

# **Nation Building Program Roads to Recovery Program Conditions Variation FC2013/1**

## **Explanatory Statement**

Part 8 of the *Nation Building Program (National Land Transport) Act 2009* provides for funding for road work to be provided to local government authorities in Australia.

Section 90 requires the Minister to determine in writing the conditions that apply to payments and with which funding recipients must comply in order to receive funding under Part 8 of the Act. The determination is a legislative instrument for the purposes of the *Legislative Instruments Act 2003*.

The conditions were determined on 9 September 2009 and amended on 25 November 2010 and 19 April 2010. In the process of amendment, some errors were made in the referencing of clauses in Part 3 of the conditions. This variation corrects these errors.
