PREFACE

Reasons for Issuing ASA 2021-3

The Australian Auditing and Assurance Board (AUASB) issues Auditing Standard ASA 2021-3 *Amendments to Australian Auditing Standards* pursuant to the requirements of the legislative provisions and the Strategic Direction explained below.

The AUASB is a non-corporate Commonwealth entity of the Australian Government established under section 227A of the *Australian Securities and Investments Commission Act 2001*, as amended (ASIC Act). Under section 336 of the *Corporations Act 2001*, the AUASB may make Auditing Standards for the purposes of the corporations legislation. These Auditing Standards are legislative instruments under the *Legislation Act 2003*.

Under the Strategic Direction given to the AUASB by the Financial Reporting Council (FRC), the AUASB is required, inter alia, to develop auditing standards that have a clear public interest focus and are of the highest quality.

Main Features

This Auditing Standard makes amendments to the requirements and application and other explanatory material of the following Auditing Standards:

- ASA 200 *Overall Objectives of the Independent Auditor and the Conduct of an Audit in Accordance with Australian Auditing Standards* (issued October 2009 and amended to June 2020)
- ASA 700 *Forming an Opinion and Reporting on a Financial Report* (issued December 2015 and amended to June 2020)

These amendments are consequential and conforming amendments arising from the issuance of the revised ASA 101 *Preamble to AUASB Standards* in September 2021. Under its mandate, the AUASB is required to maintain the quality and relevance of the Auditing Standards. Accordingly, amendments to existing Auditing Standards are made whenever necessary to correct editorial issues or to resolve conflicts between standards.
