Part 1—Preliminary

1 Name

This instrument is the *Primary Industries Levies and Charges Disbursement Rules 2024*.

2 Commencement

- (1) Each provision of this instrument specified in column 1 of the table commences, or is taken to have commenced, in accordance with column 2 of the table. Any other statement in column 2 has effect according to its terms.

Commencement information		
Column 1	Column 2	Column 3
Provisions	Commencement	Date/Details
1. The whole of this instrument	1 January 2025.	1 January 2025

Note: This table relates only to the provisions of this instrument as originally made. It will not be amended to deal with any later amendments of this instrument.

- (2) Any information in column 3 of the table is not part of this instrument. Information may be inserted in this column, or information in it may be edited, in any published version of this instrument.

3 Authority

This instrument is made under the *Primary Industries Levies and Charges Disbursement Act 2024*.

4 Simplified outline of this instrument

Disbursement

This instrument complements the *Primary Industries Levies and Charges Disbursement Act 2024* by:

- (a) prescribing the marketing components, research and development components, general components, biosecurity activity components and biosecurity response components of the rates of levies and charges in respect of which amounts are disbursed under the Act to each recipient body, Animal Health Australia and Plant Health Australia; and
- (b) prescribing the National Residue Survey components of the rates of levies and charges in respect of which amounts are credited under the Act to the National Residue Survey Special Account.

Gross value of production calculations

Section 5

This instrument prescribes the goods that are relevant to gross value of production calculations made for the purposes of working out the amounts of matching payments made to recipient bodies under the Act.

5 Definitions

Note: A number of expressions used in this instrument are defined in the Act, including the following:

- (a) algal product;
- (b) animal;
- (c) animal product;
- (d) charge;
- (e) Collection Act;
- (f) funding agreement;
- (g) fungus product;
- (h) levy;
- (i) plant;
- (j) plant product;
- (k) recipient body.

In this instrument:

Act means the *Primary Industries Levies and Charges Disbursement Act 2024*.

Australia, when used in a geographical sense, includes the external Territories.

Australian Kuruma prawn means an animal of the species *Penaeus pulchricaudatus* (formerly known as *Penaeus japonicus*).

banana prawn means an animal of the species *Penaeus merguensis*, also known as *Fenneropenaeus merguensis*.

black tiger prawn means an animal of the species *Penaeus monodon*.

bovine animal means an animal of the genus *Bos*.

brown tiger prawn means an animal of the species *Penaeus esculentus*.

buffalo means an animal of the species *Bubalus bubalis*.

buffalo industry means the industry in Australia that is concerned with:

- (a) the breeding and raising of buffalo; and
- (b) the slaughter of buffalo and the production of buffalo meat; and
- (c) the aggregation, transport, marketing, sale and export of buffalo that are raised in Australia; and
- (d) the processing, distribution, storage, marketing, sale and export of buffalo meat and buffalo meat products produced from buffalo that are slaughtered in Australia.

cattle means bovine animals other than buffalo.

Charges Regulations means the *Primary Industries (Customs) Charges Regulations 2024*.

chicken means a bird of the species *Gallus gallus domesticus*.

coarse grains means the seeds of a plant of a genus or species covered by column 2 of an item in this table (and with the common name mentioned in column 1 of that item).

Coarse grains—kind of plant		
Item	Column 1 Common name	Column 2 Genus or species
1	Barley	<i>Hordeum vulgare</i>
2	Canary seed	<i>Phalaris canariensis</i>
3	Cereal rye	<i>Secale cereale</i>
4	Grain sorghum	<i>Sorghum bicolor</i>
5	Maize	<i>Zea mays</i>
6	Millet	<i>Echinochloa frumentacea</i> , <i>Echinochloa esculenta</i> (synonym <i>Echinochloa utilis</i>), <i>Panicum miliaceum</i> or <i>Setaria italica</i>
7	Oats	<i>Avena sativa</i>
8	Triticale	× <i>Triticosecale</i>

cotton industry means the industry in Australia that is concerned with:

- (a) the growing and harvesting of cotton; and
- (b) the processing, distribution, storage, marketing, sale and export of cotton that is grown in Australia.

