1 Name

This is the Amendment Statement of Principles concerning *diverticular disease of the colon (Reasonable Hypothesis)* (No. 35 of 2020).

2 Commencement

This instrument commences on 25 May 2020.

3 Authority

This instrument is made under subsections 196B(2) and (8) of the *Veterans' Entitlements Act 1986*.

4 Amendment

The Statement of Principles concerning *diverticular disease of the colon (Reasonable Hypothesis)* (No. 15 of 2016) (Federal Register of Legislation No. F2016L00265) is amended in the following manner:

Section	Amendment
9(8a)	<p><i>Insert the following factor in subsection 9(8a):</i></p> <p>for diverticular perforation, abscess and fistula only, being treated with an immunosuppressive drug within the 30 days before the clinical onset of diverticular disease of the colon;</p> <p>Note: <i>immunosuppressive drug</i> is defined in the Schedule 1 - Dictionary.</p>
9(16)	<p><i>Replace the existing factor in subsection 9(16) with the following:</i></p> <p>being treated with an immunosuppressive drug within the 30 days before the clinical worsening of diverticular disease of the colon;</p> <p>Note: <i>immunosuppressive drug</i> is defined in the Schedule 1 - Dictionary.</p>
Schedule 1 – Dictionary	<p><i>Insert the following definition of "immunosuppressive drug" in alphabetical order:</i></p> <p><i>immunosuppressive drug</i> means a drug or an agent which results in substantial suppression of immune responses.</p> <p>Note: Examples of an immunosuppressive drug include:</p> <ul style="list-style-type: none">(a) chemotherapeutic agents used for the treatment of cancer;(b) corticosteroids, other than inhaled or topical corticosteroids;(c) drugs used to prevent transplant rejection;(d) tumour necrosis factor-α inhibitors; and(e) interleukin-6 inhibitors.
Schedule 1 – Dictionary	<p><i>Delete the definition of "being treated with an immunosuppressive drug".</i></p>
