Part 2—Participants' plans

Division 1—Principles relating to plans

31 Principles relating to plans

The preparation, review and replacement of a participant's plan, and the management of the funding for supports under a participant's plan, should so far as reasonably practicable:

- (a) be individualised; and
- (b) be directed by the participant; and
- (c) where relevant, consider and respect the role of family, carers and other persons who are significant in the life of the participant; and
- (d) where possible, strengthen and build capacity of families and carers to support participants who are children; and
- (da) if the participant and the participant's carers agree—strengthen and build the capacity of families and carers to support the participant in adult life; and
- (e) consider the availability to the participant of informal support and other support services generally available to any person in the community; and
- (f) support communities to respond to the individual goals and needs of participants; and
- (g) be underpinned by the right of the participant to exercise control over his or her own life; and
- (h) advance the inclusion and participation in the community of the participant with the aim of achieving his or her individual aspirations; and
- (i) maximise the choice and independence of the participant; and

delivery of disability services where there is more than one disability service provider.

Division 2—Preparing participants' plans

32 CEO must facilitate preparation of participant's plan

- (1) If a person becomes a participant, the CEO must facilitate the preparation of the participant's plan.
- (2) The CEO must commence facilitating the preparation of the participant's plan in accordance with the National Disability Insurance Scheme rules.
- (3) If National Disability Insurance Scheme rules made for the purposes of subsection (2) do not require the CEO to commence facilitating the preparation of a participant's plan within a prescribed period or in prescribed circumstances, the CEO must commence facilitating the preparation of the plan as soon as reasonably practicable, having regard to the obligations of the CEO under the rules to commence facilitating the preparation of other participants' plans.

32A Rules about preparation of plans

- (1) Without limiting subsection 32(2), National Disability Insurance Scheme rules made for the purposes of that subsection may require the CEO to commence facilitating the preparation of the plan of a participant included in a class prescribed by the rules:
 - (a) within a period prescribed by the rules; or
 - (b) in circumstances prescribed by the rules.
- (2) Without limiting the classes that may be prescribed as mentioned in subsection (1), a class may be prescribed by reference to one or more of the following:
 - (a) whether the participant's name is included on a prescribed waiting list;
 - (b) whether the participant is receiving support from a prescribed service provider or under a prescribed program;

Section 32A

- (c) whether, when the participant first made an access request, he or she was not receiving supports other than informal supports in relation to his or her disability;
 - (d) the place of residence of the participant on a prescribed date or throughout a prescribed period;
 - (e) whether, when the participant first made an access request, he or she had left, or was reasonably likely to leave, school at a prescribed time or during a prescribed period;
 - (f) the participant's age;
 - (g) other matters.
- (3) Despite subsection 32(2) and subsection (1) of this section, if the CEO is satisfied that, because of the urgency of the circumstances, it is appropriate to commence facilitating the preparation of a participant's plan at a particular time:
- (a) the CEO may do so; and
 - (b) if doing so means that it is necessary not to commence facilitating the preparation of the plans of one or more other participants—the CEO may delay commencing such facilitation, so far as is reasonably necessary.
- (4) The National Disability Insurance Scheme rules may prescribe matters to which the CEO is to have regard in deciding for the purposes of subsection (3) whether or not he or she is satisfied that, because of the urgency of the circumstances, it is appropriate to commence facilitating the preparation of a participant's plan.
- (5) If the CEO commences or delays facilitating the preparation of a participant's plan in accordance with subsection (3), the CEO does not breach subsection 32(2), or National Disability Insurance Scheme rules made for the purposes of that subsection, in relation to the participants concerned.
- (6) Without limiting subsection 32(2) of this section, National Disability Insurance Scheme rules made for the purposes of that subsection (including as mentioned in subsection (1) of this section) may do one or more of the following:

- (a) prescribe a class by reference to a decision of the CEO about a matter prescribed by the rules;
 - (b) prescribe a period or circumstances by reference to a decision of the CEO;
 - (c) prescribe matters by reference to a decision of the CEO.
- (7) The CEO does not have a duty to consider whether to exercise a discretion conferred upon the CEO by:
- (a) subsection (3); or
 - (b) National Disability Insurance Scheme rules made for the purposes of subsection 32(2) (including as mentioned in subsection (1) of this section).

