Part 4A Early payments of fuel tax credits arising between 1 July 2006 and 30 June 2008

Note 1: See Division 3A of Part IIB of the *Taxation Administration Act 1953* for the rules about how the Commissioner must pay you. Division 3 of Part IIB of that Act allows the Commissioner to apply the amount owing as a credit against tax debts that you owe to the Commonwealth.

Note 2: Interest is payable under the *Taxation (Interest on Overpayments and Early Payments) Act 1983* if the Commissioner is late in paying the amount.

- (2) The amount of the early payment is the amount of the credit to which you are entitled.
- (3) If you receive an early payment under this item, then for the purposes of the Fuel Tax Act:
 - (a) if you account on a cash basis, you acquire the fuel and, in a tax period, you provide part of the consideration for the fuel:
 - (i) you have an ***increasing fuel tax adjustment*** of the amount of the early payment, but only to the extent that you provide the consideration in that tax period; and
 - (ii) the adjustment is attributable to that tax period; or
 - (b) otherwise:
 - (i) you have an ***increasing fuel tax adjustment*** of the amount of the early payment; and
 - (ii) the adjustment is attributable to the earliest tax period to which the credit can be attributed.

Note: You will still claim the credit for the tax period, but the credit will be offset by the amount of the increasing fuel tax adjustment.

 - (a) the underpaid *net amount or *indirect tax ceases to be payable; or
 - (b) the overpaid amount under section 35-5 of the *GST Act is taken to have been payable in full;from when the previous ruling was made.
- (3) In deciding whether an *indirect tax ruling applies to you, or whether a ruling has been altered:

 - (c) so far as a public indirect tax ruling conflicts with an earlier private indirect tax ruling, the public indirect tax ruling prevails; and
 - (d) an alteration that a later indirect tax ruling makes to an earlier indirect tax ruling is disregarded so far as the alteration results from a change in the law that came into operation after the earlier indirect tax ruling was given.

105-65 Restriction on refunds

- (1) The Commissioner need not give you a refund to which this section applies, or apply an amount under Division 3 or 3A of Part IIB to which this section applies, if:

 - (b) the supply is not a taxable supply to that extent (for example, because it is *GST-free); and
 - (c) one of the following applies:
 - (i) the Commissioner is not satisfied that you have reimbursed a corresponding amount to the recipient of the supply;
