Example: A licensee makes a special promotional offer to customers who have a home loan with the licensee. The terms and conditions of the credit card contract under the offer are more advantageous than the terms and conditions of the credit card contract as described in the Key Facts Sheet.

For the purposes of subparagraph 133BD(1)(b)(ii) of the Act, a requirement for the provision of up-to-date information to a consumer if a Key Facts Sheet contains information that has ceased to be up-to-date is that the licensee provides the up-to-date information no later than the time at which the licensee provides the consumer with the credit card to which the Key Facts Sheet related.

Circumstances

- (6) A circumstance in which a credit contract is unsuitable unless the contrary is proved is that:
(a) the credit contract is part of an arrangement that is a reverse mortgage; and
(b) at the time the credit contract is entered into, the youngest borrower under the reverse mortgage is 55 or younger; and
(c) the loan to value ratio of the mortgage is higher than 15%.
- (7) A circumstance in which a credit contract is unsuitable unless the contrary is proved is that:

28LCA Small amount credit contracts—income requirements

- (1) For the purposes of subsection 133CC(1) of the Act, this regulation prescribes a requirement for repayments that would be required under a small amount credit contract with a consumer who would be the debtor under the contract.
- (2) The requirement for a repayment that would be required during a repayment period under such a contract with a consumer is that the sum of:
 - (a) the amount of the repayment; and
 - (b) any other amounts the consumer is required to pay under any other small amount credit contracts during the repayment period;would be equal to or less than 10% of the available income the consumer is reasonably expected to receive during the repayment period.
- (3) In this regulation:

available income, for a consumer, means the consumer's income less any amount required to be withheld under Part 2-5 in Schedule 1 to the *Taxation Administration Act 1953* (Pay as you go (PAYG) withholding).

income means income within the ordinary meaning of that expression.

repayment period: each of the following is a *repayment period* in relation to a small amount credit contract:

- (a) the period:
 - (i) starting on the day the contract is entered into; and

(3) In this regulation:

available income, for a consumer, means the consumer's income less any amount required to be withheld under Part 2-5 in Schedule 1 to the *Taxation Administration Act 1953* (Pay as you go (PAYG) withholding).

28LCE Authorisation for deduction

- (1) For subsection 160E(2) of the Act, a kind of credit contract or consumer lease is any credit contract or consumer lease under which a credit provider or lessor intends to give an employer an instrument as described in subsection 160E(1) of the Act.

Regulation 28LCF

Note: Subsection 160E(2) of the Act relates to credit contracts or consumer leases of a kind prescribed by the regulations.

- (2) For subsection 160E(2) of the Act, the form of statement is set out in Schedule 10.

Note: Schedule 10 sets out the statement within a form of document that a credit provider or lessor may use as the instrument authorising the employer to pay amounts directly to the credit provider or lessor. To comply with the Act, the statement must comply with Schedule 10 whether or not the credit provider or lessor chooses to use the document as the formal instrument.

28LCF Unsuitable credit contracts—prescribed circumstances

- (1) This regulation is made for the following provisions of the Act:
- (a) paragraph 118(2)(c) (when the credit contract must be assessed as unsuitable—entering contract or increasing the credit limit);
 - (b) paragraph 123(2)(c) (prohibition on suggesting or assisting consumers to enter, or increase the credit limit under, unsuitable credit contracts);
 - (c) paragraph 131(2)(c) (when credit contract must be assessed as unsuitable);
 - (d) paragraph 133(2)(c) (prohibition on entering, or increasing the credit limit of, unsuitable credit contracts).
- (2) A credit contract is unsuitable for a consumer if:
- (a) the consumer's requirements and objectives are to receive an identified amount of credit; and
 - (b) the credit contract is part of an arrangement by which the identified amount of credit is provided, or to be provided, by:
 - (i) 2 or more small amount credit contracts; or
 - (ii) 2 or more medium amount credit contracts; or
 - (iii) a combination of small amount credit contracts and medium amount credit contracts; and
 - (c) the amount that is payable under the combination of credit contracts (in circumstances in which there is no default by the debtor) is higher than the maximum amount that could be charged under a single credit contract under section 32A of the Code.

Example: The consumer's requirements and objectives are to receive the sum of \$3,300. This could be provided by a medium amount credit contract for \$3,300.

However, the credit provider offers to enter into 2 small amount credit contracts with the consumer. The amount of credit under each contract is \$1,500 and each term is 12 months. The credit provider is only prepared to advance \$3,000 in total, and not \$3,300, because the consumer cannot afford the higher repayments that would be required if the amount of credit under these 2 contracts were \$3,300.

The consumer agrees to this as the consumer still has a need for \$3,000.

The amount payable under each small amount credit contract is an upfront fee of 20% of the amount of \$1,500, and a monthly fee of 4% of this amount, or charges of \$1,020 for each contract, and total charges of \$2,040. The maximum amount that could be charged under a medium amount credit contract for \$3,000 would be interest charges of \$768 plus an additional fee of \$400—a total of \$1,168. The consumer has therefore been charged an additional amount of \$872.

Regulation 28LD

Each of the 2 small amount credit contracts would be unsuitable.

- (1) For the purposes of paragraph 133DB(1)(a) of the Act, a projection may be given by the licensee or special purpose funding entity to the consumer in the following way:

- (2) For the purposes of subparagraph 133DB(1)(a)(ii) of the Act, the licensee or special purpose funding entity must make the projections in accordance with any instructions for the making of the projections included on the website approved by ASIC for that subparagraph.

Regulation 28VB

Division 2—What is conflicted remuneration?

28VB Monetary benefit given in certain circumstances not conflicted remuneration

- (1) This regulation is made for the purposes of paragraph 158NA(b) of the Act.

Benefit given by a consumer

- (2) A monetary benefit given to a licensee, or a representative of a licensee, is not conflicted remuneration if the benefit is given by a consumer in relation to a credit service provided to the consumer by the licensee or representative.

Other mortgage broker and mortgage intermediary remuneration

- (3) A monetary benefit given (whether directly or indirectly) to a licensee, or a representative of a licensee, is not conflicted remuneration if:
- (a) the benefit relates to a credit service provided by the licensee or representative to a consumer who is a debtor under a credit contract; and
 - (b) the benefit is not a volume-based benefit; and
 - (c) the benefit is not a campaign-based benefit; and
 - (d) for a benefit to which the drawdown cap applies under subregulation 28VC(1)—the benefit is one of the following:
 - (i) an amount given on the basis of the credit service provided to the consumer under the credit contract, without reference to a particular amount of credit that may be or has been provided to the consumer;
 - (ii) a benefit that is calculated as a percentage of an amount that is no more than the maximum drawdown net of offset for the credit contract for the year to which the drawdown cap applies in relation to the credit contract (see regulation 28VD);
 - (iii) a benefit that is a combination of either or both of subparagraphs (i) and (ii); and
 - (e) the clawback requirements are satisfied in relation to the benefit (if applicable).
- (4) A benefit is taken to be a benefit described in subparagraph (3)(d)(ii) if:
- (a) the benefit is a monetary benefit given (whether directly or indirectly) to a licensee, or a representative of a licensee; and
 - (b) the benefit relates to a credit service provided by the licensee or representative to a consumer who is a debtor under a credit contract; and
 - (c) the benefit is calculated as a percentage of an amount that is greater than the maximum drawdown net of offset for the credit contract for the year to which the drawdown cap applies in relation to the credit contract; and
 - (d) the use of that greater amount is a result of a mistaken but reasonable estimation of what the maximum drawdown net of offset for the credit contract would be for the year to which the drawdown cap applies in relation to the credit contract; and

- (e) the difference between the following amounts is refunded by the licensee or representative to the person who paid the benefit within 3 months after the end of the year to which the drawdown cap applies in relation to the credit contract:
 - (i) the benefit paid to the licensee or representative;
 - (ii) the benefit that would have been paid to the licensee or representative if the correct maximum drawdown net of offset for the credit contract for the year to which the drawdown cap applies in relation to the credit contract had been used.

28VC Benefits to which the drawdown cap applies

- (1) The **drawdown cap** applies to a monetary benefit given (whether directly or indirectly) to a licensee, or a representative of a licensee, if:

 - (e) the benefit is given within 1 year beginning on:
 - (i) for the provision of credit that is not wholly or partly to refinance credit—the first day on which an amount of credit is provided to the consumer under the credit contract; or
 - (ii) for the provision of credit that is wholly or partly to refinance credit—the first day on which an amount of credit is provided to the consumer under the credit contract after the refinanced credit is made available.
- (2) The **year to which the drawdown cap applies** in relation to a credit contract is the period worked out under paragraph (1)(e).
- (3) A **line of credit facility** means a facility made available under a continuing credit contract under which the debtor is not obliged to repay any amounts of credit provided under the facility, or otherwise reduce the debtor's liability under the facility, until:
 - (a) the debtor's total liability under the facility (including the amounts of credit provided under the facility, interest charges in relation to the facility and fees and charges payable in relation to the facility) reaches or exceeds the limit specified in the credit contract for the facility; or
 - (b) if credit is available to the debtor under the facility only for a specified period—the period has ended.

Regulation 28VD

- (a) the amount of debt actually deferred under the credit contract, as the amount stands on that day, excluding any excluded amounts but including any interest, fees and charges that do not relate to excluded amounts; and
 - (b) the total of all amounts standing to the credit of the consumer in all offset accounts held by the consumer on that day in relation to the credit contract.
- (2) The **maximum drawdown net of offset** for the credit contract, for the year to which the drawdown cap applies in relation to the credit contract, is the greatest amount worked out under subregulation (1) for any day during the year.
- (3) An **excluded amount** is an amount of credit that:
- (a) is provided to a consumer under a credit contract; and
 - (b) relates to a reverse mortgage, a line of credit facility or a home renovation or improvement facility.
- (4) An **offset account**, held by a consumer who is a debtor under a credit contract, means a facility held by the consumer in relation to which either of the following applies:
- (a) the amount standing to the credit of the facility at a particular time is notionally offset against the amount of credit provided to the consumer under the credit contract that has not been repaid at that time, and interest is calculated by reference to the resulting notionally reduced amount of credit;
 - (b) the interest payable under the credit contract is periodically reduced by an amount that would otherwise accrue as interest or other earnings on the amount standing to the credit of the facility from time to time.

28VE Volume-based benefits

- (1) A benefit is a **volume-based benefit** if:
- (a) access to the benefit, or the value of the benefit, is wholly or partly dependent on the total amount of credit available or provided under credit contracts, or credit contracts of a particular class:

 - and

- (ii) in relation to which the consumers, or the class of consumers, were provided credit services by a licensee, or a representative of a licensee; or

 - (i) that have been entered into by consumers, or a class of consumers; and
 - (ii) in relation to which the consumers, or the class of consumers, were provided credit services by a licensee, or a representative of a licensee.
- (2) If all or part of the monetary benefit given (whether directly or indirectly) to a licensee, or a representative of a licensee, by another person (the *benefit giver*) is of a kind specified in one of the following paragraphs, then, to the extent that the benefit is of that kind, it is not a *volume-based benefit*:
- (a) a discount on an amount payable to the benefit giver by the licensee or representative that can reasonably be attributed to economies of scale that are gained, or could reasonably be expected to be gained, because of the number or value of credit contracts, or credit contracts of a particular class, in relation to which the licensee or representative provides credit services to consumers;
 - (b) a rebate of an amount paid to the benefit giver by the licensee or representative that can reasonably be attributed to economies of scale that are gained, or could reasonably be expected to be gained, because of the number or value of credit contracts, or credit contracts of a particular class, in relation to which the licensee or representative provides credit services to consumers.

28VF Campaign-based benefits

A benefit is a *campaign-based benefit* if:

- (a) the benefit is given to a licensee, or a representative of a licensee, in relation to a credit service provided to a consumer in relation to a credit contract; and
- (b) access to the benefit, or the value of the benefit, is wholly or partly dependent on the credit service being provided, or the consumer entering the credit contract, during a particular limited period (the *campaign period*); and
- (c) either or both of the following apply:
 - (i) the same benefit would not ordinarily be accessible in relation to the same provision of the credit service by the licensee or representative before or after the campaign period;

 - (ii) for a credit contract under which credit is provided that is wholly or partly to refinance credit—the first day on which an amount of credit is provided to the consumer under the credit contract after the refinanced credit is made available; and
 - (b) the repayment obligation must not require repayment of an amount greater than the benefit given to the licensee or representative; and

- (c) if the contract does not provide for a constant interval between repayments, *n* is to be derived from the interval selected for the purposes of the definition of *j*.

r is the solution of:

$$\sum_{j=0}^t \frac{A_j}{(1+r)^j} = \sum_{j=0}^t \frac{R_j + C_j}{(1+r)^j}$$

where:

A_j is the amount of credit to be provided under the contract at time j (the value of j for the provision of the first amount of credit is taken to be zero).