33 Matters that must be included in a participant's plan

 - (a) the goals, objectives and aspirations of the participant; and
 - (b) the environmental and personal context of the participant's living, including the participant's:
 - (i) living arrangements; and
 - (ii) informal community supports and other community supports; and

 - (b) the reasonable and necessary supports (if any) that will be funded under the National Disability Insurance Scheme; and
 - (c) the date by which, or the circumstances in which, the Agency must review the plan under Division 4; and
 - (d) the management of the funding for supports under the plan (see also Division 3); and

Section 33

- (e) the management of other aspects of the plan.
- (3) The supports that will be funded or provided under the National Disability Insurance Scheme may be specifically identified in the plan or described generally, whether by reference to a specified purpose or otherwise.
- (4) The CEO must endeavour to decide whether or not to approve the statement of participant supports as soon as reasonably practicable, including what is reasonably practicable having regard to section 36 (information and reports).

 - (e) have regard to the principle that a participant should manage his or her plan to the extent that he or she wishes to do so; and
 - (f) have regard to the operation and effectiveness of any previous plans of the participant.
- (6) To the extent that the funding for supports under a participant's plan is managed by the Agency, the plan must provide that the supports are to be provided only by:
 - (a) for supports provided to a participant in a participating jurisdiction—a registered NDIS provider; or
 - (b) otherwise—a registered provider of supports.

- (7) A participant's plan may include additional matters, including such additional matters as are prescribed by the National Disability Insurance Scheme rules.

Note: For example, a participant's plan may include arrangements for ongoing contact with the Agency.

- (8) A participant's statement of goals and aspirations need not be prepared by the participant in writing, but if it is prepared other than in writing, the Agency must record it in writing.

Note: Section 38 requires a copy of a participant's plan to be provided to him or her.

34 Reasonable and necessary supports

- (1) For the purposes of specifying, in a statement of participant supports, the general supports that will be provided, and the reasonable and necessary supports that will be funded, the CEO must be satisfied of all of the following in relation to the funding or provision of each such support:
- (a) the support will assist the participant to pursue the goals, objectives and aspirations included in the participant's statement of goals and aspirations;
 - (b) the support will assist the participant to undertake activities, so as to facilitate the participant's social and economic participation;
 - (c) the support represents value for money in that the costs of the support are reasonable, relative to both the benefits achieved and the cost of alternative support;

 - (e) the funding or provision of the support takes account of what it is reasonable to expect families, carers, informal networks and the community to provide;
 - (f) the support is most appropriately funded or provided through the National Disability Insurance Scheme, and is not more appropriately funded or provided through other general systems of service delivery or support services offered by a

Section 35

person, agency or body, or systems of service delivery or support services offered:

- (i) as part of a universal service obligation; or
 - (ii) in accordance with reasonable adjustments required under a law dealing with discrimination on the basis of disability.
- (2) The National Disability Insurance Scheme rules may prescribe methods or criteria to be applied, or matters to which the CEO is to have regard, in deciding whether or not he or she is satisfied as mentioned in any of paragraphs (1)(a) to (f).

35 National Disability Insurance Scheme rules for statement of participant supports

- (1) The National Disability Insurance Scheme rules may make provision in connection with the funding or provision of reasonable and necessary supports or general supports, including but not limited to prescribing:

- (5) The National Disability Insurance Scheme rules referred to in subsection (1) may relate to how to take into account amounts that a participant or prospective participant did not receive by way of a compensation payment because he or she entered into an agreement to give up his or her right to compensation.

