1.2(1) These Rules commence on the day after they are registered.

WHAT THESE RULES DO

These Rules are intended to set up the platform upon which all of the University's graduate coursework programs are based.

In these Rules you will find generally applicable information about pursuing a graduate coursework program at the University.

Some parts of these Rules refer only to specific programs. The Rules indicate when this is so.

Other details about specific graduate coursework programs may be found in Orders and in administrative directions and information available from the ANU College concerned.

1.3 Application

1.3(1) These Rules apply in relation to all graduate coursework programs commenced or continued on or after the commencement of these Rules.

1.3(2) Notwithstanding anything else in these Rules, for a student located at the University pursuing a dual or joint program offered by the University in conjunction with another tertiary education institution, these Rules and the Orders apply, in relation to the student and the program together with any additional requirements set out in the arrangement with the other institution.

- (a) incorporates an account of research done during a program and its result; and
- (b) if the research is on more than one topic, demonstrates the relation between the topics; and
- (c) is required to be provided by a student for the program;

except written work comprising answers to a written examination or tasks required to be performed for the assessment of performance in coursework;

written work, for a thesis, includes video recordings, film or other works of visual or sonic arts submitted by a student for examination.

Division 2.1: Application

2.1 Application

2.1(1) This Part applies to programs for graduate coursework awards and to students pursuing those programs.

Division 2.2: Admission

2.2 Admission to program

2.2(1) A person wishing to pursue a program must apply in an approved form to the Registrar to be admitted as a student and must give the Registrar any other information required by the Registrar.

2.2(2) The minimum requirement for admission to a program leading to a professional doctorate by coursework, or coursework and research, is:

- (a) a degree of bachelor with first class honours or upper second class honours of an Australian university; or
- (b) such other qualification (being a qualification that is equivalent or superior to such a degree) as the Delegated Authority determines.

2.2(3) The minimum requirement for admission to a program leading to the award of a degree of Master by coursework or coursework and research, a degree of Juris Doctor or a Graduate Diploma or Graduate Certificate is:

- (a) a degree of bachelor of an Australian university, or of another tertiary education institution approved by the Delegated Authority for the purposes of this Division, being a degree of a kind that is an adequate qualification for the admission of the person as a student; or
- (b) such other qualification, practical experience or combination of qualifications and practical experience as the Delegated Authority determines.

2.2(4) To avoid doubt, if a person presents or relies on false or misleading information in relation to his or her application for admission, (whether the person has enrolled or not) the Delegated Authority may:

- (a) withhold or withdraw the person's admission; or

- (b) direct the Registrar to withdraw a notice of admission given under subrule 2.4(1).

2.3 Limit on number of places

2.3(1) The appropriate Education Dean may decide how many places are available in any enrolment period for new students for a program.

2.4 Admission by Delegated Authority

2.4(1) A Delegated Authority may admit a person to a program, or to part of a program, under this Division if the person satisfies the minimum requirement for the admission.

2.4(2) The Delegated Authority may:

- (a) admit as a full-time student for a program or as a part-time student for the program a person who does not satisfy the prescribed minimum requirement for admission to that program, and may impose such conditions on the person's admission as the Delegated Authority thinks fit;
- (b) admit as a full-time or part-time student for a program a person who was, immediately before applying for admission, pursuing another graduate or undergraduate award program in the University or in another tertiary education institution and who intends to continue pursuing that other program, and may impose such conditions on the person's admission as the Delegated Authority thinks fit.

[NOTE: If a student is admitted to a program under paragraph 2.4(2)(b), he or she may be granted status under Division 2.3 for work performed before that admission for another program referred to in that paragraph.]

2.5 Admission: conditions

2.5(1) In appropriate circumstances, the Delegated Authority may require a student to have relevant professional experience or admit a person to candidature conditionally.

2.5(2) A person must not, at any time after admission, begin to pursue another award program in the University or in another tertiary education institution without the written permission of the Delegated Authority.

2.5(4) Unless the Deputy Vice-Chancellor otherwise determines, an applicant for admission to a program must satisfy any English language requirements determined by the Deputy Vice-Chancellor for the program.

2.6 What courses may be taken?

2.6(1) The courses for the award must be chosen from:

- (a) courses offered by the ANU College concerned; and
- (b) courses approved by the appropriate Education Dean that are offered by other ANU Colleges or elsewhere in the University.

2.6(2) The courses offered by an ANU College are the courses set out in the Orders for the College and have the respective unit values set out in those Orders.