cotton lint means cotton processed to exclude linters, seeds and waste cotton.

dairy cattle means cattle held for use for the production of milk, or for purposes incidental to the production of milk, and includes:

- (a) dairy cows; and
- (b) dairy heifers; and

- (b) the production of whole milk; and
- (c) the processing, manufacture, distribution, storage, marketing and sale of whole milk, or products made in Australia from or containing whole milk or a constituent part of whole milk, where the whole milk is produced in Australia.

declared dairy industry body means the body declared to be the dairy industry body by a declaration under subsection 39(1) of the Act, as that declaration is in force from time to time.

declared egg industry body means the body declared to be the egg industry body by a declaration under subsection 39(1) of the Act, as that declaration is in force from time to time.

Section 5

declared forestry industry body means the body declared to be the forestry industry body by a declaration under subsection 39(1) of the Act, as that declaration is in force from time to time.

declared horticultural industry body means the body declared to be the horticultural industry body by a declaration under subsection 39(1) of the Act, as that declaration is in force from time to time.

declared livestock export body means the body declared to be the livestock export body by a declaration under subsection 39(1) of the Act, as that declaration is in force from time to time.

declared meat industry body means the body declared to be the meat industry body by a declaration under subsection 39(1) of the Act, as that declaration is in force from time to time.

declared meat processor body means the body declared to be the meat processor body by a declaration under subsection 39(1) of the Act, as that declaration is in force from time to time.

declared pig industry body means the body declared to be the pig industry body by a declaration under subsection 39(1) of the Act, as that declaration is in force from time to time.

declared sugarcane industry body means the body declared to be the sugarcane industry body by a declaration under subsection 39(1) of the Act, as that declaration is in force from time to time.

declared wool industry body means the body declared to be the wool industry body by a declaration under subsection 39(1) of the Act, as that declaration is in force from time to time.

deer means an animal of the family *Cervidae*.

deer industry means the industry in Australia that is concerned with:

- (a) the breeding and raising of deer; and
- (b) the slaughter of deer and the production of deer meat; and
- (c) the processing, distribution, storage, marketing and sale of deer meat and deer meat products produced from deer that are slaughtered in Australia.

Eastern school prawn means an animal of the species *Metapenaeus macleayi*.

edible offal means any edible portion, other than the flesh, of cattle, sheep, lambs or goats.

egg industry means the industry in Australia that is concerned with:

- (a) the breeding and raising of laying chickens; and
- (b) the production of chicken eggs; and
- (c) the distribution, storage, marketing and sale of chicken eggs that are produced in Australia.

farmed prawn industry means the industry in Australia that is concerned with:

- (a) the culturing of farmed prawns; and

- (b) the processing, preserving, storage, transport, marketing, sale and export of farmed prawns that are produced in Australia.

farmed prawns means banana prawns, black tiger prawns, brown tiger prawns, Australian Kuruma prawns or Eastern school prawns that are produced by aquaculture.

fish means all living aquatic natural resources of:

- (a) rivers; or
- (b) estuaries; or
- (c) the sea; or
- (d) the seabed; or
- (e) waters within the limits of Australia.

fishing industry means the industry carried on in or from Australia that is concerned with the taking, culturing, processing, preserving, storage, transport, marketing and sale of fish and fish products.

fish products means all products derived from the culturing, processing or preserving of fish.

fodder means the following that are for use for animal feed:

- (a) hay (including oaten hay, lucerne hay and wheaten hay);
- (b) straw (including cereal straw);

but does not include chaff, extruded products or silage.

fodder industry means the industry in Australia that is concerned with:

- (a) the production of fodder for export; and
- (b) the processing and storage of fodder that is produced in Australia and is for export.

forestry industry means the industry in Australia that is concerned with:

- (a) the growing and harvesting of trees; and
- (b) the processing, distribution, storage, marketing, sale, importing and exporting of wood, wood fibre and products made from wood or wood fibre.

ginger means a rhizome of the species *Zingiber officinale*.

ginger industry means the industry in Australia that is concerned with:

- (a) the growing and harvesting of ginger; and
- (b) the processing, distribution, storage, marketing and sale of ginger that is grown in Australia.

goat means an animal of the genus *Capra*.

goat fibre industry means the industry in Australia that is concerned with:

- (a) the breeding and raising of goats for the purposes of goat fibre production; and
- (b) the harvesting of goat fibre; and
- (c) the processing, distribution, storage, marketing and sale of goat fibre that is harvested from live goats in Australia.