C_j is the fee or charge (if any) payable by the debtor at time j in addition to the repayments R_j , being a credit fee or charge (other than a government fee, charge or duty) that is ascertainable when the comparison rate is disclosed (whether or not the credit fee or charge is payable if the credit is not provided).

j is the time, measured as a multiple (not necessarily integral) of the interval between contractual repayments that will have elapsed since the first amount of credit is provided under the credit contract, except that if the contract does not provide for a constant interval between repayments an interval of any kind is to be selected by the credit provider as the unit of time.

R_j is the repayment to be made at time j .

t is the time, measured as a multiple of the interval between contractual repayments (or other interval so selected) that will elapse between the time when the first amount of credit is provided and the time when the last repayment is to be made under the contract.

- (4) The comparison rate must be correct to at least the nearest one hundredth of 1% per annum.
- (5) In the application of the above formulae, reasonable approximations may be made if it would be impractical or unreasonably onerous to make a precise calculation.
Example: If repayments are to be made on a fixed day each month, it may be assumed that repayments will be made on that day each month even though the credit contract provides for payment on the preceding or succeeding business day when the due date is not a business day.
- (6) The tolerances and assumptions under sections 180 to 182 of the Code apply to the calculation of the comparison rate.
- (7) The comparison rate must be accompanied by a statement of the amount of credit on which it is based and the term for which credit is provided.
- (8) In the case of a comparison rate under subsection 16(3) of the Code:
 - (a) the amount of credit is to be the amount (or the maximum amount) required by the debtor; and
 - (b) the term for which credit is provided is to be the term (or the maximum term) required by the debtor; and

Regulation 72

- (c) the amount of credit, in the case of a continuing credit contract, is not to exceed the credit limit required by the debtor.
- (9) If the debtor does not make a requirement in relation to a matter mentioned in paragraph (8)(a), (b) or (c), the credit provider may determine the matter.
- (10) In the case of a comparison rate under Part 10 of the Code:
 - (a) the amount of credit and term are to be typical of the type of credit contract offered in the advertisement; and
 - (b) a number of comparison rates may be included in the advertisement for different credit contracts if the amount of credit and term applicable to each of the rates are clearly stated.
- (11) At the time that the debtor is informed of the comparison rate under subsection 16(3) of the Code, the debtor must be given the following warning by the credit provider in writing:

‘**WARNING:** This comparison rate applies only to the example or examples given. Different amounts and terms will result in different comparison rates. Costs such as redraw fees or early repayment fees, and cost savings such as fee waivers, are not included in the comparison rate but may influence the cost of the loan.’
- (12) An advertisement that contains a comparison rate in accordance with Part 10 of the Code must include a warning that the comparison rate is accurate only for the example given.
- (13) A warning under this regulation must be given immediately after the comparison rate is given.

Note 1: Subsection 16(3) of the Code provides that the credit provider may inform the debtor of the comparison rate before entering into the contract.

Note 2: Part 10 of the Code provides that a person who publishes an advertisement about the availability of credit may include in the advertisement the comparison rate. If the credit provider or person does so, the comparison rate must be calculated as prescribed by the regulations and be accompanied by the warnings set out in the regulations.

72 Pre-contractual statement

- (1) For subsection 16(4) of the Code, the following financial information (**relevant financial information**) mentioned in section 17 of the Code, which is to be contained in the precontractual statement, is prescribed:
 - (a) for subsection 17(3) (Amount of credit):
 - (i) the amount of credit agreed to be provided (if ascertainable); or
 - (ii) if the amount is not ascertainable—the maximum amount of credit agreed to be provided, or the credit limit under the contract (if any);
 - (b) for subsection 17(4) (Annual percentage rate or rates)—the information mentioned in the subsection, other than the information mentioned in subparagraph 17(4)(c)(iii);
 - (c) for subsection 17(5) (Calculation of interest charges)—the maximum duration of any interest free period under the credit contract;

- (d) for subsection 17(6) (Total amount of interest charges payable)—the information mentioned in the subsection;
 - (e) for subsection 17(7) (Repayments)—the information mentioned in the subsection;
 - (f) for subsection 17(8) (Credit fees and charges)—the information mentioned in paragraphs 17(8)(a) and (b), but only in respect of:
 - (i) retained credit fees and charges (being credit fees and charges retained by the credit provider and not passed on to or retained in reimbursement of an amount paid to a third party); and
 - (ii) lenders mortgage insurance.
- (2) The relevant financial information is to be set out:
- (a) separately from the remainder of the information under section 17 of the Code that is to be set out in the precontractual statement; and
 - (b) in tabular form (the *financial table*), in either portrait or landscape format.
- (3) Additional information may be included in the financial table, but only in the following circumstances:
- (a) any information mentioned in subsection 17(3), (4), (5) or (8) of the Code that is not relevant financial information may be included with the relevant financial information;
 - (b) any other information mentioned in subsection 17(2) or subsections 17(9) to (16) of the Code may be included after the relevant financial information and any information included under paragraph (a).
- (4) If the relevant financial information relates to more than one type of credit facility, the information may be set out in a single financial table or in separate financial tables.
- (5) The financial table is to be set out at the beginning of the precontractual statement, after any formal cover page or pages that have no substantive content.
- (6) However:
- (a) if the precontractual statement is not a separate document, the financial table is to be set out at the beginning of the proposed contract document; and
 - (b) the financial table may be preceded by information necessary to identify the loan.
- (7) If the precontractual statement consists of more than one document, the financial table need not be repeated.
- (8) If any of the relevant financial information can change under the credit contract because of a unilateral change by the credit provider:
- (a) a clear statement must be made in the financial table that it is subject to change and that the change can be made without the debtor's consent; and
 - (b) a single statement may be made for 2 or more items of information that are subject to change.

Regulation 72A

- (9) An expression may be used for the purposes of the relevant financial information if the expression is defined in the precontractual statement.
- (10) The relevant date of disclosure of the information in the financial table may be set out in the financial table.
- (11) This regulation does not prevent a repetition of the relevant financial information in the financial table in any other form in connection with the remainder of the information under section 17 of the Code that is to be set out in the precontractual statement.

Note: Paragraph 16(1)(a) of the Code requires a credit provider to give a prospective debtor a precontractual statement setting out matters required by section 17 of the Code to be included in the credit contract document. The precontractual statement must be given before the credit contract is entered into or before the debtor makes an offer to enter into the contract, whichever first occurs.

Under subsection 16(4) of the Code, the regulations may specify the financial information that is to be contained in the precontractual statement, and prescribe the form in which the information must appear.

72A Precontractual disclosure—requirements for giving documents other than personally

- (1) This regulation applies in relation to a credit provider giving a precontractual document to a debtor for the purposes of section 16 of the Code unless the credit provider, or an agent of the credit provider, delivers the document physically:
 - (a) to the debtor personally; or
 - (b) to a person acting on the debtor's behalf.

Example: This regulation applies in relation to the credit provider:

- (a) emailing or posting a precontractual document to a debtor; or
- (b) giving a precontractual document to a debtor in the way specified by regulation 72C (electronic document retrieval system).

- (2) For the purposes of paragraph (1)(b), a person is not acting on the debtor's behalf if the person is engaging in credit activities.
- (3) For the purposes of paragraph 16(9)(c) of the Code, the following requirement is specified: the credit provider must be satisfied on reasonable grounds that the debtor has received the precontractual document.
- (4) For the purposes of subregulation (3) of this regulation:
 - (a) the credit provider is taken not to be satisfied that the debtor has received the precontractual document if the debtor has told the credit provider that the debtor has not received the document (unless the debtor has subsequently told the credit provider that the debtor has received the document); and
 - (b) subject to paragraph (a), reasonable grounds on which to be satisfied that the debtor has received the document include the following:
 - (i) the document was properly addressed to the debtor and sent to that address (including an electronic address);

- (ii) the document was given to the debtor in the way specified by regulation 72C, and the relevant notice mentioned in paragraph 72C(1)(a) was properly addressed to the debtor and sent to that address (including an electronic address).

72B Precontractual disclosure—requirements for giving documents by means involving electronic communication

- (1) For the purposes of paragraph 16(9)(b) of the Code, a credit provider must not give a precontractual document to a debtor for the purposes of section 16 of the Code by a particular means involving electronic communication unless:
 - (a) the debtor, after being informed of the matters set out in subregulation (2), consents to the credit provider giving precontractual documents to the debtor by that means; and
 - (b) the precontractual document is given in such a manner that it is reasonable to expect that the debtor will be able to save the document to an electronic file and print it.
- (2) For the purposes of paragraph (1)(a), the matters are that, if the debtor consents to the credit provider giving precontractual documents to the debtor by that particular means:
 - (a) the credit provider might not give precontractual documents to the debtor in paper form in the future; and
 - (b) the debtor should regularly check for electronic communications from the credit provider about precontractual documents; and
 - (c) such consent may be withdrawn at any time.

Note: Regulation 72A provides additional requirements for giving precontractual documents to debtors by means of electronic communication.

72C Precontractual disclosure—making documents available for retrieval on an electronic document retrieval system

- (1) For the purposes of subsection 16(8) of the Code, a credit provider may give a precontractual document to a debtor for the purposes of section 16 of the Code by:
 - (a) notifying the debtor, in accordance with subregulation (3), that the precontractual document is available for retrieval by the debtor on an electronic document retrieval system; and
 - (b) making the precontractual document available for retrieval by the debtor, in accordance with the notification, for a reasonable period after the credit provider gives the notification to the debtor.

Note: This regulation does not limit the ways in which a credit provider may give a precontractual document to a debtor for the purposes of section 16 of the Code.

- (2) The credit provider is taken to give the precontractual document to the debtor at the first time:
 - (a) that occurs at or after the time the credit provider gives the debtor the notification mentioned in paragraph (1)(a); and

Regulation 73

(b) at which the precontractual document is available for retrieval by the debtor as mentioned in paragraph (1)(b).

(3) For the purposes of paragraph (1)(a), the notice must:

(a) state that the precontractual document is a precontractual statement, a document forming part of a precontractual statement, a variation of a precontractual statement or an information statement (whichever is applicable); and

(b) include any information relating to the precontractual document that the debtor needs in order to be able to retrieve the document.

Example: Paragraph (b)—the document's electronic address or any password protecting the document.

(4) The precontractual document is available for retrieval by a debtor on an **electronic document retrieval system** if the document is available on an information system for retrieval by electronic communication by the debtor.

Note: Regulations 72A and 72B provide additional requirements for giving precontractual documents to debtors by means of electronic communication.

73 Additional disclosures about insurance financed by contract

For paragraph 17(15)(c) of the Code, the term of each credit-related insurance contract, if ascertainable, is prescribed.

Note: Subsection 17(15) of the Code sets out the disclosures to be made about credit-related insurance contracts that are to be financed under the credit contract. Paragraph 17(15)(c) enables the regulations to prescribe additional particulars about the insurance that is to be disclosed.

74 Additional disclosures about credit contracts to be signed by debtor

(1) For subsection 17(16) of the Code, the information and warnings set out in Form 6 or 7, as relevant, are prescribed, but only if the credit contract document is to be signed by the debtor.

(2) Form 6 is the relevant form if the document signed by the debtor constitutes an offer.

(3) Form 7 is the relevant form if the document signed by the debtor constitutes the acceptance of an offer by the credit provider.

(4) The information and warnings mentioned in subsection (1):

(a) are to be in the relevant form (including in the form of boxes); and

(b) must:

(i) be set out immediately above, and on the same page as, each place where the debtor (or at least one of the debtors) is to sign the contract document; or

(ii) if a contract is made by electronic communication—be prominently displayed when, but not after, the debtor (or if 2 or more debtors, each debtor) signs.

Regulation 74A

Note 1: Section 17 of the Code sets out the matters to be included in the credit contract document. Subsection 17(16) requires the contract document to contain any additional information or warnings required by the regulations.

Note 2: Section 18 of the Code requires a contract document to conform to the requirements of the regulations as to its form and the way it is expressed.

74A Reverse mortgages—disclosure about credit contract not including tenancy protection provision

For the purposes of subsections 18B(2) and (4) of the Code, Form 7A is prescribed.

