s173 and s175 HVNL	Victoria PBS Level 1 network	Whittlesea City Council	Remove the following roads: Walnut Street and Wyntour Street, Whittlesea	Local roads in built up area, that could be used as shortcuts between two arterial roads. Arterial roads intersection 100-200m south of these local roads and provide appropriate arterial road alternate for vehicle movements.
s173 and s175 HVNL	Queensland B25 route	Hinchinbrook Shire Council	Remove the following roads: Mill Rd, Macknade	<p>The current route pushed the heavy vehicle traffic through the small township of Macknade and forces these vehicles to navigate a sharp bend at the Post Office below. The nature of the bend places these trucks at risk of crossing the centre line of the road with no visibility of oncoming traffic.</p> <p>The community partitioned Council and Wilmar to reduce heavy vehicles through the township and this request is a result of community consultation with these residents.</p>