Section 5

grain means wheat, coarse grains, oilseeds or grain legumes.

grain legumes means the seeds of a plant of a species covered by column 2 of an item in this table (and with the common name mentioned in column 1 of that item).

Grain legumes—kind of plant		
Item	Column 1 Common name	Column 2 Species
1	Black gram	<i>Vigna mungo</i>
2	Chickpeas	<i>Cicer arietinum</i>
3	Common beans	<i>Phaseolus vulgaris</i>
4	Common vetch	<i>Vicia sativa</i>
5	Cowpeas	<i>Vigna unguiculata</i>
6	Faba beans	<i>Vicia faba</i>
7	Field peas	<i>Pisum sativum</i>
8	Lentils	<i>Lens culinaris</i>
9	Lupins	<i>Lupinus albus</i> or <i>Lupinus angustifolius</i>
10	Mung beans	<i>Vigna radiata</i>
11	Peanuts	<i>Arachis hypogaea</i>
12	Pigeon peas	<i>Cajanus cajan</i>
13	Wild cowpeas	<i>Vigna vexillata</i>

grains industry means the industry in Australia that is concerned with:

- (a) the growing and harvesting of grain; and
- (b) the processing, distribution, storage, marketing and sale of grain that is grown in Australia.

grape means a fruit of the genus *Vitis*.

Item	Column 1 Common name	Column 2 Species
1	Linseed	<i>Linum usitatissimum</i>
2	Rape seed	<i>Brassica napus</i>
3	Safflower seed	<i>Carthamus tinctorius</i>
4	Soybean	<i>Glycine max</i>
5	Sunflower seed	<i>Helianthus annuus</i>

ostrich means an animal of the species *Struthio camelus*.

ostrich industry means the industry in Australia that is concerned with:

- (a) the breeding and raising of ostriches; and
- (b) the slaughter of ostriches and the production of ostrich meat; and
- (c) the processing, distribution, storage, marketing and sale of ostrich meat and ostrich meat products produced from ostriches that are slaughtered in Australia.

pasture seed industry means the industry in Australia that is concerned with:

- (a) the growing and harvesting of pasture seeds; and
- (b) the distribution, storage, marketing and sale of pasture seeds that are grown in Australia.

pasture seeds means seeds of a plant of a species specified in column 2 of an item in this table (and with the common name mentioned in column 1 of that item).

Pasture seeds—kind of plant		
Item	Column 1 Common name	Column 2 Species
1	Arrow leaf clover	<i>Trifolium vesiculosum</i>
2	Balansa clover	<i>Trifolium michelianum</i>
3	Barrel medic	<i>Medicago truncatula</i>
4	Berseem clover	<i>Trifolium alexandrinum</i>
5	Burr medic	<i>Medicago polymorpha</i>
6	Disc medic	<i>Medicago tornata</i> (synonym <i>Medicago italica</i>)
7	Gama medic	<i>Medicago rugosa</i>
8	Kenya white clover	<i>Trifolium semipilosum</i>
9	Lucerne	<i>Medicago sativa</i>
10	Murex medic	<i>Medicago murex</i>

Pasture seeds—kind of plant		
Item	Column 1 Common name	Column 2 Species
11	Persian clover	<i>Trifolium resupinatum</i>
12	Red clover	<i>Trifolium pratense</i>
13	Rose clover	<i>Trifolium hirtum</i>
14	Snail medic	<i>Medicago scutellata</i>
15	Sphere medic	<i>Medicago sphaerocarpos</i>
16	Strand medic	<i>Medicago littoralis</i>
17	Strawberry clover	<i>Trifolium fragiferum</i>
18	Subterranean clover	<i>Trifolium subterraneum</i>
19	Yellow serradella	<i>Ornithopus compressus</i>

pig means an animal of the family *Suidae*.

