1 Name

This instrument is the *Biosecurity (Biosecurity Activity Zones) Determination 2021*.

2 Commencement

- (1) Each provision of this instrument specified in column 1 of the table commences, or is taken to have commenced, in accordance with column 2 of the table. Any other statement in column 2 has effect according to its terms.

| Commencement information | | |
|---------------------------------|--|--------------|
| Column 1 | Column 2 | Column 3 |
| Provisions | Commencement | Date/Details |
| 1. The whole of this instrument | The later of: (a) the day after this instrument is registered; and (b) the day and time the <i>Biosecurity (Biosecurity Activity Zones) Repeal Determination 2021</i> commences. | |

Note: This table relates only to the provisions of this instrument as originally made. It will not be amended to deal with any later amendments of this instrument.

- (2) Any information in column 3 of the table is not part of this instrument. Information may be inserted in this column, or information in it may be edited, in any published version of this instrument.

3 Authority

This instrument is made under subsection 395(1) of the *Biosecurity Act 2015*.

4 Definitions

In this instrument:

Act means the *Biosecurity Act 2015*.

5 Biosecurity activity zone—Mickleham (Victoria)

- (1) For the purposes of subsection 395(1) of the Act, the specified area in subsection (2), that is in Australian Territory, is determined to be a biosecurity activity zone.
- (2) The specified area is the area that:
- is known as the Post Entry Quarantine Facility at Mickleham (the *Facility*) on the commencement of this instrument; and
 - is on the land (the *specified land*) known as 135 Donnybrook Road, Mickleham, Victoria on the commencement of this instrument; and
 - is bounded by the line starting at the point described in subparagraph (i) and running sequentially as described in the following subparagraphs:

- (i) the point near the intersection of Donnybrook Road and Polaris Road, Mickleham, Victoria, on the north-east corner of a fence (the ***external perimeter fence***) that is a maximum-security fence on the outer perimeter of the Facility;
 - (ii) south along the external perimeter fence (including the security gates or other access points) of the Facility to the south-east corner of that fence near the boundary with the Protected Grassland on the specified land;
 - (iii) west along the external perimeter fence of the Facility to the western boundary of the specified land;
 - (iv) north along the western boundary of the specified land to the intersection of that boundary with the northern boundary of the specified land near Donnybrook Road, Mickleham, Victoria;
 - (v) east along the northern boundary of the specified land to the point along that boundary directly above the starting point;
 - (vi) south from that point mentioned in subparagraph (v) to the starting point; and
- (d) excludes the area on the specified land that is outside the area specified in paragraph (c).

Note 1: The specified land is set out in folio identifier 2/LP202576J at Mickleham, City of Hume, County of Bourke, Victoria.

Note 2: See section 399 of the *Biosecurity Act 2015* for the powers that may be exercised by a biosecurity officer in, or in relation to goods or premises in, a biosecurity activity zone.

- (3) Schedule 1 sets out a map that illustrates the specified area on the specified land.

Schedule 1—Map of biosecurity activity zone— Mickleham (Victoria)

Note: See subsection 5(3).
