#### *Civil penalty*

- (2) Subsection (1) is a civil penalty provision.

### 175 Civil penalty orders

- (1) If the Federal Court is satisfied that a person has contravened a civil penalty provision, the Federal Court may order the person to pay the Commonwealth a pecuniary penalty.
- (2) An order under subsection (1) is to be known as a ***civil penalty order***.

#### *Determining amount of pecuniary penalty*

- (3) In determining the pecuniary penalty, the Federal Court must have regard to all relevant matters, including:
  - (a) the nature and extent of the contravention; and

- (b) the nature and extent of any loss or damage suffered as a result of the contravention; and
- (c) the circumstances in which the contravention took place; and
- (d) whether the person has previously been found by the Federal Court in proceedings under this Act to have engaged in any similar conduct; and
- (e) if the Federal Court considers that it is appropriate to do so—whether the person has previously been found by a court in proceedings under a law of a State or Territory to have engaged in any similar conduct; and
- (f) if the Federal Court considers that it is appropriate to do so—whether the person has previously been found by a court in a foreign country to have engaged in any similar conduct; and

However, the person is not liable to more than one pecuniary penalty under this section in respect of the same conduct.

*Civil enforcement of penalty*

- (7) The pecuniary penalty is a civil debt payable to the Commonwealth. The Commonwealth may enforce the civil penalty

Section 176

order as if it were an order made in civil proceedings against the person to recover a debt due by the person. The debt arising from the order is taken to be a judgment debt.

**176 Who may apply for a civil penalty order**

- (1) Only the AUSTRAC CEO may apply for a civil penalty order.
- (2) Subsection (1) does not exclude the operation of the *Director of Public Prosecutions Act 1983*.

**178 Time limit for application for an order**

Proceedings for a civil penalty order may be started no later than 6 years after the contravention.

**179 Civil evidence and procedure rules for civil penalty orders**

The Federal Court must apply the rules of evidence and procedure for civil matters when hearing proceedings for a civil penalty order.

**180 Civil proceedings after criminal proceedings**

The Federal Court must not make a civil penalty order against a person for a contravention if the person has been convicted of an offence constituted by conduct that is substantially the same as the conduct constituting the contravention.

**181 Criminal proceedings during civil proceedings**

- (1) Proceedings for a civil penalty order against a person are stayed if:
  - (a) criminal proceedings are started or have already been started against the person for an offence; and

- (b) the offence is constituted by conduct that is substantially the same as the conduct alleged to constitute the contravention.
- (2) The proceedings for the order may be resumed if the person is not convicted of the offence. Otherwise, the proceedings for the order are dismissed.

### **182 Criminal proceedings after civil proceedings**

Criminal proceedings may be started against a person for conduct that is substantially the same as conduct constituting a contravention of a civil penalty provision regardless of whether a civil penalty order has been made against the person.

### **183 Evidence given in proceedings for penalty not admissible in criminal proceedings**

Evidence of information given, or evidence of production of documents, by an individual is not admissible in criminal proceedings against the individual if:

- (a) the individual previously gave the evidence or produced the documents in proceedings for a civil penalty order against the individual for a contravention of a civil penalty provision (whether or not the order was made); and
- (b) the conduct alleged to constitute the offence is substantially the same as the conduct that was claimed to constitute the contravention.

However, this does not apply to a criminal proceeding in respect of the falsity of the evidence given by the individual in the proceedings for the civil penalty order.

### Abbreviation key—Endnote 2

The abbreviation key sets out abbreviations that may be used in the endnotes.

### Legislation history and amendment history—Endnotes 3 and 4

Amending laws are annotated in the legislation history and amendment history.

The legislation history in endnote 3 provides information about each law that has amended (or will amend) the compiled law. The information includes commencement details for amending laws and details of any application, saving or transitional provisions that are not included in this compilation.

The amendment history in endnote 4 provides information about amendments at the provision (generally section or equivalent) level. It also includes information about any provision of the compiled law that has been repealed in accordance with a provision of the law.

### Editorial changes

The *Legislation Act 2003* authorises First Parliamentary Counsel to make editorial and presentational changes to a compiled law in preparing a compilation of the law for registration. The changes must not change the effect of the law. Editorial changes take effect from the compilation registration date.

If the compilation includes editorial changes, the endnotes include a brief outline of the changes in general terms. Full details of any changes can be obtained from the Office of Parliamentary Counsel.

### Misdescribed amendments

A misdescribed amendment is an amendment that does not accurately describe how an amendment is to be made. If, despite the misdescription, the amendment

---

---

can be given effect as intended, then the misdescribed amendment can be incorporated through an editorial change made under section 15V of the *Legislation Act 2003*.

If a misdescribed amendment cannot be given effect as intended, the amendment is not incorporated and “(md not incorp)” is added to the amendment history.
