

## **Complaints to the ABC**

Seeking people (or their descendants) who wrote about their view of the Australian accent in letters to the ABC magazine, The ABC Weekly, in 1940 and 1942. I am writing about this for a history of the Macquarie Dictionary. I need permissions to quote the contents of the letters.

The writers are: Florence Patterson of Baulkham Hills; M Whiddon of Artarmon; Violet Benton of Neutral Bay; R Kellett of Leichhardt; SPEECH of Toowoomba; and I M H of Sydney.
