Financial Framework Legislation Amendment Act (No. 3) 2012

No. 77, 2012

An Act to amend the law relating to finance, and for other purposes

[Assented to 28 June 2012]

The Parliament of Australia enacts:

1 Short title

This Act may be cited as the *Financial Framework Legislation
Amendment Act (No. 3) 2012*.

2 Commencement

- (1) Each provision of this Act specified in column 1 of the table commences, or is taken to have commenced, in accordance with column 2 of the table. Any other statement in column 2 has effect according to its terms.

Commencement information		
Column 1	Column 2	Column 3
Provision(s)	Commencement	Date/Details
1. Sections 1 to 3 and anything in this Act not elsewhere covered by this table	The day this Act receives the Royal Assent.	28 June 2012
2. Schedule 1	The day this Act receives the Royal Assent.	28 June 2012
3. Schedule 2	Immediately after the commencement of Schedule 1 to this Act.	28 June 2012

Note: This table relates only to the provisions of this Act as originally enacted. It will not be amended to deal with any later amendments of this Act.

- (2) Any information in column 3 of the table is not part of this Act. Information may be inserted in this column, or information in it may be edited, in any published version of this Act.

3 Schedule(s)

- (1) Each Act, and each set of regulations, that is specified in a Schedule to this Act is amended or repealed as set out in the applicable items in the Schedule concerned, and any other item in a Schedule to this Act has effect according to its terms.
- (2) The amendment of any regulation under subsection (1) does not prevent the regulation, as so amended, from being amended or repealed by the Governor-General.

Schedule 1—Amendments of Acts

Administrative Decisions (Judicial Review) Act 1977

1 After paragraph (hd) of Schedule 1

Insert:

- (he) decisions under Division 3B of Part 4 of the *Financial Management and Accountability Act 1997*;
- (hf) decisions under section 44 of the *Financial Management and Accountability Act 1997*;

Financial Management and Accountability Act 1997

2 After Division 3A of Part 4

Insert:

Division 3B—Supplementary powers to make commitments to spend public money etc.

32B Supplementary powers to make commitments to spend public money etc.

- (1) If:
 - (a) apart from this subsection, the Commonwealth does not have power to make, vary or administer:
 - (i) an arrangement under which public money is, or may become, payable by the Commonwealth; or
 - (ii) a grant of financial assistance to a State or Territory; or
 - (iii) a grant of financial assistance to a person other than a State or Territory; and
 - (b) the arrangement or grant, as the case may be:
 - (i) is specified in the regulations; or
 - (ii) is included in a class of arrangements or grants, as the case may be, specified in the regulations; or

(iii) is for the purposes of a program specified in the regulations;

the Commonwealth has power to make, vary or administer the arrangement or grant, as the case may be, subject to compliance with this Act, the regulations, Finance Minister's Orders, Special Instructions and any other law.

(2) A power conferred on the Commonwealth by subsection (1) may be exercised on behalf of the Commonwealth by a Minister or a Chief Executive.

Note 1: For delegation by a Minister, see section 32D.

Note 2: For delegation by a Chief Executive, see section 53.

(3) In this section:

administer:

- (a) in relation to an arrangement—includes give effect to; or
- (b) in relation to a grant—includes make, vary or administer an arrangement that relates to the grant.

arrangement includes contract, agreement or deed.

make, in relation to an arrangement, includes enter into.

vary, in relation to an arrangement or grant, means:

- (a) vary in accordance with the terms or conditions of the arrangement or grant; or
- (b) vary with the consent of the non-Commonwealth party or parties to the arrangement or grant.

32C Terms and conditions for grants

Scope

(1) This section applies to a grant of financial assistance under section 32B.

Terms and conditions

(2) If the recipient of the grant is a State or Territory, the terms and conditions on which that financial assistance is granted are to be set out in a written agreement between the Commonwealth and the recipient.

- (3) An agreement under subsection (2) may be entered into on behalf of the Commonwealth by a Minister or a Chief Executive.

Note 1: For delegation by a Minister, see section 32D.

Note 2: For delegation by a Chief Executive, see section 53.

- (4) If the recipient of the grant is a person other than a State or Territory, subsection (2) does not, by implication, prevent the grant from being made subject to terms and conditions.

32D Delegation by a Minister

- (1) A Minister may, by writing, delegate any or all of his or her powers under this Division to an official in any Agency.
- (2) In exercising powers under a delegation, the delegate must comply with any directions of the Minister concerned.

32E Executive power of the Commonwealth

This Division does not, by implication, limit the executive power of the Commonwealth.

3 Subsection 44(1) (note)

Repeal the note.

4 After subsection 44(1)

Insert:

- (1A) The responsibility conferred on the Chief Executive by subsection (1) includes, and is taken to have included, the power to:
- (a) make arrangements, on behalf of the Commonwealth, in relation to the affairs of the Agency; and
 - (b) vary those arrangements on behalf of the Commonwealth; and
 - (c) administer those arrangements on behalf of the Commonwealth.

Note: Some Chief Executives have delegated this power under section 53.

(1B) Subsection (1A) does not authorise the Chief Executive to exercise, on behalf of the Commonwealth, a power conferred on the Commonwealth by section 32B.

5 Subsection 44(2)

Omit “doing so”, substitute “discharging the responsibility, and exercising the power, conferred by this section”.

6 Subsection 44(3)

Insert:

administer, in relation to an arrangement, includes give effect to.

7 Subsection 44(3)

Insert:

arrangement includes contract, agreement or deed.

8 Subsection 44(3)

Insert:

make, in relation to an arrangement, includes enter into.

9 Transitional—pre-commencement arrangements

- (1) This item applies to an arrangement made, or purportedly made, by the Commonwealth before the commencement of this item if:
- (a) assuming that:
 - (i) section 32B of the *Financial Management and Accountability Act 1997* as amended by this Schedule; and
 - (ii) any regulations made for the purposes of subparagraph (1)(b)(i), (ii) or (iii) of that section within the transitional period; and
 - (iii) the amendments made by Schedule 2 to this Act; had been in force when the arrangement was made or purportedly made, the arrangement would have been authorised by subsection (1) of that section; and
 - (b) the arrangement was in force, or purportedly in force, immediately before the commencement of this item.

For this purpose, it is immaterial whether the arrangement was the subject of a proceeding instituted in a court or tribunal before the commencement of this item.

- (2) The arrangement has, and is taken to have had, effect, after the commencement of this item, as if it had been made under subsection 32B(1) of the *Financial Management and Accountability Act 1997* as amended by this Schedule.
- (3) In this item:
arrangement includes contract, agreement or deed.
made, in relation to an arrangement, includes entered into.
transitional period means:
 (a) the 60-day period beginning at the commencement of this item; or
 (b) if a longer period is specified in the regulations—that longer period.
- (4) The Governor-General may make regulations for the purposes of paragraph (b) of the definition of *transitional period* in subitem (3).

Schedule 2—Amendments of regulations

Financial Management and Accountability Regulations 1997

1 After Part 5

Insert:

Part 5AA Supplementary powers to make commitments to spend public money etc.

16 Arrangements and programs (Act s 32B)

- (1) For paragraph 32B (1) (b) of the Act:
 - (a) Part 1 of Schedule 1AA specifies:
 - (i) arrangements under which public money is, or may become, payable by the Commonwealth; and
 - (ii) classes of arrangements; and
 - (b) Part 2 of Schedule 1AA specifies:
 - (i) grants of financial assistance to a State or Territory; and
 - (ii) classes of grants; and
 - (c) Part 3 of Schedule 1AA specifies:
 - (i) grants of financial assistance to persons other than a State or Territory; and
 - (ii) classes of grants; and
 - (d) Part 4 of Schedule 1AA specifies programs.

Note **Arrangement** is defined in subsection 32B (3) of the Act.
- (2) The specification of an arrangement, grant or program in Schedule 1AA is not affected by:
 - (a) a change in the name of the Department or authority specified as administering the arrangement, grant or program; or

- (b) the transfer to another Department or authority of responsibility, in whole or in part, for the administration of the arrangement, grant or program.

2 After Schedule 1

Insert:

Schedule 1AA Arrangements, grants and programs

(regulation 16)

Part 1 Arrangements under which public money is, or may become, payable by the Commonwealth

Note This Part is reserved for future use.

Part 2 Grants of financial assistance to a State or Territory

Note This Part is reserved for future use.

Part 3 Grants of financial assistance to persons other than a State or Territory

Department of Immigration and Citizenship

- 317.001 Grant to Refugee Council of Australia for advice on the views of the refugee and humanitarian non-government sector on the Humanitarian Program, including resettlement and onshore protection, and on humanitarian settlement issues
- 317.002 Grant to Federation of Ethnic Communities' Councils of Australia to advise the Australian Government on the views and needs of ethnic communities in Australia
- 317.003 Grant towards the cost of developing a multicultural centre in Mirrabooka, Western Australia

Department of Industry, Innovation, Science, Research and Tertiary Education

- 318.001 Assistance to upgrade Simplot's processing plants in Tasmania
Objective: To provide financial assistance to upgrade Simplot's coal-fired vegetable processing facilities
- 318.002 Ford Australia Environmental Innovation Grant
Objective: To provide assistance to the Ford Motor Company of Australia Limited in the design and engineering to reduce carbon dioxide emissions of the 2014 Falcon and improve the safety of the Falcon and the Territory vehicles
- 318.003 General Motors Holden—next generation vehicles
Objective: To provide assistance to General Motors Holden to support capital investment and design and engineering of Holden's next generation vehicles
- 318.004 Programs to assist in the transition to lower-emission energy sources
Objective: Assistance to transition to lower-emission energy sources
- 318.005 Alcoa Point Henry assistance
Objective: To increase the productivity and sustainability of the Point Henry aluminium smelter
- 318.006 Cairns Institute Tropical Innovation Hub
Objective: To support the construction of a new research facility to work on issues of significance to the tropics, including marine and climate science, public health, social and community welfare and Indigenous development
- 318.007 Establishment of an ICT-enabled research laboratory—Commonwealth assistance
Objective: Assistance to establish a global research and development laboratory at the University of Melbourne in Victoria

Department of Resources, Energy and Tourism

- 327.001 Grant to an entity to assist in the transition to lower-emission energy sources
-

Objective: Providing grants to an entity to assist in the transition to lower-emission energy sources

Part 4 Programs

Department of Agriculture, Fisheries and Forestry

401.001 Carbon Farming Initiative

Clean energy future—Creating Opportunities on the Land—
extending the benefits of the Carbon Farming Initiative

Objective: Through these programs, Australian farmers and land managers can participate in, and benefit from, the carbon crediting system by generating carbon offset credits that can be sold in domestic and international carbon markets

401.002 Climate Change Adaptation Partnerships Program

Climate Change Adjustment Program

Climate Change Research Program

Objective: To strengthen the capacity for primary producers to adapt and adjust to a changing climate while maintaining productivity

401.003 Drought Assistance—Re-establishment Assistance

Drought policy reform—Pilot of new measures in Western Australia

Drought Assistance—Professional Advice

Objective: These 3 programs increase the resilience and capacity of farmers, farming families and communities to better prepare for and self-manage the impacts of drought, climate variability and reduced water availability

