## About this compilation

### This compilation

This is a compilation of the *Health Insurance (Section 3C General Medical Services – Botox, Dysport or Xeomin Injection) Determination 2020* that shows the text of the law as amended and in force on 1 July 2020 (the *compilation date*).

The notes at the end of this compilation (the *endnotes*) include information about amending laws and the amendment history of provisions of the compiled law.

### Uncommenced amendments

The effect of uncommenced amendments is not shown in the text of the compiled law. Any uncommenced amendments affecting the law are accessible on the Legislation Register ([www.legislation.gov.au](http://www.legislation.gov.au)). The details of amendments made up to, but not commenced at, the compilation date are underlined in the endnotes. For more information on any uncommenced amendments, see the series page on the Legislation Register for the compiled law.

### Application, saving and transitional provisions for provisions and amendments

If the operation of a provision or amendment of the compiled law is affected by an application, saving or transitional provision that is not included in this compilation, details are included in the endnotes.

### Editorial changes

For more information about any editorial changes made in this compilation, see the endnotes.

### Modifications

If the compiled law is modified by another law, the compiled law operates as modified but the modification does not amend the text of the law. Accordingly, this compilation does not show the text of the compiled law as modified. For more information on any modifications, see the series page on the Legislation Register for the compiled law.

### Self-repealing provisions

If a provision of the compiled law has been repealed in accordance with a provision of the law, details are included in the endnotes.

## 1. Name

This instrument is the *Health Insurance (Section 3C General Medical Services – Botox, Dysport or Xeomin Injection) Determination 2020*.

## 2. Commencement

- (1) Each provision of this instrument specified in column 1 of the table commences, or is taken to have commenced, in accordance with column 2 of the table. Any other statement in column 2 has effect according to its terms.

Commencement information		
Column 1	Column 2	Column 3
Provisions	Commencement	Date/Details
1. The whole of this instrument	1 May 2020	

Note: This table relates only to the provisions of this instrument as originally made. It will not be amended to deal with any later amendments of this instrument.

- (2) Any information in column 3 of the table is not part of this instrument. Information may be inserted in this column, or information in it may be edited, in any published version of this instrument.

## 3. Authority

This instrument is made under subsection 3C(1) of the *Health Insurance Act 1973*.

## 4. Definitions

- (1) In this instrument:

*Act* means the *Health Insurance Act 1973*.

**relevant provisions** means all provisions, of the Act and regulations made under the Act, and the *National Health Act 1953* and regulations made under the *National Health Act 1953*, relating to medical services, professional services or items.

**relevant service** means a health service, as defined in subsection 3C(8) of the Act, that is specified in a Schedule.

**Schedule** means a Schedule to this instrument.

Note: The following terms are defined in subsection 3(1) of the Act:

- clinically relevant service;
- general medical services table;

- item;
  - professional service.
- (2) Unless the contrary intention appears, a reference in this instrument to a provision of the Act or the *National Health Act 1953* or regulations made under the Act or under the *National Health Act 1953* as applied, adopted or incorporated in relation to specifying a matter is a reference to those provisions as in force from time to time and any other reference to provisions of an Act or regulations is a reference to those provisions as in force from time to time.

### **5. Treatment of relevant services**

For subsection 3C(1) of the Act, a relevant service, provided in accordance with this instrument and as a clinically relevant service, is to be treated, for the relevant provisions, as if:

- (a) it were both a professional service and a medical service; and
- (b) there were an item in the general medical services table that:
  - i. related to the service; and
  - ii. specified for the service a fee in relation to each State, being the fee specified in the Schedule in relation to the service.

### **6. Application of provisions of the general medical services table**

- (1) Clause 5.8.1 of the general medical services table shall have effect as if item 18365 of this Determination was specified in the clause.
- (2) Clause 5.8.2 of the general medical services table shall have effect as if item 18365 of this Determination was specified in subclause 5.8.2(2) and 5.8.2(3).

## Endnotes

### Endnote 1—About the endnotes

The endnotes provide information about this compilation and the compiled law.

The following endnotes are included in every compilation:

Endnote 1—About the endnotes

Endnote 2—Abbreviation key

Endnote 3—Legislation history

Endnote 4—Amendment history

### Abbreviation key—Endnote 2

The abbreviation key sets out abbreviations that may be used in the endnotes.

### Legislation history and amendment history—Endnotes 3 and 4

Amending laws are annotated in the legislation history and amendment history.

The legislation history in endnote 3 provides information about each law that has amended (or will amend) the compiled law. The information includes commencement details for amending laws and details of any application, saving or transitional provisions that are not included in this compilation.

The amendment history in endnote 4 provides information about amendments at the provision (generally section or equivalent) level. It also includes information about any provision of the compiled law that has been repealed in accordance with a provision of the law.

### Editorial changes

The *Legislation Act 2003* authorises First Parliamentary Counsel to make editorial and presentational changes to a compiled law in preparing a compilation of the law for registration. The changes must not change the effect of the law. Editorial changes take effect from the compilation registration date.

If the compilation includes editorial changes, the endnotes include a brief outline of the changes in general terms. Full details of any changes can be obtained from the Office of Parliamentary Counsel.

### Misdescribed amendments

A misdescribed amendment is an amendment that does not accurately describe the amendment to be made. If, despite the misdescription, the amendment can be given effect as intended, the amendment is incorporated into the compiled law and the abbreviation “(md)” added to the details of the amendment included in the amendment history.

If a misdescribed amendment cannot be given effect as intended, the abbreviation “(md not incorp)” is added to the details of the amendment included in the amendment history.
