifying a thing described in item 4 or 5 of the table in subsection (1), the Minister must ask the Minister administering the *Migration Act 1958* for comments on the things that should be specified and consider the comments (if any) received.

Part 2C.5—Assurances by unincorporated bodies

1061ZZGI Application of social security law to unincorporated bodies

- (1) This Chapter, and the rest of the social security law so far as it relates to this Chapter, apply to an unincorporated body or association (the *body*) as if it were a person other than an individual, but they apply with the following changes.

Acts of certain persons treated as acts of the body

- (2) One change is that anything done or omitted by or in relation to:
- (a) if the body is a partnership—a partner; or
 - (b) in any other case—a member of the committee of management of the body;
- on behalf of the body is taken to have been done or omitted by the body.

Imposition of obligations and liabilities

- (3) Another change is that obligations, or liabilities under section 1061ZZGG, that would be imposed on the body are imposed instead on:
- (a) if the body is a partnership—each partner; or
 - (b) in any other case—each member of the committee of management of the body;
- but they may be discharged by any of the partners or any of those members.

The body cannot commit an offence

- (4) Another change is that if, apart from this subsection, the body would commit an offence, the body does not commit the offence.

Example: Subsection (1) applies section 217 of the *Social Security (Administration) Act 1999* to the body as if it were a person. That

Section 1061ZZGI

section provides that a person who contravenes certain provisions of that Act about false or misleading statements commits an offence. The body does not commit an offence if it contravenes those provisions by making a false or misleading statement.

Limit on scope of changes

- (5) Subsections (2) and (3) do not affect:
- (a) whether, for the purposes of section 1061ZZGB (about giving an assurance of support), the requirements specified in a determination under section 1061ZZGH are met in relation to the body; or
 - (b) whether, for the purposes of paragraph 1061ZZGD(2)(a) (about accepting an assurance of support), the requirements specified in a determination under section 1061ZZGH are met in relation to the body.

Note: Whether the body may give an assurance of support and whether such an assurance may be accepted depend on whether the requirements specified in relation to the body are met, rather than whether requirements relating to a person who is a partner or member of the body's management committee are met in relation to that partner or member.

- (6) A determination under section 1061ZZGH (applying in accordance with this section) may specify, for the purposes of section 1061ZZGB or paragraph 1061ZZGD(2)(a) (as so applying in relation to the body), a requirement that relates to:
- (a) one or more of the partners, if the body is a partnership; or
 - (b) some or all of the members of the body or of its committee of management, if the body is not a partnership.

This subsection does not limit the requirements relating to the body that may be specified.

Chapter 3—General provisions relating to payability and rates

Part 3.1—Rate Calculators (General)

1062E Steps in rate calculation

- (1) The following are the usual steps in the rate calculation process:
 - (a) start with a maximum basic rate;
 - (b) add any additional amounts that are subject to income or assets testing;
 - (c) apply the income and assets tests;
 - (d) add any additional amounts that are not subject to income or assets testing.
- (2) The overall rate calculation process is usually described in an early Module of the relevant Rate Calculator.

1063 Standard categories of family situations

- (1) The Rate Calculators use the following standard categories of family situations:
 - not member of a couple;
 - member of a couple (or partnered);
 - partnered (partner getting neither pension nor benefit);
 - partnered (partner getting pension or benefit);
 - partnered (partner getting pension);
 - partnered (partner getting benefit);
 - partnered (partner in gaol).

Note: See section 4 for definitions of those terms.

- (2) If it is necessary to distinguish between the members of sub-categories of these standard categories further words of description are added to the standard category label.

Part 3.2—Pension Rate Calculator A

1064 Rate of age and disability support pensions and carer payment (people who are not blind)

- (1) The rate of:
- (a) age pension; and
 - (b) disability support pension of a person who has turned 21, or of a person who has not turned 21 and has one or more dependent children; and
 - (d) carer payment;
- is, subject to subsection (2), to be calculated in accordance with the Rate Calculator at the end of this section.

Note 1: Module A of the Rate Calculator establishes the overall rate calculation process and the remaining Modules provide for the calculation of the component amounts used in the overall rate calculation.

Note 2: The rate obtained by applying the Rate Calculator may be reduced because of:

- the receipt of compensation (see Part 3.14); or
- overseas portability (see Part 4.2—Division 3); or
- the receipt of payments under the New Enterprise Incentive Scheme (see Part 3.15).

Note 3: For *dependent child* see section 5.

- (2) Subsection (1) does not apply to a person's age or disability support pension if the person is permanently blind.

Note: The rate for an age pension or disability support pension payable to a person who is permanently blind is dealt with in section 1065.

- (4) If:
- (a) a person has a relationship with another person, whether of the same sex or a different sex (*other person*); and
 - (b) the relationship between them is a de facto relationship in the Secretary's opinion (formed after the Secretary has had

regard to all the circumstances of the relationship, including, in particular, the matters referred to in paragraphs 4(3)(a) to (e) and subsection 4(3A));

- (c) either or both of them are under the age of consent applicable in the State or Territory in which they are living;

the person's pension rate is not to exceed the rate at which it would be payable to the person if the other person were the person's partner.

Note: This provision has the effect of taking into account the ordinary income, maintenance income and assets of the partner in applying the ordinary income test, maintenance income test and assets test respectively.

Rate limited for armed service widow

(5) If:

- (a) an armed services widow is receiving a pension under Part II or IV of the Veterans' Entitlements Act at a rate determined under or by reference to subsection 30(1) of that Act; and

- (i) an age pension;
 - (ii) a disability support pension;
 - (iv) a carer payment;

the widow's pension rate is not to exceed:

- (c) if:
- (i) the widow has been receiving the payment referred to in paragraph (a) continuously since before 1 November 1986; and
 - (ii) immediately before 1 November 1986, the widow was receiving a payment referred to in paragraph (b) at a rate exceeding \$3,247.40; and
 - (iii) the pension referred to in paragraph (b) is of the same type as the one which was payable to the person before 1 November 1986;

the rate of pension received by the widow immediately before 1 November 1986; and

Section 1064

(d) in any other case—\$3,247.40.

Note: For *armed services widow* see subsection 4(1).

Rate limited for armed services widower

(6) If:

- (a) an armed services widower is receiving a pension under Part II or IV of the Veterans' Entitlements Act at a rate determined under or by reference to subsection 30(1) of that Act; and

Note: For *armed services widower* see subsection 4(1).

(7) If:

- (a) an armed services widow or an armed services widower is receiving the weekly amount mentioned in paragraph 234(1)(b) of the MRCA (including a reduced weekly amount because of a choice under section 236 of the MRCA) or has received a lump sum mentioned in subsection 236(5) of the MRCA; and
- (b) one of the following is payable to the widow or widower:
 - (i) an age pension;
 - (ii) a disability support pension;

Pension Rate Calculator A

Module A—Overall rate calculation process

Method of calculating rate

- 1064-A1 The rate of pension is a daily rate. That rate is worked out by dividing the annual rate calculated according to this Rate Calculator by 364 (fortnightly rates are provided for information only).

Method statement

- Step 1. Work out the person's **maximum basic rate** using MODULE B below.
- Step 1A. Work out the amount of pension supplement using Module BA below.
- Step 1B. Work out the energy supplement (if any) using Module C below.
- Step 3. Work out the amount per year (if any) for rent assistance in accordance with paragraph 1070A(b).
- Step 4. Add up the amounts obtained in Steps 1, 1A, 1B and 3: the result is called the **maximum payment rate**.
- Step 5. Apply the ordinary income test using MODULE E below to work out the income reduction.
- Note: Module F contains provisions that may apply to working out the ordinary income of a person, and the ordinary income of a partner of the person, for the purposes of disability support pension.
- Step 8. Take the income reduction away from the maximum payment rate: the result is called the **income reduced rate**.

Section 1064

- Step 9. Apply the assets test using MODULE G below to work out the reduction for assets.
- Step 10. Take the reduction for assets away from the maximum payment rate: the result is called the **assets reduced rate**.
- Step 11. Compare the income reduced rate and the assets reduced rate: the lower of the 2 rates, or the income reduced rate if the rates are equal, is the **provisional annual payment rate**.
- Step 12. The **rate of pension** is the amount obtained by:
- (a) subtracting from the provisional annual payment rate any special employment advance deduction (see Part 3.16B); and
 - (b) if there is any amount remaining, subtracting from that amount any advance payment deduction (see Part 3.16A); and
 - (c) adding any amount payable by way of remote area allowance (see Module H).

Note 1: If a person's assets reduced rate is less than the person's income reduced rate, the person may be able to take advantage of provisions dealing with financial hardship (sections 1129 and 1130).

Note 2: Section 1210 deals with the application of income and assets test reductions.

Note 3: The rate calculation for a member of a couple is affected by the operation of points 1064-A2 and 1064-A3.

Note 4: In some circumstances a person may also be qualified for a pharmaceutical allowance under Part 2.22.

Note 5: A person's rate may also be reduced because the person or the person's partner receives compensation (see section 1173) or because the person or the person's partner is receiving a foreign pension (see scheduled international social security agreements at section 1208).

Note 7: Clause 146 of Schedule 1A may affect the provisional annual payment rate in step 11.

Members of a couple

1064-A2 Where 2 people are members of a couple, they will be treated as pooling their resources (income and assets) and sharing them on a 50/50 basis (see points 1064-E2 and 1064-G2 below). They will also be treated as sharing expenses (e.g. for rent) on a 50/50 basis (see section 1070V).

Module B—Maximum basic rate

Maximum basic rate

1064-B1 A person's maximum basic rate depends on the person's family situation. Work out which family situation in Table B applies to the person. The maximum basic rate is the corresponding amount in column 3.

Table B—Maximum basic rates

Column 1 Item	Column 2 Person's family situation	Column 3 Rate per year	Column 4 Rate per fortnight
1.	Not member of couple	\$8,114.60	\$312.10
2.	Partnered	\$6,767.80	\$260.30
3.	Member of illness separated couple	\$8,114.60	\$312.10
4.	Member of respite care couple	\$8,114.60	\$312.10
5.	Partnered (partner in gaol)	\$8,114.60	\$312.10

Note 1: For *member of couple, partnered, illness separated couple, respite care couple* and *partnered (partner in gaol)* see section 4.

Note 2: The maximum basic rates are adjusted 6 monthly: see sections 1191 to 1198A.

Section 1064

Module BA—Pension supplement

Pension supplement

1064-BA1 A pension supplement amount is to be added to the person's maximum basic rate.

Residents in Australia etc.

1064-BA2 If the person is residing in Australia and:

- (a) is in Australia; or
- (b) is temporarily absent from Australia and has been so for a continuous period not exceeding 6 weeks;

the person's pension supplement amount is:

- (c) if an election by the person under subsection 1061VA(1) is in force—the amount worked out under point 1064-BA4; and
- (d) otherwise—the amount worked out under point 1064-BA3.

Residents in Australia etc.—no election in force

1064-BA3 The person's pension supplement amount is the amount worked out by:

- (a) applying the applicable percentage in the following table to the combined couple rate of pension supplement; and
- (b) if:
 - (i) the person is not partnered; and
 - (ii) the amount resulting from paragraph (a) is not a multiple of \$2.60;

rounding the amount up or down to the nearest multiple of \$2.60 (rounding up if the amount is not a multiple of \$2.60 but is a multiple of \$1.30).

Item	Person's family situation	Use this %
1	Not member of couple	66.33%
2	Partnered	50%
3	Member of illness separated couple	66.33%

Section 1064

Item	Person's family situation	Use this %
4	Member of respite care couple	66.33%
5	Partnered (partner in gaol)	66.33%

Note: For *combined couple rate of pension supplement*, see subsection 20A(1).

Residents in Australia etc.—election in force

- 1064-BA4 The person's pension supplement amount is the amount worked out as follows:
- (a) work out the amount for the person under point 1064-BA3 as if the election were not in force;
 - (b) from that amount, subtract the person's minimum pension supplement amount.

Persons absent from Australia for more than 6 weeks

- 1064-BA5 If the person is not covered by point 1064-BA2, the person's pension supplement amount is the person's pension supplement basic amount.

Module C—Energy supplement

- 1064-C1 An energy supplement is to be added to the person's maximum basic rate if the person is residing in Australia and:
- (a) is in Australia; or
 - (b) is temporarily absent from Australia and has been so for a continuous period not exceeding 6 weeks.

Note: Section 918 may affect the addition of the energy supplement.

- 1064-C2 However, this Module does not apply if quarterly energy supplement is payable to the person.
- 1064-C3 The person's energy supplement is the amount worked out using the following table:

Section 1064

Energy supplement		
Item	Person's family situation	Amount of energy supplement
1	Not a member of a couple	\$366.60
2	Partnered	\$275.60
3	Member of an illness separated couple	\$366.60
4	Member of a respite care couple	\$366.60
5	Partnered (partner in gaol)	\$366.60

Module E—Ordinary income test

Effect of income on maximum payment rate

1064-E1 This is how to work out the effect of a person's ordinary income on the person's maximum payment rate:

Method statement

Step 1. Work out the amount of the person's ordinary income on a yearly basis.

Note 1: For the treatment of the ordinary income of members of a couple see point 1064-E2.

Note 2: Module F contains provisions that may apply to working out the ordinary income of a person, and the ordinary income of a partner of the person, for the purposes of disability support pension.

Step 2. Work out the person's ordinary income free area (see point 1064-E4 below).

Note: A person's ordinary income free area is the amount of ordinary income that the person can have without any deduction being made from the person's maximum payment rate.

Step 3. Work out whether the person's ordinary income exceeds the person's ordinary income free area.

- | |
|---|
| <p>Step 4. If the person's ordinary income does not exceed the person's ordinary income free area, the person's ordinary income excess is nil.</p> <p>Step 5. If the person's ordinary income exceeds the person's ordinary income free area, the person's ordinary income excess is the person's ordinary income less the person's ordinary income free area.</p> <p>Step 6. Use the person's ordinary income excess to work out the person's reduction for ordinary income using points 1064-E10 to 1064-E12 below.</p> |
|---|

Note 1: See point 1064-A1 (Steps 5 to 8) for the significance of the person's reduction for ordinary income.

Note 2: The application of the ordinary income test is affected by provisions concerning:

- the general concept of ordinary income and the treatment of certain income amounts (Division 1 of Part 3.10);
- the work bonus (section 1073AA);
- business income (sections 1074 and 1075);
- income from financial assets (including income streams (short term) and certain income streams (long term)) (Division 1B of Part 3.10);
- income from income streams not covered by Division 1B of Part 3.10 (Division 1C of Part 3.10);
- disposal of income (sections 1106 to 1111).

Ordinary incomes of members of couples

1064-E2 If a person is a member of a couple, add the couple's ordinary incomes (on a yearly basis) and divide by 2 to work out the amount of the person's ordinary income for the purposes of this Module.

Note: For the purposes of working out a person's disability support pension rate under this Rate Calculator, Module F applies to working out the ordinary incomes of both members of the couple.

Section 1064

Payment of arrears of periodic compensation payments

1064-E3 If:

- (a) at the time of an event that gives rise to an entitlement of a person to compensation, the person is receiving age pension, disability support pension or carer pension; and
- (b) in relation to that entitlement, the person receives a payment of arrears of periodic compensation;

the person is taken to receive on each day in the periodic payments period an amount calculated by dividing the amount received by the number of days in the periodic payments period.

Note: For *periodic payments period* see section 17.

How to calculate a person's ordinary income free area

1064-E4 A person's ordinary income free area is worked out using Table E-1. Work out which family situation in Table E-1 applies to the person. The ordinary income free area is the corresponding amount in column 3.

Table E-1—Ordinary free area limits

Column 1 Item	Column 2 Category of person	Column 3 Basic free area per year	Column 4 Basic free area per fortnight
1.	Not member of a couple	\$2,080	\$80
2.	Partnered (partner getting neither pension nor benefit)	\$1,820	\$70
3.	Partnered (partner getting benefit)	\$1,820	\$70
4.	Partnered (partner getting pension)	\$1,820	\$70

Note 1: For *member of a couple, partnered (partner getting neither pension nor benefit), partnered (partner getting benefit)* and *partnered (partner getting pension)* see section 4.

Note 3: Items 2, 3 and 4 of Table E-1 apply to members of illness separated and respite care couples.

Note 4: The basic free area limits are indexed annually in line with CPI increases (see sections 1191 to 1194).

Pension reduction for ordinary income in excess of ordinary income free area

1064-E10 A person's reduction for ordinary income is:

Ordinary income excess \times 0.5

Ordinary income excess

1064-E11 A person's ordinary income excess is the person's ordinary income less the person's ordinary income free area.

Module F—Ordinary income for the purposes of disability support pension

Application of this Module

1064-F1 This Module applies only for the purposes of working out the rate of disability support pension payable to a person. It so applies to that person and, if the person is a member of a couple, to the person's partner.

Lump sum payments arising from termination of employment

1064-F2 Subject to points 1064-F4 to 1064-F14 (inclusive), if:
(a) a person's employment has been terminated; and
(b) as a result the person is entitled to a lump sum payment from the person's former employer;
the person is taken to have received the lump sum payment on the day on which the person's employment was terminated.

Section 1064

Certain leave payments taken to be ordinary income—employment continuing

1064-F4 If:

- (a) a person is employed; and
- (b) the person is on leave for a period; and
- (c) the person is or was entitled to receive a leave payment (whether as a lump sum payment, as a payment that is one of a series of regular payments or otherwise) in respect of a part or all of a leave period;

the person is taken to have received ordinary income for a period (the *income maintenance period*) equal to the leave period to which the leave payment entitlement relates.

Certain payments taken to be ordinary income—employment terminated

1064-F5 If:

- (a) a person's employment has been terminated; and
- (b) the person receives a termination payment (whether as a lump sum payment, as a payment that is one of a series of regular payments or otherwise);

the person is taken to have received ordinary income for a period (the *income maintenance period*) equal to the period to which the payment relates.

More than one termination payment on a day

1064-F6 If:

- (a) a person is covered by point 1064-F5; and
- (b) the person receives more than one termination payment on a day;

the income maintenance period is worked out by adding the periods to which the payments relate.

Start of income maintenance period—employment continuing

- 1064-F7 If a person is covered by point 1064-F4, the income maintenance period starts on the first day of the leave period to which the leave payment entitlement relates.