401.004 Tasmanian Forest Industry—Adjustment package

Objective: To foster and enable productive, profitable, internationally competitive and sustainable Australian forest and forest products industries

401.005 Live Animal Exports—Assistance to Individuals

Live Animal Exports—Business Assistance

Objective: These 2 programs support eligible primary producers and small businesses with targeted assistance to manage

- adjustment pressures and remain viable in the long term*
- 401.006 Regional Food Producers' Innovation and Productivity Program
Objective: To foster and enable productive, profitable, internationally-competitive and sustainable horticulture and wine industries
- 401.007 Australian Animal Welfare Strategy
Objective: To improve animal welfare outcomes, including for the export of livestock, by coordinated action at the national and international levels
- 401.008 Northern Australia Beef Industry Strategy—Indigenous Pastoral Project
Objective: To provide an opportunity for the northern beef industry to diversify its production system and add value to its contribution to the region's future economic prosperity
- 401.009 National Weeds and Productivity Research Program
Objective: To strengthen the national approach to weed and pest animal management and research
- 401.010 Fisheries Resources Research Fund
Objective: To foster and enable productive, profitable, internationally-competitive and sustainable Australian fishing and aquaculture industries
- 401.011 Agriculture Advancing Australia—International Agricultural Cooperation
Objective: To maintain and improve international market access opportunities for Australia's agriculture, food, fisheries and forestry industries
- 401.012 Live Cattle Exports—Business Assistance—official development assistance and improved supply chains
Objective: To improve animal welfare outcomes, including for the export of livestock, by coordinated action at the national and international levels
- 401.013 Centre of Excellence for Biosecurity Risk Analysis and Research
Australia's Biosecurity Strategy—Post Entry Quarantine—Communications
Animal Biosecurity & Response Reform
-

International Organisations Contributions—World Organisation for Animal Health

Other Exotic Disease Preparation

Payment to Commonwealth Scientific and Industrial Research Organisation (CSIRO)—Contribution to the operating costs of the Australian Animal Health Laboratory

Commonwealth contribution to operating costs of Animal Health Australia

Objective: These 7 programs support access to overseas markets and protect the economy and the environment from the impacts of unwanted pests and diseases through the safe movement to and from Australia of animals, plants and their products, including genetic material, people and cargo

401.014 Rural Financial Counselling Service

Objective: To support eligible primary producers and small businesses with targeted assistance to manage adjustment pressures and remain viable in the long term

401.015 Agricultural and Veterinary Chemicals Minor Use Program

Objective: To support the National Registration Scheme for agricultural and veterinary chemicals

401.016 International Organisations Contribution

Objective: To maintain and improve international market access opportunities for Australia's agriculture, food, fisheries and forestry industries

401.017 Transitional Farm Family Payment

Objective: To provide household support to primary producers, in recognition that farm families may experience hardship at any time

Attorney-General's Department

402.001 Justice Services

Objective: To provide resources for legal assistance services for disadvantaged Australians and communities

402.002 Payments for membership of international bodies

Objective: To provide for annual membership payments to international bodies and organisations: the Hague Conference on

Private International Law (HCCH); the World Intellectual Property Organisation (WIPO); the International Institute for the Unification of Private Law (UNIDROIT); and International Social Service (ISS)

402.003 Payments for grants to Australian organisations

Objectives: To fund the Commonwealth's contributions to Standing Committee on Law and Justice (SCLJ) programs and to provide grants to organisations with projects or activities that contribute to the pursuit of an equitable and accessible system of federal civil justice

402.004 Payments for the provision of legal aid in expensive Commonwealth criminal cases—Legal Aid Commissions

Objective: To administer the Expensive Commonwealth Criminal Cases Fund to which legal aid commissions can apply on a reimbursement basis

402.005 Payments for the provision of community legal services

Objective: To contribute to the provision of access to legal assistance services for disadvantaged members of the community and those with special needs and/or whose interest should be protected as a matter of public interest through the provision of funding to community based organisations

402.006 Financial assistance towards legal costs and related expenses

Objective: To provide funding for legal costs and disbursements in proceedings involving Commonwealth law, or in circumstances that give rise to a special Commonwealth interest

402.007 Commonwealth Human Rights Education Program

Objective: To provide grants to community organisations to deliver practical, grassroots human rights education projects for the community and vulnerable groups

402.008 Family Relationships Services Program

Objective: To provide funding for family law related services

402.009 Payments under the Indigenous Justice Program

Objective: To provide grants to State, Territory and local governments, and non-government organisations, for projects to reduce crime and improve Indigenous community safety by reducing offending behaviour

-
- 402.010 Payments for the provision of Family Violence Prevention Legal Services for Indigenous Australia
Objective: To provide funding to help Indigenous adults and children who are victims or survivors of family violence, including sexual assault, or who are at immediate risk of such violence
- 402.011 Payments for Indigenous interpreter services in the Northern Territory
Objective: To provide Indigenous interpreter services in remote communities and urban living areas to assist in the delivery of Australian Government services and to improve access to appropriate legal services for Indigenous Australians
- 402.012 Closing the Gap in the Northern Territory law and order measures
Objective: To provide grants to the Northern Territory Government, local governments and non-government organisations to improve the safety of Indigenous communities and to reduce the risk of contact with the criminal justice system
- 402.013 Native title system
Objective: To support professional development and training for anthropologists in the native title field, to attract a new generation of junior anthropologists to native title work, and to encourage senior anthropologists to remain within the system
- 402.014 National Security and Criminal Justice
Objectives: To support strengthened bilateral and multilateral cooperation in regional and international crime and terrorism prevention, national and community crime prevention, national crisis and emergency management, support anti-people smuggling legislation in regional countries, the development of police and criminal justice legislation in Pacific Island countries, and participation in the work of, and payments to support, the International Criminal Court
- 402.015 National Community Crime Prevention Program
Objective: To provide grants to not-for-profit non-government organisations to undertake community based crime prevention projects.
- 402.016 Payments for membership of the Financial Action Task Force (FATF)
Objective: To fund membership of the Financial Action Task Force
-

(FATF)

- 402.017 Payments for grants to Australian organisations
Objective: To provide annual payments to the Australian Bureau of Statistics (ABS) to fund the National Crime Statistics Unit (NCSU), the National Corrective Services Statistics Unit (NCSSU) and the National Criminal Courts Statistics Unit (NCCSU) and make grant payments to Crime Stoppers Australia
- 402.018 Safer Suburbs
Objective: To reduce crime and antisocial behaviour by funding local initiatives run by not-for-profit and local government organisations to implement a range of community safety initiatives
- 402.019 Disaster Resilience Australia—Emergency Warning System Database
Objective: To maintain the Location Based Number Store (LBNS), which provides the phone number data and associated data services which underpin the emergency alerting systems used by State agencies in the event of emergencies which threaten lives
- 402.020 Disaster Resilience Australia Package
Objective: To fund emergency management projects of national significance to improve the ability to prevent, prepare, respond to and recover from disasters across social, economic, environmental and governance elements
- 402.021 National Counter-Terrorism Committee—special fund and operating expenses
Objective: To support a program of training, development and counter-terrorism exercises, the purchase of specialist counter-terrorism equipment, and forums, workshops and meetings which support the development of national policy and capabilities
- 402.022 Counter-terrorism exercises
Objective: To conduct national counter-terrorism exercises
- 402.023 National aerial firefighting
Objective: Funding to the National Aerial Firefighting Centre Ltd (NAFC), a joint company formed by the States and Territories in association with the Australasian Fire and Emergency Service Authorities Council Inc
- 402.024 Countering Violent Extremism to Prevent Terrorism
-

Objective: To support community-based initiatives to counter the influence of violent extremist ideologies

402.025 Schools Security Program

Objective: To fund security measures for government and non-government schools assessed as being at risk because of racial, religious or ethnically motivated vandalism, property crime and harassment to meet their specific security needs

402.026 Assistance—New Zealand citizens affected by natural disasters in Australia

Objective: To provide payments to New Zealand citizens affected by natural disasters

402.027 Natural Disaster Relief Arrangements—Loans

Objective: To provide concessional loans for the victims of natural disasters

Australian Customs and Border Protection Service

403.001 Border protection and enforcement

Objective: To prevent, detect and deter prohibited, harmful or illegal goods or people entering Australia or operating illegally in the Australian Exclusive Economic Zone

Australian Federal Police

404.001 National Security—Policing

Objective: To support prevention delivered by the following functions: Counter Terrorism, Aviation and Protection

404.002 International Deployments

Objective: To contribute to national security by providing, on behalf of the Australian Government, policing support for enhanced rule of law internationally, including Official Development Assistance

404.003 Operations—Policing

Objective: To reduce the criminal threats to Australia's collective economic and societal interests by employing a multi-dimensional, multi-disciplinary approach to the fight against Commonwealth crime. This includes transnational crime (drug trafficking, people

smuggling and human trafficking), as well as financial and corporate crime, identity crime and other Commonwealth offences

404.004 Close Operational Support

Objective: To provide specialist support to 3 AFP national security and operations programs, particularly to address advances in technology and science, and operations in response to particular Criminal Code offences

404.005 ACT Community Policing

Objective: To provide a community policing capacity to the ACT Government. AFP activities in this regard include the 4 key outputs of crime and safety management, road safety, prosecution and judicial support, and crime prevention

Department of Broadband, Communications and the Digital Economy

405.001 International Organisations Contributions

Objective: To contribute funding to the International Telecommunication Union and the Asia Pacific Telecommunity to ensure that Australian interests are represented in international standards development, capacity building and telecommunications cooperation

405.002 Cybersafety

Objective: To inform and educate the Australian community, particularly young people, about online risks and to provide tools in response to the risks

405.003 Cybersecurity

Objective: To raise Australians' awareness about cybersecurity and to educate them on safe and secure online practices

405.004 Digital Productivity

Objective: To assist local governments, Australian citizens and small businesses to acquire the skills and capabilities necessary to harness the benefits of high speed broadband

405.005 ICT Centre of Excellence

Objective: To develop an ICT Centre of Excellence to a world-class standard in research and research training, with associated commercialisation, linkages and collaboration activities

-
- 405.006 Regional Telecommunications Review Response
Objective: To improve telecommunications affordability and access for people and Indigenous communities in regional and remote areas
- 405.007 Community Broadcasting Program
Objective: To assist community broadcasters to deliver community radio and television services in the support of media diversity and social inclusion and to provide opportunities for media training and skills development
- 405.008 Digital Television Switchover
Objective: To achieve the switchover to digital-only television through: assisting commercial television broadcasters to provide additional services to viewers in regional and remote licence areas; assisting eligible households to convert to digital via the Viewer Access Satellite Service; and providing practical and technical assistance to those who are most likely to have significant difficulties in switching to digital television
- 405.009 Indigenous Broadcasting
Objective: To contribute to the Indigenous communications sector through funding for independent radio and media organisations and peak bodies, the development of professional skills and the promotion of Indigenous culture
- 405.010 Digital Television Switchover—spectrum restacking—assistance
Objective: To assist broadcasters to replace and retune existing television transmission equipment and allow the digital dividend spectrum to be cleared as soon as possible after the switch-off of analog television services
- 405.011 Spectrum—assistance to broadcasters for electronic news gathering
Objective: To assist free-to-air commercial broadcasters to facilitate the clearance of the 2.5 gigahertz spectrum band
- Department of Climate Change and Energy Efficiency**
- 406.001 Extending the benefits of the Carbon Farming Initiative
Objective: To provide funding for research and development of reporting tools for Carbon Farming Initiative (CFI) methodologies
- 406.002 Carbon Farming Initiative—Non-Kyoto Fund and Carbon Farming
-

