Part 2—Jobkeeper payment

Division 1—Simplified outline

5 Simplified outline

The jobkeeper payment is intended to assist businesses affected by the Coronavirus to cover the costs of wages of their employees.

The jobkeeper scheme starts on 30 March 2020 and ends on 27 September 2020.

A business that has suffered a substantial decline in turnover can be entitled to a jobkeeper payment of \$1,500 per fortnight for each eligible employee. It is a condition of entitlement that the business has paid salary and wages of at least that amount to the employee in the fortnight.

A business can also be entitled to a jobkeeper payment of \$1,500 per fortnight for one business participant who is actively engaged in operating the business.

The jobkeeper scheme is administered by the Commissioner of Taxation.

The Commissioner pays the jobkeeper payment to entities shortly after the end of each calendar month, for fortnights ending in that month.

Some of the administrative arrangements for the scheme are set out in the Act.

Section 6

Division 2—Entitlement based on paid employees

6 Employer's entitlement to jobkeeper payment for an employee

- (1) An entity (the *employer*) is entitled to a jobkeeper payment for an individual for a fortnight if:
 - (a) the fortnight is a jobkeeper fortnight (see subsection (5)); and
 - (b) the employer qualifies for the jobkeeper scheme at or before the end of the fortnight (see section 7); and
 - (c) the individual is an eligible employee of the employer for the fortnight (see section 9); and
 - (d) the employer has satisfied the wage condition in section 10 in respect of the individual for the fortnight; and
 - (e) the employer has notified the Commissioner in the approved form at or before the time referred to in subsection (2) that the employer elects to participate in the jobkeeper scheme; and
 - (f) the employer has given information about the entitlement for the fortnight, including details of the individual, to the Commissioner in the approved form; and
 - (g) the employer has not notified the Commissioner in the approved form that the employer no longer wishes to participate in the jobkeeper scheme.

Note 1: Some provisions of the Act also affect whether an entity is entitled to a jobkeeper payment: see section 14 of the Act (about record keeping) and section 19 of the Act (about contrived schemes).

Note 2: The approved form may require further information: see paragraph 388-50(1)(c) in Schedule 1 to the *Taxation Administration Act 1953*.

- (2) For the purposes of paragraph (1)(e), the time at or before which the employer must notify the Commissioner that the employer elects to participate in the jobkeeper scheme is:
 - (a) for an entitlement arising in the first or second jobkeeper fortnight—the end of the second jobkeeper fortnight; or
 - (b) for an entitlement arising in any other fortnight—the end of the fortnight.

Note: The Commissioner may defer the time for giving an approved form: see section 388-55 in Schedule 1 to the *Taxation Administration Act 1953*.

No other entity to be entitled for the same individual

- (3) An entity cannot be entitled under this section to a jobkeeper payment for an individual if another entity is entitled under this section or section 11 to a jobkeeper payment for the individual.

Employer must notify individual

- (4) An employer must notify an individual in writing within 7 days of giving the Commissioner details of the individual under paragraph (1)(f).

Meaning of jobkeeper fortnight

- (5) Each of the following is a **jobkeeper fortnight**:
- (a) the fortnight beginning on 30 March 2020;
 - (b) each subsequent fortnight, ending with the fortnight ending on 27 September 2020.

7 When an entity qualifies for the jobkeeper scheme

- (1) For the purposes of paragraphs 6(1)(b) and 11(1)(c), an entity qualifies for the jobkeeper scheme at a time if:
- (a) on 1 March 2020, the entity carried on a business in Australia, or was a non-profit body that pursued its objectives principally in Australia; and
 - (b) the entity has satisfied the decline in turnover test at or before the time (see section 8).

Note: Qualifying entities must report monthly turnover information to the Commissioner for the duration of the scheme: see section 16.

