 - (a) the committee agrees to bear the cost of complying with the request; and
 - (b) if required to do so by the trustee—security for the cost of complying with the request is given to the trustee before the request is complied with.

- (4) The notice must:
 - (a) be given to the committee of inspection; and
 - (b) specify the period within which the request will be complied with; and

 - (ii) the trustee may have acted improperly, or without due care and diligence, in the administration of the estate; or

 - (i) the applicant does not have an interest in the outcome of the review; or
 - (ii) the applicant has not adequately particularised the issue giving rise to the review; or

 - (c) disallow all or part of the third party's bill of costs and substitute another amount for the amount claimed.
- (3) If the Inspector-General is satisfied that a withdrawal by the trustee of funds from the regulated debtor's estate for payment of the trustee's remuneration exceeds the amount of remuneration the trustee is entitled to under the Act, the Inspector-General may require the trustee to repay the excess to the estate.
- (4) When the Inspector-General makes his or her decision, the Inspector-General must prepare a written statement that:
 - (a) sets out the decision of the Inspector-General; and
 - (b) sets out the reasons for the decision; and