Skills

Objective: To purchase CFI credits that are not Kyoto-eligible and to promote the integrity of the CFI and ensure that landholders have access to high quality carbon services

406.003 Solar Cities

Objective: To support Australian residents to create a collective energy-wise response to climate change

406.004 Energy Efficiency Programs

Objective: To provide minimum energy performance standards and the labelling of residential and commercial buildings and the implementation of measures agreed by the Council of Australian Governments in relation to the National Strategy on Energy Efficiency

406.005 Solar Hot Water Initiative

Objective: To assist the energy efficiency of Australian homes through support to install new solar hot water systems or heat pump hot water systems

406.006 Green Loans/Green Start

Objective: To assist with energy efficiency initiatives in Australian homes by providing free home sustainability assessments, and reimbursing eligible Green Loans home assessors with costs of becoming an assessor and costs of further developing their professional qualifications

406.007 Home Insulation Program

Objective: To assist with energy efficiency in Australian homes through supporting the installation of insulation and the associated safety and industry assistance measures

406.008 GEMS National Legislative Framework

Objective: To implement minimum energy performance standards and labelling of appliances, equipment and products that significantly affect energy use

406.009 Clean energy future—Low Carbon Communities

Objective: To support the development and implementation of energy efficiency initiatives in local council facilities and infrastructure, community-use facilities and low-income households

-
- 406.010 Clean energy future—Carbon Deducible Gift Recipients Fund
Objective: To provide assistance to charitable organisations for the effective carbon price impact on essential maritime and aviation fuels
- 406.011 Clean energy future—Energy Efficiency Information grants
Objective: To provide information and training to help small and medium enterprises reduce energy costs
- 406.012 National Solar School Plan
Objective: To assist eligible primary and secondary schools to install solar and other renewable power systems, solar hot water systems, rainwater tanks and a range of energy efficiency measures
- 406.013 Local Government Energy Efficiency Program
Objective: To support local government authorities to install solar and heat pump hot water systems in their buildings and community facilities to improve energy efficiency
- 406.014 Clean energy future—Voluntary Action Pledge Fund and GreenPower purchases
Objective: To establish a tax deductible pledge fund that allows households and individuals to access the carbon market to voluntarily cancel permits
- 406.015 Climate Change Science Program
Objective: To fund research to improve knowledge of the causes, nature, timing and consequences of climate change
- 406.016 National Climate Change Adaptation Centre
Objective: To support the development of climate change adaptation policy and risk analysis
- 406.017 Natural Resource Management for Climate Change
Objective: To provide coordination of research to produce regional-level climate change impacts and adaptation information to support regional natural resource management planning
- 406.018 International climate change
Objective: To influence the development of international policies and measures in relation to climate change through the pursuit of broad based international climate action and agreement
- 406.019 Energy security fund
-

Objective: To provide transitional assistance to eligible emissions-intensive coal-fired generators

Department of Education, Employment and Workplace Relations

407.001 Support for the Child Care System

Objective: To support child care services so that more families can access quality early childhood education and childcare services. This program helps families to participate in the social and economic life of the community

407.002 Child Care Services Support

Objective: To support Child Care Services to:

- (a) improve access to child care; improve the quality of child care support; and*
- (b) promote and maintain high quality care and inclusion for all children; and*
- (c) promote and maintain high quality care and inclusion for all children; and*
- (d) support the development, maintenance and dissemination of information to assist families to make informed decisions about child care*

407.003 Jobs Education and Training Child Care Fee Assistance (JETCCFA)

Objective: To provide eligible parents with extra financial assistance to help with the cost of approved child care while undertaking activities such as job search, work, study, training or rehabilitation to help them to enter or re-enter the workforce

407.004 Early Childhood Education

Objective: To improve access to early childhood education and child care, to support optimal child development in the early years and prepare children for formal schooling

407.005 School Support

Objective: To support initiatives that aim to improve the quality outcomes for all Australian students

407.006 Teach Next

To address areas of teacher shortages in regional and hard-to-staff schools and to reduce the number of teachers currently teaching

-
- outside their subject areas*
- 407.007 National Trade Cadetship
Objective: To deliver a school-based program that provides opportunities for students to undertake vocational learning and develop work readiness skills in preparation for a skilled occupation after leaving school
- 407.008 Online Diagnostic Tools
Objective: To deliver online assessment and learning tools for teachers and parents and to trial online delivery of the National Assessment Program including NAPLAN and sample population assessments in science, civics and ICT
- 407.009 Australian Baccalaureate
Objective: To develop a new voluntary recognised senior school qualification, the Australian Baccalaureate
- 407.010 Indigenous Ranger Cadetships
Objective: To assist Aboriginal and Torres Strait Islander young people to complete school and build their capacity for further study, training, jobs and careers in land, water and resource management
- 407.011 National Asian Languages in Schools
Objective: To increase opportunities for school students to become proficient at learning the languages and understanding the cultures of our Asian neighbours, namely China, Indonesia, Japan and Korea
- 407.012 Grants and Awards
Objective: To assist in maintaining the operations of key national educational research and representative organisations
- 407.013 National School Chaplaincy and Student Welfare Program (NSCSWP)
Objective: To assist school communities to support the wellbeing of their students, including by strengthening values, providing pastoral care and enhancing engagement with the broader community
- 407.014 Helping Children with Autism
Objective: To provide support for children with autism spectrum disorder, their parents, carers, teachers and other professionals
-

407.015 Quality Outcomes

Objective: To provide projects that support the objective of improved student learning outcomes in schools and a national leadership role in school education

407.016 Framework for Open Learning

Objective: To maximise the benefits of Information and Communications Technology (ICT) for educational purposes across education and training sectors

407.017 Local Schools Working Together

Objective: To encourage government, Catholic and independent schools to work together to develop shared educational facilities which will broaden the benefit of government expenditure on capital infrastructure

407.018 Student Resilience and Wellbeing

Objective: To support student resilience and wellbeing

407.019 Review of School Funding

Objective: To conduct further policy and technical work to refine and verify elements of the recommendations made in the Review of Funding for Schooling

407.020 One Laptop Per Child

Objective: To support One Laptop per Child (OLPC) Australia to roll out additional custom-built laptops to thousands of primary school students and to provide helpdesk and online support to participating schools

407.021 Maths and Science Participation

To improve participation in the study of mathematics and science at school and university

407.022 Indigenous Education

To support initiatives that aim to improve the quality outcomes for Indigenous Australian students

407.023 Trade Training

Objective: To enable all secondary students to access vocational education training through Trade Training Centres

407.024 Digital Education

-
- Objective: To support the effective integration of Information and Communications Technology (ICT) in Australian schools*
- 407.025 Digital Education Revolution Project Pool
- Objective: To support the development of digital curriculum, assist teachers and school leaders to embrace technology, provide technical advice and support for initiatives, and support the Australian Curriculum by enabling the use, sharing and discovery of digital resources aligned with the new curriculum*
- 407.026 Digital Education Revolution (Non-Government)
- Objective: To help schools to provide new computers and other ICT equipment for students in Years 9 to 12, as well as providing the necessary infrastructure to support the installation and maintenance of the additional ICT*
- 407.027 National Action Plan on Literacy and Numeracy
- Objective: To support teaching, leadership and the effective use of student performance information to deliver sustained improvement in literacy and numeracy outcomes for all students, especially those who are falling behind*
- 407.028 Education Infrastructure
- Objective: To provide economic stimulus through the rapid construction and refurbishment of school infrastructure and to build learning environments to help children, families and communities to participate in activities that support achievement, develop learning potential and bring communities together*
- 407.029 Smarter Schools—Improving Teacher Quality National Partnership
- Objective: To support ambitious, nationally-significant and sustainable reforms to attract, train, place, develop and retain quality teachers and school leaders in classrooms and schools*
- 407.030 Support for Students with Disabilities
- Objective: To assist government and non-government education authorities to support their work with students with disability and learning difficulties*
- 407.031 Students with Disabilities (COPE)
- Objective: To support the implementation of the Students with Disabilities National Partnership*
- 407.032 Student with Disabilities (Non-Government)
-

- Objective: To assist non-government education authorities to support their work with students with disability and learning difficulties, and to build the capacity of schools and teachers to better meet students' individual needs*
- 407.033 Youth Support
- Objective: To support all young people to make a successful transition from school to further education, training or work*
- 407.034 Youth Attainment and Transitions National Partnership
- Objective: To improve young Australians' educational participation and attainment, their engagement, and their transition to post-school education, training and employment*
- 407.035 Youth Engagement
- Objective: To support young Australians to engage with government on decisions that impact on them, to transition to independent living, to celebrate their contribution to the community, to provide specific assistance to vulnerable young people and to provide comprehensive and up-to-date information about key issues and practices in the youth field*
- 407.036 Empowering Local Schools
- Objective: To support participating schools to make decisions, to better respond to the needs of students and the school community, and to provide services designed to assist their students to achieve their best educational outcomes*
- 407.037 Empowering Local Schools (COPE)
- Objective: Leadership to support research, communities of practice and professional development for principals and school leaders participating in Phase One of the initiative*
- 407.038 Empowering Local Schools (Non-Government)
- Objective: To support non-government schools to make decisions at a local level and to better respond to the needs of students and the school community*
- 407.039 Rewards for School Improvement
- Objective: To encourage a nationally-consistent and rigorous approach to school self-evaluation and improvement planning through implementation of a National School Improvement Framework and reward payments to schools showing the most improvement*
-

-
- 407.040 Rewards For School Improvement (COPE)
Objective: Support to develop a National School Improvement Framework (NSIF)
- 407.041 Rewards For School Improvement (Non-Government)
Objective: To encourage a nationally-consistent and rigorous approach to school self-evaluation and improvement planning through implementation of a National School Improvement Framework and reward payments to schools showing the most improvement
- 407.042 National Rewards for Great Teachers
Objective: To recognise and reward quality teachers in Australia who achieve certification at the highest levels of the National Professional Standards for Teachers
- 407.043 Employment Services
Objective: To invest in the skills that unemployed Australians need for the future to help them find and retain employment, and to ensure that government assistance supports workforce participation and economic and social inclusion
- 407.044 Job Services Australia
Objective: Job Services Australia (JSA) is a streamlined and personalised service for job seekers enabling providers to more effectively respond to changing economic conditions. JSA provides job seekers with tailored services to equip them with the skills and attributes to meet employers' needs
- 407.045 Jobs Fund
Objective: To support families and communities most affected by the global financial crisis
- 407.046 National Green Jobs Corps
Objective: To offer young people, aged 17–24 years, a combination of work experience, skill development and accredited training to ensure they are ready for employment in emerging green and climate change industries
- 407.047 Pacific Seasonal Workers Program
Objective: To establish a seasonal labour mobility program that will provide workers from Pacific Island countries and East Timor with the opportunity to work in selected Australian industries
-

