

**COMMONWEALTH OF AUSTRALIA**

**Environment Protection and Biodiversity Conservation Act 1999**

**Amendment of List of Exempt Native Specimens**

I, PAUL MURPHY, Assistant Secretary, Wildlife Trade and Biosecurity Branch, as Delegate of the Minister for the Environment, pursuant to subsection 303DC(1) of the *Environment Protection and Biodiversity Conservation Act 1999* (EPBC Act), hereby amend the list of exempt native specimens established under section 303DB of the EPBC Act by deleting from the list specimens and any associated restrictions or conditions as set out in Schedule 1, and by including in the list specimens and associated restrictions or conditions as set out in Schedule 2.

Dated this 12<sup>th</sup> day of August 2015

.....P Murphy.....

Delegate of the Minister for the Environment

## SCHEDULE 1

Under the heading Freshwater and Marine Animals delete from the list the following items and any associated notations:

<i>Taxon/Item</i>	<i>Common Name</i>	<i>Notation</i>
Specimens that are or are derived from fish or invertebrates, other than specimens that belong to species listed under Part 13 of the EPBC Act, taken in the Western Australian Abalone Managed Fishery as defined in the <i>Abalone Management Plan 1992</i> , in force under the <i>Western Australian Fish Resources Management Act 1994</i> and the <i>Western Australian Fish Resources Management Regulations 1995</i> .	Western Australian Abalone Managed Fishery	The specimen, or the fish or invertebrate from which it is derived, was taken lawfully; The specimens are included in the list until 12 September 2019.
Specimens that are or are derived from fish or invertebrates, other than specimens that belong to species listed under Part 13 of the EPBC Act, taken in the Western Australia Abrolhos Islands and Mid West Trawl Managed Fishery, as defined in the <i>Abrolhos Islands and Mid West Trawl Limited Entry Fishing Notice 1993</i> in force under the <i>Western Australia Fish Resources Management Act 1994</i> .	Western Australian Abrolhos Island and Mid-west Trawl Managed Fishery	The specimen, or the fish or invertebrate from which it is derived, was taken lawfully; The specimens are included in the list until 15 March 2018.
Specimens that are or are derived from fish or invertebrates, other than specimens that belong to species listed under Part 13 of the Act, taken in the Broome Prawn Managed Fishery, as defined in the <i>Broome Prawn Managed Fishery Management Plan 1999</i> , in force under the <i>Western Australian Fish Resources Management Act 1994</i> ;	Broome Prawn Managed Fishery	The specimen, or the fish or invertebrate from which it is derived, was taken lawfully; The specimens are included in the list until 20 August 2015.

<p>Specimens that are or are derived from fish or invertebrates, other than specimens that belong to species listed under Part 13 of the Act, taken in the Cocos (Keeling) Islands Marine Aquarium Fishery.</p>	<p>Cocos (Keeling) Islands Marine Aquarium Fish Fishery</p>	<p>The specimen, or the fish or invertebrate from which it is derived, was taken lawfully; The specimens are included in the list until 15 September 2016.</p>
<p>Specimens that are or are derived from fish or invertebrates, other than specimens that belong to species listed under Part 13 of the EPBC Act, taken in the Western Australia Exmouth Gulf Prawn Managed Fishery, as defined in the Exmouth Gulf Prawn Management Plan 1989 in force under the Western Australia <i>Fish Resources Management Act 1994</i>.</p>	<p>Western Australia Exmouth Gulf Managed Prawn Fishery</p>	<p>The specimen, or the fish or invertebrate from which it is derived, was taken lawfully; The specimens are included in the list until 8 February 2018.</p>
<p>Specimens that are or are derived from fish or invertebrates, other than specimens that belong to species listed under Part 13 of the Act, taken in the Gascoyne Demersal Scalefish Managed Fishery, as defined in the <i>Gascoyne Demersal Scalefish Managed Fishery Management Plan 2010</i>, in force under the Western Australian <i>Fish Resources Management Act 1994</i>.</p>	<p>Gascoyne Demersal Scalefish Managed Fishery</p>	<p>The specimen, or the fish or invertebrate from which it is derived, was taken lawfully; The specimens are included in the list until 4 December 2015.</p>
<p>Specimens that are or are derived from fish or invertebrates, other than specimens that belong to species listed under Part 13 of the Act, taken in the Kimberley Prawn Managed Fishery, as defined in the <i>Kimberley Prawn Management Plan 1993</i>, in force under the Western Australian <i>Fish Resources Management Act 1994</i>.</p>	<p>Kimberley Prawn Managed Fishery</p>	<p>The specimen, or the fish or invertebrate from which it is derived, was taken lawfully; The specimens are included in the list until 20 August 2015.</p>

