Dear Madam/Sir

Please find attached two (2) copies of a revised Explanatory Statement (ES) for the above named instrument. The ES has been revised for the purposes of compliance with the *Legislative Instruments Act 2003* to insert details of the consultation undertaken by the ATSB.

This material has also been provided to the Federal Register of Legislative Instruments (FRLI) for lodgement. I would be grateful if you could arrange for this material to be tabled on the next available day, which I understand is 14 May 2013.

Yours sincerely