- experiencing unmet demand for labour*
- 407.048 Productivity Education and Training Fund
Objective: To support projects which drive a focus on leadership and productivity improvement through enterprise bargaining under the Fair Work framework
- 407.049 Regional Education, Skills and Jobs Plans
Objective: To improve participation and outcomes in education, training and employment in regional Australia
- 407.050 Mature-age participation—job seeker assistance
Objective: To provide support to assist mature-age job seekers, aged 55 years and over, who are unemployed and would like help to re-enter the workforce
- 407.051 Productive Ageing Package
Objective: To assist mature-age Australians, who want to work, to remain engaged in the labour market by providing training and support and to encourage job retention and the transfer of their skills to younger generations
- 407.052 Indigenous Employment
Objective: To increase Aboriginal and Torres Strait Islander peoples' employment outcomes and participation in economic activities, contributing to the Australian Government's commitment to halve the gap in employment outcomes for Aboriginal and Torres Strait Islander peoples and other Australians within the decade
- 407.053 Disability Employment Services
Objective: To help individuals with injury, disability or a health condition to secure and maintain sustainable employment through disability employment services and employment assistance
- 407.054 Employment Assistance and Other Services
Objective: To support those eligible job seekers with permanent disability who are assessed as needing regular long-term ongoing support in the workplace
- 407.055 Remote Jobs and Communities Program
Objective: To build jobs and create sustainable communities in Remote Australia
-

-
- 407.056 Remote Participation and Employment Services
Projective: To support employer engagement and economic development in communities
- 407.057 Remote Youth Leadership and Development Corps
Objective: To support young job seekers to undertake a structured program of up to 12 months to get them job ready, with a specific focus on providing work experience in jobs that are available in or near their community
- 407.058 Working Age Payments
Objective: To support people to improve their prospects of gaining employment, to acquire labour market skills and knowledge and to participate in society
- 407.059 Compensation and Debt Relief
Objective: To provide access for eligible recipients to discretionary payments in special circumstances or financial relief from amounts owing to the Commonwealth
- 407.060 Employee Assistance
Objective: To provide safety-net support for employees in certain circumstances or, alternatively, supporting long-standing industry arrangements which deliver employee benefits
- 407.061 General Employee Entitlements and Redundancy Scheme
Objective: A safety-net payment scheme established to assist employees who have lost their employment due to the liquidation or bankruptcy of their employer and who are owed certain employee entitlements
- 407.062 Workplace Assistance
Objective: To ensure the successful operation of the workplace relations system, in particular through initiatives designed to demonstrate the benefit of cooperative workplace relations and/or to assist employers and employees understand their rights and obligations under the system
- 407.063 Protected Action Ballots Scheme
Objective: To pay costs incurred by the Australian Electoral Commission in relation to protected action ballots
- 407.064 Home Workers Code of Practice Program
-

Objective: To support the development and promotion of the Home Workers Code of Practice and the 'Ethical Clothing Australia' label

407.065 International Labour Organisation Subscription

Objective: To enable the Australian Government to participate fully in the development of international labour standards, progress ratification of standards at the national level, report to the ILO on Conventions and workplace relations reforms, and participate as a member of the ILO Governing Body

407.066 Social and Community Workers Education and Information Program

Objective: To assist Queensland social and community services sector employers to meet their obligations under the new Australian Government regulations for back pay to employees in the sector

407.067 Workers' Compensation Payments

Objective: To support an early and safe return to work, and access to compensation for injured workers covered by the Comcare scheme, through working in partnership with employers to create best practice in rehabilitation and quick and accurate management of workers' compensation claims

Safe Work Australia

408.001 Reform of, and improvements to, Australian work health and safety and workers' compensation arrangements

Objective: The objective of Safe Work Australia is to monitor and evaluate harmonised laws, coordinate and develop national policy and strategies, undertake research and collect, analyse and report data to improve work health and safety and workers' compensation arrangements in Australia

Office of the Fair Work Ombudsman

409.001 Education services and compliance activities

Objective: To educate employers, employees, organisations and contractors about the workplace relations system and to ensure compliance with workplace laws

Department of Families, Housing, Community Services and Indigenous Affairs

410.001 Family Support

Objective: To support families and children, particularly those who are vulnerable, disadvantaged or live in disadvantaged communities, to improve their wellbeing, development and safety and to enhance family functioning. Includes funding to support Forgotten Australians and former child migrants, research, peak bodies and other stakeholder organisations

410.002 Housing Assistance and Homelessness Prevention

Objective: To provide rental subsidies for low- and moderate-income households, and to fund homelessness prevention initiatives including research and stakeholder engagement to reduce the impact of homelessness

410.003 Affordable Housing

Objective: To improve the supply of affordable housing and reduce the cost of new homes available to low- and moderate- income households and to invest in local infrastructure projects that support new housing developments in regional cities

410.004 Financial Management

Objective: To improve the financial knowledge, skills, capabilities and financial resilience of vulnerable individuals and families to alleviate the immediate impact of financial stress, and to progress initiatives in relation to problem gambling. Includes funding for research and stakeholder engagement and funding to peak bodies and other stakeholder organisations

410.005 Community Investment

Objective: To improve the responsiveness and integration of local community services to increase participation of vulnerable people in community life. Includes funding for research and stakeholder engagement and funding to national peak bodies and other stakeholder organisations

410.006 Support for People in Special Circumstances

Objective: To make payments to financially assist eligible people in severe financial hardship who do not have any other means of support, including payments to individuals and families affected by disasters and other crises. Includes making payments to

Australians in circumstances beyond their control to support them in overcoming those circumstances and maintain their financial wellbeing

410.007 Supplementary Payments and Support for Income Support Recipients

Objective: To make payments and subsidise services to certain income support recipients and low-income households to assist them financially and to help them continue to participate economically and socially

410.008 Allowances, Concessions and Services for Seniors

Objective: To make payments and provide services to senior Australians to assist with household expenses, enabling them to maintain their standard of living and increase access to information and community resources

410.009 Targeted Community Care

Objective: To implement community mental health initiatives to assist people with mental illness, their families, carers and children, and those at risk of developing mental illness, through the provision of accessible and responsive community support services which provide opportunities for recovery to overcome social isolation, provide support to families and carers and promote early intervention for children and young people at risk of mental illness. It also provides funding for research and stakeholder engagement and funding to peak bodies and other stakeholder organisations

410.010 Income Support for Carers

Objective: To make payments and allowances to financially assist eligible carers of people with disability or a severe medical condition or of people who are frail aged

410.011 Services and Support for People with Disability

Objective: To provide supported employment and improve access to information, advocacy respite, supported accommodation and services for people with disability, their families and carers so that they can develop their capabilities and actively participate in community and economic life and to develop and implement national policies in relation to disability, including employment and income support policy, the National Disability Agreement, National Disability Strategy, National Carer Strategy and the National Disability Insurance Scheme. Includes funding for research and stakeholder engagement and funding to peak bodies

and other stakeholder organisations

410.012 Support for Carers

Objective: To provide peer support, respite and information services for carers to help them balance their care responsibilities with social participation and, in the case of young carers, complete their education. It also provides funding for research and stakeholder engagement and funding to peak bodies and other stakeholder organisations

410.013 National Disability Insurance Scheme

Objective: To improve the wellbeing and social and economic participation of people with disability and their carers by building a National Disability Insurance Scheme that delivers care and support through an insurance approach including any associated capital investment

410.014 Early Intervention Services for Children with Disability

Objective: To provide access to early intervention services and support for children with disability, their parents, carers and families to help eligible children achieve their potential, including education and support for parents, carers and families; to provide information and support to parents, carers and families to help them enable eligible children with disability to achieve their potential. Includes Autism Specific Early Learning and Care Centres that provide early learning programs and specific support to children with Autism Spectrum Disorder

410.015 Gender Equality for Women

Objective: To implement strategies in priority areas to achieve gender equality. The priority areas include reducing violence against women and supporting women affected by violence; support for trafficked people; improving economic outcomes for women; and ensuring women's equal place in society. Includes funding for National Women's Alliances to engage with women's groups to ensure that women's issues are represented in decision-making and policy outcomes, and includes communication and information designed to change violence-supportive attitudes and effectively reduce the incidence and impact of violence in Australia

410.016 Economic Development and Participation

Objective: To improve the capacity of citizens to participate in the economy, including through employment and community development and participation opportunities that develop skills,

improve capacity, work readiness and employability in remote areas

410.017 Indigenous Housing and Infrastructure

Objective: To improve the quality and supply of Indigenous housing, infrastructure and essential services in remote communities. Includes funding to assist Indigenous people in remote communities to access home ownership, supports the creation of sustainable positions for Indigenous Australians across a range of municipal and essential services, and includes funding to establish student accommodation for Indigenous young people from remote areas

410.018 Native Title and Land Rights

Objective: To support Indigenous rights to land recognised or provided through Commonwealth land rights legislation and to facilitate the representation and assistance of native title claimants and holders in the pursuit and exercise of native title rights, including through a network of funded native title representative bodies and native title service providers

410.019 Indigenous Capability and Development

Objective: To provide support for individuals, families and communities to improve wellbeing, capability and governance, including through building public awareness and community support for the recognition of Aboriginal and Torres Strait Islander peoples in the Constitution

410.020 Stronger Futures in the Northern Territory

Objective: To provide whole-of-government policy coordination and implement targeted measures to increase the wellbeing and safety of communities, including women, children and young people, and improve engagement and development. Includes funding to support the governance, implementation, monitoring and evaluation of the Stronger Futures Northern Territory initiative; to support engagement and coordination in remote Northern Territory communities; and for high priority projects that help reduce the gap, including any associated capital investment

410.021 Remote Service Delivery (RSD)

Objective: To support the implementation, governance monitoring and evaluation of the RSD National Partnership Agreement on Remote Service Delivery in remote Indigenous communities

410.022 Australian Housing and Urban Research Institute

Objective: To contribute to the research undertaken on housing and homelessness

410.023 Longitudinal Studies

Objective: A program of longitudinal surveys including:

- (a) Household, Income and Labour Dynamics in Australia—a survey of the effects of policy and other changes on families and household formation including labour market and education participation and retirement preparation; and*
- (b) Longitudinal Study of Australian Children—a survey of children and their families to establish an evidence base for future family and child policy formulation; and*
- (c) Longitudinal Study of Indigenous Children—a survey that records the development of Indigenous children in selected sites over time and collects data on health, family roles and relationships, child care, education, service provision and community issues*

410.024 Equal Opportunity for Women in the Workplace Agency

Objective: To increase influence over Australian employers to achieve equality for women in the workplace through regulation and education on eliminating discrimination and promoting merit based opportunity

Department of Finance and Deregulation

411.001 Grants in Aid

Objective: To provide community and research funding, as grants in aid, to non-government organisations that undertake work in science, humanities research, public policy or the promotion of animal welfare

411.002 Electorate and Ministerial Support Costs and Parliamentary Entitlements Support Costs

Objective: To provide funds to support the provision of entitlements to the current Prime Minister, and to former Prime Ministers once they have left the Parliament, the Australian Political Exchange Council and related activities, and political party secretariat training

