1 Name

This instrument is the *Health Insurance (Section 3C General Medical – Expansion of GP and Allied Health Mental Health Services) Amendment (Care Recipient in a Residential Aged Care Facility) Determination 2020*.

2 Commencement

- (1) Each provision of this instrument specified in column 1 of the table commences, or is taken to have commenced, in accordance with column 2 of the table. Any other statement in column 2 has effect according to its terms.

Commencement information		
Column 1	Column 2	Column 3
Provisions	Commencement	Date/Details
1. The whole of this instrument	10 December 2020	

Note: This table relates only to the provisions of this instrument as originally made. It will not be amended to deal with any later amendments of this instrument.

- (2) Any information in column 3 of the table is not part of this instrument. Information may be inserted in this column, or information in it may be edited, in any published version of this instrument.

3 Authority

This instrument is made under subsection 3C(1) of the *Health Insurance Act 1973*.

4 Schedules

Each instrument that is specified in a Schedule to this instrument is amended or repealed as set out in the applicable items in the Schedule concerned, and any other item in a Schedule to this instrument has effect according to its terms.

Schedule 1— Amendments

Health Insurance (Section 3C General Medical – Expansion of GP and Allied Health Mental Health Services) Determination 2020

1 Subsection 5(1) (after the definition of *better access subsequent treatment service*)

Insert:

care recipient has the meaning given by the general medical services table.

2 Subsection 5(1) after (the definition of *person who is in a COVID-19 impacted area*)

Insert:

preparation of a GP mental health treatment plan has the meaning given by the general medical services table.

3 Subsection 5(1) definition of *GP mental health treatment plan*

Repeal and substitute:

- (a) items 2700, 2701, 2715 or 2717 of the general medical services table;
- (b) items 272, 276, 281 or 282 of the Other Medical Practitioner Determination;
- (c) items 92112, 92113, 92116, 92117, 92118, 92119, 92122, 92123, 92124, 92125, 92128, 92129, 92130, 92131, 92134 or 92135 of the COVID 19 Determination;
- (d) items 93400 to 93411 and 93431 to 93442 of this Determination.

4 Subsection 7(2)

Repeal the subsection and substitute:

An item in Schedule 1 or Schedule 2 of this instrument does not apply if a person has received 10 **better access subsequent treatment services** for that calendar year.

5 Subsection 8(1)

Repeal the subsection.

6 Subsection 8(2)

Repeal the subsection and substitute:

- (2) Items 93300 to 93311 and 93287, 93288, 93291 and 93292 apply to a service which is provided by a medical practitioner:

-
- (a) whose name is entered in the register maintained by the Chief Executive Medicare under section 33 of the *Human Services (Medicare) Regulations 2017*; and
 - (b) who is identified in the register as a medical practitioner who can provide services to which Subgroup 2 of Group A20 of the general medical services table applies or items 283, 285, 286, 287, 371 and 372 of the Other Medical Practitioner Determination applies; and
 - (c) who meets any training and skills requirements, as determined by the General Practice Mental Health Standards Collaboration for providing services to which Subgroup 2 of Group A20 of the general medical services table applies or items 283, 285, 286, 287, 371 and 372 of the Other Medical Practitioner Determination applies.

7 Subsection 8(4)

Repeal the subsection, substitute:

Items 93301, 93302, 93304, 93305, 93307, 93308, 93310, 93311, 93404 to 93411 and 93435 to 93442 do not apply to a service unless the service is performed by the **patient's usual medical practitioner**.

8 Section 9

Repeal and substitute:

9 Effect of election to claim private health insurance for an allied health service

An item in Group M25, M26, M27 and M28 in a Schedule to this instrument do not apply to a service if a private health insurance benefit has been claimed for the service.

10 Application of items in Group A42

General application of items

- (1) Items 93400, 93401, 93402, 93403, 93421, 93431, 93432, 93433, 93434 and 93451 apply only in the course of personal attendance by a single medical practitioner on a single patient.
- (2) Items in Subgroup 1, 2, 3 and 4 of Group A42 apply only to a patient with a mental disorder.

