Guide to this Schedule

This Schedule repeals amending and repealing legislative instruments that are spent, and that would have been repealed automatically under section 48A of the *Legislative Instruments Act 2003* if they had been made after the commencement of that section. Schedule 2—Repeal of commencement instruments

Guide to this Schedule

This Schedule repeals a commencement instrument that is spent, and that would have been repealed automatically under section 48B of the *Legislative Instruments Act 2003* if it had been made after the commencement of that section.

The repeal of the instrument by this Schedule does not affect any commencement the instrument provides for: see subsection 6(2).

Repeal of commencement instruments

Item	Instrument name and series number (if any)	FRLI identifier
1	Proclamation for the <i>Defence Legislation Amendment Act 2011</i> (made on 22 February 2012)	<u>F2012L00395</u>

Schedule 3—Repeal of amending and repealing instruments containing other provisions

Guide to this Schedule

This Schedule repeals amending and repealing legislative instruments that also contain application, saving or transitional provisions. The amendments and repeals have happened, and the application, saving or transitional provisions are no longer required. The instruments do not contain any other substantive provisions.

To assist the reader, the location of each application, saving or transitional provision in an instrument is identified in brackets after its name, with “s” used to indicate the provision (e.g. “s. 4” may refer to section 4, regulation 4, clause 4 or the fourth provision of some other type as appropriate).

The repeal of an instrument by this Schedule does not affect any amendment or repeal made by the instrument: see paragraph 7(2)(a). Also, to ensure that the repeal of the application, saving or transitional provisions does not have any unforeseen effect, and to remove any doubt that may otherwise exist, any continuing operation they may have is preserved: see paragraph 7(2)(b).

Guide to this Schedule

This Schedule repeals legislative instruments that are spent or no longer required, and that are not covered by the previous Schedules.

More information about why the instruments are spent or no longer required is provided in the explanatory statement accompanying this regulation.

The repeal of an instrument by this Schedule does not affect any amendment or repeal made by the instrument: see paragraph 8(2)(a). Also, to ensure that the repeal of the application, saving or transitional provisions does not have any unforeseen effect, and to remove any doubt that may otherwise exist, any continuing operation they may have is preserved: see paragraph 8(2)(b).