2.6(3) A Delegated Authority may determine:

- (a) courses for which a student may not receive status if taken with other courses; and
- (b) a maximum number of courses for which a student may receive status in any year; and
- (c) a maximum number of units for which a student may receive status for taking specified courses; and
- (d) subject to any other relevant Orders, any other condition to which the taking of a particular course is subject.

[NOTE: The Orders generally mention courses that are incompatible with, or that may not be taken concurrently with, or after completion of, other courses and prerequisites and co-requisites to the taking of particular courses.]

2.6(4) A student must obtain the approval of the Delegated Authority for the content of the student's program and for any change to that content.

2.7(3) Status for a program may be granted for not more than half of the program's requirements or, if the course is relevant to the program concerned and is undertaken at the University, with the approval of the Delegated Authority, for more than half of the program's requirements.

2.7(4) Subject to subrules 2.7(1), 2.7(2) and 2.7(3), if a student has, within 7 years (or within 10 years for a degree of Juris Doctor) before admission to candidature, performed relevant graduate work (or relevant undergraduate work for a degree of Juris Doctor), whether at the University or at another tertiary education institution approved by the Delegated Authority, the Delegated Authority may grant the student status for that work towards a student's program to which this subrule applies.

2.7(5) However, if:

- (a) a student for the degree of Master of Clinical Psychology has, before admission to the program, undertaken supervised clinical experience in a public clinical service; and
- (b) the standard of the experience is equivalent to the standard of experience that would be gained by undertaking a fieldwork placement course as part of the program for the degree;

the Delegated Authority may grant the student status for the first-mentioned experience towards the program.

2.7(6) Also, if a student has, within 7 years before being admitted to candidature to a program for a degree of Master (other than by research), or a Graduate Diploma or Graduate Certificate, performed relevant advanced undergraduate work, whether at the University or at another tertiary education institution, the Delegated Authority may grant the student status for that work towards the program for not greater than one quarter of the program's requirements.

2.9(1) A student for a professional doctorate (other than by research) may request transfer to a program for the relevant degree of Master, or other award, by coursework or coursework and research with status for all work completed if the Delegated Authority has not determined that the student has failed the professional doctorate program.

2.10 Transfer: from degree of Master by coursework to professional doctorate

2.10(1) The Delegated Authority may admit as a student for a professional doctorate (other than by research) a person who, immediately before that admission, was a student for a degree of Master by coursework or coursework and research.

2.12(3) The coordinator or director of a program is to be the supervisor of all students in that program.

2.12(4) For a student for a degree of Master by coursework and research, the Delegated Authority must appoint one or more additional supervisors for the student for the research component of the program on or before the date on which the research component of the student's program begins.

2.12(5) If a sole supervisor is, or is to be, absent from the University or is unable to perform the duties of a supervisor, for more than 4 consecutive weeks, the Delegated Authority must appoint a person to act as the supervisor for the period of the absence.

2.13(2) Also, a person holding full or adjunct academic status, an Emeritus Professor or Emeritus Fellow of the University, or a person with recognised honorary academic status within the University, may, with the approval of the Delegated Authority, be appointed as a supervisor.

2.13(3) Subject to the direction of the Delegated Authority, a supervisor or a coordinator must supervise the student's program and the student's observance of these Rules and enable the student to obtain advice on any matter relevant to the program.

4.1 Application of Part

4.1(1) This Part applies to the examination of students for graduate coursework awards.

4.2 How may a student be assessed?

4.2(1) A student undertaking a program must undertake examinations or assessment in the courses of the program as required by the Delegated Authority concerned.

4.2(2) A student may only be admitted to examination or given other assessment in any of the courses of a program if he or she has attended the classes, and carried out work in the courses of the program, to the satisfaction of the Course Authority concerned.

4.2(3) However, a student must not be refused an examination or other assessment by reason only of the fact that the student failed to attend a class or carry out work if the student was not given reasonable notice that he or she was required to attend the class or carry out the work.

4.2(4) Coursework is to be examined in accordance with the Examinations Rules.

4.2(5) Examinations are to be written and conducted in the English language unless the Deputy Vice-Chancellor, acting on the recommendation of the Delegated Authority, determines otherwise.

4.3(1) If a program requires the submission of a thesis in addition to other coursework components, the thesis is to be examined in accordance with this Part.

4.3(2) Theses are to be written and conducted in the English language, unless the Deputy Vice-Chancellor, on the recommendation of the Delegated Authority, otherwise determines.

4.3(3) Subject to these Rules, the Education Dean may determine the requirements for an examination of a thesis.

