### Hot Rolled Coil Steel

Exported from Japan, the Republic of Korea, Malaysia and Taiwan

#### **Notice pursuant to subsections 8(5) and 8(5A) of the *Customs Tariff (Anti Dumping) Act 1975***

I, JASON CLARE, Minister for Home Affairs, having decided to issue a notice pursuant to subsection 269TG(1) and subsection TG(2) of the *Customs Act 1901* in respect of hot rolled coil steel described in that notice (the goods), DIRECT, pursuant to subsection 8(5) of the *Customs Tariff (Anti-Dumping) Act 1975* (the Dumping Duty Act), that the element of interim dumping duty referred to in subsection 8(5)(a) of that Act be ascertained as a proportion of the export price of those particular goods.

Pursuant to subsection 8(5A) of the Dumping Duty Act, I have had regard to the desirability of fixing a lesser amount of duty. If the non-injurious price of goods of that kind as ascertained or last ascertained for the purposes of the dumping duty notice is less than the normal value of goods of that kind as so ascertained, or last so ascertained, a lesser amount of interim dumping duty is fixed such that the sum of:

- (a) the export price of goods of that kind as so ascertained, or last so ascertained, and
- (b) that lesser duty,

does not exceed that non-injurious price.

This notice applies to the goods and like goods entered for home consumption on and after 5 October 2012.

Dated this 4<sup>th</sup> day of December 2012

JASON CLARE  
Minister for Justice