36 Information and reports for the purposes of preparing and approving a participant's plan

- (1) For the purposes of preparing a statement of participant supports, or deciding whether to approve a statement of participant supports, the CEO may make one or more requests under subsection (2).
- (2) The requests the CEO may make are as follows:
 - (a) that the participant, or another person, provide information that is reasonably necessary for the purposes of preparing the statement of participant supports, or deciding whether to approve the statement of participant supports;
 - (b) that the participant do either or both of the following:
 - (i) undergo an assessment and provide to the CEO the report, in the approved form, of the person who conducts the assessment;
 - (ii) undergo, whether or not at a particular place, a medical, psychiatric, psychological or other examination, conducted by an appropriately qualified person, and provide to the CEO the report, in the approved form, of the person who conducts the examination.
- (3) The CEO may prepare the statement of participant supports, or decide whether to approve a statement of participant supports, before all the information and reports requested under

Section 37

subsection (2) are received by the CEO, but must give the participant a reasonable opportunity to provide them.

Note: If information or reports are provided after the plan is approved, the plan can be reviewed and if necessary replaced.

37 When plan is in effect

- (1) A participant's plan comes into effect when the CEO has:
 - (a) received the participant's statement of goals and aspirations from the participant; and
 - (b) approved the statement of participant supports.
- (2) A participant's plan cannot be varied after it comes into effect, but can be replaced under Division 4.

Note: Under Division 4, a participant may request a review of his or her plan at any time and may revise the participant's statement of goals and aspirations at any time, which results in the replacement of the plan.

- (3) A participant's plan ceases to be in effect at the earlier of the following times:
 - (a) when it is replaced by another plan under Division 4;
 - (b) when the participant ceases to be a participant.

38 Copy of plan to be provided

The CEO must provide a copy of a participant's plan to the participant within 7 days after the plan comes into effect.

39 Agency must comply with the statement of participant supports

The Agency must comply with the statement of participant supports in a participant's plan.

40 Effect of temporary absence on plans

- (1) A participant for whom a plan is in effect may be temporarily absent from Australia for the grace period for the absence without affecting the participant's plan.

- (2) The *grace period* for a temporary absence of a participant is:
 - (a) 6 weeks beginning when the participant leaves Australia; or
 - (b) if the CEO is satisfied that it is appropriate for the grace period to be longer than 6 weeks—such longer period as the CEO decides, having regard to any matters and applying any criteria prescribed by the National Disability Insurance Scheme rules for the purposes of this paragraph.
- (3) If a participant for whom a plan is in effect is temporarily absent from Australia after the end of the grace period for the absence, the participant's plan is suspended from the end of the grace period until the participant returns to Australia.

 - (a) as mentioned in subsection 40(3) (which deals with temporary absence from Australia); and
 - (b) as mentioned in subsection 105(2) (which deals with obtaining compensation).
- (2) The effect of suspension of a statement of participant supports in a participant's plan is that the plan remains in effect but, during the period of suspension:
 - (a) the person is not entitled to be paid NDIS amounts, so far as the amounts relate to reasonable and necessary supports that would otherwise have been funded in respect of that period; and
 - (b) the Agency is not required to provide or fund other supports under the plan, but is not prevented from doing so if the CEO considers it appropriate; and
 - (c) the participant is not entitled to request a review of the plan under subsection 48(1).

Division 3—Managing the funding for supports under participants' plans

42 Meaning of *managing the funding for supports* under a participant's plan

- (c) that the funding for supports under the plan be managed wholly, or to the extent specified in the request, by a person specified by the Agency.
- (2) A statement of participant supports in a participant's plan must give effect to the plan management request other than as follows:

 - (b) if the participant has a plan nominee—the statement must provide that the funding for supports under the plan is to be managed in accordance with the terms of the plan nominee's appointment.
- (3) If the participant is prevented from managing the funding for supports under the plan wholly, or to a specified extent, by section 44, the statement of participant supports in the plan must provide that:

 - (b) the remainder of the funding for supports under the plan is to be managed by:
 - (i) a registered plan management provider specified by the Agency; or
 - (ii) the Agency.
- (4) If a participant does not make a plan management request, the statement of participant supports in the plan must provide that the funding for supports under the plan is to be managed by:

 - (b) the Agency.
- (5) If the funding for supports under a participant's plan is to be managed to any extent by a registered plan management provider specified by the Agency, or by the Agency, the CEO must, so far
-

Section 44

as reasonably practicable, have regard to the wishes of the participant in specifying who is to manage the funding for supports under the plan to that extent.

