2 Commencement

This instrument commences at the start of the day after the day it is registered.

Note: This instrument is a notifiable instrument and is available, free of charge, from the Federal Register of Legislation at www.legislation.gov.au.

3 Authority

This instrument is made under subsection 54A(2) of the *Radiocommunications Equipment (General) Rules 2021*.

4 Definitions

In this instrument:

Australian Formula One Grand Prix has the meaning given to “Formula One event” in the *Australian Grands Prix Act 1994* (Vic).

GDA94 means the geodetic datum designated as the “Geocentric Datum of Australia (GDA)”, gazetted in the Commonwealth of Australia *Gazette* No. GN 35 on 6 September 1995, as existing on that date.

Note: *Gazette* No. GN 35 is available, free of charge, from the Federal Register of Legislation at www.legislation.gov.au.

5 Declaration of significant event

For the purposes of section 54A of the *Radiocommunications Equipment (General) Rules 2021*:

- (a) the Australian Formula One Grand Prix to be held in 2023 is declared to be a significant event (the **significant event**);
- (b) the period commencing on 28 March 2023 and ending on 3 April 2023 is the period of the significant event; and
- (c) the location of the significant event is a circle that:
 - (i) is centred on the following GDA94 coordinates: -37.846702°, 144.971342°;
 - (ii) has a 3 kilometre radius.

Note 1: The location of the significant event covers the Albert Park Grand Prix circuit in Melbourne, and parts of surrounding suburbs.

Note 2: The declaration of the Australian Formula One Grand Prix as a significant event has consequences for the operation, possession and supply of certain devices under the *Radiocommunications Equipment (General) Rules 2021*.
