*Note 1* Proposed exposition changes to matters mentioned in subparagraphs 119.020 (b) (i) to (v) are significant changes requiring CASA approval *if they fail to maintain or improve the safety of aeroplane operations*. Applications for approval should be submitted to CASA at least 90 days before 2 December 2023. Later applications are likely to result in operators having to cease relevant operations on and from 2 December 2023 while awaiting CASA approval of the exposition content.

*Note 2* For proposed exposition changes to matters mentioned in subparagraphs 119.020 (b) (i) to (v) *that do maintain or improve the safety of aeroplane operations*, revised exposition content must be submitted to CASA by 2 December 2023, even if the operator's usual change process for non-significant changes would not require submission until a later date.

*Note 3* The direction ceases to be in force in accordance with paragraph 2 (b).