- (2) The statement of participant supports in a participant's plan must not provide that the participant is to manage the funding for supports under his or her plan to a particular extent if the CEO is satisfied that management of the plan to that extent would:
 - (a) present an unreasonable risk to the participant; or
 - (b) permit the participant to manage matters that are prescribed by the National Disability Insurance Scheme rules as being matters that must not be managed by a participant.
- (2A) The statement of participant supports in a participant's plan must not provide that a plan nominee is to manage the funding for supports under the participant's plan to a particular extent if the CEO is satisfied that management of the plan to that extent would present an unreasonable risk to the participant.
- (3) The National Disability Insurance Scheme rules may prescribe criteria the CEO is to apply and matters to which the CEO is to have regard in considering whether either of the following would present an unreasonable risk to the participant:
 - (a) a participant managing the funding for supports under the plan;

- (b) a plan nominee managing the funding for supports under the plan.

45 Payment of NDIS amounts

- (1) An NDIS amount that is payable to a participant, or to a person who is managing the funding for supports under a participant's plan, is to be paid:

- (7) A request for review of a reviewable decision, or a requirement to review a reviewable decision that the decision-maker is taken to have made, does not affect the operation of the decision or prevent the taking of action to implement the decision.
- (8) A failure of the decision-maker to comply with subsection (1) does not affect the validity of the reviewable decision or the right of a person directly affected to request review of the decision.

101 Variation of reviewable decision before review completed

- If:
- (a) a request is made for review of a reviewable decision; and
 - (b) before a decision on the review is made, the reviewable decision is varied;

Chapter 5—Compensation payments

Part 1—Requirement to take action to obtain compensation

104 CEO may require person to take action to obtain compensation

- (1) This section applies if:
 - (a) a participant or a prospective participant is, or in the CEO's opinion may be, entitled to compensation in respect of a personal injury; and
 - (b) the participant or prospective participant:
 - (i) has taken no action to claim or obtain the compensation; or
 - (ii) has taken no reasonable action to claim or obtain the compensation.
- (2) The CEO may, by written notice, require the participant or prospective participant to take the action specified in the notice within the period specified in the notice. The action must be action that is reasonable to enable the person to claim or obtain the compensation.
- (3) In considering whether it is reasonable to require a participant or prospective participant to take an action, the CEO must have regard to the following:
 - (a) the disability of the participant or prospective participant;
 - (b) the circumstances which give rise to the entitlement or possible entitlement to compensation;
 - (c) any impediments the participant or prospective participant may face in recovering compensation;
 - (d) any reasons given by the participant or prospective participant as to why he or she has not claimed or obtained compensation;

- (e) the financial circumstances of the participant or prospective participant;
 - (f) the impact of the requirement to take the action on the participant or prospective participant and his or her family.
- (4) The CEO must not give a notice under subsection (2) requiring a participant or prospective participant to take action to claim or obtain compensation unless the CEO is satisfied that the participant or prospective participant has reasonable prospects of success in claiming or obtaining the compensation.
 - (5) The period specified by the CEO must be a period of at least 28 days after the day on which the notice is given.
 - (5A) The CEO may, on application by the participant or prospective participant, extend the specified period.
 - (6) Even though a participant or a prospective participant has entered into an agreement to give up his or her right to compensation, the CEO may form the opinion that the participant or prospective participant may be entitled to compensation if the CEO is satisfied that the agreement is void, ineffective or unenforceable.