Exceptions

- (2) However, an entity does *not* qualify for the jobkeeper scheme at a time if:
- (a) an amount of levy under the *Major Bank Levy Act 2017* was imposed for any quarter ending before 1 March 2020 on:
 - (i) the entity; or
 - (ii) if the entity is a member of a consolidated group—another member of the group; or
 - (b) the entity is an Australian government agency; or
 - (c) the entity is a local governing body; or
 - (d) the entity is wholly owned by an entity covered by paragraph (b) or (c); or
 - (e) the entity is a sovereign entity; or
 - (f) if the entity is a company—a liquidator or provisional liquidator has been appointed in relation to the company; or
 - (g) if the entity is an individual—a trustee in bankruptcy has been appointed to the individual's property.

8 Decline in turnover test

Basic test

- (1) An entity satisfies the decline in turnover test at a time (the **test time**) if:
- (a) the entity's projected GST turnover for a turnover test period in which the test time occurs falls short of the entity's current GST turnover for a relevant comparison period (the **comparison turnover**); and
 - (b) the shortfall, expressed as a percentage of the comparison turnover, equals or exceeds the specified percentage for the entity (see subsection (2)).

Note 1: See subsection (7) for the meanings of **turnover test period** and **relevant comparison period**.

Section 8

Note 2: Current GST turnover and projected GST turnover are modified for the purposes of this section: see subsection (8).

Note 3: For provisions about contrived schemes, see section 19 of the Act.

Example: Patrick Enterprises assesses its eligibility for jobkeeper payments on 6 April 2020 based on a projected GST turnover for April 2020 of \$6 million. It considers that the comparable period is the month of April 2019 for which it had a current GST turnover of \$10 million. The April 2020 turnover falls short of the April 2019 turnover by \$4 million, which is 40% of the April 2019 turnover. This exceeds the specified percentage, so the decline in turnover test is satisfied.

- (2) The **specified percentage** for an entity is:
- (a) if the lower threshold applies to the entity (see subsection (3))—15%; or
 - (b) if the higher threshold applies to the entity (see subsection (4))—50%; or
 - (c) otherwise—30%.
- (3) For the purposes of paragraph (2)(a), the lower threshold applies to an entity if the entity is an ACNC-registered charity other than:
- (a) an entity that is a Table A provider (within the meaning of the *Higher Education Support Act 2003*) or a Table B provider (within the meaning of that Act); or
 - (b) a school.
- Note: Paragraph (b) affects only non-government schools, as government schools do not qualify for the jobkeeper scheme because of paragraphs 7(2)(b) to (d).
- (4) For the purposes of paragraph (2)(b), the higher threshold applies to an entity if:
- (a) the lower threshold does not apply to the entity (see subsection (3)); and
 - (b) either:
 - (i) the entity's aggregated turnover for the income year in which the test time referred to in subsection (1) occurs is likely to exceed \$1 billion; or
 - (ii) the entity's aggregated turnover for the previous income year exceeds \$1 billion.

Alternative test

- (5) An entity also satisfies the decline in turnover test if:
- (a) an alternative decline in turnover test determined by the Commissioner under subsection (6) applies to the entity; and
 - (b) the entity satisfies the alternative test.
- (6) The Commissioner may, by legislative instrument, determine that an alternative decline in turnover test applies to a class of entities, if the Commissioner is satisfied that there is not an appropriate relevant comparison period for the purpose of an entity in the class of entities satisfying the decline in turnover test under subsection (1).
- (7) For the purposes of this section:
- (a) the **turnover test period** must be:

- (i) a calendar month that ends after 30 March 2020 and before 1 October 2020; or
- (ii) a quarter that starts on 1 April 2020 or 1 July 2020; and
- (b) the **relevant comparison period** must be the period in 2019 that corresponds to the turnover test period.

