3.20.5 Subject to paragraph 3.20.10, OUA must give to the Minister such statistical and other information that the Minister by notice in writing requires from OUA in respect of:

- a) the provision of higher education by OUA; and
- b) compliance with the requirements of the Act by OUA.

3.20.10 Paragraph 3.20.5 applies only to the extent possible given the nature of OUA's provision of higher education.

3.20.15 The information required under paragraph 3.20.5 must be provided in the form approved by the Minister under section 19-70(2)(a) of the Act and in accordance with such other requirements as the Minister makes for higher education providers under section 19-70(2)(b) of the Act.

- a) OUA; or
- b) a related body corporate of OUA;

that may significantly affect OUA's capacity to comply with the requirements for OUA specified in the Act and these Guidelines.

### **3.25 TUITION FEE REQUIREMENTS**

3.25.1 For the purposes of subsection 104-4(2AA) of the Act, when determining more than one fee under subsection 104-4(2) of the Act, OUA must not have regard to any matter relating to the manner or timing of:

- a) any student's payment of the tuition fee to OUA; or
- b) the Commonwealth's payment to OUA of any amount lent to a student in discharge of the student's liability to pay the tuition fee; or

- 
- c) any other matters stipulated in the Higher Education Provider Guidelines as matters to which a higher education provider should not have regard to in determining more than one student contribution amount or tuition fee.

3.25.3 For the purposes of paragraph 104-3(2)(e) of the Act, OUA:

- a) must require any student who is accessing a unit of study through OUA, to pay to OUA the tuition fee for the unit; and
- b) must not charge any domestic student any other fee for the unit unless it is:
  - i) a charge for a good or service that is not essential to the unit of study; or
  - ii) a charge for an alternative form, or alternative forms, of access to a good or service that is an essential component of the unit of study but is otherwise made readily available at no additional fee by OUA; or
  - iii) a charge for an essential good or service that the student has the choice of acquiring from a supplier other than OUA and is for:
    - A) equipment or items which become the physical property of the student and are not consumed during the unit of study; or
    - B) food, transport and accommodation costs associated with the provision of field trips that form part of the unit of study.
  - iv) a fine or a penalty provided it is imposed principally as a disincentive and not in order to raise revenue or cover administrative costs.

3.25.5 Despite paragraph 3.25.3 of these Guidelines OUA must repay to a person any payment of his or her tuition fee for a unit of study that the person made on or before the census date for the unit if the person is no longer enrolled in the unit at the end of the census date.

3.25.6 For the purposes of paragraph 3.25.10 and 3.25.15 of these Guidelines, the period commences on the earliest enrolment date for the unit as determined by OUA and ends on the completion date for the unit as determined by OUA.

However, if it is the case that the dates defined as the period for the purposes of subsections 19-90(1) and 19-95(1) of the Act by the Higher Education Provider Guidelines differ from the dates stated above, then the dates stipulated by the Higher Education Provider Guidelines shall be the definition of period for the purposes of paragraphs 3.25.10 and 3.25.15 of these Guidelines.

3.25.10 For the purposes of paragraph 104-3(2)(e) of the Act, OUA must give to the Minister a schedule of tuition fees determined under subsection 104-4(2) of the Act for all the units of study to which it provides access, or proposes to provide access, during a period.

3.25.15 For the purposes of paragraph 104-3(2)(e) of the Act:

- 
- a) OUA must ensure the schedule provided under paragraph 3.25.10 provides sufficient information to enable a person to work out his or her tuition fee for each unit of study to which OUA provides access or proposes to provide access; and
  - b) the form in which OUA gives the Minister the schedule under paragraph 3.25.10 is by publishing the schedule on OUA's website; and
  - c) the date by which OUA gives the Minister the schedule under paragraph 3.25.10 is on or before the earliest enrolment date for the unit of study as determined by OUA; and
  - d) OUA must publish the schedule of tuition fees for a particular period on OUA's website by the date set out for delivery to the Minister in paragraph 3.25.15(c) above.

However, if it is the case that the Higher Education Provider Guidelines stipulate dates for higher education providers to deliver equivalent schedules, and where the dates stipulated by the Higher Education Provider Guidelines differ from the dates stated in paragraph 3.25.15(c) above, then the dates stipulated by the Higher Education Guidelines shall be the dates by which OUA should deliver schedules for the purposes of paragraph 3.25.15 of these Guidelines.

#### 3.25.20

- a) For the purpose of paragraph 104-4(2A)(a) of the Act, OUA may only vary a published tuition fee if the variation occurs prior to the published census date for the unit of study, and:
  - i) the variation does not disadvantage a student enrolled, or a person seeking to enrol; and
  - ii) the variation is necessary to correct the published tuition fee due to administrative error or circumstances that did not apply at the time the student contribution amount or tuition fee was determined.
- b) Without limiting the generality of paragraph 3.25.20(a)(i) of these Guidelines, a student will be disadvantaged by a variation that increases the tuition fee.

However, if it is the case that the dates and circumstances stipulated by the Higher Education Provider Guidelines for the variation of tuition fees by higher education providers differ from the dates and circumstances stipulated by (a) and (b) above in any manner, then the dates and circumstances stipulated by the Higher Education Provider Guidelines shall apply for the purposes of paragraph 3.25.20 of these Guidelines.

