insert

2.04A Publication of details of applications

- (1) This regulation applies if a person applies, under regulation 2.02, for a building approval for an airport site.
- (2) The airport-lessee company for the airport site must publish the following information on the airport's website:
 - (a) the name of the person making the application;
 - (b) if the applicant is the airport-lessee company — the date on which the company submitted the application to the airport building controller for the airport site;
 - (c) if the applicant is not the airport-lessee company — the date on which the company received the application;
 - (d) a description of the proposed building activity covered by the application;
 - (e) the location of the building activity on the airport site.

-
- (3) The information must be published:
- (a) if the applicant is the airport-lessee company — within 5 business days after the day the company submits the application to the airport building controller for the airport site; or
 - (b) if the applicant is not the airport-lessee company — within 5 business days after the day the company receives the application.

2.04B Publication of decisions on applications

- (1) This regulation applies if any of the following events apply in relation to an application, under regulation 2.02, for a building approval for an airport site:
- (a) the airport-lessee company for the airport site, under regulation 2.03:
 - (i) grants consent (whether or not subject to conditions); or
 - (ii) refuses consent;
 - (b) consent is taken to have been refused under subregulation 2.03 (5);
 - (c) the airport building controller for the airport site, under regulation 2.11:
 - (i) approves (whether or not subject to conditions) the building activity; or
 - (ii) refuses to approve the building activity; or
 - (iii) is taken to have refused to approve the building activity;
 - (d) the applicant withdraws the application.
- (2) The airport-lessee company for the airport site must publish the following information on the airport's website:
- (a) details of the event;
 - (b) the date on which the event occurred.
- (3) The information must be published within 5 business days after the event occurs.