<p>Specimens that are or are derived from fish or invertebrates, other than specimens that belong to species listed under Part 13 of the EPBC Act, taken in the Western Australian Mackerel Fishery, as defined in the Mackerel Managed Fishery Management Plan 2011, made under the Western Australian <i>Fish Resources Management Act 1994</i>.</p>	<p>Western Australian Mackerel Fishery</p>	<p>The specimen, or the fish or invertebrate from which it is derived, was taken lawfully; The specimens are included in the list until 13 November 2015.</p>
<p>Specimens that are or are derived from fish or invertebrates, other than specimens that belong to species listed under Part 13 of the Act, taken in the Nickol Bay Prawn Managed Fishery, as defined in the management regime in force under the Western Australian <i>Fish Resources Management Act 1994</i>.</p>	<p>Nickol Bay Prawn Managed Fishery</p>	<p>The specimen, or the fish or invertebrate from which it is derived, was taken lawfully; The specimens are included in the list until 20 August 2015.</p>
<p>Specimens that are or are derived from fish or invertebrates, other than specimens that belong to species listed under Part 13 of the Act, taken in the Northern Demersal Scalefish Managed Fishery, as defined in the Northern Demersal Scalefish Fishery Management Plan 2000, made under the Western Australian <i>Fish Resources Management Act 1994</i>.</p>	<p>Northern Demersal Scalefish Managed Fishery</p>	<p>The specimen, or the fish or invertebrate from which it is derived, was taken lawfully; The specimens are included on the list until 18 September 2015.</p>

## SCHEDULE 2

Under the heading Freshwater and Marine Animals include in the list the following items and associated notations:

Specimens that are or are derived from fish or invertebrates, other than specimens that belong to species listed under Part 13 of the EPBC Act, taken in the Western Australian Abalone Managed Fishery.	Western Australian Abalone Managed Fishery	The specimen, or the fish or invertebrate from which it is derived, was taken lawfully; The specimens are included on the list until 30 May 2025.
Specimens that are or are derived from fish or invertebrates, other than specimens that belong to species listed under Part 13 of the EPBC Act, taken in the Western Australian Abrolhos Islands and Mid West Trawl Managed Fishery.	Western Australian Abrolhos Islands and Mid West Trawl Managed Fishery	The specimen, or the fish or invertebrate from which it is derived, was taken lawfully; The specimens are included on the list until 30 May 2025.
Specimens that are or are derived from fish or invertebrates, other than specimens that belong to species listed under Part 13 of the EPBC Act, taken in the Western Australian Broome Prawn Managed Fishery.	Western Australian Broome Prawn Managed Fishery	The specimen, or the fish or invertebrate from which it is derived, was taken lawfully; The specimens are included on the list until 30 May 2025.
Specimens that are or are derived from fish or invertebrates, other than specimens that belong to species listed under Part 13 of the EPBC Act, taken in the Western Australian Cocos (Keeling) Islands Marine Aquarium Fishery.	Western Australian Cocos (Keeling) Islands Marine Aquarium Fishery	The specimen, or the fish or invertebrate from which it is derived, was taken lawfully; The specimens are included on the list until 30 May 2025.
Specimens that are or are derived from fish or invertebrates, other than specimens that belong to species listed under Part 13 of the EPBC Act, taken in the Western Australian Exmouth Gulf Prawn Managed Fishery.	Western Australian Exmouth Gulf Prawn Managed Fishery	The specimen, or the fish or invertebrate from which it is derived, was taken lawfully; The specimens are included in the list until 30 May 2025.