pig industry means the industry in Australia that is concerned with:

- (a) the breeding and raising of pigs; and
- (b) the slaughter of pigs and the production of pig meat; and
- (c) the processing, distribution, storage, marketing and sale of pig meat and pig meat products produced from pigs that are slaughtered in Australia.

wine-making means:

- (a) a step in the manufacture of wine (including wine used, or intended for use, in the manufacture of brandy); or
- (b) a step in the production of grape spirit suitable for the fortifying of wine or the manufacture of brandy; or
- (c) the addition of single-strength grape juice or concentrated grape juice to wine;

but does not include:

- (d) the extraction of juice from grapes; or
- (e) the concentration of grape juice.

wool industry means the industry in Australia that is concerned with:

- (a) the breeding and raising of sheep and lambs for the purposes of wool production; and
- (b) the harvesting of wool; and
- (c) the processing, distribution, storage, marketing, sale and export of wool that is harvested from live sheep or lambs in Australia.

6 Primary industries

- (1) For the purposes of the definition of **primary industry** in subsection 4(1) of the Act, **primary industry** means the following:

-
- (a) each industry covered by subsection (2) of this section;
 - (b) each industry covered by subsection (3) of this section.

General industries

- (2) The industries are the following:
 - (a) each industry in Australia that is concerned with the growing, harvesting (including picking or harvesting from the wild), processing, distribution, storage, marketing and sale of plant products, fungus products or algal products;
 - (b) each industry in Australia that is concerned with the breeding, raising and slaughter, or hunting or trapping, of animals and the production, processing, distribution, storage, marketing and sale of animal products.

Specific industries

- (3) The industries are the following:
 - (a) the buffalo industry;
 - (b) the cotton industry;
 - (c) the dairy industry;
 - (d) the deer industry;
 - (e) the egg industry;
 - (f) the fishing industry;
 - (g) the fodder industry;
 - (h) the forestry industry;
 - (i) the ginger industry;
 - (j) the goat fibre industry;
 - (k) the grains industry;
 - (l) the grape industry;
 - (m) the honeybee industry;
 - (n) the horticultural industry;
 - (o) the macropod industry;
 - (p) the meat and livestock industry;
 - (q) the meat chicken industry;
 - (r) the ostrich industry;
 - (s) the pasture seed industry;
 - (t) the pig industry;
 - (u) the queen bee breeding industry;
 - (v) the rice industry;
 - (w) the sugarcane industry;
 - (x) the tea tree oil industry;
 - (y) the thoroughbred horse industry;
 - (z) the wine industry;
 - (za) the wool industry.

Section 7

7 Designated primary industry sectors for recipient bodies

For the purposes of the definition of *designated primary industry sector* in subsection 4(1) of the Act, in relation to a recipient body specified in column 1 of an item in this table:

- (a) each primary industry specified in column 2 of that item is prescribed; and
- (b) each part of a primary industry, being a part specified in column 2 of that item, is prescribed.

Designated primary industry sectors		
Item	Column 1 Recipient body	Column 2 Prescribed primary industry or prescribed part of primary industry
1	Cotton Research and Development Corporation	Cotton industry
2	Declared dairy industry body	Dairy industry
3	Declared egg industry body	Egg industry
4	Fisheries Research and Development Corporation	The following: (a) the fishing industry (except any declared fishery); (b) any declared fishery
5	Declared forestry industry body	Forestry industry
6	Grains Research and Development Corporation	Grains industry
7	Declared horticultural industry body	Horticultural industry
8	Declared livestock export body	The part of the meat and livestock industry that relates to the export of livestock
9	Declared meat industry body	Meat and livestock industry
10	Declared meat processor body	The part of the meat and livestock industry that relates to the slaughter of livestock and the processing of livestock meat, livestock meat products, livestock meat by-products and edible offal
11	Declared pig industry body	Pig industry
12	Rural Industries Research and Development Corporation	The following: (a) each industry covered by subsection 6(2); (b) the buffalo industry; (c) the deer industry; (d) the fodder industry; (e) the ginger industry; (f) the goat fibre industry; (g) the honeybee industry; (h) the macropod industry; (i) the meat chicken industry; (j) the ostrich industry; (k) the pasture seed industry; (l) the queen bee breeding industry;

