

EXPLANATORY STATEMENT

Issued by the authority of the Prime Minister

Parliamentary Business Resources Act 2017

Parliamentary Business Resources (Former Prime Minister) Determination 2017

The *Parliamentary Business Resources Act 2017* (the Act) and the *Parliamentary Business Resources Regulations 2017* (the Regulations) establish a framework for providing resources to parliamentarians in respect of their parliamentary business. The framework replaces the existing parliamentary work expenses framework established under the *Parliamentary Entitlements Act 1990* and supporting Acts and instruments. Certain provisions of the Act and Regulations apply to the provision of resources to former Prime Ministers.

Section 16 of the Act provides that the current Prime Minister may determine, in writing, that former Prime Ministers are to be provided with any goods, services, premises, equipment or any other facility from time to time. The Prime Minister may impose one or more limits or other conditions on the resources provided to a particular former Prime Minister, a class or former Prime Ministers generally.

The amendment determination amends the *Parliamentary Business Resources (Former Prime Ministers) Determination 2017* to include a Schedule to support the provision of goods, services, premises, equipment or any other facility from time to time for the former Prime Minister, the Hon Scott Morrison. The resources provided under this amendment determination are in addition to the entitlements and resources provided to the former Prime Minister under another enactment, such as the *Parliamentary Contributory Superannuation Act 1948* or the *Parliamentary Superannuation Act 2004*.

Details of the amendment determination are set out in [Attachment A](#).

The Act specifies no conditions that need to be satisfied before the power to make the amendment determination may be exercised. Resources provided to former Prime Ministers are entirely at the discretion of the Prime Minister.

The amendment determination is a legislative instrument for the purposes of the *Legislation Act 2003* (Legislation Act). However, subsection 16(3) of the Act provides that this Determination is not subject to disallowance under section 42 of the Legislation Act.

This amendment determination commences the day after it is registered.