Start of income maintenance period—employment terminated

- 1064-F8 If a person is covered by point 1064-F5, the income maintenance period starts, subject to point 1064-F9, on the day on which the person is paid the termination payment.

Commencement of income maintenance period where there is a second termination payment

- 1064-F9 If:
- (a) a person who is covered by point 1064-F5 is subject to an income maintenance period (the **first period**); and
 - (b) the person is paid another termination payment during that period (the **second termination payment**);
- the income maintenance period for the second termination payment starts on the day after the end of the first period.

Leave payments or termination payments in respect of periods longer than a fortnight

- 1064-F10 If:
- (a) a person receives a leave payment or termination payment; and
 - (b) the payment is in respect of a period longer than a fortnight; the person is taken to receive in a payment fortnight or part of a payment fortnight an amount calculated by:
 - (c) dividing the amount received by the number of days in the period to which the payment relates (the **daily rate**); and
 - (d) multiplying the daily rate by the number of days in the payment fortnight that are also in the period.

Section 1064

1064-F11 If the Secretary is satisfied that a person is in severe financial hardship because the person has incurred unavoidable or reasonable expenditure while an income maintenance period applies to the person, the Secretary may determine that the whole, or any part, of the period does not apply to the person.

Note 1: For *in severe financial hardship* see subsection 19C(2) (person who is not a member of a couple) and subsection 19C(3) (person who is a member of a couple).

Note 2: For *unavoidable or reasonable expenditure* see subsection 19C(4).

Note 3: If an income maintenance period applies to a person, then, during that period:

- (a) the pension claimed may not be payable to the person; or
- (b) the amount of the pension payable to the person may be reduced.

When a person receives a leave payment or a termination payment

1064-F12 For the purposes of points 1064-F4 to 1064-F11 (inclusive), a person (the *first person*) is taken to receive a leave payment or termination payment if:

- (a) the payment is made to another person:
 - (i) at the direction of the first person or a court; or
 - (ii) on behalf of the first person; or
 - (iii) for the benefit of the first person; or
- (b) the first person waives or assigns his or her right to receive the payment.

Single payment in respect of different kinds of termination payments

1064-F13 If a person who is covered by point 1064-F5 receives a single payment in respect of different kinds of termination payments, then, for the purposes of the application of points 1064-F4 to 1064-F12 (inclusive):

- (a) each part of the payment that is in respect of a different kind of termination payment is taken to be a separate payment; and

- (b) the income maintenance period in respect of the single payment is worked out by adding the periods to which the separate payments relate.

Definitions

1064-F14 In this Module:

leave payment includes a payment in respect of sick leave, annual leave, maternity leave and long service leave, but does not include:

- (a) an instalment of parental leave pay; or
- (b) dad and partner pay.

payment fortnight means a fortnight in respect of which a disability support pension is paid, or would be paid apart from the application of an income maintenance period, to a person.

period to which the payment relates means:

- (a) if the payment is a leave payment—the leave period to which the payment relates; or
- (b) if the payment is a termination payment and is calculated as an amount equivalent to an amount of ordinary income that the person would (but for the termination) have received from the employment that was terminated—the period for which the person would have received that amount of ordinary income; or
- (c) if the payment is a termination payment and paragraph (b) does not apply—the period of weeks (rounded down to the nearest whole number) in respect of which the person would have received ordinary income, from the employment that was terminated, of an amount equal to the amount of the termination payment if:
 - (i) the person's employment had continued; and
 - (ii) the person received ordinary income from the employment at the rate per week at which the person usually received ordinary income from the employment prior to the termination.

Section 1064

redundancy payment includes a payment in lieu of notice.

termination payment includes:

- (a) a redundancy payment; and
- (b) a leave payment relating to a person's employment that has been terminated; and
- (c) any other payment that is connected with the termination of a person's employment.

Module G—Assets test

Effect of assets on maximum payment rate

1064-G1 This is how to work out the effect of a person's assets on the person's maximum payment rate:

Method statement

Step 1. Work out the value of the person's assets.

Note 1: For the treatment of the assets of members of a couple see point 1064-G2.

Note 2: For the assets that are to be disregarded in valuing a person's assets see section 1118.

Note 3: For the valuation of an asset that is subject to a charge or encumbrance see section 1121.

Step 2. Work out the person's assets value limit (see point 1064-G3 below).

Note: A person's assets value limit is the maximum value of assets the person can have without affecting the person's pension rate.

Step 3. Work out whether the value of the person's assets exceeds the person's assets value limit.

Step 4. If the value of the person's assets does not exceed the person's assets value limit, the person's assets excess is nil.

Step 5. If the value of the person's assets exceeds the person's assets value limit, the person's assets excess is the value of the person's assets less the person's assets value limit.

Step 6. Use the person's assets excess to work out the person's reduction for assets using points 1064-G4 to 1064-G7 below.

Note 1: See point 1064-A1 (steps 9 and 10) for the significance of the person's reduction for assets.

Note 2: The application of the assets test is affected by provisions concerning disposal of assets (sections 1123 to 1128), retirement villages (sections 1145 to 1157) and financial hardship (sections 1129 and 1130).

Value of assets of members of couples

1064-G2 For the purposes of this Module:

- (a) the value of the assets of a member of a couple is to be taken to be 50% of the sum of:
 - (i) the value of the person's assets; and
 - (ii) the value of the person's partner's assets; and
- (b) the value of the assets of a particular kind of a member of a couple is to be taken to be 50% of the sum of:
 - (i) the value of the person's assets of that kind; and
 - (ii) the value of the person's partner's assets of that kind.

Assets value limit

1064-G3 A person's assets value limit is worked out using Table G-1. Work out the person's family situation and home ownership situation. The assets value limit is the corresponding amount in column 3.

Section 1064

Table G-1—Assets value limit			
Column 1	Column 2	Column 3	
Item	Person’s family situation	Assets value limit	
		Column 3A	column 3B
		Either person or partner homeowner	Neither person nor partner homeowner
1.	Not member of a couple	\$250,000	\$450,000
2.	Partnered (partner getting neither pension nor benefit)	\$187,500	\$287,500
3.	Partnered (partner getting pension or benefit)	\$187,500	\$287,500

Note 1: For *member of a couple*, *partnered (partner getting neither pension nor benefit)* and *partnered (partner getting pension or benefit)* see section 4.

Note 2: For *homeowner* see section 11.

Note 3: Items 2 and 3 apply to members of illness separated and respite care couples.

Note 4: The assets value limits are indexed or adjusted annually in line with CPI increases (see sections 1191 to 1194 and 1203).

Pension reduction for assets in excess of assets value limit

1064-G4 A person’s reduction for assets is worked out using Table G-2. Work out which family situation applies to the person. The reduction for assets is the amount per year worked out using the corresponding calculation in column 3.

Table G-2—Reduction for assets

Column 1 Item	Column 2 Person's family situation	Column 3 Reduction
1.	Not member of a couple	$\frac{\text{Assets excess} \times 19.5}{250}$
2.	Partnered (partner getting neither pension nor benefit)	$\frac{\text{Assets excess} \times 19.5}{250}$
3.	Partner (partner getting pension or benefit)	$\frac{\text{Assets excess} \times 19.5}{250}$

Note 1: For *member of a couple*, *partnered (partner getting neither pension nor benefit)*, *partnered (partner getting benefit)* and *partnered (partner getting pension)* see section 4.

Note 4: For *assets excess* see point 1064-G5 below.

Assets excess

1064-G5 A person's *assets excess* is the value of the person's assets less the person's assets value limit.

1064-G7 In calculating a person's assets excess under point 1064-G5 disregard any part of the excess that is not a multiple of \$250.

Module H—Remote area allowance

Remote area allowance

1064-H1 An amount by way of remote area allowance is to be added to a person's rate of pension if:

(aa) either:

Section 1064

- (i) the person's rate of pension apart from this point is greater than nil; or
- (ii) apart from this point, the person's rate of pension would be nil merely because an election by the person under subsection 1061VA(1) is in force; and
- (a) the person's usual place of residence is situated in the remote area; and
- (b) the person is physically present in the remote area.

Note: For *remote area* and *physically present in the remote area* see section 14.

Rate of remote area allowance

1064-H2 The rate of remote area allowance payable to a person is worked out using Table H. Work out which family situation in the Table applies to the person. The rate of remote area allowance is the corresponding amount in column 3 plus an additional corresponding amount in column 5 for each FTB child, and each regular care child, of the person.

Table H—Remote area allowance

Column 1 Item	Column 2 Person's family situation	Column 3 Basic allowance per year	Column 4 Basic allowance per fortnight	Column 5 Additional allowance per year	Column 6 Additional allowance per fortnight
1.	Not member of couple	\$473.20	\$18.20	\$189.80	\$7.30
2.	Partnered	\$405.60	\$15.60	\$189.80	\$7.30
3.	Member of illness separated couple	\$473.20	\$18.20	\$189.80	\$7.30
4.	Member of respite care couple	\$473.20	\$18.20	\$189.80	\$7.30

Table H—Remote area allowance

Column 1 Item	Column 2 Person's family situation	Column 3 Basic allowance per year	Column 4 Basic allowance per fortnight	Column 5 Additional allowance per year	Column 6 Additional allowance per fortnight
5.	Partnered (partner in gaol)	\$473.20	\$18.20	\$189.80	\$7.30

Note: For *member of couple, partnered, illness separated couple, respite care couple* and *partnered (partner in gaol)* see section 4.

Special rule where partner has an FTB or regular care child but is not receiving a pension

1064-H5 If:

- (a) a person who is a member of a couple is qualified for an amount by way of remote area allowance; and
- (b) the person's partner is not receiving a pension or benefit; and
- (c) the person's partner has an FTB child or a regular care child; the child is taken, for the purposes of this Module, to be an FTB child, or a regular care child, (as the case requires) of the person.

Special rule where partner has an FTB or regular care child but is not receiving additional allowance for the child

1064-H6 If:

- (a) a person who is a member of a couple is qualified for an amount by way of remote area allowance; and
- (b) the person's partner has an FTB child or a regular care child; and
- (c) the person's partner is not receiving additional allowance for the child; the child is taken, for the purposes of this Module, to be an FTB child, or a regular care child, (as the case requires) of the person.

Section 1064

Special rule dealing with the death of an FTB or regular care child

1064-H7 If an FTB child, or a regular care child, of a person dies, this Module has effect, for a period of 14 weeks after the death of the child, as if the child had not died.

Note: This point does not prevent this Module having the effect it would have had if the child would otherwise have ceased to be an FTB child, or a regular care child, during that 14 weeks.

Part 3.3—Pension Rate Calculator B

1065 Rate of age and disability support pension (blind people)

- (1) The rate of:
- (a) age pension payable to a person who is permanently blind; and
 - (b) disability support pension payable to a person who:
 - (i) is permanently blind; and
 - (ii) has turned 21; and
 - (c) disability support pension payable to a person who:
 - (i) is permanently blind; and
 - (ii) has not turned 21; and
 - (iii) has one or more dependent children;

is to be calculated in accordance with the Rate Calculator at the end of this section.

Note 1: Module A of the Rate Calculator establishes the overall rate calculation process and the remaining Modules provide for the calculation of the component amounts used in the overall rate calculation.

Note 2: For *dependent child* see section 5.

- (3) Where:
- (a) a person who is permanently blind has a relationship with another person, whether of the same sex or a different sex (*other person*); and
 - (b) the relationship between them is a de facto relationship in the Secretary's opinion (formed after the Secretary has had regard to all the circumstances of the relationship, including, in particular, the matters referred to in paragraphs 4(3)(a) to (e) and subsection 4(3A));
 - (c) either or both of them are under the age of consent applicable in the State or Territory in which they are living;

Section 1065

the rate of pension payable to the person who is permanently blind is not to exceed the rate at which it would be payable to the person if the other person were the person's partner.

Note: This provision has the effect of taking into account the ordinary income, maintenance income and assets of the partner in applying the ordinary income test, maintenance income test and assets test respectively.

Rate limited for certain armed services widows

(4) If:

(a) an armed services widow is receiving a pension under Part II or IV of the Veterans' Entitlements Act at a rate determined under or by reference to subsection 30(1) of that Act; and

(b) an age or disability support pension is payable to the widow; the rate of pension payable to the widow is not to exceed:

(c) if:

(i) the widow has been receiving the payment referred to in paragraph (a) continuously since before 1 November 1986; and

(ii) immediately before 1 November 1986, the widow was receiving a payment referred to in paragraph (b) at a rate exceeding \$3,247.40; and

(iii) the pension referred to in paragraph (b) is of the same type as the one which was payable to the person before 1 November 1986;

the rate of pension received by the widow immediately before 1 November 1986; and

(d) in any other case—\$3,247.40.

Note: For *armed services widow* see subsection 4(1).

determined under or by reference to subsection 30(1) of that Act; and

- (b) an age or disability support pension is payable to the widower;

the rate of pension payable to the widower is not to exceed \$3,247.40.

Note: For *armed services widower* see subsection 4(1).

Rate limited for certain armed services widows and widowers

- (6) If:

- (a) an armed services widow or an armed services widower is receiving the weekly amount mentioned in paragraph 234(1)(b) of the MRCA (including a reduced weekly amount because of a choice under section 236 of the MRCA) or has received a lump sum mentioned in subsection 236(5) of the MRCA; and

- (b) an age or disability support pension is payable to the widow or widower;

the rate of pension payable to the widow or widower is not to exceed \$3,247.40.

Note: For *armed services widow* and *armed services widower* see subsection 4(1).

Pension Rate Calculator B

Module A—Overall rate calculation process

Method of calculating rate

- 1065-A1 The rate of pension is a daily rate. That rate is worked out by dividing the annual rate calculated according to this Rate Calculator by 364 (fortnightly rates are provided for information only).

Section 1065

Method statement

- Step 1. Work out what would be the person's rate of pension if Pension Rate Calculator A applied to the person: the result is called the ***notional income/assets tested rate***.
- Step 2. Work out the person's ***maximum basic rate*** using MODULE B below.
- Step 2A. Work out the amount of pension supplement using Module BA below.
- Step 3. Work out the energy supplement (if any) using Module C below.
- Step 4. Add up the amounts obtained in Steps 2, 2A and 3: the result is called the ***maximum payment rate***.
- Step 5. Work out the ***non-income/assets tested rate*** by:
- (a) subtracting from the maximum payment rate any special employment advance deduction (see Part 3.16B); and
 - (b) if there is any amount remaining, subtracting from that amount any advance payment deduction (see Part 3.16A); and
 - (c) adding any amount payable by way of remote area allowance (see Module E).
- Step 6. Compare the notional income/assets tested rate and the non-income/assets tested rate: whichever is the greater is the person's ***rate of pension***.

Note 1: The person will also be qualified for a pharmaceutical allowance under Part 2.22.

Note 2: An amount of remote area allowance is to be added under Step 5 only if the person's rate of pension after Step 4 is greater than nil.

Module B—Maximum basic rate

Maximum basic rate

- 1065-B1 A person's maximum basic rate depends on the person's family situation. Work out which family situation in Table B applies to the person. The maximum basic rate is the corresponding amount in column 3 of the Table.

Column 1 Item	Column 2 Person's family situation	Column 3 Rate per year	Column 4 Rate per fortnight
1.	Not member of couple	\$8,114.60	\$312.10
2.	Partnered	\$6,767.80	\$260.30
3.	Member of illness separated couple	\$8,114.60	\$312.10
4.	Member of respite care couple	\$8,114.60	\$312.10
5.	Partnered (partner in gaol)	\$8,114.60	\$312.10

Note 1: For *member of couple, partnered, illness separated couple, respite care couple* and *partnered (partner in gaol)* see section 4.

Note 2: The maximum basic rates are adjusted 6 monthly: see sections 1191 to 1198A.

Module BA—Pension supplement

Pension supplement

- 1065-BA1 A pension supplement amount is to be added to the person's maximum basic rate.

Residents in Australia etc.

- 1065-BA2 If the person is residing in Australia and:

Section 1065

- (a) is in Australia; or
 - (b) is temporarily absent from Australia and has been so for a continuous period not exceeding 6 weeks;
- the person's pension supplement amount is:
- (c) if an election by the person under subsection 1061VA(1) is in force—the amount worked out under point 1065-BA4; and
 - (d) otherwise—the amount worked out under point 1065-BA3.

Residents in Australia etc.—no election in force

1065-BA3 The person's pension supplement amount is the amount worked out by:

- (a) applying the applicable percentage in the following table to the combined couple rate of pension supplement; and
- (b) if:
 - (i) the person is not partnered; and
 - (ii) the amount resulting from paragraph (a) is not a multiple of \$2.60;rounding the amount up or down to the nearest multiple of \$2.60 (rounding up if the amount is not a multiple of \$2.60 but is a multiple of \$1.30).

Item	Person's family situation	Use this %
1	Not member of couple	66.33%
2	Partnered	50%
3	Member of illness separated couple	66.33%
4	Member of respite care couple	66.33%

Note: For *combined couple rate of pension supplement*, see subsection 20A(1).

Residents in Australia etc.—election in force

1065-BA4 The person's pension supplement amount is the amount worked out as follows:

Section 1065

- (a) work out the amount for the person under point 1065-BA3 as if the election were not in force;
- (b) from that amount, subtract the person's minimum pension supplement amount.

Persons absent from Australia for more than 6 weeks

1065-BA5 If the person is not covered by point 1065-BA2, the person's pension supplement amount is the person's pension supplement basic amount.

Module C—Energy supplement

- 1065-C1 An energy supplement is to be added to the person's maximum basic rate if the person is residing in Australia and:
- (a) is in Australia; or
 - (b) is temporarily absent from Australia and has been so for a continuous period not exceeding 6 weeks.

Note: Section 918 may affect the addition of the energy supplement.

- 1065-C2 However, this Module does not apply if quarterly energy supplement is payable to the person.
- 1065-C3 The person's energy supplement is the amount worked out using the following table:

Energy supplement		
Item	Person's family situation	Amount of energy supplement
1	Not a member of a couple	\$366.60
2	Partnered	\$275.60
3	Member of an illness separated couple	\$366.60

5	Partnered (partner in gaol)	\$366.60

Section 1065

Module E—Remote area allowance

Remote area allowance

1065-E1 An amount by way of remote area allowance is to be added to a person's rate of pension if:

(aa) either:

- (i) the person's rate of pension apart from this point is greater than nil; or
- (ii) apart from this point, the person's rate of pension would be nil merely because an election by the person under subsection 1061VA(1) is in force; and

(a) the person's usual place of residence is situated in the remote area; and

(b) the person is physically present in the remote area.