Designated primary industry sectors		
Item	Column 1 Recipient body	Column 2 Prescribed primary industry or prescribed part of primary industry
		(m) the rice industry; (n) the tea tree oil industry; (o) the thoroughbred horse industry
13	Declared sugarcane industry body	Sugarcane industry
14	Wine Australia	The following: (a) the grape industry; (b) the wine industry
15	Declared wool industry body	Wool industry

8 PHA commodity/service

For the purposes of paragraph (b) of the definition of *PHA commodity/service* in subsection 4(1) of the Act, honey is prescribed.

9 Marketing collected amounts

For the purposes of the definition of *marketing collected amounts* in subsection 4(1) of the Act, the amounts prescribed are the following amounts received by or on behalf of the Commonwealth:

- (a) amounts covered by paragraph 15(1)(a) of the Act to the extent that those amounts are equal to each marketing component of the rate of the levy or charge;
- (b) amounts covered by paragraph 15(1)(b) of the Act to the extent that those amounts are equal to that component;
- (c) amounts covered by paragraph 15(1)(c) of the Act to the extent that those amounts are attributable to the non-payment of that component or of an amount equal to that component.

10 Research and development collected amounts

For the purposes of the definition of *research and development collected amounts* in subsection 4(1) of the Act, the amounts prescribed are the following amounts received by or on behalf of the Commonwealth:

- (a) amounts covered by paragraph 15(1)(a) of the Act to the extent that those amounts are equal to each research and development component of the rate of the levy or charge;
- (b) amounts covered by paragraph 15(1)(b) of the Act to the extent that those amounts are equal to that component;
- (c) amounts covered by paragraph 15(1)(c) of the Act to the extent that those amounts are attributable to the non-payment of that component or of an amount equal to that component.

Section 11

11 General collected amounts

For the purposes of the definition of **general collected amounts** in subsection 4(1) of the Act, the amounts prescribed are the following amounts received by or on behalf of the Commonwealth:

- (a) amounts covered by paragraph 15(1)(a) of the Act to the extent that those amounts are equal to each general component of the rate of the levy or charge;
- (b) amounts covered by paragraph 15(1)(b) of the Act to the extent that those amounts are equal to that component;
- (c) amounts covered by paragraph 15(1)(c) of the Act to the extent that those amounts are attributable to the non-payment of that component or of an amount equal to that component.

12 Declared fishery and declared fishery levy or charge

Declared fishery

- (1) For the purposes of section 5 of the Act, the farmed prawn industry is declared to be a declared fishery.

Declared fishery levy or charge

- (2) For the purposes of the definition of **declared fishery levy or charge** in subsection 4(1) of the Act, the following are prescribed in relation to the farmed prawn industry:
 - (a) levy imposed by subclause 20-1(1) of Schedule 1 to the Levies Regulations (farmed prawns levy);
 - (b) charge imposed by subclause 20-1(1) of Schedule 1 to the Charges Regulations (farmed prawns export charge).

Part 2—Disbursement and spending provisions for recipient bodies

Division 1—Introduction

13 Simplified outline of this Part

Declared recipient bodies

This Part prescribes the marketing components, research and development components and general components of the rates of levies and charges in respect of which amounts are disbursed under the Act to the following declared recipient bodies:

- (a) the declared dairy industry body;
- (b) the declared egg industry body;
- (c) the declared forestry industry body;
- (d) the declared horticultural industry body;
- (e) the declared meat industry body;
- (f) the declared meat processor body;
- (g) the declared livestock export body;
- (h) the declared pig industry body;
- (i) the declared sugarcane industry body;
- (j) the declared wool industry body.

Statutory recipient bodies

This Part also prescribes the marketing components and research and development components of the rates of levies and charges in respect of which amounts are disbursed under the Act to the following statutory recipient bodies:

- (a) the Cotton Research and Development Corporation;
- (b) the Fisheries Research and Development Corporation;
- (c) the Grains Research and Development Corporation;
- (d) the Rural Industries Research and Development Corporation;
- (e) Wine Australia.