Modifications relating to GST turnover

- (8) In calculating an entity's current GST turnover, and projected GST turnover, for a period for the purposes of this section and section 16 the following apply:
- (a) sections 188-15 and 188-20 of the GST Act apply as if a reference to a month were a reference to the period;
 - (b) subsections 188-15(2) and 188-20(2) of that Act (about members of GST groups) are to be disregarded;
 - (c) for calculating current GST turnover:
 - (i) subsection 188-15(1) of that Act is to be applied at the end of the period; and
 - (ii) subsection 188-15(1) of that Act has effect as if the reference in that subsection to “, or are likely to make, during the 12 months ending at the end of that month,” were instead a reference to “during that period”;
 - (d) for calculating projected GST turnover—subsection 188-20(1) of that Act has effect as if the reference in that subsection to “during that month and the next 11 months” were instead a reference to “during that period”;
 - (e) each external Territory is treated as forming part of the indirect tax zone (within the meaning of that Act);
 - (f) for an entity that is a deductible gift recipient—each gift described in an applicable item of the table in section 30-15 of the *Income Tax Assessment Act 1997* and received, or likely to be received, by the entity in the period (other than from an associate) results in the following treatment:
 - (i) the entity is treated as making, or as likely to make (as the case requires), a supply in the period for consideration;
 - (ii) the value (within the meaning of the GST Act) of the supply is treated as being equal to the amount of the gift (if the gift is money) or the market value of the gift (if the gift is not money);
 - (g) for an entity that is an ACNC-registered charity (other than a deductible gift recipient)—each gift received, or likely to be received, by the entity in the period (other than from an associate) also results in the treatment set out in paragraph (f) if the gift is:
 - (i) a gift of money; or
 - (ii) a gift of property with a market value of more than \$5,000; or
 - (iii) a gift of listed Australian shares.

9 Meaning of *eligible employee*

 - (ii) the individual agrees to be nominated by the entity as an eligible employee of the entity for the purposes of the jobkeeper scheme; and
 - (b) at the time the individual gives the entity the nomination notice:
 - (i) the individual is not excluded under subsection (4) from being an eligible employee of the entity for the fortnight in which the time occurs; and

 - (iii) the individual has not given any other entity, or the Commissioner, a nomination notice under this subsection or subsection 12(4).

Note: If an overpayment results from an individual nominating with more than one entity, the individual may be jointly and severally liable to pay the overpayment and any general interest charge on the overpayment: see section 11 of the Act.

Exclusions

- (4) An individual is excluded from being an eligible employee of an entity for a fortnight if:

- (a) parental leave pay is payable to the individual and the individual's PPL period overlaps with, or includes, the fortnight; or
- (b) at any time during the fortnight, the individual is paid dad and partner pay; or
- (c) all of the following apply:

Businesses that change hands etc.

- (6) For the purposes of this section, treat an entity (the **later entity**) that employs an individual at a time (the **later time**) as having also employed the individual at an earlier time if:
 - (a) the individual was employed at the earlier time by another entity in the same wholly-owned group as the later entity; or
 - (b) both of the following apply:
 - (i) at the later time, the individual is employed in a business carried on by the later entity or in a non-profit body the purposes of which are carried on by the later entity;
 - (ii) at the earlier time, the individual was employed in the same business or non-profit body, but that business was, or the purposes of that non-profit body were, carried on by a different entity.

Note 1: Paragraph (b) means that an individual can be an eligible employee of an entity even if the business or non-profit body in which the individual is employed changes hands after 1 March 2020.

Note 2: Paragraph (b) also means that, in working out if an individual is a long term casual employee of an entity at a time, employment in a business or non-profit body during the period of 12 months that ended at that time can be counted even if the business or non-profit body changed hands during that period.

10 Wage condition

- (1) For the purposes of paragraph 6(1)(d), an employer satisfies the wage condition in respect of an individual for a fortnight if the sum of the amounts covered by subsection (2) equals or exceeds \$1,500.

 - (i) for the amount to be so applied or dealt with; and
 - (ii) in return, for amounts covered by paragraph (a) for the individual for the fortnight to be reduced (including to nil).
- (3) If there is a regular period for which the employer would usually pay employees in relation to the performance of work by the employees, and that period is longer than a fortnight, then in applying this section those payments are to be allocated to a fortnight or fortnights in a reasonable manner.
- (4) For the purposes of this section, the Commissioner may treat a particular event that happened in a fortnight as having happened in a different fortnight or fortnights, if, or to the extent that, it is reasonable to do so in the Commissioner's opinion.