4.4 Methods of examination: clinical or professional practice, etc.

4.4(1) However, for a program of study requiring clinical or professional practice, examination of the clinical or professional practice component of the program may be by written or oral examination following the completion of the component, or by assessment reports on an internship or other form of professional practice.

4.4(2) A reference in this rule to a **written examination** includes a reference:

- (a) to the examination of a student by reports by the student's supervisors about the student's performance during:
 - (i) internships; or
 - (ii) other form of professional practice; and
- (b) in relation to a program offered by the School of Art or the School of Music in the ANU College of Arts and Social Sciences, to the examination of:

4.6(1) A thesis must incorporate an account of research done during the program and its result and, if the research is on more than 1 topic, must demonstrate the relationship between the topics.

4.6(2) A thesis based upon research conducted jointly with another person must clearly indicate the nature and extent of the student's contribution to the research.

4.6(3) A student must clearly mark in the thesis, material which has been previously submitted by the student for the purpose of obtaining a degree of any university or other tertiary education institution.

4.8 Decision about results

4.8(1) A student who has complied with the Orders and these Rules and who has reached a standard satisfactory to the Delegated Authority in the courses of the student's program and in

the research thesis (if the student is required to submit a thesis), may be granted the award at the level determined by the Delegated Authority.

4.8(2) If a student who is required to submit a research thesis fails the examination, the Delegated Authority may require the student to be re-examined by resubmission of the thesis.

4.8(3) If a student who is required to submit a research thesis fails the examination and any subsequent resubmission and re-examination of the thesis, the student is to be graded *Fail* for the program.

[NOTE: Rule 17 of the Discipline Rules provides for withholding of awards where obligations to the University have not been met.]

4.8(4) If a student is graded *Fail* for a program, the Delegated Authority must notify the student in writing of the decision, and must include in the notice:

- (a) a statement to the effect that, subject to these Rules, the student is entitled to appeal against the decision; and
- (b) a statement setting out the procedure for lodging an appeal.

5.4(1) A person may appeal to the Deputy Vice-Chancellor on procedural grounds only against a decision made under subrule 5.2(4) or 5.3(4).

5.4(2) An appeal mentioned in subrule 5.4(1) must:

- (a) be in writing; and

 - (ii) make a new decision.

5.4(7) The decision of the Deputy Vice-Chancellor and the reasons for the decision must be given in writing to the applicant within 7 working days of the decision.

5.4(8) The decision of the Deputy Vice-Chancellor is final.

PART 6: MISCELLANEOUS

6.1 Non-award studies

6.1(1) The Delegated Authority may admit to a non-award program a student not proceeding to an award.

6.1(2) A student admitted to a non-award program must pursue a program under the direction of the Delegated Authority approving the admission for such period and under such conditions as the Delegated Authority determines.

6.2 Adjustment of time limits

6.2(1) If these Rules fix, or authorise the fixing of, time limits for anything required to be done, the Delegated Authority may from time to time extend or abridge the time limits in any case if it is just and reasonable to do so, and may do so retrospectively.

6.3 Orders and administrative requirements

6.3(1) The Deputy Vice-Chancellor may make Orders (other than Orders referred to in rule 1.6), not inconsistent with these Rules, setting out procedures to be followed in applying for admission for particular programs, for transferring between programs and otherwise for giving effect to these Rules.

6.3(2) The Education Dean or a Delegated Authority may publish information about administrative matters to assist in giving effect to these Rules.

6.3(3) If rule 9 of the Graduate Handbook Rules applies to an Order, the Order must be published in the Handbook before it takes effect.

6.4 Transitional

6.4(1) The Delegated Authority must permit the continued application of all or any part of the repealed Graduate Awards Rules to a program for a student if that student:

- (a) has completed work towards that program; and
- (b) not to do so might disadvantage that student.

6.5 Application of amending rules

6.5(1) If an amendment is made to these Rules and that amendment affects a program to which these Rules relate, then, unless the contrary intention appears, the amendment does not apply to a student who, before the making of the amendment, has completed any work towards a program unless:

- (a) the student elects that the amendment apply to the student and submits to the Delegated Authority proposed alterations to the student's program and the Delegated Authority approves those alterations; or
- (b) the Delegated Authority otherwise determines.

6.5(2) To avoid doubt, the Academic Progress Rules apply in relation to a course or program to which these Rules apply and, in particular, rules 21 and 22 of the Academic Progress Rules take precedence over rule 6.4 and subrule 6.5(1).

6.6 Savings