Note: For *remote area* and *physically present in the remote area* see section 14.

Rate of remote area allowance

1065-E2 The rate of remote area allowance payable to a person is worked out using Table E. Work out which family situation in the Table applies to the person. The rate of remote area allowance is the corresponding amount in column 3 plus an additional corresponding amount in column 5 for each FTB child, and each regular care child, of the person.

Table E—Remote area allowance

Special rule where partner has an FTB or regular care child but is not receiving a pension

1065-E4 If:

- (a) a person who is a member of a couple is qualified for an amount by way of remote area allowance; and
- (b) the person's partner is not receiving a pension or benefit; and
- (c) the person's partner has an FTB child or a regular care child; the child is taken, for the purposes of this Module, to be an FTB child, or a regular care child, (as the case requires) of the person.

Special rule where partner has an FTB or regular care child but is not receiving additional allowance for the child

1065-E5 If:

Special rule dealing with the death of an FTB or regular care child

1065-E6 If an FTB child, or a regular care child, of a person dies, this Module has effect, for a period of 14 weeks after the death of the child, as if the child had not died.

Note: This point does not prevent this Module having the effect it would have had if the child would otherwise have ceased to be an FTB child, or a regular care child, during that 14 weeks.

Part 3.4A—Pension Rate Calculator D

1066A Rate of disability support pension (people under 21 who are not blind)

- (1) The rate of disability support pension of a person who has not turned 21 is, subject to subsection (2), to be calculated in accordance with the Rate Calculator at the end of this section.

Note: Module A of the Rate Calculator establishes the overall rate calculation process and the remaining Modules provide for the calculation of the component amounts used in the overall rate calculation.

- (2) Subsection (1) does not apply if:
- (a) the person is permanently blind; or
 - (b) the person has one or more dependent children.

Note 1: The rate for a disability support pension payable to a person under 21 who is permanently blind is dealt with in section 1066B.

Note 2: For *dependent child* see section 5.

Note 3: The rate for a disability support pension payable to a person under 21 who has one or more dependent children is dealt with in section 1064 or 1065.

- (3) A person's disability support pension rate is not to exceed the rate at which a disability support pension would be payable to that person if the person's rate were calculated using Pension Rate Calculator A at the end of section 1064.

- (5) If:
- (a) a person has a relationship with another person, whether of the same sex or a different sex (*other person*); and
 - (b) the relationship between them is a de facto relationship in the Secretary's opinion (formed after the Secretary has had regard to all the circumstances of the relationship, including, in particular, the matters referred to in paragraphs 4(3)(a) to (e) and subsection 4(3A));

Section 1066A

(c) either or both of them are under the age of consent applicable in the State or Territory in which they are living;
the person's disability support pension rate is not to exceed the rate at which it would be payable to the person if the other person were the person's partner.

Note: This provision has the effect of taking into account the ordinary income, maintenance income and assets of the partner in applying the ordinary income test, maintenance income test and assets test respectively.

Pension Rate Calculator D

Module A—Overall rate calculation process

Method of calculating rate

1066A-A1 The rate of pension is a daily rate. That rate is worked out by dividing the annual rate calculated according to this Rate Calculator by 364 (fortnightly rates are provided for information only).

Method statement

- Step 1. Work out the person's **maximum basic rate** using MODULE B below.
- Step 1A. Work out the energy supplement (if any) using Module BA below.
- Step 2. Work out the amount per year for youth disability, Supplement using MODULE C below.
- Step 3. Work out the amount per year (if any) of pharmaceutical allowance using MODULE D below.
- Step 4. Work out the amount per year (if any) for rent assistance in accordance with paragraph 1070A(b).

Step 5. Add up the amounts obtained in Steps 1, 1A, 2, 3 and 4: the result is called the **maximum payment rate**.

Note: Module G contains provisions that may apply to working out, under this Rate Calculator, the ordinary income of a person, and the ordinary income of a partner of the person.

Step 6. Apply the ordinary income test using MODULE F below to work out the income reduction.

Step 9. Take the income reduction away from the maximum payment rate: the result is called the **income reduced rate**.

Step 10. Apply the assets test using MODULE H below to work out the reduction for assets.

Step 11. Take the reduction for assets away from the maximum payment rate: the result is called the **assets reduced rate**.

Step 12. Compare the income reduced rate and the assets reduced rate: the lower of the 2 rates, or the income reduced rate if the rates are equal, is the **provisional annual payment rate**.

Step 13. The **rate of pension** is the amount obtained by:

- (a) subtracting from the provisional annual payment rate any special employment advance deduction (see Part 3.16B); and
- (b) if there is any amount remaining, subtracting from that amount any advance payment deduction (see Part 3.16A); and

Section 1066A

(c) adding any amount payable by way of remote area allowance (see Module I).

Note 1: If a person's assets reduced rate is less than the person's income reduced rate, the person may be able to take advantage of provisions dealing with financial hardship (sections 1129 and 1130).

Note 2: Section 1210 deals with the application of income and assets test reductions.

Note 3: The rate calculation for a member of a couple is affected by the operation of point 1066A-A2.

Members of a couple

1066A-A2 Where 2 people are members of a couple, they will be treated as pooling their resources (income and assets) and sharing them on a 50/50 basis (see points 1066A-F2, and 1066A-H2 below). They will also be treated as sharing expenses (e.g. for rent) on a 50/50 basis (see section 1070V).

Module B—Maximum basic rate

Maximum basic rate

1066A-B1 A person's maximum basic rate is to be worked out using Table B. Work out the family situation. The maximum basic rate is the corresponding amount in column 3.

Note 1: For *member of a couple, partnered, illness separated couple, respite care couple* and *partnered (partner in gaol)* see section 4.

Note 2: For *independent* see section 5.

Note 3: For *living away from the person's parental home* see subsection 23(4D).

Note 4: The rates in column 3 are adjusted annually in line with CPI changes (see section 1198B).

Module BA—Energy supplement

1066A-BA1 An energy supplement is to be added to the person's maximum basic rate if the person is residing in Australia and:

- (a) is in Australia; or
- (b) is temporarily absent from Australia and has been so for a continuous period not exceeding 6 weeks.

However, this Module does not apply if quarterly energy supplement is payable to the person.

Note: Section 918 may affect the addition of the energy supplement.

1066A-BA2 The person's energy supplement is the amount worked out using the following table:

Energy supplement		
Item	Person's family situation for maximum basic rate	Amount of energy supplement
1	If the person's maximum basic rate is worked out under item 1 of the table in point 1066A-B1	\$153.40
2	If the person's maximum basic rate is worked out under item 2, 4, 5 or 6 of the table in point 1066A-B1	\$236.60
3	If the person's maximum basic rate is worked out under item 3 of the table in point 1066A-B1	\$171.60

Module C—Youth disability supplement

Youth disability supplement

1066A-C1 An amount by way of youth disability supplement is to be added to a person's rate. The rate of youth disability supplement is \$1,557.40 per year (\$59.90 per fortnight).

Note: The rate of youth disability supplement is adjusted annually in line with CPI increases (see section 1198C).

Section 1066A

Module D—Pharmaceutical allowance

Qualification for pharmaceutical allowance

1066A-D1 Subject to points 1066A-D2, 1066A-D3, 1066A-D4 and 1066A-D6, an additional amount by way of pharmaceutical allowance is to be added to a person's maximum basic rate if the person is an Australian resident.

No pharmaceutical allowance if person receiving certain supplements under other Acts

1066A-D2 Pharmaceutical allowance is not to be added to a person's maximum basic rate if the person is receiving:

- (a) veterans supplement under section 118A of the Veterans' Entitlements Act; or
- (b) MRCA supplement under section 300 of the Military Rehabilitation and Compensation Act; or
- (c) pharmaceutical supplement under Part 3A of the *Australian Participants in British Nuclear Tests and British Commonwealth Occupation Force (Treatment) Act 2006*; or
- (d) pharmaceutical supplement under Part 4 of the *Treatment Benefits (Special Access) Act 2019*.

No pharmaceutical allowance if partner receiving certain supplements under other Acts

1066A-D3 Pharmaceutical allowance is not to be added to a person's maximum basic rate if:

- (a) the person is a member of a couple; and
- (b) the person's partner is receiving:
 - (i) veterans supplement under section 118A of the Veterans' Entitlements Act; or
 - (ii) MRCA supplement under section 300 of the Military Rehabilitation and Compensation Act; or
 - (iii) pharmaceutical supplement under Part 3A of the *Australian Participants in British Nuclear Tests and*

British Commonwealth Occupation Force (Treatment) Act 2006; or

- (iv) pharmaceutical supplement under Part 4 of the *Treatment Benefits (Special Access) Act 2019*; and
- (c) the person's partner is not receiving a service pension or a veteran payment.

No pharmaceutical allowance before advance payment period ends

1066A-D4 Pharmaceutical allowance is not to be added to a person's maximum basic rate if:

- (a) the person has received an advance pharmaceutical allowance under Part 2.23 of this Act; and
- (b) the person's advance payment period has not ended.

Note: For *advance payment period* see point 1066A-D5.

Advance payment period

1066A-D5 A person's advance payment period:

- (a) starts on the day on which the advance pharmaceutical allowance is paid to the person; and
- (b) ends after the number of paydays worked out using the following formula have passed:

$$\frac{\text{amount of advance} \times 26}{\text{pharmaceutical allowance rate}}$$

where:

amount of advance is the amount of the advance paid to the person.

pharmaceutical allowance rate is the yearly amount of pharmaceutical allowance which would be added to the person's maximum basic rate in working out the instalment for the day on which the advance is paid if pharmaceutical allowance were to be added to the person's maximum basic rate on that day.

Section 1066A

No pharmaceutical allowance if annual limit reached

1066A-D6 Pharmaceutical allowance is not to be added to a person's maximum basic rate if:

- (a) the person has received an advance pharmaceutical allowance during the current calendar year; and
- (b) the total amount paid to the person for that year by way of:
 - (i) pharmaceutical allowance; and
 - (ii) advance pharmaceutical allowance;

equals the total amount of pharmaceutical allowance that would have been paid to the person during that year if the person had not received any advance pharmaceutical allowance.

Note 1: For the amount *paid* to a person by way of pharmaceutical allowance see subsections 19A(2) to (6).

Note 2: The annual limit is affected by:

- how long during the calendar year the person was on pension or benefit;
- the rate of pharmaceutical allowance the person attracts at various times depending on the person's family situation.

Amount of pharmaceutical allowance

1066A-D8 The amount of pharmaceutical allowance is the amount per year worked out using the following Table:

Pharmaceutical allowance amount table			
Column 1	Column 2	Column 3	Column 4
Item	Person's family situation	Amount per year	Amount per fortnight
1.	Not member of couple	\$135.20	\$5.20
2.	Partnered	\$67.60	\$2.60
3.	Member of illness separated couple	\$135.20	\$5.20
4.	Member of respite care couple	\$135.20	\$5.20

Section 1066A

5.	Partnered (partner getting service pension)	\$67.60	\$2.60
6.	Partnered (partner in gaol)	\$135.20	\$5.20

Note 1: For *member of couple, partnered, illness separated couple, respite care couple* and *partnered (partner in gaol)* see section 4.

Note 2: The amounts in column 3 are adjusted annually in line with CPI increases (see section 1206A).

Module F—Ordinary income test

Effect of income on maximum payment rate

1066A-F1 This is how to work out the effect of a person's ordinary income on the person's maximum payment rate:

Method statement

Step 1. Work out the amount of the person's ordinary income on a yearly basis.

Note 1: For the treatment of the ordinary income of members of a couple see point 1066A-F2.

Note 2: Module G contains provisions that may apply to working out, under this Rate Calculator, the ordinary income of a person, and the ordinary income of a partner of the person.

Step 2. Work out the person's ordinary income free area (see point 1066A-F3 below).

Note: A person's ordinary income free area is the amount of ordinary income that the person can have without any deduction being made from the person's maximum payment.

Step 3. Work out whether the person's ordinary income exceeds the person's ordinary income free area.

Section 1066A

Step 4. If the person's ordinary income does not exceed the person's ordinary income free area, the person's ordinary income excess is nil.

Step 5. If the person's ordinary income exceeds the person's ordinary income free area, the person's ordinary income excess is the person's ordinary income less the person's ordinary income free area.

Step 6. Use the person's ordinary income excess to work out the person's reduction for ordinary income using points 1066A-F9 to 1066A-F11 below.

Note 1: See point 1066A-A1 (Steps 6 to 9) for the significance of the person's reduction for ordinary income.

Note 2: The application of the ordinary income test is affected by provisions concerning:

- the general concept of ordinary income and the treatment of certain income amounts (Division 1 of Part 3.10);
- business income (sections 1074 and 1075);
- income from financial assets (including income streams (short term) and certain income streams (long term)) (Division 1B of Part 3.10);
- income from income streams not covered by Division 1B of Part 3.10 (Division 1C of Part 3.10);
- disposal of income (sections 1106 to 1111).

Ordinary incomes of members of couples

1066A-F2 If a person is a member of a couple, add the couple's ordinary incomes (on a yearly basis) and divide by 2 to work out the amount of the person's ordinary income for the purposes of this Module.

Section 1066A

Payment of arrears of periodic compensation payments

1066A-F2A If:

- (a) at the time of an event that gives rise to an entitlement of a person to compensation, the person is receiving disability support pension; and
- (b) in relation to that entitlement, the person receives a payment of arrears of periodic compensation;

the person is taken to receive on each day in the periodic payments period an amount calculated by dividing the amount received by the number of days in the periodic payments period.

Note: For *periodic payments period* see section 17.

How to calculate a person's ordinary income free area

1066A-F3 A person's ordinary income free area is worked out using Table F-1. Work out which family situation in Table F-1 applies to the person. The ordinary income free area is the corresponding amount in column 3.

Table F-1—Ordinary income free area

Column 1 Item	Column 2 Category of person	Column 3 Basic free area per year	Column 4 Basic free area per fortnight
1.	Not member of a couple	\$2,184	\$80
2.	Partnered (partner getting neither pension nor benefit)	\$1,924	\$70
3.	Partnered—(partner getting benefit)	\$1,924	\$70
4.	Partnered—(partner getting pension)	\$1,924	\$70

Note 1: For *member of a couple, partnered (partner getting neither pension nor benefit), partnered (partner getting benefit)* and *partnered (partner getting pension)* see section 4.

Chapter 3 General provisions relating to payability and rates

Part 3.4A Pension Rate Calculator D

Module G Payments taken to be ordinary income

Section 1066A

Note 3: Items 2, 3 and 4 of Table F-1 apply to members of illness separated couples.

Note 4: The basic free area limits are indexed annually in line with CPI increases (see sections 1191 to 1194).

Pension reduction for ordinary income in excess of ordinary income free area

1066A-F9 A person's reduction for ordinary income is:

Ordinary income excess \times 0.5

Ordinary income excess

1066A-F10 A person's **ordinary income excess** is the person's ordinary income less the person's ordinary income free area.

Module G—Payments taken to be ordinary income

Application of this Module

1066A-G1 This Module applies to a person and, if the person is a member of a couple, the person's partner.

Lump sum payments arising from termination of employment

1066A-G2 Subject to points 1066A-G4 to 1066A-G14 (inclusive), if:

- (a) a person's employment has been terminated; and
- (b) as a result the person is entitled to a lump sum payment from the person's former employer;

the person is taken to have received the lump sum payment on the day on which the person's employment was terminated.

Certain leave payments taken to be ordinary income—employment continuing

1066A-G4 If:

- (a) a person is employed; and
- (b) the person is on leave for a period; and

- (c) the person is or was entitled to receive a leave payment (whether as a lump sum payment, as a payment that is one of a series of regular payments or otherwise) in respect of a part or all of a leave period;

the person is taken to have received ordinary income for a period (the *income maintenance period*) equal to the leave period to which the leave payment entitlement relates.

Certain payments taken to be ordinary income—employment terminated

1066A-G5 If:

- (a) a person's employment has been terminated; and
(b) the person receives a termination payment (whether as a lump sum payment, as a payment that is one of a series of regular payments or otherwise);

the person is taken to have received ordinary income for a period (the *income maintenance period*) equal to the period to which the payment relates.

More than one termination payment on a day

1066A-G6 If:

- (a) a person is covered by point 1066A-G5; and
(b) the person receives more than one termination payment on a day;

the income maintenance period is worked out by adding the periods to which the payments relate.

Start of income maintenance period—employment continuing

1066A-G7 If a person is covered by point 1066A-G4, the income maintenance period starts on the first day of the leave period to which the leave payment entitlement relates.

Section 1066A

Start of income maintenance period—employment terminated

1066A-G8 If a person is covered by point 1066A-G5, the income maintenance period starts, subject to point 1066A-G9, on the day on which the person is paid the termination payment.

Commencement of income maintenance period where there is a second termination payment

1066A-G9 If:

- (a) a person who is covered by point 1066A-G5 is subject to an income maintenance period (the **first period**); and
- (b) the person is paid another termination payment during that period (the **second termination payment**);

the income maintenance period for the second termination payment starts on the day after the end of the first period.

Leave payments or termination payments in respect of periods longer than a fortnight

1066A-G10 If:

- (a) a person receives a leave payment or termination payment; and
- (b) the payment is in respect of a period longer than a fortnight; the person is taken to receive in a payment fortnight or part of a payment fortnight an amount calculated by:
 - (c) dividing the amount received by the number of days in the period to which the payment relates (the **daily rate**); and
 - (d) multiplying the daily rate by the number of days in the payment fortnight that are also in the period.

1066A-G11 If the Secretary is satisfied that a person is in severe financial hardship because the person has incurred unavoidable or reasonable expenditure while an income maintenance period applies to the person, the Secretary may determine that the whole, or any part, of the period does not apply to the person.

