The purpose of this section is to set out matters that the accountable authority of a Commonwealth entity must include in the entity's corporate plan.

The corporate plan may also include other matters and, for some Commonwealth entities, the Act (see subsections 35(3) and (5)) or the entity's enabling legislation may require that other matters be included in the plan.

A corporate plan is prepared for a single reporting period for a Commonwealth entity. However, each plan must cover at least 4 reporting periods: the reporting period for which the plan is prepared and at least the following 3 reporting periods.

This section is made for subsections 35(1) and (2) of the Act.

Period corporate plan must cover

- (1) The corporate plan for a Commonwealth entity must cover a period of at least 4 reporting periods for the entity, starting on the first day of the reporting period for which the plan is prepared under paragraph 35(1)(a) of the Act.

Matters that must be included in corporate plan

5	Performance	For each reporting period covered by the plan, details of how the entity's performance in achieving the entity's purposes will be measured and assessed through: (a) specified performance measures for the entity that meet the requirements of section 16EA; and (b) specified targets for each of those performance measures for which it is reasonably practicable to set a target.

Corporate plan must be published

- (3) The corporate plan must be published on the entity's website by the last day of the second month of the reporting period for which the plan is prepared.
- (4) However, if the accountable authority considers that the corporate plan contains information that:
- (a) is confidential or commercially sensitive; or
 - (b) could prejudice national security;
- then only so much of the corporate plan that does not contain that information must be published under subsection (3).

Corporate plan must be given to Ministers

- (5) The corporate plan, and any version of the plan referred to in subsection (4), must be given to the responsible Minister and the Finance Minister:
- (a) as soon as practicable after the plan is prepared; and
 - (b) before the plan, or the version, is published under subsection (3).

Section 16EA

- (b) subsection (3) applies as if it requires the plan to be published as soon as practicable after the plan is prepared (instead of it requiring the plan to be published by the day specified in that subsection).

Corporate plan for new entity

- (7) If the entity is established at the start of, or during, the reporting period for which the plan is prepared, then subsection (3) applies as if it requires the plan to be published as soon as practicable after the plan is prepared (instead of it requiring the plan to be published by the day specified in that subsection).

16EA Performance measures for Commonwealth entities

Guide to this section

The purpose of this section is to set out the requirements for the performance measures for a Commonwealth entity.

The performance measures must be included in the entity's corporate plan (see subsection 16E(2)) and are used to measure and assess the entity's performance in a reporting period (see subsection 16F(1)).

This section is made for subsection 35(2) of the Act.

Division 2—Performance of Commonwealth entities

16F Annual performance statements for Commonwealth entities

Guide to this section

The annual performance statements may also include other matters and, for some Commonwealth entities, the entity's enabling legislation may require that other matters be included in the performance statements.

A Commonwealth entity's corporate plan and any Portfolio Budget Statement, Portfolio Additional Estimates Statement or other portfolio estimates statement for a reporting period set out how the entity's performance will be measured and assessed in achieving the entity's purposes in the reporting period. The entity's annual performance statements, which set out the results of that measurement and assessment, are included in the entity's annual report for the reporting period. The measurement and assessment relate only to that particular reporting period, even though the corporate plan sets out how the entity's performance will be measured and assessed for at least 4 reporting periods.

This section is made for subsection 38(2) and paragraph 39(2)(b) of the Act.

Measuring and assessing entity's performance

- (1) In preparing the annual performance statements for a Commonwealth entity for a reporting period, the accountable authority of the entity must measure and assess the entity's performance in achieving the entity's purposes in the reporting period in accordance with the method of measuring and assessing the entity's performance in the reporting period that was set out in the entity's corporate plan, and in any Portfolio Budget Statement, Portfolio Additional Estimates Statement or other portfolio estimates statement, that were prepared for the reporting period.

Note: Annual performance statements for a Commonwealth entity must be prepared for a reporting period for the entity and included in the entity's annual report for that reporting period (see subsection 39(1) of the Act).

