

Australian Government  
Repatriation Medical Authority

Amendment Statement of Principles  
concerning  
**MALIGNANT NEOPLASM OF THE OVARY**  
**No. 61 of 2011**

for the purposes of the  
*Veterans' Entitlements Act 1986*  
and  
*Military Rehabilitation and Compensation Act 2004*

1. This Instrument may be cited as Statement of Principles concerning malignant neoplasm of the ovary No. 61 of 2011.
2. The Repatriation Medical Authority amends, under subsection 196B(8) of the *Veterans' Entitlements Act 1986*, Statement of Principles concerning malignant neoplasm of the ovary Instrument No. 70 of 2009 by:
  - (A) Replacing existing factor "(i)" in clause 6 with the following:

"(i) having received a cumulative equivalent dose of at least 0.1 sievert of ionising radiation to the ovary at least five years before the clinical onset of malignant neoplasm of the ovary; or";
  - (B) Deleting existing factor "(j)" from clause 6;
  - (C) Re-numbering existing factor "(k)" in clause 6 as "(j)";
  - (D) Replacing "6(k)" in clause 7 with "6(j)";
  - (E) Replacing the existing definition of "cumulative equivalent dose" in clause 9 with the following:

**"cumulative equivalent dose"** means the total dose of ionising radiation received by the particular organ or tissue. The formula used to calculate the cumulative equivalent dose allows doses from multiple

types of ionising radiation to be combined, by accounting for their differing biological effect. The unit of equivalent dose is the sievert. For the purposes of this Statement of Principles, the calculation of cumulative equivalent dose excludes doses received from normal background radiation, but includes therapeutic radiation, diagnostic radiation, cosmic radiation at high altitude, radiation from occupation-related sources and radiation from nuclear explosions or accidents;'; and

(F) Deleting the definition of "atomic radiation" from clause 9.

3. The amendment made by this instrument applies to all matters to which Instrument No. 70 of 2009, section 120A of the *Veterans' Entitlements Act 1986* and section 338 of the *Military Rehabilitation and Compensation Act 2004* apply.
4. The amendment made by this instrument takes effect from 25 May 2011.

Dated this *ninth* day of *May* 2011