75 Deduction of amount for interest charges

Subsection 25(1) of the Code does not apply to the deduction of an amount for the first payment of interest charges under a credit contract, but only if the deduction relates to interest charges for a period that is less than the normal period for which interest charges are to be periodically debited to the debtor's account.

Note 1: Subsection 25(1) of the Code provides, among other things, that a credit provider must not deduct from a payment to, or in accordance with the instructions of, the debtor an amount for interest charges under the credit contract.

Note 2: Subsection 25(3) of the Code authorises the making of regulations that exempt from that prohibition the deduction of an amount for the first payment of interest charges.

76 Calculation of unpaid daily balances

- (1) This regulation applies to the calculation of average unpaid daily balances if interest charges under a credit contract are determined under subsection 28(2) of the Code for a month, a quarter or a half-year by applying the relevant fraction of the annual percentage rate.
- (2) The actual unpaid daily balances for each day in the month, quarter or half-year concerned are to be added together and divided by the total number of days in the whole of that month, quarter or half-year.
- (3) If the annual percentage rate applies to part (but not the whole) of the month, quarter or half-year, the calculation of the average unpaid daily balances for that part is to be made by adding together the actual unpaid daily balances for each day in that part and dividing the sum obtained by the total number of days in that month, quarter or half-year.
- (4) If the last day or days of the month, quarter or half-year fall on a non-business day or days, the average unpaid daily balances for the month, quarter or half-year may be calculated without reference to the unpaid daily balances for the non-business day or days.
- (5) In the event mentioned in subregulation (4), the unpaid daily balances for the non-business day or days must be included in the next month, quarter or half-year for the purposes of calculating the average unpaid daily balances for that next month, quarter or half-year.

Regulation 77

Note: Subsection 28(1) of the Code limits the maximum amount of an interest charge that may be imposed or provided under a credit contract generally to an amount determined by applying the daily percentage rate to the unpaid daily balances (as defined in section 27 of the Code).

However, subsection 28(2) of the Code allows an interest charge for a month, a quarter or half-year to be determined by applying the annual percentage rate or rates, divided by:

- (a) 12 (for a month); or
- (b) by 4 (for a quarter); or
- (c) by 2 (for a half-year);

to the relevant average unpaid daily balances for the period. The regulations may provide for the calculation of unpaid daily balances in these circumstances.

77 Early debit or payment of interest charges

Subsection 29(1) of the Code does not apply to the first payment of interest charges under a credit contract, but only if it relates to interest charges for a period that is less than the normal period for which interest charges are to be periodically debited to the debtor's account.

Note 1: Subsection 29(1) of the Code provides that a credit provider must not require payment of or debit an interest charge at any time before the end of a day to which the interest charge applies.

Note 2: Subsection 29(3) of the Code authorises the making of regulations that exempt from that prohibition the first payment of interest charges under the credit contract.

78 Interest charges in relation to residential investment property

- (1) This regulation applies to a provision of credit that is provided or intended to be provided wholly or predominantly:
 - (a) to purchase, renovate or improve residential property for investment purposes; or
 - (b) subject to subregulation (3), to refinance credit that has been provided wholly or predominantly to purchase, renovate or improve residential property for investment purposes.

- (2) For section 30A of the Code, Division 3 of Part 2 of the Code applies to the provision of credit as if section 29 of the Code were omitted.

Note: Section 30A of the Code provides, among other things, that the regulations may provide that Division 3 of Part 2 of the Code applies in relation to a provision of credit covered by subparagraph 5(1)(b)(ii) or (iii) of the Code as if specified provisions were omitted as specified in the regulations.

- (3) For paragraph (1)(b), this regulation does not apply if, at the time the credit contract is entered into, the predominant use of the residential property is for personal, domestic or household purposes.

79 When statement of account not required

For paragraph 33(3)(b) of the Code, the level is \$10.

Note: Section 33 of the Code requires the credit provider to give the debtor periodic statements of account. Subsection 33(3) sets out the circumstances in which a statement is not required to be given.

Paragraph 33(3)(b) provides that a statement is not required if no amount has been debited or credited to the debtor's account during the statement period and the amount outstanding on the debtor's account is zero or below a level fixed by the regulations.

Regulation 79A

Part 7-2A—Prohibited credit fees and charges

79A Termination fees for certain credit contracts

- (1) For section 31 of the Code, a credit fee or charge is prohibited if:
 - (a) it is provided for in a credit contract entered into on or after 1 July 2011; and
 - (b) it is to be paid on or in relation to the termination of the credit contract, whether the liability to make the payment is incurred at that time or at an earlier time; and
 - (c) any of the amount of credit provided under the credit contract is secured over residential property.
- (2) However, subregulation (1) does not apply to:
 - (a) a credit fee or charge that is:
 - (i) a break fee; or
 - (ii) a discharge fee; or
 - (b) a credit fee or charge that is incurred before the termination of a credit contract that is terminated before any credit has been provided under the credit contract.

- (3) In this regulation:

break fee means a credit fee or charge that relates:

- (a) only to the early repayment of an amount provided under a credit contract for a fixed rate loan; and
- (b) only to the portion of the loan that is fixed; and
- (c) to the part of the credit provider's loss, arising from the early repayment, that is a result of differences in interest rates.

discharge fee means a credit fee or charge that only reimburses the credit provider for the reasonable administrative cost of terminating the credit contract.

fixed rate loan means a credit contract under which the annual percentage rate is fixed, for an agreed term, for the whole or a part of the amount due under the credit contract.

- (4) For the definition of discharge fee, a cost is a **reasonable administrative cost** only if it does not exceed a reasonable estimate of the average reasonable administrative cost to the credit provider of terminating that class of credit contract.

79AE Small amount credit contracts (fees and charges)—prescribed persons

For subsection 31B(1) of the Code, a person specified in the following table is a prescribed person.

Regulation 79AB

Prescribed persons

Item Person

- | | |
|---|--|
| 1 | A person who introduces a debtor to a credit provider (whether or not the person is associated with the credit provider). |
| 2 | A person who has been introduced to a debtor by a credit provider to provide a service in relation to a small amount credit contract (whether or not the person is associated with the credit provider). |
-

Note: Section 31B of the Code relates to fees and charges in relation to:

- (a) a small amount credit contract; or
- (b) the provision of an amount of credit under a small amount credit contract; or
- (c) a thing that is connected with a small amount credit contract or the provision of an amount of credit under such a contract.

Section 31B of the Code applies to a credit provider or a person prescribed by the regulations.

79AB Credit provider or prescribed person must not require or accept payment of fee or charge in relation to small amount credit contract etc

For subsection 31B(1) of the Code, a person who has been introduced to a debtor by a credit provider to provide a service in relation to a small amount credit contract is a prescribed person (whether or not the person is associated with the credit provider).

Note: Section 31B of the Code applies to a credit provider or a person prescribed by the regulations.

79AC Prohibition relating to annual cost rate of credit contracts—later increases of annual percentage rate etc

- (1) For subparagraph 32AA(1)(c)(ii) of the Code, an amount is a prescribed amount if it:
 - (a) is referred to in subsection 32B(3) of the Code; and
 - (b) is payable in relation to a medium amount credit contract.
- (2) For subparagraph 32AA(1)(c)(ii) of the Code, an amount is a prescribed amount if:
 - (a) it is referred to in subsection 32B(3) of the Code; and
 - (b) it is not payable in relation to a medium amount credit contract; and
 - (c) the credit provider has a practice of requesting debtors to increase the amount of repayments above the amount the debtor is required to pay under the credit contract; and
 - (d) the debtor becomes liable to pay the fee as a result of making increased repayments because of a request by the credit provider.

Note: Subparagraph 32AA(1)(c)(ii) of the Code refers to an amount referred to in subsection 32B(3) of the Code that is prescribed by the regulations. Section 32AA of the Code applies if the prescribed amount increases after a credit contract is entered into and other circumstances occur.

Regulation 79B

79B Minimum Repayment Warning

(1) For subsection 34(12) of the Code, a statement of account for a credit card contract must contain the warning and details mentioned in subregulation (2).

(1A) However, the warning and details are not required if:

- (a) the outstanding balance shown on the statement is \$50 or less; or
- (b) there is no outstanding balance; or
- (c) a payment arrangement is in effect which replaces the normal monthly minimum payments.

Note: If there is an outstanding balance of \$50 or less, the licensee may choose to provide the warning and details. In that case, subregulation (3) may affect the content of the warning.

(1B) If the licensee provides the warning and details, they must be shown on the front page of the statement of account.

(2) The warning and details must be in the following form:

Minimum Repayment Warning: If you make only the minimum payment each month, you will pay more interest and it will take you longer to pay off your balance. For example:

If you make no additional charges using this card and each month you pay ...	You will pay off the Closing Balance shown on this statement in about ...	And you will end up paying an estimated total of interest charges of ...
Only the minimum payment	[period]	[total interest 1]
[repayment 2]	2 years	[total interest 2], a saving of [savings 2]

Having trouble making repayments? If you are having difficulty making credit card repayments, please contact us on [phone number]. We may be able to assist you.

(3) If the time to pay off the closing balance, making only the minimum payment each month, is 2 years or less, the item for [repayment 2] in the table in the Minimum Payment Warning is not required.

Note: If the time to pay off the closing balance, making only the minimum payment each month, is 2 years or less, the licensee may choose to provide the item for [repayment 2] in the warning.

(4) [Period] must be calculated on the assumption that:

- (a) the borrower pays the amount of the minimum payment mentioned in the statement of account each month; and
- (b) no other purchases or advances are added to the outstanding balance.

(5) If more than one interest rate applies, the licensee may elect to use the purchase rate as the applicable rate to be applied to the whole of the outstanding balance.

Note: The tolerances and assumptions in section 180 of the Code will apply to the calculation.

(7) In this regulation:

[date] means the repayment due date.

[period] means the time, in years and months, needed to repay the closing balance, making the minimum repayment each month until the balance is repaid.

purchase rate means the rate which applies to the purchase of goods and services under the credit card contract.

[repayment 2] means the monthly repayment required to pay off the closing balance in 2 years.

[savings 2] is the difference between [total interest 1] and [total interest 2].

[total interest 1] means the total interest payable if the customer is making the minimum repayment each month until the balance is repaid.

[total interest 2] means the total interest that the consumer would be charged if the consumer made payments of [repayment 2] to pay off the closing balance in 2 years.

Regulation 79C

Part 7-2B—Additional rules in relation to small amount credit contracts

79C Default in payment by direct debit under small amount credit contract

- (1) For subsection 39C(1) of the Code, the credit provider must refrain from seeking a repayment due under a small amount credit contract by relying on a direct debit request if:
 - (a) the credit provider has twice sought to obtain the repayment using the direct debit request; and
 - (b) the credit provider:
 - (i) has not told the debtor that the direct debit requests have been unsuccessful; or
 - (ii) has not made reasonable attempts to contact the debtor.
- (2) If the credit provider receives the repayment to which subregulation (1) relates:
 - (a) subregulation (1) ceases to apply; and
 - (b) the credit provider may seek repayments due under the small amount credit contract by relying on a direct debit request.

Note: Section 50 of the Code provides that a mortgage can not be created over employees' remuneration or employment benefits or benefits under a superannuation scheme unless the regulations permit it to do so.

Regulation 81

- (2) The warning must comply with the following requirements:
 - (a) it must be in the form of a box as indicated in Form 8;
 - (b) it must be set out immediately above, and on the same page as, the place where the guarantor (or at least 1 of the guarantors) is to sign the guarantee document;
 - (c) if the guarantors are to sign the guarantee document on separate pages, it must be set out in that way on each page.

Note: Section 55 of the Code requires a guarantee to be in writing signed by the guarantor. Subsection 55(3) provides that the regulations may make provision for or with respect to the content of guarantees and the way they are expressed.

82 Explanation about guarantor's rights and obligations

- (1) For paragraph 56(1)(b) of the Code, the document explaining the rights and obligations of a guarantor must be in accordance with Form 9.
- (2) The document may be a separate document or a part of the guarantee document.

Note: Paragraph 56(1)(b) of the Code requires a credit provider to give a prospective guarantor an explanation in the form required by the regulations of the guarantor's rights and obligations. The explanation must be given before the obligations under the relevant credit contract are secured by the guarantee.