#### 3.25.25 If OUA varies a tuition fee in accordance with subsection 104-4(2A) of the Act, OUA must:

- a) withdraw any previous schedule given under paragraph 3.25.10 or this paragraph of these Guidelines which contains the tuition fee subject to variation; and
- b) inform the Minister of the variation; and
- c) give the Minister a replacement schedule incorporating the variation by publishing the replacement schedule on OUA's website as soon as practicable after making that decision.

---

### **3.30 ADMINISTRATIVE REQUIREMENTS**

- 3.30.1 OUA must give a notice to a person who is seeking FEE-HELP assistance for a unit of study access to which is provided by OUA. This notice will be called the Commonwealth Assistance Notice.
- 3.30.5 The Commonwealth Assistance Notice given under paragraph 3.30.1 must:
- a) contain the information set out in the Administration Guidelines as information that must be provided in a *notice* (as defined under the Administration Guidelines) provided to students; and
  - b) be given within the period set out in the Administration Guidelines by which a *notice* (as defined under the Administration Guidelines) provided to students must be given.
- 3.30.10 If, after giving a person a notice under paragraph 3.30.1, OUA is satisfied that a material particular in the notice was not, or has ceased to be, correct, OUA must give a further written notice to the person setting out the correct particular.
- 3.30.15 OUA must accept a written request from a person who has received a notice under paragraph 3.30.1 for the notice to be corrected in respect of a material particular, if the request:
- a) specifies the particular in the notice that the person considers is incorrect; and
  - b) specifies the reasons the person has for considering that the particular is incorrect; and
  - c) is given to the appropriate officer of OUA within 14 days after the day the notice was given or within such further period as OUA allows for the giving of the request.
- 3.30.20 If OUA receives a request under paragraph 3.30.15 OUA must, as soon as practicable:
- a) determine the matter to which the request relates; and
  - b) notify the person in writing of OUA's determination; and
  - c) if OUA determines that a material particular in the notice was not, or has ceased to be, correct—give a further notice under paragraph 3.30.10 which effects the correction.
- 3.30.25 OUA must ensure that a date determined under subsection 104-4(5) of the Act to be the census date for a unit of study must not occur less than 20 per cent of the way through the period between the unit commencement and completion dates.
- 3.30.26 For the purposes of subsection 104-4(1) of the Act and paragraph 3.30.30 of these Guidelines, the period commences on the earliest enrolment date for the unit as determined by OUA and ends on the completion date for the unit as determined by OUA.

However if it is the case that the dates defined as periods for the purposes of subsection 169-25(1) of the Act by the Administration Guidelines differ from the dates stated above, then the dates stipulated by the Administration Guidelines shall be the definition of period for the purposes of paragraph 3.30.30 of these Guidelines.

- 
- 3.30.30 OUA must publish the census date(s) and EFTSL value(s) for each unit of study to which access is provided by OUA during a period by posting it on OUA's website on or before the earliest enrolment date for the units of study as determined by OUA.

However if it is the case that the dates stipulated by the Administration Guidelines for the publishing of census dates and EFTSL values by higher education providers differ from the dates stated above, then the dates stipulated by the Administration Guidelines shall be the governing dates for paragraph 3.30.30 of these Guidelines.

- 3.30.35 Once OUA has published the census date and EFTSL value for a unit of study under paragraph 3.30.30 of these Guidelines, OUA may only vary that census date or EFTSL value if the variation occurs before the day of the published census date; and
- a) the variation does not disadvantage a student enrolled, or a person seeking to enrol; and
  - b) the variation is necessary to correct the published census date or EFTSL value due to administrative error or circumstances that did not apply at the time the census date or EFTSL value was determined.

However, if it is the case that the dates and circumstances stipulated by the Administration Guidelines for the variation of census dates and EFTSL values by higher education providers without written ministerial approval differ from the dates and circumstances stipulated above in any manner, then the dates and circumstances stipulated by the Administration Guidelines shall apply for the purposes of paragraph 3.30.35 of these Guidelines.

- 3.30.36 Without limiting the generality of paragraph 3.30.35(a) of these Guidelines, a student or person will be disadvantaged by a variation that:
- a) reduces the published EFTSL value for a unit of study; or
  - b) brings the published census date for a unit of study forward in time.
- 3.30.37 a) If OUA varies a published census date or published EFTSL value under paragraph 104-4(5A)(a) of the Act, OUA must publish the varied census date or EFTSL value on OUA's website as soon as practicable after making that decision.
- b) If OUA varies a published census date under paragraph 104-4(5A)(b) of the Act, OUA must publish the variation by the date, and in the manner, specified by the Minister in the approval.

However, if it is the case that the date and circumstances stipulated by the Administration Guidelines for the publication of the varied census dates or EFTSL values differ from the date and circumstance stipulated above in any manner, then the conditions and dates stipulated by the Administration Guidelines shall apply for the purposes of paragraph 3.30.37 of these Guidelines.

- 3.30.40 In communications under, or for the purposes of, the Act between the Commonwealth and OUA concerning a person who:
- a) is accessing, or seeking to access, a unit of study through OUA; and

---

b) has indicated that they are seeking Commonwealth assistance under the Act for the unit;

OUA must use any identifier for that person that the Secretary has indicated must be used in such communications.