Spending matters

For some declared recipient bodies and statutory recipient bodies, there are spending rules that are in addition to the requirements in the Act.

Section 14

Division 2—Cotton Research and Development Corporation

14 Disbursement of amounts to Cotton Research and Development Corporation

For the purposes of paragraph 15(1)(a) of the Act, in relation to the Cotton Research and Development Corporation:

- (a) a prescribed provision is each provision covered by column 1 of an item in this table (and known as the levy or charge described in column 2 of that item); and
- (b) the prescribed components of the rate of the levy or charge are the components covered by column 3 of that item.

1	Subclause 20-1(1) of Schedule 1 to the Levies Regulations	Farmed prawns levy	The research and development component covered by item 1 of the table in subclause 20-3(1) of that Schedule
2	Subclause 20-1(1) of Schedule 1 to the Charges Regulations	Farmed prawns export charge	The research and development component covered by item 1 of the table in subclause 20-3(1) of that Schedule

20 Spending of amounts equal to research and development collected amounts

For the purposes of paragraph 22(2)(c) of the Act, expenditure by the Fisheries Research and Development Corporation of amounts equal to the research and development collected amounts, that relate to a levy or charge imposed by a provision covered by column 1 of an item of the table in section 19 of this instrument (and known as the levy or charge described in column 2 of that item), is to be for the benefit of the farmed prawn industry.

22 Disbursement of amounts—white spot disease repayment levy and white spot disease repayment export charge

Prescribed imposition provisions

- (1) For the purposes of subsection 36(2) of the Act, the prescribed provisions are the following:
 - (a) subclause 20-1(2) of Schedule 1 to the Levies Regulations (white spot disease repayment levy);
 - (b) subclause 20-1(2) of Schedule 1 to the Charges Regulations (white spot disease repayment export charge).

Note: Amounts equal to white spot disease repayment levy or white spot disease repayment export charge received by or on behalf of the Commonwealth:

Section 22

- (a) are initially retained by the Commonwealth to repay the government-underwritten assistance package provided to prawn farmers affected by white spot disease in the Logan River area of Queensland; and
- (b) after the farmed prawn industry's liability to the Commonwealth is repaid, are to be paid to the Fisheries Research and Development Corporation under the Act.

Prescribed amounts

- (2) For the purposes of subsection 36(2) of the Act, the prescribed amounts in relation to the levy covered by that subsection are the following amounts:
 - (a) the amount of the final repayment year surplus that is attributable to that levy (as worked out under subsection (4) of this section);
 - (b) any amounts of that levy that are due for payment before the end of the final repayment year but are not received by the Commonwealth before the end of that year;
 - (c) any amounts of that levy that are due for payment after the end of the final repayment year.
- (3) For the purposes of subsection 36(2) of the Act, the prescribed amounts in relation to the charge covered by that subsection are the following amounts:
 - (a) the amount of the final repayment year surplus that is attributable to that charge (as worked out under subsection (4) of this section);
 - (b) any amounts of that charge that are due for payment before the end of the final repayment year but are not received by the Commonwealth before the end of that year;
 - (c) any amounts of that charge that are due for payment after the end of the final repayment year.

Final repayment year surplus attributable to a levy or charge

- (4) The amount of the final repayment year surplus that is attributable to a levy or charge covered by subsection 36(2) of the Act is worked out using this formula:

$$\frac{\text{Relevant repayment amount for the final repayment year}}{\text{Total repayment amount for the final repayment year}} \times \text{Final repayment year surplus}$$

Outstanding industry debt

- (5) The **outstanding industry debt** at the end of a financial year commencing on or after 1 July 2025 (the **repayment year**) is:
 - (a) if the total repayment amount for the repayment year is less than the outstanding industry debt at the end of the immediately preceding financial year—the amount worked out by calculating the difference between that outstanding industry debt and the total repayment amount for the repayment year and multiplying that difference by the indexation factor for the repayment year; or
 - (b) otherwise—nil.
- (6) The **outstanding industry debt** at the end of the financial year commencing on 1 July 2024 is the amount worked out in accordance with regulation 4BA of the former *Fisheries Research and Development Corporation Regulations 1991*.