Part 7-4—Changes to obligations under credit contracts, mortgages and guarantees

83 Information about increases in the amount of credit

 - (b) if the property has been sold—the property’s sale price.
- (3) However, if the market value under paragraph (2)(b) is reduced because:
 - (a) the debtor, or a person who occupied the property with the debtor’s consent, deliberately damaged the property; or
 - (b) the sale was not conducted in good faith; or
 - (c) the sale was not conducted on fair and reasonable terms;the market value of the property is the market value at the time of the sale, as determined by an accredited valuer.

Note 2: Under subsection 99(2) of the Code, the regulations may provide procedures for the purposes of section 99 and set out circumstances in which consent is or is not taken to have been given.

88 Statement about mortgagor's rights and obligations

For paragraph 102(1)(c) of the Code, a statement of a mortgagor's rights and obligations must be a written statement in accordance with Form 14.

Regulation 90

Part 7-6—Related sale contracts

90 Rate of interest on damages

For subsection 132(1) of the Code, the prescribed rate of interest in respect of the relevant credit contract is the annual percentage rate under that contract as at:

- (a) the date of the judgment; or
- (b) if the contract was not still in force at that date—the date immediately before the contract was terminated.

Note: Subsection 132(1) of the Code allows interest to be paid on damages awarded under the linked credit provider provisions of the Code. The rate of interest is to be the rate prescribed by the regulations.

91 Informing debtor of rights

For subsection 136(2) of the Code, the information given by the credit provider to the debtor must be:

- (a) a written statement in accordance with Form 15; and
- (b) given to the debtor within 21 days after the termination of the tied loan contract or the tied continuing credit contract.

Note 1: Subsection 136(1) of the Code provides for the termination of a linked maintenance services contract if a credit contract is terminated.

Note 2: Subsection 136(2) of the Code requires the credit provider in that case to inform the debtor in accordance with the regulations of the debtor's rights under section 136.

92 Rebate of consideration

For subsection 136(4) of the Code, the proportionate rebate of consideration is calculated using the formula:

$$\frac{C \times S}{T}$$

where:

C is the amount of the charges under the maintenance services contract financed under the credit contract.

S is the number of whole months in the unexpired portion of the period for which maintenance was agreed to be provided.

T is the number of whole months for which maintenance was agreed to be provided.

Regulation 92

- Note 1: Subsection 136(1) of the Code provides that, if a debtor terminates a linked maintenance services contract because of the termination of the credit contract, the debtor is entitled to a proportionate rebate of consideration under the maintenance services contract.
- Note 2: Subsection 136(4) of the Code provides that the regulations may prescribe the manner of calculating that proportionate rebate of consideration.

Part 7-7—Related insurance contracts

93 Particulars of insurance entered into by credit provider

- (1) For subsection 146(2) of the Code, the prescribed particulars of the insurance that a credit provider is to give to the debtor are the key features of the credit-related insurance contract.
- (2) The key features of the contract are the following:
 - (a) the name of the insurer;
 - (b) the kind of insurance, the risks insured against and the exclusions;
 - (c) the beneficiaries under the policy;
 - (d) the expiry date of the policy;
 - (e) the premium payable (to the extent ascertainable);
 - (f) the fees and charges payable (to the extent ascertainable);
 - (g) the person by whom, and the person with whom, a claim may be made in respect of the policy, and the manner of making such a claim.
- (3) A particular mentioned in subregulation (2) may be given by providing a copy of the policy containing the particular.

Note: Subsection 146(2) of the Code provides that, if a credit provider enters into a credit-related insurance contract in which the debtor has a beneficial interest, the credit provider must ensure that a written notice containing particulars of the insurance prescribed by the regulations is given to the debtor within 14 days after the beneficial interest is acquired by the debtor.

Credit-related insurance consists of insurance over mortgaged property or consumer credit insurance.

94 Proportionate rebate of consumer credit insurance premium

For subsection 148(4) of the Code, the proportionate rebate of premium is calculated using the formula:

$$\frac{PS(S + 1)}{T(T + 1)}$$

where:

P is the amount of the premium paid (not including any amount payable in respect of a government charge).

S is the number of whole months in the unexpired portion of the period for which insurance was agreed to be provided.

T is the number of whole months for which insurance was agreed to be provided.

95 Notice of right to cancel mortgaged property insurance

For subsection 149(2) of the Code, the information given to the debtor by the credit provider must be a written statement in accordance with Form 16.

Note: Section 149 of the Code provides that if a credit contract is terminated before the end of the term of a credit-related insurance contract over mortgaged property financed under the credit contract, the debtor may terminate the insurance contract and recover from the insurer a proportionate rebate of premium. Subsection 149(2) provides that a credit provider must inform the debtor, in accordance with the regulations, of the debtor's rights under section 149. The information is to be given on the termination of the credit contract.

96 Proportionate rebate of premium for insurance over mortgaged property

For subsection 149(4) of the Code, the manner of calculating the proportionate rebate of premium is to calculate the sum of:

- (a) the amount of premium paid in respect of any period of the insurance contract that has not yet commenced; and
- (b) 90% of the proportion of the amount of the premium for insurance paid in respect of the current period of the insurance contract attributable to the unexpired portion of that period consisting of whole months.

Note: Subsection 149(4) of the Code provides that the regulations may prescribe the manner of calculating the proportionate rebate of premium for the purposes of section 149.

Regulation 97

Part 7-8—Comparison rates

97 Relevant comparison rate where annual percentage rate stated

For subsection 161(2) of the Code, the designated amounts and terms for which a comparison rate is to be calculated are:

- (a) \$250 for a term of 2 weeks; and
- (b) \$1 000 for a term of 6 months; and
- (c) \$2 500 for a term of 2 years; and
- (d) \$10 000 for a term of 3 years; and
- (e) \$30 000 for a term of 5 years; and
- (f) \$150 000 for a term of 25 years.

98 Information about whether comparison rate relates to secured loan

For subsection 162(2) of the Code, the following amounts of credit are prescribed as amounts for which a statement must be made as to whether a comparison rate is for a secured loan or an unsecured loan:

- (a) \$10 000;
- (b) \$30 000.

99 Warnings about comparison rate

- (1) For subsection 163(1) of the Code, the warning about the accuracy of a comparison rate in a credit advertisement must:
 - (a) include the short statement or long statement; and
 - (b) be given in the same form as the comparison rate is given unless the credit advertisement is on television, the internet or other electronic display medium.

Note: Subsection 164(3) of the Code explains the way in which the warning must be given for a credit advertisement on an electronic display medium.

- (2) The warning may also contain a statement that the credit provider does not provide credit for an amount, or a term, or both, specified in a credit advertisement.

- (3) The long statement is:

‘WARNING: This comparison rate applies only to the example or examples given. Different amounts and terms will result in different comparison rates. Costs such as redraw fees or early repayment fees, and cost savings such as fee waivers, are not included in the comparison rate but may influence the cost of the loan.’

- (4) The short statement is:

‘**WARNING:** This comparison rate is true only for the examples given and may not include all fees and charges. Different terms, fees or other loan amounts might result in a different comparison rate.’

100 Calculation of comparison rates

- (1) For section 166 of the Code, comparison rates are to be calculated in accordance with this regulation.
- (2) The comparison rate must be calculated as a nominal rate per annum, together with the compounding frequency.
- (3) The comparison rate is calculated using the formula:

$$n \times r \times 100\%$$

where:

n is the number of repayments per annum to be made under the credit contract (annualised if the term of the contract is less than 12 months), except that:

- (a) if repayments are to be made weekly, **n** is 52.18; and
(b) if repayments are to be made fortnightly, **n** is 26.09; and
(c) if the contract does not provide for a constant interval between repayments, **n** is to be derived from the interval selected for the purposes of the definition of **j**.

r is the solution of the following:

$$\sum_{j=0}^t \frac{A_j}{(1+r)^j} = \sum_{j=0}^t \frac{R_j + C_j}{(1+r)^j}$$

where:

A_j is the amount of credit to be provided under the contract at time **j** (the value of **j** for the provision of the first amount of credit is taken to be zero).

C_j is the fee or charge (if any) payable by the debtor at time **j** in addition to the repayments **R_j**, being a credit fee or charge (other than a government fee, charge or duty) that is ascertainable when the comparison rate is disclosed (whether or not the credit fee or charge is payable if the credit is not provided).

j is the time, measured as a multiple (not necessarily integral) of the interval between contractual repayments that will have elapsed since the first amount of credit is provided under the credit contract, except that if the contract does not provide for a constant interval between repayments an interval of any kind is to be selected by the credit provider as the unit of time.

R_j is the repayment to be made at time **j**.

Regulation 100

t is the time, measured as a multiple of the interval between contractual repayments (or other interval so selected) that will elapse between the time when the first amount of credit is provided and the time when the last repayment is to be made under the contract.

- (4) The comparison rate must be correct to at least the nearest one hundredth of 1% per annum.
- (5) In the application of the formulae, reasonable approximations may be made if it would be impractical or unreasonably onerous to make a precise calculation.
Example: If repayments are to be made on a fixed day each month, it may be assumed that repayments will be made on that day each month even though the credit contract provides for payment on the preceding or succeeding business day when the due date is not a business day.
- (6) The tolerances and assumptions under sections 180 to 182 of the Code apply to the calculation of the comparison rate.
- (7) The comparison rate must be accompanied by a statement of the amount of credit on which it is based and the term for which credit is provided.

Part 7-9—Consumer leases

102 Consumer lease excluded from application of Part 11 of the Code

- (1) For subsection 171(3) of the Code, a consumer lease is excluded from the application of Part 11 of the Code if the consumer lease is in the class of consumer leases mentioned in subregulation (2).
- (2) The class of consumer leases is consumer leases under which:
 - (a) the lessee is a director of the lessor; and
 - (b) the director hires goods from the lessor in connection with the director's remuneration or other financial benefits derived from acting as a director.

103 Prescribed person in relation to declarations

For subsection 172(3) of the Code, the *prescribed person* is:

- (a) if the person who obtained the declaration from the lessee was the lessor—a person associated with the lessor; or
- (b) if the person who obtained the declaration from the lessee was a person associated with the lessor—the person associated with the lessor; or
- (c) if the person who obtained the declaration from the lessee was not the lessor or a person associated with the lessor—any of the following:
 - (i) a person who obtained the declaration from the lessee;
 - (ii) a person who referred the lessee to the person who obtained the declaration (whether the referral was for the purpose of obtaining the declaration or otherwise);
 - (iii) a person who suggested that the lessee apply for a consumer lease, and the suggestion was made during the course of, as part of, or incidentally to, a business carried on in this jurisdiction by the person;
 - (iv) a person who assisted the lessee to apply for a consumer lease, and the assistance was given during the course of, as part of, or incidentally to, a business carried on in this jurisdiction by the person.

104 Declaration about purpose of lease

- (1) For subsection 172(5) of the Code, the form of the declaration is:

‘I/We declare that the goods to be hired by me/us from the lessor are to be hired wholly or predominantly for business purposes.’
- (2) The declaration must contain the following warning immediately below the words of the declaration mentioned in subregulation (1) or, if the consumer lease is to be made by electronic communication, prominently displayed when (but not after) the person signs:

Regulation 104A

IMPORTANT

You should **only** sign this declaration if the goods are hired wholly or predominantly for business purposes.

By signing this declaration you may **lose** your protection under the National Credit Code.

- (3) The declaration must contain:
- (a) the signature of each person making the declaration; and
 - (b) either the date on which the declaration is signed or the date on which it is received by the lessor.

Note: The Code applies to consumer leases only if the goods are hired for personal, domestic or household purposes. Subsection 172(2) of the Code provides that goods hired under a consumer lease are presumed not to be hired for those purposes if the lessee declares, before hiring the goods, that the goods are hired wholly or predominantly for business purposes.

The declaration is not effective unless it is substantially in the form required by the regulations.

104A Disclosure of information in consumer leases for household goods

- (1) For the purposes of paragraph 174(1A)(c) of the Code, other information a consumer lease for household goods must contain is as follows:
- (a) an itemised list of each fee or charge (including any applicable taxes and any add-on fees) that forms part of the total amount payable by the lessee in connection with the consumer lease;
 - (b) for a consumer lease for a fixed term—sufficient information to enable the lessee to determine the amount of any fee or charge payable by the lessee to terminate the lease before the end of the fixed term;
 - (c) for a consumer lease for an indefinite period—sufficient information to enable the lessee to determine the amount of any fee or charge payable by the lessee to terminate the lease;
 - (d) in relation to the base price of goods hired under the consumer lease, as stated in the consumer lease:
 - (i) a statement specifying whether that base price is the agreed price of the goods, the amount under subregulation 105AA(3) or the amount under subregulation 105AA(4); and
 - (ii) if that base price is the amount under subregulation 105AA(3)—a statement specifying which of the amounts referred to in that subregulation is stated in the lease as the base price; and
 - (iii) if that base price is the amount under subregulation 105AA(4)—a statement specifying which of the amounts referred to in that subregulation is stated in the lease as the base price;
 - (e) the brand name (if any) and model number (if any) of goods hired under the lease, to the extent that it is reasonably practicable for the lessor to determine that information.