Department of Foreign Affairs and Trade

412.001 Foreign Affairs and Trade Operations

Objectives:

- (a) to protect and advance the national interest through engaging in advocacy in Australia and overseas that promotes Australia's foreign, trade, economic, and security interests; and*
- (b) to promote a whole-of-government approach in pursuit of Australia's interests abroad, including through leadership at overseas missions and coordination of the overseas diplomatic network; and*
- (c) to ensure the security and protect the dignity of the diplomatic and consular corps serving in Australia by delivering a quality service and upholding Australia's obligations under the Vienna conventions; and*
- (d) to deliver high-quality public diplomacy, international media and cultural visit programs, which improve understanding of Australia and Australian Government foreign and trade policies*

412.002 Payments to International Organisations

Objective: To advance Australia's foreign, trade, economic, and security interests through membership and participation in international organisations and their various peacekeeping activities

412.003 Public Information Services and Public Diplomacy

Objectives:

- (a) to project a positive and contemporary image of Australia and promote a clear understanding of government policies and objectives through the Department's public diplomacy, cultural and media activities cultural and media activities and through providing an independent, creditable and reliable voice and image in the region*
- (b) to promote people-to-people links and a contemporary and positive image of Australia and support for the Australian Government's international policy goals, including through grants and other support to bilateral foundations, councils and institutes*

412.004 Consular Services

Objective: To support and assist Australian travellers and Australians overseas through high-quality consular services, including accurate and timely travel advice, practical contingency planning and rapid crisis response

AusAID

413.001 Official Development Assistance—Papua New Guinea and Pacific

Objective: To assist Papua New Guinea and other developing countries in the Pacific region to reduce poverty and achieve sustainable development

413.002 Official Development Assistance—East Asia

Objective: To assist developing countries in the East Asia region to reduce poverty and achieve sustainable development

413.003 Official Development Assistance—Africa, South and Central Asia, Middle East and Other

Objective: To assist developing countries in Africa, South and Central Asia and the Middle East to reduce poverty and achieve sustainable development

413.004 Official Development Assistance—Emergency, Humanitarian and Refugee Program

Objective: To assist developing countries to respond to emergencies and assist refugees

413.005 Official Development Assistance—United Nations, Commonwealth and Other International Organisations

Objective: To assist developing countries through contributions to the United Nations, Commonwealth and other international organisations

413.006 Official Development Assistance—Non-Government Organisation, Volunteer and Community Programs

Objective: To assist developing countries through contributions to non-government organisation, volunteer and community programs

Department of Human Services

414.001 Local Solutions Fund

Objective: To support social and economic participation in Local Government Areas and to provide funding to community organisations to employ and manage Community Action Leaders

414.002 Income Management Card

Objective: To support the delivery of income management measures, also known as the Basics Card

Department of Health and Ageing

415.001 Prevention, early detection and service improvement

Objectives: To fund projects aimed at reducing the incidence of chronic disease, to support the early detection and prevention of cancer through screening, and to provide funding for chronic disease management, support and palliative care services

415.002 Communicable disease control

Objective: To provide funding to investigate and reduce the incidence of blood-borne viruses and sexually-transmissible infections

415.003 Drug strategy

Objective: To reduce the harmful effects of tobacco use and fund the provision of treatment services to reduce the harm to individuals and communities from excessive alcohol consumption, and to combat illicit drug use

415.004 Regulatory policy

Objectives: To support the development of national food and gene technology regulatory policy, maintain and improve the therapeutic goods regulatory framework, and promote the safe and sustainable use of industrial chemicals

415.005 National Immunisation Program

Objectives: To provide vaccines and financial support to strengthen immunisation coverage and improve the administration of the National Immunisation Program

415.006 Public health

Objective: To increase the evidence base for the development of targeted health programs, improve child and youth health, and promote healthy lifestyle choices

-
- 415.007 Community pharmacy and pharmaceutical awareness
Objective: To provide funding to improve access to medicines and pharmacy services
- 415.008 Pharmaceuticals and pharmaceutical services
Objectives: To provide funding to support effective operation of the Pharmaceutical Benefits Scheme, conduct post-market surveillance, and implement the National Medicines Policy
- 415.009 Targeted assistance—pharmaceuticals
Objective: To provide financial assistance to improve access to new and existing medicines for patients with life threatening conditions
- 415.010 Targeted assistance—aids and appliances
Objective: To provide funding for services for people with diabetes, to assist people with a stoma by providing stoma-related products, and for services to improve the quality of life for people with Epidermolysis Bullosa
- 415.011 Medicare services
Objective: To improve access to evidence-based, best-practice medical services, improve access to specialist medical services through telehealth, and improve access to clinically-relevant dental services
- 415.012 Targeted assistance—medical
Objective: To provide funding for medical assistance provided to Australians overseas, improve access to specialist medical services through the use of telehealth, and support access to necessary medical services not available through mainstream mechanisms
- 415.013 Diagnostic imaging services
Objective: To provide funding to increase access to magnetic resonance imaging, strengthen the provision of quality diagnostic radiology services, encourage more effective use of diagnostic imaging, and administer the Diagnostic Imaging Accreditation Scheme
- 415.014 Pathology services
Objective: To provide funding to ensure the quality and accessibility of pathology services and administer the Pathology Funding Agreement
-

- 415.015 Chronic disease—radiation oncology
Objective: To provide funding to improve access to quality radiation oncology services
- 415.016 Access and information
Objective: To provide equitable and timely access to aged care assessments and make it easier to find aged care services
- 415.017 Home support
Objective: To provide aged care services at home, match funding to care needs, and provide greater choice and control to consumers
- 415.018 Residential and flexible care
Objectives: To provide funding to aged care providers and financial assistance to aged care housing residents, to improve aged care services for older Indigenous Australians, and to provide aged care through other service models
- 415.019 Workforce and quality
Objectives: To provide funding to ensure the availability of a skilled aged care workforce, and develop programs to empower consumers and promote quality aged care
- 415.020 Ageing and service improvement
Objectives: To provide financial support for people living with dementia, to provide aged care services to meet the needs of diverse communities, to improve links to the health system, and to promote healthy and active ageing
- 415.021 Primary care education and training
Objectives: To provide funding to support quality education and training in primary health care and provide access to comprehensive, community-based health care
- 415.022 Primary care financing, quality and access
Objectives: To provide funding to establish Medicare Locals, improve access to after-hours primary health care, and improve primary health care access and infrastructure
- 415.023 Primary care practice incentives
Objectives: To provide general practice incentive payments to encourage continuing improvements, to increase quality of care, to enhance capacity, and to improve access and primary health care
-

-
- outcomes for patients*
- 415.024 Rural health services
Objective: To provide funding for improved access to health and information services in regional, rural and remote areas and provision of rural health outreach services
- 415.025 Hearing services
Objective: To support access for eligible clients to quality hearing services and support research into hearing loss prevention and management
- 415.026 Aboriginal and Torres Strait Islander health
Objectives: To provide funding to providers to improve chronic disease prevention and detection, to improve child and maternal health, to improve service delivery and access to effective health services, and to enhance existing wellbeing, counselling, family tracing and reunion services to indigenous communities
- 415.027 Private health insurance
Objectives: To provide financial assistance to ensure the sustainability of the private health insurance rebate, to promote an affordable and sustainable private health insurance sector, to improve access to prostheses through private health insurance, to improve information for consumers, and to ensure that private health insurance covers clinically proven treatments
- 415.028 Chronic disease—treatment
Objective: To provide funding for improved detection, treatment and survival outcomes for people with cancer
- 415.029 e-Health implementation
Objective: To support the development of national eHealth infrastructure and standards, to develop systems to support a national eHealth system, and to provide eHealth services
- 415.030 Health information
Objective: To provide funding to support participation in the Australian Health Ministers' Advisory Council and the reform of maternity services
- 415.031 International policy engagement
Objective: To provide funding to facilitate Australia's engagement with health ministries and institutions from other countries on
-

- global health issues*
- 415.032 Research capacity and quality
Objective: To provide funding to improve research capacity, maintain effective health surveillance, monitor the use of diagnostics, therapeutics and pathology, and improve safety and quality in health care
- 415.033 Health infrastructure
Objective: To invest in the renewal and refurbishment of acute and primary care facilities, medical technology equipment, and major medical research facilities and health related projects
- 415.034 Mental health
Objectives: To provide funding to improve the mental health system, invest in more and better coordinated services for people with mental illness, and expand suicide prevention activities
- 415.035 Workforce and rural distribution
Objective: To provide funding to increase the supply of, and support for, health professionals in regional, rural and remote Australia and increase investment in medical training and education
- 415.036 Workforce development and innovation
Objectives: To provide funding to improve patient access to health professionals, including mental health nurses, and increase investment to increase the capacity, and support the professional development, of the dental workforce
- 415.037 Blood and organ donation services
Objective: To improve Australians' access to organ and tissue transplants and support access to blood and blood products
- 415.038 Medical indemnity
Objectives: To provide funding to ensure the stability of the medical indemnity insurance industry, ensure that insurance products are affordable for doctors, and ensure availability of professional indemnity insurance for eligible midwives
- 415.039 Public hospitals and information
Objective: To provide funding to increase efficiency and capacity in public hospitals, improve access to public dental services, and increase support for health services for the Torres Strait
-

-
- 415.040 Health emergency planning and response
Objectives: To support national health emergency planning and response through the development of response plans and the maintenance of a National Medical Stockpile, to improve biosecurity, drug and chemical safety through regulation, and to develop a national strategy to minimise the risks posed by communicable diseases
- 415.041 Blood supply
Objectives: To support an efficient demand-driven blood supply system based on needs, evidence and good clinical practice, and to ensure that Australia's blood supply is safe, secure, adequate and affordable
- National Mental Health Commission**
- 416.001 National Mental Health Commission
Objective: Provide expert advice to the Australian Government and cross-sectoral leadership on the policy, programs, services and systems that support mental health in Australia, including through administering the annual National Report Card on Mental Health and Suicide Prevention, undertaking performance monitoring and reporting, and engaging consumers and carers
- Department of Immigration and Citizenship**
- 417.001 Assistance for former child migrants
Objective: To provide for family tracing support, counselling services and other assistance to former child migrants who arrived in Australia after World War II from the United Kingdom and Malta
- 417.002 Grants for community settlement services
Objective: To provide for the delivery of settlement services including assistance to new arrivals to acquire and develop the knowledge and skills to settle in Australia; assistance to new communities to grow and develop in a self-sustaining manner; and promotion of social participation and integration
- 417.003 Humanitarian settlement services
Objective: To provide intensive settlement services for
-

