ATTACHMENT – STATEMENT OF REASONS

Health Insurance Act 1973

Class Order under Subsection 6(1)

Health Insurance (Eligible persons and citizens of Italy) Order 2020

ORDER NO: 814
DATE OF ORDER: 2020
RELATED ORDERS: 811
NAME OF PERSON OR GROUP: Citizens of Italy

REASONS FOR APPROVAL:

Citizens of Italy who are lawfully present in Australia but not ordinarily resident in Australia are eligible for Medicare upon arrival in Australia, while on a visa that exceeds 6 months and also during the period for which a biosecurity emergency is declared in relation to COVID-19.

This is an interim measure to:

- (a) address an anomaly in the Australia-Italy Reciprocal Health Care Agreement. Currently, the agreement does not permit a person entering Australia on a visa exceeding a 6 month period to be eligible for Medicare; and
- (b) enable certain Italian citizens in Australia during the COVID-19 pandemic to be eligible for Medicare, and to retain eligibility to continue necessary medical treatment commenced while in Australia.
