1 Name of Determination

This Determination is the *Radiocommunications Licence Conditions (Area-Wide Licence) Determination 2020*.

2 Commencement

This Determination commences at the start of the day after it is registered on the Federal Register of Legislation.

Note: The Federal Register of Legislation may be accessed, free of charge, at www.legislation.gov.au.

3 Authority

This Determination is made under paragraph 107(1)(f) of the *Radiocommunications Act 1992*.

4 Scope

- (1) This Determination sets out a condition to which an area-wide licence is subject.
- (2) However, if the condition in this Determination is inconsistent with a condition specified in the licence, the condition specified in the licence applies.

5 Interpretation

In this Determination, unless the contrary intention appears:

Act means the *Radiocommunications Act 1992*.

licensee means:

- (a) the holder of an area-wide licence; or
- (b) a person authorised by the holder of an area-wide licence to operate a station under the licence.

Note 1: In accordance with paragraph 13(1)(b) of the *Legislation Act 2003*, other expressions in this Determination have the same meaning as in the Act, including:

- frequency band
- Register.

Note 2: In accordance with section 64 of the *Australian Communications and Media Authority Act 2005*, other expressions in this Determination have the same meaning as in the *Radiocommunications (Interpretation) Determination 2015*, including:

- area-wide licence
- area-wide station
- mobile station.

6 Condition

For paragraph 107(1)(f) of the Act, every area-wide licence is subject to the condition in section 7.

7 Location of area-wide stations

- (1) Subject to subsection (3), the ACMA or any other person may request, in writing, from a licensee the following information:
 - (a) the location of all area-wide stations operated under the licence on the day the request is made;
 - (b) the maximum total radiated power for each such area-wide station.
- (2) The licensee must provide the information within ten business days of receiving the request.
- (3) The licensee need not provide the information if:
 - (a) the information is about an area-wide station that is a mobile station; or
 - (b) the information is included in the Register.

Note: The information may be included in the Register if the licence is subject to a condition of the kind referred to in subsection 10(5A), 10(6A) or 10(7A) of the *Radiocommunications (Register of Radiocommunications Licences) Determination 2017*.