- Note 1: For *in severe financial hardship* see subsection 19C(2) (person who is not a member of a couple) and subsection 19C(3) (person who is a member of a couple).
- Note 2: For *unavoidable or reasonable expenditure* see subsection 19C(4).
- Note 3: If an income maintenance period applies to a person, then, during that period:
- (a) the pension claimed may not be payable to the person; or
 - (b) the amount of the pension payable to the person may be reduced.

When a person receives a leave payment or a termination payment

1066A-G12 For the purposes of points 1066A-G4 to 1066A-G11 (inclusive), a person (the **first person**) is taken to receive a leave payment or termination payment if:

- (a) the payment is made to another person:
 - (i) at the direction of the first person or a court; or
 - (ii) on behalf of the first person; or
 - (iii) for the benefit of the first person; or
- (b) the first person waives or assigns his or her right to receive the payment.

Single payment in respect of different kinds of termination payments

1066A-G13 If a person who is covered by point 1066A-G5 receives a single payment in respect of different kinds of termination payments, then, for the purposes of the application of points 1066A-G4 to 1066A-G12 (inclusive):

- (a) each part of the payment that is in respect of a different kind of termination payment is taken to be a separate payment; and
- (b) the income maintenance period in respect of the single payment is worked out by adding the periods to which the separate payments relate.

Section 1066A

Definitions

1066A-G14 In this Module:

leave payment includes a payment in respect of sick leave, annual leave, maternity leave and long service leave, but does not include:

- (a) an instalment of parental leave pay; or
- (b) dad and partner pay.

payment fortnight means a fortnight in respect of which a disability support pension is paid, or would be paid apart from the application of an income maintenance period, to a person.

period to which the payment relates means:

- (a) if the payment is a leave payment—the leave period to which the payment relates; or
- (b) if the payment is a termination payment and is calculated as an amount equivalent to an amount of ordinary income that the person would (but for the termination) have received from the employment that was terminated—the period for which the person would have received that amount of ordinary income; or
- (c) if the payment is a termination payment and paragraph (b) does not apply—the period of weeks (rounded down to the nearest whole number) in respect of which the person would have received ordinary income, from the employment that was terminated, of an amount equal to the amount of the termination payment if:
 - (i) the person’s employment had continued; and
 - (ii) the person received ordinary income from the employment at the rate per week at which the person usually received ordinary income from the employment prior to the termination.

redundancy payment includes a payment in lieu of notice.

termination payment includes:

- (a) a redundancy payment; and

- (b) a leave payment relating to a person's employment that has been terminated; and
- (c) any other payment that is connected with the termination of a person's employment.

Module H—Assets test

Effect of assets on maximum payment rate

1066A-H1 This is how to work out the effect of a person's assets on the person's maximum payment rate:

Method statement

Step 1. Work out the value of the person's assets.

Note 1: For the treatment of the assets of members of a couple see point 1066A-H2.

Note 2: For the assets that are to be disregarded in valuing a person's assets see section 1118.

Note 3: For the valuation of an asset that is subject to a charge or encumbrance see section 1121.

Step 2. Work out the person's assets value limit (see point 1066A-H3 below).

Note: A person's assets value limit is the maximum value of assets the person can have without affecting the person's pension rate.

Step 3. Work out whether the value of the person's assets exceeds the person's assets value limit.

Step 4. If the value of the person's assets does not exceed the person's assets value limit, the person's assets excess is nil.

Step 5. If the value of the person's assets exceeds the person's assets value limit, the person's assets excess is the value of the person's assets less the person's assets value limit.

Section 1066A

Step 6. Use the person's assets excess to work out the person's reduction for assets using points 1066A-H4 to 1066A-H7 below.

Note 1: See point 1066A-A1 Steps 10 and 11 for the significance of the person's reduction for assets.

Note 2: The application of the assets test is affected by provisions concerning disposal of assets (sections 1123 to 1128), retirement villages (sections 1145 to 1157) and financial hardship (sections 1129 and 1130).

Value of assets of members of couples

1066A-H2 For the purposes of this Module:

- (a) the value of the assets of a member of a couple is to be taken to be 50% of the sum of:
 - (i) the value of the person's assets; and
 - (ii) the value of the person's partner's assets; and
- (b) the value of the assets of a particular kind of a member of a couple is to be taken to be 50% of the sum of:
 - (i) the value of the person's assets of that kind; and
 - (ii) the value of the person's partner's assets of that kind.

Assets value limit

1066A-H3 A person's assets value limit is worked out using Table H-1. Work out the person's family situation and home ownership situation. The assets value limit is the corresponding amount in column 3.

Section 1066A

Table H-1—Assets value limit

Column 1	Column 2	Column 3	
		Assets value limit	
Item	Person's family situation	Column 3A Either person or partner homeowner	Column 3B Neither person nor partner homeowner
1.	Not member of a couple	\$250,000	\$450,000
2.	Partnered (partner getting neither pension nor benefit)	\$187,500	\$287,500
3.	Partnered (partner getting pension or benefit)	\$187,500	\$287,500

Note 1: For *member of a couple, partnered (partner getting neither pension nor benefit)* and *partnered (partner getting pension or benefit)* see section 4.

Note 2: For *homeowner* see section 11.

Note 3: Items 2 and 3 apply to members of illness separated couples.

Note 4: The assets value limits are indexed or adjusted annually in line with CPI increases (see sections 1191 to 1194 and 1203).

Pension reduction for assets in excess of assets value limit

1066A-H4 A person's reduction for assets is worked out using Table H-2. Work out which family situation applies to the person. The reduction for assets is the amount per year worked out using the corresponding calculation in column 3.

Section 1066A

Table H-2—Reduction for assets		
Column 1	Column 2	Column 3
Item	Person's family situation	Reduction
1.	Not member of couple	$\frac{\text{Assets excess} \times 19.5}{250}$
2.	Partnered (partner getting neither pension nor benefit)	$\frac{\text{Assets excess} \times 19.5}{250}$
3.	Partner (partner getting pension or benefit)	$\frac{\text{Assets excess} \times 19.5}{250}$

Note 1: For *member of a couple*, *partnered (partner getting neither pension nor benefit)*, *partnered (partner getting benefit)* and *partnered (partner getting pension)* see section 4.

Note 3: For *assets excess* see point 1066A-H5 below.

Assets excess

1066A-H5 A person's *assets excess* is the value of the person's assets less the person's assets value limit.

1066A-H7 In calculating a person's assets excess under point 1066A-H5 disregard any part of the excess that is not a multiple of \$250.

Module I—Remote area allowance

Remote area allowance

1066A-I1 An amount by way of remote area allowance is to be added to a person's rate of pension if:

(aa) either:

Section 1066A

- (i) the person's rate of pension apart from this point is greater than nil; or
- (ii) apart from this point, the person's rate of pension would be nil merely because an advance pharmaceutical allowance has been paid to the person under Part 2.23 of this Act; and
- (a) the person's usual place of residence is situated in the remote area; and
- (b) the person is physically present in the remote area.

Note: For *remote area* and *physically present in the remote area* see section 14.

Rate of remote area allowance

1066A-I2 The rate of remote area allowance payable to a person is worked out using Table I. Work out which family situation in the Table applies to the person. The rate of remote area allowance is the corresponding amount in column 3 plus an additional corresponding amount in column 5 for each FTB child, and each regular care child, of the person.

Table I—Remote area allowance

Column 1 Item	Column 2 Person's family situation	Column 3 Basic allowance per year	Column 4 Basic allowance per fortnight	Column 5 Additional allowance per year	Column 6 Additional allowance per fortnight
1.	Not member of couple	\$473.20	\$18.20	\$189.80	\$7.30
2.	Partnered	\$405.60	\$15.60	\$189.80	\$7.30
3.	Member of illness separated couple	\$473.20	\$18.20	\$189.80	\$7.30
4.	Member of respite care couple	\$473.20	\$18.20	\$189.80	\$7.30

Section 1066A

Table I—Remote area allowance

Column 1 Item	Column 2 Person's family situation	Column 3 Basic allowance per year	Column 4 Basic allowance per fortnight	Column 5 Additional allowance per year	Column 6 Additional allowance per fortnight
5.	Partnered (partner in gaol)	\$473.20	\$18.20	\$189.80	\$7.30

Note: For *member of couple, partnered, illness separated couple, respite care couple* and *partnered (partner in gaol)* see section 4.

Special rule where partner has an FTB or regular care child but is not receiving a pension

1066A-I4 If:

- (a) a person who is a member of a couple is qualified for an amount by way of additional allowance; and
- (b) the person's partner is not receiving a pension or benefit; and
- (c) the person's partner has an FTB child or a regular care child; the child is taken, for the purposes of this Module, to be an FTB child, or a regular care child, (as the case requires) of the person.

Special rule where partner has an FTB or regular care child but is not receiving additional allowance for the child

1066A-I5 If:

- (a) a person who is a member of a couple is qualified for an amount by way of remote area allowance; and
- (b) the person's partner has an FTB child or a regular care child; and
- (c) the person's partner is not receiving additional allowance for the child; the child is taken, for the purposes of this Module, to be an FTB child, or a regular care child, (as the case requires) of the person.

Special rule dealing with the death of an FTB or regular care child

1066A-I6 If an FTB child, or a regular care child, of a person dies, this Module has effect, for a period of 14 weeks after the death of the child, as if the child had not died.

Note: This point does not prevent this Module having the effect it would have had if the child would otherwise have ceased to be an FTB child, or a regular care child, during that 14 weeks.

Section 1066B

Part 3.4B—Pension Rate Calculator E

1066B Rate of disability support pension (people under 21 who are blind)

- (1) The rate of disability support pension of a person who has not turned 21 and is permanently blind is to be calculated in accordance with the Rate Calculator at the end of this section.

Note: Module A of the Rate Calculator establishes the overall rate calculation process and the remaining Modules provide for the calculation of the component amounts used in the overall rate calculation.

- (1A) Subsection (1) does not apply if the person has one or more dependent children.

Note 1: The rate for a disability support pension payable to a person under 21 who has one or more dependent children is dealt with in section 1065.

Note 2: For *dependent child* see section 5.

- (2) A person's disability support pension rate is not to exceed the rate at which a disability support pension would be payable to that person if the person's rate were calculated using Pension Rate Calculator B at the end of section 1065.

- (4) Where:

- (a) a person who is permanently blind has a relationship with another person, whether of the same sex or a different sex (*other person*); and
- (b) the relationship between them is a de facto relationship in the Secretary's opinion (formed after the Secretary has had regard to all the circumstances of the relationship, including, in particular, the matters referred to in paragraphs 4(3)(a) to (e) and subsection 4(3A));

(c) that other person is under the age of consent applicable in the State or Territory in which the person is living;
the rate of disability support pension payable to the person who is permanently blind is not to exceed the rate at which it would be payable to the person if the other person were the person's partner.

Pension Rate Calculator E

Module A—Overall rate calculation process

Method of calculating rate

1066B-A1 The rate of pension is a daily rate. That rate is worked out by dividing the annual rate calculated according to this Rate Calculator by 364 (fortnightly rates are provided for information only).

Method statement

- Step 1. Work out what would be the person's rate of pension if Pension Rate Calculator D applied to the person: the result is called the ***notional income/assets tested rate***.
- Step 2. Work out the person's ***maximum basic rate*** using MODULE B below.
- Step 2A. Work out the energy supplement (if any) using Module BA below.

Section 1066B

- Step 3. Work out the amount per year for youth disability supplement using MODULE C below.
- Step 4. Work out the amount per year (if any) of pharmaceutical allowance using MODULE D below.
- Step 5. Add up the amounts obtained in Steps 2, 2A, 3 and 4: the result is called the *maximum payment rate*.
- Step 6. Work out the *non-income/assets tested rate* by:
- (a) subtracting from the maximum payment rate any special employment advance deduction (see Part 3.16B); and
 - (b) if there is any amount remaining, subtracting from that amount any advance payment deduction (see Part 3.16A); and
 - (c) adding any amount payable by way of remote area allowance (see Module F).

Youth Allowance Rate Calculator

Module A—Overall rate calculation process

Method of calculating rate

1067G-A1 The rate of allowance is a daily rate. That rate is worked out by dividing the fortnightly rate calculated according to this Rate Calculator by 14.

Method statement

- Step 1. Work out the person's maximum basic rate using Module B below.
- Step 1A. Work out the energy supplement (if any) using Module BA below.
- Step 2. Work out the amount a fortnight (if any) of pharmaceutical allowance using Module C below.
- Step 2A. Work out the amount per fortnight (if any) for youth disability supplement using Module D below.
- Step 3. Work out the applicable amount per fortnight (if any) for rent assistance in accordance with paragraph 1070A(a).

Section 1067G

Step 4. Add up the amounts obtained in Steps 1 to 3: the result is the **maximum payment rate**.

Step 8. If the person is not independent, work out the person's **reduction for parental income** using Module E.

Step 12. Apply the income test using Module H below to work out the person's income reduction.

Step 13. Take away from the maximum payment rate the greatest of the following that apply:

- (a) the person's reduction for parental income;
- (c) the person's income reduction.

(If a reduction described in paragraph (a) applies, and is not less than any other reduction that applies, take away from the maximum payment rate the first-mentioned reduction.) The result is the **provisional fortnightly payment rate**. If that rate is nil because of the taking away of a reduction described in paragraph (a) then youth allowance is not payable to the person.

Note: If a person's maximum payment rate is reduced under this step, section 1210 sets the order in which the components of that rate are to be reduced.

Step 14. The **rate of allowance** is the amount obtained by:

- (a) subtracting from the provisional fortnightly payment rate any special employment advance deduction (see Part 3.16B); and
- (b) if there is any amount remaining, subtracting from that amount any advance payment deduction (see Part 3.16A); and

- (c) adding any amount payable by way of remote area allowance (see Module K).

Module B—Maximum basic rate

Maximum basic rate

1067G-B1 The maximum basic rate of a person is to be worked out as follows:

- (a) if the person is not independent (see section 1067A) and is not a long term income support student (see section 1067F)—use Table BA;
- (b) if the person is independent and is not a long term income support student—use Table BB or point 1067G-B3A;
- (c) if the person is a long term income support student—use Table BC.

Person who is not independent

1067G-B2 If the person is not independent (see section 1067A) and is not a long term income support student (see section 1067F), work out whether the person:

- (a) lives at home (see section 1067E); or
- (b) is required to live away from home (see section 1067D).

The person's maximum basic rate is the amount in column 3 of the table that corresponds to the person's situation as described in column 2 of the table.

Table BA—Maximum basic rates (people who are not independent)

Column 1 Item	Column 2 Person's situation	Column 3 Rate

 - (ii) if the Secretary, under point 1067G-B3AB, determines another period for the person for the purposes of this subparagraph—that other period; and
- (d) none of subsections 5(3), (6) and (7) prevents the child from being a dependent child of the person.

Note 1: For *undertaking full-time study* see section 541B.

Note 2: For *new apprentice, family law order, registered parenting plan and parenting plan* see subsection 23(1).

Section 1067G

Section 1067G

- (b) the amount that would have been the person's pension supplement under Module BA of the Pension PP (Single) Rate Calculator if the person was receiving parenting payment.

Note: A person's maximum basic rate under Module B of the Pension PP (Single) Rate Calculator is indexed 6 monthly in line with increases in Male Total Average Weekly Earnings (see section 1195).

$$\frac{14}{365}$$

Step 2. Apply the parental income test in Module F to work out the parental income test result for the person.

- Step 3. If the parental income test result is equal to or more than the MIT reducible amount, the person's **reduction for parental income** is the parental income test result.
- Step 4. If the parental income test result is less than the person's MIT reducible amount, apply the maintenance income test in Module GA to work out the maintenance income test result for the person.
- Step 5. Add the parental income test result to the maintenance income test result to get the person's **notional reduction**.
- Step 6. If the notional reduction is less than or equal to the MIT reducible amount, the person's **reduction for parental income** is the notional reduction.
- Step 7. If the notional reduction is more than the MIT reducible amount, the person's **reduction for parental income** is the MIT reducible amount.

Base FTB child rate

1067G-E2 The **base FTB child rate** is the amount that would be the base FTB child rate within the meaning of the Family Assistance Act, if the person were an FTB child of a parent of the person.

Maximum FTB child rate

1067G-E3 The **maximum FTB child rate** is the amount specified for item 2 in column 2 of the table in clause 7 of Schedule 1 to the Family Assistance Act.

Note: The amount is indexed under Schedule 4 of the Family Assistance Act.

Module F—Parental income test

Submodule 1—Parental income test result

Parental income test result

1067G-F1 This is how to work out the parental income test result for a person for the purposes of the method statement in point 1067G-E1.

Method statement

- Step 1. Work out whether the person is exempt from the parental income test using Submodule 2. If the person is exempt, go to step 5.
- Step 2. If the person is not exempt, identify the appropriate tax year using Submodule 3.
- Step 3. Work out the person's combined parental income for the appropriate tax year using Submodule 4.
- Step 4. Work out the person's parental income free area using Submodule 5.
- Step 5. If:
 - (a) the person's combined parental income does not exceed the person's parental income free area; or
 - (b) the person is exempt from the parental income test;then the ***parental income test result*** for the person is nil.
- Step 6. If the person's combined parental income exceeds the person's parental income free area, then the ***parental income test result*** for the person is the amount worked out using Submodule 6.

Submodule 2—Exemption from parental income test

Parent receiving Commonwealth benefit

1067G-F3 A person is exempt from the parental income test while a parent of the person:

- (a) is receiving a payment of pension, benefit, allowance or compensation referred to in Module L; or
- (c) is receiving a payment under the ABSTUDY Scheme.

Submodule 3—Appropriate tax year

Appropriate tax year

1067G-F4 Subject to this Submodule, the **appropriate tax year** for a youth allowance payment period is the base tax year for that period.

Base tax year

1067G-F5 The **base tax year** for a youth allowance payment period is the tax year that ended on 30 June in the calendar year that came immediately before the calendar year in which the period ends.

Example: A youth allowance payment period ends on 25 January 1999—this day occurs in the calendar year 1 January 1999 to 31 December 1999—the calendar year that came immediately before this one is the calendar year 1 January 1998 to 31 December 1998—the base tax year is the tax year that ended on 30 June 1998 (i.e. the year of income that began on 1 July 1997).

