**1 Name**

This is the Amendment Statement of Principles concerning *asthma (Balance of Probabilities)* (No. 93 of 2022).

**2 Commencement**

This instrument commences on 19 September 2022.

**3 Authority**

This instrument is made under subsections 196B(3) and (8) of the *Veterans' Entitlements Act 1986*.

**4 Amendment**

The Statement of Principles concerning *asthma (Balance of Probabilities)* (No. 32 of 2021) (Federal Register of Legislation No. F2021L00220) is amended in the following manner:

| Section                 | Amendment   |
|-------------------------|---|
| 9(1A)                   | <p><i>Insert the following factor as subsection 9(1A):</i></p> <p>having a sensitising exposure to an allergen before the clinical onset of asthma;</p> <p>Note: <i>sensitising exposure to an allergen</i> is defined in the Schedule 1 – Dictionary.</p>  |
| Schedule 1 – Dictionary | <p><i>Insert the following definition of "sensitising exposure to an allergen" in alphabetical order:</i></p> <p><i>sensitising exposure to an allergen</i> means an exposure to an allergen without the occurrence of symptoms where the clinical onset of asthma occurs within the 24 hours of a subsequent exposure to the same allergen.</p> <p>Note: The initial sensitising exposure to an allergen may have occurred months to years before the re-exposure that has resulted in the asthma.</p> |