Claiming restrictions for treatment plan and review items

- (3) Items 93400 to 93411 and 93431 to 93442 do not apply to a service to which items 80020, 80021, 80120, 80121, 80145, 80146, 80170 and 80171 of the allied health services determination apply.

Practitioner training

- (4) Items 93402, 93403, 93406, 93407, 93410, 93411, 93433, 93434, 93437, 93438, 93441 and 93442 apply only if the medical practitioner providing the service has successfully completed mental health skills training accredited by the General Practice Mental Health Standards Collaboration.

Note: The General Practice Mental Health Standards Collaboration operates under the auspices of the Royal Australian College of General Practitioners.

Definition

- (5) In review items 93421, 93422 and 93423:

associated general practitioner means a general practitioner (not including a specialist or consultant physician) who, if not engaged in the same general practice as the general practitioner mentioned in that item, performs the service described in the item at the request of the patient (or the patient's guardian).

- (6) In review items 93451, 93452 and 93453:

associated medical practitioner means a medical practitioner who, if not engaged in the same general practice as the medical practitioner mentioned in the item, performs the service mentioned in the item at the request of the patient (or the patient or the patient's guardian).

11 Fee in relation to the first patient during each attendance at a residential aged care facility

- (1) For the first patient attended during one attendance by a general practitioner at one residential aged care facility on one occasion, the fee for the medical service described in whichever of items 93400, 93401, 93402, 93403, 93421, 93287 and 93288 applies is the amount listed in the item plus \$66.75.
- (2) For the first patient attended during one attendance by a medical practitioner at one residential aged care facility on one occasion, the fee for the medical service described in whichever of items 93431, 93432, 93433, 93434, 93451, 93291 and 93292 applies is the amount listed in the item plus \$48.55.

9 Schedule 1 (items 93300, 93303, 93306 and 93309)

Repeal paragraph (b), substitute (wherever occurring):

- (b) the service is clinically indicated under a GP mental health treatment plan or a psychiatrist assessment and management plan; and

10 Schedule 1 (after item 93303)

Insert:

93287	Professional attendance by a general practitioner, for the purpose of providing focussed psychological strategies for assessed mental disorders if: (a) the person is a care recipient in a residential aged care facility (but not as an admitted patient of a hospital); and (b) the service is clinically indicated under a GP mental health treatment plan or a psychiatrist assessment and management plan; and (c) the service lasts at least 30 minutes, but less than 40 minutes	112.50
93288	Professional attendance by a general practitioner, for the purpose of providing focussed psychological strategies for assessed mental disorders if: (a) the person is a care recipient in a residential aged care facility (but not as an admitted patient of a hospital); and (b) the service is clinically indicated under a GP mental health treatment plan or a psychiatrist assessment and management plan; and (c) the service lasts at least 40 minutes	161.00

11 Schedule 1 (after item 93309)

Insert:

93291	Professional attendance by a medical practitioner (not including a general practitioner, specialist or a consultant physician), for the purpose of providing focussed psychological strategies for assessed mental disorders if: (a) the person is a care recipient in a residential aged care facility (but not as an admitted patient of a hospital); and (b) the service is clinically indicated under a GP mental health treatment plan or a psychiatrist assessment and management plan; and (c) the service lasts at least 30 minutes, but less than 40 minutes	90.00
93292	Professional attendance by a medical practitioner (not including a general practitioner, specialist or a consultant physician), for the purpose of providing focussed psychological strategies for assessed mental disorders if: (a) the person is a care recipient in a residential aged care facility (but not as an admitted patient of a hospital); and (b) the service is clinically indicated under a GP mental health treatment plan or a psychiatrist assessment and management plan; and	128.80

(c) the service lasts at least 40 minutes

Group A42 – Mental health planning for care recipients of an residential aged care facility

Item	Service	Fee(\$)
-------------	----------------	----------------

Subgroup 1—GP mental health treatment plans for care recipients of an residential aged care facility

