AUSTRALIAN ANTARCTIC TERRITORY
WEAPONS ORDINANCE 2001

DECLARATION UNDER SECTION 16

I, TONY IAN FLEMING, Director, Australian Antarctic Division, Department of the Environment, declare under section 16 of the Australian Antarctic Territory Weapons Ordinance 2001 that the following project is advantageous to scientific research and the weapon as specified below may be used for the designated projects by a person working on that project:

Table with 2 columns: Approved Project, Approved Weapon. Row 1: Ecology of pack ice seals, Dr Tracey Rogers, University of New South Wales; 1 Walther GUT50 (Telinject). Note: The Telinject is used for conducting non-lethal research, collecting skin biopsy samples for analyses.

Dated this 18th day of October 2013

TONY FLEMING

Director
Australian Antarctic Division

Subject to the Administrative Appeals Tribunal Act 1975, a person or persons whose interests are affected by this decision may, within 28 days, make an application in writing to the Australian Antarctic Division of the Department of the Environment Water, Heritage and the Arts for the reasons for the decision.