Division 3—Entitlement based on business participation

11 Entity's entitlement to jobkeeper payment for a business participant

 - (c) all of the following apply:
 - (i) the individual is totally incapacitated for work throughout the fortnight;
 - (ii) an amount is payable to the individual under, or in accordance with, an Australian workers' compensation law in respect of the individual's total incapacity for work;
 - (iii) the amount is payable in respect of a period that overlaps with, or includes, the fortnight.

Division 4—Payment

13 Amount of the jobkeeper payment for a fortnight

The amount of an entity's jobkeeper payment for an individual for a fortnight is \$1,500.

14 Payment of jobkeeper payment

- (1) If the Commissioner is satisfied that an entity is entitled under section 6 or section 11 to a jobkeeper payment for a fortnight, the Commissioner must pay the entity the jobkeeper payment in accordance with this Division and the Act.
- (2) The Commissioner may, for the purposes of determining whether the Commissioner is satisfied under subsection (1) in relation to an entity, accept, either in whole or in part, a statement in the approved form lodged with the Commissioner by the entity under this Part.

Transitional rule for first 2 jobkeeper fortnights

- (3) The Commissioner may pay an entity a jobkeeper payment for a fortnight in accordance with this Division and the Act without being satisfied that the entity is entitled under section 6 or section 11 to the jobkeeper payment if:
 - (a) the fortnight is the first or second jobkeeper fortnight; and
 - (b) the entity has notified the Commissioner in the approved form that the entity elects to participate in the jobkeeper scheme (as referred to in paragraph 6(1)(e) or 11(1)(e)); and
 - (c) the Commissioner is satisfied, on the basis of information provided in the approved form, that it is reasonable in the circumstances to pay the jobkeeper payment.

Overpayment

- (4) To avoid doubt, the fact that the Commissioner pays an entity a jobkeeper payment under this section does not mean the entity is entitled under section 6 or section 11 to the jobkeeper payment.

Note: If the entity was in fact not entitled to a jobkeeper payment paid under this section, the provisions about overpayments would apply: see sections 9, 10 and 11 of the Act.

15 When the Commissioner must pay jobkeeper payments

The Commissioner must pay the jobkeeper payment no later than the later of:

- (a) 14 days after the end of the calendar month in which the fortnight ends; and
- (b) 14 days after the requirements in section 14 for the Commissioner to make the payment are met.

Note: For the method of paying the payment, see section 8 of the Act.

Section 16

Division 5—Administration

16 Reporting requirement relating to qualification

- (1) An entity that has qualified for the jobkeeper scheme (see section 7) at a time must notify the Commissioner in the approved form of the matters set out in subsection (2) within 7 days of the end of a calendar month (the **reporting month**) if the entity is entitled to a jobkeeper payment for a fortnight that ends in the month.
- (2) The matters are:
 - (a) the entity's current GST turnover for the reporting month; and
 - (b) the entity's projected GST turnover for the following month.

Note: Current GST turnover and projected GST turnover are modified for the purposes of this section: see subsection 8(8).

17 When payment constitutes notice

- (1) Subsection (2) applies if:
 - (a) an entity has notified the Commissioner in the approved form that the entity elects to participate in the jobkeeper scheme (as referred to in paragraph 6(1)(e) or 11(1)(e)); and
 - (b) the entity has given the Commissioner, in the approved form, details of one or more individuals for fortnights ending in a calendar month (as referred to in paragraph 6(1)(f) or 11(1)(f)); and
 - (c) the Commissioner has paid jobkeeper payments to the entity for those fortnights; and
 - (d) the sum of the amounts paid by the Commissioner is consistent with the Commissioner being satisfied that the entity is entitled to a jobkeeper payment for each individual covered by paragraph (b) of this subsection for each of the fortnights referred to in that paragraph.
- (2) The Commissioner is taken to have given the entity notice, on the day the last jobkeeper payment covered by paragraph (1)(c) of this section is paid, that the Commissioner is satisfied the entity is entitled to a jobkeeper payment for each individual covered by paragraph (1)(b) of this section for each of the fortnights referred to in paragraph (1)(b).
- (3) However, this section does not apply in relation to the calendar month in which the first 2 jobkeeper fortnights end.