- (2) If the Finance Minister does so, the accountable authority (the *old accountable authority*) of the old entity must not prepare annual performance statements, annual financial statements and an annual report for the old entity.
- (3) Instead, the accountable authority of the nominated entity must:
 - (a) prepare annual performance statements for the old entity as follows:
 - (i) subject to subparagraph (ii), the statements must be the annual performance statements that the old accountable authority would have been required to prepare apart from subsection (2);

Section 17G

- (b) prepare the annual financial statements for the old entity that the old accountable authority would have been required to prepare apart from subsection (2); and
- (c) prepare an annual report for the old entity as follows:

 - (ii) the report must only include information relating to the non-transferred functions; and
- (d) include a copy of the annual performance statements in the annual report; and
- (e) give the annual financial statements to the Auditor-General as soon as practicable after they are prepared; and
- (f) give the annual report to the nominated entity's responsible Minister, for presentation to the Parliament.

17G Commonwealth entity has not ceased to exist—all of its functions have been transferred

If:

- (a) all of the functions of a Commonwealth entity (the *old entity*) have been transferred to one or more other Commonwealth entities; and
- (b) the old entity has not ceased to exist;

annual performance statements, annual financial statements and an annual report must not be prepared for the old entity.

Note: The information that would have been included in the annual performance statements, annual financial statements and annual report for the old entity must be included in the statements and reports for the Commonwealth entity or entities to which the functions have been transferred: see Subdivision C.

Subdivision C—Reporting in relation to transferred functions

17H Guide to this Subdivision

The purpose of this Subdivision is to set out requirements relating to reporting in relation to a function or functions that have been transferred from one Commonwealth entity (the *old entity*) to another.

For reporting in relation to functions of the old entity that have not been transferred (if any), see section 17C or 17F.

This Subdivision is made for the purposes of paragraph 102(1)(h) of the Act.

17J Reporting in relation to transferred functions

Application of section

- (1) This section applies if a function or functions of a Commonwealth entity (the *old entity*) have been transferred to another Commonwealth entity (the *new entity*) (whether or not the old entity has ceased to exist).

Meaning of reporting entity

- (2) The *reporting entity* is:
 - (a) the Commonwealth entity nominated under subsection (3); or
 - (b) if no Commonwealth entity is nominated under subsection (3)—the new entity.
- (3) The Finance Minister may, in writing, nominate the accountable authority of a Commonwealth entity to report in relation to the transferred functions.

Annual performance statements

- (4) The information about the old entity's performance of the transferred function or functions that would, apart from this Division, have been required to have been included in the annual performance statements for the old entity must instead be included in the annual performance statements for the reporting entity.

Annual financial statements

- (5) If:
 - (a) the old entity has ceased to exist; or
 - (b) all of the functions of the old entity have been transferred to one or more other Commonwealth entities;

then, for the purposes of preparing the annual financial statements for the reporting entity, the old entity is taken to have been part of the reporting entity at all times during the relevant reporting period, to the extent that the functions of the old entity have been transferred to the new entity.

Note If subsection (5) does not apply, the ordinary requirements in relation to the preparation of annual financial statements apply in relation to the annual financial statements for the old entity and the reporting entity, subject to Subdivision B.

Annual report

- (6) The information relating to the transferred function or functions that would, apart from this Division, have been required to have been included in the annual report for the old entity must instead be included in the annual report for the reporting entity.

Section 17K

Subdivision D—Miscellaneous

17K Determinations by Finance Minister

This section is made for the purposes of paragraph 102(1)(h) of the Act.

- (1) This section applies if a function of a Commonwealth entity (the *old entity*) has been transferred to another Commonwealth entity (the *new entity*) (whether or not the old entity has ceased to exist).

 - (a) the preparation, auditing and giving of financial statements and performance statements for Commonwealth entities for the reporting period in which the transfer occurred; and
 - (b) the preparation and giving of annual reports for Commonwealth entities for that reporting period;the transfer is to be taken not to have occurred and anything done by the new entity in the performance of the function during the reporting period is taken to have been done by the old entity.
- (3) To avoid doubt, and without limiting the effect of a determination made under subsection (2), a determination made under that subsection has effect for the purposes of Subdivisions A to C.

Part 2-4—Use and management of public resources

Division 1—Commitments of relevant money

18 Approving commitments of relevant money

Guide to this section

The accountable authority responsible for relevant money has a duty under section 15 of the Act to promote the proper use of the money (i.e. the efficient, effective, economical and ethical use of the money). This duty applies when it approves commitments of relevant money.

If the accountable authority delegates its power to approve commitments of the money to an official, or otherwise authorises an official to exercise that power, the accountable authority still needs to comply with its duty to promote the proper use of the money. Some of the ways it may do this when the official is exercising the power is to impose conditions in the delegation or authorisation, give directions about the exercise of that power, or give instructions to the official about the proper use of that money.