- (2) For the purposes of paragraph (1)(a), and to avoid doubt, the total amount payable by the lessee in connection with the consumer lease includes the amounts of any fees or charges, or enforcement expenses, that are:
- (a) of a kind referred to in subsection 175AA(4) of the Code; and
 - (b) payable by the lessee in connection with the lease.

105 Explanation about rights and obligations of consumer lessees

- (1) For subsection 175(1) of the Code, a statement must:
- (a) be in writing; and
 - (b) be in accordance with Form 17.
- (2) The statement may be in the form of a separate document or a part of the consumer lease document.

Note: Section 175 of the Code requires a lessor under a consumer lease to give a lessee a statement in the form required by the regulations explaining the lessee's rights and obligations.

The statement must be given within 14 days after entering into the lease.

105AA Base price of goods

- (1) For the purposes of subsection 175AA(6) of the Code, the base price of goods hired under a consumer lease is the lesser of:
- (a) the agreed price of the goods; and
 - (b) either:
 - (i) for goods that are new on the day (the *lease day*) the consumer lease is entered into—the amount under subregulation (3); or
 - (ii) for goods that are not new on the lease day—the amount under subregulation (4).

Agreed price

- (2) The **agreed price** of goods hired under a consumer lease is the price of the goods agreed under the consumer lease by the parties to that lease, plus any related goods and services tax (if the amount of such tax is not already included in the price of the goods agreed under the lease).

Goods that are new on the lease day

- (3) The amount under this subregulation for goods hired under a consumer lease is as follows:
- (a) if:
 - (i) it is reasonably practicable for the lessor to determine what, on the lease day, was the recommended retail price of the goods (including any goods and services tax); and
 - (ii) on the lease day, identical goods were available for sale to the public from one or more suppliers that were independent of the lessor;

Regulation 105AA

then the amount under this subregulation is the recommended retail price referred to in subparagraph (i) of this paragraph;

- (b) if:
- (i) paragraph (a) does not apply; and
 - (ii) the lessor bought the goods from a supplier that was independent of the lessor; and
 - (iii) on the day on which the lessor bought the goods, identical goods were available for sale to the public from that supplier; and
 - (iv) it is reasonably practicable for the lessor to determine what was the price that the lessor paid for the goods (including any related goods and services tax);

then the amount under this subregulation is the price referred to in subparagraph (iv) of this paragraph;

- (c) if neither paragraph (a) nor (b) applies, then the amount under this subregulation is the market value of the goods on the lease day.

Note: For *market value*, see subregulation (7).

Goods that are not new on the lease day

- (4) The amount under this subregulation for goods hired under a consumer lease is as follows:

- (a) if:
- (i) the goods were new when they were acquired by the lessor or by a previous acquirer of the goods; and
 - (ii) it is reasonably practicable for the lessor to determine what, on the day on which the goods were last acquired new, was the recommended retail price of the goods (including any related goods and services tax); and
 - (iii) on the day on which the goods were last acquired new, identical goods were available for sale to the public from one or more suppliers that were independent of the acquirer of the goods;

then the amount under this subregulation is the recommended retail price referred to in subparagraph (ii) of this paragraph, reduced in accordance with subregulation (5);

- (b) if:
- (i) paragraph (a) of this subregulation does not apply; and
 - (ii) the goods were bought, whether by the lessor or by a previous acquirer of the goods, from a supplier that was independent of the buyer of the goods; and
 - (iii) on the day on which the goods were last bought from such a supplier, identical goods were available for sale to the public from that supplier; and
 - (iv) it is reasonably practicable for the lessor to determine what, when the goods were last bought from such a supplier, was the price paid for the goods (including any related goods and services tax);

Regulation 105A

then the amount under this subregulation is the price referred to in subparagraph (iv) of this paragraph, reduced in accordance with subregulation (5);

- (c) if neither paragraph (a) nor (b) of this subregulation applies, then the amount under this subregulation is the market value of the goods on the lease day.

Note 1: If the lessor was the manufacturer of the goods, see subregulation (6) for when the lessor is taken to have acquired the goods.

Note 2: For *market value*, see subregulation (7).

- (5) For the purposes of subregulation (4), the price referred to in subparagraph 4(a)(ii) or (4)(b)(iv) is to be reduced by:
- (a) if the period:
- (i) starting on the day the goods were last acquired new as mentioned in subparagraph (4)(a)(ii), or on the day the goods were last bought as mentioned in subparagraph (4)(b)(iv), whichever is applicable; and
- (ii) ending on the lease day;
- is 12 months or less—12.5% of that price; or
- (b) if that period is more than 12 months but less than or equal to 24 months—25% of that price; or
- (c) if that period is more than 24 months but less than or equal to 36 months—37.5% of that price; or
- (d) otherwise—50% of that price.

Other matters

- (6) For the purposes of this regulation, if a lessor was the manufacturer of goods hired under a consumer lease, then the lessor is taken to have acquired the goods on the first day on which:
- (a) the manufacturing process is complete; and
- (b) the goods are ready for sale or lease.

- (7) In this regulation:

market value, of goods hired under a consumer lease, means fair market value including any goods and services tax.

105A Information to be contained in statement of account

For section 175D of the Code, the information that must be contained in a statement of account is a disclosure that:

- (a) the lessee will not own the goods at the end of the consumer lease; and
- (b) the lessee will not have an obligation or a right to purchase the goods at the end of the consumer lease.

Regulation 105B

- (e) the following information about the return of the goods:
 - (i) if the goods can be collected by the lessor—a statement that the goods can be collected by the lessor, the particulars of how the collection can be arranged and an estimate of the costs (if any) that may be charged for the collection of the goods;
 - (ii) if the goods are to be returned by the lessee—a statement that the goods must be returned to the lessor by the lessee and the particulars of how and where the goods are to be returned;
- (f) the amounts the lessee is liable to pay if the goods are not returned, expressed as an amount for each month that the goods are not returned;

Form 5—Information statement

paragraph 16(1)(b) of the Code
regulation 70 of the Regulations

Things you should know about your proposed credit contract

This statement tells you about some of the rights and obligations of yourself and your credit provider. It does not state the terms and conditions of your contract.

If you have any concerns about your contract, contact the credit provider and, if you still have concerns, the AFCA scheme, or get legal advice.

The contract

1 How can I get details of my proposed credit contract?

Your credit provider must give you a precontractual statement containing certain information about your contract. The precontractual statement, and this document, must be given to you before—

- your contract is entered into; or
- you make an offer to enter into the contract;

whichever happens first.

2 How can I get a copy of the final contract?

If the contract document is to be signed by you and returned to your credit provider, you must be given a copy to keep. Also, the credit provider must give you a copy of the final contract within 14 days after it is made. This rule does not, however, apply if the credit provider has previously given you a copy of the contract document to keep.

If you want another copy of your contract, write to your credit provider and ask for one. Your credit provider may charge you a fee. Your credit provider has to give you a copy—

- within 14 days of your written request if the original contract came into existence 1 year or less before your request; or
- otherwise within 30 days of your written request.

3 Can I terminate the contract?

Yes. You can terminate the contract by writing to the credit provider so long as—

- you have not obtained any credit under the contract; or
- a card or other means of obtaining credit given to you by your credit provider has not been used to acquire goods or services for which credit is to be provided under the contract.

However, you will still have to pay any fees or charges incurred before you terminated the contract.

4 Can I pay my credit contract out early?

Yes. Pay your credit provider the amount required to pay out your credit contract on the day you wish to end your contract.

5 How can I find out the pay out figure?

You can write to your credit provider at any time and ask for a statement of the pay out figure as at any date you specify. You can also ask for details of how the amount is made up.

Your credit provider must give you the statement within 7 days after you give your request to the credit provider. You may be charged a fee for the statement.

6 Will I pay less interest if I pay out my contract early?

Yes. The interest you can be charged depends on the actual time money is owing. However, you may have to pay an early termination charge (if your contract permits your credit provider to charge one) and other fees.

7 Can my contract be changed by my credit provider?

Yes, but only if your contract says so.

8 Will I be told in advance if my credit provider is going to make a change in the contract?

That depends on the type of change. For example—

- you get at least same day notice for a change to an annual percentage rate. That notice may be a written notice to you or a notice published by your credit provider.
- you get 20 days advance written notice for—
 - a change in the way in which interest is calculated; or
 - a change in credit fees and charges; or
 - any other changes by your credit provider;

except where the change reduces what you have to pay or the change happens automatically under the contract.

9 Is there anything I can do if I think that my contract is unjust?

Yes. You should first talk to your credit provider. Discuss the matter and see if you can come to some arrangement.

If that is not successful, you may contact the AFCA scheme. The AFCA scheme is a free service established to provide you with an independent mechanism to resolve specific complaints. The AFCA scheme can be contacted at [*insert telephone number, email/website and postal address*].

Alternatively, you can go to court. You may wish to get legal advice, for example from your community legal centre or Legal Aid.

You can also contact ASIC, the regulator, for information on 1300 300 630 or through ASIC's website at <http://www.asic.gov.au>.

Insurance

10 Do I have to take out insurance?

Your credit provider can insist you take out or pay the cost of types of insurance specifically allowed by law. These are compulsory third party personal injury insurance, mortgage indemnity insurance or insurance over property covered by any mortgage. Otherwise, you can decide if you want to take out insurance or not. If you take out insurance, the credit provider can not insist that you use any particular insurance company.

11 Will I get details of my insurance cover?

Yes, if you have taken out insurance over mortgaged property or consumer credit insurance and the premium is financed by your credit provider. In that case the insurer must give you a copy of the policy within 14 days after the insurer has accepted the insurance proposal.

Also, if you acquire an interest in any such insurance policy which is taken out by your credit provider then, within 14 days of that happening, your credit provider must ensure you have a written notice of the particulars of that insurance.

You can always ask the insurer for details of your insurance contract. If you ask in writing, your insurer must give you a statement containing all the provisions of the contract.

12 If the insurer does not accept my proposal, will I be told?

Yes, if the insurance was to be financed by the credit contract. The insurer will inform you if the proposal is rejected.

13 In that case, what happens to the premiums?

Your credit provider must give you a refund or credit unless the insurance is to be arranged with another insurer.

14 What happens if my credit contract ends before any insurance contract over mortgaged property?

You can end the insurance contract and get a proportionate rebate of any premium from the insurer.

Mortgages

15 If my contract says I have to give a mortgage, what does this mean?

A mortgage means that you give your credit provider certain rights over any property you mortgage. If you default under your contract, you can lose that property and you might still owe money to the credit provider.

16 Should I get a copy of my mortgage?

Yes. It can be part of your credit contract or, if it is a separate document, you will be given a copy of the mortgage within 14 days after your mortgage is entered into.

However, you need not be given a copy if the credit provider has previously given you a copy of the mortgage document to keep.

17 Is there anything that I am not allowed to do with the property I have mortgaged?

The law says you can not assign or dispose of the property unless you have your credit provider's, or the court's, permission. You must also look after the property. Read the mortgage document as well. It will usually have other terms and conditions about what you can or can not do with the property.

18 What can I do if I find that I can not afford my repayments and there is a mortgage over property?

See the answers to questions 22 and 23.

Otherwise you may—

- if the mortgaged property is goods — give the property back to your credit provider, together with a letter saying you want the credit provider to sell the property for you;
- sell the property, but only if your credit provider gives permission first;

OR

- give the property to someone who may then take over the repayments, but only if your credit provider gives permission first.

If your credit provider won't give permission, you can contact the AFCA scheme for help.

If you have a guarantor, talk to the guarantor who may be able to help you.

You should understand that you may owe money to your credit provider even after the mortgaged property is sold.

19 Can my credit provider take or sell the mortgaged property?

Yes, if you have not carried out all of your obligations under your contract.

20 If my credit provider writes asking me where the mortgaged goods are, do I have to say where they are?

Yes. You have 7 days after receiving your credit provider's request to tell your credit provider. If you do not have the goods you must give your credit provider all the information you have so they can be traced.

21 When can my credit provider or its agent come into a residence to take possession of mortgaged goods?

Your credit provider can only do so if it has the court's approval or the written consent of the occupier which is given after the occupier is informed in writing of the relevant section in the National Credit Code.

