Authority for the determination

Section 75 of the PGPA Act enables the Finance Minister to determine that one or more Schedules to one or more Appropriation Acts are modified in a specified way in relation to the transfer of a function from one non-corporate Commonwealth entity to another.

Under section 107 of the PGPA Act, the Finance Minister has delegated the power to make determinations under section 75 to the Secretary of the Department of Finance. Under section 109 of the PGPA Act, the Secretary has, in turn, sub-delegated this power to certain officials within the Department of Finance, including the official who made the determination.

The amendment determination amends the *Public Governance, Performance and Accountability (Section 75 Transfers) Determination 2018-2019* (the Determination), which is a legislative instrument for the purposes of section 8 of the *Legislation Act 2003*.

Statement of Compatibility with Human Rights

A Statement of Compatibility with Human Rights is not required for the amendment determination. Subsection 9(1) of the *Human Rights (Parliamentary Scrutiny) Act 2011* requires a Statement of Compatibility with Human Rights for all legislative instruments subject to disallowance under section 42 of the *Legislation Act 2003*. A determination, including an amendment determination, under section 75 of the PGPA Act is exempt from disallowance under subsection 75(7) of the PGPA Act. As such, a Statement of Compatibility with Human Rights is not required.