- Humanitarian Program clients through contracted providers*
- 417.004 National Accreditation Authority for Translators and Interpreters Ltd—contribution
- Objective: To provide financial support to the National Accreditation Authority for Translators and Interpreters (NAATI)*
- 417.005 Supervision and welfare for unaccompanied humanitarian minors
- Objective: To provide guardianship, monitoring and settlement support arrangements for unaccompanied humanitarian minors until they reach 18 years of age*
- 417.006 Pacific Seasonal Worker Pilot Scheme
- Objective: To provide grants to identified organisations to support communities participating in the Pacific Seasonal Worker Pilot Scheme to build community capacity and promote community harmony*
- 417.007 Diversity and Social Cohesion
- Objective: To provide grants to community organisations to build social cohesion through stronger community relations, and to priority community groups to build capacity and develop leadership skills to assist them to fully participate in Australian society*
- 417.008 Allowances for persons granted temporary visas in the Humanitarian Program
- Objective: To provide for a one-off cash payment to cover the living expenses of holders of humanitarian visas after their release from detention, or on their arrival in Australia, until their first Centrelink income-support payment is made*
- 417.009 Immigration Advice and Application Assistance Scheme—onshore protection
- Objective: To provide funding to selected migration agents to help all onshore asylum seekers in immigration detention and disadvantaged protection and other visa applicants in the community with professionally-qualified application assistance, including interpreters and being accompanied at visa interview, and for more frequent or larger general information sessions and brief face-to-face or telephone advice*
- 417.010 Initiatives to address the situation of displaced persons to promote sustainable returns
-

-
- Objective: To fund the development and implementation of durable solutions for displaced persons (whether through voluntary repatriation, local integration or resettlement) and strengthen the protection afforded to displaced populations throughout the world*
- 417.011 International Organization for Migration—Contribution
- Objective: To contribute towards the administrative costs for the International Organization for Migration to promote well managed migration, including managed humanitarian settlement and the reduction of irregular migration*
- 417.012 Payments to the Australian Red Cross Society for the Asylum Seeker Assistance Scheme
- Objective: To provide subsistence support for asylum seekers who are in financial hardship and who meet the criteria for support, consistent with Australia's international obligations under the Refugees Convention*
- 417.013 Refugee and humanitarian passage, associated costs and related services
- Objective: To provide for health screening, assisted passage and related costs of people approved for entry to Australia under the refugee component of the offshore Humanitarian Program through the International Organization for Migration*
- 417.014 Secretariat for Intergovernmental Consultations on Migration, Asylum and Refugees—membership contribution
- Objective: To contribute toward the administrative costs of the Intergovernmental Consultations on Migration, Asylum and Refugees, which is an informal, non-decision making forum for information exchange and policy debate on issues relevant to the management of international migratory flows*
- 417.015 Joint Commonwealth, State and Territory Research Program (for payment to the Australian Population, Multicultural and Immigration Research Program Account)
- Objective: To provide information to assist with the formulation and assessment of migration policies by the Australian Government, State and Territory Ministers and Departments*
- 417.016 Compliance Resolution, Community Care and Assistance
- Objective: To manage unlawful non-citizens and holders of Bridging Visa E visas in the community to an immigration outcome through early intervention and provision of needs-based support*
-

- and assistance*
- 417.017 Onshore Detention Network—Community and Detention Services
Objective: To manage all unlawful citizens placed into immigration detention who did not arrive in Australia at an excised offshore place, except for illegal foreign fishers
- 417.018 Offshore Asylum Seeker Management—Community and Detention Services
Objective: To provide support, health and detention services to people in immigration detention, in both community and detention environments, and to offshore entry persons seeking asylum
- 417.019 Foreign Fishers—Community and Detention Services
Objective: To advise on, develop and provide a range of support, health and detention services in community and detention environments for illegal foreign fishers apprehended and detained in Australian territorial waters
- 417.020 Management and Care of Irregular Immigrants in Indonesia
Objective: To provide funding to the International Organization for Migration to enhance Indonesian detention and transit facilities and to improve the care and support provided to irregular migrants in Indonesia
- 417.021 Regional Cooperation and Capacity Building
Objective: To strengthen the migration and border management capabilities of governments in the Asia-Pacific region and parts of South East Asia and the Middle East by providing advice on, developing and providing a range of support and other services in respect of regional cooperation and associated activities
- 417.022 Returns and reintegration assistance packages
Objective: To facilitate returns of Irregular Maritime Arrival clients found not to be owed protection by Australia
- 417.023 Migration Regional Support Office
Objective: To assist in the establishment of a Regional Support Office to coordinate activity that may be undertaken under the auspices of the Regional Cooperation Framework, including for the management of irregular migration within the region
- 417.024 Combating People Smuggling—addressing irregular migration in region
-

Objective: To provide funding to enhance engagement and provide training and technical assistance to regional immigration agencies. This will assist these agencies to detect and disrupt irregular people movements throughout the region

417.025 Refugee Status Determinations for Offshore Entry Persons

Objective: To process refugee status applications under the Protection Obligation Determination process for offshore entry persons

417.026 Onshore Detention Network

Objective: To provide refurbishment projects to maintain a humane environment for persons in immigration detention

417.027 Offshore Asylum Seeker Management

Objective: To provide for capital works to ensure appropriate accommodation for asylum seekers and for upgrades and enhancements to essential amenities and security at existing facilities

Department of Industry, Innovation, Science, Research and Tertiary Education

418.001 Australian Business Number and Business Names Registration System

Objective: To increase the productivity, sustainability and growth of industry by providing a system to deliver online business information services and ongoing interactions between government and business

418.002 Enterprise Connect

Objective: To provide support and advice designed to improve long-term productivity, capability and competitiveness of small and medium enterprises

418.003 Buy Australian at Home and Abroad

Objective: To increase the productivity, sustainability and growth of industry

418.004 Cooperative Research Centres Program

Objective: To provide economic, environmental and social benefits by supporting research partnerships between publicly-funded researchers and end-users to address major challenges that require

- medium- to long-term collaborative efforts*
- 418.005 Tasmanian Innovation and Investment Fund
Objective: To provide support for investment in new activities and industries that diversify the regional economy and create sustainable new jobs. This includes investing in specific regions and areas
- 418.006 Leveraging Australia's Global Expat Platform
Objective: To provide assistance to Advance, a not-for-profit organisation that provides services to a global network of more than 24,000 expatriate Australians
- 418.007 Manufacturing Technology Innovation Centre
Objective: To support the Manufacturing Technology Innovation Centre and create networks with major manufacturers, small and medium enterprises, industry bodies and research organisations to improve business performance through utilising new technologies, business processes and technical knowledge
- 418.008 Australian Leather Holdings
Objective: To provide a loan to Howe and Company Proprietary Limited, and its parent company Howe Automotive Limited, to be fully repaid over 10 years with annual interest and principal payments
- 418.009 Innovation Investment Fund and Innovation Investment Follow-on Fund
Objective: To assist in the development of a self-sustaining Australian early-stage venture capital industry by developing fund managers with experience in the early stage venture capital industry, addressing capital and management constraints and encouraging the development of new companies which are commercialising research and development
- 418.010 National Enabling Technologies Strategy
Objective: To develop a National Enabling Technologies Strategy to set the direction for future technology development, including the uptake of biotechnology and nanotechnology products and processes across the economy and society
- 418.011 Small scale mammalian cell production facility
Objective: The provision of assistance to bridge the gap in the infrastructure of the national biotechnology manufacturing chain
-

-
- by assisting in the establishment of a facility to produce recombinant proteins in mammalian cells*
- 418.012 Support for Industry Service Organisations program
Objective: To provide assistance to Standards Australia and the National Association of Testing Authorities to support Australian participation in international standards and conformance bodies, and ensure Australian standards and conformity assessment are in alignment with international practices
- 418.013 CSL
Objective: To support the provision of expanded research and manufacturing capacity at the CSL's facility at Broadmeadows in Victoria
- 418.014 Pre-Seed Fund
Objective: To provide assistance to universities and public sector research agencies that facilitates the commercialisation of public sector research and development activities by further developing the management and entrepreneurial skills of public sector researchers and building links with the finance and business community
- 418.015 Australian Space Science Program
Objective: To provide assistance and support to space research, innovation and skills development
- 418.016 Commercialisation Australia
Objective: To provide support to build the capacity of, and opportunities for, Australian researchers, entrepreneurs and innovative firms to convert intellectual property into commercial ventures
- 418.017 Commercial Ready Program
Objective: To provide support to small and medium sized firms to undertake research and development, proof of concept and early stage commercialisation projects
- 418.018 Green Car Innovation Fund
Objective: To provide assistance to Australian companies for projects that enhance the research, development and commercialisation of Australian technologies that significantly reduce fuel consumption and/or greenhouse gas emissions of passenger motor vehicles
-

- 418.019 Automotive New Markets Initiative
Objective: To assist firms in the automotive supply chain to expand their operations into export markets and supply their products to other industries
- 418.020 Liquefied Petroleum Gas Vehicle Scheme
Objective: To provide assistance towards the cost of the conversion of a new or used petrol or diesel motor vehicle or the purchase of a new motor vehicle with a Liquefied Petroleum Gas unit fitted
- 418.021 Automotive Market Access
Objective: To increase component suppliers' access to global supply chains through the appointment of 2 Automotive Envoys, support for Team Australia Automotive activities in North America and an expanded Austrade adviser network in key Asian markets
- 418.022 Automotive Industry Structural Adjustment Program
Objective: To assist in the consolidation of supply chains and allow the industry to achieve greater scale and retain core capabilities through structural adjustment support which assists firms with legal, relocation and other merger costs and by providing labour market adjustment support by helping with employment services
- 418.023 Automotive Supply Chain Development Program
Objective: To assist the automotive components sector to further develop its capabilities and better integrate into local and global supply chains, and to enhance the industry's domestic and international competitive advantage by improving the operational performance of individual firms and the sector as a whole
- 418.024 Clean Business Australia—Retooling for Climate Change
Objective: To assist small and medium sized Australian manufacturers to reduce their environmental footprint through projects that improve the energy and/or water efficiency of their production processes
- 418.025 Clean Business Australia—Green Building Fund
Objective: To provide support to retro-fit and retro-commission existing commercial buildings to reduce the impact of Australia's built environment on greenhouse gas emissions
- 418.026 Clean Business Australia—Climate Ready Program
Objective: To support research and development, proof-of-concept
-

-
- and early-stage commercialisation activities that develop solutions to climate change challenges*
- 418.027 Clean Technology Investment—Food and Foundries Program
Objective: To assist manufacturing industries to transition to a low-carbon economy by supporting the adoption and deployment of technologies to improve energy and carbon efficiency at manufacturing facilities in the food and beverage processing and metal forging and foundry industries
- 418.028 Clean Technology Investment
Objective: To assist manufacturing industries transition to a low-carbon economy by supporting the adoption and deployment of technologies to improve energy and carbon efficiency at manufacturing facilities
- 418.029 Clean Technology Innovation Program
Objective: To support business investment in low-emissions research and development in the areas of renewable energy, low-emissions technology and energy efficiency
- 418.030 Enhanced and amalgamated mediation services for the Franchising Code of Conduct, the Horticultural Code of Conduct, the Oilcode and the Produce and Grocery Industry Code of Conduct
Objective: To increase the productivity, sustainability and growth of industry by enhancing and amalgamating the mediation services for the Franchising Code of Conduct, the Horticultural Code of Conduct, the Oilcode and the Produce and Grocery Industry Code of Conduct
- 418.031 Food Industry Policy
Objective: To support the increased productivity, sustainability and growth of the food industry
- 418.032 Illawarra Region Innovation and Investment Fund
Objective: To provide support for investment in new activities and industries that diversifies the economy of the Illawarra region of New South Wales and creates sustainable new jobs
- 418.033 Small Business Support Line
Objective: To provide advice to small businesses on issues such as: obtaining finance; cash flow management; retail leasing; personal stress and hardship counselling; and promotion and marketing
-

