PART 1 - PRELIMINARY

1.1 Name of Rules and commencement

1.1(1) These Rules are the Undergraduate Awards Rules 2012.

(2) These Rules commence on the day after they are registered.

OBJECT OF THESE RULES

These Rules are intended to set up the platform upon which the University's undergraduate degrees and undergraduate diplomas are based. They are meant to be read in conjunction with the Undergraduate Handbook Rules and the Handbook itself as it appears on the web.

In these Rules you will find generally applicable information about doing an undergraduate degree or diploma at the University, including the range of awards offered, the combinations available for combined programs and obtaining status for work already done.

Details about specific courses, prerequisites, incompatible courses, sequences and combinations of courses, honours programs and other matters relating to particular awards

and courses are to be found in the Handbook. The relevant parts of the Handbook are given legislative authority by the Undergraduate Handbook Rules.

Definitions are used to draw the distinction between single and combined award programs and their components. This enables the Rules to cover all undergraduate awards in the same way.

1.2 Application

1.2(1) These Rules, and Orders made under these Rules, apply in relation to a program commenced or continued on or after the commencement of these Rules.

(2) For rule 7.1, these Rules are taken to be an amendment of the Bachelor Degrees Rules, and the Undergraduate Diplomas Rules, as in force immediately before the commencement of these Rules.

[NOTE: Although these Rules replace the Bachelor Degrees Rules and the Undergraduate Diplomas Rules, it is intended that they operate as amending Rules for rule 7.1.]

1.3 Interpretation

1.3(1) In these Rules, unless the contrary intention appears:

admission means admission to an undergraduate award program, or to a non-award program, at the University;

Deputy Vice-Chancellor, in relation to a matter, means the person who holds office as a Deputy Vice-Chancellor and who has portfolio responsibility for the matter;

Education Dean, in relation to admission, means:

- (a) for admission to a program for a single award, the Education Dean for the ANU College in which the relevant program is offered; and
- (b) for admission to a combined program:
 - (i) the Education Dean responsible for the program that has the higher entry level; but
 - (ii) if the programs have the same entry level, the Education Dean responsible for the component of the combined program in the ANU College first mentioned in the definition of ANU College in the Programs and Awards Statute;

award means an undergraduate degree or diploma, as the case requires;

bachelor honours degree means a program undertaken as an honours program from its commencement, details of which are published in the Handbook;

combined program means a program leading to the award of 2 degrees in accordance with Part 4;

course means a subject of scholarly study taught:

- (a) in a connected series of classes or demonstrations; or
- (b) by means of practical work, including the production by students of essays or theses or case studies or the attendance and participation by students in seminars or workshops;

Course Authority means a person appointed under subrule 1.5(2) by the Education Dean or the appropriate Delegated Authority;

degree means a degree mentioned in Part 1 of the Schedule, a combined program mentioned in Part 2 of the Schedule (or a component degree of a combined program) or a joint program mentioned in Part 3 of the Schedule, as the case requires;

Delegated Authority means the person appointed by the Education Dean under subrule 1.5(1);

diploma means an undergraduate diploma referred to in column 2 of an item in Part 4 of the Schedule;

Handbook Rules and **Handbook** means the Undergraduate Handbook Rules;

non-award program means a program of study that does not lead to an award;

Orders, for an award, means the Orders, published (or to be published) in the Handbook under rule 9 of the Handbook Rules, that relate to the award, or, for a component of a combined program, the Orders so published (or to be so published) that relate to that component;

[NOTE: For example, a reference to the Orders in relation to the degree of Bachelor of Actuarial Studies is a reference to so much of the Degree of Bachelor of Actuarial Studies (Courses) Order (however called) as is included in the relevant Part of the Handbook.]

program means a course of study, or a series of courses of study, leading to an award or a non-award program, as the case requires;

status means recognition of a course or other relevant undergraduate work undertaken at the University or at a similar institution towards a student's academic program, and includes advanced standing and recognition of prior learning;

student means a person admitted to undertake all or part of a program.

(2) A reference in these Rules to value for a course is a reference to the value, in units, of the course.

(3) Notwithstanding anything else in these Rules, if the Deputy Vice-Chancellor arranges for a dual or joint program to be offered in conjunction with another tertiary education institution, the legislation of the University, including these Rules and the Orders, applies to a student undertaking the program who is located at the University together with any additional requirements set out in the arrangement with the other institution.

1.4 Orders

1.4(1) For these Rules:

- (a) the appropriate Education Dean may make Orders about courses; and
- (b) the Deputy Vice-Chancellor, with the advice of the appropriate Education Dean, may make Orders about requirements for completion of programs.