The purpose of this section is to require the accountable authority, or an official, to make a record when the authority or official approves a commitment of relevant money.

It is also to emphasise the following 2 points:

- If the official is acting under a delegation or authorisation by the accountable authority when approving a commitment of relevant money, the official must exercise the power consistently with the accountable authority's delegation or authorisation. For example, if the accountable authority specifies conditions in the delegation or authorisation, or gives directions, about the proper use of the money, then the official must comply with those conditions or directions.
- The official must comply with any instructions (including instructions about proper use of the money) given by the accountable authority.

The official must also comply with his or her duties under sections 25 to 29 of the Act (which are about the general duties of officials) when approving a commitment of relevant money. In particular, sections 25 and 26 of the Act require the official to act with care and diligence, and for a proper purpose, when approving those commitments. (As accountable authorities are also officials, those duties apply to them too when approving commitments of relevant money.)

This section is made for section 52 of the Act.

Section 18

(1) If:

- (a) the accountable authority of a Commonwealth entity is approving the commitment of relevant money for which the accountable authority is responsible; or
- (b) an official of a Commonwealth entity is approving the commitment of relevant money for which the accountable authority of a Commonwealth entity is responsible;

then the accountable authority or official must record the approval in writing as soon as practicable after giving it.

Note: The accountable authority referred to in paragraph (b) may be the accountable authority of the same Commonwealth entity as the official or it may be the accountable authority of a different Commonwealth entity.

(2) To avoid doubt, the official must approve the commitment, and record the approval, consistently with any written requirements (including any requirements relating to the proper use of that money and spending limits) specified by the accountable authority referred to in paragraph (1)(b) in:

- (a) if the official is acting under a delegation or authorisation of the accountable authority:
 - (i) the instrument that delegates to the official, or otherwise authorises the official to exercise, the accountable authority's power to approve the commitment of relevant money; or
 - (ii) a direction to the official in relation to the exercise of that power; or
- (b) instructions given by the accountable authority.

- (2) An agreement with a bank relating to the conduct of the banking business of CSC must provide for the following in relation to amounts specified in subsection (1):

 - (b) for processes to be in place to allow cash held in Australia to be consolidated each day within the Official Public Account held with the Reserve Bank of Australia.
- (3) Any interest earned on CSC bank accounts must be transferred to the Official Public Account.

This section is made for paragraph 55(2)(b) of the Act.

If an official of a Commonwealth entity receives bankable money that is to be held for the purposes of making payments in relation to a Commonwealth entity, then the official must deal with the money in accordance with any requirements prescribed by the instructions of the accountable authority of a Commonwealth entity that is responsible for the money, despite section 19 (which would otherwise require the money to be deposited in a bank).

21 Dealing with unbankable money received by officials

The purpose of this section is to require the Finance Minister to consider the report of an advisory committee before making certain authorisations (for example, waivers, set-offs and act of grace payments) that involve amounts of money above \$500 000.

This section is made for subsections 63(2), 64(1A) and 65(2) of the Act.

- (4) After the payment is made, the Commonwealth has no further liability in relation to the amount that was owed.
- (5) This section does not relieve the recipient from a liability to deal with the money in accordance with law.

Division 6A—CCE grants made by or on behalf of corporate Commonwealth entities

25A Guide to this Division

This Division sets out requirements relating to certain grants of relevant money made by or on behalf of corporate Commonwealth entities in circumstances where a Minister is involved in making the grants.

The requirements apply to the accountable authorities of the entities making the grants as well as to the Ministers involved. They relate to matters arising before and after the grants are made, including the making and publishing of grant guidelines, giving advice to Ministers and publishing information about the grants.

There are reporting requirements that apply to Ministers who approve the making of grants in their own electorates or against the recommendation of a corporate Commonwealth entity.

This Division is made for paragraphs 71(2)(b) and 102(1)(a) and (b) of the Act.

25B Requirements for making CCE grants where Minister involved

Scope

- (1) This section applies in relation to one or more CCE grants of a particular kind to be made by or on behalf of a corporate Commonwealth entity if a Minister is to approve the making of the CCE grants.

