

EXPLANATORY STATEMENT

Financial Management and Accountability Act 1997

FMA Act Determination 2013/20 — Section 32 (Transfer of Functions from DEEWR to Education and Employment) (the Determination)

Purpose of the Determination

The Determination is made under section 32 of the *Financial Management and Accountability Act 1997* (FMA Act), to adjust amounts appropriated to particular agencies in response to the Administrative Arrangements Order made on 18 September 2013.

The Determination further adjusts appropriations to support functions transferring from the former Department of Education, Employment and Workplace Relations to:

- the Department of Education (Education), in relation to education; and
- the Department of Employment (Employment), in relation to employment.

This Determination is the third transfer of appropriations in relation to the abolition of the Department of Education, Employment and Workplace Relations. An initial transfer of appropriations occurred on 18 September 2013, under *FMA Act Determination 2013/06 — Section 32 (Transfer of Functions from DEEWR to Education and Employment)*. A second transfer of appropriations commenced on 1 December 2013, under *FMA Act Determination 2013/19 — Section 32 (Transfer of Functions from DEEWR to PM&C)*. The further movement of appropriations will occur in due course.

Transfer of Functions generally

Section 32 of the FMA Act enables the Finance Minister to determine that one or more Schedules to one or more Appropriation Acts are amended in a specified way in relation to the transfer of a function from one Agency to another.

Under section 62 of the FMA Act, the Finance Minister has delegated the power to make determinations under section 32 to the Secretary of the Department of Finance. Under section 53 of the FMA Act, the Secretary has, in turn, sub-delegated this power to certain Senior Executive Service officials within the Department of Finance, including the official who made the Determination.

The Determination is a legislative instrument for the purposes of section 5 of the *Legislative Instruments Act 2003*.

Statement of Compatibility with Human Rights

A Statement of Compatibility with Human Rights is not required for the Determination. Subsection 9(1) of the *Human Rights (Parliamentary Scrutiny) Act 2011* requires a Statement of Compatibility with Human Rights for all legislative instruments subject to disallowance under section 42 of the *Legislative Instruments Act 2003*. A determination under section 32 of the FMA Act is exempt from disallowance under subsection 32(7) of the FMA Act. As such, a Statement of Compatibility with Human Rights is not required.

Consultation and Impact

Consistent with Part 3 of the *Legislative Instruments Act 2003*, Education and Employment were consulted in the preparation of the Determination.
