## Part 1—Preliminary

### 1 Name

This instrument is the *National Land Transport Regulations 2022*.

### 2 Commencement

- (1) Each provision of this instrument specified in column 1 of the table commences, or is taken to have commenced, in accordance with column 2 of the table. Any other statement in column 2 has effect according to its terms.

Commencement information		
Column 1	Column 2	Column 3
Provisions	Commencement	Date/Details
1. The whole of this instrument	The day after this instrument is registered.	8 March 2022

Note: This table relates only to the provisions of this instrument as originally made. It will not be amended to deal with any later amendments of this instrument.

- (2) Any information in column 3 of the table is not part of this instrument. Information may be inserted in this column, or information in it may be edited, in any published version of this instrument.

### 3 Authority

This instrument is made under the *National Land Transport Act 2014*.

### 4 Definitions

Note: A number of expressions used in this instrument are defined in the Act, including the following:

- (a) railway;
- (b) road.

In this instrument:

*Act* means the *National Land Transport Act 2014*.

## Part 2—Railway, road and construction

### 5 Additional things included in the definition of *railway*

For the purposes of the definition of *railway* in subsection 4(1) of the Act, the following things are specified:

- (a) a facility for the transfer of cargo or passengers from one rail vehicle to another;
- (b) amenities for the use of persons who travel on a railway (for example, shelter, toilets, seating, waste receptacles, drinking-water facilities and eating facilities);
- (c) railway technology.

### 6 Additional things included in the definition of *road*

For the purposes of the definition of *road* in subsection 4(1) of the Act, the following things are specified to the extent they are not otherwise a road:

- (a) a path for the use of pedestrians;
- (b) a path for the use of persons using any form of transport;
- (c) a bus stop;
- (d) a bus station or interchange;
- (e) a facility for passengers to enter or exit road vehicles;
- (f) a facility for the transfer of cargo or passengers from one road vehicle to another;
- (g) a car park;
- (h) a facility off the road used by road vehicles (for example, a rest area);
- (i) amenities for the use of persons who travel on a road (for example, shelter, toilets, seating, waste receptacles, drinking-water facilities and eating facilities);
- (j) a facility for the care or management of livestock travelling on a road;
- (k) a facility for charging electric or hydrogen fuel cell road vehicles;
- (l) technology relating to road transport.

Note: This section specifies things only to the extent they are not already a road within the meaning of the Act.

### 7 Additional things included in the definition of *construction* in relation to a railway or road

For the purposes of subsection 4(2) of the Act, the following things are specified:

- (a) community consultation and other communication with the community;
- (b) environmental remediation;
- (c) environmental harm mitigation;
- (d) payment of financing costs;
- (e) payment of compensation;
- (f) payment of costs of removing and relocating facilities and other things.