Preparation and publication of grant guidelines

- (2) The accountable authority of the entity must:
 - (a) prepare written guidelines for that kind of CCE grant; and
 - (b) publish those guidelines on GrantConnect, unless:
 - (i) the accountable authority or the Minister decides that there is a specific policy reason to not publicise the guidelines; or
 - (ii) that kind of CCE grant is provided on a one-off or ad hoc basis.

Note: GrantConnect could in 2020 be viewed on the GrantConnect website (see <https://www.grants.gov.au>).

- (3) For the purposes of subparagraph (2)(b)(ii), circumstances in which a CCE grant is provided on a one-off or ad hoc basis include the circumstance where:
 - (a) there is an urgent need for payment to a person or body to address an unexpected or unforeseen need; and
 - (b) there is not a planned process to be used to select potential recipients of that kind of CCE grant; and

Section 25C

Information to be given to Minister

- (5) The accountable authority must give the Minister a written notice that complies with section 25C for a CCE grant of that kind if:
- (a) the corporate Commonwealth entity:
 - (i) recommends to the Minister that the CCE grant be made; and
 - (ii) seeks the approval of the Minister for the making of the CCE grant; or
 - (b) both of the following apply:
 - (i) the corporate Commonwealth entity recommends to the Minister that the CCE grant not be made;
 - (ii) despite that recommendation, the Minister informs the entity that the Minister is considering approving the making of the CCE grant (and requesting that the CCE grant be made by the entity or on its behalf).

Minister to assess information

- (6) The Minister must not approve the making of a CCE grant of that kind without first:
- (a) receiving a notice referred to in subsection (5) for the CCE grant; and
 - (b) assessing the CCE grant by having regard to the matters included in that notice; and
 - (c) creating a record of that assessment.

Note: Subsection 71(1) of the Act provides that a Minister must not approve a proposed expenditure of relevant money unless the Minister is satisfied, after making reasonable inquiries, that the expenditure would be a proper use of relevant money.

25C Requirements for advising Ministers involved in making CCE grants

A written notice given to a Minister by the accountable authority of a corporate Commonwealth entity complies with this section for a CCE grant if the notice includes the following:

 - (iii) any applications for that kind of CCE grant that do not satisfy any of those criteria;
- (i) any recommendations of the entity in relation to the CCE grant.

 - (d) the CCE grant is not of a kind that is made across a region by applying a formula.
- (2) The Minister must, as soon as practicable after the CCE grant is made, give a written notice to:
 - (a) if the Minister is the Finance Minister—the Prime Minister; or
 - (b) otherwise—the Finance Minister.
- (3) The notice must include the following:
 - (a) details of the CCE grant;
 - (b) if the CCE grant was made despite the recommendation of a corporate Commonwealth entity—a statement to that effect;
 - (c) the Minister's reasons for approving the making of the CCE grant;
 - (d) a copy of any correspondence between the Minister and the recipient of the CCE grant.

Section 25E

25E Reporting requirements for Minister where Minister approves CCE grant despite recommendation of corporate Commonwealth entity

- (1) This section applies if:
 - (a) a corporate Commonwealth entity recommends to a Minister that a CCE grant not be made; and
 - (b) the Minister approves the making of the CCE grant; and
 - (c) the CCE grant is made by or on behalf of the corporate Commonwealth entity.
- (2) The Minister must:
 - (a) give a written notice to:
 - (i) if the Minister is the Finance Minister—the Prime Minister; or
 - (ii) otherwise—the Finance Minister; and
 - (b) do so by the first 31 March after the end of the calendar year in which the approval is given.
- (3) The notice must include:
 - (a) details of the CCE grant; and
 - (b) the Minister’s reasons for approving the making of the CCE grant.

25F Publication requirements for CCE grants made with Minister’s approval

- (1) This section applies if a CCE grant is made by or on behalf of a corporate Commonwealth entity after being approved by a Minister.
- (2) The accountable authority of the corporate Commonwealth entity must:
 - (a) publish the following information about the CCE grant on GrantConnect:
 - (i) the name of the recipient of the CCE grant;

 - (iv) whether there are confidentiality provisions relating to the CCE grant;
 - (v) any other matters relating to the CCE grant that the accountable authority considers relevant; and
 - (b) do so within 21 days after the day on which the CCE grant commences.

Note: GrantConnect could in 2020 be viewed on the GrantConnect website (see <https://www.grants.gov.au>).

