Oman Ama - Queensland Cunningham Highway, Gore

Coordinates 151.360890666 -28.341748626 Certificate of Title Folio 11/ CPBNT355 (Title Reference:13472053)

Details on land nominations, including complete geographical coordinates are at: www.radioactivewaste.gov.au

Approved sites will be subject to detailed assessments to determine their suitability for the national facility. A site will be selected in accordance with the process set out in the Act.

The Minister invites persons with a right or interest in the nominated land to provide comment on the proposed approvals. In addition the Minister is seeking the views of persons from the local communities where the six land nominations are located and other interested persons.

Comments are encouraged to be submitted via the online portal at www.radioactivewaste.gov.au, or

via email to radioactivewaste@industry.gov.au, or

postal lodgement sent to:

The Minister for Resources, Energy and Northern Australia
C/o The Department of Industry, Innovation and Science
National Radioactive Waste Section
GPO Box 9839
Canberra, ACT, 2601

Comments must be received before 5.00pm AEST 11 March 2016.
