Public Governance, Performance and Accountability (Section 75 Transfers) Amendment Determination 2019-2020 (No. 3) (the amendment determination)

Purpose of the determination

The amendment determination is made under section 75 of the *Public Governance, Performance and Accountability Act 2013* (PGPA Act), to adjust amounts appropriated to non-corporate Commonwealth entities, in response to recent Machinery of Government changes.

On 5 December 2019, the Governor-General made a new Administrative Arrangements Order (AAO) to replace the AAO made on 29 May 2019. The new AAO commences on 1 February 2020. The amendment determination modifies the Appropriation Acts to reflect the following changes as a result of the new AAO:

- the transfer of responsibility for agriculture from the abolished Agriculture portfolio to the renamed Agriculture, Water and the Environment portfolio;
- the transfer of responsibility for communications and arts from the abolished Communications and the Arts portfolio to the renamed Infrastructure, Transport, Regional Development and Communications portfolio;
- the transfer of responsibility for employment and skills from the abolished Employment, Skills, Small and Family Business portfolio to the renamed Education, Skills and Employment portfolio;
- the transfer of responsibility for small business from the abolished Employment, Skills, Small and Family Business portfolio to the renamed Industry, Science, Energy and Resources portfolio; and
- the transfer of responsibility for energy from the renamed Agriculture, Water and the Environment portfolio to the renamed Industry, Science, Energy and Resources portfolio.

On 5 December 2019, the Governor-General made an order to establish Services Australia as an Executive Agency. The amendment determination modifies the Appropriation Acts to reflect the transfer of responsibility for the delivery of services and payments to the community from the abolished Services Australia (Department of State) to Services Australia (Executive Agency).

The amendment determination results in no change to the total amount appropriated by Parliament.

Commencement

The amendment determination commences on 1 February 2020.

Authority for the determination

Section 75 of the PGPA Act enables the Finance Minister to determine that one or more Schedules to one or more Appropriation Acts are modified in a specified way in relation to the transfer of a function from one non-corporate Commonwealth entity to another.

Under section 107 of the PGPA Act, the Finance Minister has delegated the power to make determinations under section 75 to the Secretary of the Department of Finance. Under section 109 of the PGPA Act, the Secretary has, in turn, sub-delegated this power to certain officials within the Department of Finance, including the official who made the determination.

The amendment determination amends the *Public Governance, Performance and Accountability (Section 75 Transfers) Determination 2019-20* (the Determination), which is a legislative instrument for the purposes of section 8 of the *Legislation Act 2003*.

Statement of Compatibility with Human Rights

A Statement of Compatibility with Human Rights is not required for the amendment determination.

Subsection 9(1) of the *Human Rights (Parliamentary Scrutiny) Act 2011* requires a Statement of Compatibility with Human Rights for all legislative instruments subject to disallowance under section 42 of the *Legislation Act 2003*. A determination, including an amendment determination, under section 75 of the PGPA Act is exempt from disallowance under subsection 75(7) of the PGPA Act. As such, a Statement of Compatibility with Human Rights is not required.

Consistent with Chapter 3, Part 1 of the *Legislation Act 2003*, the affected entities were consulted in the preparation of the amendment determination.