Change to appropriate tax year because of increase in combined parental income

1067G-F6 If a person's combined parental income under Submodule 4 for the tax year following the base tax year exceeds:

- (a) 125% of the person's combined parental income under that Submodule for the base tax year; and
- (b) 125% of the person's parental income free area under Submodule 5;

Section 1067G

the appropriate tax year, for the purpose of applying this Module to the person in respect of a youth allowance payment period that ends after 30 September in a year, is the tax year following the base tax year.

Change to appropriate tax year at person's request

1067G-F7 If:

- (aa) a person's combined parental income for the tax year following the base tax year is substantially less than it was in the base tax year and is likely to continue to be so for 2 years after the later of:
 - (i) 1 January in the tax year following the base tax year; or
 - (ii) the day on which the combined parental income is reduced; and
- (a) the person requests the Secretary to make a determination under point 1067G-F8; and
- (b) as a result, the Secretary determines under that point that, for the purpose of applying this Module to the person in respect of a youth allowance payment period that ends on or after:
 - (i) the day on which the request is made; or
 - (ii) 1 January in a year;whichever day is later, the appropriate tax year is the tax year following the base tax year;

the appropriate tax year, for that purpose, is the tax year following the base tax year.

Person may ask Secretary to change appropriate tax year

1067G-F8 If:

- (a) youth allowance:
 - (i) is not payable to a person because the rate of youth allowance because of this Module is nil; or
 - (ii) is payable at a reduced rate because of this Module; and
- (b) the person gives the Secretary an estimate of the person's combined parental income under Submodule 4 for the tax year following the base tax year; and

- (c) the person requests the Secretary to make a determination under this point; and
- (d) the person agrees that the person's rate of youth allowance is to be recalculated if the person's actual combined parental income for that tax year exceeds the amount that the person estimated;

the Secretary must determine that, for the purpose of applying this Module to the person in respect of a youth allowance payment period that ends on or after:

- (e) the day on which the request is made; or
- (f) 1 January in a year;

whichever day is later, the appropriate tax year is the tax year following the base tax year.

Form of request

1067G-F9 A request under point 1067G-F8 must be made in writing in accordance with a form approved by the Secretary.

Submodule 4—Combined parental income

Combined parental income

1067G-F10 For the purposes of this Module, a person's **combined parental income** for a particular tax year is the sum of the following amounts (**income components**) in respect of each of the person's parents:

- (a) the parent's taxable income for that year, disregarding each parent's assessable FHSS released amount (within the meaning of the *Income Tax Assessment Act 1997*) for that year;
- (b) the parent's adjusted fringe benefits total for that year;
- (c) the parent's target foreign income for that year;
- (d) the parent's total net investment loss for that year;
- (da) the parent's tax free pensions or benefits for that year (worked out in accordance with clause 7 of Schedule 3 to the Family Assistance Act);

Section 1067G

- (e) the parent's reportable superannuation contributions (within the meaning of the *Income Tax Assessment Act 1997*) for that year.

Note 2: For **taxable income** see subsection 23(1).

Note 3: For **adjusted fringe benefits total** see subpoint 1067G-F11(2).

Note 4: For **target foreign income** see subpoint 1067G-F11(3).

Note 5: For **total net investment loss**, see subsection 10B(2).

Income components for tax year

1067G-F11(1) A parent's **taxable income** for a tax year is:

- (a) the parent's assessed taxable income for that year; or
- (b) if the parent does not have an assessed taxable income for that year—the accepted estimate, in respect of the parent, of taxable income for that year.

1067G-F11(2) A parent's **adjusted fringe benefits total** for a tax year is the amount worked out using the formula:

$$\text{Section 57A employer fringe benefits total} + \text{Other employer fringe benefits total}$$

where:

other employer fringe benefits total is the amount that is the sum of the following:

- (a) each of the parent's reportable fringe benefits amounts for the tax year under section 135P of the *Fringe Benefits Tax Assessment Act 1986*;
- (b) each of the parent's reportable fringe benefits amounts for the tax year under section 135Q of the *Fringe Benefits Tax Assessment Act 1986*, to the extent that section relates to the parent's employment by an employer described in section 58 of that Act.

section 57A employer fringe benefits total is the amount that is the sum of each of the parent's individual quasi-fringe benefits amounts for the tax year under section 135Q of the *Fringe Benefits Tax Assessment Act 1986*, to the extent that section relates to the

parent's employment by an employer described in section 57A of that Act.

1067G-F11(3) A parent's **target foreign income** for a tax year is the accepted estimate of the amount of the parent's foreign income (as defined in section 10A) for the tax year that is not:

- (a) taxable income; or
- (b) received in the form of a fringe benefit (as defined in the *Fringe Benefits Tax Assessment Act 1986*, as it applies of its own force or because of the *Fringe Benefits Tax (Application to the Commonwealth) Act 1986*) in relation to the parent as employee (as defined in the *Fringe Benefits Tax Assessment Act 1986*) and a year of tax.

Assessed taxable income

1067G-F12 A parent's **assessed taxable income** for a tax year at a particular time is the most recent of:

- (a) if, at that time, the Commissioner of Taxation has made an assessment or an amended assessment of that taxable income—that taxable income according to the assessment or amended assessment; or
- (b) if, at that time, a tribunal has amended an assessment or an amended assessment made by the Commissioner—that taxable income according to the amendment made by the tribunal; or
- (c) if, at that time, a court has amended an assessment or an amended assessment made by the Commissioner or an amended assessment made by a tribunal—that taxable income according to the amendment made by the court.

Accepted estimate

1067G-F13 An **accepted estimate** of an income component or an amount described in subpoint 1067G-F11(3), in respect of a parent, for a tax year is that income component or amount according to the most recent notice given under point 1067G-F14 and accepted by the Secretary for the purposes of this Module.

Section 1067G

Notice estimating income component

1067G-F14 A notice setting out an estimate of an income component or an amount described in subpoint 1067G-F11(3), for a tax year, of a parent of a person claiming or receiving youth allowance may be given to the Secretary by:

- (a) the parent; or
- (b) the person claiming or receiving youth allowance.

However, if the parent gives a notice, any notice given, in respect of the same income component or amount and the same tax year, by the person claiming or receiving youth allowance is taken not to be, or not to have been, given.

Acceptance of notice

1067G-F15 The Secretary is to accept a notice referred to in point 1067G-F14 for the purposes of this Module only if the Secretary is satisfied that the estimate is reasonable.

Income reduced by maintenance paid by a parent

1067G-F20 A parent's combined parental income for a tax year is reduced by an amount equal to any maintenance paid during the tax year by the parent:

- (a) for the upkeep of a child of the parent if the parent does not have care of the child; or
- (b) to a former partner of the parent.

Submodule 5—Parental income free area

Parental income free area

1067G-F22 For the purposes of this Module, a person's **parental income free area** for a time in a calendar year is an amount equal to the income free area under clause 38N of Schedule 1 to the *A New Tax System (Family Assistance) Act 1999*, as affected by indexation under Schedule 4 to that Act, on 1 January in the calendar year.

Note: The parental income free area is not indexed under this Act because it is affected by indexation under the *A New Tax System (Family Assistance) Act 1999*.

Submodule 6—If person’s combined parental income exceeds parental income free area

Having parental income in common

- 1067G-F26 For the purposes of this Submodule, 2 or more persons have parental income in common if:
- (a) the parental income test applies to each of them; and
 - (b) a parent of one of the persons is also a parent of each of the other persons.

Note: See also points 1067G-F30 and 1067G-F31, which extend the situations in which a person will have parental income in common with other persons.

Person who does not have parental income in common with anyone else

- 1067G-F27 Work out a person’s parental income test result using the following formula and point 1067G-F29 if:
- (a) the person does not have parental income in common with anyone else; and
 - (b) the person’s combined parental income (see Submodule 4) for the appropriate tax year exceeds the person’s parental income free area (see Submodule 5):

The excess
130

Note: Dividing by 130 is equivalent to dividing by 26 (for 26 fortnights in a year) and dividing again by 5 (so that the parental income test result is only 20 cents for each dollar of the excess).

Person who has parental income in common with someone else

- 1067G-F28 Work out a person’s parental income test result using the following formula and point 1067G-F29 if:
-

Section 1067G

- (a) the person has parental income in common with one or more other persons; and
- (b) the person's combined parental income (see Submodule 4) for the appropriate tax year exceeds the person's parental income free area (see Submodule 5):

$$\frac{\text{The excess}}{130} \times \frac{\text{Person's maximum payment rate under Module A}}{\text{Total of maximum payment rate of each person who has parental income in common}}$$

Note: Dividing by 130 is equivalent to dividing by 26 (for 26 fortnights in a year) and dividing again by 5.

Rounding the parental income test result

1067G-F29 If the result of the formula in whichever of points 1067G-F27 and 1067G-F28 applies is not a multiple of 10 cents, round the result to the nearest 10 cents (rounding a multiple of 5 cents upwards).

Extension to recipients under ABSTUDY or Assistance for Isolated Children Scheme

1067G-F30 This Submodule applies in relation to a person in respect of whom a payment is made under the ABSTUDY Scheme or the Assistance for Isolated Children Scheme and to whom a parental income test under that scheme applies as if:

- (a) the parental income test under this Module applied to the person; and
- (b) the total of the amounts described in the following table as relevant to the person were the maximum payment rate for the person for the purposes of this Submodule.

Amounts included in total treated as maximum payment rate

Item	If this allowance is being paid in respect of the person	This amount is relevant to the person
1	Living allowance under the ABSTUDY Scheme	The person's maximum payment rate of the living allowance
2	Group 2 school fees allowance	$\frac{1}{26}$ of the school fees allowance

Amounts included in total treated as maximum payment rate

Item	If this allowance is being paid in respect of the person	This amount is relevant to the person
	under the ABSTUDY Scheme	amount subject to income testing
3	Additional boarding allowance under the Assistance for Isolated Children Scheme	$\frac{1}{26}$ of the maximum rate of the additional boarding allowance

Note: This Submodule does not (of its own force) affect the amount payable to the person under the ABSTUDY Scheme or the Assistance for Isolated Children Scheme.

Extension to FTB children and regular care children

1067G-F31 In working out a person's (the **recipient's**) parental income test result for the purposes of this Module:

- (a) an FTB child, or a regular care child, of someone who is a parent of the recipient is taken to be a person (a **relevant sibling**) who has parental income in common with the recipient; and
- (b) in using the formula in point 1067G-F28 for the recipient, the maximum payment rate for relevant siblings is $\frac{14}{365}$ of the amount worked out under point 1067G-F32.

Note: For **FTB child** and **regular care child**, see section 23.

1067G-F32 For the purposes of paragraph 1067G-F31(b), the amount worked out under this point is the amount that would, at the time the recipient's rate of youth allowance is worked out, be the parent's maximum rate:

- (a) under step 1 of the method statement in clause 3 of Schedule 1 to the Family Assistance Act (having regard only to clauses 7 and 11 for the purposes of paragraph (a) of that step); or
- (b) if the only relevant sibling is a regular care child—under step 1 of the method statement in clause 28A of Schedule 1 to the Family Assistance Act.

Section 1067G

1067G-F33 In working out the parent's maximum rate for the purposes of point 1067G-F32:

- (a) assume that the parent has made a claim for payment of family tax benefit by instalment in accordance with the Family Assistance Administration Act; and
- (b) assume that the parent has not made an election under subsection 58A(1) of the Family Assistance Act; and
- (c) make any other assumption that the Minister, by legislative instrument, specifies.

1067G-F34 Work out the amount under point 1067G-F32 for one parent only.

1067G-F35 Count the amount worked out under point 1067G-F32 once only in using the formula in point 1067G-F28 for a recipient, regardless of how many relevant siblings the recipient has.

Module GA—Maintenance income test

Submodule 1—Maintenance income test result

Maintenance income test result

1067G-GA1 This is how to work out the maintenance income test result for a person for the purposes of the method statement in point 1067G-E1.

Method statement

- Step 1. Work out whether the person is exempt from the maintenance income test using Submodule 2. If the person is exempt, go to step 5.
- Step 2. If the person is not exempt, work out the annualised amount of maintenance income for a parent of the person (the *parent's maintenance income*) using Submodule 3.
- Step 3. Work out the parent's maintenance income free area using Submodule 4.

- Step 4. Work out whether the parent's maintenance income exceeds the parent's maintenance income free area.
- Step 5. If:
- (a) the parent's maintenance income does not exceed the parent's maintenance income free area; or
 - (b) the person is exempt from the maintenance income test;
- then the ***maintenance income test result*** for the person is nil.
- Step 6. If the parent's maintenance income exceeds the parent's maintenance income free area, multiply the excess by 0.5. The result, divided by 26, is the ***maintenance income test result*** for the person.

Submodule 2—Exemption from maintenance income test

Parent exempt from FTB maintenance income test

1067G-GA2 A person is exempt from the maintenance income test if paragraphs 19B(a) and (b) of Schedule 1 to the Family Assistance Act apply to the person's parent or to the parent's partner.

Submodule 3—Annualised amount of maintenance income for parent of a person

Annualised amount of maintenance income

1067G-GA3 Work out the annualised amount of maintenance income for a parent of the person as if step 1 of the method statement in clause 20 of Schedule 1 to the Family Assistance Act applied. In doing so:

- (a) assume that the person is an FTB child of the parent; and

Section 1067G

- (b) assume that paragraphs (a), (b), (c) and (d) are not in the step; and
- (c) only take into account maintenance income received in relation to the person; and
- (d) in working out whether maintenance income is received in relation to the person, have regard to the considerations that would apply under the Family Assistance Act; and
- (e) have regard to maintenance income for the income year in respect of which the person's rate of youth allowance is being worked out.

Submodule 4—Maintenance income free area

Main rule

1067G-GA4 The ***maintenance income free area*** for a parent of a person is:

- (a) the column 2 amount (see point 1067G-GA7); or
- (b) if another point in this Submodule applies—the amount worked out in the point.

If there are other siblings including an FTB child

1067G-GA5 This point applies if the parent of the person is also the parent of:

- (a) an FTB child in relation to whom the parent receives maintenance income; or
- (b) both:
 - (i) an FTB child in relation to whom the parent receives maintenance income; and
 - (ii) another person who is receiving youth allowance and in relation to whom the parent receives maintenance income.

The ***maintenance income free area*** for the parent is the column 3 amount (see point 1067G-GA7).

If there are other siblings but no FTB child

1067G-GA6 This point applies if the parent of the person:

- (a) is also the parent of another person (an ***other recipient***) who is receiving youth allowance and in relation to whom the parent receives maintenance income; and
- (b) is not the parent of an FTB child in relation to whom the parent receives maintenance income.

The ***maintenance income free area*** for the parent is worked out using this formula:

$$\frac{\text{Column 2 amount} + \text{Column 3 amount for each other recipient}}{1 + \text{Number of other recipients}}$$

Definitions of column 2 amount and column 3 amount

1067G-GA7 In this Submodule:

column 2 amount means the amount specified for item 1 in column 2 of the table in clause 22 of Schedule 1 to the Family Assistance Act.

column 3 amount means the amount specified for item 1 in column 3 of the table in clause 22 of Schedule 1 to the Family Assistance Act.

Note: The amounts are indexed under Schedule 4 of the Family Assistance Act.

Receiving maintenance income in relation to a person

1067G-GA8 In working out whether a parent of a person receives maintenance income in relation to an FTB child or other person, have regard to the considerations that would apply under the Family Assistance Act.

Module H—Income test

Effect of ordinary income on maximum payment rate

1067G-H1 This is how to work out the effect of a person's ordinary income, and the ordinary income of a partner of the person, on the person's maximum payment rate:

Section 1067G

Method statement

Step 1. Work out the amount of the person's ordinary income on a fortnightly basis (where appropriate, taking into account the matters provided for in points 1067G-H2 to 1067G-H25).

Step 2. If the person is a member of a couple, work out the partner income free area using point 1067G-H26.

Note: The partner income free area is the maximum amount of ordinary income the person's partner can have without affecting the person's benefit.

Step 3. Use point 1067G-H27 to work out the person's partner income excess. (If there is no partner income excess under that point, the person's partner income excess is taken to be nil.)

Step 4. Use the person's partner income excess to work out the person's partner income reduction using point 1067G-H28.

Step 5. Use point 1067G-H30 to work out the person's ordinary income excess. (If there is no ordinary income excess under that point, the person's ordinary income excess is taken to be nil.)

Step 6. Use the person's ordinary income excess to work out the person's ordinary income reduction using points 1067G-H31, 1067G-H32 and 1067G-H33.

Step 7. Add the person's partner income reduction and ordinary income reduction: the result is the **person's income reduction** referred to in Step 12 of the Method statement in point 1067G-A1.

Note 1: For **ordinary income** see subsection 8(1).

- Note 2: The application of the income test is affected by provisions concerning:
- (a) the general concept of ordinary income and the treatment of certain income amounts (Division 1 of Part 3.10);
 - (b) business income (sections 1074 and 1075);
 - (c) income from financial assets (including income streams (short term) and certain income streams (long term)) (Division 1B of Part 3.10);
 - (d) income from income streams not covered by Division 1B of Part 3.10 (Division 1C of Part 3.10);
 - (e) disposal of income (sections 1106 to 1111).

Ordinary income of members of certain couples

- 1067G-H2 If a person is a member of a couple and the person's partner is receiving a social security pension, a service pension, income support supplement or a veteran payment, the person's ordinary income is taken to be one half of the sum of:
- (a) the amount that would be the person's ordinary income if he or she were not a member of a couple; and
 - (b) the amount that would be the ordinary income of the person's partner if the partner were not a member of a couple.

Friendly society amounts

- 1067G-H3 The ordinary income of a person:
- (a) who has a temporary incapacity exemption under section 542A; or
 - (b) who is a partner of a person who has a temporary incapacity exemption under that section;
- is not to include any amount received from an approved friendly society in respect of the incapacity to which the temporary incapacity exemption relates.

- 1067G-H3A The ordinary income of a person:
- (a) who is not required to satisfy the employment pathway plan requirements because of a determination that is in effect under section 40L of the Administration Act and that has been made because of the circumstance referred to in paragraph 40L(5)(a) of that Act; or

Section 1067G

(b) who is a partner of a person who is not required to satisfy the employment pathway plan requirements because of a determination that is in effect under section 40L of the Administration Act and that has been made because of the circumstance referred to in paragraph 40L(5)(a) of that Act; is not to include any amount received from an approved friendly society in respect of the incapacity that resulted in the determination.