(2) The Orders may set out, for each course an ANU College offers:

- (a) the course's name; and
- (b) the course's identifying code; and
- (c) the course's unit value; and
- (d) the prerequisites and co-requisites (if any) for taking the course; and
- (e) if there are any other courses with which the course is regarded as incompatible the names of those courses; and

1.5 Appointments

1.5(1) An Education Dean may appoint a member of the staff of the ANU College to be a Delegated Authority for the purposes of these Rules.

(2) An Education Dean or the appropriate Delegated Authority may appoint a member of the staff of the ANU College to be a Course Authority for the purposes of these Rules.

PART 2 – ADMISSION, PROGRAMS AND COURSES: GENERAL

2.1 Admissions: application

2.1(1) A person desiring admission to a program at the University must apply for admission in accordance with application procedures issued by the Registrar from time to time.

(2) An application for admission is to be in a form approved by the Registrar.

2.2 Admissions

2.2(1) The appropriate Delegated Authority may admit a person to a program if the person satisfies the standard qualifications contained in guidelines available from the University.

(2) The appropriate Delegated Authority may admit a person to a program if the person has non-standard qualifications which, in the opinion of the Delegated Authority, indicate that the person has the capacity and educational background to pursue that program successfully.

(3) In reaching a decision under subrule (2), the Delegated Authority may request advice from any appropriate body or person.

(4) However, unless the Deputy Vice-Chancellor determines otherwise, an applicant must meet the minimum English language requirements determined by the Deputy Vice-Chancellor for admission to the University.

(5) A Delegated Authority may withhold admission to a program from any applicant.

(6) To avoid doubt, if a person presents or relies on false or misleading information in relation to his or her application for admission, (whether the person has enrolled or not) the Delegated Authority may:

- (a) withhold or withdraw the person's admission; or
- (b) direct the Registrar to withdraw a notice of admission given under subrule 2.3(1).

2.3 Notice of admission

2.3(1) The Registrar must cause to be given to each applicant who has been admitted to a program notice in writing of his or her admission.

(2) The notice referred to in subrule (1) must specify the year in relation to which, and the purpose for which, the admission is effective.

(3) A person does not become enrolled as a student only because the person is admitted to a program.

(4) The Registrar may enrol a person as a student if the person has been admitted to the University in accordance with rule 2.2.

(5) A person who is admitted in accordance with rule 2.2 must enrol in a course leading to the program for which the person is admitted.

2.4 Alternative admission

2.4(1) A Delegated Authority may admit as a student for a diploma administered by an ANU College a person who was, immediately before applying for admission, undertaking a degree or another diploma offered by the University.

(2) A person admitted as a student in a program for a diploma under subrule (1) is taken to have commenced the program on the date on which the student commenced the program for the degree or a diploma for which the person was previously admitted.

(3) The Delegated Authority may admit a student under this rule conditionally or refuse to admit such a student.

2.5 Undertaking and deferring programs

2.5(1) A person must be admitted to a program for the relevant year to be eligible to undertake the program.

(2) However, if a person admitted, for a year, to undertake a program for an award withdraws from that program before a final assessment is made of the person's academic performance in at least one course prescribed for that program, then that person is not eligible to recommence that program, or to commence any other program, or to undertake a course prescribed for a program, unless he or she is admitted for the relevant program in accordance with these Rules.

(3) In spite of subrule (2), a person who is admitted to a program for an award may, with the approval of the appropriate Delegated Authority, defer his or her program for one year without penalty.

(4) A person is eligible to undertake a non-award program only in a year in relation to which the person is also admitted.

2.6 Degrees that may be conferred

2.6(1) A degree may be conferred as a pass degree or as a degree with honours.

(2) However, a bachelor honours degree may only be conferred as a degree with honours.

[NOTE: Rule 17 of the Discipline Rules provides for withholding of awards where obligations to the University have not been met.]

2.7 Concurrent studies

2.7(1) Except with the permission of the Delegated Authority, a student must not undertake a program at the same time as undertaking a degree, diploma or other award program offered by:

- (a) another ANU College; or
- (b) another tertiary education institution.

2.8 How must courses be chosen?

2.8(1) A student must choose the courses of his or her program, and make any change to that choice, in accordance with the Orders.

(2) However, if the Orders indicate that the approval of a Delegated Authority must be obtained for the choice or number of courses that may be undertaken in a particular program, a student wishing to undertake that program must get that approval.

[NOTE: For the degree of Bachelor of Medicine, Bachelor of Surgery, courses are mandatory and are set out in the Orders.]