18 Notice of decision on entitlement

- (1) This section applies if:
 - (a) an entity has notified the Commissioner in the approved form that the entity elects to participate in the jobkeeper scheme (as referred to in paragraph 6(1)(e) or 11(1)(e)); and

Section 18A

- (b) the entity has given the Commissioner, in the approved form, details of one or more individuals for fortnights ending in a calendar month (as referred to in paragraph 6(1)(f) or 11(1)(f)); and
 - (c) the sum of the amounts paid by the Commissioner (including nil) is *not* consistent with the Commissioner being satisfied that the entity is entitled to a jobkeeper payment for each individual covered by paragraph (b) of this subsection for each of the fortnights referred to in that paragraph.
- (2) The Commissioner must give the entity notice in writing of a decision covered by subsection (3) as soon as practicable after making the decision.
- Note: The Act provides for a review of certain decisions: see section 13 of the Act.
- (3) This subsection covers a decision of the Commissioner under section 14 that the entity:
- (a) is entitled to a jobkeeper payment for an individual for a fortnight; or
 - (b) is not entitled to a jobkeeper payment for an individual for a fortnight.
- (4) The Commissioner may combine in one notice given under subsection (2) decisions made in relation to more than one individual.

18A Confirmation of giving of information—notice to ADI

- (1) This section applies if an ADI has notified the Commissioner in the approved form of information relating to an entity's entitlement to jobkeeper payments for one or more fortnights.
- (2) The Commissioner must give the ADI a notice in writing stating that, in the Commissioner's opinion, the information:
- (a) satisfies the requirement in subsection (3); or
 - (b) does not satisfy that requirement.
- (3) For the purposes of subsection (2), the information satisfies the requirement in this subsection if it is comprised of any of the following:
- (a) information that the entity gave to the Commissioner;
 - (b) information that the Commissioner gave to the entity.
- (4) The Commissioner must give the notice under subsection (2) within a reasonable time after receiving the notification from the ADI.
- (5) Despite anything in this section, the Commissioner must not give a notice under subsection (2) after 22 May 2020.

19 Time limit for jobkeeper scheme

Despite anything in this Part:

- (a) the Commissioner must not pay an amount by way of a jobkeeper payment after 30 September 2021; and
- (b) if:

Section 20

- (i) an entity is entitled to a jobkeeper payment for a fortnight (disregarding this paragraph); and
 - (ii) the Commissioner would contravene paragraph (a) by paying that jobkeeper payment;
- the entity is not entitled to the jobkeeper payment for the fortnight.

20 Later legislation may limit jobkeeper scheme

An entitlement to jobkeeper payment under this Part may be cancelled, revoked, terminated, varied or made subject to conditions by or under later legislation.

The abbreviation key sets out abbreviations that may be used in the endnotes.

Legislation history and amendment history—Endnotes 3 and 4

Amending laws are annotated in the legislation history and amendment history.

The legislation history in endnote 3 provides information about each law that has amended (or will amend) the compiled law. The information includes commencement details for amending laws and details of any application, saving or transitional provisions that are not included in this compilation.

The amendment history in endnote 4 provides information about amendments at the provision (generally section or equivalent) level. It also includes information about any provision of the compiled law that has been repealed in accordance with a provision of the law.

Editorial changes

The *Legislation Act 2003* authorises First Parliamentary Counsel to make editorial and presentational changes to a compiled law in preparing a compilation of the law for registration. The changes must not change the effect of the law. Editorial changes take effect from the compilation registration date.

If the compilation includes editorial changes, the endnotes include a brief outline of the changes in general terms. Full details of any changes can be obtained from the Office of Parliamentary Counsel.

Misdescribed amendments

A misdescribed amendment is an amendment that does not accurately describe the amendment to be made. If, despite the misdescription, the amendment can be given effect as intended, the amendment is incorporated into the compiled law and the abbreviation “(md)” added to the details of the amendment included in the amendment history.

If a misdescribed amendment cannot be given effect as intended, the abbreviation “(md not incorp)” is added to the details of the amendment included in the amendment history.
