

## REMUNERATION TRIBUNAL

---

### **Explanatory Statement: Remuneration Tribunal Amendment Determination (No. 6) 2021**

---

1. The *Remuneration Tribunal Act 1973* (the Act) establishes the Remuneration Tribunal (the Tribunal) as an independent statutory authority responsible for reporting on and determining the remuneration, allowances and entitlements of key Commonwealth office holders. These include Judges of Federal Courts and most full-time and part-time holders of public offices, including Specified Statutory Offices. An additional function of the Tribunal is to determine a classification structure for Principal Executive Offices and the terms and conditions applicable to each classification within the structure.

#### **Consultation**

2. Section 11 of the Act advises that in the performance of its functions the Tribunal:
  - may inform itself in such manner as it thinks fit;
  - may receive written or oral statements;
  - is not required to conduct any proceeding in a formal manner; and
  - is not bound by the rules of evidence.
3. The Tribunal normally receives submissions on remuneration from a portfolio minister, or a secretary, program manager or employing body (for a Principal Executive Office) with responsibility for the relevant office(s). The Tribunal will normally seek the views of the portfolio minister prior to determining remuneration for an office.
4. The Tribunal may reach a decision based on the information provided in the submission and other publicly available information such as portfolio budget statements, annual reports, corporate plans, legislation and media releases. On occasion it may wish to meet with relevant parties or seek further information from the minister or person making the submission.
5. In deliberating on appropriate remuneration for an office, the Tribunal also informs itself on:
  - the main functions, responsibilities and accountabilities of the office;
  - the organisational structure, budget and workforce;
  - the requisite characteristics, skills or qualifications required of the office holder(s); and
  - the remuneration of similar, comparator offices within its jurisdiction.