105 Consequences of failure to comply with a requirement to take action to obtain compensation

- (1) A participant or prospective participant who is given a notice under subsection 104(2) requiring him or her to take action (the ***required action***) to claim or obtain compensation within a specified period must take the required action within the period.
- (2) If a participant does not take the required action within the period, and the action is to enable the participant or prospective participant to claim or obtain compensation under a scheme of compensation under a Commonwealth, State or Territory law:
 - (a) if a plan is in effect for the participant—the plan is suspended from the end of the specified period until the participant takes the required action; or

Section 105

- (b) if a plan is not yet in effect for the participant—the CEO must still comply with section 32 in relation to commencing the facilitation of the preparation of the participant’s plan, but the plan does not come into effect until the participant takes the required action.
- (3) If a prospective participant does not take the required action within the period, the CEO is not prevented from deciding whether or not the prospective participant meets the access criteria and commencing the facilitation of the preparation of the participant’s plan, but the plan does not, despite section 37, come into effect until the participant takes the required action.
- (4) If a participant or prospective participant does not take the required action within the period, and the action is to enable the person to claim or obtain compensation otherwise than under a scheme of compensation under a Commonwealth, State or Territory law, the CEO may:
 - (a) take action to claim or obtain compensation in the name of the participant or prospective participant; or
 - (b) take over the conduct of any existing claim.
- (5) Before taking action to claim or obtain compensation, or taking over the conduct of an existing claim, the CEO must have regard to the following:
 - (a) the disability of the participant or prospective participant;
 - (b) the circumstances which give rise to the entitlement or possible entitlement to compensation;
 - (c) any impediments the CEO may face if the CEO takes the action or takes over the conduct of the claim;
 - (d) any reasons given by the participant or prospective participant as to why he or she has not claimed or obtained compensation (including in response to a notice under subsection 104(2));
 - (e) the impact (including any financial impact), of the CEO taking the action or taking over the conduct of the claim, on the participant or prospective participant and his or her family;

- (f) any other matter the CEO considers relevant, having regard to the objects and principles set out in Part 2 of Chapter 1 of this Act.
- (6) The CEO must not take any action to claim or obtain compensation, or take over the conduct of an existing claim, unless:
 - (a) the CEO has notified the participant or prospective participant, in writing, that the action is being considered; and
 - (b) 28 days have passed since the notice was given.

105A Matters relating to claims etc. by CEO

- (1) If the CEO takes action to claim or obtain compensation, or takes over the conduct of an existing claim, the Agency becomes liable to pay all costs of and incidental to that claim that would otherwise be payable by the person who originally made the claim, or the person in whose name the claim was made, other than costs unreasonably incurred by that person.
- (2) The CEO may:
 - (a) take whatever steps are appropriate to bring the claim to a conclusion; and
 - (b) if the claim is before a court—settle the proceedings either with or without obtaining judgement; and
 - (c) if the claim is before a court and judgement has been obtained in favour of the plaintiff—take such steps as are necessary to enforce the judgement.
- (3) The participant or prospective participant must sign any document relevant to a claim made or taken over by the CEO under section 105 (including the settlement of the claim or of any proceedings arising out of the claim), being a document that CEO requires the participant or prospective participant to sign.
- (4) If the participant or prospective participant does not sign a document in accordance with a requirement under subsection (3):

Section 105B

- (a) if the claim is not before a court or tribunal at the time of the failure—the Federal Court of Australia may, on the application of the CEO, direct that the document be signed on behalf of the participant or prospective participant by a person appointed by CEO; and
 - (b) otherwise—the court or tribunal in which proceedings relating to the claim are being heard may, on the application of CEO, so direct.
- (5) If the CEO proposes to make an application under subsection (4):
- (a) the CEO must notify the participant or prospective participant of that fact; and
 - (b) the participant or prospective participant has a right of representation in the hearing of that application.

105B Recovery of amounts relating to claims etc. by CEO

Any amount obtained as a result of a claim made or taken over by the CEO under section 105 (including amounts payable as a result of the settlement of such a claim) must be paid to the Agency. The Agency must deduct from the amount of those damages:

- (a) an amount equal to the total of all NDIS amounts paid to, or for the benefit of, the participant before the amount is paid to the Agency; and
- (b) the amount of any costs incidental to the claim paid by the Agency.

The Agency must pay the balance to the participant or prospective participant.