General

22 What do I do if I can not make a repayment?

Get in touch with your credit provider immediately. Discuss the matter and see if you can come to some arrangement. You can ask your credit provider to change your contract in a number of ways—

- to extend the term of your contract and reduce payments; or
- to extend the term of your contract and delay payments for a set time; or

- to delay payments for a set time.

23 What if my credit provider and I can not agree on a suitable arrangement?

If the credit provider refuses your request to change the repayments, you can ask the credit provider to review this decision if you think it is wrong.

If the credit provider still refuses your request you can complain to the AFCA scheme. Further details about this scheme are set out below in question 25.

24 Can my credit provider take action against me?

Yes, if you are in default under your contract. But the law says that you can not be unduly harassed or threatened for repayments. If you think you are being unduly harassed or threatened, contact the AFCA scheme or ASIC, or get legal advice.

25 Do I have any other rights and obligations?

Yes. The law will give you other rights and obligations. You should also READ YOUR CONTRACT carefully.

IF YOU HAVE ANY COMPLAINTS ABOUT YOUR CREDIT CONTRACT, OR WANT MORE INFORMATION, CONTACT YOUR CREDIT PROVIDER. YOU MUST ATTEMPT TO RESOLVE YOUR COMPLAINT WITH YOUR CREDIT PROVIDER BEFORE CONTACTING THE AFCA SCHEME. IF YOU HAVE A COMPLAINT WHICH REMAINS UNRESOLVED AFTER SPEAKING TO YOUR CREDIT PROVIDER YOU CAN CONTACT THE AFCA SCHEME OR GET LEGAL ADVICE.

THE AFCA SCHEME IS A FREE SERVICE ESTABLISHED TO PROVIDE YOU WITH AN INDEPENDENT MECHANISM TO RESOLVE SPECIFIC COMPLAINTS. THE AFCA SCHEME CAN BE CONTACTED AT [INSERT TELEPHONE NUMBER, EMAIL/WEBSITE AND POSTAL ADDRESS].

PLEASE KEEP THIS INFORMATION STATEMENT. YOU MAY WANT SOME INFORMATION FROM IT AT A LATER DATE.

When the credit provider does accept it, you are bound by it. However, you may end the contract before you obtain credit, or a card or other means is used to obtain goods or services for which credit is to be provided under the contract, by telling the credit provider in writing, but you will still be liable for any fees or charges already incurred.* You do not have to take out consumer credit insurance unless you want to. However, if this contract document says so, you must take out insurance over any mortgaged property that is used as security, such as a house or car.* If you take out insurance, the credit provider can not insist on any particular insurance company.* If this contract document says so, the credit provider can vary the annual percentage rate (the interest rate), the repayments and the fees and charges and can add new fees and charges without your consent.* If this contract document says so, the credit provider can charge a fee if you pay out your contract early.

Form 9—Information statement

section 56(1)(b) of the Code
regulation 82 of the Regulations

Things you should know about guarantees

This information tells you about some of the rights and obligations of yourself and the credit provider. It does not state the terms and conditions of your guarantee.

Guarantees

1 What is a guarantee?

A promise by you that the person who is getting credit under a credit contract (the *debtor*) will keep to all the terms and conditions. If that person does not do so, you promise to pay the credit provider all the money owing on the contract (and any reasonable enforcement expenses) as soon as the money is asked for, up to the limit, if any, stated in the guarantee. If you do not pay, then the credit provider can take enforcement action against you which may result in the forced sale of any property owned by you such as your house.

2 How do I know how much the debtor is borrowing and how the credit charges are worked out?

These details are on the copy of the credit contract or proposed credit contract that you should be given before you sign the guarantee.

3 What documents should I be given?

Before you sign the guarantee you should get—

- the document you are reading now; and
- a copy of the credit contract or proposed credit contract.

Your guarantee is not enforceable unless you get a copy of the credit contract or proposed credit contract before you sign.

Within 14 days after you sign the guarantee and give it to the credit provider, the credit provider must give you a copy of—

- the signed guarantee (if you do not already have a copy of the guarantee); and
- the credit contract or proposed credit contract (if you do not already have a copy of the contract).

4 Can I get a statement of the amount that the debtor owes?

Yes. You can ask the credit provider at any time for a statement of the amount the debtor currently owes or any amounts credited or debited during a period you specify or any amounts which are overdue and when they became overdue or any amount payable and the date it became due.

The credit provider must give you the requested information—

- within 14 days if all the information requested related to a period 1 year or less before your request is given; or
- otherwise within 30 days.

This statement must be given to you in writing if you ask for it in writing but otherwise may be given orally.

You may be charged a fee for the statement.

You are not entitled to more than 1 written statement every 3 months.

5 How can I find out the payout figure?

You can write to the credit provider at any time and ask for a statement of the amount required to pay out the credit contract as at any date you specify. You can also ask for details of the items that make up the amount.

The credit provider must give you the statement within 7 days after you give your request to the credit provider. You may be charged a fee for the statement.

6 What other information can I get?

You can write to the credit provider and ask for a copy of—

- the guarantee; or
- any credit-related insurance contract (such as insurance on mortgaged property) the credit provider has; or
- a notice previously given to you, the debtor or the mortgagor under the National Credit Code.

The credit provider must give you the requested copy—

- within 14 days of your written request if the contract came into existence 1 year or less before the request was given to the credit provider; or
- otherwise within 30 days.

The credit provider may charge you a fee.

Your request can be made any time up to 2 years after the end of the credit contract.

7 Can I withdraw from my guarantee?

You can withdraw from your guarantee at any time by written notice to the credit provider if the final credit contract is materially different from the proposed credit contract given to you before you signed the guarantee.

8 Can I limit my guarantee?

Yes, if it relates to a continuing credit contract (such as a credit card contract or an overdraft). In that case you can give the credit provider a notice limiting the guarantee so that it only applies to—

- credit previously given to the debtor; and
- any other amount you agree to guarantee.

9 Can my guarantee also apply to any future contracts?

No, unless the credit provider has given you a copy of the proposed new credit contract and you have given your written acceptance.

10 If my guarantee says I have to give a mortgage, what does this mean?

A mortgage means that you give the credit provider certain rights over any property you mortgage. If you default under your guarantee, you can lose that property and you might still owe money to the credit provider.

11 Should I get a copy of my mortgage?

Yes. It can be part of your guarantee or, if it is a separate document, you will be given a copy of the mortgage within 14 days after your mortgage is entered into.

12 Is there anything that I am not allowed to do with the property I have mortgaged?

The law says you can not assign or dispose of the property unless you have the credit provider's, or the court's, permission. You must also look after the property. Read the mortgage document as well. It will usually have other terms and conditions about what you can or can not do with the property.

13 What can I do if I find that I can not afford to pay out the credit contract and there is a mortgage over my property?

See the answer to question 22.

Otherwise you may —

- if the mortgaged property is goods—give the property back to your credit provider, together with a letter saying you want the credit provider to sell the property for you;
- sell the property, but only if the credit provider gives permission first;

OR

- give the property to someone who may then pay all amounts owing under the guarantee or give a similar guarantee, but only if the credit provider gives permission first.

If the credit provider won't give permission, you may contact the AFCA scheme for help. You should understand that you may owe money to the credit provider even after the mortgaged property is sold.

The AFCA scheme is a free service established to provide you with an independent mechanism to resolve specific complaints. The AFCA scheme can be contacted at [*insert telephone number, email/website and postal address*].

14 Can the credit provider take or sell the mortgaged property?

Yes, if you have not carried out all of your obligations under your guarantee.

15 If the credit provider writes asking me where the mortgaged goods are, do I have to say where they are?

Yes. You have 7 days after receiving the credit provider's request to tell the credit provider. If you do not have the goods you must give the credit provider all the information you have so they can be traced.

16 When can the credit provider or its agent come into a residence to take possession of mortgaged goods?

The credit provider can only do so if it has the court's approval or the written consent of the occupier which is given after the occupier is informed in writing of the relevant section in the National Credit Code.

17 If the debtor defaults, do I get any warning that the credit provider wants to take action against the debtor?

In most cases both you and the debtor get at least 30 days from the date of a notice in writing to do something about the matter. The notice must advise—

- why the credit provider wants to take action; and
- what can be done to stop it (if the default can be remedied); and
- that if the same sort of default is committed within 30 days of the date of the notice and is not remedied within that period, the credit provider can take action without further notice.

You should immediately discuss any warning notice with the debtor and consider getting independent legal advice and/or financial advice.

However, there will be no warning notice if—

- there is a good reason to think the debtor committed a fraud to persuade the credit provider to enter into the contract; or
- the credit provider has been unable to locate the debtor after making reasonable efforts to do so; or
- the court says so; or
- there is a good reason to think that the debtor has, or will, remove or dispose of mortgaged goods without the credit provider's consent, or that urgent action is necessary to protect mortgaged property.

18 When can the credit provider enforce a judgment against me?

When—

- the credit provider has judgment against the debtor and if the judgment amount has still not been met 30 days after the credit provider has asked the debtor in writing to pay it; or
- the court says so because recovery from the debtor is unlikely; or
- the credit provider has been unable to locate the debtor after making reasonable efforts to do so; or
- the debtor is insolvent.

19 If the debtor can not be found and the credit provider intends to take legal action against me do I get any warning?

You may not. See the answer to question 17.

20 Can the credit provider take action against me without first taking action against the debtor?

Yes, but the credit provider will not be able to enforce any judgement against you except in the circumstances described in the answer to question 18.

21 How much do I have to pay the credit provider if the debtor defaults?

You have to pay what the debtor owes the credit provider, subject to any limit provided in the guarantee, plus the credit provider's reasonable expenses in making you honour your contract of guarantee.

General

22 What can I do if I am asked to pay out the credit contract and I can not pay it all at once?

Talk to the credit provider and see if some arrangement can be made about paying.

If you can not come to a suitable arrangement, contact the AFCA scheme.

There are other people, such as financial counsellors, who may be able to help.

23 If I pay out money for a debtor, is there any way I can get it back?

You can sue the debtor, but remember, if the debtor can not pay the credit provider, he or she probably can not pay you back for a while, if at all.

24 What happens if I go guarantor for someone who is under 18 when he or she signs a credit contract?

You are responsible for the full debt if the contract of guarantee has a clear and obvious warning. The warning has to tell you that the courts might not let you sue the debtor if you have to pay out the credit contract for him or her.

25 Do I have any other rights and obligations?

Yes. The law does give you other rights and obligations. You should also **READ YOUR GUARANTEE** carefully.

IF YOU HAVE ANY DOUBTS, OR WANT MORE INFORMATION, CONTACT YOUR CREDIT PROVIDER. YOU MUST ATTEMPT TO RESOLVE YOUR COMPLAINT WITH YOUR CREDIT PROVIDER BEFORE CONTACTING THE AFCA SCHEME. IF

YOU HAVE A COMPLAINT WHICH REMAINS UNRESOLVED AFTER SPEAKING TO YOUR CREDIT PROVIDER YOU CAN CONTACT THE AFCA SCHEME OR GET LEGAL ADVICE.

You have returned mortgaged goods to the credit provider/asked the credit provider to sell the mortgaged goods.*

This information tells you some of your rights and obligations and some of the options open to you.

Details you should know

Description of the goods:

Date you returned the goods to the credit provider/asked the credit provider to sell the goods*:

The cost of enforcing the mortgage up to the date you returned the goods to the credit provider/asked the credit provider to sell the goods* is \$
.....

The cost of the goods being in the credit provider's possession is \$.
.....

per **

The credit provider's estimate of the value of the goods is \$. .

How to get the goods returned or not sold

YOU CAN GET THE GOODS BACK OR STOP THEM BEING SOLD BY THE CREDIT PROVIDER IF YOU ASK THE CREDIT PROVIDER AND IF THE REPAYMENTS AND OTHER OBLIGATIONS UNDER THE CREDIT CONTRACT HAVE BEEN MET. YOUR REQUEST MUST BE MADE IN WRITING WITHIN 21 DAYS OF THIS NOTICE BEING GIVEN TO YOU.

IF YOU DO NOTHING, YOU MAY LOSE THE GOODS.

Sale of goods

The law says that the credit provider must get the best price reasonably obtainable for the goods.

If you want to, you can introduce a buyer to the credit provider. This has to be done in writing within 21 days after the date of this notice and the buyer must be willing to pay the credit provider's estimate of the value of the goods or any greater amount for which the credit provider has obtained a written offer to buy the goods.