- (3) However, nothing in this section requires the accountable authority to publish particular information about the CCE grant if the accountable authority or the Minister decides that publishing that particular information:
 - (a) would contravene:
 - (i) the *Privacy Act 1988* or another law of the Commonwealth, or of a State or Territory; or
 - (ii) any terms or conditions relating to the CCE grant; or
 - (b) could reasonably be expected to adversely affect the achievement of a government policy outcome.

Note: This exception applies in relation to particular information about a CCE grant and does not affect the requirement under subsection (2) for the accountable authority to publish other information about the CCE grant. For example, if the accountable authority decides that publishing certain personal information would contravene the *Privacy Act 1988*, that information may not be published, but the accountable authority must publish so much of the other information required under subsection (2) as is not personal information or otherwise covered by this subsection.

25G Additional record-keeping requirement where information not published

If an accountable authority of a corporate Commonwealth entity, or a Minister, makes a decision under paragraph 25B(2)(b) or subsection 25F(3), the accountable authority or the Minister, as the case may be, must record the reasons for that decision in writing.

25H Other matters

Nothing in this Division confers power on a Minister to approve the making of a CCE grant.

This section is made for subsection 74(1) of the Act.

Application of section

- (1) This section applies to an amount (the **received amount**) that is received by a non-corporate Commonwealth entity.

When received amounts may be credited to an appropriation

- (2) The received amount is an amount of a kind for subsection 74(1) of the Act if:
- (a) it is specified in the following table; and
 - (b) it was received by the entity in relation to the entity's departmental activities.

Kinds of amounts

Item	Amount
------	--------

1	An amount that offsets costs in relation to an activity of the entity.
2	An amount that is a sponsorship, subsidy, gift, bequest or similar contribution.
3	An amount that is a monetary incentive or rebate in relation to a procurement arrangement.
4	An amount that is an insurance recovery.
5	An amount that is in satisfaction of a claim for damages or other compensation.

8	An amount received in relation to an application to the entity under the <i>Freedom of Information Act 1982</i> .
9	An amount that is the balance standing to the credit of a special account, immediately before the instrument creating the special account sunsets, and agreed to by the Finance Minister.

- (2A) The received amount is an amount of a kind for subsection 74(1) of the Act if it relates to GST. In this case, the received amount may be credited to:

- (a) if the received amount relates to an activity of the entity, the funding for which a departmental item for the entity in an Appropriation Act is debited—that departmental item; or

- (6) Despite subsections (2) and (3), the received amount is not an amount of a kind for subsection 74(1) of the Act if:

 - (b) the costs incurred by the entity in relation to the sale;

- (8) Despite subsection (2A), if the received amount was transferred to the entity by the Commissioner of Taxation under section 18 of the *A New Tax System (GST, Luxury Car Tax and Wine Tax) Direction 2015*, then the received amount is not an amount of a kind for subsection 74(1) of the Act to the extent that the amount is attributable to one or more GST qualifying amounts that have been credited to an appropriation under section 74A of the Act.

- (1) The operation of subsection 107(1) and section 110 of the Act is modified, in relation to the power or function under paragraph 63(1)(b) of the Act, and the duty under section 11 of this rule, by applying to CSC as if CSC were a non-corporate Commonwealth entity.

 - (b) be in writing; and
 - (c) require the other CRF money to be deposited in a bank as soon as is practicable; and
 - (d) require the other party to the arrangement:
 - (i) to cause records to be kept that properly record and explain the receipt, custody or expenditure of the other CRF money; and
 - (ii) to allow those records to be conveniently and properly audited; and
 - (e) require any interest earned on the other CRF money to be remitted in full to the Commonwealth (including a requirement about the timing and frequency of remitting such interest); and
 - (f) include a requirement about the timing and frequency of any remittance of the other CRF money to the Commonwealth required under the arrangement; and
 - (g) include a requirement about the timing and frequency of any payments of the other CRF money to another person required under the arrangement.
- (3) **Proper**, when used in relation to the use or management of other CRF money, means efficient, effective, economical and ethical.

The *Legislation Act 2003* authorises First Parliamentary Counsel to make editorial and presentational changes to a compiled law in preparing a compilation of the law for registration. The changes must not change the effect of the law. Editorial changes take effect from the compilation registration date.

If the compilation includes editorial changes, the endnotes include a brief outline of the changes in general terms. Full details of any changes can be obtained from the Office of Parliamentary Counsel.

Misdescribed amendments

A misdescribed amendment is an amendment that does not accurately describe how an amendment is to be made.