Specimens that are or are derived from fish or invertebrates, other than specimens that belong to species listed under Part 13 of the EPBC Act, taken in the Western Australian Gascoyne Demersal Scalefish Managed Fishery.	Western Australian Gascoyne Demersal Scalefish Managed Fishery	The specimen, or the fish or invertebrate from which it is derived, was taken lawfully; The specimens are included in the list until 30 May 2025.
Specimens that are or are derived from fish or invertebrates, other than specimens that belong to species listed under Part 13 of the EPBC Act, taken in the Western Australian Kimberley Prawn Managed Fishery.	Western Australian Kimberley Prawn Managed Fishery	The specimen, or the fish or invertebrate from which it is derived, was taken lawfully; The specimens are included in the list until 30 May 2025.
Specimens that are or are derived from fish or invertebrates, other than specimens that belong to species listed under Part 13 of the EPBC Act, taken in the Western Australian Mackerel Fishery.	Western Australian Mackerel Fishery	The specimen, or the fish or invertebrate from which it is derived, was taken lawfully; The specimens are included in the list until 30 May 2025.
Specimens that are or are derived from fish or invertebrates, other than specimens that belong to species listed under Part 13 of the EPBC Act, taken in the Western Australian Nickol Bay Prawn Managed Fishery.	Western Australian Nickol Bay Prawn Managed Fishery	The specimen, or the fish or invertebrate from which it is derived, was taken lawfully; The specimens are included in the list until 30 May 2025.
Specimens that are or are derived from fish or invertebrates, other than specimens that belong to species listed under Part 13 of the EPBC Act, taken in the Western Australian Northern Demersal Scalefish Managed Fishery.	Western Australian Northern Demersal Scalefish Managed Fishery	The specimen, or the fish or invertebrate from which it is derived, was taken lawfully; The specimens are included in the list until 30 May 2025.
Specimens that are or are derived from fish or invertebrates, other than specimens that belong to species listed under Part 13 of the EPBC Act, taken in the Western Australian Onslow Prawn Managed Fishery.	Western Australian Onslow Prawn Managed Fishery	The specimen, or the fish or invertebrate from which it is derived, was taken lawfully; The specimens are included in the list until 30 May 2025.
Specimens that are or are derived from fish or invertebrates, other than specimens that belong to	Western Australian Pearl Oyster Fishery	The specimen, or the fish or invertebrate from which it is derived, was taken lawfully; The specimens are included in

species listed under Part 13 of the EPBC Act, taken in the Western Australian Pearl Oyster Fishery.		the list until 30 May 2025.
Specimens that are or are derived from fish or invertebrates, other than specimens that belong to species listed under Part 13 of the EPBC Act, taken in the Western Australian South Coast Managed Salmon Fishery.	Western Australian South Coast Managed Salmon Fishery	The specimen, or the fish or invertebrate from which it is derived, was taken lawfully; The specimens are included in the list until 30 May 2025.
Specimens that are or are derived from fish or invertebrates, other than specimens that belong to species listed under Part 13 of the EPBC Act, taken in the Western Australian South-West Coast Managed Salmon Fishery.	Western Australian South-West Coast Managed Salmon Fishery	The specimen, or the fish or invertebrate from which it is derived, was taken lawfully; The specimens are included in the list until 30 May 2025.
Specimens that are or are derived from fish or invertebrates, other than specimens that belong to species listed under Part 13 of the EPBC Act, taken in the Western Australian Shark Bay Crab Interim Managed Fishery.	Western Australian Shark Bay Crab Interim Managed Fishery	The specimen, or the fish or invertebrate from which it is derived, was taken lawfully; The specimens are included in the list until 30 May 2025.
Specimens that are or are derived from fish or invertebrates, other than specimens that belong to species listed under Part 13 of the EPBC Act, taken in the Western Australian Shark Bay Prawn Managed Fishery.	Western Australian Shark Bay Prawn Managed Fishery	The specimen, or the fish or invertebrate from which it is derived, was taken lawfully; The specimens are included in the list until 30 May 2025.
Specimens that are or are derived from fish or invertebrates, other than specimens that belong to species listed under Part 13 of the EPBC Act, taken in the Western Australian Shark Bay Scallop Managed Fishery.	Western Australian Shark Bay Scallop Managed Fishery	The specimen, or the fish or invertebrate from which it is derived, was taken lawfully; The specimens are included in the list until 30 May 2025.
Specimens that are or are derived from fish or invertebrates, other than specimens that belong to species listed under Part 13 of the EPBC Act, taken in the Western Australian Specimen Shell Managed Fishery.	Western Australian Specimen Shell Managed Fishery	The specimen, or the fish or invertebrate from which it is derived, was taken lawfully; The specimens are included in the list until 30 May 2025.
Specimens that are or are	Western Australian Trochus	The specimen, or the fish or

derived from fish or invertebrates, other than specimens that belong to species listed under Part 13 of the EPBC Act, taken in the Western Australian Trochus Fishery.	Fishery	invertebrate from which it is derived, was taken lawfully; The specimens are included in the list until 30 May 2025.
Specimens that are or are derived from fish or invertebrates, other than specimens that belong to species listed under Part 13 of the EPBC Act, taken in the Western Australian West Coast Deep Sea Crustacean Managed Fishery.	Western Australian West Coast Deep Sea Crustacean Managed Fishery	The specimen, or the fish or invertebrate from which it is derived, was taken lawfully; The specimens are included in the list until 30 May 2025.
