Subdivision D—Election in relation to a jury panel

If the Court directs the Sheriff to arrange a jury panel for indictable primary proceedings, the Sheriff must elect that either:

- (a) Subdivision DA applies in relation to the provision of a jury panel (in which case the Sheriff provides a jury panel to the Court under this Act); or
- (b) Subdivision DB applies in relation to the provision of a jury panel (in which case the Sheriff requests a State/Territory jury official to provide a jury panel to the Court prepared under State or Territory laws).

23DB Application of Subdivision

This Subdivision applies in relation to juries for indictable primary proceedings.

23DC Direction to arrange for a jury panel

- (1) The Court may give the Sheriff a written direction to arrange for a jury panel for indictable primary proceedings.
- (2) The direction must specify the place (the *sitting place*) in the State or Territory where the jury is to sit.
- (3) The Sheriff must comply with the direction.

23DD Election in relation to a jury panel

- (1) This section applies if the Court gives the Sheriff a written direction under subsection 23DC(1) to arrange for a jury panel for indictable primary proceedings.
- (2) The Sheriff must, in writing to the Chief Executive Officer, elect that either Subdivision DA or DB applies in relation to the provision of the jury panel to the Court for the purposes of the proceedings.
- (3) An election under subsection (2) is not a legislative instrument.

23DE Validity of anything done by jury

Anything done by a jury is not invalid merely because of any defect or irregularity in relation to the provision of a jury panel to the Court.

Subdivision DA—Provision of a jury panel prepared under this Act

23DF Simplified outline of this Subdivision

The Sheriff arranges for a jury panel under this Act by determining the applicable jury district for the proceedings, preparing a jury list, and summoning the persons on that list to attend court for jury service.

The Sheriff prepares a jury list by randomly selecting persons from the jury roll for the applicable jury district.

A person must be qualified to serve as a juror in order to be included on a jury panel. Not everyone is qualified to serve as a juror.

23DG Application of Subdivision

This Subdivision applies in relation to indictable primary proceedings if the Sheriff elects under subsection 23DD(2) that this Subdivision applies in relation to the provision of a jury panel to the Court for the purposes of the proceedings.

23DH Sheriff to select the jury district for the proceedings

- (1) The Sheriff must, in writing, determine which jury district is to apply to the indictable primary proceedings. This jury district (the *applicable jury district*) must be:
 - (a) the jury district (if any) that includes the sitting place; or
 - (b) another jury district, in the same State or Territory as the sitting place, that is near the sitting place.

Note: For the determination of jury districts, see subsection 23EAA(1).

-
- (2) A determination made under subsection (1) is not a legislative instrument.

23DJ Sheriff to prepare the jury list for the proceedings

- (1) The Sheriff must prepare a jury list for the indictable primary proceedings.
- (2) The *jury list* consists of:
- (a) the names and addresses; and
 - (b) if readily available to the Sheriff—the dates of birth and sex; of persons that the Sheriff selects from the jury roll for the applicable jury district.

Note 1: For the preparation of jury rolls, see subsection 23EAA(4).

Note 2: The jury list may be supplemented under subsection (5).

Note 3: The Sheriff may remove a person's name from the jury list under section 23DP.

- (3) The persons to be included in the jury list are to be selected at random from the jury roll.
- (4) The number of persons to be selected is the number the Sheriff thinks is adequate to allow a jury to be empanelled.
- (5) If:
- (a) a jury list has been prepared under subsection (1); and
 - (b) the jury list no longer contains the number of persons the Sheriff thinks is adequate to allow a jury to be empanelled;
- the Sheriff may supplement the list by selecting additional persons, who have not already been summonsed under section 23DQ for the jury, at random from the jury roll for the applicable jury district.
- Note: The situation described in paragraph (b) may arise because of a larger than expected number of persons being removed from the list under section 23DP.
- (6) A jury list is not a legislative instrument.

23DK Investigation and questionnaires

- (1) The Sheriff may make such enquiries as the Sheriff thinks necessary to determine whether a person included on the jury list:
-

- (a) is not qualified to serve as a juror; or
- (b) should be excused from serving as a juror.

Note 1: Sections 23DL, 23DM and 23DN deal with the qualification of jurors in the indictable primary proceedings.

Note 2: Sections 23DZD and 23DZE deal with the Sheriff excusing a person from serving as a juror.

- (2) Without limiting subsection (1), the Sheriff may send a questionnaire to some or all of the persons included in the jury list.
- (3) A person who receives a questionnaire under subsection (2) must complete the questionnaire in the manner specified and return it to the Sheriff within 14 days.

Note: It is an offence if the person fails to return, or properly complete, the questionnaire (see section 58AE).

- (4) A failure by a person to comply with subsection (3) does not affect the retention of the person's name on the jury list.
- (5) After preparing the jury list, the Sheriff may:
 - (a) give the Commissioner of the Australian Federal Police the name and other details of any or all of the persons included in the jury list; and
 - (b) request the Commissioner to give information about the criminal history (if any) of each of those persons.

- (6) If the Sheriff makes a request under subsection (5), the Commissioner must give the information to the Sheriff.

- (7) The Sheriff may give the Court any information that the Commissioner gives the Sheriff under this section.

Note: If the information indicates that the person is not qualified, the Sheriff has power to remove the person's name from the jury list under section 23DP and there is no need to pass the information on to the Court.

- (8) The Sheriff must not disclose information given to the Sheriff by the Commissioner under this section except:
 - (a) to the Court under subsection (7); or
 - (b) otherwise for the purposes of this Act.

23DL Qualification to serve as a juror

Note: For paragraph (i), the person will be at liberty in respect of the offence if bail is granted for the offence.

Extended meaning of serving a term of imprisonment

- (2) For the purposes of subsection (1), ***serving a term of imprisonment*** includes:
 - (a) the case where:
 - (i) a person has been sentenced to a term of imprisonment; and

-
- (ii) the sentence has been suspended; and
 - (iii) the period of suspension has not ended; and
 - (b) the case where:

A potential juror on a jury panel will not become a juror if they are excused from jury service by the Court, or if their inclusion on the jury is successfully challenged.

A potential juror may also be asked to temporarily stand aside during the selection of the jury.

 - (b) if the party wishes to challenge any of them, the party must make the challenge before the potential juror sits in the jury box.
- (3) Before the selection of persons to be empanelled as the jury for the trial, the Court must:
 - (a) inform the potential jurors on the jury panel of the nature of the trial in question, including the offences for which the accused is being tried; and
 - (b) inform the potential jurors on the jury panel of the identities of:
 - (i) the parties; and
 - (ii) to the extent known to the Court, the principal witnesses to be called during the trial; and

- (a) excused under this Subdivision or Subdivision DC from serving on the jury; or
- (b) stood aside under section 23DZQ; or
- (c) discharged under subsection 23EI(2).