Part 2—Agency may recover compensation fixed after NDIS amounts have been paid

106 Recovering past NDIS amounts from certain judgements

- (1) This section applies if:

- (2) An amount (the *recoverable amount*) is payable by the participant to the Agency. The recoverable amount is an amount equal to:
 - (a) unless subsection (4) or (5) applies—the sum of the past NDIS amounts, reduced as mentioned in subsection (3) (if applicable); or
 - (b) if subsection (4) or (5) applies—the amount worked out in accordance with whichever of those subsections is applicable.
- (3) If:
 - (a) the judgement fixes the amount of compensation on the basis that liability for the injury should be apportioned between the participant and another person; and
 - (b) as a result, the amount of compensation is less than it would have been if liability had not been so apportioned;

Section 107

the sum of the past NDIS amounts is to be reduced by the proportion corresponding to the proportion of liability that is apportioned to the participant by the judgement.

- (4) If the recoverable amount would, apart from this subsection, exceed the past NDIS support component, the recoverable amount is taken to be the lesser of the sum of the past NDIS amounts and the past NDIS support component.
- (5) If the recoverable amount would, apart from this subsection, exceed the difference (if any) between:
- (a) the amount of compensation fixed by the judgement; and
 - (b) the sum of the amounts (if any) payable in respect of the amount of compensation under the following:
 - (i) the *Health and Other Services (Compensation) Act 1995*;

- (2) An amount (the **recoverable amount**) is payable by the participant to the Agency. The recoverable amount is an amount equal to:
- (a) unless subsection (4) applies—the sum of the past NDIS amounts, reduced as mentioned in subsection (3) (if applicable); or
 - (b) if subsection (4) applies—the amount worked out in accordance with that subsection.
- (3) If:
- (a) the consent judgement or settlement fixes the amount of compensation on the basis that liability for the injury should be apportioned between the participant and another person; and
 - (b) as a result, the amount of compensation is less than it would have been if liability had not been so apportioned;
- the sum of the past NDIS amounts is to be reduced by the proportion corresponding to the proportion of liability that is apportioned to the participant by the consent judgement or settlement.
- (4) If the recoverable amount would, apart from this subsection, exceed the difference (if any) between:
- (a) the amount of compensation fixed under the consent judgement or settlement; and
 - (b) the sum of the amounts (if any) payable in respect of the amount of compensation under the following:
 - (i) the *Health and Other Services (Compensation) Act 1995*;

192 Waiver of debt arising from error

The CEO must waive the right to recover the proportion of a debt that is attributable solely to an administrative error made by the Agency if the debtor received in good faith the payment or payments that gave rise to that proportion of the debt and:

- (5) The CEO must not make an agreement described in subsection (4) unless the CEO is satisfied that the agreed amount is at least the present value of the unpaid amount if it is repaid in instalments of amounts, and at times, determined by the CEO.

Section 195

- (6) For the purposes of subsection (5), the present value of the unpaid amount is the amount worked out in accordance with the method prescribed by the National Disability Insurance Scheme rules.

Legislation history and amendment history—Endnotes 3 and 4

Amending laws are annotated in the legislation history and amendment history.

The legislation history in endnote 3 provides information about each law that has amended (or will amend) the compiled law. The information includes commencement details for amending laws and details of any application, saving or transitional provisions that are not included in this compilation.

The amendment history in endnote 4 provides information about amendments at the provision (generally section or equivalent) level. It also includes information about any provision of the compiled law that has been repealed in accordance with a provision of the law.

Editorial changes

The *Legislation Act 2003* authorises First Parliamentary Counsel to make editorial and presentational changes to a compiled law in preparing a compilation of the law for registration. The changes must not change the effect of the law. Editorial changes take effect from the compilation registration date.

If the compilation includes editorial changes, the endnotes include a brief outline of the changes in general terms. Full details of any changes can be obtained from the Office of Parliamentary Counsel.

Misdescribed amendments

A misdescribed amendment is an amendment that does not accurately describe the amendment to be made. If, despite the misdescription, the amendment can
