

Ozone Protection and Synthetic Greenhouse Gas (Manufacture Levy) Amendment Act 2011

No. 165, 2011

**An Act to amend the *Ozone Protection and Synthetic
Greenhouse Gas (Manufacture Levy) Act 1995*, and
for related purposes**

Note: An electronic version of this Act is available in ComLaw (<http://www.comlaw.gov.au/>)

Ozone Protection and Synthetic Greenhouse Gas (Manufacture Levy) Amendment Act 2011

No. 165, 2011

**An Act to amend the *Ozone Protection and Synthetic
Greenhouse Gas (Manufacture Levy) Act 1995*, and
for related purposes**

[Assented to 4 December 2011]

The Parliament of Australia enacts:

1 Short title

This Act may be cited as the *Ozone Protection and Synthetic
Greenhouse Gas (Manufacture Levy) Amendment Act 2011*.

Ozone Protection and Synthetic Greenhouse Gas (Manufacture Levy) Amendment Act 2011
No. 165, 2011 1

2 Commencement

- (1) Each provision of this Act specified in column 1 of the table commences, or is taken to have commenced, in accordance with column 2 of the table. Any other statement in column 2 has effect according to its terms.

Commencement information		
Column 1	Column 2	Column 3
Provision(s)	Commencement	Date/Details
1. Sections 1 to 3 and anything in this Act not elsewhere covered by this table	The day this Act receives the Royal Assent.	4 December 2011
2. Schedule 1	1 July 2012. However, if section 3 of the <i>Clean Energy Act 2011</i> does not commence before 1 July 2012, the provision(s) do not commence at all.	1 July 2012

Note: This table relates only to the provisions of this Act as originally enacted. It will not be amended to deal with any later amendments of this Act.

- (2) Any information in column 3 of the table is not part of this Act. Information may be inserted in this column, or information in it may be edited, in any published version of this Act.

3 Schedule(s)

Each Act that is specified in a Schedule to this Act is amended or repealed as set out in the applicable items in the Schedule concerned, and any other item in a Schedule to this Act has effect according to its terms.

Schedule 1—Amendments

Ozone Protection and Synthetic Greenhouse Gas (Manufacture Levy) Act 1995

1 Title

Omit “a levy”, substitute “levies”.

2 After section 2

Insert:

2A Definitions

In this Act:

benchmark average auction charge has the same meaning as in the *Clean Energy Act 2011*.

carbon unit has the same meaning as in the *Clean Energy Act 2011*.

fixed charge year has the same meaning as in the *Clean Energy Act 2011*.

flexible charge year has the same meaning as in the *Clean Energy Act 2011*.

issue, in relation to a carbon unit, has the same meaning as in the *Clean Energy Act 2011*.

medical equipment includes a pharmaceutical product.

vintage year has the same meaning as in the *Clean Energy Act 2011*.

2B Carbon dioxide equivalence of an amount of an SGG

- (1) For the purposes of this Act, the carbon dioxide equivalence of an amount of an SGG that is a greenhouse gas is the amount of the SGG multiplied by a value specified in the regulations in relation to that kind of SGG.

- (2) For the purposes of this Act, the carbon dioxide equivalence of an amount of an SGG that is not a greenhouse gas is zero.
- (3) For the purposes of this section, **greenhouse gas** has the same meaning as in the *National Greenhouse and Energy Reporting Act 2007*.

3 After section 3

Insert:

3A Manufacture levy—SGGs

- (1) If:
 - (a) a controlled substances licence allows the licensee to manufacture SGGs; and
 - (b) the licensee manufactures an SGG during a quarter during which the licence is in force;levy is imposed on the licensee in respect of that manufacture.
- (2) Subsection (1) does not apply to the manufacture of an SGG in circumstances that are prescribed for the purposes of paragraph 13(1A)(b) of the *Ozone Protection and Synthetic Greenhouse Gas Management Act 1989*.
- (3) Subsection (1) does not apply to the manufacture of an SGG that is to be used for a purpose prescribed by the regulations.
- (4) For the purposes of this section, if a licence is in force for only part of a particular quarter, that part is taken to be a quarter.
- (5) The amount of levy imposed by subsection (1) on a licensee in respect of the manufacture of an SGG in a quarter is the amount worked out using the following formula:

$$\left(\begin{array}{c} \text{Number of tonnes} \\ \text{of the carbon} \\ \text{dioxide equivalence} \\ \text{of the SGG} \end{array} \times \begin{array}{c} \text{Applicable} \\ \text{charge} \end{array} \right) + \left(\begin{array}{c} \text{Number of} \\ \text{tonnes} \\ \text{of the SGG} \end{array} \times \begin{array}{c} \text{Prescribed} \\ \text{rate} \end{array} \right)$$

where:

applicable charge means:

