## Part 1—Preliminary

### 1 Name

This instrument is the *Competition and Consumer (Price Monitoring—Petroleum Fuels) Direction 2022*.

### 2 Commencement

- (1) Each provision of this instrument specified in column 1 of the table commences, or is taken to have commenced, in accordance with column 2 of the table. Any other statement in column 2 has effect according to its terms.

Commencement information		
Column 1	Column 2	Column 3
Provisions	Commencement	Date/Details
1. The whole of this instrument	The day after this instrument is registered.	

Note: This table relates only to the provisions of this instrument as originally made. It will not be amended to deal with any later amendments of this instrument.

- (2) Any information in column 3 of the table is not part of this instrument. Information may be inserted in this column, or information in it may be edited, in any published version of this instrument.

### 3 Authority

This instrument is made under the *Competition and Consumer Act 2010*.

### 4 Schedules

Each instrument that is specified in a Schedule to this instrument is amended or repealed as set out in the applicable items in the Schedule concerned, and any other item in a Schedule to this instrument has effect according to its terms.

### 5 Definitions

Note: Expressions have the same meaning in this instrument as in the *Competition and Consumer Act 2010* as in force from time to time—see paragraph 13(1)(b) of the *Legislation Act 2003*.

In this instrument:

*Act* means the *Competition and Consumer Act 2010*.

*ANZSIC* means the Australian and New Zealand Standard Industrial Classification 2006 (1292.0) published by the Australian Bureau of Statistics, as revised and in force on the day this instrument commences.

Note: In 2022, the text of the Australian and New Zealand Standard Industrial Classification 2006 was accessible through the Australian Bureau of Statistics website (<http://www.abs.gov.au>).

## Section 5

---

**bulk petroleum storage sub-industry** means those parts of the following industries that relate to the supply of bulk petroleum storage services:

- (a) other warehousing and storage services industry;
- (b) port and water transport terminal operations industry.

**exempt supply** has the same meaning as in Part VIIA of the Act.

**quarter** means a period of 3 months ending on 31 March, 30 June, 30 September or 31 December.

**services** has the same meaning as in Part VIIA of the Act.

**State or Territory authority** has the same meaning as in Part VIIA of the Act.

**supply** has the same meaning as in Part VIIA of the Act.

## **Part 2—Price monitoring of petroleum fuels**

### **6 Object**

The object of this instrument is to continue the Commission's monitoring of the prices, costs and profits relating to the supply of petroleum products in Australia for a further period of 3 years.

### **7 Commission to monitor prices**

- (1) Under subsection 95ZE(1) of the Act, the Commission is directed:
  - (a) to monitor prices, costs and profits relating to the supply of goods and services in each of the following industries:
    - (i) the fuel retailing industry;
    - (ii) the petroleum product wholesaling industry;
    - (iii) the petroleum fuel manufacturing industry;
    - (iv) bulk petroleum storage sub-industry;
  - (b) to give the Treasurer a report on the monitoring at least once every quarter during the period of 3 years beginning on 1 January 2023.
- (2) Subsection (1) does not apply in relation to:
  - (a) an exempt supply; or
  - (b) the supply of a good or service by a State or Territory authority.

### **8 Direction to give special consideration to specified matters**

Under subsection 95ZH(1) of the Act, the Commission is directed to give special consideration, to:

- (a) the object of this instrument; and
  - (a) monitoring the prices, costs and profits relating to the supply of:
    - (i) petroleum fuel products; and
    - (ii) services related to the supply of petroleum fuel products;
- in exercising its powers and performing its functions under Part VIIA of the Act in relation to the direction in section 6.