93400	Professional attendance by a general practitioner who has not undertaken mental health skills training, for the preparation of a GP mental health treatment plan for a patient (but not as an admitted patient of a hospital) if: (a) the person is a care recipient in a residential aged care facility; and (b) the service lasts at least 20 minutes, but less than 40 minutes	87.00
93401	Professional attendance by a general practitioner who has not undertaken mental health skills training, for the preparation of a GP mental health treatment plan for a patient (but not as an admitted patient of a hospital) if: (a) the person is a care recipient in a residential aged care facility; and (b) the service lasts at least 40 minutes	128.05
93402	Professional attendance, by a general practitioner who has undertaken mental health skills training, for the preparation of a GP mental health treatment plan for a patient (but not as an admitted patient of a hospital) if: (a) the person is a care recipient in a residential aged care facility; and (b) the service lasts at least 20 minutes, but less than 40 minutes	110.45
93403	Professional attendance, by a general practitioner who has undertaken mental health skills training, for the preparation of a GP mental health treatment plan for a patient (but not as an admitted patient of a hospital) if: (a) the person is a care recipient in a residential aged care facility; and (b) the service lasts at least 40 minutes	162.70

Subgroup 2—GP mental health treatment plan review for care recipients of an residential aged care facility

93421	Professional attendance by a general practitioner to review a GP mental health treatment plan which the general practitioner, or an associated medical practitioner has prepared, or to review a psychiatrist assessment and management plan (but not as an admitted patient of a hospital) if: (a) the person is a care recipient in a residential aged	87.00
-------	---	-------

	care facility; and	
	(b) one of the following services has been provided to the patient:	
	(i) a mental health treatment plan under items 93400 to 93411 or 93431 to 93442; or	
	(ii) a psychiatrist assessment and management plan; and	
	(c) the reviewing practitioner modifies the person's GP mental health treatment plan or psychiatrist assessment and management plan to record that they recommend the person have an additional number of better access treatment services	
Subgroup 3—Non specialist practitioner mental health treatment plans for care recipients of an residential aged care facility		
93431	Professional attendance by a medical practitioner who has not undertaken mental health skills training (not including a general practitioner, specialist or a consultant physician), for the preparation of a GP mental health treatment plan for a patient (but not as an admitted patient of a hospital) if:	69.55
	(a) the person is a care recipient in a residential aged care facility; and	
	(b) the service lasts at least 20 minutes, but less than 40 minutes	
93432	Professional attendance by a medical practitioner who has not undertaken mental health skills training (not including a general practitioner, specialist or a consultant physician), for the preparation of a GP mental health treatment plan for a patient (but not as an admitted patient of a hospital) if:	102.45
	(a) the person is a care recipient in a residential aged care facility; and	
	(b) the service lasts at least 40 minutes	
93433	Professional attendance, by a medical practitioner who has undertaken mental health skills training (but not including a general practitioner, specialist or consultant physician), for the preparation of a GP mental health treatment plan for a patient (but not as an admitted patient of a hospital) if:	88.35
	(a) the person is a care recipient in a residential aged care facility; and	
	(b) the service lasts at least 20 minutes, but less than 40 minutes	
93434	Professional attendance, by a medical practitioner who has undertaken mental health skills training, for the preparation of a GP mental health treatment plan for a patient (but not as an admitted patient of a hospital) if:	130.15

	(a) the person is a care recipient in a residential aged care facility; and	
	(b) the service lasts at least 40 minutes	
Subgroup 4— Non specialist practitioner mental health treatment plan review for care recipients of an residential aged care facility		
93451	Professional attendance by a medical practitioner to review a GP mental health treatment plan which the medical practitioner, or an associated medical practitioner has prepared, or to review a Psychiatrist Assessment and Management Plan (but not as an admitted patient of a hospital) if: (a) the person is a care recipient in a residential aged care facility; and (b) one of the following services has been provided to the patient: (i) a mental health treatment plan under items 93400 to 93411 or 93431 to 93442; or (ii) a psychiatrist assessment and management plan; and (c) the reviewing practitioner modifies the person’s GP mental health treatment plan or psychiatrist assessment and management plan to record that they recommend the person have an additional number of better access treatment services	69.55