Lump sum payments arising from termination of employment

1067G-H4 Subject to points 1067G-H11 to 1067G-H20 (inclusive), if:

- (a) a person's employment has been terminated; and
- (b) as a result the person is entitled to a lump sum payment from the person's former employer;

the person is taken to have received the lump sum payment on the day on which the person's employment was terminated.

Ordinary income to include certain sick leave entitlements

1067G-H5 If a person is qualified for youth allowance and the person:

- (a) has a temporary incapacity exemption under section 542A; or
- (b) is not required to satisfy the employment pathway plan requirements because of a determination that is in effect under section 40L of the Administration Act and that has been made because of the circumstance referred to in paragraph 40L(5)(a) of that Act;

the person's ordinary income is taken to include an amount equal to the amount in respect of sick leave worked out under points 1067G-H6, 1067G-H7 and 1067G-H8.

Sick leave entitlements

1067G-H6 If:

- (a) a person has sick leave entitlements on a day that the person is incapacitated for work; and

Section 1067G

- (b) the person has the right to claim payment from the person's employer by way of sick leave payment in respect of that day; and
- (c) the person's employer is able to pay the person the person's sick leave payment in respect of that day; and
- (d) the person is not receiving a leave payment (other than a sick leave payment) in respect of that day;

the person is, for the purposes of this point, taken to have received a sick leave payment equal to the person's sick leave entitlements in respect of that day, assuming that the person does not exercise any rights the person may have in relation to the amount to be paid in respect of that day.

Subsequent consecutive applications of point 1067G-H6

1067G-H7 If point 1067G-H6 has applied to a person in respect of a day, then, for the purposes of any subsequent consecutive applications of the point, the person's sick leave entitlements are to be taken to be reduced by a day.

Sick leave payments already included in ordinary income

1067G-H8 A person's ordinary income is not to include a payment received by the person in respect of sick leave to the extent that an amount equal to the payment has been included in the person's ordinary income under point 1067G-H5.

Certain leave payments taken to be ordinary income—employment continuing

1067G-H11 If:

- (a) a person is employed; and
- (b) the person is on leave for a period; and
- (c) the person is or was entitled to receive a leave payment (whether as a lump sum payment, as a payment that is one of a series of regular payments or otherwise) in respect of a part or all of a leave period;

Section 1067G

the person is taken to have received ordinary income for a period (the *income maintenance period*) equal to the leave period to which the leave payment entitlement relates.

Certain termination payments taken to be ordinary income

1067G-H12 If:

- (a) a person's employment has been terminated; and
- (b) the person receives a termination payment (whether as a lump sum payment, as a payment that is one of a series of regular payments or otherwise);

the person is taken to have received ordinary income for a period (the *income maintenance period*) equal to the period to which the payment relates.

Exception to points 1067G-H11 and 1067G-H12

1067G-H12A Point 1067G-H11 or 1067G-H12 does not apply in relation to a person's entitlement referred to in paragraph 1067G-H11(c) or in relation to a person's termination payment referred to in paragraph 1067G-H12(b) if:

- (a) the person makes a claim for youth allowance on or after the commencement of this point; and
- (b) the person makes the claim after the death of the person's partner on or after the commencement of this point; and
- (c) if the person is a man or a woman who was not pregnant when her partner died—the person makes the claim in the period of 14 weeks starting on the day of the death of the partner; and
- (d) if the person is a woman who was pregnant when her partner died—the person makes the claim:
 - (i) in the period of 14 weeks starting on the day of the death of the partner; or
 - (ii) in the period starting on the day of the death of the partner and ending when the child is born or the woman otherwise stops being pregnant;whichever ends later; and

- (e) the entitlement referred to in paragraph 1067G-H11(c) arose, or the termination payment referred to in paragraph 1067G-H12(b) was paid, in the period applicable under paragraph (c) or (d) of this point.

More than one termination payment on a day

1067G-H13 If:

- (a) the person is covered by point 1067G-H12; and
(b) the person receives more than one termination payment on a day;

the income maintenance period is worked out by adding the periods to which the payments relate.

Start of income maintenance period—employment continuing

1067G-H14 If the person is covered by point 1067G-H11, the income maintenance period starts on the first day of the leave period to which the leave payment entitlement relates.

Start of income maintenance period—employment terminated

1067G-H14A Subject to point 1067G-H14C, if the person is covered by point 1067G-H12, the income maintenance period starts, subject to point 1067G-H14B, on the day the person is paid the termination payment.

Commencement of income maintenance period where there is a second termination payment

1067G-H14B If a person who is covered by point 1067G-H12 is subject to an income maintenance period (the **first period**) and the person is paid another termination payment during that period (the **second leave payment**), the income maintenance period for the second termination payment commences the day after the end of the first period.

Section 1067G

Start of income maintenance period where liquid assets test waiting period applies

1067G-H14C If a person to whom point 1067G-H14A applies is subject to a liquid assets test waiting period, the income maintenance period is taken to have started on the day on which the liquid assets test waiting period started.

Leave payments or termination payments in respect of periods longer than a fortnight

1067G-H15 Subject to points 1067G-H5 to 1067G-H8 (inclusive), if:

- (a) a person receives a leave payment or termination payment; and
- (b) the payment is in respect of a period greater than a fortnight; the person is taken to receive in a payment fortnight or part of a payment fortnight an amount calculated by:
 - (c) dividing the amount received by the number of days in the period to which the payment relates (***daily rate***); and
 - (d) multiplying the daily rate by the number of days in the payment fortnight that are also in the period.

1067G-H16 If the Secretary is satisfied that a person is in severe financial hardship because the person has incurred unavoidable or reasonable expenditure while an income maintenance period applies to the person, the Secretary may determine that the whole, or any part, of the period does not apply to the person.

Note 1: For ***in severe financial hardship*** see subsection 19C(2) (person who is not a member of a couple) and subsection 19C(3) (person who is a member of a couple).

Note 2: For ***unavoidable or reasonable expenditure*** see subsection 19C(4).

Note 3: If an income maintenance period applies to a person, then, during that period:

- (a) the allowance claimed may not be payable to the person; or
- (b) the amount of the allowance payable to the person may be reduced.

When a person receives a leave payment or a termination payment

- 1067G-H17 For the purposes of points 1067G-H6 to 1067G-H16 (inclusive), a person (**first person**) is taken to receive a leave payment or termination payment if the payment is made to another person:
- (a) at the direction of the first person or a court; or
 - (b) on behalf of the first person; or
 - (c) for the benefit of the first person; or
 - (d) the first person waives or assigns the first person's right to receive the payment.

Single payment in respect of different kinds of termination payments

- 1067G-H18 If a person who is covered by point 1067G-H12 receives a single payment in respect of different kinds of termination payments, then, for the purposes of the application of points 1067G-H11 to 1067G-H17 (inclusive), each part of the payment that is in respect of a different kind of termination payment is taken to be a separate payment and the income maintenance period in respect of the single payment is worked out by adding the periods to which the separate payments relate.

Definitions

- 1067G-H19 In points 1067G-H11 to 1067G-H18 (inclusive):

payment fortnight means a fortnight in respect of which a youth allowance is paid, or would be paid apart from the application of an income maintenance period, to a person.

period to which the payment relates means:

- (a) if the payment is a leave payment—the leave period to which the payment relates; or
- (b) if the payment is a termination payment and is calculated as an amount equivalent to an amount of ordinary income that the person would (but for the termination) have received from the employment that was terminated—the period for

Section 1067G

which the person would have received that amount of ordinary income; or

- (c) if the payment is a termination payment and paragraph (b) does not apply—the period of weeks (rounded down to the nearest whole number) in respect of which the person would have received ordinary income, from the employment that was terminated, of an amount equal to the amount of the termination payment if:
 - (i) the person’s employment had continued; and
 - (ii) the person received ordinary income from the employment at the rate per week at which the person usually received ordinary income from the employment prior to the termination.

redundancy payment includes a payment in lieu of notice.

termination payment includes:

- (a) a redundancy payment; and
- (b) a leave payment relating to a person’s employment that has been terminated; and
- (c) any other payment that is connected with the termination of a person’s employment.

Meaning of leave payment

1067G-H20 In points 1067G-H5 to 1067G-H19 (inclusive):

leave payment includes a payment in respect of sick leave, annual leave, maternity leave and long service leave, but does not include:

- (a) an instalment of parental leave pay; or
- (b) dad and partner pay.

Board and lodging

1067G-H22 A person’s ordinary income is not to include a payment to the person for board or lodging provided by the person to a parent, child, brother or sister of the person.

Section 1067G

Ordinary income generally taken into account when first earned, derived or received

1067G-H23 Subject to points 1067G-H23A, 1067-H23B, 1067G-H24 and 1067G-H25 and sections 1072A and 1073, ordinary income (except employment income) is to be taken into account in the fortnight in which it is first earned, derived or received.

Note: See Division 1AA of Part 3.10 for the treatment of employment income.

Claimant or recipient receives lump sum amount for remunerative work

1067G-H23A If a person whose claim for youth allowance has been granted receives, after the claim was made, a lump sum amount that:

- (a) is paid to him or her in relation to remunerative work; and
- (b) is not a payment to which point 1067G-H24 applies; and
- (c) is not an exempt lump sum; and
- (d) is not employment income;

the person is, for the purposes of this Module, taken to receive one fifty-second of that amount as ordinary income during each week in the 12 months commencing on the day on which the person becomes entitled to receive that amount.

Partner of claimant or recipient receives lump sum amount for remunerative work

1067G-H23B If:

- (a) a person whose claim for youth allowance has been granted is a member of a couple; and
- (b) after the person had made the claim, the person's partner receives a lump sum amount that:
 - (i) is paid to him or her in relation to remunerative work; and
 - (ii) is not a payment to which point 1067G-H24 applies; and
 - (iii) is not an exempt lump sum; and

Section 1067G

(iv) is not employment income;
the partner is, for the purposes of this Module, taken to receive one fifty-second of that amount as ordinary income during each week in the 12 months commencing on the day on which the partner becomes entitled to receive that amount.

Operation of points 1067G-H23A and 1067G-H23B

1067G-H23C Points 1067G-H23A and 1067G-H23B have effect even if the person who has made the claim:

- (a) is subject to a liquid assets test waiting period or an income maintenance period in respect of the allowance claimed; or
 - (b) is subject to a seasonal work preclusion period;
- during the period of 12 months referred to in those points.

Ordinary income received at intervals longer than one fortnight

1067G-H24 Subject to points 1067G-H11 to 1067G-H20 (inclusive), if:

- (a) a person receives a number of payments of ordinary income (except employment income); and
- (b) each payment is in respect of a period (**work period**) that is greater than a fortnight; and
- (c) there is reasonable predictability or regularity as to the timing of the payments; and
- (d) there is reasonable predictability as to the quantum of the payments;

the person is taken to receive in a fortnight falling within, or overlapping with, a work period an amount calculated by:

- (e) dividing the amount received by the number of days in the work period (**daily rate**); and
- (f) multiplying the daily rate by the number of days in the fortnight that are also within the work period.

Payment of arrears of periodic compensation payments

1067G-H25 If:

- (a) at the time of an event that gives rise to an entitlement of a person to compensation, the person is receiving youth allowance; and
- (b) in relation to that entitlement, the person receives a payment of arrears of periodic compensation;

the person is taken to receive, in a fortnight falling within, or overlapping with, the periodic payments period, an amount calculated by:

- (c) dividing the amount received by the number of days in the periodic payments period (*daily rate*); and
- (d) multiplying the daily rate by the number of days in the fortnight that are also within the periodic payments period.

Note: For *periodic payments period* see section 17.

Partner income free area

1067G-H26 The partner income free area for a person is:

- (a) if the person's partner is not receiving a social security benefit and has not turned 22—the amount of income of the partner (rounded up to the nearest dollar) beyond which youth allowance would not be payable to the partner if the partner were qualified for a youth allowance and were not undertaking full-time study (see section 541B); or
- (b) if the person's partner is not receiving a social security benefit and has turned 22—the amount of income of the partner (rounded up to the nearest dollar) beyond which jobseeker payment would not be payable to the partner if the partner were qualified for a jobseeker payment; or
- (c) if the person's partner is receiving a social security benefit—the amount of income of the partner (rounded up to the nearest dollar) beyond which that benefit would not be payable to the partner.

Section 1067G

1067G-H26A For the purposes of paragraph 1067G-H26(a), disregard steps 2, 2A and 3 of the method statement in point 1067G-A1.

1067G-H26B For the purposes of paragraph 1067G-H26(b), disregard steps 2 and 3 of the method statement in point 1068-A1.

Partner income excess

1067G-H27 If:

- (a) a person is a member of a couple; and
- (b) the person's partner is not receiving a social security pension, a service pension, income support supplement or a veteran payment; and
- (c) the partner's ordinary income exceeds the partner income free area for the partner;

then:

- (d) the person has a partner income excess; and
- (e) the person's partner income excess is the amount by which the partner's ordinary income exceeds the partner income free area.

Partner income reduction

1067G-H28 If a person has a partner income excess, the person's partner income reduction is an amount equal to 60% of the person's partner income excess.

Example:

Facts: Alice's partner Martin has an ordinary income of \$800. Assume that the partner income free area under point 1067G-H26 is \$640.

Result: Martin's ordinary income exceeds the partner income free area. Alice therefore has a partner income excess under point 1067G-H27 of:

$$\$800 - \$640 = \$160$$

Alice's partner income reduction under point 1067G-H28 is therefore:

$$60\% \times \$160 = \$96$$

Ordinary income free area

1067G-H29 A person's ordinary income free area is:

- (a) if the person is undertaking full-time study at any time in the fortnight in respect of which a youth allowance may be payable, other than in compliance with a requirement contained in an employment pathway plan that is in force in relation to the person—\$400; or
- (aa) if the person is a new apprentice at any time in the fortnight in respect of which a youth allowance may be payable—\$400; or
- (b) otherwise—\$150.

Ordinary income excess

1067G-H30 If a person's ordinary income exceeds the person's ordinary income free area:

- (a) the person has an ordinary income excess; and
- (b) the person's ordinary income excess is the amount by which the person's ordinary income exceeds the person's ordinary income free area.

Ordinary income reduction

1067G-H31 If a person has an ordinary income excess, the person's ordinary income reduction is the sum of:

- (a) the person's lower range reduction (if any)(see point 1067G-H32); and
- (b) the person's upper range reduction (if any) (see point 1067G-H33).

Lower range reduction

1067G-H32 The person's lower range reduction is an amount equal to 50% of the part of the person's ordinary income excess that does not exceed:

- (a) if the person is undertaking full-time study at any time in the fortnight in respect of which a youth allowance may be

Section 1067G

payable, other than in compliance with a requirement contained in an employment pathway plan that is in force in relation to the person—\$80; or

- (b) if the person is a new apprentice at any time in the fortnight in respect of which a youth allowance may be payable—\$80; or
- (c) otherwise—\$100.

Upper range reduction

1067G-H33 The person's upper range reduction is an amount equal to 60% of the part (if any) of the person's ordinary income excess that exceeds:

- (a) if the person is undertaking full-time study at any time in the fortnight in respect of which a youth allowance may be payable, other than in compliance with a requirement contained in an employment pathway plan that is in force in relation to the person—\$80; or
- (b) if the person is a new apprentice at any time in the fortnight in respect of which a youth allowance may be payable—\$80; or
- (c) otherwise—\$100.

Module J—Student income bank

Student income bank

1067G-J1 A person's ordinary income under Module H may be reduced under this Module. This diagram sets out how to work out:

- (a) whether the person's ordinary income for a particular fortnight, in respect of which youth allowance may be payable to the person, is to be reduced; and
- (b) if it is to be reduced, the amount of the reduction.

Section 1067G

Application of this Module

1067G-J2 This Module applies to a person during a particular fortnight, in respect of which youth allowance may be payable to the person, if the person is undertaking full-time study (see section 541B) or is a new apprentice (see subsection 23(1)) at any time during the fortnight.

Section 1067G

Income bank credit

1067G-J3 A person's income bank credit for a particular income bank fortnight of the person is to be worked out as follows:

Method statement

- Step 1. Assume that the person's income bank credit, at the time this Module starts applying to the person, is an opening balance of zero.
- Step 2. If, for the person's first income bank fortnight, the person has an income credit under point 1067G-J4, add it to the opening balance.
- Step 3. For each subsequent income bank fortnight of the person, up to but not including the fortnight in question, either:
 - (a) if the person has an income credit for that fortnight under point 1067G-J4 and the person is not a new apprentice—add it to the balance of the person's income bank credit in respect of all the previous fortnights, but not so as to increase the balance beyond \$10,000; or

- (aa) if the person has an income credit for that fortnight under point 1067G-J4 and the person is a new apprentice—add it to the balance of the person’s income bank credit in respect of all the previous fortnights, but not so as to increase the balance beyond \$1,000; or
- (b) if the person has, in respect of that fortnight, drawn from the person’s income bank credit under point 1067G-J5—deduct from that balance the amount drawn, but not so as to reduce the balance below zero.

The result is the person’s income bank credit for the fortnight in question.

Income credit

1067G-J4 For the purposes of point 1067G-J3, if the amount that would, apart from this Module, be the person’s ordinary income for an income bank fortnight of the person is less than the ordinary income free area (see paragraph 1067G-H29(a) or (aa)):

- (a) the person has an income credit for that fortnight; and
- (b) the income credit is an amount equal to the difference between the ordinary income free area (see paragraph 1067G-H29(a) or (aa)) and the first-mentioned amount.

Drawing from income bank credit

1067G-J5 For the purposes of point 1067G-J3, if the amount that would, apart from this Module, be the person’s ordinary income for an income bank fortnight of the person is greater than the ordinary income free area (see paragraph 1067G-H29(a) or (aa)):

- (a) the person is taken to have drawn from the person’s income bank credit in respect of that fortnight; and

Section 1067G

- (b) the amount drawn is taken to be an amount equal to the difference between the first-mentioned amount and the ordinary income free area (see paragraph 1067G-H29(a) or (aa)).

Income bank fortnight

1067G-J6 For the purposes of this Module, an income bank fortnight of a person is any fortnight, in respect of which youth allowance may be payable to the person, during the whole or a part of which this Module applies to the person.

