#### 1 Before section 48-1

Insert:

#### Subdivision A—Amount of home care subsidy

#### 2 Subsection 48-1(2)

Repeal the subsection, substitute:

- (2) The amount of \*home care subsidy for a care recipient in respect of the \*payment period is worked out as follows:

##### **Home care subsidy calculator**

- Step 1. Work out the *Commonwealth contribution amount* using section 48-1A.
- Step 2. Work out the *shortfall amount* using section 48-13.
- Step 3. If subsection (3) does not apply, work out, using section 48-17, the *home care account balance* in the care recipient's \*home care account immediately before the approved provider gives to the Secretary, under section 47-4, a claim in respect of the \*payment period.
- Step 4. Identify:
- (a) if subsection (3) applies—the Commonwealth contribution amount; or
  - (b) otherwise—the sum of the Commonwealth contribution amount and the home care account balance.

This is the ***maximum contribution amount***.

Step 5. Identify the lesser of the following amounts (or either amount if they are the same):

- (a) the shortfall amount;
- (b) the maximum contribution amount.

This is the ***amount of home care subsidy*** for the care recipient in respect of the \*payment period.

- (3) This subsection applies if:
- (a) within the period specified in the Subsidy Principles before the day the approved provider gives to the Secretary, under section 47-4, the claim in respect of the \*payment period, another approved provider ceases to provide home care to the care recipient; or
  - (b) any other circumstances specified in the Subsidy Principles apply.

### **3 After section 48-1**

---

Step 3. Subtract the amounts of any *reductions in subsidy* worked out using section 48-4.

Step 1A. If, in accordance with the User Rights Principles, the approved provider elects to return the \*Commonwealth portion of the care recipient's \*unspent home care amount to the Commonwealth, reduce the price by the amount of the Commonwealth portion available at the end of the previous \*payment period, up to 100% of the price.

Step 2. Subtract the *care recipient contribution amount* (if any) specified in, or worked out in accordance with, the Subsidy Principles.

The result is the *shortfall amount* for the care recipient in respect of the \*payment period. However, if the result does not exceed zero, the *shortfall amount* is zero.