418.034 Small Business Advisory Services

Objective: To provide assistance to small businesses to improve sustainability, productivity and growth through providing access to low-cost business advisory services and activities to enhance business management skills

418.035 Australian Small Business Commissioner

Objective: To fund a Australian Small Business Commissioner to provide advocacy and representation for small business interests and concerns to the Australian Government

418.036 South-East South Australian Innovation and Investment Fund

Objective: To create new sustainable jobs and opportunities for the south-east region of South Australia with a focus on manufacturing and manufacturing services

418.037 Textile Clothing and Footwear—Strategic Capability Program

Objective: To provide assistance to the textile, clothing and footwear industries to build innovative capability at the enterprise and workplace level, and increase the productivity, sustainability and growth of the industry

418.038 Textile Clothing and Footwear—Structural Adjustment Program

Objective: To support further textile, clothing and footwear industry consolidation and labour market adjustment through labour adjustment assistance through the Job Network and through a Restructuring Initiative Grant Scheme

418.039 Support to Industry and Innovation

Objective: To improve the growth, performance and competitiveness of business

418.040 Australia-China Science and Research Fund

Objective: To increase collaboration between Australian and Chinese scientists by providing support for building bilateral research relationships, linking research institutions and supporting collaborative research activities

418.041 Collaborative Research Network program

Objective: To provide assistance to less research intensive regional higher education institutions to develop improved research capability by teaming up with other institutions with established research expertise

-
- 418.042 Science for Australia's Future—Inspiring Australia
Objective: To support the implementation of a national strategy for science engagement that will enhance the level of societal understanding and engagement with science
- 418.043 Square Kilometre Array Radio Telescope—supporting the Australia-New Zealand bid
Objective: To support the promotion and diplomatic efforts, development of a site proposal and negotiation with stakeholders for the Australia-New Zealand bid to host the Square Kilometre Array radio telescope
- 418.044 Commonwealth-Australian National University Strategic Relationship
Objective: To establish and maintain the Australian National Institute for Public Policy on the Australian National University campus
- 418.045 International Education and Training
Objective: To assist Australian researchers from both the public and private sectors to participate in leading-edge scientific research projects and workshops with Indian scientists, and to support the development of strategic alliances between Australian and Indian researchers
- 418.046 Learned Academies
Objective: To foster an understanding of, or to promote research and scholarship in, science, social science and the humanities in Australia
- 418.047 Super Science—Future Industries
Objective: To provide support to a range of projects that will strengthen Australia's research infrastructure and research capacity in future technologies (nanotechnology and life sciences)
- 418.048 Super Science—Space and Astronomy
Objective: To provide support to a range of projects that will strengthen Australia's research infrastructure and research capacity in space and astronomy
- 418.049 European Molecular Biology Laboratory partner facility
Objective: To support the establishment and development of a European Molecular Biology Laboratory facility on the campus of
-

- Monash University in Victoria and facilitate the collaboration with molecular biology research world leaders*
- 418.050 Support to Science and Research
Objective: To increase production, use and awareness of science and research knowledge
- 418.051 Higher Education Special Projects
Objective: To provide support for Australia's higher education sector, through initiatives that support higher education institutions and students
- 418.052 Indigenous Education Advisory Council
Objective: To support the provision of policy advice on higher education, research and research training issues in relation to Aboriginal and Torres Strait Islander higher education students and staff
- 418.053 My University Website
Objective: To support the move to a student centred higher education system, improving transparency and informed choice
- 418.054 Australian Apprenticeship Centres
Objective: To support apprentices through information and assistance to employers, apprentices, and other interested people, through marketing and promotion, and through administering incentive payments to employers and allowances to apprentices
- 418.055 Australian Apprenticeships Information Management System—establishment
Objective: To provide a streamlined electronic system for registering training contracts and processing payments
- 418.056 Australian Apprenticeships Workforce Skills Development
Objective: To support the enhancement of skills development in the Australian workforce
- 418.057 Australian Government Skills Connect—Investing in Experience (Skills, Recognition and Training)
Objective: To support the recognition of qualifications for mature-age workers who have relevant skills but no formal qualification
- 418.058 Australian Government Skills Connect—Workplace English Language and Literacy
-

-
- Objective: To support workers with low literacy levels to continue to progress in their employment and participate effectively in further training*
- 418.059 Australian Government Skills Connect—National Workforce Development Fund
- Objective: To support training for job seekers and existing workers in areas of current and future skills need*
- 418.060 Australian Government Skills Connect—Australian Apprenticeships Mentoring
- Objective: To provide support to apprentice candidates in choosing the right trade and providing targeted mentoring and assistance that will help them successfully progress through their apprenticeship*
- 418.061 Australian Government Skills Connect—Accelerated Australian Apprenticeships
- Objective: To support Australian apprentices to progress through their training as they demonstrate the required competencies, rather than on a time-served basis, helping business and industry to get the qualified tradespeople needed as soon as possible*
- 418.062 Critical Skills Investment Fund
- Objective: To undertake projects to provide training and employment opportunities in critical industry sectors*
- 418.063 Language, Literacy and Numeracy
- Objective: To improve job seekers language, literacy or numeracy to enable them to secure sustainable employment or participate in further training and education*
- 418.064 National Centre for Vocational Education Research
- Objective: To support the collection, analysis, publication and dissemination of research and statistics on vocational education and training*
- 418.065 National Foundation Skills Strategy
- Objective: To bring a national focus to improving the foundation skills of Australian adults and to provide a framework for Australian, State and Territory government action*
- 418.066 National Training Programs
- Objective: To assist the Vocational Education and Training (VET)*
-

sector through support for industry, group training organisations to assist Australian Apprenticeship outcomes, the achievement of agreed objectives as they relate to equity, and the development of the VET system

- 418.067 Support for Australian Apprenticeships
Objective: To provide support services for apprentices and employers
- 418.068 The Right Trade for You
Objective: To provide support services for apprentices in choosing the right trade for them
- 418.069 Australian Apprenticeship Access
Objective: To assist vulnerable job seekers by providing nationally recognised pre-vocational training linked to an apprenticeship pathway, training in basic work and life skills, pastoral care, advocacy, intensive job search and post-placement support
- 418.070 Australian Skills Centres of Excellence
Objective: To support innovative production processes and teaching and learning methods in the Vocational Education and Training (VET) sector
- 418.071 Productive Ageing Through Community Education
Objective: To support adult education providers and community organisations to expand the delivery of educational and training courses tailored to the needs of senior Australians
- 418.072 VET FEE-HELP Assistance Scheme
Objective: To support income contingent loans for Vocational Education and Training (VET) students
- 418.073 Apprentice to business owner—business skills and mentoring program
Objective: To provide business skills training and mentoring support for individuals who are seeking to establish a business within 2 years of completing a trade-related apprenticeship
- 418.074 Assessment Subsidy for Overseas-Trained Professionals
Objective: To support eligible overseas-trained professionals to obtain recognition of their professional qualifications for the purposes of registration and/or employment in Australia
-

-
- 418.075 Education Services for Overseas Students Assurance Fund
Objective: To protect the interests of people coming to Australia on student visas, by providing tuition and financial assurance and by ensuring a nationally-consistent approach to provider registration
- 418.076 International Education and Training
Objectives: To develop and strengthen the sustainable development of Australia's international education and training engagement and to develop and strengthen regional international links
- 418.077 Support to the Tertiary Education and Vocational Education Training sectors
Objective: To support national growth in skills, qualifications productivity and social inclusion
- Department of Infrastructure and Transport**
- 419.001 Tasmanian Freight Equalisation Scheme
Objective: To provide financial assistance in respect of the cost of moving non-bulk freight by sea between Tasmania and the Australian mainland, or the main island of Tasmania and King Island or islands of the Furneaux Group
- 419.002 Tasmanian Wheat Freight Scheme
Objective: To provide financial assistance in respect of the cost of moving bulk wheat by sea between the Australian mainland and Tasmania
- 419.003 Bass Strait Passenger Vehicle Equalisation Scheme
Objective: To provide financial assistance in respect of the cost of transportation by sea of passenger vehicles between the Australian mainland and Tasmania
- 419.004 keys2drive
Objective: To enable the provision to learner drivers and their mentors of educational materials and assistance, including professional guidance from accredited instructors
- 419.005 Seat Belts on Regional School Buses
Objective: To provide financial assistance to enable school bus operators in regional and rural areas to equip their buses with seat belts
-

- 419.006 Strengthening Aviation Security—optimal technologies at international gateway airports
Objective: To strengthen Australia’s aviation security regime against threats by providing financial assistance to enable the acquisition of optimal screening technologies at international passenger screening points at international gateway airports
- 419.007 Strengthening Aviation Security—regional and domestic aviation security
Objective: To strengthen Australia’s aviation security regime against threats by providing financial assistance to enable the introduction of security measures at regional and domestic airports
- 419.008 Remote Air Services Subsidy Scheme
Objective: To provide financial assistance to ensure the availability to remote communities of a regular air service for the carriage of passengers and essential freight
- 419.009 Remote Aerodrome Inspection Program
Objective: To provide remote Indigenous communities with annual aerodrome inspections and related services to assist those communities to meet their aviation safety obligations
- 419.010 Remote Aviation Infrastructure Fund
Objective: To provide financial assistance to enable aviation safety upgrade works at aerodromes that service remote Indigenous communities
- 419.011 Remote Aerodrome Safety Program
Objective: To provide financial assistance to enable aviation safety upgrades to be undertaken at remote aerodromes
- 419.012 Remote Airstrip Upgrade Program
Objective: To provide financial assistance to improve the safety of airstrips in remote and isolated communities in Australia
- 419.013 Payment Scheme for Airservices Australia’s en route charges
Objective: To provide financial assistance to certain air service operators in respect of the cost of en route charges imposed by Airservices Australia
- 419.014 Sustainable Australia—Liveable Cities
Objective: To provide financial assistance to support initiatives to
-

-
- improve the quality of life in capital cities and major regional cities*
- 419.015 Regional Infrastructure Fund
- Objective: To provide financial assistance to:*
- (a) support initiatives to address urgent infrastructure needs; and*
 - (b) support the mining industry; and*
 - (c) boost export capacity; and*
 - (d) develop and grow regional economies*
- 419.016 Jobs Fund—Infrastructure Employment Projects
- Objective: To provide financial assistance to support initiatives and projects which support and create employment and skills, build community infrastructure or build social capital in communities*
- 419.017 Cloncurry Community Precinct
- Objective: To provide financial assistance to enable the construction of a community centre at Cloncurry*
- 419.018 Nation Building Plan for the Future Program
- Objective: To provide financial assistance to enable the construction and implementation of nationally significant infrastructure projects*
- 419.019 Implementation of noise amelioration for Adelaide Airport
- Objective: To provide financial assistance to persons affected by aircraft noise in areas around Adelaide Airport, primarily through the provision of building insulation*
- 419.020 Implementation of noise amelioration for Sydney Airport
- Objective: To provide financial assistance to persons affected by aircraft noise in areas around Sydney Airport, primarily through the provision of building insulation*
- Department of the Prime Minister and Cabinet**
- 420.001 Domestic Policy
- Objective: To provide funding to support volunteering and to contribute to the achievement of the National Compact with not-for-profit organisations*
- 420.002 National Security & International Policy
-