-
- (7) The **indexation factor** for a financial year is the number worked out by dividing the index number for the financial year by the index number for the immediately preceding financial year.
- (8) The **index number** for a financial year means the All Groups Consumer Price Index number (being the weighted average of 8 capital cities) published by the Australian Statistician for that year.
- (9) An indexation factor worked out under subsection (7) is to be calculated to 3 decimal places (rounding up if the fourth decimal place is 5 or more).
- (10) In working out an indexation factor under subsection (7):
- (a) use only index numbers published in terms of the most recently published index reference period for the Consumer Price Index; and
 - (b) disregard index numbers that are published in substitution for previously published index numbers (except where the substituted numbers are published to take account of changes in the index reference period).
- (11) For the purposes of subsection (5), the outstanding industry debt at the end of a financial year is to be rounded to the nearest whole cent (rounding 0.5 cents upwards).

Definitions

- (12) In this instrument:

final repayment year means the first financial year ending after the commencement of this section when the outstanding industry debt at the end of the year is nil.

final repayment year surplus means the amount that is the difference between:

- (a) the total repayment amount for the final repayment year; and
- (b) the outstanding industry debt at the end of the financial year immediately preceding the final repayment year.

relevant repayment amount for the final repayment year means the amount worked out by:

- (a) calculating the total amount of that levy or charge received by the Commonwealth during the final repayment year; and
- (b) adding any amounts of penalty received by the Commonwealth during the final repayment year for non-payment of that levy or charge; and
- (c) subtracting any overpaid amounts of that levy or charge, and any overpaid amounts of penalty for non-payment of that levy or charge, that were refunded by the Commonwealth during the final repayment year (whether or not those overpaid amounts were received by the Commonwealth during the final repayment year).

repayment charge means the following:

- (a) charge imposed by subclause 20-1(2) of Schedule 1 to the *Primary Industries (Customs) Charges Regulations 2024*;
- (b) charge imposed by Division 2.3 of Part 2 of Schedule 14 to the former *Primary Industries (Customs) Charges Regulations 2000*.

Section 23

repayment levy means the following:

- (a) levy imposed by subclause 20-1(2) of Schedule 1 to the *Primary Industries (Excise) Levies Regulations 2024*;
- (b) levy imposed by Division 3.3 of Part 3 of Schedule 27 to the former *Primary Industries (Excise) Levies Regulations 1999*.

total repayment amount for a financial year means the amount worked out by:

- (a) calculating the total amount of all repayment levies and all repayment charges received by the Commonwealth during the financial year; and
- (b) adding any amounts of penalty received by the Commonwealth during the financial year for non-payment of repayment levy or repayment charge; and
- (c) subtracting any overpaid amounts of repayment levy or repayment charge, and any overpaid amounts of penalty for non-payment of repayment levy or repayment charge, that were refunded by the Commonwealth during the financial year (whether or not those overpaid amounts were received by the Commonwealth during the financial year).

23 Spending of amounts paid under subsection 36(1) or (2) of the Act

- (1) For the purposes of paragraph 36(4)(c) of the Act, expenditure by the Fisheries Research and Development Corporation of the amounts paid under subsection 36(1) of the Act is to be for the benefit of the fishing industry (except any declared fishery).
- (2) For the purposes of paragraph 36(4)(c) of the Act, expenditure by the Fisheries Research and Development Corporation of the amounts paid under subsection 36(2) of the Act is to be for the benefit of the farmed prawn industry.

Division 6—Forestry industry body

24 Disbursement of amounts to declared forestry industry body

For the purposes of paragraph 15(1)(a) of the Act, in relation to the declared forestry industry body:

- (a) a prescribed provision is each provision covered by column 1 of an item in this table (and known as the levy or charge described in column 2 of that item); and
- (b) the prescribed components of the rate of the levy or charge are the components covered by column 3 of that item.