2.9 How may a student be assessed?

2.9(1) A student undertaking a program must submit to assessment in the courses of the program as required by the Delegated Authority concerned.

(2) A student may only be admitted to assessment in any of the courses of a program if he or she has attended the classes, and carried out work in the courses of the program, to the satisfaction of the Course Authority concerned.

(3) However, a student must not be refused an assessment by reason only of the fact that the student failed to attend a class or carry out work if the student was not given reasonable notice that he or she was required to attend the class or carry out the work.

(4) Coursework is to be assessed in accordance with the Assessment Rules.

(5) Theses and assessments are to be written and conducted in the English language unless the Deputy Vice-Chancellor, acting on the recommendation of the Delegated Authority, determines otherwise.

2.10 Language of instruction

2.10(1) Unless the Deputy Vice-Chancellor determines otherwise, a program is to be conducted in the English language.

2.11 What are the time-limits for a program?

2.11(1) Unless the appropriate Delegated Authority otherwise determines, a student must finish his or her program:

- (a) if the program is a single degree program—in not more than 10 years after beginning it; and
- (b) if the program is a combined degree program for which the total value mentioned in the Schedule is less than 240 units—in not more than 10 years after beginning it; and
- (c) if the program is a combined degree program for which the total value mentioned in the Schedule is 240 units or more—in not more than 11 years after beginning it; and
- (d) if the program is a diploma program—in not more than 5 years after beginning it.

(2) However, if status is granted under rule 3.4, 3.8 or 5.3 for work done elsewhere, the relevant Delegated Authority may fix a time, not more than the maximum period for the

program, within which the student undertaking a pass degree or a diploma must comply with these Rules.

(3) However, a student undertaking a degree with honours may only be granted the degree if the student:

- (a) finishes the program for the corresponding pass degree within the period mentioned in subrule (1) or (2); and
- (b) finishes the honours year of that program, to the satisfaction of the Delegated Authority, in 1 year as a full-time student or 2 years as a part-time student.

(4) Also, a student undertaking a degree with honours may only be granted the degree if:

- (a) for a student undertaking 1 honours program, or a combined honours program—he or she undertakes the honours year immediately after finishing the requirements for the corresponding pass degree; and
- (b) for a student undertaking 2 honours programs—he or she undertakes the honours year of each program:
 - (i) immediately after completing the requirements for the corresponding pass degree; or
 - (ii) immediately after completing the honours year for the other component degree.

(5) However, if a student undertakes an honours program for which he or she is not required to undertake an honours year, subrules (1) and (2) apply to that student for that program and subrules (3) and (4) do not.

(6) The appropriate Delegated Authority may change a time limit mentioned in subrule (3) or (4) for an honours degree.

2.12 Program leave of absence

2.12(1) The Delegated Authority may approve leave of absence for a student from the student's program.

(2) If the Delegated Authority approves the leave of absence, the period of leave must be included in the maximum period of the program.

2.13 Application of Academic Progress Rules

2.13(1) The Academic Progress Rules apply in relation to an award and, in relation to a diploma, those Rules apply as if the diploma were a degree.

- (a) courses for which the student may not receive status if taken with other courses; and
- (b) a maximum number of courses for which the student may receive status in any year; and
- (c) a maximum number of units for which the student may receive status for taking specified courses; and
- (d) subject to any relevant Orders, any other condition to which the taking of a particular course is subject.

[NOTE: The Orders generally mention courses that are incompatible with, or that may not be taken concurrently with, or after completion of, other courses and prerequisites and co-requisites to the taking of particular courses.]

3.4 How to get status in pass program for previous work

3.4(1) The Delegated Authority may grant a student who has carried out work or completed part of a program at this University or at another university or similar institution such status in the program for a pass degree as the Delegated Authority determines, having regard to all the circumstances.

3.11 How may an honours year be cancelled?

3.11(1) If a student is not making satisfactory progress in an honours program, the Delegated Authority may cancel the enrolment of the student for the degree with honours.

(2) If, under subrule (1), the Delegated Authority cancels the enrolment of a student for a degree with honours, the student is to be regarded, for rule 3.15, as having abandoned the program for the degree with honours.

 - (ii) make a new decision.

(9) In determining an appeal, the Deputy Vice-Chancellor may inform himself or herself as he or she sees fit.

(10) The decision of the Deputy Vice-Chancellor and the reasons for the decision must be given in writing to the applicant by the Deputy Vice-Chancellor within 7 working days of the decision.

(11) However, if a person seeking a review of a decision under subrule (2), or an appellant under subrule (7), is already enrolled under these Rules, he or she is entitled to remain enrolled pending the outcome of the review or appeal.