Objective: To provide funding to the United States Studies Centre at the University of Sydney for a three-year study entitled '21st Century Australia-United States Alliance'

Department of Regional Australia, Local Government, Arts and Sport

421.001 Regional Development

Objective: Regionally-focused stakeholder consultation and engagement, research, policy development, and program delivery activities to strengthen the sustainability, capacity and diversity of regional economies

421.002 Local Government

Objective: To build capacity in local government and provide local and community infrastructure

421.003 Services to Territories

Objective: To provide services for and in non-self governing Territories

421.004 Arts and Cultural Development

Objective: To support excellence in the arts and culture, support indigenous arts, cultures and languages, develop and promote access to cultural activities, support Australian creative industries, and protect Australia's movable cultural heritage

421.005 Sport and Recreation

Objective: To increase participation in physical and active recreation activities and excellence in high-performance athletes, including investment in sport infrastructure and events, research and international cooperation

National Capital Authority

422.001 National Capital Functions

Objectives: To realise the promise of the city plan and the ideals of the founders, to foster Canberra as the National Capital, and to develop the special character of the National Capital

422.002 National Capital Estate

Objectives: To develop and renew the special character of the National Capital Estate, and to mitigate risk associated with

management of the National Capital estate

Old Parliament House

423.001 Old Parliament House Functions

Objectives: To manage the heritage values of Old Parliament House, develop and manage the agency's collections, and increase access, engagement and participation through on site, online and outreach programs

Department of Resources, Energy and Tourism

424.001 Ethanol Production Grants Program

Objective: To support production and deployment of ethanol as an alternative transport fuel in Australia

424.002 Radioactive Waste Management Program

Maralinga Maintenance Program

Rum Jungle Program

Objective: To implement solutions for radioactive waste management and storage for Australia and meet maintenance, environmental and rehabilitation objectives in relation to the Rum Jungle and Maralinga sites

424.003 Smart Grid, Smart City Program

Connecting Renewables to the Grid Program

Objective: To support the adoption of new technologies within the energy system

424.004 Asia Pacific Partnership on Clean Development and Climate Program

Australian Centre for Renewable Energy Program

Australian Solar Institute Program

Solar Flagships Program

Low Emission Technology Demonstration Fund Program

Carbon Capture and Storage Flagships Program

Global Carbon Capture and Storage Institute Program

National Low Emissions Coal Initiative Program

National CO₂ Infrastructure Plan Program

Objective: To support the development and implementation of low emission technologies in Australia and in partnership with industry and other countries, including activities to enable industry to transition to lower carbon energy sources

424.005 Coal Sector Jobs Package Program

Coal Mining Abatement Technology Support Package Program

Contracts for Closure Program

Objective: To provide targeted transitional assistance to emissions intensive coal mines and develop methane abatement technologies to ensure the long-term viability of the coal industry, and to provide funding to close emissions intensive generations capacity subject to negotiation with eligible generators

424.006 TQUAL Grants Program

National Tourism Accreditation Framework—Establishment Program

Tourism Industry Regional Development Program

Objective: To assist the tourism industry to develop and deliver quality tourism products and services

424.007 Asia Marketing Fund Program

Objective: To support demand-side activity in the tourism sector

Department of Sustainability, Environment, Water, Population and Communities

425.001 Sustainable Management of Natural Resources and the Environment

Objective: To develop and implement a national approach to protecting and managing biodiversity and natural resources, including through programs to build resilience in marine, aquatic and terrestrial ecosystems

425.002 Environmental Information and Research

Objectives: To improve Australia's capacity to deliver environmental research and information (including enhancing taxonomy), and to pursue a permanent end to all forms of commercial whaling

-
- 425.003 Carbon Pollution Reduction—Land Sector Initiatives
Objectives: To improve the resilience of Australia’s landscape to climate change, enhance the environmental outcomes of Carbon Farming Initiative projects, and assist landholders to protect carbon and biodiversity values of their land
- 425.004 Management of Hazardous Wastes, Substances and Pollutants
Objective: To improve the quality of the environment and reduce pollution through national frameworks, standards, regulation and monitoring of wastes, hazardous substances, air pollutants, ozone-depleting substances and synthetic greenhouse gases
- 425.005 Sustainable Communities—Suburban Jobs
Objective: To assist State and local governments to plan for and provide enduring employment opportunities in the growing outer suburbs of our major capital cities
- 425.006 Antarctica: Science, Policy and Presence
Objective: To advance Australia’s strategic, scientific, environmental and economic interests in the Antarctic through the Australian Antarctic Science Grants program
- 425.007 Water Reform
Objectives: To support government and non-government partners to promote adaptation to climate change, wise water use, secure water supplies, and to improve the health of rivers, waterways and freshwater ecosystems
- 425.008 Sustainable Rural Water Use and Infrastructure Program
Objectives: To assist farmers to make better use of water by upgrading their irrigation infrastructure and to assist communities to address the impact of climate change by securing their long-term water supplies
- 425.009 Water Smart Australia
Objectives: To accelerate the development and uptake of smart technologies and practices in water use across Australia and to advance the implementation of the National Water Initiative
- 425.010 National Urban Water and Desalination Plan
Objective: To provide funding for desalination, water recycling and stormwater harvesting projects in Australian cities
- 425.011 National Water Security Plan for Cities and Towns
-

- Objective: To work with governments and local authorities to minimise water loss, invest in more efficient water infrastructure, refurbish older pipes and water systems, and fund practical projects to save water*
- 425.012 Commonwealth Contribution under the Murray Darling Basin Agreement
- Objective: To deliver governance and operational reforms for the integrated management of water resources in the Murray-Darling Basin*
- 425.013 Restoring the Balance in the Basin
- Objectives: To provide an opportunity for eligible irrigators who wish to sell their water entitlements to the Australian Government with the chance to do so, while minimising the effect of water trade on shared irrigation delivery networks*
- 425.014 Science-Based Framework for Coal Seam Gas and Coal Mining Impacts on Water
- Objectives: To improve community confidence in decision making of the impacts of coal seam gas and coal mining developments on water resources*
- 425.015 Conservation of Australia's Heritage and Environment
- Objective: To conserve natural, Indigenous and historic heritage, threatened species and ecological communities, and internationally-traded flora and fauna and related biodiversity consistent with the Environment Protection and Biodiversity Conservation Act and international obligations*
- 425.016 Remediation of land affected by the Tiwi Islands Plantation project
- Objectives: To contribute to the implementation of a Rehabilitation Management Plan by the Tiwi Island Council on land affected by the Tiwi Islands Plantation project in the Northern Territory*
- 425.017 Sustainable Australia—Sustainable Regional Development
- Objectives: To support the development of sustainability plans for regional and coastal high-growth centres by State and local governments*
- 425.018 Commonwealth Environmental Water
- Objective: To protect and restore environmental water assets through the management and use of Commonwealth environmental water*
-

Department of the Treasury

426.001 Support for Markets and Business

Objective: To provide grant funding to the Centre for International Finance and Regulation and to make payments in respect to insurance claims arising from the residual Housing Loans Insurance Company Limited portfolio

426.002 Department of the Treasury

Objective: To provide grant funding to monitor and assess economic conditions and prospects, to enhance macroeconomic policy and related research, and to ensure well-functioning markets

426.003 Payments to International Financial Institutions

Objective: To provide payments to international financial institutions to facilitate the achievement of government objectives in international forums

Australian Taxation Office

427.001 Australian Taxation Office

Objective: To make payments to OECD Tax Administration initiatives and the Legal Institute, and to encourage community participation in the tax system through sponsorship and mentoring arrangements

Department of Defence

428.001 Support for Defence personnel, their families and local communities

Objective: To support Australian Defence Force personnel and their families, including through family support groups, information services, services to support children, services to support defence spouses, educational assistance and other activities to support local communities

428.002 Locations of significance for the Australian Defence Force

Objective: To enable and continue recognition of Australian Defence Force actions overseas, including through payments to support groups for local communities

428.003 Indigenous Australians and the Australian Defence Force

Objective: To recognise the contribution of Indigenous Australians and Torres Strait Islanders to the Australian Defence Force through payments for research and other purposes

428.004 Defence research and policy

Objective: To research, record and support the Australian Defence Force through assistance for research, studies and independent policy work in military, justice, diplomacy, strategic defence policy, national security and related fields. This includes the commissioning of research, exchange programs, funding research positions and scholarships, fostering future leaders, related study and promoting academic work

Defence Materiel Organisation

429.001 Training for defence industry and businesses that serve the defence industry

Objective: To support skilling Australian defence industry employers and employees through payments for commercially provided training, on the job training, and university/vocational education and training opportunities in disciplines relevant to defence industry capacity

429.002 Defence apprenticeships

Objective: To support apprenticeships in key areas and provide adequate supervision of apprentices working in defence industry

429.003 Key defence capabilities

Objective: To ensure maintenance of key capabilities within defence industry including funding positions and strategic business activities

Department of Veterans' Affairs

430.001 Repayments of maintenance deductions

Objective: To provide for the discharge of legal obligations in regards of the probate of deceased veterans' estates where that veteran had the Department act on their behalf to deduct amounts from their payments to ensure their maintenance in an institution

430.002 Payments to Ex-Service Organisations (BEST & TIP)

-
- Objective: To deliver assistance to the Ex-Service Organisations (ESO) community through Building Excellence in Support and Training (BEST) grants and funding the Training and Information Program (TIP)*
- 430.003 Veterans' Access to Community Information
- Objective: To support agencies that provide information services to veterans in regional Australia*
- 430.004 Grants-In-Aid
- Objective: To assist national Ex-Service Organisations (ESOs) with administration costs on DVA associated business undertaken on behalf of the veteran community*
- 430.005 Community Care Grants
- Objective: To assist eligible organisations to develop projects for the veteran community that support a healthy quality lifestyle, reduce social isolation and provide access to community services*
- 430.006 Joint Venture Grants
- Objective: To provide funding to assist in the support of activities and services that sustain and/or enhance the health and well-being of veterans and their carers*
- 430.007 Joint Venture Day Clubs
- Objective: To contribute to Day Clubs that provide social and recreational activities for veterans, their spouses, war widows/widowers and any other members of the community*
- 430.008 Joint Venture Home Maintenance
- Objective: To contribute to the Veterans' Home Maintenance Line (VHML), a toll-free telephone service that provides advice on general property maintenance matters and referral to local reliable and efficient tradespeople*
- 430.009 Counselling support and children's assistance
- Objective: To provide a wide range of mental and allied health care services, including counselling and referral services for veterans, their families and children*
- 430.010 Health and medical research
- Objective: To contribute funding for research into mental and health care issues specific to veterans, war widows and widowers, serving members, former Defence Force members and their*
-

families
