

## PROPOSED REDISTRIBUTION OF FEDERAL ELECTORAL DIVISIONS IN VICTORIA

The Redistribution Committee for Victoria (the Redistribution Committee) has made a proposed redistribution of federal electoral divisions in Victoria.

Members of the public and organisations are invited to inspect:

- the report of the Redistribution Committee showing reasons for the proposed redistribution,
- maps showing the names and boundaries of each proposed electoral division, and
- suggestions and comments on suggestions previously lodged with the Redistribution Committee.

Members of the public and organisations are now invited to lodge written objections against the proposed redistribution.

### WHY IS A REDISTRIBUTION BEING CONDUCTED?

As part of a determination on Friday 3 July 2020 of the number of members of the House of Representatives to which each state and territory will be entitled at the next federal general election, the Electoral Commissioner determined Victoria's entitlement increased from 38 to 39 members of the House of Representatives.

As a redistribution is required when a state's entitlement to members of the House of Representatives changes, in accordance with section 59 of the *Commonwealth Electoral Act 1918* (the Electoral Act), the Electoral Commission directed that a redistribution of Victoria commence on Wednesday 15 July 2020.

### LEGAL REQUIREMENTS FOR A REDISTRIBUTION

In making its proposed redistribution, the Redistribution Committee was bound by section 66 of the Electoral Act.

The number of electors in each proposed electoral division must not deviate by more than 10 per cent above or below the redistribution quota. The redistribution quota for Victoria was determined by the Electoral Commissioner to be 109,021 as at Wednesday 15 July 2020.

As far as practicable, the Redistribution Committee must ensure that the number of electors enrolled in each division at Sunday 26 January 2025 (the projection time) will not deviate by more than 3.5 per cent above or below the projected enrolment quota of 117,107 electors.

Enrolment as at Wednesday 15 July 2020, the projected enrolment figures, redistribution and projected enrolment quotas, and the redistribution timetable, are available on the Australian Electoral Commission (AEC) website: [www.aec.gov.au/VIC-redistribution](http://www.aec.gov.au/VIC-redistribution)

Section 66 of the Electoral Act also provides that the Redistribution Committee:

*'give due consideration, in relation to each proposed Electoral Division, to:*

- community of interests within the proposed Electoral Division, including economic, social and regional interests;*
- means of communication and travel within the proposed Electoral Division;*
- the physical features and area of the proposed Electoral Division; and*
- the boundaries of existing Divisions in the State or Territory'.*

Consideration of existing boundaries is subordinate to the other factors set out above.

### WHAT HAS HAPPENED SO FAR?

Notices inviting suggestions relating to the redistribution and comments on suggestions were placed in

- the *Commonwealth Government Notices Gazette* (the Gazette) on Wednesday 16 September 2020,

- the *Age*, *Herald Sun* and *Weekend Australian* on Saturday 19 September 2020; and
- the *Weekly Times* and *Koori Mail* on Wednesday 23 September 2020.

One hundred and two suggestions and 48 comments on suggestions were received and all were considered by the Redistribution Committee in the development of its proposal.

## THE PROPOSED FEDERAL DIVISIONS

The new Division of Hawke, named in honour of the Hon. Robert James Lee Hawke AC (1929–2019), is proposed to include electors in the local government areas of Hume City, Melton City and Moorabool Shire Councils.

The Redistribution Committee proposes retaining the names of 37 of Victoria's existing electoral divisions and changing the name of the Division of Corangamite to 'Tucker' in honour of Margaret (Lilardia) Elizabeth Tucker MBE (1904–1996), for her significant work to create a more equal and understanding society for Aboriginal people.

The proposed renaming of an electoral division will affect 101,000 electors enrolled in Victoria (2.38 per cent of all electors enrolled in Victoria on Wednesday 15 July 2020) as a result of the proposed redistribution.

The Redistribution Committee proposes changing the boundaries of 29 of Victoria's existing electoral divisions.

As a result of the proposed redistribution, 536,730 electors enrolled in Victoria (12.62 per cent of all electors enrolled in Victoria on Wednesday 15 July 2020) will change their federal electoral division.

As part of its considerations, the augmented Electoral Commission may hold an inquiry into any objection or any comment on an objection.

### **The second redistribution proposal**

After it has considered all objections and comments on objections, the augmented Electoral Commission will make its own proposed redistribution.

### **Further objections**

If the augmented Electoral Commission's proposed redistribution is significantly different from the Redistribution Committee's proposal, the augmented Electoral Commission will invite further objections. Information will be provided should this stage be required.

### **Final determination**

After considering all submissions, the augmented Electoral Commission will make a final determination of boundaries and names of the electoral divisions for Victoria by notice published in the *Gazette* on **Monday 26 July 2021**.

Copies of the augmented Electoral Commission's determination and reasons for that determination, together with the work of the Redistribution Committee, will be tabled in both Houses of Parliament. Once this has occurred, this material will be made available to the public via the AEC website.

### **WHEN WILL THE NEW FEDERAL ELECTORAL DIVISIONS COME INTO EFFECT?**

The new names and boundaries of electoral divisions will be in place from the determination on **Monday 26 July 2021**.