Opening balance following cancellation of another social security pension or benefit

1067G-J7 If:

- (a) a person ceases to be a working credit participant because of a determination to cancel, or an automatic cancellation of, the person's social security pension or social security benefit; and
- (b) the person had a working credit balance greater than nil immediately before the date of effect of the determination or cancellation; and
- (c) the person makes a claim, or is taken to have made a claim, for a youth allowance; and
- (d) the Secretary determines that the claim is to be granted with effect from a day within 12 months after the date of effect mentioned in paragraph (b); and
- (e) the person becomes a person to whom this Module applies on a day (the ***module application day***), being either the day with effect from which the claim is granted or a day following that day;

the working credit balance mentioned in paragraph (b) becomes the opening balance of the income bank credit applicable to the person on the module application day.

Opening balance following suspension of youth allowance

1067G-J8 If:

- (a) a person ceases to be a working credit participant because of a determination to suspend the person's youth allowance; and
- (b) the person had a working credit balance greater than nil immediately before the date of effect of the determination; and
- (c) within 12 months after the date of effect of the determination:
 - (i) the person commences to undertake full-time study or becomes a new apprentice; and
 - (ii) the payment of the person's youth allowance is resumed; and
- (d) the person becomes a person to whom this module applies on the day with effect from which the person's youth allowance is resumed;

the working credit balance mentioned in paragraph (b) becomes the opening balance of the income bank credit applicable to the person on the day mentioned in paragraph (d).

Opening balance following suspension and subsequent cancellation of another social security pension or benefit

1067G-J9 If:

- (a) a person ceases to be a working credit participant because of a determination to suspend the person's social security pension or social security benefit; and
- (b) while the person's pension or benefit is suspended, there is a determination to cancel the person's pension or benefit; and
- (c) the person had a working credit balance greater than nil immediately before the date of effect of the suspension determination; and
- (d) the person makes a claim, or is taken to have made a claim, for a youth allowance; and
- (e) the Secretary determines that the claim is to be granted with effect from a day within 12 months after the date of effect mentioned in paragraph (c); and

Section 1067G

- (f) the person becomes a person to whom this Module applies on a day (the **module application day**), being either the day with effect from which the claim is granted or a day following that day;

the working credit balance mentioned in paragraph (c) becomes the opening balance of the income bank credit applicable to the person on the module application day.

Opening balance following commencement of full-time study by youth allowance recipient

1067G-J10 If:

- (a) a person is receiving youth allowance and is not undertaking full-time study; and
- (b) the person commences to undertake full-time study; and
- (c) either because of a determination made as a result of the commencement or, if no determination is necessary, because of the commencement itself, the person, on a day (the **module application day**):
- (i) ceases to be a working credit participant; and
- (ii) becomes a person to whom this Module applies; and
- (d) the person had a working credit balance greater than nil immediately before the module application day;

the working credit balance mentioned in paragraph (d) becomes the opening balance of the income bank credit applicable to the person on the module application day.

Opening balance following commencement as a new apprentice by youth allowance recipient

1067G-J11 If:

- (a) a person is receiving youth allowance and is not a new apprentice; and
- (b) the person becomes a new apprentice; and
- (c) either because of a determination made as a result of the commencement or, if no determination is necessary, because

of the commencement itself, the person, on a day (the **module application day**):

- (i) ceases to be a working credit participant; and
- (ii) becomes a person to whom this Module applies; and
- (d) the person had a working credit balance greater than nil immediately before the module application day;

the working credit balance mentioned in paragraph (d) becomes the opening balance of the income bank credit applicable to the person on the module application day.

Module K—Remote area allowance

Remote area allowance—person physically in remote area

1067G-K1 An amount by way of remote area allowance is to be added to a person's rate of youth allowance if:

- (a) the person's rate of youth allowance apart from this point is greater than nil; and
- (b) the person's usual place of residence is situated in the remote area; and
- (c) the person is physically present in the remote area.

Note 1: For **remote area** see subsection 14(1).

Note 2: A person may be considered to be physically present in a remote area during temporary absences (see subsection 14(2)).

Rate of remote area allowance

1067G-K2 A person's rate of remote area allowance is worked out using Table K. Work out which family situation in the table applies to the person. The rate of remote area allowance is the corresponding amount in column 3 plus an additional corresponding amount in column 4 for each FTB child, and each regular care child, of the person.

Section 1067G

Table K—Remote area allowance			
Column 1	Column 2	Column 3	Column 4
Item	Person's family situation	Basic allowance	Additional allowance for each FTB child and regular care child
1	Not a member of a couple	\$18.20	\$7.30
2	Partnered	\$15.60	\$7.30
3	Member of an illness separated couple	\$18.20	\$7.30
4	Partnered (partner in gaol)	\$18.20	\$7.30

Note: For *member of a couple, partnered, illness separated couple* and *partnered (partner in gaol)* see section 4.

Meaning of remote area allowance

1067G-K3 In Table K, remote area allowance means an amount added to a person's youth allowance by way of remote area allowance.

In remote area

1067G-K4 For the purposes of Table K, a person is in the remote area if:

- (a) the person's usual place of residence is in the remote area; and
- (b) the person is physically present in the remote area.

Special rule if partner has an FTB or regular care child but is not receiving a pension

1067G-K6 If:

- (a) an additional allowance is to be included in the rate of remote area allowance for a person who is a member of a couple; and
- (b) the person's partner is not receiving a social security pension or social security benefit; and
- (c) the person's partner has an FTB child or a regular care child; the child is taken, for the purposes of this Module, to be an FTB child, or a regular care child, (as the case requires) of the person.

Special rule if partner has an FTB or regular care child but is not receiving additional allowance for the child

1067G-K7 If:

- (a) an additional allowance is to be included in the rate of remote area allowance for a person who is a member of a couple; and
- (b) the person's partner has an FTB child or a regular care child; and
- (c) the person's partner is not receiving additional allowance for the child;

the child is taken, for the purposes of this Module, to be an FTB child, or a regular care child, (as the case requires) of the person.

Special rule dealing with the death of an FTB or regular care child

1067G-K9 If an FTB child, or a regular care child, of a person dies, this Module has effect, for a period of 14 weeks after the death of the child, as if the child had not died.

Note: This point does not prevent this Module having the effect it would have had if the child would otherwise have ceased to be an FTB child, or a regular care child, during that 14 weeks.

1067L Rate of austudy payment

Austudy Payment Rate Calculator

- (1) The rate of austudy payment of a person referred to in section 581 is to be calculated in accordance with the Rate Calculator in this section.

Limit on rate of payment

- (2) If:
- (a) a person is living with another person as the spouse of the other person on a genuine domestic basis although not legally

Section 1067L

married to the other person (whether the persons are the same sex or different sexes); and

(b) the other person is under the age of consent that applies in the State or Territory in which they are living;

the rate of the person's austudy payment is not to be more than the rate at which the austudy payment would be payable to the person if the other person were the person's partner.

Austudy Payment Rate Calculator

Module A—Overall rate calculation process

Method of calculating rate

1067L-A1 The rate of payment is a daily rate. That rate is worked out by dividing the fortnightly rate calculated according to this Rate Calculator by 14.

Method statement

Step 1. Work out the person's maximum basic rate using Module B below.

Step 1A. Work out the pension supplement amount (if any) using Module BA below.

Step 1B. Work out the energy supplement (if any) using Module BB below.

Step 2. Work out the amount a fortnight (if any) of pharmaceutical allowance using Module C below.

Step 2A. Work out the applicable amount per fortnight (if any) for rent assistance in accordance with paragraph 1070A(a).

Step 3. Add up the amounts obtained in Steps 1, 1A, 1B, 2 and 2A: the result is the ***maximum payment rate***.

Step 4. Apply the income test using Module D below to work out the person's income reduction.

Step 5. Take away the person's income reduction from the maximum payment rate: the result is the ***provisional fortnightly payment rate***.

Note: If a person's rate is reduced under this step, the order in which the reduction is to be made is laid down by section 1210.

Step 6. The ***rate of payment*** is the amount obtained by:

- (a) subtracting from the provisional fortnightly payment rate any special employment advance deduction (see Part 3.16B); and
- (b) if there is any amount remaining, subtracting from that amount any advance payment deduction (see Part 3.16A); and
- (c) adding any amount payable by way of remote area allowance (see Module F).

Module B—Maximum basic rate

Maximum basic rate

1067L-B1 A person's maximum basic rate is to be worked out as follows:

- (a) if the person is not a long term income support student (see section 1067K)—use Table BA;
- (b) if the person is a long term income support student—use point 1067L-B3.

Person who is not a long term income support student

1067L-B2(1) If the person is not a long term income support student (see section 1067K), work out:

Section 1067L

- (a) whether the person is a member of a couple (see section 4); and
- (b) whether the person has a dependent child (see subsections 5(2) to (9)); and
- (c) if the person is not a member of a couple, whether the person has a YA child (see subpoint (2)).

The person's maximum basic rate is the amount in column 3 of the table that corresponds to the person's situation as described in column 2 of the table.

Column 1 Item	Column 2 Person's situation	Column 3 Rate
1	Does not have a dependent child or a YA child	\$512.50
2	Is a member of a couple and has a dependent child	\$557.90
3	Is not a member of a couple and has a dependent child or YA child	\$656

Note: The rates in column 3 are indexed annually in line with CPI increases (see sections 1191–1194).

(2) In this point:

YA child, in relation to a person who is not a member of a couple, means a child who is receiving youth allowance, is under 18 years of age and would be a dependent child of the person if he or she were not receiving the allowance.

Person who is a long term income support student

1067L-B3 If the person is a long term income support student (see section 1067K), work out whether the person is a member of a couple (see section 4).

The person's maximum basic rate is the amount in column 3 of the table that corresponds to the person's situation as described in column 2 of the table.

Column 1	Column 2	Column 3
Item	Person's situation	Rate
1	Is a member of a couple	\$557.90
2	Is not a member of a couple	\$611.90

Module BA—Pension supplement

Pension supplement

1067L-BA1 A pension supplement amount is to be added to the person's maximum basic rate if the person is residing in Australia, has reached pension age and:

- (a) is in Australia; or
- (b) is temporarily absent from Australia and has been so for a continuous period not exceeding 6 weeks.

1067L-BA2 The person's pension supplement amount is:

- (a) if an election by the person under subsection 1061VA(1) is in force—the amount worked out under point 1067L-BA4; and
- (b) otherwise—the amount worked out under point 1067L-BA3.

Amount if no election in force

1067L-BA3 The person's pension supplement amount is the amount worked out by:

- (a) applying the applicable percentage in the following table to the combined couple rate of pension supplement; and
- (b) dividing the result by 26; and
- (c) if:
 - (i) the person is not partnered; and

Section 1067L

- (ii) the amount resulting from paragraph (b) is not a multiple of 10 cents;
rounding the amount up or down to the nearest multiple of 10 cents (rounding up if the amount is not a multiple of 10 cents but is a multiple of 5 cents).

Item	Person's family situation	Use this %
1	Not member of couple	66.33%
2	Partnered	50%
3	Member of illness separated couple	66.33%
4	Member of respite care couple	66.33%
5	Partnered (partner in gaol)	66.33%

Note: For *combined couple rate of pension supplement*, see subsection 20A(1).

Amount if election in force

1067L-BA4 The person's pension supplement amount is the amount worked out as follows:

- (a) work out the amount for the person under point 1067L-BA3 as if the election were not in force;
- (b) from that amount, subtract $\frac{1}{26}$ of the person's minimum pension supplement amount.

Module BB—Energy supplement

1067L-BB1 An energy supplement is to be added to the person's (the *recipient's*) maximum basic rate if the recipient is residing in Australia and:

- (a) is in Australia; or
- (b) is temporarily absent from Australia and has been so for a continuous period not exceeding 6 weeks.

However, this Module does not apply if quarterly energy supplement is payable to the recipient.

Note: Section 918 may affect the addition of the energy supplement.

Section 1067L

Recipient has reached pension age

1067L-BB2 If the recipient has reached pension age, the recipient's energy supplement is the amount worked out using the following table:

Energy supplement

4	Member of a respite care couple	\$14.10
5	Partnered (partner in gaol)	\$14.10

Recipient has not reached pension age

1067L-BB3 If the recipient has not reached pension age, the recipient's energy supplement is worked out using the following table:

4	If the recipient's maximum basic rate is worked out under item 1 of the table in point 1067L-B3	\$7.70

Section 1067L

Energy supplement		
Item	Recipient's family situation for maximum basic rate	Amount of energy supplement
5	If the recipient's maximum basic rate is worked out under item 2 of the table in point 1067L-B3	\$8.60

Module C—Pharmaceutical allowance

Qualification for pharmaceutical allowance

1067L-C1 Subject to points 1067L-C1A and 1067L-C2, an amount by way of pharmaceutical allowance is to be added to a person's maximum basic rate if:

- (b) the person has turned 60; and
- (c) the person has been receiving income support payments in respect of a continuous period of at least 9 months (whether or not the kind of payment received has changed over the period and whether the period or any part of it occurred before or after the commencement of this paragraph).

Note 1: For *income support payment* see subsection 23(1).

Note 2: For the determination of the continuous period in respect of which a person received income support payments see section 38B.

No pharmaceutical allowance if person receiving pension supplement

1067L-C1A Pharmaceutical allowance is not to be added to a person's maximum basic rate if a pension supplement amount has been added to that rate.

No pharmaceutical allowance if partner receiving certain supplements under other Acts

1067L-C2 Pharmaceutical allowance is not to be added to a person's maximum basic rate if:

Amount of pharmaceutical allowance

1067L-C3 The amount of pharmaceutical allowance is the amount per fortnight worked out using the following table:

Section 1067L

Module D—Income test

Effect of ordinary income on maximum payment rate

1067L-D1 This is how to work out the effect of:

- (a) a person's ordinary income; and
 - (b) the ordinary income of a partner of the person;
- on the person's maximum payment rate:

Method statement

Step 1. Work out the amount of the person's ordinary income on a fortnightly basis (where appropriate, taking into account the matters provided for in points 1067L-D2 to 1067L-D24).

Step 2. If the person is a member of a couple, work out the partner income free area using point 1067L-D25.

Note: The partner income free area is the maximum amount of ordinary income the person's partner can have without affecting the person's benefit.

Step 3. Use point 1067L-D26 to work out the person's partner income excess. (If there is no partner income excess under that point, the person's partner income excess is taken to be nil.)

Step 4. Use the person's partner income excess to work out the person's partner income reduction using point 1067L-D27.

Section 1067L

- Step 5. Use point 1067L-D29 to work out the person's ordinary income excess. (If there is no ordinary income excess under that point, the person's ordinary income excess is taken to be nil.)
- Step 6. Use the person's ordinary income excess to work out the person's ordinary income reduction using points 1067L-D30, 1067L-D31 and 1067L-D32.
- Step 7. Add the person's partner income reduction and ordinary income reduction: the result is the ***person's income reduction*** referred to in Step 4 of the Method statement in point 1067L-A1.

Note 1: For ***ordinary income*** see subsection 8(1).

Note 2: The application of the income test is affected by provisions concerning the following:

- (a) the general concept of ordinary income and the treatment of certain income amounts (Division 1 of Part 3.10);
- (b) business income (sections 1074 and 1075);
- (c) income from financial assets (including income streams (short term) and certain income streams (long term)) (Division 1B of Part 3.10);
- (d) income from income streams not covered by Division 1B of Part 3.10 (Division 1C of Part 3.10);
- (e) disposal of income (sections 1106 to 1111).

Ordinary income of members of certain couples

1067L-D2 If a person is a member of a couple and the person's partner is receiving a social security pension, a service pension, income support supplement or a veteran payment, the person's ordinary income is taken to be one half of the sum of:

- (a) the amount that would be the person's ordinary income if he or she were not a member of a couple; and
- (b) the amount that would be the ordinary income of the person's partner if the partner were not a member of a couple.

Section 1067L

Lump sum payments arising from termination of employment

1067L-D3 Subject to points 1067L-D5 to 1067L-D16 (inclusive), if:

- (a) a person's employment has been terminated; and
- (b) as a result the person is entitled to a lump sum payment from the person's former employer;

the person is taken to have received the lump sum payment on the day on which the person's employment was terminated.

Certain leave payments taken to be ordinary income—employment continuing

1067L-D5 If:

- (a) a person is employed; and
- (b) the person is on leave for a period; and
- (c) the person is or was entitled to receive a leave payment (whether as a lump sum payment, as a payment that is one of a series of regular payments or otherwise) in respect of a part or all of a leave period;

the person is taken to have received ordinary income for a period (the ***income maintenance period***) equal to the leave period to which the leave payment entitlement relates.

Certain termination payments taken to be ordinary income

1067L-D6 If:

- (a) a person's employment has been terminated; and
- (b) the person receives a termination payment (whether as a lump sum payment, as a payment that is one of a series of regular payments or otherwise);

the person is taken to have received ordinary income for a period (the ***income maintenance period***) equal to the period to which the payment relates.

More than one termination payment on a day

1067L-D7 If:

- (a) the person is covered by point 1067L-D6; and

Section 1067L

(b) the person receives more than one termination payment on a day;

the income maintenance period is worked out by adding the periods to which the payments relate.

Start of income maintenance period—employment continuing

1067L-D8 If the person is covered by point 1067L-D5, the income maintenance period starts on the first day of the leave period to which the leave payment entitlement relates.

Start of income maintenance period—employment terminated

1067L-D9 Subject to point 1067L-D10A, if the person is covered by point 1067L-D6, the income maintenance period starts, subject to point 1067L-D10, on the day on which the person is paid the termination payment.

Commencement of income maintenance period where there is a second termination payment

1067L-D10 If:

- (b) the person is paid another termination payment during that period (the **second leave payment**);

the income maintenance period for the second termination payment starts on the day after the end of the first period.

Start of income maintenance period where liquid assets test waiting period applies

1067L-D10A If a person to whom point 1067L-D10 applies is subject to a liquid assets test waiting period, the income maintenance period is taken to have started on the day on which the liquid assets test waiting period started.

Section 1067L

Leave payments or termination payments in respect of periods longer than a fortnight

1067L-D11 If:

- (a) a person receives a leave payment or termination payment; and
- (b) the payment is in respect of a period longer than a fortnight; the person is taken to receive in a payment fortnight or part of a payment fortnight an amount calculated by:
- (c) dividing the amount received by the number of days in the period to which the payment relates (**daily rate**); and
- (d) multiplying the daily rate by the number of days in the payment fortnight that are also in the period.