The credit provider must offer to sell the goods to the buyer you have introduced.

Your letter introducing the buyer has to reach the credit provider before the goods are sold. If you post the letter, it is best to send it by certified or registered mail. Then you can check that it was delivered. If you take it to the credit provider's office, you should get an employee of the credit provider to sign and date something to say that your letter has been received. Make sure you keep anything that was signed by that employee.

Once the 21 day period has expired, the credit provider must sell the goods as soon as reasonably practicable unless you and the credit provider agree on some other time for sale.

As mentioned above, the goods must be sold for the best price reasonably obtainable.

Finalising the contract

As soon as the goods are sold, the total amount payable under the credit contract becomes due. The credit provider must credit you with the proceeds of the sale less—

- the amount owing under your mortgage (which can not be more than the amount owing under the contract); and
- any amount owing under a prior mortgage of the goods; and
- any amount owing under a subsequent mortgage of the goods which the credit provider knows about; and
- the credit provider's reasonable expenses of enforcing the mortgage; and
- the expenses reasonably incurred by the credit provider in connection with the possession and sale of the mortgaged goods.

After the goods are sold the credit provider must give you a notice setting out certain information including—

- what the sale price was; and
- the net proceeds of the sale; and
- the amount credited to you; and
- the amount required to pay out the credit contract or the amount due under the guarantee.

General

You should discuss this matter with the credit provider as soon as possible. You should know that even after the goods are sold, you will still have to pay the credit provider any amount still outstanding. You may be able to work out some alternative arrangement about your contract if you are the debtor. For example, you could ask the credit provider—

- to extend the term of the contract and either reduce the amount of each payment accordingly or defer payments for a specified period; or
- to simply defer payments for a specified period.

The name and telephone number of the person to contact is on the front of this document.

If you can not come to a suitable arrangement with the credit provider, contact the AFCA scheme immediately. If you are the debtor and have been **unemployed, sick** or there is **another good reason** why you are having problems making payments under your contract, then your contract may be able to be varied under the law to meet your situation.

IF YOU HAVE ANY DOUBTS, OR WANT MORE INFORMATION, CONTACT YOUR CREDIT PROVIDER. YOU MUST ATTEMPT TO RESOLVE YOUR COMPLAINT WITH YOUR CREDIT PROVIDER BEFORE CONTACTING THE AFCA SCHEME. IF YOU HAVE A COMPLAINT WHICH REMAINS UNRESOLVED AFTER SPEAKING TO YOUR CREDIT PROVIDER YOU CAN CONTACT THE AFCA SCHEME.

How to get the goods back

IF YOU WANT THE GOODS BACK YOU MUST DO ONE OF THE THINGS LISTED BELOW AS SOON AS POSSIBLE. IF YOU DO NOT ACT WITHIN 21 DAYS AFTER THE DATE OF THIS NOTICE, THE CREDIT PROVIDER MAY SELL THE GOODS. IT IS ALSO POSSIBLE THAT THE GOODS MIGHT BE SOLD EARLIER IF THE CREDIT PROVIDER GETS A COURT ORDER.

OR

You can pay out the credit contract. If you do this you can get the goods back and you do not have any further obligations.

To give you an idea of what the amount required to pay out the credit contract may be, 2 figures are given below. The first is the amount required to pay out the contract at the date of this notice. The second is the amount required calculated 21 days from that date. Any difference is the result of further payments or charges that fall due between the 2 dates.

- 1 Amount required to pay out
the credit contract on / / \$

- 2 Amount required to pay out
the credit contract on / / \$

If you do nothing, you will lose the goods.

Sale of goods

The law says that the credit provider must get the best price reasonably obtainable for the goods.

If you want to, you can introduce a buyer to the credit provider. This has to be done in writing within 21 days after the date of the notice you receive and the buyer must be willing to pay the credit provider's estimate of the value of the goods or any greater amount for which the credit provider has obtained a written offer to buy the goods.

The credit provider must offer to sell the goods to the buyer you have introduced.

Your letter introducing the buyer has to reach the credit provider before the goods are sold. If you post the letter, it is best to send it by certified or registered mail then you can check that it was delivered. If you take it to the credit provider's office, you should get an employee to sign and date something to say that your letter has been received. Make sure you keep anything that was signed by the employee.

Once the 21 day period has expired, the credit provider must sell the goods as soon as reasonably practicable unless—

- you and the credit provider agree on some other time for sale; or
- legal proceedings have been taken which prevent the sale.

As mentioned above, the goods must be sold for the best price reasonably obtainable.

Finalising the contract

As soon as the goods are sold, the total amount payable under the contract becomes due. However, the credit provider will have to deduct from what you owe any amount the credit provider gets for the goods less—

- the amount owing under your mortgage (which can not be more than the amount owing under the contract); and
- any amount owing under a prior mortgage of the goods; and
- any amount owing under a subsequent mortgage of the goods which the credit provider knows about; and
- the credit provider's reasonable expenses of enforcing the mortgage.

After the goods are sold, the credit provider must give you a notice setting out certain information including—

- what the sale price was; and
- the net proceeds of the sale after the amounts mentioned above have been deducted; and
- the amount due under the credit contract or the amount of any surplus due to you; and
- details of any further recovery action that might be taken against you under the credit contract if you are the debtor.

General

You should discuss this matter with the credit provider as soon as possible. You should know that after the goods have been sold, you will still have to pay the credit provider any amount still outstanding. You may be able to work out some alternative arrangement about the contract and mortgage. For example, if you are the debtor, you could ask the credit provider—

- to extend the term of the contract and either reduce the amount of each payment accordingly or defer payments for a specified period; or
- to simply defer payments for a specified period.

The name, telephone number and address of the person to contact is on the front of this form.

If you can not come to a suitable arrangement with the credit provider, contact the AFCA scheme immediately. If you are the debtor and have been **unemployed, sick** or there is **another good reason** why you are having problems with your contract, then your contract may be able to be varied under the law to meet your situation.

IF YOU HAVE ANY DOUBTS, OR WANT MORE INFORMATION, CONTACT YOUR CREDIT PROVIDER. YOU MUST ATTEMPT TO RESOLVE YOUR COMPLAINT WITH YOUR CREDIT PROVIDER BEFORE CONTACTING THE AFCA SCHEME. Form 17—Information statement

subsection 175(1) of the Code
regulation 105 of the Regulations

Things you should know about your consumer lease

This statement tells you about some of the rights and obligations of yourself and your lessor. It does not state the terms and conditions of your lease.

The lease

1 How can I get details of my lease?

Your lessor must give you a copy of your consumer lease with this statement. Both documents must be given to you within 14 days after the lessor enters into the consumer lease, unless you already have a copy of the consumer lease.

If you want another copy of your lease write to your lessor and ask for one. Your lessor may charge you a fee. Your lessor has to give you a copy—

- within 14 days of your written request if the contract came into existence 1 year or less before your request; or
- otherwise within 30 days.

2 What should my lease tell me?

You should read your lease carefully.

Your lease should tell you about your obligations, and include information on matters such as—

- details of the goods which have been hired; and
- any amount you have to pay before the goods are delivered; and
- stamp duty and other government charges you have to pay; and
- charges you have to pay which are not included in the rental payments; and
- the amount of each rental payment; and
- the date on which the first rental payment is due and either the dates of the other rental payments or the interval between them; and
- the number of rental payments; and
- the total amount of rent; and
- when you can end your lease; and

- what your obligations are (if any) when your lease ends.

This information only has to be included in your lease if it is possible to give it at the relevant times.

If your lease does not tell you all these details, contact the AFCA scheme, or get legal advice, for example from a community legal centre or Legal Aid, as you may have rights against your lessor.

3 Can I end my lease early?

Yes. Simply return the goods to your lessor. The goods may be returned in ordinary business hours or at any other time you and the lessor agree on or the court decides.

4 What will I have to pay if I end my lease early?

The amount the lease says you have to pay.

If you have made rental payments in advance then it is possible that your lessor might owe you money if you return the goods early.

5 Can my lease be changed by my lessor?

Yes, but only if your lease says so.

6 Is there anything I can do if I think that my lease is unjust?

Yes. You should talk to your lessor. Discuss the matter and see if you can come to some arrangement.

If that is not successful, you may contact the AFCA scheme.

THE AFCA SCHEME IS A FREE SERVICE ESTABLISHED TO PROVIDE YOU WITH AN INDEPENDENT MECHANISM TO RESOLVE SPECIFIC COMPLAINTS. THE AFCA SCHEME CAN BE CONTACTED AT [INSERT TELEPHONE NUMBER, EMAIL/WEBSITE AND POSTAL ADDRESS].

Alternatively, you can go to court. You may also wish to get legal advice, for example from a community legal centre or Legal Aid, and/or make a complaint to ASIC. ASIC can be contacted on 1300 300 630 or through ASIC's website at <http://www.asic.gov.au>.

The goods

7 If my lessor writes asking me where the goods are, do I have to say where they are?

Yes. You have 7 days after receiving your lessor's request to tell your lessor. If you do not have the goods you must give your lessor all the information you have so they can be traced.

8 When can my lessor or its agent come into a residence to take possession of the goods?

Your lessor can only do so if it has the court's approval or the written consent of the occupier which is given after the occupier is informed in writing of the relevant section in the National Credit Code.

General

9 What do I do if I can not make a rental payment?

Get in touch with your lessor immediately. Discuss the matter and see if you can come to some arrangement.

You can ask your lessor to change your lease in a number of ways—

- to extend the term of your lease and reduce rental payments; or
- to extend the term of your lease and delay rental payments for a set time; or
- to delay rental payments for a set time.

10 What if my lessor and I can not agree on a suitable arrangement?

If the lessor refuses your request to change the rental payments, you can ask your lessor to review this decision if you think it is wrong.

If the lessor still refuses your request, you can complain to the AFCA scheme. Further details about this scheme are set out below in question 12.

11 Can my lessor take action against me?

Yes, if you are in default under your lease. But the law says that you can not be unduly harassed or threatened for rental payments. If you think you are being unduly harassed or threatened, contact the AFCA scheme or ASIC, or get legal advice.

12 Do I have any other rights and obligations?

Yes. The law will give you other rights and obligations. You should also **READ YOUR LEASE** carefully.

IF YOU HAVE ANY DOUBTS, OR WANT MORE INFORMATION, CONTACT YOUR CREDIT PROVIDER. YOU MUST ATTEMPT TO RESOLVE YOUR COMPLAINT WITH YOUR CREDIT PROVIDER BEFORE CONTACTING THE AFCA SCHEME. IF YOU HAVE A COMPLAINT WHICH REMAINS UNRESOLVED AFTER SPEAKING TO YOUR CREDIT PROVIDER YOU CAN CONTACT THE AFCA SCHEME OR GET LEGAL ADVICE.

Some useful tips on direct debits

Make sure you’ve given the right account number and there is enough money in the account to cover the direct debits.

Read your Direct Debit Request Service Agreement carefully and check your bank statements to make sure the right amount is being taken out at the right time. If there is not enough money in the account, you will be in default and may have to pay a fee for that default.

Changing or cancelling your direct debit

Contact us if you need to change the dates when the direct debit is taken out.

If you close the account, remember to change the direct debit so it comes from another account.

You can usually cancel a direct debit with us or with your bank or financial institution. You may need to do this in writing. Contact your bank or financial institution a few days after you’ve sent your written instruction to check that the direct debit has been cancelled.

Before you cancel a direct debit make sure you’ve made other payment arrangements with us so you don’t default on your payment.

Resolving a problem with your direct debit

If you have a problem with a direct debit you can complain to us or to your bank or financial institution. If you can’t resolve your complaint with us, contact the AFCA scheme by [*insert contact details and method(s) for lodging complaints*].

¹⁸ What happens at the end of the fixed rate period?

At the end of the fixed rate period you may be able to fix the rate at a new fixed interest rate for a further period. If you increased your monthly repayments by \$200 a month to **[monthly repayment + \$200] you would repay the loan in [new loan term], instead of [loan term], based on the current variable interest rate stated in this Key Facts Sheet.**¹⁹

This loan allows you to make additional repayments to pay off your loan faster but such repayments may attract a fee. You should ask your lender about the fee before making additional repayments.¹⁹

This loan does not allow you to make additional repayments to pay off your home loan faster.¹⁹

Altering the frequency of repayments may also help repay the loan faster.

FURTHER INFORMATION ABOUT THIS KEY FACTS SHEET

Which home loan is right for you?