-
- (a) if the quarter is in a fixed charge year—the per unit charge applicable under subsection 100(1) of the *Clean Energy Act 2011* for the issue of a carbon unit with a vintage year of that fixed charge year; or
 - (b) if the quarter is in a flexible charge year—the benchmark average auction charge for the previous financial year.

prescribed rate means the rate prescribed by the regulations.

- (6) The prescribed rate must not exceed \$165 per tonne.
- (7) If:
 - (a) levy is imposed by subsection (1) on a licensee in respect of the manufacture of an SGG; and
 - (b) the Minister is satisfied that the SGG:
 - (i) is to be used in medical equipment; or
 - (ii) is to be used in the manufacture of medical equipment; or
 - (iii) is to be used in a product, or in equipment, prescribed for the purposes of paragraph 8D(1)(c) of the *Ozone Protection and Synthetic Greenhouse Gas Management Act 1989*; or
 - (iv) is to be used in the manufacture of a product, or of equipment, specified in an instrument in force under paragraph 8D(1)(d) of that Act; or
 - (v) is to be used for a purpose prescribed by the regulations;

the Minister may, by written notice given to the licensee, determine that the licensee is exempt from the carbon charge component of the amount of the levy.
- (8) For the purposes of subsection (7), the **carbon charge component** of the amount of the levy is so much of that amount as is equal to the amount worked out using the following formula:

$$\frac{\text{Number of tonnes of the carbon dioxide equivalence of the SGG}}{\text{of the carbon dioxide equivalence of the SGG}} \times \text{Applicable charge}$$

where:

applicable charge means the charge that is the applicable charge for the purposes of the application of subsection (5) to the levy.

- (9) In making a determination under subsection (7), the Minister must have regard to such matters as are specified in the regulations.
- (10) The Minister must not make a recommendation to the Governor-General about regulations to be made for the purposes of subsection (3) unless the Minister is satisfied that:
 - (a) it would be impracticable to impose levy on the manufacture of an SGG that is to be used for a purpose to be prescribed by those regulations; or
 - (b) a purpose to be prescribed by those regulations is a medical, veterinary, health or safety purpose.
- (11) The Minister must not make a recommendation to the Governor-General about regulations to be made for the purposes of subparagraph (7)(b)(v) unless the Minister is satisfied that:
 - (a) it would be impracticable to require payment of the carbon charge component of the amount of levy imposed on the manufacture of an SGG that is to be used for a purpose to be prescribed by those regulations; or
 - (b) a purpose to be prescribed by those regulations is a medical, veterinary, health or safety purpose.

3A Section 4 (heading)

Repeal the heading, substitute:

4 Manufacture levy—substances other than SGGs

4 Paragraph 4(1)(a)

After “or substances”, insert “(other than an SGG)”.

5 Subsection 4(2)

Repeal the subsection.

6 Paragraph 4(4)(b)

Repeal the paragraph.

7 Section 5

After “section”, insert “3A or”.

8 Application of amendments

- (1) Section 3A of the *Ozone Protection and Synthetic Greenhouse Gas (Manufacture Levy) Act 1995* as amended by this Act applies in relation to the manufacture of an SGG during:
 - (a) the quarter beginning on 1 July 2012; or
 - (b) a later quarter.

 - (2) The amendments of section 4 of the *Ozone Protection and Synthetic Greenhouse Gas (Manufacture Levy) Act 1995* made by this Act apply in relation to the manufacture of a substance during:
 - (a) the quarter beginning on 1 July 2012; or
 - (b) a later quarter.
-