1067L-D12 If the Secretary is satisfied that a person is in severe financial hardship because the person has incurred unavoidable or reasonable expenditure while an income maintenance period applies to the person, the Secretary may determine that the whole, or any part, of the period does not apply to the person.

Note 1: For **in severe financial hardship** see subsection 19C(2) (person who is not a member of a couple) and subsection 19C(3) (person who is a member of a couple).

Note 2: For **unavoidable or reasonable expenditure** see subsection 19C(4).

Note 3: If an income maintenance period applies to a person, then, during that period:

- (a) the allowance claimed may not be payable to the person; or
- (b) the amount of the allowance payable to the person may be reduced.

When a person receives a leave payment or a termination payment

1067L-D13 For the purposes of points 1067L-D5 to 1067L-D12 (inclusive), a person (**first person**) is taken to receive a leave payment or termination payment if:

- (a) the payment is made to another person:
 - (i) at the direction of the first person or a court; or
 - (ii) on behalf of the first person; or
 - (iii) for the benefit of the first person; or

Section 1067L

- (b) the first person waives or assigns his or her right to receive the payment.

Single payment in respect of different kinds of termination payments

1067L-D14 If a person who is covered by point 1067L-D6 receives a single payment in respect of different kinds of termination payments, then, for the purposes of the application of points 1067L-D5 to 1067L-D13 (inclusive):

- (a) each part of the payment that is in respect of a different kind of termination payment is taken to be a separate payment; and
(b) the income maintenance period in respect of the single payment is worked out by adding the periods to which the separate payments relate.

Definitions

1067L-D15 In points 1067L-D5 to 1067L-D14 (inclusive):

payment fortnight means a fortnight in respect of which an austudy payment is paid, or would be paid apart from the application of an income maintenance period, to a person.

period to which the payment relates means:

- (a) if the payment is a leave payment—the leave period to which the payment relates; or
(b) if the payment is a termination payment and is calculated as an amount equivalent to an amount of ordinary income that the person would (but for the termination) have received from the employment that was terminated—the period for which the person would have received that amount of ordinary income; or
(c) if the payment is a termination payment and paragraph (b) does not apply—the period of weeks (rounded down to the nearest whole number) in respect of which the person would have received ordinary income, from the employment that

Section 1067L

was terminated, of an amount equal to the amount of the termination payment if:

- (i) the person's employment had continued; and
- (ii) the person received ordinary income from the employment at the rate per week at which the person usually received ordinary income from the employment prior to the termination.

redundancy payment includes a payment in lieu of notice.

termination payment includes:

- (a) a redundancy payment; and
- (b) a leave payment relating to a person's employment that has been terminated; and
- (c) any other payment that is connected with the termination of a person's employment.

Meaning of leave payment

1067L-D16 In points 1067L-D5 to 1067L-D15 (inclusive):

leave payment includes a payment in respect of sick leave, annual leave, maternity leave and long service leave, but does not include:

- (a) an instalment of parental leave pay; or
- (b) dad and partner pay.

Board and lodging

1067L-D18 A person's ordinary income is not to include a payment to the person for board or lodging provided by the person to a parent, child, brother or sister of the person.

Ordinary income generally taken into account when first earned, derived or received

1067L-D19 Subject to points 1067L-D20, 1067L-D21, 1067L-D23 and 1067L-D24 and sections 1072A and 1073, ordinary income (except employment income) is to be taken into account in the fortnight in which it is first earned, derived or received.

Section 1067L

Note: See Division 1AA of Part 3.10 for the treatment of employment income.

Claimant or recipient receives lump sum amount for remunerative work

- 1067L-D20 If a person whose claim for austudy payment has been granted receives, after the claim was made, a lump sum amount that:
- (a) is paid to him or her in relation to remunerative work; and
 - (b) is not a payment to which point 1067L-D21 applies; and
 - (c) is not an exempt lump sum; and
 - (d) is not employment income;
- the person is, for the purposes of this Module, taken to receive one fifty-second of that amount as ordinary income during each week in the 12 months commencing on the day on which the person becomes entitled to receive that amount.

Partner of claimant or recipient receives lump sum amount for remunerative work

- 1067L-D21 If:
- (a) a person whose claim for austudy payment has been granted is a member of a couple; and
 - (b) after the person has made the claim, the person's partner receives a lump sum amount that:
 - (i) is paid to him or her in relation to remunerative work; and
 - (ii) is not a payment to which point 1067L-D23 applies; and
 - (iii) is not an exempt lump sum; and
 - (iv) is not employment income;
- the partner is, for the purposes of this Module, taken to receive one fifty-second of that amount as ordinary income during each week in the 12 months commencing on the day on which the partner becomes entitled to receive that amount.

Section 1067L

Operation of points 1067L-D20 and 1067L-D21

1067L-D22 Points 1067L-D20 and 1067L-D21 have effect even if the person who has made the claim:

- (a) is subject to a liquid assets test waiting period or an income maintenance period in respect of the allowance claimed; or
 - (b) is subject to a seasonal work preclusion period;
- during the period of 12 months referred to in those points.

Ordinary income received at intervals longer than one fortnight

1067L-D23 Subject to points 1067L-D5 to 1067L-D16 (inclusive), if:

- (a) a person receives a number of payments of ordinary income (except employment income); and
- (b) each payment is in respect of a period (**work period**) that is greater than a fortnight; and
- (c) there is reasonable predictability or regularity as to the timing of the payments; and
- (d) there is reasonable predictability as to the quantum of the payments;

the person is taken to receive in a fortnight falling within, or overlapping with, a work period an amount calculated by:

- (e) dividing the amount received by the number of days in the work period (**daily rate**); and
- (f) multiplying the daily rate by the number of days in the fortnight that are also within the work period.

Payment of arrears of periodic compensation payments

1067L-D24 If:

- (a) at the time of an event that gives rise to an entitlement of a person to compensation, the person is receiving an austudy payment; and

- (b) in relation to that entitlement, the person receives a payment of arrears of periodic compensation;
the person is taken to receive, in a fortnight falling within, or overlapping with, the periodic payments period, an amount calculated by:
- (c) dividing the amount received by the number of days in the periodic payments period (*daily rate*); and
 - (d) multiplying the daily rate by the number of days in the fortnight that are also within the periodic payments period.

Note: For *periodic payments period* see section 17.

Partner income free area

1067L-D25 The partner income free area for a person is:

- (a) if the person's partner is not receiving a social security benefit and has not turned 22—the amount of income of the partner (rounded up to the nearest dollar) beyond which youth allowance would not be payable to the partner if the partner were qualified for a youth allowance and were not undertaking full-time study (see section 541B); or
- (b) if the person's partner is not receiving a social security benefit and has turned 22—the amount of income of the partner (rounded up to the nearest dollar) beyond which jobseeker payment would not be payable to the partner if the partner were qualified for a jobseeker payment; or
- (c) if the person's partner is receiving a social security benefit—the amount of income of the partner (rounded up to the nearest dollar) beyond which that benefit would not be payable to the partner.

1067L-D25A For the purposes of paragraph 1067L-D25(a), disregard steps 2, 2A and 3 of the method statement in point 1067G-A1.

1067L-D25B For the purposes of paragraph 1067L-D25(b), disregard steps 2 and 3 of the method statement in point 1068-A1.

Section 1067L

Partner income excess

1067L-D26 If:

- (a) a person is a member of a couple; and
- (b) the person's partner is not receiving a social security pension, a service pension, income support supplement or a veteran payment; and
- (c) the partner's ordinary income exceeds the partner income free area for the partner;

then:

- (d) the person has a partner income excess; and
- (e) the person's partner income excess is the amount by which the partner's ordinary income exceeds the partner income free area.

Partner income reduction

1067L-D27 If a person has a partner income excess, the person's partner income reduction is an amount equal to 60% of the person's partner income excess.

Example:

Facts: Alice's partner Martin has an ordinary income of \$800. Assume that the partner income free area under point 1067L-D25 is \$640.

Result: Martin's ordinary income exceeds the partner income free area. Alice therefore has a partner income excess under point 1067L-D26 of:

$$\$800 - \$640 = \$160$$

Alice's partner income reduction under point 1067L-D27 is therefore:

$$60\% \times \$160 = \$96$$

Ordinary income free area

1067L-D28 A person's ordinary income free area is \$400.

Ordinary income excess

- 1067L-D29 If a person's ordinary income exceeds the person's ordinary income free area:
- (a) the person has an ordinary income excess; and
 - (b) the person's ordinary income excess is the amount by which the person's ordinary income exceeds the person's ordinary income free area.

Ordinary income reduction

- 1067L-D30 If a person has an ordinary income excess, the person's ordinary income reduction is the sum of:
- (a) the person's lower range reduction (if any) (see point 1067L-D31); and
 - (b) the person's upper range reduction (if any) (see point 1067L-D32).

Lower range reduction

- 1067L-D31 The person's lower range reduction is an amount equal to 50% of the part of the person's ordinary income excess that does not exceed \$80.

Upper range reduction

- 1067L-D32 The person's upper range reduction is an amount equal to 60% of the part (if any) of the person's ordinary income excess that exceeds \$80.

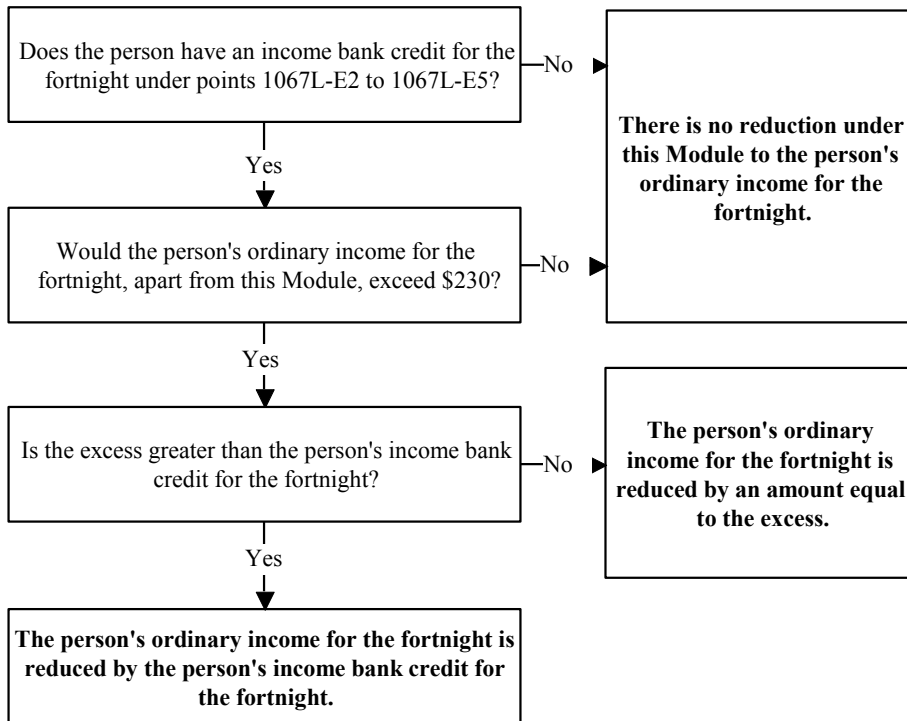

Module E—Student income bank

Student income bank

- 1067L-E1 A person's ordinary income under Module D may be reduced under this Module. This diagram sets out how to work out:
- (a) whether the person's ordinary income for a particular fortnight in respect of which austudy payment may be payable to the person, is to be reduced; and

Section 1067L

(b) if it is to be reduced, the amount of the reduction.

Income bank credit

1067L-E2 A person's income bank credit for a particular income bank fortnight of the person is to be worked out as follows:

Method statement

Step 1. Assume that the person's income bank credit, at the time this Module starts applying to the person, is an opening balance of zero.

Section 1067L

Step 2. If, for the person's first income bank fortnight, the person has an income credit under point 1067L-E3, add it to the opening balance.

Step 3. For each subsequent income bank fortnight of the person, up to but not including the fortnight in question, either:

(a) if the person has an income credit for that fortnight under point 1067L-E3 and the person is not a new apprentice—add it to the balance of the person's income bank credit in respect of all the previous fortnights, but not so as to increase the balance beyond \$10,000; or

(aa) if the person has an income credit for that fortnight under point 1067L-E3 and the person is a new apprentice—add it to the balance of the person's income bank credit in respect of all the previous fortnights, but not so as to increase the balance beyond \$1,000; or

(b) if the person has, in respect of that fortnight, drawn from the person's income bank credit under point 1067L-E4—deduct from that balance the amount drawn, but not so as to reduce the balance below zero.

The result is the person's income bank credit for the fortnight in question.

Section 1067L

Income credit

1067L-E3 For the purposes of point 1067L-E2, if the amount that would, apart from this Module, be the person's ordinary income for an income bank fortnight of the person is less than the ordinary income free area (see point 1067L-D28):

- (a) the person has an income credit for that fortnight; and
- (b) the income credit is an amount equal to the difference between the ordinary income free area (see point 1067L-D28) and the first-mentioned amount.

Drawing from income bank credit

1067L-E4 For the purposes of point 1067L-E2, if the amount that would, apart from this Module, be the person's ordinary income for an income bank fortnight of the person is greater than the ordinary income free area (see point 1067L-D28):

- (a) the person is taken to have drawn from the person's income bank credit in respect of that fortnight; and
- (b) the amount drawn is taken to be an amount equal to the difference between the first-mentioned amount and the ordinary income free area (see point 1067L-D28).

Income bank fortnight

1067L-E5 For the purposes of this Module, an income bank fortnight of a person is any fortnight in respect of which an austudy payment may be payable to the person.

Opening balance following cancellation of another social security pension or benefit

1067L-E6 If:

- (a) a person ceases to be a working credit participant because of a determination to cancel, or an automatic cancellation of, the person's social security pension or social security benefit; and

Section 1067L

- (b) the person had a working credit balance greater than nil immediately before the date of effect of the determination or cancellation; and
- (c) the person makes a claim, or is taken to have made a claim, for an austudy payment; and
- (d) the Secretary determines that the claim is to be granted with effect from a day within 12 months after the date of effect mentioned in paragraph (b); and
- (e) the person becomes a person to whom this Module applies on a day (the ***module application day***), being either the day with effect from which the claim is granted or a day following that day; and
- (f) the person has not reached pension age before the module application day;

the working credit balance mentioned in paragraph (b) becomes the opening balance of the income bank credit applicable to the person on the module application day.

Opening balance following suspension and subsequent cancellation of another social security pension or benefit

1067L-E7 If:

- (a) a person ceases to be a working credit participant because of a determination to suspend the person's social security pension or social security benefit; and
- (b) while the person's pension or benefit is suspended, there is a determination to cancel the person's pension or benefit; and
- (c) the person had a working credit balance greater than nil immediately before the date of effect of the suspension determination; and
- (d) the person makes a claim, or is taken to have made a claim, for an austudy payment; and
- (e) the Secretary determines that the claim is to be granted with effect from a day within 12 months after the date of effect mentioned in paragraph (c); and
- (f) the person becomes a person to whom this Module applies on a day (the ***module application day***), being either the day with

Section 1067L

effect from which the claim is granted or a day following that day; and

- (g) the person has not reached pension age before the module application day;

the working credit balance mentioned in paragraph (c) becomes the opening balance of the income bank credit applicable to the person on the module application day.

Module F—Remote area allowance

Remote area allowance—person physically in remote area

1067L-F1 An amount by way of remote area allowance is to be added to a person's rate of austudy payment if:

- (a) the person's rate of austudy payment apart from this point is greater than nil; and
- (b) the person's usual place of residence is situated in the remote area; and
- (c) the person is physically present in the remote area.

Note 1: For **remote area** see subsection 14(1).

Note 2: A person may be considered to be physically present in a remote area during temporary absences (see subsection 14(2)).

Rate of remote area allowance

1067L-F2 A person's rate of remote area allowance is worked out using Table F. Work out which family situation in the table applies to the person. The rate of remote area allowance is the corresponding amount in column 3 plus the additional corresponding amount in column 4 for each FTB child, and each regular care child, of the person.

Section 1067L

Table F—Remote area allowance

Column 1 Item	Column 2 Person's family situation	Column 3 Basic allowance	Column 4 Additional allowance for each FTB child and regular care child
1	Not a member of a couple	\$18.20	\$7.30
2	Partnered	\$15.60	\$7.30
3	Member of an illness separated couple	\$18.20	\$7.30
4	Partnered (partner in gaol)	\$18.20	\$7.30

Note: For *member of a couple*, *partnered*, *illness separated couple* and *partnered (partner in gaol)* see section 4.

Meaning of remote area allowance

1067L-F3 In Table F, remote area allowance means an amount added to a person's austudy payment by way of remote area allowance.

In remote area

1067L-F4 For the purposes of Table F, a person is in the remote area if:

- (a) the person's usual place of residence is in the remote area; and
- (b) the person is physically present in the remote area.

Special rule if partner has an FTB or regular care child but is not receiving a pension

1067L-F6 If:

- (a) an additional allowance is to be included in the rate of remote area allowance for a person who is a member of a couple; and

Section 1067L

(b) the person's partner is not receiving a social security pension or social security benefit; and

(c) the person's partner has an FTB child or a regular care child; the child is taken, for the purposes of this Module, to be an FTB child, or a regular care child, (as the case requires) of the person.

Special rule if partner has an FTB or regular care child but is not receiving additional allowance for the child

1067L-F7 If:

(a) an additional allowance is to be included in the rate of remote area allowance for a person who is a member of a couple; and

(b) the person's partner has an FTB child or a regular care child; and

(c) the person's partner is not receiving additional allowance for the child;

the child is taken, for the purposes of this Module, to be an FTB child, or a regular care child, (as the case requires) of the person.

Special rule dealing with the death of an FTB or regular care child

1067L-F9 If an FTB child, or a regular care child, of a person dies, this Module has effect, for a period of 14 weeks after the death of the child, as if the child had not died.

Note: This point does not prevent this Module having the effect it would have had if the child would otherwise have ceased to be an FTB child, or a regular care child, during that 14 weeks.