When choosing a home loan, it's important to work out what you want from your loan and how much it will cost you. Given the wide range of loans on offer—with different interest rates, product features and fees—it pays to shop around to find the loan that fits your needs

and circumstances. Some loans offer features that may be appropriate for your situation and result in savings over the life of the loan.

Some features you may wish to consider include:

- ability to split your loan between fixed and variable interest rates;
- ability to make extra repayments;
- an offset account;
- a redraw facility; and
- linked credit card and savings accounts.

But compare the costs and benefits of these features before you agree to them.

For more information on choosing the right home loan for you, you may also wish to visit the ASIC consumer website at www.moneysmart.gov.au.

Where can I find out more about this loan?

If you want more information on the terms used in this document or about this home loan, please contact us [lender's contact details], or visit our website at [lender's contact website].

This Key Facts Sheet is an Australian Government requirement.

The Australian Government requires all lenders selling standard home loans to give you a Key Facts Sheet like this one when you ask for one and provide the necessary information.

Key Facts Sheets contain information presented in the same way to help you compare and select the most appropriate home loan for you. You should request Key Facts Sheets when shopping around for a home loan to help you find the home loan that is right for you.

This Key Facts Sheet is not an offer of credit. The lender is not obliged to provide you with the home loan described in this Key Facts Sheet. You will need to apply for the loan and meet our lending criteria before we can determine whether you are eligible for this loan.

You should also be aware:

- the interest rates and fees and charges are those that apply as at the date of production of this Key Facts Sheet.
- the amount required to be paid does not include fees which are dependent on events that may not occur (for example, late payment fees if you do not make repayments on time).
- the amount of the repayments shown in this Key Facts Sheet will change if interest rates, fees and charges change and if a different loan type, loan term or loan amount is used.

What is the personalised comparison rate?

The personalised comparison rate helps you understand what the total cost of your home loan might be, taking into account known fees and charges that will apply (other than government fees, charges or duties) by building those costs into the interest rate. It also helps you

understand the impact of fixed or introductory rates of interest on the total amount of interest you could pay over the life of the loan.

Part 2—Information about preparing a Key Facts Sheet

Notes in model of Key Facts Sheet

- 2.1 A lender that prepares a Key Facts Sheet for a particular consumer must include the following information at the numbers marked in the model in Part 1:
- 1 If the lender is an ACL holder—this is the lender’s ACL number. If the lender is not an ACL holder, no ACL number is required. However, the lender must disclose that the credit provider’s ACL will be provided in the credit contract. The lender is exempted from the requirement to set out its ACN or ABN in subsection 153(2) of the Corporations Act 2001 on the Key Facts Sheet.
 - 2 This must be an interest type in the table in regulation 28LA. If a fixed loan is specified, the term of the fixed rate period must also be indicated.
 - 3 Under regulation 28LA, the repayments under the home loan must repay principal and interest for the full term of the loan.
 - 4 The repayment frequency must be based on monthly repayments.
 - 5 This is the current interest rate applicable to the loan on the date on which the Key Facts Sheet is produced.
If discounts to this interest rate apply, the discount and the period in which it will apply must also be disclosed here.
Only one of the 4 paragraphs in this box is required. Omit the paragraphs that do not apply to the loan this Key Facts Sheet relates to.
A licensee may replicate this item if more than 1 discount period applies
 - 6 This rate must be calculated in accordance with the formula in subregulation 100(3) but using the designated amounts provided by the consumer under sections 133AC and 133AD of the Act. This rate includes each fee or charge (if any) payable by the debtor at the time each repayment is made, being a credit fee or charge (other than a government fee, charge or duty) that is ascertainable when the comparison rate is disclosed (whether or not the credit fee or charge is payable if the credit is not provided). The tolerances in subregulations 100(4), (5) and (6) also apply to this rate.
 - 7 This is the sum of the principal and all interest and fees certain to be payable over the life of the home loan. The fees include each fee or charge (if any) payable by the debtor at the time each repayment is made, being a credit fee or charge (other than a government fee, charge or duty) that is ascertainable when the comparison rate is disclosed (whether or not the credit fee or charge is payable if the credit is not provided).
 - 8 This is the total amount to be paid back, divided by the loan amount, expressed as a dollar amount for every dollar borrowed.
 - 9 These are the fees and charges, paid to the lender on the commencement of the loan, used for the purpose of calculating the Personalised Comparison Rate.

- 10 If the home loan is a variable rate loan or a fixed rate loan with a term that expires at the end of the fixed rate period, only the first 2 sections ('Repayment per month (including ongoing fees)' and 'Repayment per year (including ongoing fees)') are required. If the home loan is any other type of standard home loan, the remaining sections are required.
- 11 This is any fee paid each month to the lender on a regular and ongoing basis.
- 12 This is any fee paid each year to the lender on a regular and ongoing basis. It does not include the monthly ongoing fee in note 11.
- 13 This is the sum of amounts payable per month on the home loan and any fees paid to the lender that are charged in that month.
- 14 This is the sum of the amounts payable per year on the home loan and any fees paid to the lender that are charged during the year.
- 15 This is the length of the fixed rate period for fixed loans, the length of the discount rate period for introductory rate loans, and the length of the period before the discounted rate applies for discounting rate loans.
- 16 The reference to the lender's branches in this sentence may be removed if not applicable.
- 16A Omit the reference to valuation fees if:
 - (a) a credit provider charges a valuation fee in all cases; and
 - (b) the amount of the valuation fee is included in the amount for establishment fees mentioned in the Key Fact Sheet.
- 17 Only include if break fees are payable on the loan.
- 18 Omit this section if:
 - (a) the interest rate will be fixed for the entire term of the loan; or
 - (b) the loan is a variable rate loan for which a fixed interest rate component is not available after the initial fixed rate period expires.
- 19 Only one of these paragraphs is required. Omit the paragraph that does not apply to the loan this Key Facts Sheet relates to.

Assumptions

- 2.2 The tolerances and assumptions under section 180 of the Code apply to the calculation of any amounts in this Key Facts Sheet.

Publication online

- 2.3 If a Key Facts Sheet is published online, links must be provided to the websites mentioned in the Key Facts Sheet.

Adopting the Key Facts Sheet for non-prescribed purposes

- 2.4 A lender may produce a Key Facts Sheet for home loans if Part 3-2A of the Credit Act does not require the lender to provide a Key Facts Sheet. A lender that provides such a Key Facts Sheet must, to a reasonable extent, comply with the requirements for producing the Key Facts Sheet, but must omit any reference to the production of the Key Facts Sheet being an Australian Government requirement.

Schedule 5A—Reverse mortgage information statement

Note: See regulation 28LE.

The Reverse Mortgage Information Statement is an Australian Government requirement under the *National Consumer Credit Protection Act 2009*

KEY INFORMATION ABOUT REVERSE MORTGAGES

What is a reverse mortgage?

A reverse mortgage allows you to borrow money using the equity in your home as security. The loan may be taken as a lump sum, an income stream, a line of credit or a combination of these options. Interest is charged like any other loan, but you usually don't need to make repayments while you live in your home. The loan must be repaid in full if you sell your home or die or, in most cases, if you move into aged care. Typically, you are charged a higher interest rate on a reverse mortgage than for a standard home loan.

How will I be charged interest?

You will be charged interest on the loan amount you borrow. Fees and interest are added to the loan balance as you go, and the interest compounds. This means you will pay interest on your interest, plus on any fees or charges added to the loan. Over time, the amount you owe the lender will increase, and the longer you have the loan, the more the interest compounds and the bigger the amount you will have to repay.

For example, if you take out a reverse mortgage of \$50,000, the effect of compound interest means that in 10 years' time you will owe more than twice that amount, as the table below illustrates.

Loan term	Interest	Total amount owing
1 year	\$4,420	\$54,420
2 years	\$9,230	\$59,230
10 years	\$66,632	\$116,632

This example assumes a fixed rate of 8.5% compounded monthly with no fees applying and no repayments being made.

How much equity will I have left after my reverse mortgage is repaid?

The amount of equity you have left in your home after repaying your reverse mortgage will depend on how much money you borrow, the interest rate and how long you have the loan, and the value of your home when it is sold.

To understand how a reverse mortgage works, let's say the value of your home is \$450,000 and you take out a reverse mortgage of \$50,000, leaving you with \$400,000 in equity.

What if the value of your home stays the same?

Over 20 years, your debt will grow from \$50,000 to \$272,060. If the value of your home stays the same over this time, your remaining equity will be \$177,940 (see Graph 1, below).

What if the value of your home goes up?

If the value of your home goes up at the rate of 3% per year, after 20 years your home will be worth \$812,750 so your remaining equity will be \$540,690 (see Graph 2, below).

NO GROWTH IN HOUSE VALUE

3% ANNUAL GROWTH IN HOUSE VALUE

This example assumes a fixed rate of 8.5% compounded monthly with no fees applying and no repayments being made.

A REVERSE MORTGAGE MAY NOT BE SUITABLE FOR EVERYONE. WHAT ARE THE ISSUES TO CONSIDER IN DECIDING IF IT IS RIGHT FOR YOU?

How will the loan affect your future choices?	When thinking about a reverse mortgage, you need to consider both your current and future needs. The more you borrow now, and the younger you are when you borrow it, the less equity you will have in your home to pay for your needs as you age. How might your health and living situation have changed in 10, 20 or 30 years' time? If you use up too much of your equity too soon, you may not be able to afford future costs such as high medical expenses, the need to move into aged care accommodation, essential home maintenance or the purchase of a motor vehicle.
How much will you have to repay?	You can only estimate how much you will end up owing. The exact amount to repay will depend on how much money you borrow, the interest rate and how long you have the loan, and the value of your home when it is sold.
Will I owe more than what my home is worth?	By law, lenders must guarantee that when your reverse mortgage contract ends and your home is sold to repay the loan, you will not have to pay back more than the value of your home. This is known as a "no negative equity guarantee". There are a few exceptions to this rule.
Will other people living in your home be affected?	Generally reverse mortgages have to be repaid when you move out (for example, into aged care) or die. If you are the homeowner and someone else is living with you, the other resident may have to move out when the loan has to be repaid. Some reverse mortgage contracts may protect the rights of the other resident by allowing them to stay in the home. If you want this option, make sure you discuss this with your lender before taking out a reverse mortgage.
Will you be able to leave your children an inheritance?	A reverse mortgage will reduce the amount of equity in your home you can leave to your children or other beneficiaries. You may wish to discuss this with your family.
Are there alternatives more appropriate for you?	There may be alternatives to taking out a reverse mortgage that may be more suitable for your needs. These can include downsizing, making arrangements with other family members, accessing government benefits, loans (such as the pension loans scheme) using savings or selling other assets or home reversion schemes.
Will you incur costs for repaying the loan early?	Break fees may apply when a fixed interest reverse mortgage is ended early. Break fees can be very high. Depending on the size of the loan and how long you have had it, these fees may be thousands of dollars. Note: inclusion of this box is not required for reverse mortgages with no break fees.
Will your pension change?	A reverse mortgage may affect your pension or other Government entitlements. You can contact the Department of Human Services (Centrelink) on [Note 1] to talk to a Financial Information Service Officer about how your pension may be affected. Note 1: Provider to insert the Department of Human Services number.

The abbreviation key sets out abbreviations that may be used in the endnotes.

Legislation history and amendment history—Endnotes 3 and 4

Amending laws are annotated in the legislation history and amendment history.

The legislation history in endnote 3 provides information about each law that has amended (or will amend) the compiled law. The information includes commencement details for amending laws and details of any application, saving or transitional provisions that are not included in this compilation.

The amendment history in endnote 4 provides information about amendments at the provision (generally section or equivalent) level. It also includes information about any provision of the compiled law that has been repealed in accordance with a provision of the law.

Editorial changes

The *Legislation Act 2003* authorises First Parliamentary Counsel to make editorial and presentational changes to a compiled law in preparing a compilation of the law for registration. The changes must not change the effect of the law. Editorial changes take effect from the compilation registration date.

If the compilation includes editorial changes, the endnotes include a brief outline of the changes in general terms. Full details of any changes can be obtained from the Office of Parliamentary Counsel.

Misdescribed amendments

A misdescribed amendment is an amendment that does not accurately describe how an amendment is to be made. If, despite the misdescription, the amendment can be given effect as intended, then the misdescribed amendment can be incorporated through an editorial change made under section 15V of the *Legislation Act 2003*.

If a misdescribed amendment cannot be given effect as intended, the amendment is not incorporated and “(md not incorp)” is added to the amendment history.
