EXCISE ACT 1901 – AMENDED EXPLANATORY STATEMENT FOR EXCISE (MASS OF CNG) DETERMINATION 2012 (No. 1).

Enclosed is an amended explanatory statement for the legislative instrument Excise (Mass of CNG) Determination 2012 (No. 1). The legislative instrument was made pursuant to section 65 of the *Excise Act 1901* and was required as one of the mechanisms to give effect to the Taxation of Alternative Fuels Legislation Amendment Act 2011.

The explanatory statement was amended to include information on how to obtain the Australian and international standards incorporated in paragraph 8 of the legislative instrument as proposed by the Chair of the Senate Standing Committee on Regulations and Ordinances.

The explanatory statement to Excise (Mass of CNG) Determination 2012 (No. 1) was amended in the reference section by the addition of parenthesised supplementary information detailing the web addresses of the online publishers where the standards are available from at the time of publication of the legislative instrument.
